Japan Rescued Polish Orphans from Siberia at the end of World War One

This is the story of when Japan rescued Polish orphans from Siberia at the end of World War One. I translated it from Japanese to English from the YouTube with the help of my Japanese friend Yoko Ishikawa:

The untold story of why Poland is friends with Japan!

Praise to the non-discriminatory Japanese nurse for her help and support.

This is a heart moving true story.

In 1989, Poland changed significantly due to democratization from the former communist bloc which resulted in its rapid economic growth. In 21 consecutive years, Poland's GNP has the only positive growth in Europe. It has maintained this growth in spite of the euro crisis and the collapse of Lehman Brothers.

Poland has a surprisingly warm friendly relationship with Japan. A popular department of the prestigious University of Warsaw is the Japan Department of Japanese martial arts boom such as kendo.

In 1920, after the First World War, during the civil war of the Russian Revolution, many Polish citizens were detained in Siberia. They could not use the land route of the Trans-Siberian Railway during the war to escape from Russia, and even if they did manage to return to Poland, their house was gone.

The Polish people were dying one after another in a land of extreme cold. Poland in an effort to save just the children who lost their parents, issued a letter, a life-saving petition to the United States and the United Kingdom. The petition asked for transportation and the assistance of orphans, but due to the tension of international relations, the reaction of the nations to Poland's request was indifferent and callous.

Poland then turned to Japan for help as its last hope.

The Japan Ministry of Foreign Affairs made a prompt decision toward the relief of the orphans.

In late July, 1920, 56 orphans from Vladivostok arrived in Tokyo via Tsuruga, and were housed in a dormitory. At the time Japan had no formal diplomatic relations with Poland, and moreover, to comply with a request that was a costly and effort-consuming attempt to aid civilians in Siberia who were separated from their homeland was unusual.

And, from 1920 to 1922, a total of 5 times, 765 orphans from one year old to 16 years old were brought to Japan by ship, and they received a surprisingly warm hospitality. Orphans with lice on their heads or those who suffered from typhus and other bad health conditions and those who were starving were treated immediately after arrival by hard working Japanese Red Cross nurses.

News of the orphans was broadcast throughout Japan. As a result donations, toys, candy etc. were sent to the orphans. Volunteers provided dental treatment, hairdressing, entertainment, and consolation.

Entertaining and comforting the orphans was offered one after another. Also, Japanese children who were brought by adults to visit the Polish orphans, without hesitation gave them the clothes they were wearing and their hair ornaments. In addition, there was also the following episode.

A young Japanese nurse, Ms. Fumi Matsuzawa, who cared for a child with typhoid fever, said she wanted at the very least, for the child to die while holding the child in her arms. She continued to nurse the child without leaving him even for a moment.

Her effort was worth it and the child miraculously recovered, but Ms. Fumi

herself was infected with typhoid fever, and eventually died from it. In addition, there is also a similar recollection of another child. "I had been suffering from a terrible skin disease, and medicine was applied all over my body. Then I was wrapped in a white cloth as mummy, and was taken to bed by the nurse.

When the nurse put me on the bed, she smiled and kissed my nose which was the only part of my face out of the cloth. I got the courage to live because of this kiss, and burst into tears.

The orphan children were thus touched by the warm hearts of the Japanese. They were pale skinned and skinny children when they first came to Japan, but by the time they left they were all healthy and became like a different person.

This was of course a wonderful thing, but it also meant that the day was approaching when the children would go back to their homeland.

Everyone was hoping that they would stay in Japan, the nation where the sun is pretty, a nation with beautiful summers, with a sea, where flowers are always in bloom.

When the orphans departed Japan, bananas and sweets were given to them. With sadness of heart, the Japanese who cared for them said goodbye, and the children's eyes were full of tears.

The orphans yelled out from the deck of the ship, "arigato" (thank you) to the Japanese on shore. They also sang Japanese songs and showed much gratitude for the care they received.

The Japanese captain of the ship went to the orphans' quarters every night, and went to each bed, each child, and made sure the child was covered with a blanket up to his neck. He stroked the child's forehead to make sure the child did not have a fever.

Father's hand was surely so big, and warm, the child thought. They waited with half closed eyes for the captain to come around and see them.

After the children returned to Poland, they were housed in an orphanage. They grew up and went about their individual lives, but they knew it was the affection that was poured out to them in a foreign country that gave them the power to live.

This story has been buried in the vortex of history in Japan, and most of the Japanese have forgotten the event with the orphans from Poland. However, the Polish people themselves did not forget.

In 1980, a movement of democratization began in Poland. Mr. Lech Walensa who became the driving force behind it selected Japan for his first foreign visit destination. He visited Japan in May 1981. He found Japan to be a nation of peace and full of great potential. When Mr. Walensa returned home, he made a slogan calling Poland to become the second Japan.

In 1989, Poland was liberated from Communism and became the Republic of Poland.

Mr. Nagao Hyodo who served as the Polish ambassador from 1993, began to wonder why Poland is so pro-Japanese. He decided to determine the cause and spread the reason why.

In October 1995, eight of the Siberia orphans officially visited Japan.

Though the orphans were all older than 80 years old, their memories were still vivid, and they shared their feelings of gratitude. And, Mr. Nagao Hyodo until the last year of his term of office, piled up information of the exchanges with the orphans.

The Vice Chairman of the Far Eastern Commission, Mr Jozef, Yakubukebitchi, sent a thank-you letter to the Japanese government.

Polish nationals are a noble people, a nation that does not forget the kindness showed it. I would like the Japanese people to know that fact about Poland.

The Polish people have the deepest respect, the most warm friendship and affection for Japan. I want to tell the world about this.

An event to prove this took place in 1995. When the people of Poland heard news of the Great Hanshin Earthquake, they moved toward the relief of the affected area as soon as the very next day.

And, children who became orphans after the earthquake were invited to Poland where they received comfort and compassion.

Poland's local governments, companies, wealthy individuals, and artists, sent donations and gave support and aid.

At the end of the second visit, the earthquake orphans had a face-to-face meeting with the original Siberia orphans. They talked about the past and deepened their friendship. In 2006, the last of the Polish orphans, Ms. Antonina Lilo, died at the age of 90.

Before she had her last breath, she left a kind word. "Japan was like heaven on earth."

I hope many people will see this video.

The Founding Fathers of America: All opposed to the Gospel of Jesus Christ!

Watch this educational well made factual documentary based on the very

writings of the founding fathers of the United States of America, men like **Thomas Paine, George Washington, Thomas Jefferson, John Adams, Benjamin Franklin**, etc., and you will see that America was *not* founded by godly Bible believing men to be a Christian Protestant nation, but by men who actually *opposed* the Gospel of Christ calling it “blasphemously obscene” and who called the Bible “a collection of paltry and contemptible tales.”

The founding fathers of America held same views as those of the so called “French Enlightenment”. All were opposed to the teaching of the Gospel and did not hold the Bible to be the Word of God.

The Declaration of Independence and the American Constitution literally made it **legal to practice witchcraft**, something that was outlawed in countries of Europe.

[The Jesuit Origin of the American Flag](#)

The ensign of the East India Company from 1707-1801. It has 13 stripes just like the American flag

The East India Company (EIC), originally chartered as the Governor and Company of Merchants of London trading into the East Indies, and more properly called the Honourable East India Company, was an English, and later (from 1707) British joint-stock company, formed to pursue trade with the East Indies but that ended up trading mainly with the Indian subcontinent, Qing Dynasty China, North-West Frontier Province and Balochistan. The Company rose to account for half of the world's trade, particularly trade in basic commodities that included cotton, silk, indigo dye, salt, saltpeter, tea, and opium. The Company also ruled the beginnings of the British Empire in India.
– Quoted from Wikipedia article

Lorenzo Ricci, S.J. (August 1, 1703 – November 24, 1775) was an Italian Jesuit, elected the 18th Superior General of the Society of Jesus. He was

also the last before the suppression of the Jesuits in 1773. – Quoted from Wikipedia article

According to the book “Rulers of Evil – Useful Knowledge about Governing Bodies” By F. Tupper Saussy, Lorenzo Ricci played a key role in the creation of the United States of America by creating the appearance of tranny from English rule over the American colonies. He is one of the founding fathers of America that 99.9999% of Americans have never heard of. The book suggests that Ricci may have faked his own death to come to America and meet up with the other founding fathers of America, especially when he met Benjamin Franklin.

Quotes from Rulers of Evil

At the evening session, [Benjamin] Franklin turned the meeting over to “his new-found and abundantly honored friend.” (who was also called “the professor” and who was very likely the retired Jesuit General Lorenzo Ricci) The subject was a flag. Addressing the committee as “Comrade Americans,” the Professor explained that, since the colonies were still dependent upon Great Britain, “we are not expected to design or recommend a flag which will represent a new government or an independent nation,” but instead one “that will testify our present loyalty as English Subjects,” a flag that was “already in use,” a flag that had been recognized by the British government for “half a century,” a flag having a field of alternate horizontal red and white stripes with the Grand Union Flag of Great Britain in the upper left corner. “I refer,” he said, “to the flag of the East India Company.” To hide the fact that Americans would be fighting under **the private flag of an international mercantile corporation controlled by Jesuits**, the Professor provided a plausible cover whereby the flag could be “explained to the masses:”

“The Union Flag of the Mother Country is retained as the union [upper left corner] of our new flag to announce that the Colonies are loyal to the just and legitimate sovereignty of the British Government. The thirteen stripes will at once be understood to represent the thirteen Colonies; their equal width will type the equal rank, rights and responsibilities of the Colonies. The union of the stripes in the field of our flag will announce the unity of interests and the cooperative union of efforts, which the Colonies recognize and put forth in their common cause. The white stripes will signify that we consider our demands

just and
reasonable; and that we will seek to secure our rights
through
peaceable, intelligent and statesmanlike means – if they
prove
at all possible; and the red stripes at the top and
bottom of our
flag will declare that first and last – and always – we
have the
determination, the enthusiasm, and the power to use
force –
whenever we deem force necessary. The alternation of the
red
and white stripes will suggest that our reasons for all
demands
will be intelligent and forcible, and that our force in
securing our
rights will be just and reasonable.”

The Professor reminded the committee that “the masses of the people, and a large majority of the leaders of public opinion, desire a removal of grievances, and a rectification of wrongs, through a fuller recognition of their rights as British Subjects; and few of them desire and very few of them expect – at this time – any complete severance of their present political and dependent relations with the English Government.” That severance would occur “before the sun in its next summer’s strength” – indicating that the Professor foreknew, as Lorenzo Ricci would have foreknown, **a July declaration of independence**. At that time, the East India Company flag could be “easily modified” by replacing the Union Jack with stars against a blue background, “to make it announce and represent the new and independent nation.”

Washington and Franklin lavished the Professor’s idea with “especial approval and unstinted praise.” The committee formally and unanimously adopted the East India Company’s banner, known as “The Thirteen Stripes,” as the “general flag and recognized standard of the Colonial Army and Navy.” Just before midnight, they adjourned.

On January 2, 1776, at a formal ceremony attended by the Flag Committee, George Washington personally hoisted the East India Company flag “upon a towering and specially raised pine tree liberty pole,” unfurling it to the breeze and displaying it for the first time

“to his army, the citizens of the vicinity, and the British forces in Boston.” The British officers at Charlestown Heights perceived the event to mean that General Washington had thus announced his surrender to them. At once, they saluted “The Thirteen Stripes” with

thirteen hearty cheers. They immediately followed this spontaneous outburst of British Enthusiasm with the grander and more dignified official salute of thirteen guns, the thirteen gun salute being the highest compliment in gunpowder, the military "God speed you."

By so colorfully equivocating both his enemies, the Professor had made himself God of Confusion. The redcoats were toasting RULERS OF EVIL the good health of the rebels, who in turn were fighting for the East India Company. One of the few places in the world where such ludicrous phenomena are considered standard and routine is in the pages of Lorenzo Ricci's Thirteen Articles: "The General decides everything; he knows how to shape, at will, not only the army he is commanding but also that of his enemies."

Guillotines in America?

My good friend Aaron shared this article with me.

A modern guillotine

"And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were **beheaded** for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his

mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years.”-Revelation 20:4

As we see in Revelation 20, the prophecy declares that some of the children of God that do NOT go along with the Papacy's mark will find themselves at the business end of a guillotine. All too often the argument arises. How can we as a modern and more civilized people, use guillotines. Would this not be barbaric as well as insane in today's age? After all, we are civilized now, and execution methods of the dark ages are just plain outdated! Therefore, this must prove the prophecy of Revelation chapter 20 to be absolutely false, right? Well, you may want to suggest to those that speak such words regarding prophetic facts, that they should hold on to their hats. LITERALLY!

The prophecy declares that **some WILL be killed by guillotine**, and that is what must occur. So, the enemy will eventually figure out ways to get this done. NOT because they believe the prophecy, and want to do as the Almighty declares in that prophecy. Not at all! The fact is, the Lord SAW this end result from the beginning and decided to tell us in advance in His prophetic Word. The wicked are merely doing what the Almighty already saw them do long ago. In other words, They WILL do it! Because our Lord SAW them do it!

Not long after the movie "The green mile", many state officials including the governor started a massive campaign to stop executions by electrocution. What was their decided choice for execution you ask? A no brainer eh? **THE GUILLOTINE!**

The states known of so far are GEORGIA & MONTANA as the recipients of these guillotines. The information I had received was that 15,000 guillotines had been shipped to Georgia as well as Montana for safe keeping until such a time as they are needed.

Some of you may be asking, why in this modern age we would have government officials lobbying for laws that would require guillotines as a way to kill those they deem worthy of death? With all our technology, with all our civilized ways, with all our "humane" laws, what would drive men to kill with such a thing as a guillotine? **MONEY!** That's right folks! It's the exact same thing that moves the beast in Rome to do the things it does. The almighty dollar bill is what they worship, and the almighty dollar bill is what directs their paths. They truly serve the god of mammon.

Think of it... You can get over \$40,000 for one kidney now. Imagine what an entire human body is worth with TWO kidney's, two eyeballs, a heart, a liver, lungs, skin, gall bladders, bone marrow, blood, etc etc etc. The hospitals of the world have become literal body snatchers right before our eyes! Keep in mind as well, the governing officials of the world also see a cash cow in the executioners cage because they know what they can get for those "fresh" organs. And the Almighty Creator knew of this long before ANY of our transplant surgeons were even born. Isn't that awesome how His prophecy works out? He doesn't have to give us the morbid details as to WHY they will be using guillotines. He just tells us they will be using them!

So... let's cut to the chase!

Why would guillotines represent the better option? I am sure most of you have figured it out already. Why don't they choose "lethal injection" as an alternative? That is a VERY humane way to break the sixth commandment isn't it? Or what about cyanide gas? The same gas used on the Jews that was manufactured by the family business of Pope John Paul II's parents, in fact, John Paul himself was a salesman of the gas. I never heard of anyone igniting or screaming or writhing for 2 or 3 minutes in a gas chamber in excruciating pain, or on a lethal injection table. Have you? So why don't they use those already in use "so called" humane methods to kill the Christians they will eventually have in their jails? BECAUSE THE ORGANS WOULD BE POISONED AND NOT WORTHY OF HARVESTING!

An excerpt from **Bill #1274 in the Georgia House of Representatives**. (I highlighted for obvious reasons...) Notice how the bill lets the cat out of the bag as to WHY they want guillotines. It's not as they said in the first place is it?

Georgia House of Representatives – 1995/1996 Sessions
HB 1274 – Death penalty; guillotine provisions
Code Sections – 17-10-38/ 17-10-44

A BILL TO BE ENTITLED AN ACT

1- 1 To amend Article 2 of Chapter 10 of Title 17 of the Official
1- 2 Code of Georgia Annotated, relating to the **death penalty**
1- 3 generally, so as to provide a statement of legislative
1- 4 policy; to provide for **death by guillotine**; to provide for
1- 5 applicability; to repeal conflicting laws; and for other
1- 6 purposes.

SECTION 1.

1- 8 The General Assembly finds that while prisoners condemned to
1- 9 death may wish to donate one or more of their **organs for**
1-10 **transplant**, any such desire is thwarted by the fact that
1-11 **electrocution makes all such organs unsuitable for**
1-12 **transplant**. The intent of the General Assembly in enacting
1-13 this legislation is to provide for a method of execution
1-14 which is compatible with the **donation of organs** by a
1-15 condemned prisoner.

The "Green mile" that was released of the man in the electric chair declared quite boldly, "**THIS IS INHUMANE**" did it not? Yet we see here in the wording of Georgia House Bill #1274, their main concern is NOT whether or not it's inhumane to do so. The Bill states plainly that, "electrocution makes all such organs unsuitable for transplant. "

NATIONAL ISSUE: One Court For All The World?

A United Nations meeting in **Rome** is wrapping up five weeks of work on a proposed international criminal court. The new court would have worldwide

jurisdiction and could investigate, indict, hold, try, and punish, **those who committed certain crimes**. The proposed international court would subject Americans to a new world authority... "Were talking about creating here something that exercises genuine power, real put-people-in-jail power, but that is responsible to no one but itself." said Lee Casey, a constitutional lawyer with the Washington firm of Hunton & Williams. [Investment Business Daily, Thursday July 16, 1998 Los Angeles, California]

Why are they so vague about the "certain crimes" ? What do you suppose a "certain crime" would be for Rome? How would they define it?

The archbishop of St. Louis said: "**Heresy and unbelief are crimes**; and in Christian countries, as in Italy and Spain, for instance, **where all people are Catholics**, and where **the catholic religion is an essential part of the law of the land, they are punished as crimes.**" ... "Every cardinal, archbishop, and bishop in the Catholic Church takes an oath of allegiance to the pope, in which occur the following words" "Heretic, schismatic's, and rebels to our said lord (the pope), or his aforesaid successors, I will to my utmost persecute and oppose." -Josiah Strong, "Our Country," ch. 5, pars 2-4.

The Vatican has the [one world court](#). It has the [one world church](#). And as soon as we have the global financial disaster James speaks of in Chapter 5, the Vatican will hold the Euro, or "one world currency" that is already backed by it's treasury as well. The wound will be 100% healed, and the people of God will be arrested for "certain crimes." And the United States of America will do exactly as prophecy said it would. It will HELP ROME kill the Christians, and enforce the mark of the beast. And of course many of us will choose death over denying the Truth we know in Christ.

[Book Report: Rulers of Evil – Useful Knowledge about Governing Bodies, By F. Tupper Saussy](#)

This book has key pieces to the puzzle of how the Vatican has taken over the world through the Knight Templars, Illuminati, Jesuits, Freemasons, Knights of Malta, Rosicrucians and other secret groups. Yes folks, these groups are all connected with the center being Rome, the Vatican. “All roads lead to Rome” is true today as it ever was.

I deem the author Frederick Tupper Saussy to be a good honest researcher because he is a Christian who has pointed consistently throughout his book that the “Rulers of Evil” have sought to negate doctrines from the Old and New Testaments of the Holy Scriptures in favor of doctrines of paganism, with humanism being the number one doctrine they want to instill in the minds and hearts of the public.

Here’s a quote from page 20.

I felt an overwhelming obligation to love my enemies by studying them in intricate detail. I wanted to know the extent of **Jesuit involvement in United States government**, presently and historically. What I discovered was a **vast Roman Catholic substratum to American history**, especially the Revolution that produced the constitutional republic. I found that Jesuits played eminent and under-appreciated roles in moving the complacent New Englanders to rebel against their mother country. I discovered facts and motives strongly suggesting that events that made Great Britain divide in 1776 were **the outworkings of an ingenious Jesuit strategy**. This strategy appears to have been single-handedly designed and supervised by a true founding father few Americans have ever heard of – **Lorenzo Ricci** (known to British Jesuits as Laurence Richey). In fact, investigating Jesuit involvement in the formation of the United States turned up a whole host of hitherto littleknown names, such as Robert Bellarmine, Joseph Amiot, the Dukes of Norfolk, Daniel Coxe, Sun-Tzu, Lord Bute, Francis Thorpe, Nikolaus von Hontheim, and the Carrolls, Daniel, Charles, and John. In their way, these men were as essential to our constitutional origins as Jefferson, Paine, Adams, Washington, Locke, and George III.

New information I have learned so far

- The founder of the Jesuit Order, Ignatius Loyola, was initiated into the Illuminati. The Illuminati existed long before Adam Weishaupt founded the *Bavarian branch* on May 1st. 1776.
- It was in Spain and Portugal that the Knights Templars began to call themselves "Illuminati."
- The basic doctrines of the Illuminati are based on Gnosticism.
- The Illuminati, Rosicrucians, Freemasons, Jesuits and Knights of Malta are groups that evolved from the Knights Templars
- The Knights Templars invented modern banking because of the invention of paper money by the Chinese. The banking financial systems of today would not be possible without paper money which has now advanced further into digital money.
- Though the Gunpowder Plot of 1605 was blamed on the Jesuits, and 8 Jesuit priests were executed, King James who "discovered" the plot was in reality a collaborator! The Plot gave James his best opportunity to separate loyal and moderate Catholics from the extremists of the Plot which secured England for loyal and moderate Roman Catholicism. The sacrifice of 8 Jesuits was a small price for the Vatican to pay to achieve what they have achieved in England!
- Shakespearean plays teach pagan Gnosticism much more than Biblical truth.
- The United States of America and its constitution was founded by Freemasons with a hidden agenda. This is exactly what author Ralph Epperson teaches in his video, "America's Secret Destiny".
- Some Jesuit priests wear plain clothes or the garb of something other than a Catholic priest. They do this for the purpose of infiltration. Some may even become ministers of Protestant churches! [Alberto Rivero](#) was one such Jesuit priest who wore plain clothes and was trained to be an infiltrator.

Journalist Greg Anthony highlights the work of Tupper Saussy and his book *Rulers of Evil*, going back to a lost but now found June 20 2006 radio interview he did with Tupper two years prior to his passing.

Some of the conclusions and statements in "Rulers of Evil" are in direct contradiction the what Eric Jon Phelps says in his book, "Vatican Assassins". Phelps says the writer of Shakesperian plays was Edward de Vere, 17th Earl of Oxford. Masonic author Manly P. Hall says Freemason Francis Bacon was the real author of Shakespeare. After reading Hamlet last year, I am inclined to agree that de Vere did not write the plays attributed to William Shakespeare but more likely Francis Bacon and perhaps some of his associates did.

I do not recommend anyone to listen to Eric Jon Phelps or read his book *Vatican Assassins* anymore. Though he calls Charles Chiniquy one of his heroes, he contradicts him when he says that the civil war was caused by the North, and not the South. [Chiniquy quotes Abraham Lincoln](#) when he points the finger at the Jesuits and the Roman Catholic church for inciting the **South** to

rebel against the North. Phelps also called George Washington a good Baptist when he was really an Episcopalian. He called him a godly man though Washington was a Freemason who did not believe in the divinity of Jesus Christ! Either Phelps gets his facts mixed up or he has a secret agenda.

Famous American members of the Knights

of Malta

The Knights of Malta is the *lay branch* of the Jesuit Order!

“The Knights of Malta is a world organization with its threads weaving through business, banking, politics, the CIA, other intelligence organizations, P2, religion, education, law, military, think tanks, foundations, the United States Information Agency, the United Nations, and numerous other organizations. The world head of the Knights of Malta is elected for a life term, with the approval of the **Pope**. The Knights of Malta have their own Constitution and **are sworn to work toward the establishment of a New World Order with the Pope at its head**. Knights of Malta members are also powerful members of the **CFR** (Council on Foreign Relations) and the **Trilateral Commission**.” – Quoted from “Behold a Pale Horse” by William Cooper

I got the list of Knights of Malta members from <http://www.biblebelievers.org.au/kmlst1.htm>. I limited the first section to only show Americans and only those who are not members of the Roman Catholic clergy. I got the identity of the less famous ones from Wikipedia. I figured everybody should know the more famous names and so I didn't include a description for them.

Some of these people are known as Jews (Alan Greenspan) or as members of a Protestant church (the Bush family)! Most people would not associate them with a Roman Catholic organization.

What famous men had to say about the Jesuit Order

"My history of the **Jesuits** is not eloquently written, but it is supported by unquestionable authorities, [and] is very particular and very horrible. Their [the **Jesuit Order**' s] restoration [in 1814 by Pope Pius VII] is indeed a step toward darkness, cruelty, despotism, [and] death. ... I do not like the appearance of the **Jesuits**. If ever there was a body of men who merited eternal damnation on earth and in hell, it is this **Society of [Ignatius de] Loyola**."

John Adams (1735-1826; 2nd President of the United States)

John Adams

From my research and materials people have been sending me, I have been thinking more and more that all roads indeed do lead to Rome, and specifically to the *Vatican*! Can you think of any State that has had such sway of the minds of so many for such a long history as the Holy Roman Empire had, and continues to have to this day? Their temporal power only *appears* to be broken. This is merely my opinion, of course, but I think the quotes below speak for themselves. Did these men really say them? If they did, I think they carry some weight. If they *didn't* say them, prove it to me and I shall remove them from my blog.

I found these quotes on

<http://letsrollforums.com/jesuit-quotes-citations-t14412.html> and <http://v666.wordpress.com/2007/02/21/quotes-concerning-jesuits-which-all-should-read/> And from <http://calltodecision.com/qct.htm> I took only the ones of whom I consider to be authoritative figures from history.

John Adams (1735-1826; 2nd President of the United States)

"Between 1555 and 1931 the Society of Jesus [i.e., the Jesuit

Order] was expelled from at least 83 countries, city states and cities, for engaging in political intrigue and subversion plots against the welfare of the State, according to the records of a Jesuit priest of repute [Thomas J. Campbell]. ...Practically every instance of expulsion was for political intrigue, political infiltration, political subversion, and inciting to political insurrection." (1987)

J.E.C. Shepherd (Canadian historian)

Abraham Lincoln

This [American Civil] war [of 1861-1865] would never have been possible without the sinister influence of the Jesuits. We owe it to popery that we now see our land reddened with the blood of her noblest sons. Though there were great differences of opinion between the South and the North on the question of slavery, neither Jeff Davis [President of the Confederacy] nor anyone of the leading men of the Confederacy would have dared to attack the North, had they not relied on the promises of the Jesuits, that under the mask of Democracy, the money and arms of the Roman Catholic, even the arms of France, were at their disposal if they would attack us. I pity the priests, the bishops and monks of Rome in the United States, when the people realize that they are, in great part, responsible for the tears and the blood shed in this war. I conceal what I know on that subject from the knowledge of the nation, for if the people knew the whole truth, this war would turn into a religious war, and it would at once take a tenfold more savage and bloody character. It would become merciless as all religious wars are. It would become a war of extermination on both sides."

– Abraham Lincoln (1809-1865; 16th President of the United States)

"The Jesuits...are a secret society – a sort of Masonic order – with superadded features of revolting odiousness, and a thousand times more dangerous."

– Samuel Morse (1791-1872; American inventor of the telegraph; author of the book [Foreign Conspiracy Against the Liberties of the United States](#))

"The Jesuits are a MILITARY organization, not a religious order. Their chief is a general of an army, not the mere father abbot of a monastery. And the aim of this organization is power – power in its most despotic exercise – absolute power, universal power, power to

control the world by the volition of a single man [i.e., the Black Pope, the Superior General of the Jesuits]. Jesuitism is the most absolute of despotisms [sic] – and at the same time the greatest and most enormous of abuses.”–**Napoleon Bonaparte; 1769-1821**

The Jesuits...are simply the Romish army for the earthly sovereignty of the world in the future, with the Pontiff of Rome for emperor...that’s their ideal. ...It is simple lust of power, of filthy earthly gain, of domination – something like a universal serfdom with them [i.e., the Jesuits] as masters – that’s all they stand for. They don’t even believe in God perhaps.”
–*Fyodor Dostoyevsky (1821-1881; Russian novelist)*

The organization of the [Roman Catholic] Hierarchy is a complete military despotism, of which the Pope is the ostensible [i.e., apparent; seeming] head; but of which, the Black Pope [Ed. Note: The Superior General of the Jesuits], is the real head. The Black Pope is the head of the order of the Jesuits, and is called a General [i.e., the Superior General]. He not only has command of his own order, but [also] directs and controls the general policy of the [Roman Catholic] Church. He [the Black Pope] is the power behind the throne, and is the real potential head of the Hierarchy. The whole machine is under the strictest rules of military discipline. The whole thought and will of this machine, to plan, propose and execute, is found in its head. There is no independence of thought, or of action, in its subordinate parts. Implicit and unquestioning obedience to the orders of superiors in authority, is the sworn duty of the priesthood of every grade...”
– *Brigadier General [Thomas M. Harris](#)* He wrote the book, “Rome’s responsibility for the assassination of Abraham Lincoln” – which exposes the work of the Jesuits

“The presence of the Jesuits in any country, Romanist [i.e., Catholic] or Protestant, is likely to breed social disturbance.”--
Lord Palmerston, a British statesman who served twice as Prime Minister of the United Kingdom in the mid-19th century.

1913 – 2013

On December 23, 2013, the Federal Reserve Bank celebrated its 100 year anniversary. Too bad however, that the “Fed” is not “federal” and there is *NO* reserve!
