

# The Bible Reveals the Existence of Conspiracies

This is chapter 3 of [The Effect of the Jesuit Eschatologies on America Today](#)  
– by Dr. Ronald Cooke

Some Bible believers repudiate the whole idea of a conspiracy because they say they believe in a sovereign God who controls history. The Bible calls Satan, the god of this world, because millions in this world worship him and follow his wisdom. This does not mean that Satan will triumph over God. He surely will not. But his effort is real and historical. The great apostasy is real even though it does not succeed finally.

The war against Satan still has to be fought. The truth must be proclaimed to overcome Satan and all his false prophets, many of whom work in the visible church to deceive, if it were possible, the very elect. According to the Apostle Peter, false teachers are in the church, even as the false prophets were in Israel. The truth must be taught so that the efforts of all false prophets will be defeated.

In the book of Jeremiah, the Word of God reveals that the false prophets cried peace when there was no peace. This is an identifying mark of a false prophet. These false prophets were involved in a conspiracy against God.

The Lord said unto me (Jeremiah) a conspiracy is found among the men of Judah, and among the inhabitants of Jerusalem. They are turned back to their iniquities of their forefathers, which refused to hear my words; and they went after other gods to serve them; the house of Israel and the house of Judah have broken my covenant which I made with their forefathers. Therefore, thus saith the Lord, behold I will bring evil upon them, which they shall not be able to escape.

The Hebrew word translated conspiracy here in this passage, is QESHAR from the root QASHAR meaning to make a league, to knit together, to conspire to commit treason; so any unlawful alliance, confederacy, or conspiracy. The same Hebrew word is used in Ezekiel 22:25.

Son of Man, say unto her (Israel) Thou art the land that is not cleansed, nor rained upon in the day of indignation. There is a conspiracy of her prophets in the midst thereof, like a lion ravaging-tearing to pieces-the prey; they have devoured souls; they have taken treasure and precious things; they have made her many widows in the

midst of her.

Her priests have violated my law, they have profaned my holy things; they have put no difference between the holy and the profane, neither have they shown difference between the clean and unclean, and have hidden their eyes from my Sabbaths and I am profaned among them. Her princes in her midst are like wolves ravening (tearing) the prey to shed blood, and to destroy souls, to get dishonest gain. And her prophets have daubed themselves with untempered mortar, seeing vanity, and divining lies, saying thus saith the Lord, when the Lord has not spoken. (Ezekiel 22:24-28).

Here there was a conspiracy to profane the holy and to put no difference between the clean and the unclean. And to pretend to speak for the Lord, when He had not spoken, thus giving out lies. Surely a description of the great Harlot of Rome who also puts no difference between the clean and the unclean and profanes that which is holy.

The Man of Sin in Rome also pretends to speak for the Lord Jesus Christ on earth, when in effect, he is the great deceiver of mankind. Malachi Martin has some critical things to say against the modern Roman Catholic System in his writings, but he does not criticize the office of the papacy. He believes that the papacy has been instituted by God and that all the popes of Rome have descended from the Apostle Peter and that they hold the powers invested in them by the Triple Tiara which is placed on their head by the cardinal deacon accompanied by the words:

Receive the tiara with three crowns and know that thou art Father of princes and kings, Ruler of the world, Vicar of our Savior Jesus Christ, to whom is honor and glory, world without end, Amen.

According to the Roman Catholic dictionary, the first crown symbolized the pope's "universal episcopate;" the second, his "supremacy of jurisdiction;" and the third, his "temporal supremacy."

The Papal Man of Sin claims more power and authority than any other man in the world today. He claims to be the HEAD of the Universal church. The supreme arbiter of mankind, and the sovereign ruler of the kingdoms of the world. Truly "he sits in his temple as 'god'" claiming and showing himself "that he is god." Malachi Martin calls the pope, he was writing about in THE KEYS OF THIS BLOOD, the SERVANT of God's GRAND DESIGN," in the millennial end game, that he saw emerging in the world as the twentieth-century drew to a close. The Bible-believer sees the Papal Man of Sin, the servant of a design that is much lower than grand, and indeed promotes THE LIE instead of the truth. It is interesting to note the similarities between the conspiracy revealed in Ezekiel and the one mentioned in the Apocalypse. For both speak of princes devouring souls, and the merchants trading in the souls of men, and taking treasures and riches which all perish in the overthrow of the Great Prostitute of Babylon.

The conspiracies in Israel are revealed by the inspired writers of the Old

Testament. So they are real conspiracies. The Scriptures also reveal in the second Psalm that the rulers of the world take counsel against the Lord and His Anointed One – The Christ. So again the Word of the Lord reveals the enmity, rebellion, and conspiracy of the world's rulers against the Lord Jesus Christ.

In the New Testament the Scriptures again reveal the presence of a worldwide system that is opposed to the true Church – Mystery Babylon the Great. Through the work of the Jesuits, this great conspiracy against the true Church is put off into the future, and is thus removed from history. Or it is said to have arisen in the first century and then is destroyed by AD 70. This view also was first set forth by the Jesuits. Either way, Mystery Babylon the Great, is not a part of church history, according to the Jesuits.

The Protestant Reformers believed that Roman Catholicism was the backbone of this great conspiracy against the true Church. The Puritans, many of whom also viewed Roman Catholicism as the foundation of Mystery Babylon the Great, believed that the Jesuits were the strength behind the Counter-Reformation, and thus the greatest conspirators against historic Bible Protestantism that the world has ever seen.

The Jesuits, on the other hand, have always denied many of the accusations made against them by Protestants. In recent times their sordid history has been completely erased from the public mind, and they are now regarded as some of the best and most loving leaders of the modern ecumenical movement.

The Bible teaches that there is a great apostate conspiracy against the true church. This great apostate conglomerate is made up of many evils and evil people. The Scripture says,

I saw a woman sit upon a scarlet coloured beast, full of the names of blasphemy, having seven heads and ten horns. And the woman was arrayed in purple and scarlet color, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication: and upon her forehead was a name written, MYSTERY BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH. And I saw the woman drunken with the blood of the saints, and with blood of the martyrs of Jesus: and when I saw her, I wondered with great wonder (Revelation 17:3-6).

And the Woman which thou sawest is that great city which reigns over the kings of the earth (Revelation 17:18),

And he (the angel) cried mightily with a strong voice, saying, Babylon the Great is fallen, is fallen, and is become the habitation of demons, and the hold- prison-of every foul spirit, and a cage of every unclean and hateful bird. For ALL nations have drunk of the wine of the fury of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are through the power of her luxury enriched (Revelation 18:2-3).

The Bible here describes historical reality, not just an end-time scenario. It reveals a great composite picture of the world's attempt to unite her false religions into one. God's people are told to separate from this religious conglomerate that extends from a great city out to encompass the rulers and merchants of the earth. These all unite with the great Prostitute in idolatrous worship. For centuries the Jesuits have been involved in trying to overthrow the true church and bring the whole world into this habitation of demonic activity.

The modern ecumenical movement is also a part of the Jesuit conspiracy. They have been working in the ecumenical movement for years. In recent times they have been working with evangelicals. At least they profess to be evangelical. God's people should not be working with the enemies of the gospel. Yet it is an obvious fact that many do. Witness the recent involvement of evangelicals with the Roman Catholics in ECT (Evangelicals and Catholics Together) I and II which also involved the participation of several Jesuits.

Working with the enemies of the Lord is not something new. We see that type of activity revealed in the Old Testament, away back in the days of Jehoshaphat, king of Judah. God's inspired Word reveals the traitorous activity of Jehoshaphat.

Now Jehoshaphat had riches and honor in abundance, and made a marriage alliance with Ahab. 'And Jehoshaphat, the king of Judah, returned to his house in peace in Jerusalem, And Jehu, the son of Hanani, the seer, went out to meet him, and said to king Jehoshaphat, shouldest thou help the wicked, and love them that hate the Lord? Therefore, there is wrath upon thee from before the Lord (II Chronicles 18:1 and 19:1-2).

Jehoshaphat is an example of a man who did many things right and yet worked with the enemies of God. He certainly sets forth the God of the Bible in his prayer, when he says,

O Lord God of our fathers, art not thou God in heaven and rulest thou not over all the kingdoms of the nations? And in thine hand is there not power and might, so that none is able to withstand thee? Art not thou our God, who didst drive out the inhabitants of this land before thy people, Israel, and gavest it to the seed of Abraham, thy friend forever? And they dwelt in it, and have built a sanctuary for thy name, saying, If, when evil comes upon us, as the sword, judgment, or pestilence, or famine, we stand before this house, and in thy presence (for thy name is in this house), and cry unto thee in our affliction, then thou wilt hear and help...

When Jehoshaphat prays, the Lord assures him of an answer.

Thus saith the Lord unto you, Be not afraid nor be dismayed by reason of this great multitude; for the battle is not yours, but God's. (II Chronicles 20:6-15).

So the Bible reveals that God is over all the kingdoms of nations and that He intervenes on behalf of his people and fights for them against their enemies.

For he tells them that you shall not need to fight in this battle; set yourselves, stand still, and see the salvation of the Lord.

Here we see that Jehu, the son of Hanani, went out to meet Jehoshaphat and said to him,

“Why do you help the wicked, and why do you love them that hate the Lord? Therefore there is wrath – God’s anger – upon thee from before the Lord, because you are acting contrary to the will of God.” So godly men can be all tangled up in helping the cause of wicked men and those who hate the Lord.

This is why the Bible teaches separation from all ungodly entanglements. This is why there is so much confusion today. Godly men will not obey the Lord and separate from those that hate Him. Therefore, millions follow their confused example and all this confusion is called Mystery Babylon the Great – Mystery Confusion the Great. It is a mystery why godly men entangle themselves with those that hate the Lord. And the CONFUSION generated is GREAT. It is widespread.

When the head of the World Evangelical Alliance Dr. Tunnictiffe claims he is engaged in ecumenical dialogue with Roman Catholicism, he demonstrates the confusion of which the Bible speaks. This Alliance is said to represent close to half a billion evangelicals. So the confusion is widespread and millions are obviously all entangled up in an unholy amalgam with those who hate the Lord.

At Edinburgh, Scotland, in the year of our Lord 2010 every type of unbelief and compromise with it, was represented at the centenary celebration of the first Edinburgh conference in 1910. There were Baptists, Roman Catholics, Presbyterians, Methodists, the Reformed, the Pentecostal, and Seventh Day Adventist, all meeting together with all kinds of “evangelical” schools, and organizations. Ecumenical evangelism has succeeded in bringing together almost every kind of denomination, church, organization, and academic institution that calls itself “Christian.”

According to Dr. Ralph Colas, General Secretary of the American Council of Christian Churches, this conference included the following schools, churches, and societies:

Perkins School of Theology; Catholic Theological Union, Chicago; Maryknoll (Roman Catholic) Missionaries; World Evangelical Missions Commission; St. Thomas University; World Alliance of Reformed Churches; Seventh Day Adventist Church; Agape International Missions; Baptist World Alliance; Asbury Theological Seminary; Fuller Theological Seminary; Gordon-Conwell Theological Seminary; World Council and National Council of Churches USA; Youth with a Mission; Fordham (Jesuit) University; Yoiddo Full Gospel Church; Lutheran World Federation; American Baptist Church, USA; Saint Paul School of Theology; Churches Together in Britain and Ireland; Vanderbilt University; Assemblies of God; Tyndale Seminary, Toronto, Canada; World Council of Churches/Presbyterian Church of Canada; Kentucky Council of Churches; Princeton Theological Seminary; United Bible Societies, and BIOLA

University. These are but a few of the many on the official delegate list.<sup>1</sup>

Dr. Tunncliffe informed those present at this ecumenical gathering that the World Evangelical Alliance (WEA) represents 128 Evangelical Alliances and 420 million evangelicals worldwide. He then added,

In the WEA we have fruitful discussions with the Pontifical Council of the Roman Catholic Church, the World Council of Churches and the (Eastern) Orthodox Churches. We need to listen to one another with love and respect, building bridges rather than to create chasms.<sup>2</sup>

Chasm is an interesting word. It is actually a Greek word that occurs in the Greek New Testament. It is translated GULF in Luke 16:26. In the original it is CHASMA. So chasm is a transliteration rather than a translation of this word.

According to inspired Scripture, and not the drivel of Dr. Tunncliffe, it is God who fixes this CHASM. It is a chasm, not created by man but created by God. It is FIXED. Meaning it is established firmly and NO MAN, according to Christ, will ever BRIDGE THIS CHASM.

Dr. Tunncliffe may want to build bridges to connect truth with error but neither he, nor any other man, can build a bridge over the chasm that separates truth from error, no matter how hard he may try. No where in the Bible is a true believer taught to respect and love evil. The Bible categorically states that we are to,

ABHOR EVIL AND CLEAVE TO THAT WHICH IS GOOD.

The believer is to HATE evil and to HATE lies and to HATE false doctrines that lead millions to a lost eternity.

While Roman Catholicism, aided by the Jesuits, continues its drive to take over the United States, and to completely destroy what is left of Protestantism, millions of self-confessed evangelicals continue their slide toward apostasy and unbelief. As the leadership of Dr. Tunncliffe demonstrates, what is left of evangelical Christianity is leaderless and helpless in the face of the Jesuit onslaught.

America is now far more influenced by the Jesuits than by any leader of what is left of Protestant evangelicalism. Politically, culturally, socially, philosophically, and theologically America follows the leadership of Rome. It certainly does NOT follow the Puritan Protestantism that brought this nation into being and developed it to become the greatest nation the world has so far seen. We will endeavor to show that such is the case in the following pages.

## [The Existence of a Conspiracy](#)

This is chapter 2 of [The Effect of the Jesuit Eschatologies on America Today](#) – by Dr. Ronald Cooke

All kinds of books have been written about conspiracies but the Bible reveals that the one real historical conspiracy is against God and His Anointed. This started in the Garden of Eden and has been going on ever since. Even Rousas Rushdoony who promoted his Reconstructionist view of the Bible, and who did not believe that evil men and seducers are getting worse and worse, deceiving and being deceived, nevertheless he wrote,

The Bible as a whole presents a view of history as a conspiracy, with Satan and man determining good and evil for themselves. From beginning to end this is the perspective of Scripture, and only a wilful misreading of it can lead to any other position. <sup>1</sup>

The Lord Jesus Christ is the target of fallen humanity. Humanity takes counsel against the Lord and His anointed.

Sir Robert Anderson saw that the great historical conspiracy was RELIGIOUS and THEOLOGICAL. In commenting on the truth that Christ called the religious Pharisees, who highly esteemed themselves, "children of Hell," and a generation of vipers, he added that it was not the publicans and harlots who were branded as,

hell-begotten. Alas for HUMAN nature, it was to the RELIGIOUS Jews that these awful words were spoken. <sup>2</sup>

Anderson then with commendable perspicacity notes:

Why? Because the Satan cult is to be sought for, not in pagan orgies, but in the acceptance of the Eden gospel, and in the pursuit of RELIGIOUS systems, which honor man and dishonor Christ. <sup>3</sup>

The so-called "great" religions of the world all honor man, And all dishonor Christ. They may talk about "god" but none of them, including Roman Catholicism, give Christ the PRE-EMINENCE which is His ONLY and PROPER place.

In fact, Roman Catholicism is filled with superstition, magic, and deception.

As Sir Robert Anderson said,

Is there not some sinister influence in operation here? How else can it be explained that in the full light of our advanced civilization, even persons of the highest intelligence and culture are gulled by the tricks and superstitions which form the stock-in-trade of priestcraft. <sup>4</sup>

Is the United States then succumbing to the great Jesuit-Romanist conspiracy? The answer is obviously yes.\* If one looks at early America, or even America up until about one hundred years ago, and compares that with what America is today, he cannot help but see that Roman Catholicism, with all its evil fruits, now flourishes in these United States as never before. What was early America like?

\* Are the multiplied millions of Roman Catholic illegal aliens flooding into America the result of mere chance? No! IRREDENTISM is another part of the Jesuit conspiracy against the United States today.

Recently, while traveling back from our daughter's graduation from Clearwater Christian college, we stopped in to visit Savannah, Georgia, one of the oldest ports in the United States. Our tour guide told us many things. In recounting how General Oglethorpe first set about establishing the port, and surrounding areas, she said he had four requirements:

1. No lawyers. 2. No Roman Catholics. 3. No hard liquor. 4. No slaves. She went on to say that Roman Catholics did not appear in Savannah until about one hundred years later.

Yes, as time went on, great changes began to occur in the American colonies. In the very place where the Puritan Separatists first landed and where there was originally a hundred per cent Protestant population, one Roman Catholic priest had this to say toward the end of the 19<sup>th</sup> century in Boston Massachusetts,

I am an old man and believe that I am the oldest priest in years of service in the U.S.A... Thank God I have lived long enough to see these wonderful changes; yes in Puritan Boston, I was hung in effigy by your blue nose Piety Hill Puritans. Today we control Massachusetts, we control America, and we do not propose to stop until...America is genuinely (Roman) Catholic and remains so. God help us! <sup>5</sup>

The United States of America has the most Christian Colleges, Universities, and Theological Seminaries of any country in the world. So you would think then that such a country would be able to overcome the tricks and superstitions of Rome. But such is not the case.

In the land of the free and the home of the brave, Roman Catholicism continues to flourish even after the abominations of its priesthood were reported all over the country. Today, Roman Catholicism continues to wield a powerful political and cultural and judicial influence in this once Protestant nation.

Life magazine has just published its one hundred page glowing pictorial account of the new pope of Rome. It calls him the Vicar of Christ. To make sure that the readers get the message the magazine repeats several times.

POPE FRANCIS THE VICAR OF CHRIST  
FROM SAINT PETER TO TODAY

So it gives out the fiction of the Apostle Peter being the first pope, and it is filled with beatifications, and the extravagant architecture and art of popish history.

Nevertheless, as Sir Robert Anderson pointed out a hundred years ago, millions of otherwise intelligent people will believe all the drivel that this magazine delivers, about the beatification of saints, blasphemous Masses, Mariolatry, and all the other gross superstitions of Rome.

One would think that with so many Christian colleges, universities, and theological seminaries, that the United States of America would have long since shown the deceptions, blasphemies, and gross superstitions of Rome to be unscriptural and anti-scriptural, However, this is obviously not so.

In fact, today almost no Christian college, university, or theological seminary seeks to overthrow, and completely repudiate and refute all the gross errors of Rome at all. They, believe it or not, actually turn out Roman Catholic graduates, who go on to become national spokesmen for the gross errors of Rome.

The Christian colleges and universities of America today teach far more about the Renaissance than they do about the Protestant Reformation. Hence, the emphasis is on art and humanism, rather than on systematic theology, Bible exegesis, and the true Gospel. In early American education the emphasis was upon theology and logic, how to defend the faith against Roman Catholicism. \_Now the leading evangelicals promote dialogue with Rome rather than the refutation of all the false doctrines and practices of Rome.

As the Roman Catholic historian Hennessy pointed out in early American education,

Harvard College had the Dudleian Lectures, the fourth in each series to be devoted to "detecting, convicting, and exposing the idolatry, errors, and superstitions of the Romish church." <sup>6</sup>

John Calvin said, "man is incredibly mad after superstitions." Surely modern man is even more incredibly mad after superstitions than the men of Calvin's day were. For the "church" is now filled with tales of Narnia, the fictions of Hollywood, sportsmen, and the drivel of modern religious literature, that the people of Calvin's day knew nothing about.

The great conspiracy is centered in THE lie. That is in a particular LIE. This particular LIE is the foundation of all attacks against the Lord and His Anointed One. Paul says, that the Lawless One comes, and

his coming is after the working of Satan with all power and signs and lying wonders. And with all deceivableness of unrighteousness in them that perish, because they received not the love of the truth, that they might be saved. And for this cause GOD shall send them a strong delusion that they should believe THE Lie: that they might be damned who believed not the truth, but had pleasure in unrighteousness. This MYSTERY OF INIQUITY was already at work, Paul says, when he was writing this letter.

The visible church, more and more, refuses the authority of Holy Scripture. And more and more believes the lie of the papal Man of Sin, that he is the Vicar of Christ and sits in his temple as God. He claims to be the Vicar of Christ and millions in the "church" refuse to separate from this gross blasphemy. Separation is now virtually unknown as a principle of the church, set down in God's revelation.

~Edward J. Young, in his masterpiece THY WORD IS TRUTH, writes at the very beginning of his defense of biblical inspiration, that his subject is a timely one, because the times in which we live, are times of a new theology.

The present day sees the Church of Christ engulfed with a new type of theology, a theology which employs the terminology of the Bible and of the Church and yet pours into that terminology a content which is quite other than that of historic Christianity. Because of the similarity of terminology there are many good people who are deceived. They appeal to some of the great names in theology of the present day as though these men were allies in the battle of the Faith. Nothing, however, could be farther from the truth. <sup>7</sup>

Theological deception is a mark of our times. It is no longer confined to Rome, for through the infiltration of Jesuit teachings into evangelical colleges and seminaries, the deception concerning the Man of Sin is now much more widespread than it was one hundred years ago.

Young also stated that,

Without doubt Christianity is at the cross roads... Our Lord did indeed say that the gates of Hell would not prevail against His Church, but he did not deny that they would try to prevail. Ever since her founding, the Church of God has been engaged in a spiritual battle. Against her, powerful foes have fought, foes which at every turn of the road have sought to deflect her from the true course and, if possible, to destroy her. The apostle knew where of he spoke when he said that we wrestle not against flesh and blood but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. <sup>8</sup>

The true church is in a never ending battle to refute the errors of her enemies and proclaim the truth as it is in Christ. However, it is now obvious, that very few people are concerned about keeping the church

free from heresies and blasphemies. For instead of contending for the faith, today millions of people in the church are contending for the "culture." They are all concerned about what is happening in the culture of America today, while seemingly oblivious to what is happening in the church in America today. They have abandoned the Reformers' struggle for a pure church, and have taken up the Jesuit struggle for a medieval culture. A struggle they have no hope of winning, because God Himself, is against the evils of medieval tradition and mythology, having already wrecked that wicked system, when He set in motion the glorious Protestant Reformation.

False religion is fighting to gain control of America today; it is in a life and death struggle with secular humanism. False religion is cursed by God as much or more than secular humanism; so both ideologies are false and sit under the judgment of God. If both continue to flourish, it will be the end of the United States as we know it. The battle that should be waged, but is not being fought, is against BOTH these evils; not just one of them.

There have been many enemies of the true Church, and surely one of the most enduring, and best organized of those enemies, is the Roman Catholic Church State, energized by the Jesuits, and headed up by the Papal Man of Sin himself, This deceptive immoral monstrosity is now, if you can believe it, looked upon by millions of evangelicals as a co-belligerent, as a great help, in prosecuting the moral war against secularism.

# The Jesuit Conspiracy Against Historic Bible Protestantism

Statue in St. Peter's Basilica of Ignatius of Loyola, the founder of the Jesuit Order. His foot is on a Protestant Christian holding a Bible.

This is the continuation and chapter 1 of [The Effect of the Jesuit Eschatologies on America Today](#) – by Dr. Ronald Cooke. The emphasis from the author is in ALL CAPS and my emphasis is in **bold**.

Dr. John Robbins noted that,

Historians have christened the thirteenth century the Age of Faith and termed the eighteenth century the Age of Reason. The twentieth century has been called many things: the Atomic Age, the Age of Inflation, the Age of the Tyrant, the Age of Aquarius. But it deserves one name more than the others: the Age of Irrationalism. Contemporary secular intellectuals are anti-intellectual. Contemporary philosophers are anti-philosophy. Contemporary theologians are anti-theology. <sup>1</sup>

The irrationalism of Kierkegaard and Barth now governs most of the “thinking” of the majority of theologians and church scholars today. The attack upon the MIND in the twentieth century still has not let up in the twenty-first century. In fact it has spread into what are still called Bible-believing churches.

This is the basis of many of the problems that now afflict Christianity in North America today. Theistic evolution, which is irrational, has been pushed by many scholars who class themselves as Christians. The Jesuits have been at the forefront in teaching a form of evolutionary determinism which they believe will result in the church of all humanity.

The Jesuits are among some of the hardest working people, and hardest fighting people, that the world has ever seen. Few can match their tenacity

and perseverance which they use to try to promote the blasphemous fiction that the Pope of Rome is the Vicar of Christ and Lord of the church.

The Jesuits, in their rigorous training, must obey their superiors without question. According to the Constitutions of the Jesuits, they all must obey, "just as if they were a corpse, which allows itself to be moved and handled in any way."<sup>2</sup> So the Jesuits all labor irrationally. They empty their minds of personal ambition and personal thinking; they follow their orders with complete abandonment of personal thought. They must labor with one view in mind, to bring the world to the feet of the Papal Man of Sin, no matter what it costs.

As Malachi Martin wrote,

As an institution (the Jesuit Order), it has always been bound to the papacy. Its professed members have always been bound to the Pope by a sacred oath of absolute obedience. For 426 years, they stood at the papacy's side, fought its battles, taught its doctrines, suffered its defeats, defended its positions, shared its power, were attacked by its enemies, and constantly promoted its interests all over the globe. They were regarded by many as they regarded themselves, as "Pope's Men."<sup>3</sup>

\* Martin, of course, in his book, claims that the Jesuits have changed. He claims that since 1965, the end of Vatican II, that the Superior General of the Jesuits, at that time, promoted the changes that some Jesuits were proposing, and that since then the goals of the Jesuit Order have changed. He claims that they are now promoting a universal church -a people's church – not the ancient church of Rome.

One has to be completely irrational to believe all the magic, fictions and superstitions of Rome. (We will look at this irrationalism in more detail later.)

Almost all Protestants, up until the time of C. H. Spurgeon, believed that the Jesuits were out to destroy biblical Protestantism, and bring all "rebellious" churches back to Rome. Malachi Martin said as much when he wrote about the re-instatement of the Jesuit Order, after its suppression by a pope of Rome.

The revived Jesuits started off again, with renewed zeal for the papal will, and made a huge commitment of men and labor to ensure that the First Vatican Council in 1869 would decree that the infallible authority of the Pope was an article of faith and a divinely revealed dogma. That effort was so trenchant and successful... clear pointer to what the Jesuits championed as vigorously as they always had the old Roman Catholic belief that by divine decree the man who himself carried all the authority of Christ in the Church was to be identified by a physical link with one geographical location on the face of this earth- the city of Rome. That man would always be the legal Bishop of Rome. And personal Vicar of Christ.<sup>4</sup>

So the Jesuits made a huge commitment of men and labor, i.e. they conspired

to ensure that papal infallibility would become a dogma of Rome. Martin also noted how the Jesuits were viewed by the world,

In the long catalog of insults and calumnies men have devised in order to revile their enemies, no name was bad enough to call the Jesuits because of that FEARSOME FIXATION that they had from their first beginnings, to be "Pope's Men." The Pope's men, of Inigo de Loyola, Thomas Carlyle wrote, was "the poison fountain from which all the rivers of bitterness that now submerged the world have flowed."

Such insults have been enshrined in the very languages of men. Webster's Third New International Dictionary, having given the basic meaning of Jesuit as a member of the Order, then supplies the negative meanings: "one given to intrigue or equivocation; a crafty person"; terms that are amplified by Dornseif's Dictionary into "two-faced, false, insidious, dissembling, perfidious...insincere, dishonorable, dishonest, untruthful." A Spanish proverb admonished people not "to trust a monk with your wife or a Jesuit with your money."<sup>5</sup> (emphasis added)

He also said that for too long those, in the higher echelons of the Roman Catholic church, have been suspected of quite worldly aims: **of secret-almost cabalistic-designs on the rights, liberties and freedoms of ordinary people.** Many a sincere modern Protestant is still convinced this is true.

Martin wrote all of his works in the latter part of the twentieth-century. His contention that, MANY a sincere modern Protestant is still convinced that there is a cabal, a conspiracy, to take over the world for the papacy, centered in the Vatican, is now probably less true than at any other time in Protestant history. Surely it is true that millions of North American "Christians" do not even know what a Protestant is;\* that they view the Roman Catholic Church-State-System as merely another Christian communion; and as to "cabalistic designs or conspiracy," **there is scarcely a soul in North America today who believes that the Roman Catholic Jesuits are part of a conspiracy to overthrow what is left of Protestantism in America today.**

The Jesuit Conspiracy has many tentacles. It would take an encyclopedia to cover the full extent of the cabalistic designs of the Jesuits. In this study only one area of Theology will be discussed; Eschatology, the doctrine of Last Things.

\* Rick Warren, appearing on television with Piers Morgan, vaguely agreed with Morgan that Protestantism was dead. What Morgan, a Roman Catholic, was identifying as Protestantism, had nothing whatsoever to do with it. He was describing apostate humanism which has taken over some modern Protestant denominations. But Rick Warren did not seem to know any more than Piers Morgan about Historic Bible Protestantism.

## **Chuck Baldwin on Romans Chapter 13**

Police in the UK clash with demonstrators protesting the Covid lockdowns

### **Forward by the webmaster:**

What's happening today in Canada, Australia and New Zealand is utter tyranny in the name of medical safety! It's really part of the Jesuit's plan to bring about a new world order of the elite. The only reason why the USA has not fallen totally under leftist tyranny so far is because of the US. Constitution and the fact that American citizens still have Second Amendment rights.

"We have not government armed with power capable of contending with human passions unbridled by morality and religion. Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other." –U.S. President John Adams

"It is tragic that most Bible-believing Christians today are misguided concerning Biblical submission to government. God never intended for Christians to blindly yield to government tyranny, blatant abusive of power and treason against it's own citizens. What ever happened to the Bill of Rights?" – From [Should Christians Obey Criminal Government?](#) By David J. Stewart

It seems that every time someone such as myself attempts to encourage our Christian brothers and sisters to resist an unconstitutional or otherwise reprehensible government policy, we hear the retort, "What about Romans Chapter 13? We Christians must submit to government. Any government. Read your Bible, and leave me alone." Or words to that effect.

No doubt, some who use this argument are sincere. They are only repeating what they have heard their pastor and other religious leaders say. On the other hand, let's be honest enough to admit that some who use this argument are just plain lazy, apathetic, and indifferent. And Romans 13 is their escape from responsibility. I suspect this is the much larger group, by the way.

Nevertheless, for the benefit of those who are sincere (but obviously misinformed), let's briefly examine Romans Chapter 13. I quote Romans Chapter 13, verses 1 through 7, from the Authorized King James text:

"Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. Whosoever therefore resisteth the power, resisteth the ordinance of God: and they that resist shall receive to themselves damnation. For rulers are not a terror to good works, but to the evil. Wilt thou then not be afraid of the power? do that which is good, and thou shalt have praise of the same: For he is the minister of God to thee for good. But if thou do that which is evil, be afraid; for he beareth not the sword in vain: for he is the minister of God, a revenger to execute wrath upon him that doeth evil. Wherefore ye must needs be subject, not only for wrath, but also for conscience sake. For this cause pay ye tribute also: for they are God's ministers, attending continually upon this very thing. Render therefore to all their dues: tribute to whom tribute is due; custom to whom custom; fear to whom fear; honor to whom honor."

Do our Christian friends who use these verses to teach that we should not oppose President Bush or any other political leader really believe that civil magistrates have unlimited authority to do anything they want without opposition? I doubt whether they truly believe that.

For example, what if our President decided to resurrect the old monarchical custom of *Jus Primae Noctis* (Law of First Night)? That was the old medieval custom when the king claimed the right to sleep with a subject's bride on the first night of their marriage. Would our sincere Christian brethren sheepishly say, "Romans Chapter 13 says we must submit to the government"? I think not. And would any of us respect any man who would submit to such a law?

So, there are limits to authority. A father has authority in his home, but does this give him power to abuse his wife and children? Of course not. An employer has authority on the job, but does this give him power to control

the private lives of his employees? No. A pastor has overseer authority in the church, but does this give him power to tell employers in his church how to run their businesses? Of course not. All human authority is limited in nature. No man has unlimited authority over the lives of other men. (Lordship and Sovereignty is the exclusive domain of Jesus Christ.)

By the same token, a civil magistrate has authority in civil matters, but his authority is limited and defined. Observe that Romans Chapter 13 clearly limits the authority of civil government by strictly defining its purpose: "For rulers are not a terror to good works, but to the evil . . . For he is the minister of God to thee for good . . . for he is the minister of God, a revenger to execute wrath upon him that doeth evil."

Notice that civil government must not be a "terror to good works." It has no power or authority to terrorize good works or good people. God never gave it that authority. And any government that oversteps that divine boundary has no divine authority or protection.

Civil government is a "minister of God to thee for good." It is not a minister of God for evil. Civil magistrates have a divine duty to "execute wrath upon him that doeth evil." They have no authority to execute wrath upon him that doeth good. None. Zilch. Zero. And anyone who says they do is lying. So, even in the midst of telling Christians to submit to civil authority, Romans Chapter 13 limits the power and reach of civil authority.

Did Moses violate God's principle of submission to authority when he killed the Egyptian taskmaster in defense of his fellow Hebrew? Did Elijah violate God's principle of submission to authority when he openly challenged Ahab and Jezebel? Did David violate God's principle of submission to authority when he refused to surrender to Saul's troops? Did Daniel violate God's principle of submission to authority when he disobeyed the king's law to not pray audibly to God? Did the three Hebrew children violate God's principle of submission to authority when they refused to bow to the image of the state? Did John the Baptist violate God's principle of submission to authority when he publicly scolded King Herod for his infidelity? Did Simon Peter and the other Apostles violate God's principle of submission to authority when they refused to stop preaching on the streets of Jerusalem? Did Paul violate God's principle of submission to authority when he refused to obey those authorities who demanded that he abandon his missionary work? In fact, Paul spent almost as much time in jail as he did out of jail.

Remember that every apostle of Christ (except John) was killed by hostile civil authorities opposed to their endeavors. Christians throughout church history were imprisoned, tortured, or killed by civil authorities of all stripes for refusing to submit to their various laws and prohibitions. Did all of these Christian martyrs violate God's principle of submission to authority?

So, even the great prophets, apostles, and writers of the Bible (including the writer of Romans Chapter 13) understood that human authority—even civil authority—is limited.

Plus, Paul makes it clear that our submission to civil authority must be predicated on more than fear of governmental retaliation. Notice, he said, "Wherefore ye must needs be subject, not only for wrath, but also for conscience sake." Meaning, our obedience to civil authority is more than just "because they said so." It is also a matter of conscience. This means we must think and reason for ourselves regarding the justness and rightness of our government's laws. Obedience is not automatic or robotic. It is a result of both rational deliberation and moral approbation.

Therefore, there are times when civil authority may need to be resisted. Either governmental abuse of power or the violation of conscience (or both) could precipitate civil disobedience. Of course, how and when we decide to resist civil authority is an entirely separate issue. And I will reserve that discussion for another time.

Beyond that, we in the United States of America do not live under a monarchy. We have no king. There is no single governing official in this country. America's "supreme Law" does not rest with any man or any group of men. America's "supreme Law" does not rest with the President, the Congress, or even the Supreme Court. In America, the U.S. Constitution is the "supreme Law of the Land." Under our laws, every governing official publicly promises to submit to the Constitution of the United States. Do readers understand the significance of this distinction? I hope so.

This means that in America the "higher powers" are not the men who occupy elected office, they are the tenets and principles set forth in the U.S. Constitution. Under our laws and form of government, it is the duty of every citizen, including our elected officials, to obey the U.S. Constitution. Therefore, this is how Romans Chapter 13 reads to Americans:

"Let every soul be subject unto the [U.S. Constitution.] For there is no [Constitution] but of God: the [Constitution] that be [is] ordained of God. Whosoever therefore resisteth the [Constitution], resisteth the ordinance of God: and they that resist shall receive to themselves damnation. For [the Constitution is] not a terror to good works, but to the evil. Wilt thou then not be afraid of the [Constitution]? do that which is good, and thou shalt have praise of the same: For [the Constitution] is the minister of God to thee for good. But if thou do that which is evil, be afraid; for [the Constitution] beareth not the sword in vain: for [the Constitution] is the minister of God, a revenger to execute wrath upon him that doeth evil. Wherefore ye must needs be subject, not only for wrath, but also for conscience sake. For this cause pay ye tribute also: for [the Constitution is] God's minister, attending continually upon this very thing. Render therefore to all their dues: tribute to whom tribute is due; custom to whom custom; fear to whom fear; honor to whom honor."

Dear Christian friend, the above is exactly the proper understanding of our responsibility to civil authority in these United States, as per the teaching of Romans Chapter 13.

Furthermore, Christians, above all people, should desire that their elected representatives submit to the Constitution, because it is constitutional

government that has done more to protect Christian liberty than any governing document ever devised by man. As I have noted before in this column (See: [http://www.chuckbaldwinlive.com/c2005/cbarchive\\_20050630.html](http://www.chuckbaldwinlive.com/c2005/cbarchive_20050630.html) ), Biblical principles form the foundation of all three of America's founding documents: The Declaration of Independence, The U.S. Constitution, and The Bill of Rights.

As a result, Christians in America (for the most part) have not had to face the painful decision to "obey God rather than men" and defy their civil authorities.

The problem in America today is that we have allowed our political leaders to violate their oaths of office and to ignore, and blatantly disobey, the "supreme Law of the Land," the U.S. Constitution. Therefore, if we truly believe Romans Chapter 13, we will insist and demand that our civil magistrates submit to the U.S. Constitution.

Now, how many of us Christians are going to truly obey Romans Chapter 13?

## [Pope Francis is behind Coronavirus and the Jabs: Dr. Bryan Ardis](#)

I actually think the Roman Catholic Church and the Pope, Pope Francis, is over this entire thing. And I think he's manipulating controlling the entire narrative. I think he's got Anthony Fauci in his pocket. I think he's got Joe Biden, Donald Trump, Francis Collins, I think all of them are being controlled by a division of the Roman Catholic church called the order of the Jesuits, whose sole mission for the last 200 years I'm aware of since 1857, they have been plotting to destroy the Constitution of the United States, as the one last stronghold of a country that preserves and protects religious freedoms.

## Some Awaiting the 70th Week of Daniel Are Blind to Current Events

Daniel 9:27 is about the 70th Week of Daniel, and it may very well be the most misinterpreted prophecy in the entire Bible. The early Protestant Reformers saw it as a Messianic prophecy fulfilled by none other than the Lord Jesus Christ! Most modern-day evangelicals (with the notable exception of Pastor Chuck Baldwin) view it as prophecy fulfilled by the Antichrist who will come to power in the unknown future. Christians who hold this eschatological view follow a school of prophecy interpretation known as *Futurism*.

Verse Segment	Modern Evangelical Interpretation	Protestant Reformers Interpretation
And he	the Antichrist	Jesus Christ
shall confirm the covenant	shall make a treaty	shall confirm the Covenant of grace God made with Abraham.
with many for one week	with the Jews and leaders of the world's religions for 7 years in the future	with the people of Israel for 7 years from the beginning of Jesus's ministry which began in 27 AD to the stoning of Stephen in 34 AD which was the start of persecution of Christians by the Jews.

and in the midst of the week he shall cause the sacrifice and the oblation to cease	The Antichrist will stop the daily sacrifice in a rebuilt temple of Solomon.	Jesus was crucified three and a half years after the start of His ministry. Jesus, the Lamb of God, became the ultimate sacrifice for sins which meant there was no more need for daily animal sacrifices, and hence, no more need for a physical temple to do them.
and for the overspreading of abominations he shall make it desolate,	The Antichrist will start a world wide persecution against all who refuse to worship him.	Jesus through the Roman General Titus will desolate the Temple of Solomon
even until the consummation, and that determined shall be poured upon the desolate.	Jesus will return, fight the Antichrist and his armies, and throw them into hell.	Jesus will cause the Roman army to destroy both the Temple and Jerusalem to put an end to the Jews' Christ-less religion as punishment for Israel's rejection of their Messiah.

It's been my observation that Christians who hold the modern evangelical futurist interpretation of the 70th Week of Daniel cannot see what is happening today, I mean, right NOW, as a major attack by Satan and his forces against the world, and against God's people! And what has happened so far?

- Area wide lockdowns
- Mask mandates, people arrested in some counties for not wearing a mask though outdoors
- Quarantines / house arrest if suspected of having Covid
- Vaccine mandates for work or medical care
- Vaccine passports. My wife and I cannot eat in restaurants any longer

You can probably add more to that list. Has any of this happened before in history on a worldwide scale? And what is the reason the government is giving us? All in the name of public safety to prevent catching a virus that causes disease the vast majority of the people survive from.

In some countries, government policies are more draconian than others. Canada, Australia, and New Zealand seem to be the worst. In the USA the Republican states opted to have less strict measures, and now even some Democrat states are following suit.

Some countries are requiring proof of vaccination to even shop at the grocery store! How is that different from the Mark of the Beast of Revelation chapter 13? It's **not different!**

How many Christians today believe the Beast of Revelation Chapter 13 is already in place? I sure do. The response to the pandemic has been global government tyranny. Pastors in Canada have been arrested for holding church services during the lockdowns.

How many pastors today are standing up to government tyranny? I know only of Chuck Baldwin, John MacArthur, Artur Pawlawski and a few other pastors in Canada. How many pastors are telling their congregations to avoid the experimental Covid jabs at all costs? Only Chuck Baldwin as far as I know. Some evangelical leaders are even encouraging their flocks to get vaccinated saying that vaccines "alleviate the curse." That's blasphemy in my opinion! Only Jesus Christ can alleviate the curse! Those who know the Lord can claim His protection!

The world has started to say no to it all. The truckers convoy in Canada is outstanding in my opinion! And yet some people are calling it false or controlled opposition. Why? I think it's the same people that think it's too late to resist antichrist government tyranny at this point in time. They are expecting great tribulation based on a wrong interpretation of Matthew 24!

Matthew 24:21 For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be.

In another article, I explain in detail why [the "great tribulation" of Matthew 24](#) is *not* a future event.

## **Summary**

How a person looks at current events is dependent on how whether he or she is a Futurist or not. Most Baptists and Pentecostals are Futurists. The Presbyterians and some others continue to hold the standard Protestant interpretation of the 70th Weeks of Daniel as a past event.

As children of God by faith in Christ Jesus, we must not let the devil's people take away our God-given rights without a fight! We must stand up to tyranny. God is still on the Throne and prayer changes things! The gates of Hell shall not prevail against the Church of Jesus Christ!

## **[The Jesuit-led Vatican and the Anglo American Israeli Empire](#)**

This is a repost from

<https://sounddoctrine.org/2012/08/02/the-jesuit-led-vatican-and-the-anglo-american-israeli-empire/> and written by Mr. Chris Ardern. It's quite informative! Among other things, it exposes the source of the false doctrine of British Israelism which is the pseudoarchaeological belief that the people of the British Isles are "genetically, racially, and linguistically the direct descendants" of the Ten Lost Tribes of ancient Israel. And it ties that and other false doctrines such as futurism and dispensationalism to the Jesuits and their Counter-Reformation. It also talks about the creation of the United States of America! Please read it with an open mind and do your own research whether these things be so or not.

It's difficult to trace the movement of British-Israelism directly to the Vatican; however, some clarity can be attained by looking at the organizations involved with the movement. The Jesuit-led Vatican is the common denominator of power in Britain, Israel, and the United States. The Vatican is the head of New World Order monster and she has big plans for earthly Jerusalem. To understand how all of the intrigue has come to a head in our time, we must take a closer look at the historical record.

In order to understand that the Vatican has the upper hand on both Britain and America, we need to examine the American Revolution. The United States is Rome's satellite and has been since the end of the Revolution. The historical record shows that the Jesuits fomented the American Revolution using Freemasonry as a cover. Prior to the American Revolution, 10 out of 13 colonies had put in place strict penal measures against Roman Catholicism and Catholics. Rome couldn't stand for that so she brought about the Revolution to correct the situation. The Constitution opened the door in the United States for the flourishing of Roman Catholicism and other cults. All of this was part of the Jesuit-led continuing counter-reformation that began in the 1540's. The U.S. Constitution with its 'freedom of religion' gave us a Jesuitical/Freemasonic/universalist government that put Rome in the driver's seat of the New World Order. The New World Order was launched right here on American soil in 1776. Rome and Britain had been locked in a battle for world dominance and Rome was working desperately to get Britain back under her control since Britain broke off during the Reformation. The Spanish Armada was a failure, so Rome had to resort to covert means.

Catholic Monarch King James II during his reign in England put the forth the Jesuit constructed 'Declaration of Indulgences' (1687) in order to lift the restrictions against Catholicism in England. It was written to include tolerance for all religions, but was really a mask to give tolerance to Rome.

In 1688, English Protestants refused the Declaration and deposed Catholic King James II from the throne.

"The Liberty James wanted them to proclaim was neither more nor less than indulgence to the Jesuits and the whole Church of Rome. Men knew the hand from which it came and saw the latent intention. Under the specious plea of toleration and liberty, the object of the Declaration was to advance Popery... and give license... to the Church of Rome, and all its schemes for reconquering England." (John Charles, Ryle, Churchman, Feb. 1880)

Fast forward 100 years and the 'Declaration of Indulgences' was re-written as the 'Declaration of Independence' and solidified in the U.S. Constitution under the guise of 'freedom of religion'. The American Revolution was not about tea or taxes. It was a religious war.

With the American Revolution, Rome killed two birds with one stone. (1) Rome separated the American Colonies from Britain and delivered the colonies and all their wealth into Rome's hand. (2) As part of the continuing Jesuit-led counter-reformation, Rome created the Constitution with 'freedom of religion' built into it in order to allow Roman Catholicism to come in and swallow up biblical Christianity that had existed in the colonies.

Remember, Catholicism had been banned in 10 out of 13 colonies. The American Revolution and Constitution made legal (Catholicism) what had been made illegal (Catholicism) in England.

Tupper Saussy wrote in his book Rulers of Evil:

"Before the Constitution was ratified, American Catholics had few civil rights; after ratification, they had them all... the Constitution welcomed agents of Pontifex Maximus, the world's chief enemy of Protestantism, into the ranks of government. Of the 2,500,000 enumerated inhabitants in 1787 America, the Roman Catholic population consisted of no more than 16,000 in Maryland, 7,000 in Pennsylvania, 1,500 in New York, and 200 in Virginia. Once the Constitution was in place, a steady influx of European immigrants transformed Roman Catholicism from America's smallest to largest religious denomination. By 1850, the higher powers at Rome could view the United States as a viable tributary, if not another papal state."

The whole American Revolution was a Jesuit scam. Most people wanted to stay loyal to Britain. Freemasons inside the British Parliament pushed laws/taxes on the American colonists to get them angry and rouse them to rebellion. Freemasons on the ground in the colonies fanned the flames of revolution. Washington's Masonic Lodge at Fredricksburg, Virginia was Catholic/Jacobite infested. Jacobite Hugh Mercer came over to America from Scotland after having fought for the Catholic Jacobite cause in the Army of Bonnie Prince Charlie. Hugh Mercer joined the Masonic Lodge in Fredricksburg, Virginia and eventually became its master. Jacobite Hugh Mercer was also a close friend and adviser to George Washington. The Fredricksburg Masonic Lodge had 8 members who were generals in the American Revolution (Washington, Mercer, George Weedon, William Woodford, Fielding Lewis, Thomas Posey, Gustavus Wallace, and the Marquis de Lafayette). The Fredricksburg Masonic Lodge got

its charter from the Mother Kilwinning Lodge of Scotland in 1758.

Prior to the American Revolution, the Jesuits infiltrated Freemasonry in the mid-1700's, which had evolved from the fugitive Templars during the 14th-16th Centuries. While hiding within the order of Freemasonry, the Jesuits were also operating on the ground out in the open. The British General Haldimand wrote to his superiors in the British Government that the Jesuits were behind the American rebels. In the book Catholics and the American Revolution, Volume 3, (1906) written by Catholic Martin Ignatius Joseph Griffin, Griffin explains that during the American Revolutionary War the British General Haldimand, while he was in Quebec, wrote a letter to British Prime Minister Lord North, which told Lord North that the French Jesuits were supporting the American rebels. Griffin writes:

"The French Jesuits were upholders of the American cause. Hence the English authorities in Canada did not wish such (Jesuits) to enter the country. They desired priests from Savoy or other places. In 1783 Gen. Haldimand wrote to Lord North that he had sent two French priests back to France; that the Bishop desired recruits from the seminaries in France; that he was under Jesuit influence; that he is honorable, but that the Jesuits have sided with the rebels."

Additionally, Griffin wrote two other volumes of his book. From Catholics and the American Revolution, Volume 1, Griffin quotes British General Haldimand directly from a letter that Haldimand wrote to Lord North. In this letter, Haldimand states plainly to Lord North that the Jesuits are supporting the American rebels in the Revolutionary War. Haldimand states:

"The Jesuits are the only order of regular priests who have shown an attachment to the rebels during the course of the war."

The Jesuit Carroll family played a major role in the American Revolution. They were one of the wealthiest American families of the era. There were three Carroll sons: Daniel, John and their first cousin Charles. All of them were trained in Jesuit warfare at the Jesuit St. Omer's College in France. John Carroll became a teacher there. Daniel Carroll donated the land on which the U.S. Capitol Building sits. Property records from the 1600's reveal that this land was called 'Rome'. Charles Carroll was the War Commissioner during the American Revolution. John Carroll was a close friend of Benjamin Franklin and even lived at Franklin's home. John Carroll founded the Jesuit powerhouse Georgetown University and would become the first Catholic Bishop of the United States.

In the decades following the American Revolution, the Americans built the U.S. Capitol Building as an exact replica of St. Peter's Basilica and even put a statue of the queen of heaven/Babylon on top of it. Then they erected an obelisk facing the Capitol Building just like the one in the Vatican courtyard that faces St. Peter's Basilica. A Vatican painter, Constantino Brumidi, painted the interior of the U.S. Capitol dome with the 'Apotheosis of George Washington', which mirrors paintings of the 'Apotheosis of Ignatius Loyola' found throughout Jesuit Churches in Rome. Could it be any more obvious who founded this country?

Rome hated the Constitution and Bill of Rights, but she permitted its creation knowing that she would eventually subvert and destroy it, and it didn't take long. Its creation was only necessary to allow Romanism to flourish where Romanism had been banned. Rome was thinking long-term and her patience and diligence has paid off. As of the present day in the United States, Catholics outnumber Protestants. We have an intelligence community run by the Knights of Malta, which is subservient to the Jesuit Order. Six out of nine U.S. Supreme Court Justices are Roman Catholic. We have 28 Jesuit colleges and Universities. Please understand that this writing is not an attack on Catholics. There are many good, everyday Catholic people in this country, but we must understand that Catholicism at the highest levels is Babylonian Sun Worship. It is the headquarters for occultism the world over. All of the other cults and ancient mystery schools flow from and feed into it. Rome has either launched or absorbed them all.

During the 19th and 20th Centuries, the counter-reformation continued and the subversion of Protestantism by the Jesuits would intensify in Britain and the United States. In Britain and America, much of the subversion has its roots in the Oxford Tractarian Movement and its Jesuitical futuristic prophetic schemes. These futuristic schemes would later be attached to Zionism and its variants such as British-Israelism in order to influence the political sphere.

Froom writes of how Jesuitical futurism began to overcome Protestantism in England during the 1800's:

"Catholic Futurism, initially projected by Jesuit Ribera about 1585, began to obtain a foothold and then gain momentum among Protestants in Britain. Thus the same concept that sought to break the force of the Reformation view of the papal Antichrist, by assuming a future infidel antichrist, was again invoked to weaken the force of the great evangelical advent and prophetic awakening. Protestant expositors, some leaning toward Rome and some prompted by rationalistic concepts, joined hands in the attempt—perhaps unwittingly—to promote the Jesuit position. This, moreover, came to be tied inseparably with the Oxford Tractarian Movement of the Anglican Church, wherein ninety tracts were scattered by the hundreds of thousands to favor Rome and to disprove the Protestant concept of Antichrist" (Leroy Froom, *Prophetic Faith Of Our Fathers*, Vol. 3, 655, 656).

Jesuit Futurism would influence Irving and Darby in England, and later Scofield in America:

"Far too many evangelicals today do not realize who was behind the work of Maitland, Todd, Burgh, and the whole Oxford Tractarian Movement. The reason that futurism made its way to Irving and Darby—and latter Scofield—is because it flourished in the Anglican Church, and the reason futurism flourished in Anglicanism is for the simple reason that the Jesuits were personally behind this work...The fact of the matter is clear: The whole Oxford movement with its birth of modern day dispensational futurism was, from its inception, a movement going back to Rome." (D.S. Farris, *Futurism: The Counterfeit Prophecy*, Chp. 8)

After having been injected into the body of Christ, the concepts of Dispensational Futurism would later be leveraged to benefit political Zionism:

“the Jesuits were very successful at implementing Dispensational Futurism into the policies of Great Britain, and Britain indeed became the champion for Zionism. The Balfour Declaration was a letter dated November 2, 1917, from the British Foreign Secretary Arthur James Balfour, to Lord Rothschild (Walter Rothschild, 2nd Baron Rothschild), a leader of the British Jewish community, for transmission to the Zionist Federation, a private Zionist organization. The letter stated the position, agreed at a British Cabinet meeting on October 31, 1917, that the British government supported Zionist plans for a Jewish “national home” in Palestine, with the condition that nothing should be done which might prejudice the rights of existing communities there. The Jesuit Illuminati was very successful in conditioning (through the Jesuit Counter Reformation) Great Britain to nurture the ideology of Zionism among European Jews. The second task of the Jesuits was to create events that would trigger the relocation of the Jews to Palestine. Part two of the Jesuit Illuminati’s geopolitical strategy was to create Fascism inevitably to create the State of Israel in Palestine.” (D.S. Farris, The Two-Horned Beast: Part Two – The New World Order, Chp. 11)

The roots of British-Israelism are obscure, but it appears to be a movement created for political purposes as opposed to something that Christians genuinely (and erroneously) believed in. In the early days of the Zionist movement, there were some British politicians who embraced British-Israelism and supported relocating the racial Jews to Palestine because they thought it would fulfill ‘prophecy’ faster and hasten the second coming of Christ. Most telling is that British-Israelism arose out of British Freemasonry; therefore, we can assume British-Israelism originated with the Jesuits considering the Jesuits control Freemasonry and the country of Britain. Barry Chamish wrote in an article titled ‘British Freemasonry Covets Israel’:

“Without British Freemasonry there would be no modern state of Israel. In the 1860s, the British-Israelite movement was initiated from within Freemasonry.”

Anton Chaitkin adds:

“The British monarchy and its prime ministers and Foreign Office fabricated British Israelism in the nineteenth century, from earlier versions of the story. They claimed that Queen Victoria was descended from the Biblical King David, and was thus a descendant of the Davidic family tree that produced Jesus. They taught that the tribes of Israel wandered into northern Europe; that by this supposed genealogy, the British are the real Chosen People, and the British Empire is thus God’s empire. The modern Jews, by this British account, are not the historical Hebrews of Old Testament Israel, but rather, the British are. But, says the British Israel myth, in a leap of logic, the Jews need to be put into Palestine, to fulfill prophecy, get slaughtered in a war with the Muslims, and bring about the End Times. To provide fuel for this mythology, the royal family asked the British Grand Lodge of Freemasonry to establish the Palestine Exploration Fund.”

What Anton Chaitkin is describing in British-Israelism is just another variation of Zionism, which ends up in the same place as regular Zionism – the racial Jews relocated to Palestine. However, Chaitkin misses the fact that the Jesuits created the false futuristic prophetic schemes that support Zionism. It wasn't the British Royals who concocted the Oxford Tractarian Movement and its false future prophetic structures. Seemingly, British-Israelism is just another angle from which the Jesuits can cause people to focus on the flesh and earthly Jerusalem. The Jesuits are the great Zionists. Likely, the British Royals are working hand-in-hand with them and British-Israelism is a decoy to take our eyes off of the real plot of relocating the pope's chair to Jerusalem.

History shows that the Vatican/Jesuits brought the Nazi regime into power in order to turn Europe into a nightmare for the Jews in hopes of relocating them to Palestine. To get the Christians on board with this program of a national homeland for the Jews in Palestine, Jesuit dispensationalism was pumped into American churches through the Scofield Reference Bible, which has caused Christians to support Israel with bloodthirsty, unwavering support.

According to some researchers such as Chamish, the Vatican was given control of all the 'holy' sites in east Jerusalem when Jesuit-trained Shimon Peres had the sites handed over to Vatican control through the Oslo Accords in 1993. The Vatican is apparently closing in on Jerusalem trying to regain what she lost to the Muslims during the crusades of the Middle Ages.

The only problem is that the Muslims still control the Dome of the Rock which supposedly sits on top of the remnant of Solomon's Temple. The Vatican would like to rebuild Solomon's Temple but needs to get the Dome of the Rock out of the way. Potential solutions in eyes of Vatican:

- 1) Foment World War III between the Muslims and the "Jews" in Israel and just take the Dome of the Rock from the Muslims.
- 2) Create peace and unity between Muslims, Jews, and Christians through ecumenism and just unite everybody on common religious ground, thus avoiding war, and make Jerusalem an international city.

Most likely, the idea that British Royals are going to make New Jerusalem in Britain or in the Middle East is just a Jesuit diversion. The British Royals aren't pulling the strings of everything – the Jesuits and Rome are hiding behind them. The British government, like the U.S. government, is also infested with Freemasonry and the Knights of Malta among many other occult orders that feed into the Vatican. The real endgame is putting the pope's chair in Jerusalem. After all, he is the 'vicar' of Christ and 'God' on earth, according to the papacy.

1.2 Billion "Christians" already bow down to him. The British Royals certainly don't have that kind of devotion from the world's people. The dumbed-down Protestants will support the pope in the name of unity if the right political conditions can be fabricated. Many Protestants already welcome the pope with open arms. The whole world is probably going to end up bowing down to him if and when he moves into Jerusalem, but God's remnant

will not. We've got our eyes on Jerusalem above. Praise God.

## [Dr. Robert Malone Talks about Information Warfare Against Truth Tellers](#)

Robert Wallace Malone is an American virologist and immunologist. He is the inventor of mRNA technology. During the COVID-19 pandemic, Malone has shown COVID-19 vaccines to be ineffective and dangerous.

This is a talk by Dr. Malone transcribed by me from a YouTube video below the text. It will probably get zapped from YouTube sooner or later, but this text will remain.

It's been a series of epiphanies that have made me realize that there's no upside to just being circumspect and trying to be a nice guy in this environment. This is full-on media warfare, information warfare, political warfare, 21st century, like we've never seen before, and coordinated globally.

The other thing for me has been the personal journey of coming to terms with what the World Economic Forum really represents. And I really resisted that people initially, were coming to me talking about the Great Reset, and I was like, "Ah, this crazy talk." But then it's all documented! And then you see it being deployed. Here it is. They're proud of it. They don't hide it. This is the vision. It is a full on globalist totalitarian vision, with the money in control.

And I did a lot of political science when I was an undergraduate in the early 80s. And I had read things like books about transnationalism and the New World Order. I've found that fascinating, but confused, how could this possibly happen? And now to see it playing out in real-time, and in a way in which national sovereignty governments are increasingly irrelevant. You know, that's the thing that folks got to wake up about.

This is not about the vaccine. The vaccine is a symptom. That's a really hopeful message going into the new year, is that there's a growing cohort of people that are increasingly aware of how thoroughly we've been manipulated.

I thought I was red-pilled. You know, I've been on the inside for so long and seen Tony Fauci's machinations for so long. That's my origin story, was the initial AIDS crisis starting in 83. When I was at Davis (a university in Davis California). So I saw the hardball politics. It's not that I haven't been aware of that. But I had not been aware before of the information control that is globally coordinated. I mean the [Trusted News Initiative](#) is profound. What that means that has become the Ministry of Truth (Reference to George Orwell's classic novel (Nineteen Eighty-Four)). And what Twitter's doing right now, that I think, with [Alex Berenson's bold and brave lawsuit](#), taking on Twitter, and then I've had a bunch of lawyers come to me because of getting de-platformed or canceled I think is really the right term.

Certainly, people can't deny it anymore. There's so much evidence. And the CNN ratings keep slipping, yay! Maybe we're gonna see some change in 2022. There is a kind of a growing movement and awareness that part of the problem here is the structure of how we have been building our organizations in doing business in a deep, profound way. And just dissatisfaction with what one sees at the World Health Organization and the CDC, and the whole HHS structure in the United States where you have carefully controlled information, only one leader is allowed to speak, only one leader is allowed to represent the position, I think that is gonna turn out to be one of the changes here is a growing awareness that that model is dysfunctional, broken, and it needs to be fixed.

For me, it has been an awakening journey, there's no question. I didn't seek this and never expected it. I find myself at the center of this storm of the resistance. That's what it is really. And I'm still amazed. But it has profoundly changed my view of the information that we receive.

You talk about me becoming more outspoken. I've seen that with my peers too. So for instance, (Dr.) Peter McCullough, he's kind of chilled out a little bit. But when you're attacked all the time. And you have all of this weaponized information against you and no respect... I mean, I'm Mr. Malone, you know, who claims to have invented... I mean, all this language, classic yellow journalism language to have it all deployed against me in absolutely no respect for what I actually did. They never cite all the patents. I mean, they just gloss over all that.

This is asymmetric warfare. We're basically in a guerrilla warfare situation and we got to play it smart. Because what I'm seeing is the other side is generally not very smart. They have a big hammer. They've got all kinds of resources, but they don't seem to be very bright.

I don't know what's going to happen in 2022. But there are some encouraging signs. You know, I try really hard to look for the silver lining and things and if this whole trauma that we've been through nationally and globally, leads to an awareness of how interconnected we are, and the need for healing and the need for community and the importance of integrity, and the

importance of human dignity. That's kind of the perhaps naive pollyannish hopeful position in response to the Great Reset, is people use the term the Great Awakening.

## [“Medical Experts Are Being Systematically Silenced” – Dr. Robert Malone](#)

What we're experiencing is a coordinated media warfare, the level of which we have never seen before. And I in my peers have never seen this level of coordinated propaganda.

---

## [“Our government is out of control.” – Dr. Robert Malone](#)

Dr. Robert Malone, co-inventor of the mRNA technology explains how ten's of thousands of physicians & scientists are being canceled simply for questioning the official Covid-19 narrative. The text of the video is below in case YouTube removes the video.

Our government is out of control. And they are lawless. They completely disregard bioethics. They completely disregard the federal common rule. They have broken all the rules that I know of, that I've been trained on for years and years and years. These mandates are explicitly inconsistent with the Nuremberg Code. They're explicitly inconsistent with [the Belmont Report](#). They are flat-out illegal and they don't care. When you see this kind of decoupling of public policy from logic, then it causes thinking people to say "what the hell's going on here?" And then we go down the rabbit hole is that this? that? or the other thing?

One of the things in that spectrum of what's going on is that the emergency use authorizations are predicated on policy determinations that we're in a state of emergency. Those are now two years old. They're expiring. I'm not saying this is what's going on in their head. But there is another perverse incentive here to amplify the fear porn. And to amplify, if you buy into the hypothesis, that for some reason, there are incentives for the government to maintain the state of emergency, that is one explanation, given that those declarations are expiring, and will have to be re-implemented. Because if they're not, then all of this emergency use authorization vanishes like dust.

It's hard for me to reconcile the behavior of the government and its public health decisions with the data. Is it incompetence? Or is there some ulterior political motive? Or are they just dumb, stupid?

We're in an environment in which truth and consequences are fungible. This is modern media management and warfare. The truth is what those that are managing the trusted news initiative, say it is. In my case, I'm the president of the International Alliance of physicians and scientists. We're over 16,000 people from all over the world, physicians, and scientists. And you can find our website at [globalCOVIDsummit.org](http://globalCOVIDsummit.org). We are gobsmacked about what's going on. And we are shut down, censored, demeaned – fill in the blank – all over the world. And they're taking our licenses because we are speaking about these matters.

And you can label me however you want to label me. I don't care. I've done what I've done in my career. I'm at a stage at 62 years old. I've got a farm. It's almost paid off. I raise horses. I love my wife. You know, I've been married a long time. My kids are both married. I got grandkids, man. Oh, I don't need this. There's this claim. I'm doing all this because I seek attention. Trust me. This is not a fun thing to be doing at this stage.

Physicians at [FLCCC](#) (Front Line COVID-19 Critical Care Alliance) in senior positions, Peter McCullough, people at the culmination of exceptional careers, Paul Merrick, an exceptional physician by any standards, run out of his hospital, demeaned, destroyed, actively attacked, trying to take his license. People are losing faith in the whole system. They're losing faith in the scientific enterprise. They're losing faith in our government.

I like to say when I give rallies, do you remember back a couple of years ago, when you felt sorry for the people in the People's Republic of China because their internet was filtered? They weren't allowed free speech. Their government told him what to do and think. Now, here we are.

And the next thing that we all feel sorry about is the social credit system.  
Wake up, folks.

## The Global Elite Using Mass Formation Psychosis to Mislead the Public About Covid-19 and Vaccinations

This is an excerpt of Joe Rogan interviewing Dr. Robert Malone, an American virologist and immunologist. He is the inventor of mRNA technology used in Pfizer and Moderna vaccines. He has since taken a stance that the vaccines will actually make COVID-19 infections worse and is warning people against them! Expect to find a lot of negative stuff about this man if you search for him on Google. The main tool the enemy uses to discredit the message is to discredit the messenger.

In this talk, Dr. Malone identifies a tool used by governments throughout history called Mass Formation Psychosis. Hitler used it to vilify the Jews for Germany's problems. Lenin and Stalin used it to murder Christians and everyone who opposed them in their regimes. Mao used it during the Cultural Revolution to stir up university students to work for him and purge out anyone who opposed the revolution. Is the world in the midst of mass formation psychosis right now over how to treat a disease that the vast majority of the people who get it survive from? My wife Tess got Covid while she was in the Philippines and got well. She now has natural immunity far better than any vaccine can give her!

**Dr. Robert Malone:** How does this happen? How do we have this emergent phenomenon? The "how question," right? And you know, behind the "how question" is the "why question" the how question of a third of the population basically being hypnotized and totally wrapped up in whatever Tony Fauci and the mainstream media feeds them, whatever CNN tells them is true.

Let me illustrate that. The other day, I was looking through New York Times' recent articles about Omicron and pediatrics in preparation for this and for making some slideshows. And I saw this headline in the New York Times. The

text and the title was "How You Should Think About Children and Omicron." He was blatantly saying "this is how you should think. We're going to tell you how to think." okay, people kind of got to get that in their head. That's the world we're in right now. Now, what [Mattias Desmet has shared with us](#), brilliant insight, is another one of those, "Aha, now that part makes sense." Which is that this comes from basically European intellectual inquiry into what the heck happened **in Germany, in the 20s, and 30s, you know, very intelligent, highly educated population, and they went barking mad.** And how did that happen? **The answer is mass formation psychosis**, when you have a society that has become decoupled from each other, and has free floating anxiety, and a sense that things don't make sense. We can't understand it. And then their attention gets focused by a leader or series of events, on one small point, just like hypnosis, **they literally become hypnotized and can be lead anywhere.** And one of the aspects of that phenomena is the people that they identify as their leaders, the ones typically that come in and say, "You have this pain, and I can solve it for you, I and I alone can fix this problem for you." Then they will follow that person through him. It doesn't matter whether they lie to him, or whatever, the data are irrelevant. And furthermore, anybody who questions that narrative is to be immediately attacked, they are the other. This is central to mass formation psychosis. And this is what has happened. We have all those conditions.

If you remember back before 2019, everybody was complaining, the world doesn't make sense, blah, blah, blah. And we're all isolated from each other. We're all on our little tools. We're not connected socially anymore, except through social media. And then this thing happened and everybody focused on it. That is how mass formation psychosis happens. And that is what's happened here.

Now there are ways to get out of it. Mattias' recommendation is you got to get people to realize that what **we've got is a situation of global totalitarianism.** In his experience in Europe, making people realize is a bigger threat than the virus can cause a separation psychologically, in this fusion, this hypnosis that is happened. The problem is, then you're just substituting a bigger boogeyman for the current one. And somebody else can come in and manipulate that the real problem, and it gets back to your core point. We're sick as a society, and we have to heal ourselves. And one of the things we have to do is come together, we have to recreate our social bonds. We have to buy into integrity, the importance of human dignity, and the importance of community. That's how we get out of this. And I think that this insight of Mattias Desmet, is really central to kind of making sense of all of this crazy.

We got a world in which the press is incentivized to push a storyline because they're all controlled by the same large funds that Pfizer is, and so as tech. I don't know how we're gonna get out of it. But it's got to start with us. All of us finding common ground.

# Discussion with a Lady Seeking Answers

## Why Flat Earth Memes are Pseudoscience

The image above is a flat earth meme to give a false impression that a spinning earth should throw off water into space just like a spinning wet tennis ball. It's discussed in this article.

I don't take much time talking to people who are convinced the Earth is flat and who are trying to convince me of their pseudoscience. I really thought the lady in this conversation was sincere, but in the end, she rejected my arguments. Who's right? You be the judge.

The lady's comments are indented and in *italics*.

*So my question about the globe is, how do you explain areas that should be "hidden behind the curve" when you can plainly see farther than that with the naked eye? And how does air pressure work, assuming you reject the dome firmament. I'm genuinely still trying to figure out what I actually believe about all this.*

It seems to me that you are repeating what you heard on Flat Earth videos. The fact is that you cannot see beyond the curvature of the earth. I am from Chicago and I cannot see the eastern shore of lake Michigan because of the curvature of the Earth unless I view it from an airplane. And just the fact that the higher you go in an airplane, the further away the horizon is, is evidence of a spherical Earth. From the air, I could see both the East and West shore of Lake Michigan when I flew over it.

There is no dome. Air pressure works because of the weight of the air due to gravity. We think of air as being very light but if you consider 20-30 miles of air over us all those molecules of air are going to be compressed near the Earth because of the weight of the miles and miles of molecules. That's how air pressure works. And the thing is this is not rocket science but simple science that people should be able to understand in high school. One Flat

Earth video said the reason for gravity is because of air pressure. And a simple experiment proves that to be absolutely false. I saw a video of a room with all the air pumped out of it and a heavy metal weight was dropped from a height the exact same time a feather was dropped. And gravity pulled the heavy metal weight and the feather down and they both hit the ground at precisely the same time! You see Flat Earthers also deny the force of gravity. And yet they dare not violate the principle of gravity by walking off the roof of a 20 store building.

Flat Earth videos are very deceptive. Unless you really understand true science, you will take statements as fact that are totally untrue. Like one man who said with binoculars you can see things what the curvature of the earth is supposed to be hiding. That's totally false!

# specious

## adjective

spe·cious | \ 'spē-shəs \

## Definition

**1** : having a false look of truth or genuineness : SOPHISTIC

*// specious reasoning*

**2** : having deceptive attraction or allure

Merriam-Webster's definition of the word specious

Flat Earth videos are full of specious reasoning.

(She sent me this meme of a wet and spinning tennis ball.)

Of course, if you spin a wet tennis ball at 50 revolutions per second, water will fly off it, but not if it rotates only one revolution over a 24 hour period. (And gravity is not even a factor in this case!)

*The average speed of the earth spinning is supposedly 1500km/hour so it's not too far off to spin a tennis ball quickly. A condescending attitude doesn't help your case.*

Do you really think I am trying to be condescending? 1500km/hour at the equator means the earth is revolving only once every 24 hours. I would not consider that to be a spinning earth. Do you? You couldn't even turn a tennis ball that slow! It would drive me crazy if I tried because it would take 24 hours. To say the Earth is spinning is not only misleading, it is false in my understanding of the definition of the word spin. Spinning Earth is mind manipulation in my opinion. I am just trying to say the facts. I don't want to talk down to people. I love people. It breaks my heart to hear sincere Christians call Flat Earth the truth. I consider Flat Earth to be promoted by government-funded agents seeking to marginalize Christians. And sad to say they have done a good job because millions of Bible believers are deceived. No famous and respected man of God I know of teaches Flat Earth.

Please know that I am continuing this conversation with you because I thought you are sincere in wanting me to help you understand that arguments for Flat Earth are based on false assumptions and pseudoscience. If I thought otherwise I would end the conversation. It would only be a waste of both of our time if you are not really interested in understanding what I have to say.

*If gravity pulls things to the ground then how does a cloud made up of water droplets stay afloat? Gravity is still a theory, as is much of what we call modern science. I do lean towards electromagnetism being the force over gravity as it can already be observed in animals such as the gecko with its toes. And it's my opinion that much of science is made up, evolution. So if they lie about one thing, why are they telling the truth about other things? Satan is the father of lies and the prince of this world.*

Modern science has given us the technology and tools to communicate with each other on this platform, and now for a relatively low cost, the price of our monthly WiFi and/or phone bill. I find it highly ironic and even hypocritical that Flat Earthers mock modern science and yet use technology that science has provided to spread their Flat Earth pseudoscience! I'm not speaking about you but about Flat Earthers in general. I think you are repeating what you heard about clouds from a Flat Earth YouTube.

Clouds generally form, survive and grow in air that is moving upward. Rising air expands as the pressure on it decreases, and that expansion into thinner, high-altitude air causes cooling. That's why they stay up in the air. But they don't stay up forever and eventually fall down as rain due to gravity.

Yes, gravity is a theory, and the reason why Flat Earthers need to debunk the established theory of gravity with their own theories is because if the established theory of gravity is true, a Flat Earth cannot be possible. One of the theories of gravity on I heard from a Flat Earther is the earth is constantly being accelerated upward by a force. And yet other Flat Earthers say the Earth is motionless! So you see, Flat Earth doctrine is not consistent throughout the Flat Earth community.

Again I repeat, I am only taking time to share this with you because you told me you are sincerely seeking answers. If I thought you were convinced about Flat Earth, nothing I would say would change your mind, and I would be wasting my time.

Of course, there is pseudoscience in the academic world as well. As you clearly brought out, evolution is one of them. But the first real scientists such as Isaac Newton were men of God who believed in God Who designed the universe according to principles and laws, and they sought to discover those laws. That's what real science is about. It's the pursuit of knowledge. And the best scientists are those who hold the Genesis account of creation to be fact and especially those who believe in our Lord Jesus Christ.

*Do you believe the moon reflects the light of the sun?*

Yes, absolutely, I believe that. The moon doesn't generate its own light. It refracts the light of the Sun.

*So how is it that when the sun and moon are both in direct line of each other in the sky it's not full? Today at 3 pm I could see both the moon and sun. The moon was only 1/2.*

Phases of the moon are caused by the alignment of the earth, the moon, and

the sun. Like the earth, 1/2 of the moon's surface is always exposed to direct sunlight. However, depending on the moon's orientation with the earth during its 28 day orbit of the planet, a person on the surface of the earth will only be able to see a fraction of that exposed area, and the rest of the moon will appear to be dark or in shadow.

*That's what they say. But when they are literally both in the sky there is nothing between them at all to cast a shadow.*

But we see the shadow because of the moon's position in relation to the earth. It's all about the position or alignment of the sun, the Moon and the Earth. When the Earth's shadow from the Sun covers the moon that's when we have a lunar eclipse. When the shadow moves away the moon is full again. I think what I shared above about the alignment of the moon the Sun and the Earth is pretty clear. The moon like the Earth is always one half illuminated by the Sun but we only see part of that illumination at times because of our alignment with the Moon because the Moon orbits the earth. And the reason Flat Earthers want to debunk that is because it proves the existence of gravity.

This explains why we see the phases of the Moon. The image is not in scale of course. I think it is very clear and reasonable but of course, the Flat Earth people will reject it because they reject a spherical Earth and they reject the conventional theory of gravity.

One of my friends told me that in order to be convinced that the Earth is flat I have to watch at least 30 Flat Earth YouTubes. I told him, "no thank you I don't care to become brainwashed with false information." Some Flat Earthers told me they wavered back and forth at first but eventually entered the Flat Earth camp after seeing so many flat Earth videos. I think they are dangerous because they are so deceptive.

*You keep saying your explanations are so simple, but you can't see that it's IMPOSSIBLE for something to cast a shadow if it is not between the light source and the object it is casting the shadow on... that's simple science. If the sun and moon are in a direct line in the sky, the Earth is not between them at all. I think I'm done with our conversation. I was looking for solid arguments and I'm not finding them. Thanks for your time.*

Desklamp experiment showing how the phases of the moon work.

A simple experiment with my desk lamp and a model of the Earth shows the error of your reasoning. In this case, the model earth in the photo represents the Moon, the desk lamp represents the Sun, and I am standing figuratively on the earth taking the photo. From my position, though I can see the sun and the model simultaneously, part of the model is not illuminated by the light bulb. For you to say that is "impossible" tells me you are parroting the falsehoods of the Flat Earthers from a YouTube you watched.

I thought that you were sitting at the fence about Flat Earth but now I see you have gone to the other side. As I said, Flat Earth videos are deceptive and the reasoning on them is specious. The bottom line for me is exactly one half of the Earth is illuminated by the Sun at all times while the other half of the earth is in darkness. This is impossible if the Earth is flat. A

simple experiment with a light bulb in a dark room next to a wall or near the floor proves that.

Flat-Earthers show us images of a **lamp illuminating a dark wall** to demonstrate —incorrectly— how night happens on a flat Earth.

❶ Areas farther from the lamp get less light, but still receive light nonetheless ❷ they look dark because cameras cannot deal with extremely bright & dim things simultaneously ❸ the lamp is visible from any points on the wall ❹ at no point on the wall the lamp appears obscured by the wall. — Despite of their claims, this only demonstrates that **flat Earth cannot explain how night occurs.**

**The Flat Earth Movement is a Religious Cult!**

I received the following comments from a new friend, Brother Nick.

Am I standing against the 'Flat-Earth' Religion? – **YES** – Because the '**Flat-Earth' Religious movement** is posing as a Christian Doctrine – which it IS NOT – AND there are a few followers of the 'Flat-Earth' Religion of Jeranism who say that **belief in the 'Flat-Earth' is AN ESSENTIAL DOCTRINE FOR SALVATION** !

– AND – It is my personal experience that those who do strongly believe in the 'Flat-Earth' Religion are very dedicated to following "**ANOTHER JESUS**" – and "**ANOTHER SPIRIT**" – and "**ANOTHER GOSPEL**"

– Just as the most Religious followers of Roman Catholicism – and Mormonism – and Mohammedanism believe and follow "**ANOTHER JESUS**" – and "**ANOTHER SPIRIT**" – and "**ANOTHER GOSPEL**"– which are Very Strongly Condemned in 2 Corinthians 11:3-4 & Galatians 1:6-9 [AV]

AND – It is also my personal experience that there are very few 'Christian' Ministries or individuals that are standing against the '**Flat-Earth' Religions Doctrines \ Beliefs \ Philosophies \ Agenda**

– (1) Because their belief and understanding of what 'Biblical CHRISTianity' truly is – it is practically non-existent

– (2) They are unwilling to be called names and branded as lost hereticks by the 'Flat-Earth' believers who have been thoroughly deceived by Satan – and his age olde very successful LIE:

**"Yea, hath God said, . . . . ."**

See one of the Primary 'Flat-Earth' websites – **The Flat Earth Guide**

@ <http://www.theflatearthguide.com/>

It is also my Biblical understanding that "the only wise God" is causing a "lying spirit" ((1 Kings 22:19-23 & 2 Chronicles 18:18-22 ~ AV)) to come yet again

– SO that "the wheat" will be separated from "the chaff" ((Matthew 3:12 & Luke 3:17 ~ AV))

– So the Biblical Prophecy of Luke 21:34-36 [AV] has become very important to me:

"And take heed to yourselves,  
lest at any time your hearts be overcharged with surfeiting,  
AND drunkenness,  
AND cares of this life,  
AND so that day come upon you unawares.

For as a snare shall it come on all them that dwell on the face of the whole earth.

–  
**Watch ye therefore,**  
**AND PRAY ALWAYS,**  
that ye may be **ACCOUNTED WORTHY** to escape all these things that shall come to pass,

**AND to stand before the Son of man."**

IF you are interested in seeing the 'Comments' of some of the 'Flat-Earth' believers – the most anti-biblical and dogmatic are by 'AussieDisciple' – and some of my responses

– go to the FIRST of the current 'series' of messages by Pastor Charles Lawson from Knoxville, TN

– **Noah's Flood #1: Obliquity of the Ecliptic** – Sunday School on Nov 19, 2017 @ <https://www.youtube.com/watch?v=gm6WES75Kyk&t=2236s>

How very-very thankful I am unto **"the Lord God Almighty"** for "the certainty of the words of truth" written in the Biblical Promises of Isaiah 26:3-4 [AV] :

**"Thou wilt keep him in perfect peace, whose mind is stayed on thee: because he trusteth in thee.**

**Trust ye in the LORD for ever:**

**for in the LORD JEHOVAH is everlasting strength:"**

~ AND in Nahum 1:7 [AV] :

**"The LORD is good,  
a strong hold in the day of trouble;  
and he knoweth them that trust in him."**

~ AND my PRAYER is always that which is written in Psalm 115:1 [AV] :

**"Not unto us, O LORD, not unto us,  
but unto thy name give glory,  
for thy mercy,  
and for thy truth's sake."**

## **How Many Times Does the Bible Tell Us Not to Fear?**

A common saying among Christians today is, "'Fear not' is in the Bible 365 times." I saw this on a Facebook post and was surprised at how many Christians agreed with the statement. The Bible does tell us not to fear, but not 365 times. Let's see how many times I can come up with.

Doing a search for "fear not" in my King James Pure Bible software, I came up

with 63 occurrences, but two of those occurrences are not telling us not to fear.

Psalms 55:19 God shall hear, and afflict them, even he that abideth of old. Selah. Because they have no changes, therefore they **fear not** God.

1 Peter 2:18 Servants, be subject to your masters with all fear; not only to the good and gentle, but also to the froward.

I also removed Judges 4:18 because Jael is telling Sisera not to fear so she can catch him off guard and kill him!

Judges 4:18 And Jael went out to meet Sisera, and said unto him, Turn in, my lord, turn in to me; **fear not**. And when he had turned in unto her into the tent, she covered him with a mantle.

And I removed from the list 2 Samuel 13:28 because evil Absalom is telling his servants not to fear to kill his brother Ammon!

2 Samuel 13:28 Now Absalom had commanded his servants, saying, Mark ye now when Amnon's heart is merry with wine, and when I say unto you, Smite Amnon; then kill him, **fear not**: have not I commanded you? be courageous, and be valiant.

And 2 Kings 17:34 was removed because it's talking about people who do not fear the Lord.

2 Kings 17:34 Unto this day they do after the former manners: they **fear not** the LORD, neither do they after their statutes, or after their ordinances, or after the law and commandment which the LORD commanded the children of Jacob, whom he named Israel;

Psalms 64:4 was removed because it's talking about evil doers who don't fear to do evil.

Psalms 64:4 That they may shoot in secret at the perfect: suddenly do they shoot at him, and **fear not**.

All the other verses are either the Lord telling us not to fear, or the Lord's servants telling their people not to fear.

## Verses that encourage us or others to “fear not.”

1. Genesis 15:1 After these things the word of the LORD came unto Abram in a vision, saying, **fear not**, Abram: I am thy shield, and thy exceeding great reward.
2. Genesis 21:17 And God heard the voice of the lad; and the angel of God called to Hagar out of heaven, and said unto her, What aileth thee, Hagar? **fear not**; for God hath heard the voice of the lad where he is.
3. Genesis 26:24 And the LORD appeared unto him the same night, and said, I am the God of Abraham thy father: **fear not**, for I am with thee, and will bless thee, and multiply thy seed for my servant Abraham's sake.
4. Genesis 35:17 And it came to pass, when she was in hard labour, that the midwife said unto her, **fear not**; thou shalt have this son also.

## [Dr. David Martin | Exposing the Coup D’Etat & the Plot to Steal America – In Text Format](#)

This text was transcribed from a video I found on Rumble. If you want to listen to the video first, just scroll down to the bottom of this article. If you find any errors or typos in my transcription, please tell me so in the comments section below and I’ll fix it.

Speaker: Ladies and gentlemen, please stand on your feet and greet Dr. David Martin. (Applause)

David Martin: Thank you very much. Mikki (Willis), you would you stand up,

please? Many of you know me because of the work and the brilliance of this man and his team. And well, that's interesting. What you don't know, is the speech that I'm about to give is because this man is not just behind the camera. He's actually a brother. And what he did to me a few months ago was he called me and he said, "You know what?" He goes, "You presented all the facts. You've been out there in front of this thing before it was a thing." And he goes, "But there's something missing. And there's something that's missing is your humanity. What happens when I sit close to you is one thing. And what happens when you're on a stage or on a camera in an interview is a different thing." And he goes, "You need to bring the man into this presentation." So the presentation that you're hearing today is because I have a brother who holds me accountable. Mikki, Thank you. (Applause)

**COVID-19 and SARS C0v2 was a coup d'etat.** And let me be precise about what I mean by that. Sedition in the United States is actually defined very simply, by when any act is done by a conspiring party or group of parties, that its intent is to disrupt or interrupt or overtake the government of a state or a country. And under 18 US Code, the act of sedition was in fact, a coup d'etat to ensure that there would not be a democracy in 2018. Okay, and I'm going to present across the next few minutes the evidence of that. And I'm going to end my presentation with a challenge to you. Because during my presentation, the 30 minutes that I have, is going to cost two children their life because of the inaction of every attorney general in America, because of the inaction of every US attorney, and because of the inaction of every governor in this country. But my grandfather said, Never attribute to malevolence what is ignorance. So in the next 30 minutes, I'm giving every elected official the opportunity to do the right thing. And after 30 minutes, I'm not going to give them that opportunity again. (Applause) So you got Mr. Nice Guy for 30 minutes.

Next. Now, most of you don't know the details of all of the elements. And the good news is I'm going to flip through these slides very quickly because the end of the story is the important part of the story. But for those of you who don't know, COVID is a direct result of HIV Inc. HIV Inc. was founded in 1984. Anthony Fauci was the chief architect of HIV Inc. And his goal was to use sexuality, and specifically homosexuality, as a way to indoctrinate humanity into the acceptance of a universal vaccine mandate. Now, interestingly enough, most of us didn't take the bait. And the reason we didn't is because we didn't live the lifestyles that were associated with HIV in 1984. But cunningly, by 1986, Anthony Fauci and his team at NIAID (National Institute of Allergy and Infectious Diseases) and his minions at the CDC had convinced each and every one of us that maybe we've been in a car accident, maybe we would get a transfusion, and maybe we would get AIDS, which was the justification for a universal HIV vaccine in 1984. It's gonna get nasty because I'm going to show you some real images from 1984 just to let you see that what I'm saying is not my imagination.

But in 1984, something happened. People realized that to accept a universal vaccine, we needed to create a liability shield for the manufacturers of those vaccines. And from 1984 to 1986. We actually built **the first-ever product immunity in the United States, which allowed manufacturers to kill**

**people with intent.** And you heard what I just said, kill people with intent. Anthony Fauci was quoted himself as saying that the ultimate killer of pharmaceutical interventions with vaccines was the smallpox vaccine, which killed one in every 100,000 and injured or maimed one in every 10,000. Did you hear what I just said? Killed one in 100,000, maimed one in 10,000. And that was something that he thought he could turn into a universal vaccine for HIV in 1986. I don't know what an acceptable death rate is for you people. But an acceptable death rate for any product, anywhere in the history of humanity in my definition, is zero! (Applause)

But then, a little dirty secret came along. Somebody at the NIH (National Institutes of Health) said, "Hey, Tony, Cool your jets baby. We have this drug called AZT. And we don't want a vaccine too quickly. We want to kill people with AIDS with AZT. So let's run the clock on it in the state of North Carolina...". By the way, if you're from North Carolina, or you've done anything in North Carolina, you got tar on your heels and blood on your hands. Because the state of North Carolina since 1986 has been brought to you by HIV Inc.

That's a bummer. I think I just lost the elected officials in North Carolina. Shoot. I couldn't even make it through a presentation.

UNC-Chapel Hill began the weaponization of Coronavirus in 1986. But by 1996 Anthony Fauci had a little plan. Coronavirus, as a model, has a very interesting set of attractive attributes, which include this very interesting thing called a spike protein and a couple of other binding sites where the virus allegedly binds to the outside of the cell. And it turns out that Ralph Baric (a professor) at the University of North Carolina Chapel Hill, was the very first person to figure out how to take a pathogen, which used to be an infection of the gut, gastroenteritis. For over 30 years Coronavirus was gastroenteritis. But Ralph Baric figured out how to weaponize it and not

weaponize the virus, weaponize the spike protein. And he was the one that figured out how to make **a thing that used to hit your gut, hit your heart**. That was gain of function ladies and gentlemen, the thing that we never did, allegedly. He did it! And in 1996, he received a grant and then a series of grants in 1999, by Anthony Fauci to actually weaponize the Coronavirus spike protein so it could be used as a vaccine vector with the idea that it would be the next HIV vaccine.

That's when I started watching this. I've been a locust-eating prophet in the wilderness. (Laughter) Because my first briefing on this was in 1999. My first intelligence briefing on this was in 2003, in a published document that I have sitting on my desk to remind me that sometimes being right isn't as good as being effective. Turns out I was right in 2003. And unfortunately, I wasn't effective.

But Fauci ran into another problem. And in 1999 to 2002, and patented by the University of North Carolina Chapel Hill, and conveniently in the fall of 2018, do you all remember the big Coronavirus outbreak of 2018? No, that's because there wasn't one. But in an unprecedented move, the University of North Carolina Chapel Hill was forced to sign their SARS vaccine patent from UNC-Chapel Hill back to NIH. By the way that hasn't been done. But they did it in the fall of 2018. Does it feel like they were preparing for something?

Next slide. Do not read this slide. Because I used to hate professors who put reading charts and eye exams on slides. Don't read it with any luck, Clay Clark can figure out how to make all of this presentation available to you. And I hope he does because that's what it's for. But in 1984, we created the vaccine nightmare, and **we let Anthony Fauci have \$191 billion**. And you heard the number, right, *billion*. We've been told about \$3.7 million going to China, and we're supposed to be upset about that. How about \$191 billion of your taxpayer money that has gone to weaponize nature against humans? 191 billion, and let's do the little walk-through, shall we? 1984 we invent the **vaccines for HIV, which led to death and permanent disability to over 50% of the participants**. But that was okay because they were gay. That was okay. It gets worse. Okay. 2001 you remember the anthrax scare the domestic terrorism scare? Did anybody know that the US military in the spring of 2001 ordered 300 million doses of Ciprofloxacin? 300 million doses. Now we have a pretty compelling army in this country. But with all due respect, 300 million sounds like every citizen in America, it doesn't sound like every member of the US military. And how is it that at least five months before anthrax was released, we ordered 300 million doses of the treatment called Ciprofloxacin? And from – oh that's right – a German company called Bear.

That's by the way when I started busting these stories because it turns out that this wasn't the only pathogen that was being developed by the Department of Defense. And it was interesting because in the early 2000s, I started seeing Coronavirus show up in a bunch of DARPA contracts and a bunch of DOD contracts and I'm sitting there going, why would we be doing that? Why would we be taking a thing which was for dogs and porcine – that's pigs by the way, that's a scientific term for pigs. Think bacon and you got it. Pigs and various other vertebrates? Why would we suddenly be trying to weaponize that and make it hit human lung epithelial cells and human cardiac cells? Why

would we be doing that? And why would the Defense Department be doing that? Is that where you expect to go to kind of get your kind of basic treatment programs? NO!! And you don't go there? Because it sounds like a weapon system if it's being funded by billions of dollars of Defense Department black contracts, doesn't it? Or is that Dave the conspiracy theorist?

Well, let's jump into my favorite 2016 protocol, the [AMP \(Antibody Mediated Prevention\) protocol](#). The AMP protocol has a line that I absolutely love. This was when we decided to let the University of North Carolina Chapel Hill develop the HIV vaccine. And it turns out that read what they said about this protocol, it will take place in sites, 24 sites in Brazil, Peru, and the United States and will enroll 2700 men and transgender people who have sex with men. What?! That's by the way straight out of the protocol.

If you don't believe what I say about the fact that Fauci has no concern for human life, but is more than happy to kill people who most people think shouldn't live anyhow, guess what happens? We start introducing the camel's nose under the tent and we start saying it's okay to kill people in the advancement of science. Now listen, people listen carefully. I am not advocating for any lifestyle. But what I am saying is that when you've decided that you're playing God and that there is a person by any designation, that doesn't deserve to live, you left humanity! (Applause) Period! If any of you see my wife, you know, I'm very heterosexual and very happy. (Laughter) But that doesn't justify making a determination that somebody who doesn't share my values is worth killing in the name of HIV Inc. (Applause) Let's be clear on that. And then 2016 2019. And by the way, look at 2019, the hepatitis C vaccine, which guess what has to do with yet another sexual context story that they tried to turn into, they were killing people that are promiscuous, and usually gay and promiscuous, so we don't care about that. I'd love for some of the bleeding hearts left to actually realize that they're the ones celebrating the execution of the people who they allegedly represent. I think that would be a very interesting proposition. Because maybe somewhere along the line, we should actually go back to 1984. And look at the ghost of Anthony Fauci in this slide, by the way, if you see this slide that's on the screen, what you'll see is 1984 Anthony Fauci, no kidding. That's what he looked like in 1984. He still looked like that center from the high school basketball team.

What?! I'm going to tell you if I had to bet on a basketball team, and I knew that Anthony Fauci was the captain of that team in high school, I bet against him. And guess what, I'd bet against him now, too, because the dirty little secret is he actually made the statement, "it is quite possible. In fact, it's invariable that we will develop a vaccine for AIDS." Now, you know, sometimes there are things called Freudian slips, people say things and they didn't mean to say it. So I want to give him credit. He probably misspoke. He probably meant to say it's inevitable that we'll do it. But he didn't say that. He said, it's *invariable* that we do it. And it turns out that if you look at the definition of the word invariable, you know what it means? "I'm never going to stop doing a thing". Ah oh! You think we're talking about a COVID vaccine right now. No. We're still talking about Anthony Fauci's fantasy of an AIDS vaccine. Don't make a mistake by being fooled.

Next slide. Here's the problem. 1984. He had an epic fail. He tried to make an AIDS vaccine, it didn't work. In 2005 he tried to do H1N1, an epic fail, people died, it didn't work, people didn't roll up their sleeves, epic fail. And then a bumper of an opportunity came along. In 2018 we actually did have an influenza pandemic. We had a lot of people that died. And guess what we didn't do. We didn't shut down countries. We didn't shut down borders. We didn't shut down schools or churches or anything else. We just let people die. And it was seen inside of NIAID as a lost opportunity. Dead people was a lost opportunity. So what he did was he figured out something and he gave the University of North Carolina Chapel Hill a grant to create a pathogen. So that we could actually get, and I'm quoting, "the public to accept the need for a pan coronavirus vaccine. We need the media to create the hype to get to the real issues. We need to use that hype to our advantage. Investors will follow if they see profit at the end of the process."

**SARS Reverse Genetics**  
Bar, Bush  
University of North Carolina Chapel Hill, Chapel Hill, NC, United States

**Abstract**  
Severe acute respiratory syndrome is a life-threatening human illness characterized by mortality rates exceeding 50% in the elderly. The SARS coronavirus contains a approximately 30kb single-stranded positive-sense RNA genome. The availability of a full-length infectious cDNA of the SARS genome would not only greatly facilitate genetic control over the virus, but also be critical for the design of live attenuated vaccines. Consequently, we believe that a SARS reverse genetic system will be one of the top priorities for developing the next generation of human pathogens. We are the only group in the US to have successfully assembled full-length infectious cDNA of the SARS genome. Since the SARS genome is approximately 30kb, we have developed a system to assemble the genome in a series of overlapping fragments. In this system, we will assemble a full-length SARS cDNA genome and compare the phenotypes of recombinant viruses produced in cells using biochemical assays and mouse challenge experiments. In 2004, we will deliver high-titer SARS virus to the NIH for use as an attenuated vaccine and for studies. We will also use the SARS reverse genetic system to study the role of the SARS genome in the pathogenesis of SARS virus infection. We will use the SARS reverse genetic system to study the role of the SARS genome in the pathogenesis of SARS virus infection. We will use the SARS reverse genetic system to study the role of the SARS genome in the pathogenesis of SARS virus infection.

That's a quote, National Academy of Sciences, Peter Daszak 2015, published in February 2016, Proceedings of the National Academy of Sciences. This was not a public health problem. This was a biowarfare act of domestic terrorism meted out on the citizens of the United States and the people of the world. And it was not a lab leak from China. It was not a lab leak from anywhere. It was an intentional weaponization of the spike protein, and it is murder and we will call it what it is. (Applause) It was murder then, and it's premeditated murder. And we have to be clear on the fact. In fact, never use the word vaccine again. That's like saying that a gun is a propellant of copper. No, it isn't. It's a gun. Call it what it is. Next slide.

And here's where it gets nasty. You guys know the guy on the right. What you don't know is the guy on the left. And here's the story you don't know about the guy on the left. The guy on the left is Alex Azar. Now, what you don't know about the guy on the left is the guy in the portrait further to the left is even a bigger problem, Henry Waxman. Henry Waxman the patron saint of

caring about health, who was the one that made sure every pharmaceutical company got a shield of liability so they could never be held accountable. That Henry Waxman had a very interesting guy appointed by Trump in 2017, Alex Azar, Director of the Department of Health and Human Services. What Trump didn't know, what you didn't know, what most of America didn't know was Alex Azar was an executive, not a physician, an executive at Eli Lilly. And at the time of his appointment, he happened to be under investigation for price-fixing diabetes drugs in Mexico. Hmm hmm. In fact, during his now found to be collusion and racketeering and price fixing an antitrust violation, which turned out to be, held to be, exactly what I just said. While he was actually trying to deflect attention from the racketeering that he was doing by price-fixing insulin in Mexico, he actually made President Trump sign an order. That was the execution order for Americans. And President Trump was advised by appointed individuals who never told him the facts. This ladies and gentlemen was treason. This was treason. And anybody who wants to point the finger at Donald Trump, the best you can do is say he was subjected to corruption and maliciousness and treason and traders within his circle. That's true. But when he signed this, he did not know the cost. He did not know. And the persons who did know was the lobby, the pharma lobby, the single largest donor in US history to political campaigns. They were the puppets that actually put that paper in front of Donald Trump. And **Alex Azar was the executive responsible for the death and destruction of America.** And you have not even heard his name. Because criminals like to put other people upfront. Well, they hide in the shadows. Well, guess what, we're not going to let happen today. A lobbyist turned executive, turned architect of oh my gosh, under the Bush administration, Alex Azar was the one who also came up with the prep Act, which actually shielded companies from liability in the event of a national emergency. **Alex Azar is the perpetrator of the largest genocide this country has ever seen.** And you do not know his name. But that just changed today. (Applause)

Oops, that was my out-loud voice. And it turns out, he's the boss of Anthony Fauci. He's the boss of CDC. He's the boss of NIAID. He's the boss of NIH (National Institutes of Health). He's the boss of the FDA. And guess what? He's the first guy that the FBI should cuff, lock up, and put in prison for the rest of his life! (Applause) That's our target. And don't think I'm actually advocating justice for the sake of justice. I'm advocating justice, because the minute we actually have the first felony conviction, the first time the emergency use authorization vanishes, because it turns out the emergency use authorization cannot stand if the basis of it was a felony. And that's written into the law. We have one focus. We have one silver bullet. And I am waiting for one AG (Attorney General) in this country to stand up and be accountable for the lives that are being lost because well, I'm talking, two children died because they're being murdered by a collusion racket. Which is like having Al Capone drive through the streets of Chicago and shoot into a school. You wouldn't sit for that but you have sat for this. Well, guess what? Not after this. From now on every hour that you do not follow the instructions I have at the end of this speech, for every hour that you don't take action, another two children die. And I want you to go to bed tonight asking yourself, did you pay attention? Or Are you cool with two kids dying every hour? I want you to sleep on that. I want you to sleep with that.

Because on my watch, that ain't gonna happen.

Now I may be David and I may have a couple of river stones, which I'm going to share with you. And we got a Goliath that we got to work with. That's okay. But let's do the next slide because I got a punch line. And I'm going to get on schedule, in fact ahead of schedule. I'm going to end early to respect the next speakers. So here we go. That slide. Here's the deal, guys, you're going to share this slide, so I don't have to talk about it right? We're going to figure out a way to share the slide. Awesome. So you don't, I don't have to talk about it. Because I do have to talk about this.

There are two websites right now by any grace of God in the next five minutes or 10 minutes or hour, there's gonna be 100 websites like this, because what I conveniently did for every attorney general for every US Attorney for every law enforcement agent in this country, what I did was I went ahead and drafted the indictment notice. (Applause) The United States of America v. And let's read it out because that's all the time I have.

United States of America V

- Alex Azar defendant
- Anthony Fauci, defendant
- Peter Daszak, defendant
- Ralph Baric, defendant
- FDA, defendant
- CDC defendant
- NIAID, defendant
- Moderna defendant
- Pfizer defendant

We are going to do the following, you're going to go to that website, [DavidMartin.world](http://DavidMartin.world) or [fullyliveacademy.com](http://fullyliveacademy.com), there's a button that says AG document, you are going to print that document and you're going to deliver it to every attorney general in every state, you're going to deliver it to every US attorney, you are going to put them on notice that from this day forward, and literally from this minute forward, every death is on their hands, because they can do something about it. And they have chosen now four times in four meetings, they have chosen to say, "Dave, this is a political, not a legal issue." And that's a quote from AGs offices. **Make it a legal issue.** And if they haven't made it a legal issue, if you haven't heard that an AG met with me, make it a political issue next year. Because this is our country, these are our children, and we will not let them die on our watch. (Applause)

Ladies and gentlemen, we the people can do something. You now are entrusted with much. And to quote that beautiful narrative in the Gospels. When you have been entrusted with much even more is required. Guess what? I just gave you the river stones. There's an eight-count indictment, all felonies, all punishable by up to 99 years in prison, and up to \$100 million, fine. And, and I'm going to tell you today that anybody who works with me on this case has to agree to the following. All of the proceeds that we get from the collections of this lawsuit, and I mean, all of them are going to go to a Vaccine Injury Fund that does not require anyone to prove that the vaccine

did anything. Because it turns out that every mother, every father that has a vaccination injured child, whether it was caused by it or associated with it, those people need our help. And every dollar that is ever collected is going to go to make sure that we the people honor the fact that real humans have suffered under the hands of a colluding set of conspirators who now it's on us to make sure go away forever.

Ladies and gentlemen, you can do it. And today, right after this speech, Mikki Willis and I are going to go back to the booth up there. And we are going to sign books together. So the Plandemic books if you want them, MiKki and I'll be back there. We'll be happy to sign your books. And listen people, we can do this together. You now have been entrusted with much, even more is required. Thank you very much. God bless you.

## How Many Times Does the Bible Say "Thus Saith the Lord"?

As my wife Tess and I were reading together during our daily devotions the Book of Jeremiah, we noticed how often "thus saith the Lord" is repeated in that book. She asked me to do a study on it. Here it is.

"Thus saith the Lord" appears only in the Old Testament. It occurs exactly 415 times in 413 verses and 161 chapters. In two verses it's repeated twice. In the 39 Books of the Old Testament, it occurs in 19 books. The Book of Jeremiah wins hands down with 148 occurrences! After that Ezekiel has 126 occurrences and Isaiah has 35 occurrences.

By the way, this study and all the Bible studies on my website use the [King James Version](#) which I believe to be the most accurate of all English translations. Notice I wrote, "most accurate" but not perfect as some think it to be. I don't believe any translation can be perfect. Why do I believe that? I had 11 years of experience working as a professional

translator/proofreader from English to Japanese. Something is always lost in translation due to cultural differences.

<b>Book</b>	<b>Number of times</b>
Exodus	10
Joshua	2
Judges	1
1 Samuel	3
2 Samuel	5
1 Kings	13
2 Kings	20
1 Chronicles	4
2 Chronicles	8
Isaiah	35
Jeremiah	148
Ezekiel	126
Amos	13
Obadiah	1
Micah	2
Nahum	1
Haggai	4
Zachariah	18
Malachi	1

It's interesting that Jeremiah, the least heeded prophet, has the most occurrences of thus saith the Lord.

Jeremiah 7:26 Yet they hearkened not unto me, nor inclined their ear, but hardened their neck: they did worse than their fathers.

And after him, the prophet Ezekiel, was not heeded. The children of Israel didn't like him very much either, and especially their rulers.

Ezekiel 3:7 But the house of Israel will not hearken unto thee; for they will not hearken unto me: for all the house of Israel are impudent and hardhearted.

May the Lord help us all to listen to His Word, and heed and obey it for our own good and the good of our loved ones and associates!

# What is the Great Tribulation of Matthew 24?

The words “great tribulation” appear three times in the King James Version of the Bible. But are they all referring to the same event?

Matthew 24:21 For then shall be **great tribulation**, such as was not since the beginning of the world to this time, no, nor ever shall be.

Revelation 2:22 Behold, I will cast her into a bed, and them that commit adultery with her into **great tribulation**, except they repent of their deeds.

Revelation 7:14 And I said unto him, Sir, thou knowest. And he said to me, These are they which came out of **great tribulation**, and have washed their robes, and made them white in the blood of the Lamb.

I don't think these three Scriptures are all talking about the same event. You may dispute that. But this article is specifically about the tribulation Jesus was talking about in Matthew 24:21.

What do most evangelicals today teach about the Great Tribulation of Matthew 24? Some teach it's a *future* event of God's judgement on the wicked, and God's people will escape it in the Rapture. Correct me if I'm wrong but I think this is what John MacArthur teaches.

Others say the Great Tribulation is about the *wicked persecuting the saints*! They say this because they do not believe the Bible teaches a pre-tribulation rapture. I think so too. But is this really what the great tribulation of Matthew 24 is all about?

I hope you agree with me that the Bible is its own best interpreter. If that is true, shall we not look at what the two parallel passages of the other two

synoptic Gospels in Mark and Luke have to say?

Mark 13:19 For in those days shall be **affliction**, such as was not from the beginning of the creation which God created unto this time, neither shall be.

Mark 13:19 is similar to Matthew 24:21 but rather than say “great tribulation” it says “affliction”. Affliction on whom? Let’s see what the Gospel of Luke has to say.

Luke 21:22-24 For these be the **days of vengeance**, that all things which are written may be fulfilled. 23 But woe unto them that are with child, and to them that give suck, in those days! for there shall be **great distress** in the land, and **wrath upon this people**. 24 And they shall fall by the edge of the sword, and shall be led away captive into all nations: and Jerusalem shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled.

I hope you can see from the verses in Luke 21:22-24 that this is talking about the destruction of Jerusalem and the Temple in 70 AD. It’s talking about the wrath of God through the Roman army on the unbelieving Christ-rejecting Jews. How do I know that only Christ-rejecting Jews are the ones who are afflicted and slaughtered by the Romans? Because Jesus told His followers to flee Jerusalem and Judea when they see the Romans coming!

Luke 21:20-21 And **when ye shall see Jerusalem compassed with armies**, then know that the desolation thereof is nigh. {21} **Then let them which are in Judæa flee to the mountains**; and let them which are in the midst of it depart out; and let not them that are in the countries enter thereinto.

And by the way, “Jerusalem compassed with armies” is the same thing as the abomination of desolation of Matthew 24:15!

Matthew 24:15-16 **When ye therefore shall see the abomination of desolation**, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:) {16} Then let them which be in Judæa flee into the mountains:

I hope you can see clearly that the parallel passage of Matthew 24:15-16 is Luke 21:20-21, It clearly defines the abomination of desolation as the armies of Rome. Rome was an abomination to the Jews and its armies made their capital city of Jerusalem desolate. It clearly tells Jesus’ disciples what to do when they see the armies coming: To flee Jerusalem and Judea and run to the mountains. All the Christians who knew believed and obeyed Jesus’

commandment were saved from slaughter by the Romans. The Christ-rejecting Jews believed the false prophets that they would be saved by running into the temple. They were all killed by the Romans! And this is all confirmed by secular history and the writings of Josephus.

To sum up: The great tribulation of Matthew 24 occurred in 70 ad. It was God's judgment through the Romans for rejection of their Messiah, Jesus Christ. It was a past event that will never happen again! Why do I think so? Because Jesus said so!

Matthew 24:21 For then shall be great tribulation, such as was not since the beginning of the world to this time, no, **nor ever shall be.**

Mark 13:18-19 And pray ye that your flight be not in the winter. {19} For in those days shall be affliction, such as was not from the beginning of the creation which God created unto this time, **neither shall be.**

Jesus told the high priest that he will see the Son of Man at the right hand of power.

Matthew 26:64-65 Jesus saith unto him, Thou hast said: nevertheless I say unto you, **Hereafter shall ye see the Son of man sitting on the right hand of power, and coming in the clouds of heaven.** {65} Then the high priest rent his clothes, saying, He hath spoken blasphemy; what further need have we of witnesses? behold, now ye have heard his blasphemy.

When do you think the high priest saw Jesus sitting at the right hand of power? It must have been when the high priest was still alive! I believe it was most likely during the attack on Jerusalem by the Romans in 70 AD. It was 40 years later and the high priest was most likely still alive. When he saw Jesus up in the clouds, how could he not help but think God was punishing him and his people for rejecting Jesus of Nazareth as the very Christ, the Son of God, the Messiah!

Dr. David Martin Exposes the Names and Faces of the People Who Are Killing Humanity

## **Introduction:**

David E. Martin Ph.D. is the developer of several innovation-based quantitative indices of public equities and the founder of the Purple Bridge Funds and M-CAM International. He has worked closely with the United States Congress and numerous trade and financial regulatory agencies in the United States. Dr. Martin is also a Batten Fellow at the University of Virginia's Darden Graduate School of Business Administration. (Quoted from <https://z3news.com/w/david-martin-presents-evidence-corona-virus-manmade/> )

Red Pill Expo is the major public event of Red Pill University. "Red Pill University is a coalition of individuals and organizations that share a common problem – and have a common understanding of the solution. The problem is that peaceful, law-abiding citizens are experiencing ever-increasing control over their lives by governments and corporations. " – Quoted from <https://redpilluniversity.org/take-the-tour/>

The purpose of this talk is to de-mystify the "they" of the COVID War.

## **Excerpts from the talk by Dr. David Martin to the Red Pill Expo**

"How many of you are familiar with the company, Anser? I love having this moment. Do you know they are the single largest contractor in the entire COVID terrorism campaign?..."

"The companies on the right, that you think are the ones running this show [Pfizer, Moderna, Johnson & Johnson, Merck Ridgeback, Gilead Sciences], are in fact a front [for the companies on the left, Anser, Fors-Marsh, Palantir, Publicis Sapient].

"And you know what a front organization is? They're the ones that are supposed to take the flack and take the heat. The ones on the left are the ones that actually got the money. Operation Warp Speed went to Anser.

"You didn't know that, because you were told by the media that it went to Pfizer, Moderna, Johnson & Johnson and all that kind of stuff. That's not true. The prime contract of Operation Warp Speed went through Anser, a company none of you had heard of!

"And you didn't hear about them because the contract was signed by ATI, a company based in South Carolina, a company whose history has been government defense contracts for the purposes of propaganda! I wish I made that up. The prime contractor selected to run Operation Warp Speed was a propaganda expert for the US Department of Defense...

"Anser is the way for the Federal Government never to be liable for the criminal conspiracy they know they ran. They are now one of the top ten Federal Contractors in history, below Lockheed-Martin, Raytheon and all those guys.

"Those names you know. You don't know Anser, the single company that, by COVID rose – the highest-ranked rise in the history of federal contracting; the highest single-year rise, ever was Anser – and none of you know who they are!...

"Anser Corporation, they're the ones running Operation Warp Speed and they've been set up to shield these manufacturers from ever taking the financial liability for their willful misconduct. And one day, everybody's gonna go, 'Let's sue Pfizer! Let's go sue everybody else! And the only problem is when we go to sue them, they say, 'Hey! It wasn't us!' And they're right and all of us were asleep. And I'm talking to a woke crowd, here and all of you were asleep.

"Don't tell me you're awake if you're still sleeping, because if you didn't know who Anser is, you're still asleep!

## **IT GETS WORSE...**

"It gets worse. Fors-Marsh, anybody know Fors-Marsh?...They're the branding agency that branded COVID. They're the ones who make sure we find hospitals that are overrun with people. They're the ones who find kids that died of COVID right before the FDA needs to vote on giving kids injections. They're the ones that go around the world, making sure every message is always the same: 'We will not return to normal until we have a vaccine.' Thank you, Justin Trudeau! Where'd you get the script? From Fors-Marsh! And how many of you knew that? None of ya!

"How about Palantir? Hey, that's a weird one, isn't it? Peter Thiel, who has successfully run a company that has lost \$200 million plus, every year for about seven or eight years, goes public in the middle of COVID. Isn't timing interesting? Isn't it fascinating that a company that's done nothing but lose billions of dollars goes public in the middle of the worst economic cycle we've had? Isn't that funny? And did you actually go back and read their public offering? Hah! Funny! I know you didn't, because there really wasn't one, that's why you didn't read it!

"Because they went public in this very bizarre, backdoor way of actually selling founder's stock into the market, so we got personally-enriched – personally-enriched – using the public market as the laundering facility. Isn't that brilliant?

"But let's look at what they did for our COVID scandal. They actually came up with a thing called Gotham Data Tracking...you know what that does? That's making sure that every time you turn your phone on, when you get off the plane, when you cross the state line, it gives you a little tag that goes, 'Hey, do you want a COVID alert in your neighborhood?' You know why? Because you are being monitored. Your phone is being monitored. Your transactions are being monitored, your credit cards are being monitored, your health behavior's being monitored, your vaccine status is being monitored and it's all done under the contract run by Gotham Data Sciences, the company that went public during COVID – and none of you knew about this.

"And you've been to Red Pills! And you still haven't taken the Red Pill! And by the way, I'm not even to the good slide, yet. So be depressed! 'Cause it's getting worse!

"Publicis Sapient, the Health and Human Services' IT contract. Have you ever wondered how the data never seems to add up? Somebody always has allegedly the same reportable data?

"Publicis Sapient has the Health and Human Services' IT contract to consolidate all of the data, so guess what happens? Everybody has the same number of COVID cases to report, when somebody from the media calls and says, 'Hey, how many cases do we have?' 'Oh, 40,000'. 'Oh, round number, 40,000'...

"When, in the course of human history has a round number involving the word 'thousand' ever happened? There's never been a 10,000 heart day, there's never been a round number day – until you actually control the Department of Health and Human Services' entire IT platform and not one of you knows that that's a single contract, run by Publicis Sapient...

"You've been focused on the right hand side the whole time and the left hand side is doing the dirty work.

## **THE COVID PIRATES**

"Now, why do I call them 'privateers'? How many are familiar with the difference between a pirate and a privateer? Pirates go rape and marauding and stealing and...a privateer is the same thing, that has permission to do it by a government that's gone corrupt. That's what these are (points to the

slide of COVID contractors). They're the privateers. But hey, since we have privateers, it feels only appropriate that if we have a world of privateers, we should also...have a world of pirates. And here's our pirates."

The new slide shows the universities who've been involved in the COVID War: UNC Chapel Hill, Vanderbilt, Emory, Johns Hopkins, University of California System, MIT, NYU Langone, DZIF, Imperial College, IHME, Erasmus Medical Center.

"Pirates. UNC Chapel Hill, I talked about that. That's the guy who actually made the weapon, Ralph Baric. Since 1999, \$100 million to weaponize the particles of coronavirus. Over \$100 million. You've heard about \$3.7 million going to Wuhan – ohhhh – 3.7 million, that feels like a bad number.

"And how 'bout \$28 billion of that coming from DARPA for their bioweapons initiative? Anybody heard of \$28 billion that went through Anthony Fauci at NIAID? Anyone hear about the \$20 billion that went directly to UNC Chapel Hill, that weaponized spike protein?

"You haven't heard about that, you haven't heard about that because we've been talking about \$3.7 million going to Wuhan. Stop being distracted by the cover story!... Because the distraction is where the interesting thing is.

"UNC Chapel Hill, Vanderbilt, Emory, Johns Hopkins and the University of California: those are the pirates that have made the most money on federally-granted, disclosed money going into the university sector. I'm calling them 'pirates' for a very good reason. They justify all of this in the name of science and education...

"I don't even care whether these people pretend to hide behind the 'It's an academic research project' to try and get out of the bioweapons definition. The bioweapons definition says that if you enable a foreign entity to build something known to harm humanity, you have already created a felony, you are going to jail for the rest of your life and you are liable for a \$100 million penalty.

"So guess what? Welcome to Hell, all five of these universities! Because they're all felons! All of 'em!

"And how 'bout the right-hand side? MIT, New York University Langone – hey, by the way, Langone? Where did that name come from? Ken Langone? Anybody? Oh! I'm not supposed to say that name out loud, Ken Langone, except I just did, didn't I? Ken Langone...

"They're actually putting their name on the letterhead and you don't know who to look for! You're still being told, 'Oh, it's the Rothschilds and it's the Rockefellers!

"No, it's not! It's the guy who put his name on the facility! How many of you know who Ken Langone is? Guess what? Look it up! Because that's a pretty big thing that you should be aware of and unfortunately, you're not aware of it, for a very good reason because he hid it in plain sight, in the name of the medical center. New York University Langone, like that's a really hard thing

to find.

“DZIF Charité...you’ve heard of Dr Christian Drosten, the Crazy-in-Chief in Germany who’s kind of Anthony Fauci and Ralph Baric’s evil stepchild, Imperial College, the criminal conspirators who came up with the fear porn of how many people were going to die, IHME, the University of Washington program, but the one I want to bring your attention to is the one at the bottom, Erasmus Medical Center.

“Bart Haagmans...In 2002, Bart Haagmans was an interesting dude, because he actually figured out a way to build a bunch of patents around the vaccines for the coronavirus. Mysteriously, the European Union in 2012 started giving him massive, massive grants to run a thing called Zapi.

“And Zapi was the zoonotic disease transmission laboratory for the European Union. And Bart seemed to always get the money. Now, this is fascinating because Bart was also the one who decided to patent MERS. The Middle Eastern Respiratory Syndrome, remember that one? The one that never really happened but kinda happened in 2012-13? Bart was the one that patented MERS...

“Erasmus Medical Center, actually, in their public statement, when they were confronted with the lie, where they said that they hadn’t filed a patent on the actual genome – kinda like the CDC said in 2007 – when confronted with the lie, they said in public – and you can’t make this sh!t up, People, it’s so funny! They said, ‘Well, what we said was not entirely false in all jurisdictions in the world.’

#### THE COVID ORCHESTRA

“But this, Ladies and Gentlemen is the slide you wanted to see. This is actually the names and faces of the people who are, in fact killing humanity. And that’s ALL of them. Now, here’s the bad news: There’s a lot of people on that slide, aren’t there? Here’s the better news...I’ll actually give you all this slide, because why not? Let’s make sure that we don’t ever forget the names and the faces of the people who decided to kill us...

”

Here is a list of all the people in that slide:

- Mukesh D. Ambani, Chairman, Reliance Industries
- Peter Brabeck-Letmathe, Vice-Chairman of the Board of Trustees WEF
- Mark Carney, UN Special Envoy for Climate Action
- Chrystia Freeland, Deputy Prime Minister and Minister of Finance, Canada
- Kristalina Georgieva, Managing Director of the IMF
- Queen Rania of Jordan
- David M. Rubenstein, Co-Founder and Executive Chairman, Carlyle Group
- Klaus Schwab, Founder and Executive Chairman, WEF
- Marc Benioff, Chair and Chief Executive Officer, Salesforce
- Thomas Buberl, CEO, AXA
- Laurence Fink, Chairman & CEO, BlackRock
- Orit Gadiesh, Chairman, Bain & Company
- Fabiola Gianotti, Director General, CERN
- L. Rafael Reif, President of MIT

- Mark Schneider, CEO, Nestlé
- Tharman Shanmugaratnam, Defense Minister, Singapore
- Robert Mercer, Renaissance Fund
- Larry Page, Google
- Al Gore, Environmentalist
- Angel Gurría, Secretary General OECD
- Paula Ingabire, Minister of Information Communication Technology, Rwanda
- Yo-Yo Ma, Cellist

- Christine Lagarde, President, European Central Bank
- Peter Maurer, President, Red Cross
- Patrice Motsepe, Chairman, African Rainbow Minerals
- Julie Sweet, CEO, Accenture
- Heizo Takenaka, Economist
- Dustin Moskovitz, Open Philanthropy

David continues, “I want you to have some looks on there. Some are kind of interesting, like cellist Yo-Yo Ma. Did you hear me say that? Cellist, Yo-Yo Ma.

“How about the head of the Wellcome Trust? Not surprising, there, right? How about Princess Rania of Jordan? Ooh, that’s weird.

“How about the woman who happens to be sitting at the helm of the leadership of the government of Canada but conveniently out of sight but running 100% of the money for the government of Canada.

“How about all of these interesting people like, Jim Hagemann Snabe, how about Zhu Min, Chairman of the National Institute of Financial Research in China?

“And what makes these individuals interesting is that when you look at them, you find out something very important. Almost none of them have sought public visibility. Isn’t that funny? Which makes me pick on one of them. The guy I have here, at the bottom corner. And I have to give him credit. He has done so much to stay out of sight.

“I’ve got 12 minutes left. I’ve got to spend a couple of minutes on the guy who’s paid every search engine optimization to keep his name out of search engines and I’m doing it so that it costs him sh!tloads to keep all of you silent.

## **DUSTIN MOSKOVITZ: EDITING THE HUMAN GENOME**

“So let’s get really clear on Dustin Moskovitz. Shall we, Dustin

Moskovitz?...You little piece of sh!t! Let's talk about him for a minute. The Co-Founder of Facebook that you've never heard of...also the guy who founded Open Philanthropy, who was the actual check-writer for Event201. You were told that it was the World Economic Forum. You were told it was the Bill and Melinda Gates Foundation. You were told it was Johns Hopkins University. But the actual check that cleared for the program was signed by none other than Dustin Moskovitz...

"Now, I'm picking on him for a good reason. He's a felon, he's a criminal. He is one of the most sociopathic, psychopathic, crazy people walking the planet and he's paid to keep his name in private. So guess what? Don't let him! The reason why I want to give you this slide is because I want every one of them named. I want them all publicly named.

"Because it's time that we start going through the reality of saying, 'We the People are not going to let mass-murderers get away anonymously mass-murdering people. We are not going to allow that to happen! Not on our watch! And that's why you have this slide...

"But let's go back to Dustin. Isn't it interesting that Dustin conveniently decided to shroud this entire public health crisis in a self-serving, self-interested investment objective? He owns Sherlock biosciences. Sherlock Biosciences happens to be the company that owns the CRISPR technology that is the joint venture between the United States and China on gene editing the human genome...

"Dustin Moskovitz knew that if he actually tried to take this technology into the public, nobody would be willing to do it, particularly, given the fact that it's a JV [joint venture] between him and the government of China. That's the reason why we'd have a problem with it. Because it feels like eugenics. Do you know why it feels like eugenics? Because it is eugenics, that's why it feels like it! That's why it feels like Cold Spring Harbor Labs...

"The only way we could get gene-editing technology approved was with an Emergency Use Authorization. Not surprisingly, once everybody was distracted on vaccines and everybody was distracted on RTPCR and everybody was distracted on everything else, Sherlock Biosciences slipped their Emergency Use Authorization application into the FDA – and got it. In other words, using the cover of COVID, which all of us are pretending to talk about, the editing of the human genome was approved and not one of us said a thing.

"Now, if you were going to edit the human genome, do you think you'd need a good cover story to actually hide what you're really doing? You'd probably find the guy who has the biggest financial interest in doing it and make sure, that while everyone is looking over at coronavirus and COVID and trying to figure out these Lab Leak Hypothesis – there's no Lab Leak Hypothesis, because there's no lab leak!

"So stop talking about lab leaks! there is no lab leak. This is the willful weaponization of a spike protein, that's what it is. It's an act of war, it's not a leak. We need to start calling it what it is. It's an act of war. It's

an act of war against humanity.

"We stop pretending to take their bait and follow their stupid rabbit trails and follow stupid rabbit trails into stupid rabbit holes and wonder why there's a bunch of pee and piss and poo that smells like rabbit warrens. Well, it smells like it because that's what you find at the end of a rabbit trail.

"We need to be focused on the point and people like Dustin Moskovitz and this slide is going to be shared with everyone in this room because it is incumbent on you. Now you know. Now you must act. Because when we talk about the 'they', we empower the 'they'.

"But when we talk about the names of people, we humanize the sociopathic behavior. We humanize the fact that there are individuals and organizations that are willfully murdering the humanity that we know and love and we cannot let that happen on our watch. It is incumbent on all of us to get those words out."

## [The Rapture Occurs On the Day of the Lord!](#)

This post is to add more information on what I wrote on [The Popular but False Doctrine of the Rapture](#).

And why did I call the doctrine of the Rapture false? I am talking about how the majority of evangelicals define the Rapture:

A) The rapture doctrine purports that Christ will come back to this earth in two phases. First, He will come spiritually to "rapture away" believers who have been faithful to Him. This first phase of His coming is going to be silent or secret.

B) After the righteous are raptured away to heaven, a fierce antichrist power will appear on the earth and rule the world for a period of seven years. This seven-year period is popularly referred to as the tribulation period.

C) During this tribulation period, people who will refuse to go along with the new order of the antichrist will be brutally persecuted. However, amidst the great persecution by this satanic power, anyone who will believe and embrace Christ at this difficult time will have a second chance at salvation.

D) After the seven-year tribulation period, Christ returns visibly to destroy the antichrist power and dispense His wrath on the world's nations. This is the general teaching of the secret rapture doctrine. (From: <https://whitethroneministries.org/resources/lessons/the-secret-rapture-doctrine> )

None of the above are supported by Scripture! All of these statements are speculation, reading into the Bible what isn't there, and based on a false interpretation of the [70th Week of Daniel](#).

Today, December 1st 2021, I saw for the first time that the prophecy at the end of I Thessalonians chapter four does *not* end with that chapter but it *continues on* with more information in chapter five! And that shows it's a continuous event!

1 Thessalonians 4:15 For this we say unto you by the word of the Lord, that we which are alive and remain unto the coming of the Lord shall not prevent them which are asleep.

16 For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:

17 Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.

18 Wherefore comfort one another with these words.

1 Thessalonians 5:1 **But of the times and the seasons**, brethren, ye have no need that I write unto you.

2 For yourselves know perfectly that the day of the Lord so cometh as a thief in the night.

3 For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.

If you keep in mind there are no chapter breaks in the original text, you will see the prophecy at the end of First Thessalonians chapter 4 continues on to chapter 5. And if you see that, I think you should see that the rapture of the saints happens the same day as the destruction of the wicked. Therefore it **cannot** be a secret event!

Another Scripture that confirms the rapture occurs on the Day of the Lord:

Matthew 13:30 Let both grow together until the harvest: and in the time of harvest I will say to the reapers, Gather ye together **first the tares**, and bind them in bundles to burn them: but gather the

wheat (the redeemed of Christ Jesus) into my barn.

## **Covid-19 Vaccinations – “A Malicious Act of Bioterrorism” – Dr. Zev Zelenko**

### **Transcription of video below**

**Dr. Valdimir (Zev) Zelenko:** I would take the words of Bill Gates seriously. Not because he's a prophet, but because he's a criminal. Because he's a bio-terrorist. Because he's a eugenicist. Because he's a sociopath. And he has a proven track record of being right. Well, that's not surprising if you're actually orchestrating it. So it's not a coincidence that an eradicated virus that only exists in the most secure neurology labs appears in an insecure Merc laboratory in Philadelphia. Four or five days after the sociopath Gates tells us we should expect a smallpox outbreak.

**Sean, the SGT Report Host:** Oh, my goodness, friends, that was Dr. Zev Zelenko. And this interview could literally save lives. Now, you may know people who have taken the vaccine, and it's too late to help them. But maybe those people have children. And maybe, just maybe if you get this information to those people, you might at least save the lives of their kids.

(Keto advertisement skipped.)

It's Sean from SgtReport.com and SgtReport.tv. I'm also very pleased to have back on the show the one the only Dr. Zev Zelenko. He is the inventor of the Z Stack. And guess what? They now have Z Stack gummies for kids. What does that mean? Well, it means you don't have to get sick when the "flu season" returns or COVID season. Well, we know what it really is. Dr. Zev Zelenko joins me now. How are you sir?

**Dr. Zev Zenlenko:** I'm doing great. Thank you. Thanks for having me.

**Sean:** Glad to have you back. I'll leave the link to Z Stack below if people

want to check that out. It is quercetin which is the delivery system for zinc, vitamin C, and vitamin D the stuff you need to stay healthy. Dr. Z, I am now fully convinced that what we are up against as it pertains to this experiment rolled out by Pfizer, Moderna, FDA, CDC, NIH, this experiment people are taking part in willingly is really an IQ test. So if I may, we'll kick this off with a soundbite from a woman who, look, my heart goes out to this person. I don't know who she is. I'm not making fun of her. But this really is an IQ test and people ought to know what they're participating in before they willingly participate in and run out and get the jab.

**Sickly looking woman:** So I got my third dose of the Pfizer booster vaccine on Sunday. And on Monday, by about 10:30 in the morning, I was having body aches and pains and chills and stuff. Pretty bad. I went home. Then that night, I could not stay awake. I was having fevers, still chills, still the body aches. Yesterday, body aches and pains. But by the afternoon I thought I was doing pretty good. Woke up this morning. I have sores all inside my mouth. The fever is back. I still have the body aches, massive migraine. As much as I love my shots. Side effects.

**Sean:** I'm coming back to you Dr. Zelenko. Boy, I don't think she has any idea that she's probably experiencing blood clotting. Her immune system is crashing. A lot of these people have no idea what they're participating in Dr. Z. Is it an IQ test? What do you make of what she just said?

**Dr. Zev Zenlenko:** I think it's more accurately an EQ test, an emotional intelligence test. And what I mean by that is the problem of the psychological warfare that has been waged on humanity, which is basically the use of prolonged fear together with isolation from other human beings and the people you love. What that does, is psychologically decompensates a person. They live in such an emotional horror, that they're they become prime targets to be manipulated by any false promise. So if I'm creating anxiety, and then I come to you and I said, dangle a vaccine in front of you and say, Well, this is going to help you. Most people take that vaccine, not for intellectual reasons at all. Their minds have completely shut down. They're acting purely on emotion. And they're gravitating towards taking that vaccine because it reduces their anxiety in the short term. So and that's why if you challenge them, they get belligerent even the most – I've had debates with incredibly intelligent people, but I see their minds are have shut down, and they become belligerent because my words are bringing them back into a state of anxiety that they definitely don't want to be in. So it's the shutdown of the intellect and the irrational behavior that's being fueled by their emotions. And that's really what's going on here. I think it's not really IQ raw, intellectual talent because I know plenty of people with a higher IQ who are fallen victim to this psychological warfare.

**Sean:** I think that's very fair. That's a very good point. And let me ask you this. Do we make a mistake by calling this thing, a vaccine? I just listened to a powerful interview, a roundtable between Dr. David E. Martin, Robert F. Kennedy, Jr. I believe Judy Mikovits was part of that and one other person. And David E. Martin said we have to stop calling this a vaccine, or we've already lost the battle. It is not a vaccine. It is an mRNA weapons delivery system. Is he right?

**Dr. Zev Zenlenko:** Yeah, I mean, listen, language is very important. You could call it a vaccine if you call it a vaccine that kills people. You see, the problem is we grew up thinking the word vaccine is associated with health, with goodness with preservation of life. So most of humanity associates the word vaccine with something good. And that's the marketing ploy here. There's also a legal ploy where something's called a vaccine, pharmaceutical company that's making it cannot be sued, or it's difficult to sue them and they're indemnified. So **there's a legal benefit to being called a vaccine.** But for my purposes, if you want to say there are vaccines that save life, and there are vaccines that are weapons of eugenics and kill people, that's fine. I personally call it a *Poison Deathtrap*.

**Sean:** As do I, and here's what I want to do for that poor woman. Look, she's already taken the booster. So she's three shots in, there's nothing we can do to help her. But for those who are listening, and I do have a friend I reached out to several months ago, probably close to six, eight months ago at this point, warning this person to at least watch an educational video I sent her it was 14 minutes long saying please watch this before you take the VAX. They're very dangerous. I know she didn't watch the video and her reply to me via email was we're going to have to agree to disagree on this issue. Okay, So I want people like her and those who might be considering jabbing their own kids to understand what we know. Got a lot of sound bites I want to play here and Dr. Zelenko is an expert so he'll weigh in on the sound bites but here's what we know. And Dr. Z you tell me if I'm forgetting anything.

Number one, this Vax is experimental. It is mRNA technology the first-ever of its kind used on human beings. Pfizer, Moderna, J&J have indemnity from lawsuits. If you participate in this experiment and get injured or die, you cannot sue them, there will be no financial recovery for you. And finally, here, **the FDA wants until 2076 to fully release the Pfizer Vax data.** I don't know if you saw that line item. I can put it up on the screen here. What am I missing? That's what we know. And I have additional sound bites I want to play to demonstrate for people what this Vax is doing to the blood of those who take it Have I missed anything so far?

**Dr. Zev Zenlenko:** Yes, I don't know if the word "experimental" conveys the malignancy here the malfeasance of what actually is going on. So in October of 2020, the FDA made an internal presentation to its own scientists. And that presentation was not meant to be leaked, but it was, and we have it. And on slide 16, which I'll provide for you so you can include this in the video, on slide 16 of this presentation, the FDA lists all the side effects of these vaccines. Now, this is two months prior to the rollout. Yes, that's two months before this vaccine, these vaccines were released onto the public, the FDA presented this slide to its own scientists. Now, if you jump ahead to today, if you look through and go to the VAERS database, and just look what are the categories or side effects that actual human beings have experienced, that have taken the time to file a report, or the doctor has taken the time to file a report, **there's a 100% correlation between what actual human beings have experienced clinically, and what the FDA told his own scientists two months prior to the release of this bio-weapon.** So whenever you have 100% correlation, what that means is a term for that. **It's called premeditated,**

**first degree, capital murder, crimes against humanity, and genocide!** This is *not* an experiment. This is **a malicious act of bioterrorism** and the complicity of our own government and agencies that have been charged and put into power by us to protect us **who have whored themselves out to special interests** and stakeholders. They serve everyone except the American people.

**Sean:** Thank you for that you're 100% right. I soft-pedal it when I call this an experiment. It's so much more than an experiment. It is a plot to depopulate! And I think that segues nicely into this next soundbite. I want to play this. This is Karen Kingston on the Stew Peters show. Now Karen Kingston is a biotech analyst and an auditor of drug trials data. Very, very bright woman, she knows what she's doing. She knows how to analyze all the paperwork, mountains and mountains of documents that come out of these trials. And here's what she has to say about Pfizer and this particular product, that they're masquerading as a vaccine, listen to this.

**Karen Kingston:** The CEO is not oblivious as to what's going on with the phase three trials. They're very much aware of it. And this evidence shows that they conspired to commit aggravated assault and murder of children with a bioweapon. And maybe your audience or naysayers are saying you have no evidence this is a bioweapon. Yes, I do. Take a look at the biological license application that was submitted actually submitted in May of this year. And what it says under the product description verbatim is the mRNA Kornati (?) is a single-stranded mRNA encoding the full-length SARS code two spike glycoprotein derived from the Wuhan-HU1-11slip that was uploaded to Gendai by China. It is the bioweapon! That's what it is. And it's literally called the Wuhan-HU1-Spike protein. We know that's a bioweapon. If you still don't believe me take a look at the patent that was issued on January 10 of 2017. And it was issued to actually MIT and Harvard. But this all rolls up into the master cotton. (?) And who funded this? It says under state government support the invention was made with a government support order by the NIH. But if you go to section nine, what does it say, Stew? It says that this nanotechnology vaccine will deliver a molecule. In some embodiments, the small molecule is a toxin. In some embodiments, the toxin is from a chemical weapon or an agent of biowarfare. **The NIH patented a vaccine to deliver a bioweapon.**

**Sean:** Alright, sir, I'm coming back to you. I don't know if your blood is boiling like mine is but my understanding is within the last week, the NIH Director has called for the arrest of those spreading what he calls disinformation about this product.

**Dr. Zelenko:** The NIH, CDC and FDA are **the enemies of the people**. They should be held accountable. I'm a person who believes in the rule of law. Once they're convicted for crimes against humanity, whoever the leadership is, which is a whole list of people that should be targeted, they should be brought to trial by military tribunal, and if they're convicted of crimes against humanity, genocide, and mass murder, they should be executed. And that should be sent a message to future despots that we have a rule of law here, you will be held accountable. And we society, humanity will not tolerate the terror, the terrorizing of innocents, and a war against God-consciousness and an attempt to enslave masses of people. We will come after

you.
