

How Many Times Does the Bible Tell Us Not to Fear?

A common saying among Christians today is, “‘Fear not’ is in the Bible 365 times.” I saw this on a Facebook post and was surprised at how many Christians agreed with the statement. The Bible does tell us not to fear, but not 365 times. Let’s see how many times I can come up with.

Doing a search for “fear not” in my King James Pure Bible software, I came up with 63 occurrences, but two of those occurrences are not telling us not to fear.

Psalms 55:19 God shall hear, and afflict them, even he that abideth of old. Selah. Because they have no changes, therefore they **fear not** God.

1 Peter 2:18 Servants, be subject to your masters with all fear; not only to the good and gentle, but also to the froward.

I also removed Judges 4:18 because Jael is telling Sisera not to fear so she can catch him off guard and kill him!

Judges 4:18 And Jael went out to meet Sisera, and said unto him, Turn in, my lord, turn in to me; **fear not**. And when he had turned in unto her into the tent, she covered him with a mantle.

And I removed from the list 2 Samuel 13:28 because evil Absalom is telling his servants not to fear to kill his brother Ammon!

2 Samuel 13:28 Now Absalom had commanded his servants, saying, Mark ye now when Amnon’s heart is merry with wine, and when I say unto you, Smite Amnon; then kill him, **fear not**: have not I commanded you? be courageous, and be valiant.

And 2 Kings 17:34 was removed because it's talking about people who do not fear the Lord.

2 Kings 17:34 Unto this day they do after the former manners: they **fear not** the LORD, neither do they after their statutes, or after their ordinances, or after the law and commandment which the LORD commanded the children of Jacob, whom he named Israel;

Psalms 64:4 was removed because it's talking about evil doers who don't fear to do evil.

Psalms 64:4 That they may shoot in secret at the perfect: suddenly do they shoot at him, and **fear not**.

All the other verses are either the Lord telling us not to fear, or the Lord's servants telling their people not to fear.

D'Etat & the Plot to Steal America – In Text Format

This text was transcribed from a video I found on Rumble. If you want to listen to the video first, just scroll down to the bottom of this article. If you find any errors or typos in my transcription, please tell me so in the comments section below and I'll fix it.

Speaker: Ladies and gentlemen, please stand on your feet and greet Dr. David Martin. (Applause)

David Martin: Thank you very much. Mikki (Willis), you would you stand up, please? Many of you know me because of the work and the brilliance of this man and his team. And well, that's interesting. What you don't know, is the speech that I'm about to give is because this man is not just behind the camera. He's actually a brother. And what he did to me a few months ago was he called me and he said, "You know what?" He goes, "You presented all the facts. You've been out there in front of this thing before it was a thing." And he goes, "But there's something missing. And there's something that's missing is your humanity. What happens when I sit close to you is one thing. And what happens when you're on a stage or on a camera in an interview is a different thing." And he goes, "You need to bring the man into this presentation." So the presentation that you're hearing today is because I have a brother who holds me accountable. Mikki, Thank you. (Applause)

COVID-19 and SARS C0v2 was a coup d'etat. And let me be precise about what I mean by that. Sediton in the United States is actually defined very simply, by when any act is done by a conspiring party or group of parties, that its intent is to disrupt or interrupt or overtake the government of a state or a country. And under 18 US Code, the act of sedition was in fact, a coup d'etat to ensure that there would not be a democracy in 2018. Okay, and I'm going to present across the next few minutes the evidence of that. And I'm going to end my presentation with a challenge to you. Because during my presentation, the 30 minutes that I have, is going to cost two children their life because of the inaction of every attorney general in America, because of the inaction of every US attorney, and because of the inaction of every governor in this country. But my grandfather said, Never attribute to malevolence what is ignorance. So in the next 30 minutes, I'm giving every elected official the opportunity to do the right thing. And after 30 minutes, I'm not going to give them that opportunity again. (Applause) So you got Mr. Nice Guy for 30

minutes.

Next. Now, most of you don't know the details of all of the elements. And the good news is I'm going to flip through these slides very quickly because the end of the story is the important part of the story. But for those of you who don't know, COVID is a direct result of HIV Inc. HIV Inc. was founded in 1984. Anthony Fauci was the chief architect of HIV Inc. And his goal was to use sexuality, and specifically homosexuality, as a way to indoctrinate humanity into the acceptance of a universal vaccine mandate. Now, interestingly enough, most of us didn't take the bait. And the reason we didn't is because we didn't live the lifestyles that were associated with HIV in 1984. But cunningly, by 1986, Anthony Fauci and his team at NIAID (National Institute of Allergy and Infectious Diseases) and his minions at the CDC had convinced each and every one of us that maybe we've been in a car accident, maybe we would get a transfusion, and maybe we would get AIDS, which was the justification for a universal HIV vaccine in 1984. It's gonna get nasty because I'm going to show you some real images from 1984 just to let you see that what I'm saying is not my imagination.

But in 1984, something happened. People realized that to accept a universal vaccine, we needed to create a liability shield for the manufacturers of those vaccines. And from 1984 to 1986. We actually built **the first-ever product immunity in the United States, which allowed manufacturers to kill people with intent**. And you heard what I just said, kill people with intent. Anthony Fauci was quoted himself as saying that the ultimate killer of pharmaceutical interventions with vaccines was the smallpox vaccine, which killed one in every 100,000 and injured or maimed one in every 10,000. Did you hear what I just said? Killed one in 100,000, maimed one in 10,000. And that was something that he thought he could turn into a universal vaccine for HIV in 1986. I don't know what an acceptable death rate is for you people. But an acceptable death rate for any product, anywhere in the history of humanity in my definition, is zero! (Applause)

But then, a little dirty secret came along. Somebody at the NIH (National Institutes of Health) said, "Hey, Tony, Cool your jets baby. We have this drug called AZT. And we don't want a vaccine too quickly. We want to kill people with AIDS with AZT. So let's run the clock on it in the state of North Carolina...". By the way, if you're from North Carolina, or you've done anything in North Carolina, you got tar on your heels and blood on your hands. Because the state of North Carolina since 1986 has been brought to you by HIV Inc.

That's a bummer. I think I just lost the elected officials in North Carolina. Shoot. I couldn't even make it through a presentation.

UNC-Chapel Hill began the weaponization of Coronavirus in 1986. But by 1996 Anthony Fauci had a little plan. Coronavirus, as a model, has a very interesting set of attractive attributes, which include this very interesting thing called a spike protein and a couple of other binding sites where the virus allegedly binds to the outside of the cell. And it turns out that Ralph Baric (a professor) at the University of North Carolina Chapel Hill, was the very first person to figure out how to take a pathogen, which used to be an infection of the gut, gastroenteritis. For over 30 years Coronavirus was gastroenteritis. But Ralph Baric figured out how to weaponize it and not weaponize the virus, weaponize the spike protein. And he was the one that figured out how to make a **thing that used to hit your gut, hit your heart**. That was gain of function ladies and gentlemen, the thing that we never did, allegedly. He did it! And in 1996, he received a grant and then a series of grants in 1999, by Anthony Fauci to actually weaponize the Coronavirus spike protein so it could be used as a vaccine vector with the idea that it would be the next HIV vaccine.

That's when I started watching this. I've been a locust-eating prophet in the wilderness. (Laughter) Because my first briefing on this was in 1999. My first intelligence briefing on this was in 2003, in a published document that I have sitting on my desk to remind me that sometimes being right isn't as good as being effective. Turns out I was right in 2003. And unfortunately, I wasn't effective.

But Fauci ran into another problem. And in 1999 to 2002, and patented by the University of North Carolina Chapel Hill, and conveniently in the fall of 2018, do you all remember the big Coronavirus outbreak of 2018? No, that's because there wasn't one. But in an unprecedented move, the University of

North Carolina Chapel Hill was forced to sign their SARS vaccine patent from UNC-Chapel Hill back to NIH. By the way that hasn't been done. But they did it in the fall of 2018. Does it feel like they were preparing for something?

Next slide. Do not read this slide. Because I used to hate professors who put reading charts and eye exams on slides. Don't read it with any luck, Clay Clark can figure out how to make all of this presentation available to you. And I hope he does because that's what it's for. But in 1984, we created the vaccine nightmare, and **we let Anthony Fauci have \$191 billion**. And you heard the number, right, *billion*. We've been told about \$3.7 million going to China, and we're supposed to be upset about that. How about \$191 billion of your taxpayer money that has gone to weaponize nature against humans? 191 billion, and let's do the little walk-through, shall we? 1984 we invent the **vaccines for HIV, which led to death and permanent disability to over 50% of the participants**. But that was okay because they were gay. That was okay. It gets worse. Okay. 2001 you remember the anthrax scare the domestic terrorism scare? Did anybody know that the US military in the spring of 2001 ordered 300 million doses of Ciprofloxacin? 300 million doses. Now we have a pretty compelling army in this country. But with all due respect, 300 million sounds like every citizen in America, it doesn't sound like every member of the US military. And how is it that at least five months before anthrax was released, we ordered 300 million doses of the treatment called Ciprofloxacin? And from – oh that's right – a German company called Bear.

That's by the way when I started busting these stories because it turns out that this wasn't the only pathogen that was being developed by the Department of Defense. And it was interesting because in the early 2000s, I started seeing Coronavirus show up in a bunch of DARPA contracts and a bunch of DOD contracts and I'm sitting there going, why would we be doing that? Why would we be taking a thing which was for dogs and porcine – that's pigs by the way, that's a scientific term for pigs. Think bacon and you got it. Pigs and various other vertebrates? Why would we suddenly be trying to weaponize that and make it hit human lung epithelial cells and human cardiac cells? Why would we be doing that? And why would the Defense Department be doing that? Is that where you expect to go to kind of get your kind of basic treatment programs? NO!! And you don't go there? Because it sounds like a weapon system if it's being funded by billions of dollars of Defense Department black contracts, doesn't it? Or is that Dave the conspiracy theorist?

Well, let's jump into my favorite 2016 protocol, the [AMP \(Antibody Mediated Prevention\) protocol](#). The AMP protocol has a line that I absolutely love. This was when we decided to let the University of North Carolina Chapel Hill develop the HIV vaccine. And it turns out that read what they said about this protocol, it will take place in sites, 24 sites in Brazil, Peru, and the United States and will enroll 2700 men and transgender people who have sex with men. What?! That's by the way straight out of the protocol.

If you don't believe what I say about the fact that Fauci has no concern for human life, but is more than happy to kill people who most people think shouldn't live anyhow, guess what happens? We start introducing the camel's nose under the tent and we start saying it's okay to kill people in the advancement of science. Now listen, people listen carefully. I am not

advocating for any lifestyle. But what I am saying is that when you've decided that you're playing God and that there is a person by any designation, that doesn't deserve to live, you left humanity! (Applause) Period! If any of you see my wife, you know, I'm very heterosexual and very happy. (Laughter) But that doesn't justify making a determination that somebody who doesn't share my values is worth killing in the name of HIV Inc. (Applause) Let's be clear on that. And then 2016 2019. And by the way, look at 2019, the hepatitis C vaccine, which guess what has to do with yet another sexual context story that they tried to turn into, they were killing people that are promiscuous, and usually gay and promiscuous, so we don't care about that. I'd love for some of the bleeding hearts left to actually realize that they're the ones celebrating the execution of the people who they allegedly represent. I think that would be a very interesting proposition. Because maybe somewhere along the line, we should actually go back to 1984. And look at the ghost of Anthony Fauci in this slide, by the way, if you see this slide that's on the screen, what you'll see is 1984 Anthony Fauci, no kidding. That's what he looked like in 1984. He still looked like that center from the high school basketball team.

What?! I'm going to tell you if I had to bet on a basketball team, and I knew that Anthony Fauci was the captain of that team in high school, I bet against him. And guess what, I'd bet against him now, too, because the dirty little secret is he actually made the statement, "it is quite possible. In fact, it's invariable that we will develop a vaccine for AIDS." Now, you know, sometimes there are things called Freudian slips, people say things and they didn't mean to say it. So I want to give him credit. He probably misspoke. He probably meant to say it's inevitable that we'll do it. But he didn't say that. He said, it's *invariable* that we do it. And it turns out that if you look at the definition of the word invariable, you know what it means? "I'm never going to stop doing a thing". Ah oh! You think we're talking about a COVID vaccine right now. No. We're still talking about Anthony Fauci's fantasy of an AIDS vaccine. Don't make a mistake by being fooled.

Next slide. Here's the problem. 1984. He had an epic fail. He tried to make an AIDS vaccine, it didn't work. In 2005 he tried to do H1N1, an epic fail, people died, it didn't work, people didn't roll up their sleeves, epic fail. And then a bummer of an opportunity came along. In 2018 we actually did have an influenza pandemic. We had a lot of people that died. And guess what we didn't do. We didn't shut down countries. We didn't shut down borders. We didn't shut down schools or churches or anything else. We just let people die. And it was seen inside of NIAID as a lost opportunity. Dead people was a lost opportunity. So what he did was he figured out something and he gave the University of North Carolina Chapel Hill a grant to create a pathogen. So that we could actually get, and I'm quoting, "the public to accept the need for a pan coronavirus vaccine. We need the media to create the hype to get to the real issues. We need to use that hype to our advantage. Investors will follow if they see profit at the end of the process."

Nobody's Listening, Everybody Hates Me...I'm going to go make worms ~~A Bioweapon~~

- "It is quite possible, in fact it is invariable, that we will develop a vaccine for AIDS" ...**epic fail**

1984

- H5N1...Vaccine first, Tamiflu second...**epic fail**

2003

- Influenza...Vaccine first, pleading with the public and Congress for years...**epic fail**

2019

That's a quote, National Academy of Sciences, Peter Daszak 2015, published in February 2016, Proceedings of the National Academy of Sciences. This was not a public health problem. This was a biowarfare act of domestic terrorism meted out on the citizens of the United States and the people of the world. And **it was not a lab leak from China**. It was not a lab leak from anywhere. It was an **intentional weaponization of the spike protein**, and **it is murder and we will call it what it is**. (Applause) It was murder then, and it's premeditated murder. And we have to be clear on the fact. In fact, never use the word vaccine again. That's like saying that a gun is a propellant of copper. No, it isn't. It's a gun. Call it what it is. Next slide.

And here's where it gets nasty. You guys know the guy on the right. What you don't know is the guy on the left. And here's the story you don't know about the guy on the left. The guy on the left is Alex Azar. Now, what you don't know about the guy on the left is the guy in the portrait further to the left is even a bigger problem, Henry Waxman. Henry Waxman the patron saint of caring about health, who was the one that made sure every pharmaceutical company got a shield of liability so they could never be held accountable. That Henry Waxman had a very interesting guy appointed by Trump in 2017, Alex Azar, Director of the Department of Health and Human Services. What Trump didn't know, what you didn't know, what most of America didn't know was Alex Azar was an executive, not a physician, an executive at Eli Lilly. And at the time of his appointment, he happened to be under investigation for price-fixing diabetes drugs in Mexico. Hmm hmm. In fact, during his now found to be collusion and racketeering and price fixing an antitrust violation, which turned out to be, held to be, exactly what I just said. While he was actually trying to deflect attention from the racketeering that he was doing by price-fixing insulin in Mexico, he actually made President Trump sign an order. That was the execution order for Americans. And President Trump was advised by appointed individuals who never told him the facts. This ladies and gentlemen was treason. This was treason. And anybody who wants to point the

finger at Donald Trump, the best you can do is say he was subjected to corruption and maliciousness and treason and traders within his circle. That's true. But when he signed this, he did not know the cost. He did not know. And the persons who did know was the lobby, the pharma lobby, the single largest donor in US history to political campaigns. They were the puppets that actually put that paper in front of Donald Trump. And **Alex Azar was the executive responsible for the death and destruction of America.** And you have not even heard his name. Because criminals like to put other people upfront. Well, they hide in the shadows. Well, guess what, we're not going to let happen today. A lobbyist turned executive, turned architect of oh my gosh, under the Bush administration, Alex Azar was the one who also came up with the prep Act, which actually shielded companies from liability in the event of a national emergency. **Alex Azar is the perpetrator of the largest genocide this country has ever seen.** And you do not know his name. But that just changed today. (Applause)

Oops, that was my out-loud voice. And it turns out, he's the boss of Anthony Fauci. He's the boss of CDC. He's the boss of NIAID. He's the boss of NIH (National Institutes of Health). He's the boss of the FDA. And guess what? He's the first guy that the FBI should cuff, lock up, and put in prison for the rest of his life! (Applause) That's our target. And don't think I'm actually advocating justice for the sake of justice. I'm advocating justice, because the minute we actually have the first felony conviction, the first time the emergency use authorization vanishes, because it turns out the emergency use authorization cannot stand if the basis of it was a felony. And that's written into the law. We have one focus. We have one silver bullet. And I am waiting for one AG (Attorney General) in this country to stand up and be accountable for the lives that are being lost because well, I'm talking, two children died because they're being murdered by a collusion racket. Which is like having Al Capone drive through the streets of Chicago and shoot into a school. You wouldn't sit for that but you have sat for this. Well, guess what? Not after this. From now on every hour that you do not follow the instructions I have at the end of this speech, for every hour that you don't take action, another two children die. And I want you to go to bed tonight asking yourself, did you pay attention? Or Are you cool with two kids dying every hour? I want you to sleep on that. I want you to sleep with that. Because on my watch, that ain't gonna happen.

Now I may be David and I may have a couple of river stones, which I'm going to share with you. And we got a Goliath that we got to work with. That's okay. But let's do the next slide because I got a punch line. And I'm going to get on schedule, in fact ahead of schedule. I'm going to end early to respect the next speakers. So here we go. That slide. Here's the deal, guys, you're going to share this slide, so I don't have to talk about it right? We're going to figure out a way to share the slide. Awesome. So you don't, I don't have to talk about it. Because I do have to talk about this.

There are two websites right now by any grace of God in the next five minutes or 10 minutes or hour, there's gonna be 100 websites like this, because what I conveniently did for every attorney general for every US Attorney for every law enforcement agent in this country, what I did was I went ahead and

drafted the indictment notice. (Applause) The United States of America v. And let's read it out because that's all the time I have.

United States of America V

- Alex Azar defendant
- Anthony Fauci, defendant
- Peter Daszak, defendant
- Ralph Baric, defendant
- FDA, defendant
- CDC defendant
- NIAID, defendant
- Moderna defendant
- Pfizer defendant

We are going to do the following, you're going to go to that website, DavidMartin.world or fullyliveacademy.com, there's a button that says AG document, you are going to print that document and you're going to deliver it to every attorney general in every state, you're going to deliver it to every US attorney, you are going to put them on notice that from this day forward, and literally from this minute forward, every death is on their hands, because they can do something about it. And they have chosen now four times in four meetings, they have chosen to say, "Dave, this is a political, not a legal issue." And that's a quote from AGs offices. **Make it a legal issue.** And if they haven't made it a legal issue, if you haven't heard that an AG met with me, make it a political issue next year. Because this is our country, these are our children, and we will not let them die on our watch. (Applause)

Ladies and gentlemen, we the people can do something. You now are entrusted with much. And to quote that beautiful narrative in the Gospels. When you have been entrusted with much even more is required. Guess what? I just gave you the river stones. There's an eight-count indictment, all felonies, all punishable by up to 99 years in prison, and up to \$100 million, fine. And, and I'm going to tell you today that anybody who works with me on this case has to agree to the following. All of the proceeds that we get from the collections of this lawsuit, and I mean, all of them are going to go to a Vaccine Injury Fund that does not require anyone to prove that the vaccine did anything. Because it turns out that every mother, every father that has a vaccination injured child, whether it was caused by it or associated with it, those people need our help. And every dollar that is ever collected is going to go to make sure that we the people honor the fact that real humans have suffered under the hands of a colluding set of conspirators who now it's on us to make sure go away forever.

Ladies and gentlemen, you can do it. And today, right after this speech, Mikki Willis and I are going to go back to the booth up there. And we are going to sign books together. So the Plandemic books if you want them, Mikki and I'll be back there. We'll be happy to sign your books. And listen people, we can do this together. You now have been entrusted with much, even more is required. Thank you very much. God bless you.

How Many Times Does the Bible Say “Thus Saith the Lord”?

As my wife Tess and I were reading together during our daily devotions the Book of Jeremiah, we noticed how often “thus saith the Lord” is repeated in that book. She asked me to do a study on it. Here it is.

“Thus saith the Lord” appears only in the Old Testament. It occurs exactly 415 times in 413 verses and 161 chapters. In two verses it’s repeated twice. In the 39 Books of the Old Testament, it occurs in 19 books. The Book of Jeremiah wins hands down with 148 occurrences! After that Ezekiel has 126 occurrences and Isaiah has 35 occurrences.

By the way, this study and all the Bible studies on my website use the [King James Version](#) which I believe to be the most accurate of all English translations. Notice I wrote, “most accurate” but not perfect as some think it to be. I don’t believe any translation can be perfect. Why do I believe that? I had 11 years of experience working as a professional translator/proofreader from English to Japanese. Something is always lost in translation due to cultural differences.

| Book | Number of times |
|--------------|--------------------------------|
| Exodus | 10 |
| Joshua | 2 |
| Judges | 1 |
| 1 Samuel | 3 |
| 2 Samuel | 5 |
| 1 Kings | 13 |
| 2 Kings | 20 |
| 1 Chronicles | 4 |
| 2 Chronicles | 8 |
| Isaiah | 35 |

| | |
|-----------|-----|
| Jeremiah | 148 |
| Ezekiel | 126 |
| Amos | 13 |
| Obadiah | 1 |
| Micah | 2 |
| Nahum | 1 |
| Haggai | 4 |
| Zachariah | 18 |
| Malachi | 1 |

It's interesting that Jeremiah, the least heeded prophet, has the most occurrences of thus saith the Lord.

Jeremiah 7:26 Yet they hearkened not unto me, nor inclined their ear, but hardened their neck: they did worse than their fathers.

And after him, the prophet Ezekiel, was not heeded. The children of Israel didn't like him very much either, and especially their rulers.

Ezekiel 3:7 But the house of Israel will not hearken unto thee; for they will not hearken unto me: for all the house of Israel are impudent and hardhearted.

May the Lord help us all to listen to His Word, and heed and obey it for our own good and the good of our loved ones and associates!

[What is the Great Tribulation of Matthew 24?](#)

The words "great tribulation" appear three times in the King James Version of the Bible. But are they all referring to the same event?

Matthew 24:21 For then shall be **great tribulation**, such as was not since the beginning of the world to this time, no, nor ever shall be.

Revelation 2:22 Behold, I will cast her into a bed, and them that commit adultery with her into **great tribulation**, except they repent of their deeds.

Revelation 7:14 And I said unto him, Sir, thou knowest. And he said to me, These are they which came out of **great tribulation**, and have washed their robes, and made them white in the blood of the Lamb.

I don't think these three Scriptures are all talking about the same event. You may dispute that. But this article is specifically about the tribulation Jesus was talking about in Matthew 24:21.

What do most evangelicals today teach about the Great Tribulation of Matthew 24? Some teach it's a *future* event of God's judgement on the wicked, and God's people will escape it in the Rapture. Correct me if I'm wrong but I think this is what John MacArthur teaches.

Others say the Great Tribulation is about the *wicked persecuting the saints!* They say this because they do not believe the Bible teaches a pre-tribulation rapture. I think so too. But is this really what the great tribulation of Matthew 24 is all about?

I hope you agree with me that the Bible is its own best interpreter. If that is true, shall we not look at what the two parallel passages of the other two synoptic Gospels in Mark and Luke have to say?

Mark 13:19 For in those days shall be **affliction**, such as was not from the beginning of the creation which God created unto this time, neither shall be.

Mark 13:19 is similar to Matthew 24:21 but rather than say "great tribulation" it says "affliction". Affliction on whom? Let's see what the Gospel of Luke has to say.

Luke 21:22-24 For these be the **days of vengeance**, that all things which are written may be fulfilled. 23 But woe unto them that are with child, and to them that give suck, in those days! for there shall be **great distress** in the land, and **wrath upon this people**. 24 And they shall fall by the edge of the sword, and shall be led away captive into all nations: and Jerusalem shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled.

I hope you can see from the verses in Luke 21:22-24 that this is talking about the destruction of Jerusalem and the Temple in 70 AD. It's talking about the wrath of God through the Roman army on the unbelieving Christ-rejecting Jews. How do I know that only Christ-rejecting Jews are the ones who are afflicted and slaughtered by the Romans? Because Jesus told His followers to flee Jerusalem and Judea when they see the Romans coming!

Luke 21:20-21 And **when ye shall see Jerusalem compassed with armies**, then know that the desolation thereof is nigh. {21} **Then let them which are in Judæa flee to the mountains**; and let them which are in the midst of it depart out; and let not them that are in the countries enter thereinto.

And by the way, "Jerusalem compassed with armies" is the same thing as the abomination of desolation of Matthew 24:15!

Matthew 24:15-16 **When ye therefore shall see the abomination of desolation**, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:) {16} Then let them which be in Judæa flee into the mountains:

I hope you can see clearly that the parallel passage of Matthew 24:15-16 is Luke 21:20-21, It clearly defines the abomination of desolation as the armies of Rome. Rome was an abomination to the Jews and its armies made their capital city of Jerusalem desolate. It clearly tells Jesus' disciples what to do when they see the armies coming: To flee Jerusalem and Judea and run to the mountains. All the Christians who knew believed and obeyed Jesus' commandment were saved from slaughter by the Romans. The Christ-rejecting Jews believed the false prophets that they would be saved by running into the temple. They were all killed by the Romans! And this is all confirmed by secular history and the writings of Josephus.

To sum up: The great tribulation of Matthew 24 occurred in 70 ad. It was God's judgment through the Romans for rejection of their Messiah, Jesus Christ. It was a past event that will never happen again! Why do I think so? Because Jesus said so!

Matthew 24:21 For then shall be great tribulation, such as was not since the beginning of the world to this time, no, **nor ever shall be**.

Mark 13:18-19 And pray ye that your flight be not in the winter. {19} For in those days shall be affliction, such as was not from the beginning of the creation which God created unto this time, **neither shall be**.

Jesus told the high priest that he will see the Son of Man at the right hand of power.

Matthew 26:64-65 Jesus saith unto him, Thou hast said: nevertheless I say unto you, **Hereafter shall ye see the Son of man sitting on the right hand of power, and coming in the clouds of heaven.** {65} Then the high priest rent his clothes, saying, He hath spoken blasphemy; what further need have we of witnesses? behold, now ye have heard his blasphemy.

When do you think the high priest saw Jesus sitting at the right hand of power? It must have been when the high priest was still alive! I believe it was most likely during the attack on Jerusalem by the Romans in 70 AD. It was 40 years later and the high priest was most likely still alive. When he saw Jesus up in the clouds, how could he not help but think God was punishing him and his people for rejecting Jesus of Nazareth as the very Christ, the Son of God, the Messiah!

Introduction:

David E. Martin Ph.D. is the developer of several innovation-based quantitative indices of public equities and the founder of the Purple Bridge Funds and M-CAM International. He has worked closely with the United States Congress and numerous trade and financial regulatory agencies in the United States. Dr. Martin is also a Batten Fellow at the University of Virginia's Darden Graduate School of Business Administration. (Quoted from <https://z3news.com/w/david-martin-presents-evidence-corona-virus-manmade/>)

Red Pill Expo is the major public event of Red Pill University. "Red Pill University is a coalition of individuals and organizations that share a common problem – and have a common understanding of the solution. The problem is that peaceful, law-abiding citizens are experiencing ever-increasing control over their lives by governments and corporations. " – Quoted from <https://redpilluniversity.org/take-the-tour/>

The purpose of this talk is to de-mystify the "they" of the COVID War.

Excerpts from the talk by Dr. David Martin to the Red Pill Expo

"How many of you are familiar with the company, Anser? I love having this moment. Do you know they are the single largest contractor in the entire COVID terrorism campaign?..."

"The companies on the right, that you think are the ones running this show [Pfizer, Moderna, Johnson & Johnson, Merck Ridgeback, Gilead Sciences], are in fact a front [for the companies on the left, Anser, Fors-Marsh, Palantir, Publicis Sapient].

"And you know what a front organization is? They're the ones that are supposed to take the flack and take the heat. The ones on the left are the ones that actually got the money. Operation Warp Speed went to Anser.

"You didn't know that, because you were told by the media that it went to Pfizer, Moderna, Johnson & Johnson and all that kind of stuff. That's not true. The prime contract of Operation Warp Speed went through Anser, a company none of you had heard of!

"And you didn't hear about them because the contract was signed by ATI, a company based in South Carolina, a company whose history has been government defense contracts for the purposes of propaganda! I wish I made that up. The prime contractor selected to run Operation Warp Speed was a propaganda expert for the US Department of Defense..."

"Anser is the way for the Federal Government never to be liable for the criminal conspiracy they know they ran. They are now one of the top ten Federal Contractors in history, below Lockheed-Martin, Raytheon and all those guys.

"Those names you know. You don't know Anser, the single company that, by

COVID rose – the highest-ranked rise in the history of federal contracting; the highest single-year rise, ever was Anser – and none of you know who they are!...

“Anser Corporation, they’re the ones running Operation Warp Speed and they’ve been set up to shield these manufacturers from ever taking the financial liability for their willful misconduct. And one day, everybody’s gonna go, ‘Let’s sue Pfizer! Let’s go sue everybody else! And the only problem is when we go to sue them, they say, ‘Hey! It wasn’t us!’ And they’re right and all of us were asleep. And I’m talking to a woke crowd, here and all of you were asleep.

“Don’t tell me you’re awake if you’re still sleeping, because if you didn’t know who Anser is, you’re still asleep!

IT GETS WORSE...

“It gets worse. Fors-Marsh, anybody know Fors-Marsh?...They’re the branding agency that branded COVID. They’re the ones who make sure we find hospitals that are overrun with people. They’re the ones who find kids that died of COVID right before the FDA needs to vote on giving kids injections. They’re the ones that go around the world, making sure every message is always the same: ‘We will not return to normal until we have a vaccine.’ Thank you, Justin Trudeau! Where’d you get the script? From Fors-Marsh! And how many of you knew that? None of ya!

“How about Palantir? Hey, that’s a weird one, isn’t it? Peter Thiel, who has successfully run a company that has lost \$200 million plus, every year for about seven or eight years, goes public in the middle of COVID. Isn’t timing interesting? Isn’t it fascinating that a company that’s done nothing but lose billions of dollars goes public in the middle of the worst economic cycle we’ve had? Isn’t that funny? And did you actually go back and read their public offering? Hah! Funny! I know you didn’t, because there really wasn’t one, that’s why you didn’t read it!

“Because they went public in this very bizarre, backdoor way of actually selling founder’s stock into the market, so we got personally-enriched – personally-enriched – using the public market as the laundering facility. Isn’t that brilliant?

“But let’s look at what they did for our COVID scandal. They actually came up with a thing called Gotham Data Tracking...you know what that does? That’s making sure that every time you turn your phone on, when you get off the plane, when you cross the state line, it gives you a little tag that goes, ‘Hey, do you want a COVID alert in your neighborhood?’ You know why? Because you are being monitored. Your phone is being monitored. Your transactions are being monitored, your credit cards are being monitored, your health behavior’s being monitored, your vaccine status is being monitored and it’s all done under the contract run by Gotham Data Sciences, the company that went public during COVID – and none of you knew about this.

“And you’ve been to Red Pills! And you still haven’t taken the Red Pill! And

by the way, I'm not even to the good slide, yet. So be depressed! 'Cause it's getting worse!

"Publicis Sapien, the Health and Human Services' IT contract. Have you ever wondered how the data never seems to add up? Somebody always has allegedly the same reportable data?

"Publicis Sapien has the Health and Human Services' IT contract to consolidate all of the data, so guess what happens? Everybody has the same number of COVID cases to report, when somebody from the media calls and says, 'Hey, how many cases do we have?' 'Oh, 40,000'. 'Oh, round number, 40,000'...

"When, in the course of human history has a round number involving the word 'thousand' ever happened? There's never been a 10,000 heart day, there's never been a round number day – until you actually control the Department of Health and Human Services' entire IT platform and not one of you knows that that's a single contract, run by Publicis Sapien...

"You've been focused on the right hand side the whole time and the left hand side is doing the dirty work.

THE COVID PIRATES

"Now, why do I call them 'privateers'? How many are familiar with the difference between a pirate and a privateer? Pirates go rape and marauding and stealing and...a privateer is the same thing, that has permission to do it by a government that's gone corrupt. That's what these are (points to the slide of COVID contractors). They're the privateers. But hey, since we have privateers, it feels only appropriate that if we have a world of privateers, we should also...have a world of pirates. And here's our pirates."

The new slide shows the universities who've been involved in the COVID War: UNC Chapel Hill, Vanderbilt, Emory, Johns Hopkins, University of California System, MIT, NYU Langone, DZIF, Imperial College, IHME, Erasmus Medical Center.

"Pirates. UNC Chapel Hill, I talked about that. That's the guy who actually made the weapon, Ralph Baric. Since 1999, \$100 million to weaponize the particles of coronavirus. Over \$100 million. You've heard about \$3.7 million going to Wuhan – ohhhh – 3.7 million, that feels like a bad number.

"And how 'bout \$28 billion of that coming from DARPA for their bioweapons initiative? Anybody heard of \$28 billion that went through Anthony Fauci at NIAID? Anyone hear about the \$20 billion that went directly to UNC Chapel Hill, that weaponized spike protein?

"You haven't heard about that, you haven't heard about that because we've been talking about \$3.7 million going to Wuhan. Stop being distracted by the cover story!... Because the distraction is where the interesting thing is.

"UNC Chapel Hill, Vanderbilt, Emory, Johns Hopkins and the University of California: those are the pirates that have made the most money on federally-granted, disclosed money going into the university sector. I'm calling them 'pirates' for a very good reason. They justify all of this in the name of

science and education...

"I don't even care whether these people pretend to hide behind the 'It's an academic research project' to try and get out of the bioweapons definition. The bioweapons definition says that if you enable a foreign entity to build something known to harm humanity, you have already created a felony, you are going to jail for the rest of your life and you are liable for a \$100 million penalty.

"So guess what? Welcome to Hell, all five of these universities! Because they're all felons! All of 'em!

"And how 'bout the right-hand side? MIT, New York University Langone – hey, by the way, Langone? Where did that name come from? Ken Langone? Anybody? Oh! I'm not supposed to say that name out loud, Ken Langone, except I just did, didn't I? Ken Langone...

"They're actually putting their name on the letterhead and you don't know who to look for! You're still being told, 'Oh, it's the Rothschilds and it's the Rockefellers!

"No, it's not! It's the guy who put his name on the facility! How many of you know who Ken Langone is? Guess what? Look it up! Because that's a pretty big thing that you should be aware of and unfortunately, you're not aware of it, for a very good reason because he hid it in plain sight, in the name of the medical center. New York University Langone, like that's a really hard thing to find.

"DZIF Charité...you've heard of Dr Christian Drosten, the Crazy-in-Chief in Germany who's kind of Anthony Fauci and Ralph Baric's evil stepchild, Imperial College, the criminal conspirators who came up with the fear porn of how many people were going to die, IHME, the University of Washington program, but the one I want to bring your attention to is the one at the bottom, Erasmus Medical Center.

"Bart Haagmans...In 2002, Bart Haagmans was an interesting dude, because he actually figured out a way to build a bunch of patents around the vaccines for the coronavirus. Mysteriously, the European Union in 2012 started giving him massive, massive grants to run a thing called Zapi.

"And Zapi was the zoonotic disease transmission laboratory for the European Union. And Bart seemed to always get the money. Now, this is fascinating because Bart was also the one who decided to patent MERS. The Middle Eastern Respiratory Syndrome, remember that one? The one that never really happened but kinda happened in 2012-13? Bart was the one that patented MERS...

"Erasmus Medical Center, actually, in their public statement, when they were confronted with the lie, where they said that they hadn't filed a patent on the actual genome – kinda like the CDC said in 2007 – when confronted with the lie, they said in public – and you can't make this sh!t up, People, it's so funny! They said, 'Well, what we said was not entirely false in all jurisdictions in the world.'

THE COVID ORCHESTRA

“But this, Ladies and Gentlemen is the slide you wanted to see. This is actually the names and faces of the people who are, in fact killing humanity. And that’s ALL of them. Now, here’s the bad news: There’s a lot of people on that slide, aren’t there? Here’s the better news...I’ll actually give you all this slide, because why not? Let’s make sure that we don’t ever forget the names and the faces of the people who decided to kill us...

”

Here is a list of all the people in that slide:

- Mukesh D. Ambani, Chairman, Reliance Industries
- Peter Brabeck-Letmathe, Vice-Chairman of the Board of Trustees WEF
- Mark Carney, UN Special Envoy for Climate Action
- Chrystia Freeland, Deputy Prime Minister and Minister of Finance, Canada
- Kristalina Georgieva, Managing Director of the IMF
- Queen Rania of Jordan
- David M. Rubenstein, Co-Founder and Executive Chairman, Carlyle Group
- Klaus Schwab, Founder and Executive Chairman, WEF
- Marc Benioff, Chair and Chief Executive Officer, Salesforce
- Thomas Buberl, CEO, AXA
- Laurence Fink, Chairman & CEO, BlackRock
- Orit Gadiesh, Chairman, Bain & Company
- Fabiola Gianotti, Director General, CERN
- L. Rafael Reif, President of MIT
- Mark Schneider, CEO, Nestlé
- Tharman Shanmugaratnam, Defense Minister, Singapore
- Robert Mercer, Renaissance Fund
- Larry Page, Google
- Al Gore, Environmentalist
- Angel Gurría, Secretary General OECD
- Paula Ingabire, Minister of Information Communication Technology, Rwanda
- Yo-Yo Ma, Cellist
- Luis Alberto Moreno, WEF
- Jim Hagemann Snabe, Chairman of Siemens and of Maersk
- Feike Sijbesma, Philco
- Zhu Min, Deputy Managing Director, IMF
- Mark Zuckerberg, Facebook/Meta
- Bill Gates, Microsoft
- Herman Gref, CEO, Sberbank
- André Hoffmann, Vice-Chairman Hoffman-La Roche
- Christine Lagarde, President, European Central Bank
- Peter Maurer, President, Red Cross
- Patrice Motsepe, Chairman, African Rainbow Minerals
- Julie Sweet, CEO, Accenture
- Heizo Takenaka, Economist
- Dustin Moskovitz, Open Philanthropy

David continues, “I want you to have some looks on there. Some are kind of interesting, like cellist Yo-Yo Ma. Did you hear me say that? Cellist, Yo-Yo Ma.

“How about the head of the Wellcome Trust? Not surprising, there, right? How about Princess Rania of Jordan? Ooh, that’s weird.

“How about the woman who happens to be sitting at the helm of the leadership of the government of Canada but conveniently out of sight but running 100% of the money for the government of Canada.

“How about all of these interesting people like, Jim Hagemann Snabe, how about Zhu Min, Chairman of the National Institute of Financial Research in China?

“And what makes these individuals interesting is that when you look at them, you find out something very important. Almost none of them have sought public visibility. Isn’t that funny? Which makes me pick on one of them. The guy I have here, at the bottom corner. And I have to give him credit. He has done so much to stay out of sight.

“I’ve got 12 minutes left. I’ve got to spend a couple of minutes on the guy who’s paid every search engine optimization to keep his name out of search engines and I’m doing it so that it costs him sh!tloads to keep all of you silent.

DUSTIN MOSKOVITZ: EDITING THE HUMAN GENOME

“So let’s get really clear on Dustin Moskovitz. Shall we, Dustin Moskovitz?...You little piece of sh!t! Let’s talk about him for a minute. The Co-Founder of Facebook that you’ve never heard of...also the guy who founded Open Philanthropy, who was the actual check-writer for Event201. You were told that it was the World Economic Forum. You were told it was the Bill and Melinda Gates Foundation. You were told it was Johns Hopkins University. But the actual check that cleared for the program was signed by none other than Dustin Moskovitz...

“Now, I’m picking on him for a good reason. He’s a felon, he’s a criminal. He is one of the most sociopathic, psychopathic, crazy people walking the planet and he’s paid to keep his name in private. So guess what? Don’t let him! The reason why I want to give you this slide is because I want every one of them named. I want them all publicly named.

“Because it’s time that we start going through the reality of saying, ‘We the People are not going to let mass-murderers get away anonymously mass-murdering people. We are not going to allow that to happen! Not on our watch! And that’s why you have this slide...

“But let’s go back to Dustin. Isn’t it interesting that Dustin conveniently decided to shroud this entire public health crisis in a self-serving, self-interested investment objective? He owns Sherlock biosciences. Sherlock Biosciences happens to be the company that owns the CRISPR technology that is the joint venture between the United States and China on gene editing the human genome...

“Dustin Moskovitz knew that if he actually tried to take this technology into the public, nobody would be willing to do it, particularly, given the fact

that it's a JV [joint venture] between him and the government of China. That's the reason why we'd have a problem with it. Because it feels like eugenics. Do you know why it feels like eugenics? Because it is eugenics, that's why it feels like it! That's why it feels like Cold Spring Harbor Labs...

"The only way we could get gene-editing technology approved was with an Emergency Use Authorization. Not surprisingly, once everybody was distracted on vaccines and everybody was distracted on RTPCR and everybody was distracted on everything else, Sherlock Biosciences slipped their Emergency Use Authorization application into the FDA – and got it. In other words, using the cover of COVID, which all of us are pretending to talk about, the editing of the human genome was approved and not one of us said a thing.

"Now, if you were going to edit the human genome, do you think you'd need a good cover story to actually hide what you're really doing? You'd probably find the guy who has the biggest financial interest in doing it and make sure, that while everyone is looking over at coronavirus and COVID and trying to figure out these Lab Leak Hypothesis – there's no Lab Leak Hypothesis, because there's no lab leak!

"So stop talking about lab leaks! there is no lab leak. This is the willful weaponization of a spike protein, that's what it is. It's an act of war, it's not a leak. We need to start calling it what it is. It's an act of war. It's an act of war against humanity.

"We stop pretending to take their bait and follow their stupid rabbit trails and follow stupid rabbit trails into stupid rabbit holes and wonder why there's a bunch of pee and piss and poo that smells like rabbit warrens. Well, it smells like it because that's what you find at the end of a rabbit trail.

"We need to be focused on the point and people like Dustin Moskovitz and this slide is going to be shared with everyone in this room because it is incumbent on you. Now you know. Now you must act. Because when we talk about the 'they', we empower the 'they'.

"But when we talk about the names of people, we humanize the sociopathic behavior. We humanize the fact that there are individuals and organizations that are willfully murdering the humanity that we know and love and we cannot let that happen on our watch. It is incumbent on all of us to get those words out."

[The Rapture Occurs On the Day of the](#)

Lord!

This post is to add more information on what I wrote on [The Popular but False Doctrine of the Rapture.](#)

And why did I call the doctrine of the Rapture false? I am talking about how the majority of evangelicals define the Rapture:

A) The rapture doctrine purports that Christ will come back to this earth in two phases. First, He will come spiritually to “rapture away” believers who have been faithful to Him. This first phase of His coming is going to be silent or secret.

B) After the righteous are raptured away to heaven, a fierce antichrist power will appear on the earth and rule the world for a period of seven years. This seven-year period is popularly referred to as the tribulation period.

C) During this tribulation period, people who will refuse to go along with the new order of the antichrist will be brutally persecuted. However, amidst the great persecution by this satanic power, anyone who will believe and embrace Christ at this difficult time will have a second chance at salvation.

D) After the seven-year tribulation period, Christ returns visibly to destroy the antichrist power and dispense His wrath on the world’s nations. This is the general teaching of the secret rapture doctrine. (From: <https://whitethroneministries.org/resources/lessons/the-secret-rapture-doctrine>)

None of the above are supported by Scripture! All of these statements are speculation, reading into the Bible what isn’t there, and based on a false interpretation of the [70th Week of Daniel](#).

Today, December 1st 2021, I saw for the first time that the prophecy at the end of I Thessalonians chapter four does *not* end with that chapter but it *continues on* with more information in chapter five! And that shows it’s a continuous event!

1 Thessalonians 4:15 For this we say unto you by the word of the Lord, that we which are alive and remain unto the coming of the

Lord shall not prevent them which are asleep.

16 For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:

17 Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.

18 Wherefore comfort one another with these words.

1 Thessalonians 5:1 **But of the times and the seasons**, brethren, ye have no need that I write unto you.

2 For yourselves know perfectly that the day of the Lord so cometh as a thief in the night.

3 For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.

If you keep in mind there are no chapter breaks in the original text, you will see the prophecy at the end of First Thessalonians chapter 4 continues on to chapter 5. And if you see that, I think you should see that the rapture of the saints happens the same day as the destruction of the wicked. Therefore it **cannot** be a secret event!

Another Scripture that confirms the rapture occurs on the Day of the Lord:

Matthew 13:30 Let both grow together until the harvest: and in the time of harvest I will say to the reapers, Gather ye together **first the tares**, and bind them in bundles to burn them: but gather the wheat (the redeemed of Christ Jesus) into my barn.

[Covid-19 Vaccinations – “A Malicious Act of Bioterrorism” – Dr. Zev Zelenko](#)

Transcription of video below

Dr. Valdimir (Zev) Zelenko: I would take the words of Bill Gates seriously. Not because he's a prophet, but because he's a criminal. Because he's a bio-terrorist. Because he's a eugenicist. Because he's a sociopath. And he has a proven track record of being right. Well, that's not surprising if you're actually orchestrating it. So it's not a coincidence that an eradicated virus that only exists in the most secure neurology labs appears in an insecure Merc laboratory in Philadelphia. Four or five days after the sociopath Gates tells us we should expect a smallpox outbreak.

Sean, the SGT Report Host: Oh, my goodness, friends, that was Dr. Zev Zelenko. And this interview could literally save lives. Now, you may know people who have taken the vaccine, and it's too late to help them. But maybe those people have children. And maybe, just maybe if you get this information to those people, you might at least save the lives of their kids.

(Keto advertisement skipped.)

It's Sean from SgtReport.com and SgtReport.tv. I'm also very pleased to have back on the show the one the only Dr. Zev Zelenko. He is the inventor of the Z Stack. And guess what? They now have Z Stack gummies for kids. What does that mean? Well, it means you don't have to get sick when the "flu season" returns or COVID season. Well, we know what it really is. Dr. Zev Zelenko joins me now. How are you sir?

Dr. Zev Zenlenko: I'm doing great. Thank you. Thanks for having me.

Sean: Glad to have you back. I'll leave the link to Z Stack below if people want to check that out. It is quercetin which is the delivery system for zinc, vitamin C, and vitamin D the stuff you need to stay healthy. Dr. Z, I am now fully convinced that what we are up against as it pertains to this experiment rolled out by Pfizer, Moderna, FDA, CDC, NIH, this experiment people are taking part in willingly is really an IQ test. So if I may, we'll kick this off with a soundbite from a woman who, look, my heart goes out to this person. I don't know who she is. I'm not making fun of her. But this really is an IQ test and people ought to know what they're participating in before they willingly participate in and run out and get the jab.

Sickly looking woman: So I got my third dose of the Pfizer booster vaccine on Sunday. And on Monday, by about 10:30 in the morning, I was having body aches and pains and chills and stuff. Pretty bad. I went home. Then that night, I could not stay awake. I was having fevers, still chills, still the body aches. Yesterday, body aches and pains. But by the afternoon I thought I was doing pretty good. Woke up this morning. I have sores all inside my mouth. The fever is back. I still have the body aches, massive migraine. As much as I love my shots. Side effects.

Sean: I'm coming back to you Dr. Zelenko. Boy, I don't think she has any idea that she's probably experiencing blood clotting. Her immune system is crashing. A lot of these people have no idea what they're participating in Dr. Z. Is it an IQ test? What do you make of what she just said?

Dr. Zev Zenlenko: I think it's more accurately an EQ test, an emotional intelligence test. And what I mean by that is the problem of the psychological warfare that has been waged on humanity, which is basically the use of prolonged fear together with isolation from other human beings and the people you love. What that does, is psychologically decompensates a person. They live in such an emotional horror, that they're they become prime targets to be manipulated by any false promise. So if I'm creating anxiety, and then I come to you and I said, dangle a vaccine in front of you and say, Well, this is going to help you. Most people take that vaccine, not for intellectual reasons at all. Their minds have completely shut down. They're acting purely on emotion. And they're gravitating towards taking that vaccine because it reduces their anxiety in the short term. So and that's why if you challenge them, they get belligerent even the most – I've had debates with incredibly intelligent people, but I see their minds are have shut down, and they become belligerent because my words are bringing them back into a state of anxiety that they definitely don't want to be in. So it's the shutdown of the intellect and the irrational behavior that's being fueled by their emotions. And that's really what's going on here. I think it's not really IQ raw, intellectual talent because I know plenty of people with a higher IQ who are fallen victim to this psychological warfare.

Sean: I think that's very fair. That's a very good point. And let me ask you this. Do we make a mistake by calling this thing, a vaccine? I just listened to a powerful interview, a roundtable between Dr. David E. Martin, Robert F. Kennedy, Jr. I believe Judy Mikovits was part of that and one other person. And David E. Martin said we have to stop calling this a vaccine, or we've already lost the battle. It is not a vaccine. It is an mRNA weapons delivery system. Is he right?

Dr. Zev Zenlenko: Yeah, I mean, listen, language is very important. You could call it a vaccine if you call it a vaccine that kills people. You see, the problem is we grew up thinking the word vaccine is associated with health, with goodness with preservation of life. So most of humanity associates the word vaccine with something good. And that's the marketing ploy here. There's also a legal ploy where something's called a vaccine, pharmaceutical company that's making it cannot be sued, or it's difficult to sue them and they're indemnified. So **there's a legal benefit to being called a vaccine.** But for my purposes, if you want to say there are vaccines that save life, and there are vaccines that are weapons of eugenics and kill people, that's fine. I personally call it a *Poison Deathtrap*.

Sean: As do I, and here's what I want to do for that poor woman. Look, she's already taken the booster. So she's three shots in, there's nothing we can do to help her. But for those who are listening, and I do have a friend I reached out to several months ago, probably close to six, eight months ago at this point, warning this person to at least watch an educational video I sent her it was 14 minutes long saying please watch this before you take the VAX. They're very dangerous. I know she didn't watch the video and her reply to me via email was we're going to have to agree to disagree on this issue. Okay, So I want people like her and those who might be considering jabbing their own kids to understand what we know. Got a lot of sound bites I want to play

here and Dr. Zelenko is an expert so he'll weigh in on the sound bites but here's what we know. And Dr. Z you tell me if I'm forgetting anything.

Number one, this Vax is experimental. It is mRNA technology the first-ever of its kind used on human beings. Pfizer, Moderna, J&J have indemnity from lawsuits. If you participate in this experiment and get injured or die, you cannot sue them, there will be no financial recovery for you. And finally, here, **the FDA wants until 2076 to fully release the Pfizer Vax data.** I don't know if you saw that line item. I can put it up on the screen here. What am I missing? That's what we know. And I have additional sound bites I want to play to demonstrate for people what this Vax is doing to the blood of those who take it Have I missed anything so far?

Dr. Zev Zenlenko: Yes, I don't know if the word "experimental" conveys the malignancy here the malfeasance of what actually is going on. So in October of 2020, the FDA made an internal presentation to its own scientists. And that presentation was not meant to be leaked, but it was, and we have it. And on slide 16, which I'll provide for you so you can include this in the video, on slide 16 of this presentation, the FDA lists all the side effects of these vaccines. Now, this is two months prior to the rollout. Yes, that's two months before this vaccine, these vaccines were released onto the public, the FDA presented this slide to its own scientists. Now, if you jump ahead to today, if you look through and go to the VAERS database, and just look what are the categories or side effects that actual human beings have experienced, that have taken the time to file a report, or the doctor has taken the time to file a report, **there's a 100% correlation between what actual human beings have experienced clinically, and what the FDA told his own scientists two months prior to the release of this bio-weapon.** So whenever you have 100% correlation, what that means is a term for that. **It's called premeditated, first degree, capital murder, crimes against humanity, and genocide!** This is *not* an experiment. This is **a malicious act of bioterrorism** and the complicity of our own government and agencies that are have been charged and put into power by us to protect us **who have whored themselves out to special interests** and stakeholders. They serve everyone except the American people.

Sean: Thank you for that you're 100% right. I soft-pedal it when I call this an experiment. It's so much more than an experiment. It is a plot to depopulate! And I think that segues nicely into this next soundbite. I want to play this. This is Karen Kingston on the Stew Peters show. Now Karen Kingston is a biotech analyst and an auditor of drug trials data. Very, very bright woman, she knows what she's doing. She knows how to analyze all the paperwork, mountains and mountains of documents that come out of these trials. And here's what she has to say about Pfizer and this particular product, that they're masquerading as a vaccine, listen to this.

Karen Kingston: The CEO is not oblivious as to what's going on with the phase three trials. They're very much aware of it. And this evidence shows that they conspired to commit aggravated assault and murder of children with a bioweapon. And maybe your audience or naysayers are saying you have no evidence this is a bioweapon. Yes, I do. Take a look at the biological license application that was submitted actually submitted in May of this year. And what it says under the product description verbatim is the mRNA

Kornati (?) is a single-stranded mRNA encoding the full-length SARS code two spike glycoprotein derived from the Wuhan-HU1-1Islip that was uploaded to Gendai by China. It is the bioweapon! That's what it is. And it's literally called the Wuhan-HU1-Spike protein. We know that's a bioweapon. If you still don't believe me take a look at the patent that was issued on January 10 of 2017. And it was issued to actually MIT and Harvard. But this all rolls up into the master cotton. (?) And who funded this? It says under state government support the invention was made with a government support order by the NIH. But if you go to section nine, what does it say, Stew? It says that this nanotechnology vaccine will deliver a molecule. In some embodiments, the small molecule is a toxin. In some embodiments, the toxin is from a chemical weapon or an agent of biowarfare. **The NIH patented a vaccine to deliver a bioweapon.**

Sean: Alright, sir, I'm coming back to you. I don't know if your blood is boiling like mine is but my understanding is within the last week, the NIH Director has called for the arrest of those spreading what he calls disinformation about this product.

Dr. Zelenko: The NIH, CDC and FDA are **the enemies of the people**. They should be held accountable. I'm a person who believes in the rule of law. Once they're convicted for crimes against humanity, whoever the leadership is, which is a whole list of people that should be targeted, they should be brought to trial by military tribunal, and if they're convicted of crimes against humanity, genocide, and mass murder, they should be executed. And that should be sent a message to future despots that we have a rule of law here, you will be held accountable. And we society, humanity will not tolerate the terror, the terrorizing of innocents, and a war against God-consciousness and an attempt to enslave masses of people. We will come after you.

Transcribed up to 15 minutes 21 seconds. I hope this inspires you to hear the entire discussion.

[Australian Aboriginals Hunted by MILITARY, Children Vaccinated by FORCE Against Parental Wishes!](#)

Stew Peters: Alright, so I just saw this video, which shook me to the core. I'm about to show it to you. And this is what I'm going to say right now before I show you this video. All of you Hollywood actors, musicians, so-called celebrities, NBA, NFL football players, all of you people of influence with big platforms, put down the Courvoisier (brand of cognac) for a second, okay?, take off the Prada shades, get out of the Ferrari, and take a look at this video. All of you lawmakers, politicians, so-called elected representatives. Take a look at this video.

I told you we're tracking what's going on in Australia right now. There are all kinds of reports all over the internet of Aboriginal people being chased down hunted like wild animals by their own government by their military. Kids are being chased by the military personnel, tackled to the ground, pinned down and forced jabbed with syringes, needles, with syringes filled with this bio-weapon that you people are calling a vaccine.

Okay, we're not having the vaccine debate here, whether or not this is a vaccine or a bio-weapon. But there is under no circumstances should it be tolerated by the United States of America, the only superpower left on the planet that this is happening to somebody in their country, an allied country, a Western country with a democracy that up until recently has been formed, very similar to our system here in the United States. Watch this video.

COVID-19 'Vaccine': A Bioweapon

Dr. Jane Ruby is a prominent health economist and new right political pundit. She currently works as a president at Ruby Health Consulting since 2018. It actually provides innovative solutions for Health Economics and outcomes research (HEOR). She calls Covid vaccines a bioweapon. I sure wouldn't bet my life that she's wrong.

Why Is God Not Blessing America?

What is happening today under the Biden administration is simply shocking! The enemies of God, Christ, and the Bible have created a new ideology called "Woke" that teaches everything contrary to what the Bible teaches! The southern border is being flooded with illegal immigrants, inflation is higher, the cost of energy has increased, the middle class is getting smaller and smaller, civil liberties in especially the Blue States are trampled upon

in the name of public health with unconstitutional and even illegal vaccine mandates (according to the Nuremberg Code), and parents who object to their children being taught the Critical Race Theory are being called “domestic terrorists”. I’m sure that most Republicans, perhaps some honest Democrats, and most conservatives and Christians can add many more problems to the list that America is facing today. And why is this happening? I submit to you that one of the reasons God is *not* blessing America with good leadership is because of America’s support for the nation of Israel! Does that shock you? It would shock you if you hold the doctrine of so-called “Christian Zionism.” Christians who support physical Israel have been misled by antichrists! Why do I think so? Because the Bible tells us we should **not bless those who reject the doctrine of Christ!**

2 John 1:9 Whosoever transgresseth, and abideth not in the doctrine of Christ, hath not God. He that abideth in the doctrine of Christ, he hath both the Father and the Son.

10 ¶If there come any unto you, and bring not this doctrine, receive him not into your house, **neither bid him God speed:**

11 For he that biddeth him God speed is partaker of his evil deeds.

The prophecy of Genesis 12:3 was *not* toward physical Israel but to Abraham and his *spiritual* children

If you don’t think so, please consider what the Scriptures below have to say.

Genesis 12:3 And I will bless them that bless thee (Abraham), and curse him that curseth thee (Abraham): and in thee (Abraham) shall all families of the earth be blessed.

Galatians 3:14 That the **BLESSING OF ABRAHAM** might come on the Gentiles through Jesus Christ; that we might receive the promise of the Spirit through faith.

Galatians 3:16 Now to Abraham and his seed were the promises made. He saith not, And to seeds, as of many; but as of one, And to thy seed, which is **CHRIST**.

Galatians 3:29 And if ye be Christ’s, *THEN* are ye (all those who call on Jesus Christ to be saved) Abraham’s seed, and heirs according to the promise.

The world (led by the United States) has been under Covid tyranny for over 18 months now. At the very beginning of this masquerade, we were all taken off guard. No one then could have dreamed what the satanic eugenicists Bill Gates, Anthony Fauci, et al. had planned for us.

For a few weeks, everyone gave the medical establishment the benefit of the doubt and believed they were truly looking out for our health—although some of us NEVER put on those stupid masks. (To this day, I have not worn one of those beastly masks—not once.)

But now the jig is up! We know exactly what Gates and Fauci are doing; and it has absolutely NOTHING to do with keeping us healthy.

The Covid narrative is a planned exercise in global tyranny. Not by coincidence, the countries that are denied the right to keep and bear arms

are suffering through the worst of this tyranny. The Aussies and New Zealanders must now realize how foolish they were to allow their governments to disarm them.

As we were forced to traverse these tumultuous tyrannical waters, we became aware that Fauci and the CDC were lying to us all along. From the very beginning, they manipulated, exaggerated and lied about Covid deaths. And now they are lying and covering up the deaths from the Covid gene therapy shots (they are NOT vaccines).

[In this report](#), Joseph Mercola makes a compelling case that the Covid jabs have already killed over 200,000 people in the United States:

Yesterday, October 8, 2021, I published a Highwire exclusive interview with Deborah Conrad, a physician's assistant who is blowing the whistle on COVID jab injuries, and the fact that these injuries are rarely reported because of a faulty VAERS database design.

Today you're in for yet another bombshell video: "Vaccine Secrets: COVID Crisis." It's the first episode of "The False Narrative Takedown Series," produced by Steve Kirsch, executive director of the COVID-19 Early Treatment Fund.

"Vaccine Secrets" complements and supports everything Conrad shared in her interview, so I highly recommend saving these files on your computer and watching both of them. Both are available on Bitchute.

How Many Have Died From the COVID Jabs?

According to Kirsch, the COVID shots have already killed an estimated 200,000 Americans, a far higher number than the 15,386 deaths reported to the U.S. Vaccine Adverse Event Reporting System (VAERS) as of September 17, 2021. You can find all the research for Episode 1 of the "False Narrative Takedown" series on SKirsch.io/vaccine-resources.2

According to Kirsch, the vaccination program should be immediately halted, as the VAERS data suggest more than 200,000 Americans have already died, and more than 2 million have been seriously injured by the vaccines. Interestingly enough, Kirsch and his entire family took the COVID shot early on, so he's not coming from an "anti-vax" position.

According to Kirsch, the CDC, the U.S. Food and Drug Administration and the National Institutes of Health are all "spreading misinformation about the vaccine versus early treatment." In a nutshell, these agencies are saying the complete opposite of what is true – classic Orwellian doublespeak.

They claim the COVID shots are safe and effective, when the data show they're neither, and they say there is no safe and effective early treatment, which is clearly false. At the same time, our medical freedoms are being stripped away under the guise of public health – all while an immense death toll is allowed to take place right before our eyes.

Kirsch is so confident in his analyses, he's offered a \$1 million academic grant to anyone who can show his analysis is flawed by a factor of four or more. So far, no one has stepped up to claim the prize. He's even offered \$1 million to any official willing to simply have a public debate with him about the data, and none has accepted the challenge.

False Narratives Overview

In this episode, Kirsch goes through five false narratives about COVID job safety, namely that:

- *The shots are safe and effective
- *No one has died from the COVID shot
- *You cannot use VAERS to determine causality
- *The SARS-CoV-2 spike protein is harmless
- *Only a few adverse events are associated with the shots and they're all "mild"

He also reviews the five false narratives about what the solutions are:

- *Vaccines are the only way to end the pandemic
- *Vaccine mandates are therefore needed
- *Masks work
- *Early treatments do not work
- *Ivermectin is dangerous

COVID Shot Kills Five Times More People Than It Saves

Kirsch cites information from Dr. Peter Schirmacher, chief pathologist at the University of Heidelberg, who is recognized as one of the top 100 pathologists in the world.

More Than 200,000 Have Likely Been Killed by the Jabs

Between the documentation on his website and the video, you get a detailed in-depth understanding of how to do this and how Kirsch came to the conclusions made. Here, I will simply provide a summary rundown of Kirsch calculations and conclusions:

- *Propensity to report = same as in previous years
- *Number of domestic deaths in the VAERS database = 6,167 as of August 27, 2021
- *Under-reporting factor for serious events = 41 (i.e., for every 41 events, only one is reported)
- *Background VAERS death rate = 500 per year (this background death number will be subtracted twice, as most COVID jab recipients are receiving two doses. This gives us a very conservative estimate)
- *Excess deaths calculation = $(6,167 - 2 \times 500) \times 41 = 212,000$ excess deaths

Using the same calculation methods, Kirsch conservatively estimates more than 300,000 Americans have also been permanently disabled by the COVID shots. These estimates have been validated by four teams of researchers

using other methods. (None of them used VAERS data.)

If you're under the age of 50, your risk of dying from the vaccine is greater than your chance of dying from COVID-19.

Kirsch also demonstrates another calculation to show the COVID shots kill more people than the actual COVID-19 infection does. That calculation also shows that if you're under the age of 50, your risk of dying from the vaccine is greater than your chance of dying from COVID-19, so it makes no sense from a risk-benefit perspective to get the jab if you're younger than 50.

What's more, since your risk of natural infection exponentially decreases over time (as natural herd immunity grows, your chance of infection approximately halves each year), the risks of the COVID shot rapidly outgrow any potential benefit with each passing year.

[This British report](#) shows statistical support for the charge that the Covid jab is destroying people's natural immunity and giving them AIDS (another government-created medical crisis).

Latest UK PHE Vaccine Surveillance Report figures on Covid cases show that doubly vaccinated 40-70 year olds have lost 40% of their immune system capability compared to unvaccinated people. Their immune systems are deteriorating at around 5% per week (between 2.7% and 8.7%). If this continues then 30-50 year olds will have 100% immune system degradation, zero viral defence by Christmas and all doubly vaccinated people over 30 will have lost their immune systems by March next year.

These people will then effectively have full blown acquired immunodeficiency syndrome.

But, finally, people are beginning to fight back.

[This report](#) notes how State senators in Oregon are seeking a grand jury investigation into Covid-19 statistical manipulation.

The CDC adopted a "double-standard exclusively for COVID-19 data collection" that inflated cases and deaths starting early in the pandemic, violating multiple federal laws and distorting mitigation policies, Oregon lawmakers told the feds' top lawyer in the state.

Advised by "a large team of world-renowned doctors, epidemiologists, virologists, and attorneys," state Senators Kim Thatcher and Dennis Linthicum petitioned U.S. Attorney Scott Asphaug to approve a grand jury investigation into how the pandemic is being measured.

[Professionals in the airline industry have had enough and are refusing to comply:](#)

Joshua Yoder, a pilot with Southwest Airlines and co-founder of U.S. Freedom Flyers, told Fox News on Monday's Tucker Carlson Tonight that "we have all the control, and the control comes from a simple word, and that is 'no.' We just don't need to comply."

The day after Biden issued his imperial command, almost two dozen state governors responded with a statement opposed to his overreach, including Arizona, Alabama, Alaska, Arkansas, Florida, Georgia, Idaho, Iowa, Missouri, Mississippi, Montana, Nebraska, North Dakota, Oklahoma, South Carolina, South Dakota, Tennessee, Texas, and Wyoming.

And yesterday, a federal judge in Texas issued a temporary restraining order against United Airlines (UA), blocking it from imposing its vaccine mandate on any of its employees. UA originally told its 67,000 U.S. employees that they must be vaccinated by September 27 or lose their jobs.

This court order is the first of its kind, likely not the last. As more and more individuals like Yoder understand the power of the word "no" to federal overreach, the greater the pushback will be against the Biden administration's use of COVID to impose its draconian and tyrannical mandates on American citizens.

So many law enforcement personnel are refusing to comply with the vaccine mandates that in Seattle the city is losing as many as 40% of its police force.

In what the president of Seattle's Police Guild calls an "unprecedented move," the department moved to "Stage 3" operations Wednesday.

That means detectives and other non-patrol units will serve as first responders to 9-1-1 calls.

The department has already lost more than 300 officers in the past year, and hundreds more could face termination next week if they don't comply with the vaccine order.

The SPD staffing crisis has become so dire, police union president Mike Solan is warning about what's next, as the department mobilizes to "Stage 3"—an emergency scenario because of a shortage of officers.

Meanwhile businesses and neighbors are left to deal with rising crime and longer response times.

Anyone who has but a modicum of knowledge of the fundamental principles of Liberty knows by now that the Covid narrative is NOT ABOUT health but ALL ABOUT total government control over our lives.

Perhaps the governor of Maine personifies the satanic spirit of slavery as well as anyone.

Central Maine Medical Center, a key hospital for regional healthcare, issued a dire warning about the need to shut down critical care services last week if they are forced to fire or lay-off all the unvaccinated workers. The hospital appealed to the Governor's office, Democrat Janet Mills for a testing option to avoid losing some of the most important care providers in their system.

Today, the hospital quantified their issue and announced they were going to suspend pediatric admissions as well as heart attack and trauma admissions, because they just will not be able to operate.

Unfortunately, the Democrat Governor has announced she doesn't care if the hospital has to shut down. Mills' stated her unilateral jab mandate will remain in place and the vaxxed and unvaxxed citizens of Maine will die until they comply with the vaccine rules.

Because it's all about the public health right?

Joe Biden and Lloyd Austin are so desperate to force compliance within the U.S. military that they are [threatening to make Navy SEALs pay back the cost of their training if they don't get vaxxed.](#)

An estimated 33% – 40% of U.S. military personnel are holding their ground and refusing the jab.

People, please understand that the primary tool of tyrants is intimidation. In other words, they are BULLIES. All it takes to shake off a bully is to stand up to him and just say NO!

And that's what people all over America are starting to do.

I'm talking about men like [Dr. Chris Rake.](#)

A shocking video of respected [UCLA] anesthesiologist Chris Rake being kicked out of his job has gone viral. He explains to RT.com why he opposes mandatory Covid-19 vaccinations and is prepared to never practice medicine again.

"This is totalitarianism. I've come out and said, 'No, you're not going to do that, not on my watch'... I'm willing to give my life to this cause."

Rake is not alone. Almost 8,000 physicians and medical scientists have signed a [declaration accusing Covid policymakers of "crimes against humanity."](#)

An international group of physicians and scientists signed a declaration Friday accusing COVID-19 policy-makers of "crimes against humanity" for preventing the use of life saving treatments on their patients.

As of Monday morning, the Physicians Declaration had garnered more than 4,600 signatures. The signers accused policymakers of forcing a "one-

size-fits-all" treatment strategy, resulting in "needless illness and death," rather than "upholding fundamental concepts of the individualized."

According to Global COVID Summit, the declaration was created by physicians and scientists during the Rome COVID Summit. The signatories are professionals, many of whom are on the front lines of treating COVID patients.

The Declaration states:

"The Physicians' Declaration was first read at the Rome COVID Summit, catalyzing an explosion of active support from medical scientists and physicians around the globe. These professionals were not expecting career threats, character assassination, papers and research censored, social accounts blocked, search results manipulated, clinical trials and patient observations banned, and their professional history and accomplishments altered or omitted in academic and mainstream media.

"Thousands have died from COVID as a result of being denied life-saving early treatment. The Declaration is a battle cry from physicians who are daily fighting for the right to treat their patients, and the right of patients to receive those treatments – without fear of interference, retribution or censorship by government, pharmacies, pharmaceutical corporations, and big tech."

The signatories created a "doctors- and scientists-only" COVID information platform so citizens can make informed decisions for their families "without interruption, manipulation, politicization or profiteering from external forces outside of the doctor-patient relationship."

Ladies and gentlemen, the next six months will determine the fate of the free world.

If freedom lovers in America will stand up en masse RIGHT NOW and refuse to comply with the antichrist Covid mandates, and I mean **regardless of the cost**, Liberty will be preserved.

But if we couch down in fear or complacency and continue to go along with this beastly system, by this time next year, a free America will NOT exist.

It is up to us! Right now!

It may not be easy, but it is very simple: For the sake of our freedom and the freedom of our children, DO NOT COMPLY!

I repeat: **DO NOT COMPLY!**

[Dr. Anne McCloskey Exposes the 'Great Reset' Agenda Behind COVID Hoax](#)

This is a powerful talk from Anne McCloskey, a medical doctor in Northern Ireland. I think her word is much more valuable and trustworthy than what some salaried “fact-checker” or politician has to say, don’t you? I hope you will read at least the text if you don’t have time to listen to the video.

The transcript is below the video.

Across this island and across the world, there are millions of people who are awakened into the understanding that this current health crisis, this so-called pandemic, is a Trojan horse which has been used to introduce a new era for humanity. The “Great Reset”, the “Fourth Industrial Revolution”, “building back better” whatever catchy, chirpy name the bankers and billionaires are calling it, it’s not good for you and me, for the ordinary people. Relationships between individuals, families, communities, governments, and nations will change fundamentally. They’re coming for you, your family, your job, your savings, your home, your pension, your culture, your traditions, your freedom, your very way of life unless we unite to resist! We do not consent.

This is not a conspiracy theory, but the outworking of a scheme written by people who hate the human race. Agenda 21 has been implemented now and will come to pass unless we unite to resist! We do not consent!

Last year, a seasonal respiratory virus of high infectivity, but low pathogenicity passed across the world and sadly took with it people who were

very old, who were already very sick, and most of them were in the last months and years of their lives. There were younger people who died. May God have mercy on their souls and comfort their families and friends. But in terms of the overall cause for mortality, there was nothing to see. Seasonal viruses do this every year. They have done since time began and they will continue to do so no matter what humans do.

In 2020, in no country, in no country was there a significant increase in overall mortality compared to the past. Ireland in this pandemic actually increased her population by a couple of percent. If we take away the track and trace system calling for the first time in medical history a case someone who's perfectly well who has no symptoms, and which is going to cost the UK Government 37 billion pounds over two years – I don't even know what 37 billion pounds looks like what it would buy, would it be two hospitals, would it be five hospitals would it be 1000 nurses job, I have no idea. But these PCR tests measure nothing. They are an illusion to create a crisis.

If we take away the fact that the WHO changed the rules changed the way in which we measure disease impact by saying that any death within 28 days of a positive PCR test was due to COVID, and even without a positive test if you had symptoms of shortness of breath, fever, the things that people die from every day, that was COVID too. If we take away the daily, no hourly, incessant misery porn on the legacy media dolefully recounting the figures and scrutinizing the anguish last hours of those who were taken, and the poor-faced politicians with crocodile tears pretend to care. If we take away the psychological abuse of populations across this planet, using applied behavioral psychology designed to get them in terror. If we take away the signage, the arrows, the one way systems, walk/don't walk, the yellow notices on every flat surface, the sanitization, the masks, all the paraphernalia of this neuro-linguistic program and mental abuse which tells us that we are the bio-hazards, we are a danger to our families and friends. If we take all this away, there is nothing to see. The emperor has no clothes.

But of course, there was something to see, wasn't there? Viruses don't make laws, governments do. But what we did see, what we saw was the removal of our most basic and inalienable rights, to work, to earn, to move, to associate, to kiss, to hug, to go to church, to bury our dead with dignity, to live our lives as we see fit. We saw the removal of a right to speak, to protest, to object to this tyranny. We saw censorship, character assassination, and banishment of scientists and professors who dared to offer an alternative narrative. We saw our children and young people locked up denied their education, the right to play outside, to live their precious young lives, however they and their parents saw fit. We've seen millions of the poorest and most marginalized people on the planet, pushed to starvation and death because of the economic fallout because poverty kills.

I've worked as a GP (General Practitioner) throughout this past year, and I've not seen people gasping for breath from COVID, but people utterly abandoned by their health system. People in despair from loneliness, from isolation, fear, people who haven't seen their families and loved ones for months, and whose lives are infinitely poorer as a result. I've seen delayed

cancer diagnoses, people having treatments canceled, willy nilly people dying waiting for elective procedures, people in pain who can't get help. Estimates vary, but it's now assumed that between 200,000 and 500,000 extra deaths will occur in the area covered by the NHS. And that's assuming that this lunacy of lockdowns stop, and a similar figure obviously adjusted for the population in the south of Ireland.

The cure is much, much worse than the disease. It's time to move on. This was not about health. It never was about health. It's smoke and mirrors. There are around 30 published papers internationally, showing that right across the globe lockdowns don't work. And if they do, why are we still locked up a year later? The health and economic fallout from this will cost millions of lives, and it will end the way that we live now, forever.

It's over. The line has been exposed. We must stand together. We do not consent.

[Geneva Bible Footnotes Refute Popular Contemporary Evangelical Endtime Doctrines](#)

My wife and I attend a local Baptist church. We like the pastor. He's a humble man who teaches the Word of God directly from the King James Version of the Bible. He preaches the true doctrine of salvation by faith alone, through grace alone, through Christ alone. He teaches us good practical lessons on how to avoid sin in our lives. But we also think Baptist eschatology is wrong because it was influenced by C.I. Scofield and his reference Bible. We are thankful that our pastor doesn't preach these false Endtime doctrines of Scofield. He himself confessed to being weak in eschatological doctrines. That's fine with me and my wife. Better not to teach them at all than to teach false doctrines. And what are these false doctrines that are held as truth by many evangelicals today?

1. Pre-tribulation rapture
2. Secret rapture of the saints
3. The 70th Week of Daniel being an Endtime event of the seven-year reign

of the Antichrist

4. Israel is the time-clock of the Endtime.
5. The creation of the modern state of Israel in 1948 was fulfilment of prophecy
6. The Temple of Solomon will be rebuilt in the Endtime so that the Antichrist will sit in it and declare himself to be God.

The most commonly held Southern Baptist eschatology is known as "pretribulational premillennialism." In this view, Jesus will return to earth but not stay. He will rapture believers, removing them from Earth. Southern Baptists believe that a seven-year-long tribulation period will follow the rapture. They believe during the tribulation period that the Antichrist will conquer Earth, and they believe that Jesus will return again after the seven years and judge the living and the dead. Finally, they believe a 1,000-year-long Kingdom of God on Earth will follow. (From [Southern Baptist Eschatology Beliefs](#))

Where do the Baptists get the idea of a seven-year-long tribulation person after the rapture? Not from the Bible! They got it from a false interpretation of Daniel 9:27 promoted by John Nelson Darby and C.I. Scofield.

The Geneva Bible was published in 1560, which is 51 years before the King James Version. It was translated by men of God in Geneva Switzerland who were not under any political / government pressure that influenced their translation. The translators included footnotes to help make difficult passages clearer. Those footnotes are all based on what all Protestants in general held to be true. King James of England did not like some of those footnotes. He wanted a Bible that didn't include them. Hence we have the King James Version which is very similar to the Geneva Bible but without the footnotes. Let's see how the footnotes interpret certain scriptures.

Daniel 9:27 is probably the most misinterpreted prophecy in the entire Bible! Let's see how the Geneva Bible interprets it:

Daniel 9:27 And he {a} shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to {b} cease, {c} and for the overspreading of abominations he shall make [it] desolate, even until the consummation, and that determined shall be poured upon the desolate.

(a) By the preaching of the Gospel he affirmed his promise, first to the Jews, and after to the Gentiles.

(b) Christ accomplished this by his death and resurrection.

(c) Meaning that Jerusalem and the sanctuary would be utterly destroyed because of their rebellion against God, and their idolatry: or as some read, that the plague will be so great, that they will all be astonished at them.

And how does modern evangelical eschatology interpret it? They replace the

“he” which is Christ with Antichrist and say the Antichrist will make a 7-year covenant with the Jews in order that they can rebuild a third Temple of Solomon to renew their animal sacrifices to God. Just ask yourself, would a rebuilt Temple Solomon honor God? Absolutely not! And why? Because it would represent a further rejection of the Blood of the Lamb, the Blood of Jesus Christ for our sins, and substitute animal blood instead! Would such a Temple be therefore the “holy place” of Matthew 24:15? Again, absolutely not for the reason stated above. There is no prophecy anywhere in the Bible of a third Temple of a Solomon. And not only does Daniel 9:27 not talk about a rebuilt Temple, it’s a prophecy about the *destruction* of the Temple and Jerusalem in 70 AD! It’s only *speculation* that the Jews need to rebuild the Temple in the Endtime so that the Antichrist can sit in it to proclaim himself to be God! And why did they speculate that? From a false interpretation of 2 Thessalonians 2:3-4)

2:3 Let no man deceive you by any means: {3} for [that day shall not come], except there come a falling away first, and {e} that man of sin be revealed, the son of perdition;

(3) The apostle foretells that before the coming of the Lord, there will be a throne set up completely contrary to Christ’s glory, in which that wicked man will sit, and transfer all things that appertain to God to himself: and many will fall away from God to him.

(e) By speaking of one, he singles out the person of the tyrannous and persecuting antichrist.

2:4 Who opposeth and {f} exalteth himself above all that is called God, or that is worshipped; {4} so that he as God sitteth in the temple of God, shewing himself that he is God.

(f) All men know who he is that says he can shut up heaven and open it at his pleasure, and takes upon himself to be lord and master above all kings and princes, before whom kings and princes fall down and worship, honouring that antichrist as a god.

(4) He foretells that the antichrist (that is, whoever he is that will occupy that seat that falls away from God) will not reign outside of the Church, but in the very bosom of the Church.

Any Protestant reading the Geneva Bible footnote of verse 4 would know for certain it is talking about the Popes of Rome. Evangelicals today do not interpret it that way. They say 2 Thess 2:4 is talking about the Endtime Antichrist sitting in a rebuilt Temple of Solomon. What does the New Testament call the Temple?

1 Corinthians 3:16 ¶Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you?

The Church, the saints of God, is the Temple of God, not a physical temple made with hands. The early Protestants knew that which is why they believed the identity of the Antichrist is the popes of Rome. It was the Pope who set himself above the kings and princes of Europe. It was the Pope who claimed to be the head of the Church and the vicar of Christ. Does Pope Francis today

say the same thing? He does.

Here is the crux of the matter and the reason for false Endtime teaching: They were cooked up by Jesuit priests who lead the Counter-Reformation to get the Protestants to get their eyes off the Popes of Roman as the biblical Antichrist! They sure did a bang-up job, didn't they? But thankfully there are Christians today who know the truth, and they are mostly Christians who still remember what Protestants used to teach up to the 18th century. The Baptists do not identify with Protestantism because they claim to be descended from the Anabaptists who predate the Protestant Reformation. This is true. It's just sad that Baptists and other evangelicals such as Pentecostals were influenced by C.I. Scofield's doctrines while the Presbyterians and other mainstream Protestant churches were not.

[Flat Earthers Systematically Being Used To Disrupt And Undermine Truth Movements Everywhere](#)

Introduction

I am saddened to hear that more of my friends and fellow brothers and sisters in Christ fell for what I believe to be a psychological operation, AKA pysop, designed to marginalize them as "science deniers", "conspiracy theorists" and wackos in general. The name of the pysop is Flat Earth.

If you are a Christian and proclaim the earth is flat, what will unsaved people think about your witness for Jesus Christ? What will they think of your testimony as a Christian? You say you cannot believe everything the World, the government, scientists and NASA is telling you, and I certainly agree! There is much falsehood being proclaimed today in the name of science. At the time of this post, scientists and medical professions calling COVID-19 vaccinations "safe" is one of the most dangerous falsehoods today in my opinion. Why do I believe COVID-19 vaccines are dangerous? Because rather than trust what the government and corporate-owned pharmaceutical companies making billions of \$ from selling the vaccines are telling me, I think

listening to what many *other* scientists and medical professions who have endangered their very careers and reputations by telling me [COVID-19 vaccinations will kill me](#) is far more safer, logical and reasonable than listening to profit-seeking cooperations and government agencies which already have a reputation for being dishonest. And why are they dishonest? Because of the love of money and power!

If you believe the earth is flat, I think you will probably agree with me that COVID-19 vaccines are harmful. If you do, I hope you might consider the existence of government-fueled hoaxes which are known as "[cognitive infiltration](#)" that seek to undermine your message that COVID-19 vaccines are harmful, and your testimonial of salvation in Jesus Christ. I am convinced Flat Earth is one of those government-fueled hoaxes. Don't let government spooks lead you astray!

Not *all* science is false! If you claim it to be false, how are you reading this article right now? You're reading it from either your Desktop PC, laptop, smartphone, iPhone, iPad, tablet, or some other device that technology has created. All technology is based on science!

Update! Proof that Flat-earth promoter Eric Dubay is a CIA asset!

The below article is a repost of [The Millennium Report](#) by Revisionist Historians for World Peace.

There is an insidious conspiracy at work throughout the entire Internet which seeks to destroy Truth Movements everywhere. One of its organs of mischief is known as the **Flat Earth Society** (FES) and its explicit purpose is to take down every single truth-oriented website, blog and/or organization which permits an open comment section at the bottom of their posts and articles.

Here's how they work:

Agents of the FES often begin by posting rather benign yet factual comments about NASA, which everyone now knows is a rogue agency which can rarely be trusted to tell the truth about particular scientific endeavors and galactic missions. That's a no-brainer that everyone agrees with—NASA holds onto most of the truth and parcels out only the absolute minimum to the taxpayers who fund their space missions and other assorted projects.

The *Flat Earthers* then take advantage of this universal hatred of NASA for their spewing so much deception over so many years, and they use it to subtly garner support for their nonsensical **Flat Earth Theory** (FET). When the time is right, the *Flat Earthers* will then start introducing utterly absurd notions about the Solar System and patently false concepts about the Earth's relationship to the Sun.

They justify their preposterous sophistry and wacky ideas by routinely outing NASA as a serially prevaricating government agency, which they are – and then using their well-known deception as a justification to overturn the entire paradigm of modern astrophysics. **Talk about throwing the baby out with the bath water.** There is no astronomical scientific truth that the *Flat Earthers* have left unassailed. You name it – gravity, a spherical Earth and other planetary orbs, rotational movement of the planets. planetary revolutions around the Sun – they throw it all out and label it as “NASA lies”.

Once they do that in a very public Internet forum or chat room, website or blog comment section, they begin to stir up a LOT of trouble. They pre-position sock-puppets in the same forums, blogs, etc, who will, with apparent spontaneity, support their silly and stupid comments about the *Flat Earth Theory* (FET). The longer the comment thread, the more opportunity to draw in the unsuspecting into their outlandish web of deceit and deception.

They do this by presenting some entirely new and quite valid hypotheses which do introduce such concepts that are related to the Electric Universe; or that propose that the Solar System is also moving through space in a manner which defies the conventional scientific wisdom. There are many instances where the current scientific paradigm does completely fall down, by the way, and the FEs use these obvious flaws to take down the whole system of modern thought.

By so aggressively assaulting the conventional wisdom which is accepted by the vast majority of people on the planet, they then tar the reputation of the truth movement groups whose websites they have deliberately polluted with their obvious foolishness concerning their *FLAT EARTH* fantasies.

A Massive CIA Black Operation

Many are now suspicious that these relentless FE initiatives are so organized because they have the backing of those government agencies that do not want the truth (about anything) revealed. The CIA, FBI, DIA, NSA have long employed this signature MO which is determined to kill the messengers of truth anyway they can. Ruining reputations has always been preferred to outright murder, which they also perpetrate when they deem it absolutely necessary. After all, the primary mandate for *The Company* (aka the C.I.A.) is to carry out their covert truth-silencing black operations.

Important Note:

The vast majority of *Flat Earthers* do not even have a clue that they are being used 24/7 to advance a sinister agenda to destroy the various truth movements around the globe. If they did have this awareness, most would leave the whole enterprise in a heartbeat. Like all C.I.A. blackops, they are conducted on a strictly need-to-know basis and in a highly compartmentalized fashion. Just like only the 33 degree Freemason types know anything of the real plots that are afoot in the world, so, too, do those CIA controllers manipulate the *Flat Earthers* from afar. All the CIA ever has to do is effectively control one individual who has been completely programmed to execute their agenda. Others who demonstrate similar vulnerability to the same programming are then chosen to lead the sheep whenever and wherever necessary. The bottom line here is that many *Flat Earthers* are truly seeking the truth. This segue into *Flat Earth* crazyland is but detour they must take in order to get real after they become aware that they have become profoundly deceived. Everyone takes a similar journey in life as they break free from all the deception which has been brought to bear by the ubiquitous and everpresent *Global Control Matrix*.

Conclusion

How easy is it for a pack of *Flat Earth* jackals to take down an honest truth-seeking website or forum that only looks to uncover the truth. These folks have scripts crafted for every rejection and every response that they face. They have been thoroughly brainwashed to understand the *Flat Earth Theory* as truth, and are mind-controlled to see themselves as modern-day Galileos.

In light of their cohesive organization they have learned how to work in a concerted effort to quickly victimize the unsuspecting. Their primary weapons are little (and big) lies that NASA has told, as well as some glaring gaps in the current astrophysics paradigm. It's true that each successive paradigm has rendered the previous one partially obsolete as the world has evolved from the Newtonian to the Einsteinian to the Quantum to the Electric Universe.

However, that does NOT mean that fire is not hot and does not burn. These *Flat Earthers* would have us all believe even that – that fire is not hot and does not burn – if they could, and much more crazy stuff. Nevertheless, it's critical to understand such crazymaking by certified crazymakers is quite purposeful. For CIA-certified crazymakers such as these always have a covert agenda to execute and specific goals to accomplish. Hence, the challenge for many has been to avoid being caught up in their utterly crazy agenda. Otherwise, if we get caught off guard, we risk missing the gun-grabbing that can occur in the wake of an Orlando false flag mass shooting or the like.
