Jeff Markin: Back from the Dead, Reborn Into the Light

Jeff Markin

Please see this short and inspiring video of a man who died and the doctor who helped bring him back to life by prayer!

They called a time of death on Jeff. Then, his doctor heard the Lord say, 'Pray for him.'

It was the morning of September 20, 2006. Jeff Markin recalls heading for

work as usual. What he doesn't remember is driving himself to the hospital.

He had called his boss and told him he didn't feel well. His boss was concerned and convinced Jeff to go to the emergency room. Somehow Jeff made it. Once he got there, he collapsed.

Dr. Chauncey Crandall was doing rounds in the intensive care unit that morning. He recalls, "An alert call came over the PA system that someone had arrived at the hospital with a massive deadly heart attack. Then a second call went out over the PA system and specifically asking for me because I was the cardiologist on that day. When I arrived there, it was like a war zone. It was chaos. Everyone there fighting to keep this man alive."

The ER staff worked on Jeff for 40 minutes. They shocked him a dozen times. Despite their efforts, there was no response.

Once Dr. Crandall decided the team had done everything medically possible, he called the time of death. Medically Jeff was dead, but he was still experiencing consciousness.

"I was standing in the back of a funeral home, and at that time, I determined that I had died," Jeff Markin says. "This funeral home was empty and was wondering where all my friends and family were."

While a nurse prepared Jeff's body for the morgue, Dr. Crandall updated the charts.

"As soon as my note was completed, I walked out through the door to this emergency room and I heard this voice say, 'Turn around and pray for this man.' I wanted to ignore that voice because I said to myself, How can I pray for that man? He's dead he's gone. There's no life in him, so I keep walking. The voice came back again and said, 'Turn around and pray for that man.' I stopped and thought I need to honor the Lord. So I turned around at the doorway, and I walked to the side of the body.

"The nurse was on the other side of the body, and she's looking at me like, 'What are you doing? Why are you here?' And I stood there next to the corpse and I opened my mouth and these words came out: 'Father God, I cry out for this man's soul. If he does not know you as his Lord and Savior, Father, raise him from the dead now, in Jesus name.'"

'I remember staring at bright lights and they were swirling around," Jeff says. "Out of those bright lights came an image and he told me that he was there to look over me and make sure that everything was going to be fine."

Dr. Crandall continues, "The other doctor walked in the room and I pointed to him and said, 'Shock this man one more time.' He looked at me and said, 'Dr. Crandall, we can't shock him. He's dead. There's no life in him. He's gone.' I said, 'For me, shock him one more time.' That doctor out of respect and honor for me went over to that body with those defibrillator paddles and put his paddles on that patient and shocked him. Immediately an instant heartbeat came back. Instant perfect, regular, which we've never seen before. Then suddenly this abdomen started moving and starting breathing and then a couple

moments later, the fingers started twitching.”

They immediately moved Jeff to the intensive care unit. Three days later, Jeff woke up with no evidence of brain or organ damage.

“Once I woke up, my daughter Jillian was there,” Jeff says. “That’s when she told me what had happened.”

Dr. Crandall says, “When I came in Monday morning, Jeff was sitting up in bed, and I said, ‘Where were you that day that I prayed for you in the emergency room?’ And he said, ‘I was in total darkness and I was so disappointed.’ I said, ‘Jeff, what were you disappointed about?’ He said, ‘I was alone for eternity.’”

Jeff recalls, “He asked me at that time if I was willing to accept God into my life and into my heart and I did. I just opened my arms and accepted God. It was just a very emotional time and I remember crying in his arms.”

Today Jeff is back at work and gets regular check-ups with Dr. Crandall.

“He still has no heart problems or residual complications from his brush with death,” Dr. Crandall says.

“To know what I had gone through and to be fortunate... That’s been part of my daily battle is why me,” Jeff ponders. “Why have I been so fortunate to have God shine on me? It’s been tremendous. I’ve been physically reborn. I’ve been spiritually reborn, and I’m just very grateful for that.”

“This day that I prayed for Jeff was a day of very little faith. It wasn’t one of my big God days,” Dr. Crandall says. “I was so much in a rush with my work, and I didn’t have a lot of faith backing that prayer up that day. But the Lord asked me to do it, so I honored the Lord and prayed. That’s all we need. Just a spark of faith like that mustard seed, and when you cry out to the mighty Holy Spirit, He will take over. Miracles are real, and they’re real today.”

Was the late Queen Elizabeth II a true Christian? Or was she promoting a Masonic christ and only pretending to be a Christian?

The Inventors of the Climate Change Scam: The Club of Rome

What is the Club of Rome?

"The Club of Rome is a platform of diverse thought leaders who identify holistic solutions to complex global issues and promote policy initiatives and action to enable humanity to emerge from multiple planetary emergencies." This political lodge also brings together multi-billionaires in the Rockefeller, Rothschild and Soros families along with political chameleons such as Anders Wijkman and industrial magnates such as the now deceased oil businessman Maurice Strong." The second definition is from Technocracy News which mediabiasfactcheck.com calls "Conspiracy-Pseudoscience." LOL!

I fact-checked mediabiasfactcheck.com and this is what I came up with:

"Mediabiasfactcheck has been repeatedly caught in lies and distortion of truth. Repeated claims that have proven false about Covid alone are enough to quit using them. Takes going to court to get them to correct lies they publish. It is a totally discredited, self-styled 'fact-checker' site that has been served with a 'cease and desist' legal notice for publishing unsubstantiated and defamatory claims against Principia Scientific International (PSI)." (Source: <https://www.sitejabber.com/reviews/mediabiasfactcheck.com>)

David Icke and Dr. John Coleman talk a lot about the Club of Rome, but because I don't trust information from either of those guys, I won't use any of their materials. Coleman talked about the Club of Rome as a governing body giving orders, but I see it more as a think tank.

I consider the most reliable source of information about globalists' plans that do not have the good of the general public in mind to be right out of publications of the globalists themselves. Climate change is controversial even among scientists, but you probably didn't know that by listening to the mainstream media. Researching controversial organizations and topics such as the Club of Rome and Climate Change requires spiritual discernment, and that comes from knowing the written Word of God in the Bible and a good relationship with God through obedience to the Lord Jesus Christ.

LGBTQ Activists Attacking the Truth of Genesis 1:27

So God created man in his own image, in the image of God created he him; **male and female created he them**.- Genesis 1:27

I first found this article in 2016 and got the first few paragraphs from it. Unfortunately the original article is not longer on line.

What you may have been suspecting has been confirmed. LGBTQ activists' end

goal is not ruling over the bathroom. It's obliterating the family. Riki Wilchins, a famous transsexual who recently wrote a piece in the gay publication *The Advocate*, revealed that many conservatives and even LGBT activists are missing the forest for the trees.

"We'll Win the Bathroom Battle When the Binary Burns," Wilchins says the real goal is to kill the notion of male and female altogether. The "binary" refers to gender distinction, and getting rid of the "heterobinary structure" is the goal. Wilchins writes that the fact that we are arguing over male and female facilities is proof that we still have far to go—that there should be no gender distinctions in general.

In fact, Wilchins points to an emerging group of people who don't want to affiliate as any gender. [Life Site News](#) explains, "'Non-binary' people don't identify as male or female and they often want to be referred to as 'they' or 'hir' or 'zer.'" So the fact that there are even intimate facilities that reflect the "binary" truth about gender should change, Wilchins wrote."

If you are confused, you are not alone. But beneath all of the titles and non-titles, the insidious plan is the destruction of the family, reveals Stella Morabito, senior contributor to *The Federalist*.

contact with on a daily basis.

Truly great folks never stoop
To answer petty things;
The unkind word, the bitter cut
That rankles deep and stings.
They are too big to notice them,
They simply pass them by,
And even with a smile sometimes
Or twinkle in the eye.
For they have found that after all
'Twas better in the end
To meet it with a smile, and then,
Just let it pass, my friend.

Insights about Antichrist

Vicar: (From Latin) vicarius, a *substitute*,
Anti: (From Greek) against, opposite, *instead of*,
Vicar of Christ = Anti Christ

I got this from a Facebook post written by Steve Andrews on September 16, 2022.

If you are unfamiliar with the doctrine of dispensationalism, I have [several articles on this site](#) that explain what it means and its influence on popular End-time teaching today.

By Steve Andrews

Regarding the Jesuit invention of the singular “the Antichrist” / false doctrine, “dispensationalism”. All roads lead to Rome in this regard.

I’ve read that this was probably a set uplike the one sole AntiChrist. The conversion from the antichrist spirit to a singular AntiChrist was popularized by Iranaeus and Tertullian.

The Protestants claimed the Roman Catholic Church met the criteria of the antichrist. In 1554, during the Council of Trent, the Jesuits (Catholic elitists) were commissioned by the Pope to develop a new interpretation of Scripture that would counteract these Protestant claims that the Roman Catholic church fulfilled the Bible prophecy of an antichrist.

In 1590, Jesuit Francisco Ribera published a 500-page commentary on Revelation called “In Sacrum Beati Ioannis Apostoli, & Evangelistiae Apocalypsin Commentarij”. His commentary was never translated to any other language, and it was for the eyes of the Catholic hierarchy only. As a result, Ribera said since the papal was timeless and could not be the antichrist since the antichrist had to be a single identity.

A subsequent Jesuit, Cardinal Bellarmine added the AntiChrist would be an evil man who would reign for seven years at the end of the time.

We see the emergence of modern dispensationalism as a result which would not have been possible without the Freemasonic banker Henry Drummond – a fellow in the Royal Society of Freemasons.

The Reformation leaders believed that the Catholic Church was the antichrist system because of their centuries long inquisitions and killing hundreds of thousands of people it believed to be heretics. The Jesuits were recruited to infiltrate Protestantism and spread the doctrine of dispensationalism.

The Catholic Church being an antichrist is far too myopic to assume they are the end-all be-all of the antichrist system. It's just one part of the Beast system.

Freemason Darby is the father dispensationalism using esoterics and the Kabbalah – not found in the Bible. Darby popularized the corruption-ridden attorney Scofield in the United States...which is Zionism.

Scofield turned Jesus into the AntiChrist alleging that Lucifer is who the world should be praising. They see Jesus is the AntiChrist because they see themselves as God.

A core part of dispensationalism is the third temple will be rebuilt when the AntiChrist secures a peace treaty between Israel (the nation Zionists contrived, not the true Hebraic Israelites who were exterminated by Zionists) and its neighbors. This became more popular by dispensationalist and Freemason Tim LaHaye of the LeftBehind Series.

Dispensationalism was invented as a self-preservation technique by the Catholic Church to remain in power.

Dr. John Coleman Debunked

John Coleman

This article is mainly for those who know about Dr. John Coleman who claimed to be a former MI6 agent.

I read Dr. John Coleman's book, "CONSPIRATORS' HIERARCHY: THE STORY OF THE COMMITTEE OF 300" sometime in the late 1990s. This was before I first heard of the Jesuit / Vatican conspiracy. John Coleman made a lot of sense to me then, but over the years I started having doubts about him.

According to Coleman, the world is run by a committee of 300 men with the British monarch at the head. The book sounded good and right when I first read it, but after 20 more years of research, I now believe it to be disinformation.

A MAJOR red flag for me about Coleman's book, The Story of the Committee of the 300, is the fact that it's on the official cia.gov website!

https://www.cia.gov/library/abbottabad-compound/4A/4A92FD2FB4DAE3F773DB0B7742CF0F65_Coleman.-.CONSPIRATORS.HIERARCHY.-.THE.STORY.OF.THE.COMMITTEE.OF.300.R.pdf

Just click on the URL and you will see it's true. WHY would an intelligence agency that is arguably working for the global elite / Jesuit General / Vatican post Coleman's work on its website if what Coleman is saying is true? It doesn't make sense.

According to John Coleman, the Committee of 300 is the ultimate ruling body of the world and the now deceased Queen Elizabeth II was the head of it. I definitely do not think so! Dr. Coleman does not talk about the power of the Roman Catholic Church, nor the Vatican, nor the Jesuits. If you are not familiar with my worldview about the Roman Catholic Church and the Jesuits, please read [my article about it](#).

Moreover, John Coleman refuses to disclose much about his background. There

is no evidence he was a MI6 agent. Why does he use the title of Dr.? He has a doctorate in what? He doesn't tell us. The name John Coleman may be a pseudonym. According to <https://www.truthcontrol.com/articles/eustace-mullins-exposed-dr-john-coleman-1992> his name may really be John Clarke.

Because of my doubts about John Coleman, I removed two articles from him I posted in 2013 from this website, the Story of the Committee of the 300 article and what he said about Tavistock. I don't want to be guilty of spreading disinformation.

Can we trust *anyone* who claims to be a former intelligence agent? I used to think that former CIA agent Mark Phillips was legit. He rescued MKULTRA victim Cathy O'Brien. Or did he? Some believed that Phillips was Cathy O'Brien's new handler. I have doubts about Phillips because he tried to debunk the testimonial of another MKULTRA victim, Brice Taylor, AKA Sue Ford, who wrote, "[Thanks for the Memories.](#)" I find her testimonial very credible.

Does it make sense to trust the testimonial of a former intelligence agent? He may be mixing fact with fiction to intentionally sow disinformation because he is still on the agency's payroll! His motivation may be monetary. I think the Story of the Committee of 300 must have made a lot of money for Dr. Coleman. To me the mark of a true whistleblower is persecution. Did John Coleman experience anything like what Julian Assange or Edward Snowden went through? I sure haven't hear about it. Coleman is only famous among conspiracy researchers. He hasn't come close to the fame of Assange or Snowden. Often an insider with highly classified information gets taken out or neutralized by the people he used to work for.

Of course all of the above are only my opinions. You can decide for yourself. The critique of the Committee of 300 by Col Barry Turner makes a lot of sense to me.

If after listening to what Barry Turner has to say and you don't agree with him or me, please post comments in the comment section and I will reconsider. The Bible says we see through a glass darkly. Nobody's perfect, right? I'm the first to admit that about myself.
