

Warning Against Giving and Sharing False Prophecies

The video is a talk by Allen Parr who says, "My heart is very heavy today because so many in the body of Christ are being swept up by a movement of false prophets who are trying to convince the body of Christ that they are hearing from God through dreams, visions and "prophetic words." Please watch this entire video as I also share some advice for people who commonly say, "God showed me" or "God told me."

It's one thing to voice an opinion about what may happen in the future, but for a Christian to give a prophecy, "Thus saith the LORD" that such and such will happen and it doesn't, is a serious sin worthy of death according to Old Testament law! We canNOT know the future other than what is clearly written in the Bible!

Jeremiah 14:14 Then the Lord said unto me, The prophets prophesy lies in my name: I sent them not, neither have I commanded them, neither spake unto them: they **prophesy unto you a false vision** and divination, and a thing of nought, and the deceit of their heart.

Jeremiah 23:16-17 Thus saith the Lord of hosts, Hearken not unto the words of the prophets that prophesy unto you: they make you vain: they speak a vision of their own heart, and not out of the mouth of the Lord. [17] They say still unto them that despise me, The Lord hath said, Ye shall have peace; and they say unto every one that walketh after the imagination of his own heart, No evil shall come upon you.

Christians have been saying things such as Trump is God's man to save America. No one man except the Lord Jesus Christ can save America! In order for America to be saved from coming judgment, she must repent of her sins of pagan idolatry, witchcraft, homosexuality, and a multitude of other sins that liberals and atheists think are OK! Even some people who call themselves Christians try to justify some of America's sins!

And now that Joe Biden is president, the future except for the promises of God, looks bleaker than ever. Only God can save us! Put not your faith in man! Trump is toast!
