

Pope Francis And The Horrors of the Catholic Church – By Kevin Annett

And over the years, not only after getting fired and blacklisted and defrocked proudly from the United Church of Canada, I started a campaign that eventually forced of the truth, forced the pseudo apology in 2008. But it also sparked an international movement around setting up common law courts, helped force Ratzinger (Pope Benedict) out of office in 2013.

Jesuit Plots – Chapter VIII. The Canonization Of More And Fisher: History Suppressed.

During 1934 Rome filled the columns of the British Press with articles on the proposed superstitious and pagan act of canonization of Sir Thomas More and Bishop John Fisher, Bishop of Rochester, who were beheaded in 1535, in the reign of Henry VIII, for denying the King's supremacy. Parliament had passed an Act abrogating the Papal Supremacy in England, and recognising that only of the King.

Jesuit Plots – Chapter VII. The Cause Of The Great Civil War

The greatest calamity of the reign of Charles I was the attempt of Archbishop Laud to reverse the Reformation in England and Scotland, and Romanize the Church of England. Laud was a thorough-going Romish idolator, with this difference, that he endeavoured to be Pope himself in England and to teach and practise the doctrines of the Church of Rome in the Church of England as Christianity.

Truth Vindicated! COVID Crimes Face Judgment – Five Years Later

It has been five years since the launch of Operation COVID-19—an unprecedented global campaign of fear, control, and deception. What the world called a “pandemic,” we recognized early on as a scandemic, steeped in political manipulation and religious influence from Rome itself. The Berean Beacon was among the first Christian ministries to warn of the Jesuit fingerprints behind the scenes, influencing the architects of COVID policy in America.

Jesuit Plots – Chapter VI. The Armada Against England

The history of various Jesuit plots to murder the British Monarch, to blow up the Parliament with gunpowder and kill all the government officials, and to invade England with armies from Spain with the Spanish Armada.

Jesuit Plots – Chapter V. The Great Troubler

Amongst other things which this Humphrey Ely tells me, one is a great secret in the name of some Island (English) nobleman and of the "Jesuit Fathers themselves." It was that the said nobles are determined to try to kill the Queen with their own hands if they are assured, at least verbally, by His Holiness that in so doing they would not fall into sin. Because of the dangerous nature of the enterprise they would risk instant death.

Jesuit Plots – Chapter IV. The First Public Record Office Surprise

The Old State Papers, recently recovered from the Vatican Archives, etc., clearly prove that many of those whom the Roman Church now designates as "Martyrs for their Religion" were really involved in Jesuit plots to murder the Queen and bring about the invasion of our Country by foreign armies.

Jesuit Plots – Chapter III. Irish Jesuits in Australia during the Great War

The Irish Jesuits controlled and directed from Dublin caused such an agitation in Australia in 1918, that the five Divisions (50,000 men), were withdrawn from the fighting line on October 6th, five weeks before the

Armistice, whilst the Canadian, New Zealand, Newfoundland, and South African troops went right through to the end.

Jesuit Plots – Chapter II. Salutes and Military Honours for the Pope.

In secret Despatches handed over by the American Secret Service to the British Government after America came into the War (WWI), are many other Despatches proving that the Priests of the Church of Rome all over the world were working for the downfall of the British Empire, and the defeat of the Allies, so that the Pope might once again regain his position in the world as King of Kings. For this reason the Allied Powers refused to allow the Pope a seat at the Peace Conference in 1919. The Allies knew all about the Papal plots and indignantly spurned all emissaries of the Pope.

Jesuit Plots From Elizabethan To Modern Times – By Albert Close – Chapter I.

The Jesuit Order was the Satanic answer to the Reformation, endeavouring to restore the lost fortunes of the Papacy. What would it not give to again rule in England? Mr. Close reveals some of the criminal efforts of these "Shock troops of Rome".

[The Grand Design Exposed Chapter 17](#) [Two Occult Powers United For Final](#) [World Control](#)

The Church of Rome, as usual, has taught her people a deception – not, that the “catastrophe” that is about to fall upon the earth is the works of their own evil hands, but instead, it is taught that it will be the result of a prophecy of the Virgin Mary that has brought mankind under condemnation due to their refusal to worship according to Rome.

The Grand Design Exposed Chapter 15 America's Occult Agenda – Unmasked

As Nimrod was the supreme super hero who out shone all other men 'put together' while living on earth – so his Sun-god position, glory and number was vastly superior to all other gods in the Zodiac, which sum number of the 36 lesser room gods added together is 666. In other words, 1+2+3+4 all the way including 36, when added together, equals 666.

The Grand Design Exposed Chapter 13 England's Religious War Expanded To New World

Rome's screams and cries from England's horrible persecution against her saintly Jesuits defending their faith is enough to win over the most sensitive of all sympathetic ears. But – in doing so, one must disregard completely –England's Queen Elizabeth excommunicated by the pope, her subjects urged to rise up against her, the Spanish Armada, the Gunpowder Plot, the Inquisition, St. Bartholomew's massacre, the Thirty Years' War, the Irish massacre, and the Bible, and come back into the fold – the only and true fold – that guarantees mankind his eternal salvation. How nostalgic.

With this kind of thinking it becomes understandable and generally accepted, the belief in the saying that, "the whole world loves a lie". Certainly the whole world is 'living' a lie. And giving it just a little more time, will surely die in its lie.

[The Grand Design Exposed Chapter 12](#) [The Perpetrators And Evolution of The](#) [Great French Revolution](#)

Rome has very cleverly and masterly painted a picture of sweet innocence of having any involvement in the French Revolution. She, as a Church, is described as having been persecuted during the time, where her churches were closed or misused and priests terribly harassed. This one-sided truth which makes her appear as a victim of the times, along with being well hidden behind Freemasonry and the Illuminati, covers up her crimes with a near perfect alibi against any accuser.

[The Grand Design Exposed Chapter 11](#) [Architects of The Grand Design](#)

The American and French Revolutions were tied intimately together by the same conspiracy of Rome, well concealed behind the covers of the Illuminati Order and Freemasonry.

[The Grand Design Exposed Chapter 6](#) [Society of Jesus Order – A Look At](#) [Ignatius Loyola](#)

Jesuits knew no rule, no tie but that of their Order, and no duty but to extend its power for the pope. There was no crime too great for them to commit, no deception too base for them to practice, no disguise too difficult for them to assume. Vowed to perpetual poverty and humility, it was their studied aim to secure wealth and power, to be used in the designed overthrow of Protestantism and the reestablishment of Roman Catholic supremacy.

The Grand Design Exposed Chapter 5 Rome's Counter Reformation and the Jesuits

In their Jesuit "Constitutions" it is repeated five hundred times that one must see Christ in the person of their Superior General. Thus with fourteen years of this intense brand of education, the Jesuit is prepared as the 'strike force' for the Roman Church.

The Grand Design Exposed Chapter 3 Rome – Implacable Enemy of God's Truth – Reason for Reformers' Cries

Rome, from its earliest history, has always been the implacable enemy of God's truth, from its decree to crucify Jesus Christ, to sending early Christians to their deaths in the coliseum arena of ravenous lions. It was

that same 'Sun' worship system of religion, that had been originally concocted in Babylon. Anciently, it had come to Rome in fragments and was known historically as Pagan Rome. But later, as the Imperial Roman Empire collapsed and Papal Rome took its place, Babylonian Sun Worship manifested itself in an almost pure and radical form. And even though today it has lost the power to have one executed for not conforming to its doctrines, it is still the same, and is called the 'Roman' Catholic (universal) Church.

[The Grand Design Exposed Chapter 2 The Knights Templar Paves Way For Protestant Reformation](#)

Very interesting history about Knights Templar, what they did, why they were unjustly persecuted, and how they sowed seeds of discontent against the Church of Rome.

[The Grand Design Exposed Chapter 1 Manufactured Crises – A Plot For World Change](#)

Without question, the world today is in quite a predicament. Certainly, never before in the history of our planet, has it ever been so greatly stressed upon mankind's consciousness the overwhelming ills that are facing our world. The urging of these continued reports seem to leave us in no doubt, that if we as a world, do not get our act together, it may be too late. The fact is, they tell us, that our world is facing a crisis hour, approaching its final destiny. We must act 'universally' now, if we are to avert a world-wide catastrophe. So they say.
