

The California Wildfires

I am now very concerned for my friends living in the Los Angeles area. I visited them in December of 2014 and was in West Hollywood for a week. My prayer is not only for their safety, but that any loss they may experience doesn't harden their hearts toward God. Unfortunate circumstances can make us either bitter or better. When we perceive something bad happening, we should call out to God for His help!

The Origin of Futurism and Preterism – Book Review by Tom Friess

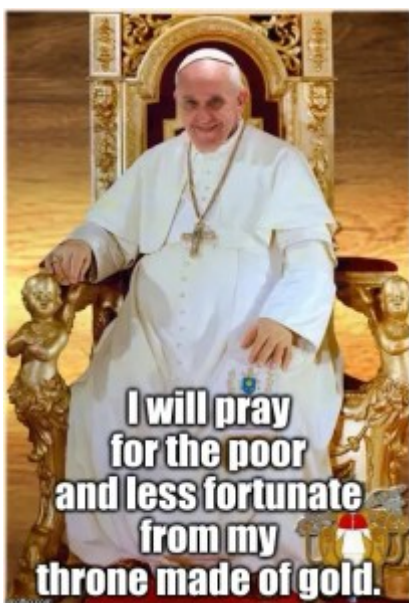

The historicist school of interpretation sees the fulfillment of that Antichrist, that man of sin, that son of perdition, that little horn of Daniel is the papacy. And the papacy has existed and has fulfilled the role of the Antichrist all throughout the history of the Revelation. Prophecy perfectly fulfilled in the papacy.

The Power of the Pope

The Pope leads this huge global institution of the Catholic Church. There's over a billion Catholics. He has ready access to them through encyclicals, through sermons that priests and bishops give. So because of that, and because I think he's sort of prominently dressed and presented as a religious figure in a world that takes that seriously, he's surrounded by a media circus of incredible intensity and attention.

Pope Francis the Fox – Richard Bennett's Newsletter Reviewed by Tom Friess– Part II

A Vatican Council II document upholds the same principle of the "universal ownership of all goods." The word universal, as is taught by the Vatican, is synonymous with Catholic. Those two words, although they are different

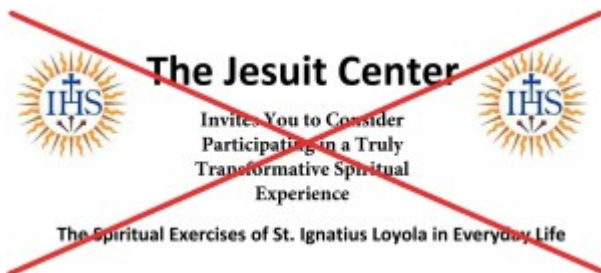

spelling, have exactly the same meaning. Universal and Catholic are one and the same word. Universal ownership means Catholic ownership.

Now what is Pope Francis’ agenda? Throughout the encyclical, Francis’ environmental theme cannot be ignored. With over 170 references to global warming, climate change, environment and environmental issues, it is clear that this is a means to an end. Francis’ encyclical is not in any sense a labor of original thought. Both his analytical style and argumentative form are firmly grounded in the Vatican’s preeminent sense of its own self-importance and presumed lordship over every aspect of human life.

It is through the written Word of God that the true Holy Spirit convicts of sin and of righteousness and of judgment. You cannot arrive at Christ’s

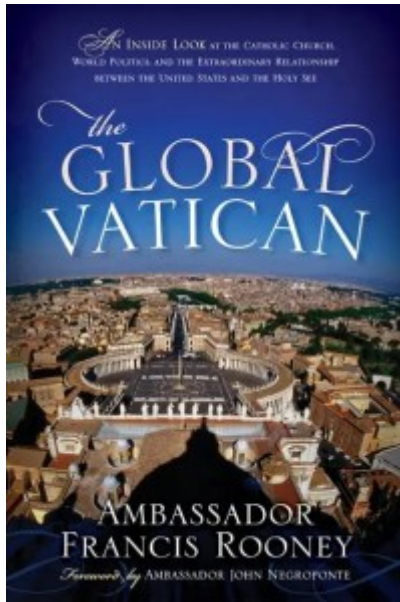

righteousness, Christ's truth, any other way than the Scriptures. And that is what the Jesuits hate the most. They must replace the Scriptures with subjectivity, with vain imaginations, with imaginings, with visions.

The Mask of the New World Order, The Jesuits!

The American people are being taken on one of the longest Trojan horse rides of history. We are being duped by our leaders who have been conspired against us. The declining American standard of living has been planned from the beginning. It is the result of planning at the very highest levels of America. A plan to fail, a plan to create insecurity and uncertainty, a plan to make the American people serfs in the New World Order.

Exposé of the Book The Global Vatican

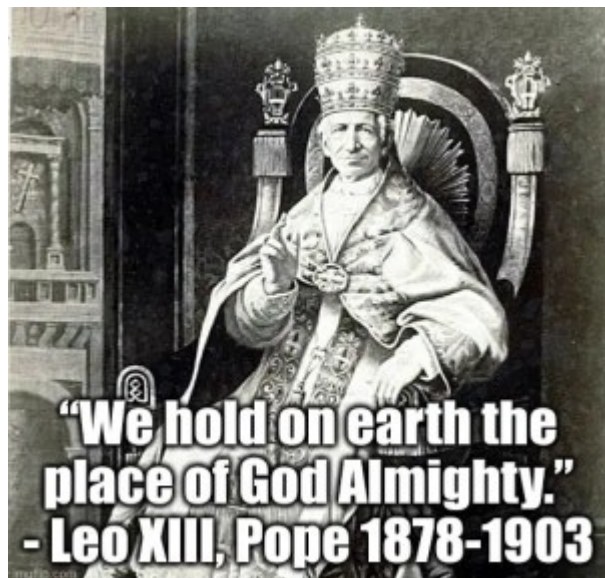

I've been proving from scripture and from history that the office of the papacy is, was, and always has been and always will be what the Bible describes as the Man of Sin, the Son of Perdition, the Antichrist, the biblical, prophetic, and historical antichrist, and that Futurism is a lie. This idea that the Antichrist doesn't come until the last seven years or so before Christ returned is simply to take the world's eyes away from the historical antichrist, the papacy.

Thoughts on Vatican II, the Second Ecumenical Vatican Council

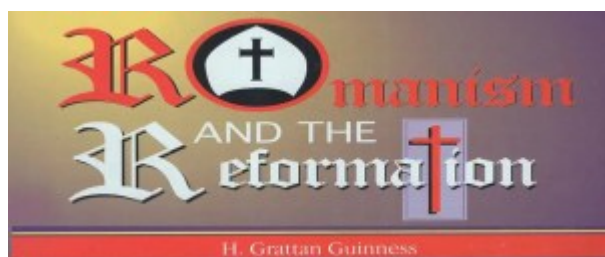

Vatican II had more than a century of preparation. Never does the Roman Catholic Church change. It only expands what is already there. It actually widens the net to catch more.

Tom Friess – Romanism and the Reformation Part 3

I beheld, and the same horn made war with the saints, and prevailed against them, until the Ancient of Days came, and judgment was given to the saints of the Most High. And the time came that the saints possessed the kingdom.

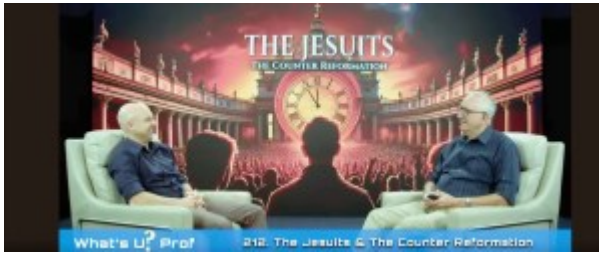

Tom Friess – Romanism and the Reformation Part 2

H. Grattan Guinness has given us a thumbnail sketch of the rise of Antichrist from the fall of the pagan Roman Empire and the Caesars, the restraining power that was holding back the rise of Antichrist. Once the Caesars and the old pagan Roman Empire was destroyed, up rose in its place the man of sin, the son of perdition, the biblical, historical, and prophetic Antichrist of the Bible, the papacy.

The Jesuits & The Counter Reformation

– Walter Veith

Throughout Christendom, Protestantism was menaced by formidable foes. The first triumph of the Reformation passed. Rome summoned new forces hoping to accomplish its destruction. At this time, the Order of the Jesuits was created. The most cruel, unscrupulous and powerful of all the champions of potpourri. There was no crime too great for them to commit. No deception too base for them to practice. No disguise too difficult for them to assume. Vowed to perpetual poverty and humility, it was their studied aim to secure wealth and power to be devoted to the overthrow of Protestantism and the re-establishment of papal supremacy.

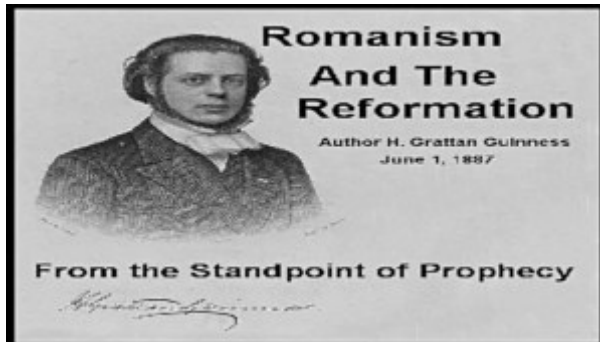

The Pope – Chief of White Slavers,

High Priest of Intrigue

Former Catholic priest Jeremiah J. Crowley exposes the Popes of Rome as evil tyrants whose interest is only money and power over as much of the world as possible.

Tom Friess – Romanism and the Reformation Part 1

Great Britain became “great” because the British Empire sent Protestant missionaries throughout the world to preach the Gospel to the nations. As a result God made Britain great. Britain is no longer great. It succumbed to Romanism in the 19th century. Will President Trump indeed make America great again? Only if he leads the nation back to the true Gospel of Jesus Christ as recorded in the Scriptures.

Romanism and the Reformation – H. Grattan Guinness

This is an outstanding series of lectures exposing the Roman Catholic Church as “MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.” of Revelation 17:5.

The Key to Pope Francis's Identity – Part II. Master of the Jesuit Spiritual Exercises

The spiritual exercises of Ignatius Loyola, is mysticism, visualizations to empower a man to worship a god of his own making in order to replace the Bible. Those who are familiar with the Alpha course have experienced the study of the Ignatian spirituality right in their own Protestant churches!

The Key to Pope Francis's Identity – Part I. Master of the Jesuit Spiritual Exercises

Pope Francis is one of the most popular and polarizing Catholic popes in recent history. Many people, including naive, professing evangelical believers, are being captivated by his approach. Richard Bennett is qualified

to expose the reality of who Pope Francis is.

Mary and the Antichrist Deception

What role will Mary and the Roman Catholic Church will play in the New World Order. What role will this universal goddess that appeals to all the religions of the world, that which the Roman Catholic Church calls Mary, what role will she play in the coming New World Order, the global religion under the Antichrist?

The Jesuit Connection to the Founding of the United States of America

What I was taught from a baby up, is quite contrary to what the historical facts actually tell you. And when you read it from the Roman Catholic standpoint, then you are absolutely getting the truth of what really took place. And at the time when all of this was going on, it was one of the most incredible, tight secrets of all ages, so that nobody really knew what was going on except the very ones that were at the top, that were involved in it.

Seven Things You May Not Know about Christmas

There is debate among some Christians about whether we should celebrate Christmas or not. I think we can if we scrape the lies off the Truth and celebrate it as it should be celebrated, as the birth of the Saviour, the Messiah, Jesus Christ, on earth. We can still praise the Father for sending His Son to earth!
