Masako's daughter Saori with her 8 month old baby

Today I traveled back home from Toride city in Ibaragi prefecture. At first I took three trains to get to Fujimino station on the Tobu line, the station that is closest to Miyoshi parking area on the Kan'etsu expressway. Normally I would take a bus from the station to get to an even closer point, but I got tired of waiting for the bus and decided to hoof it. It was only a 30 minute walk.

After another 30 minute wait, two ladies, a mother and her daughter holding her 8 month old baby girl picked me up and took me as far as Akagikogen service area. This is excellent for it is past Takasaki and the junction that runs toward Nagano.
