I found a goldmine of information from saidit.net that positively links the Jesuit Order to Israel and Zionism! This article is not a mere copy and paste from saidit.net but a compilation of several sources. I'm going through all the links on saidit.net to fact-check and compile all the information I think is relative to the subject. Indented paragraphs are quotes from the sources I found.

Former German officer and Knight of Malta Reinhard Gehlen was instrumental in the formation and structure of Mossad, the Israeli intelligence agency!

This is confirmed on the [Find a Grave website](#).

Reinhard Gehlen was a General in the German Army during the Second World War and served as Chief Intelligence Officer(FHO) Foreign Armies East, on the Eastern Front obtaining accurate information about the strength and capabilities of the Red Army.

Just imagine that! One of Hitler's generals the creator of Mossad! That alone says a lot of what I am trying to prove in this article.

James Jesus Angleton was in charge of the CIA's relationship with Mossad, making it part of the CIA, KGB and MI6 formation.

A lot of Israeli prime ministers were also high-level Freemasons. This is confirmed on [Freemason Israel Prime Ministers, 1948-2008](#)

Jesuit control over Freemasonry has been pointed out by many relevant figures in the past. The Jesuits themselves were very influential towards the Zionist movement itself. The Rothschilds played a huge role in the movement towards Israel, who have proven to side with the Vatican in order to target their "fellow" Jews many times in the past. [The Jesuits used the Rothschilds to fund the Bolshevik revolution](#), so not only can they be held accountable for the millions of kills under the Communist regime, but **they also supported the anti-Semitic and fascists movements in Europe simultaneously to blame the Jews for creating Communism.**

The Jesuit control over Intelligence in the Middle East isn't limited to the Mossad itself, but they even control the Palestinian authorities through the CIA, having **both groups caught up in a Hegelian Dialectic that they can exploit.**

[The Jesuits are probably the most anti-Semitic group](#) out there due to the Jews being a rather materialist group, which they can't tolerate. They are an extremely anti-nationalist group as well.

The Vatican believes that religious, nationalist Jews aren't the rightful owners of the lands of Israel and that it actually belongs to Catholic Christians.

The Jesuits are the group that has control over all the most relevant

Intelligence agencies and have always gone out of their way to blame Zionism and the Jews themselves for it.

[The Jesuits have controlled the CIA, FBI, KGB/FSB, MI5/MI6, Mossad Intelligence groups simultaneously](#). So they are responsible for nearly every single conflict involving every single nation on earth in the last decades, all while blaming the Jews for it.

Comments from the webmaster

I think with this information we can see the Israeli-Hamas war in a new light. Just the fact that the Israel government took 8 hours to come to the aid of their own citizens, and the fact that the border war was unguarded giving Hamas free reign to do their dirty work, tells me the operation was planned by the Jesuits to lead to the destruction of both sides. Will the Vatican-led Western world continue to allow Israel to murder Palestinians? The head of the Freemasons in the 19th century, [Albert Pike](#), predicted the following:

“The Third World War must be fomented by taking advantage of the differences caused by the “agentur” of the “Illuminati” between the political Zionists and the leaders of the Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other.

You may ask, “How do you know your sources are not Zionist disinformation?” I’m basing my views on the history I know about the Roman Catholic Church and the belief the early Protestant Reformers had about the office of the papacy being the seat of the Antichrist, meaning Satan’s political control of the world. I could ask you the same question. How do you know your beliefs about Jewish control of the world are not based on Jesuit disinformation?

One author I read recently, Benjamin H. Freedman, a man who was raised Jewish, has some interesting things to say about Talmudic Kabbalistic Judaism which he rejects. But I don’t trust him because he’s a Holocaust denier and became a Roman Catholic!!! He could therefore have been a shill working for the Jesuits.

Carbon Dioxide is Not a Pollutant!

In light of the current (30 November until 12 December 2023) United Nations Climate Change Conference in UAE, also known as COP 28, I feel led by the Lord to write something about the so-called climate change crisis. COP stands for Conference Of the Parties under the UN Framework Convention on Climate Change (UNFCCC). In case you don't know it, the UN is not our friend.

Christiana Figueres, the Executive Secretary of the UNFCCC, stated in an interview that the Earth is already overburdened with people and that we should look at depopulating the planet.

She also said: (Quotes from https://www.azquotes.com/author/32264-Christiana_Figueres)

We have to get to the point where each individual, each corporation, each community chooses low carbon, because it makes fundamental sense. It should become a no-brainer.

DEMAND, PURCHASE & USE LOW CARBON PRODUCTS AND SERVICES. MAKE LOW CARBON SEXY!

The transition to a low-carbon economy will be much more painful if we wait until there is a climate crisis before recognizing that more than half of the world's fossil fuel reserves will have to remain in the ground.

Based on the many things I have heard over the years, the real reason behind the agenda of limiting carbon dioxide into the air is to purposely hurt the

economy by increasing the cost of energy. Low-cost energy creates a strong middle-class economy, and this is what the New World Order elite do not want. The middle class has, from the elite's perspective, too much time to think! Rational thinking leads to awareness of government corruption and abuse of civil rights which results in public protests, something no government wants.

Christiana Figueres confirmed this view by actually admitting that the goal of environmental activists is not to save the world from ecological calamity but **to destroy capitalism!**

"This is the first time in the history of mankind that we are setting ourselves the task of intentionally, within a defined period of time, to change the economic development model that has been reigning for at least 150 years, since the Industrial Revolution."

The middle class in England grew as a result of the Industrial Revolution which began in the late 18th century.

As a group, the middle class saw enormous benefits from the industrial revolution. The growth of new businesses and factories created thousands of new jobs. The middle class itself grew in size as occupations like merchants, shopkeepers and accountants allowed the working class to lift themselves into a higher social strata. – Source:

<https://www.theclassroom.com/differences-between-wealthy-middle-classes-poor-industrial-revolution-17180.html>

The Industrial Revolution created great wealth in England through the manufacture and sale of goods. Factories need a lot of energy to operate and that energy came from the low cost petroleum of that time, what the elite call "fossil fuel." Fuel made from crude petroleum wasn't taxed then as it is today. It turns out that the [origin of petroleum may be abiogenic](#) and not from fossils of decayed organic matter! If so, it may be limitless and the price could go down drastically. But that's not what the ruling elite want to happen.

Bill Gates in an interview stated his ambitious goal is for the world to decrease CO₂ to zero by year 2050. In the meantime he confesses to being an 'imperfect messenger' as he lives in large houses and travels by private jet. [He owns four of them](#) which he used for 392 flights last year, more than once per day!

The climate may be changing but it's not the result of CO₂ emissions. It's either natural as a result of solar activity and/or it could be [malicious weather modification, something the US military learned how to do during the Vietnam War](#).

Quote from [There Is No Climate Emergency, Say 500 Experts in Letter to the United Nations](#)

On the same day last week that Greta Thunberg made an impassioned speech to the United Nations about her fears of a climate emergency, a group of 500 prominent scientists and professionals, led by the CLINTEL (Climate Intelligence) co-founder Guus Berkhout, sent this registered letter to the United Nations Secretary-General stating that there is no climate emergency and climate policies should be designed to benefit the lives of people.

The made points in the letter are [listed on CLINTEL's website](#):

There is no climate emergency

A global network of over 1800 scientists and professionals has prepared this urgent message. Climate science should be less political, while climate policies should be more scientific. Scientists should openly address uncertainties and exaggerations in their predictions of global warming, while politicians should dispassionately count the real costs as well as the imagined benefits of their policy measures.

Natural as well as anthropogenic (caused by humans) factors cause warming

The geological archive reveals that Earth's climate has varied as long as the planet has existed, with natural cold and warm phases. The Little Ice Age ended as recently as 1850. Therefore, it is no surprise that we now are experiencing a period of warming.

Warming is far slower than predicted

The world has warmed significantly less than predicted by IPCC ([The Intergovernmental Panel on Climate Change](#)) on the basis of modeled anthropogenic forcing. The gap between the real world and the modeled world tells us that we are far from understanding climate change.

Climate policy relies on inadequate models

Climate models have many shortcomings and are not remotely plausible as global policy tools. They blow up the effect of greenhouse gases such as CO₂. In addition, they ignore the fact that enriching the atmosphere with CO₂ is beneficial.

CO₂ is plant food, the basis of all life on Earth

CO₂ is not a pollutant. It is essential to all life on Earth. Photosynthesis is a blessing. More CO₂ is beneficial for nature, greening the Earth: additional CO₂ in the air has promoted growth in global plant biomass. It is also good for agriculture, increasing the yields of crops worldwide.

Global warming has not increased natural disasters.

There is no statistical evidence that global warming is intensifying hurricanes, floods, droughts and suchlike natural disasters, or making them more frequent. However, there is ample evidence that CO₂-mitigation measures are as damaging as they are costly.

Climate policy must respect scientific and economic realities

There is no climate emergency. Therefore, there is no cause for panic and alarm. We strongly oppose the harmful and unrealistic net-zero CO₂ policy proposed for 2050. If better approaches emerge, and they certainly will, we have ample time to reflect and re-adapt. The aim of global policy should be 'prosperity for all' by providing reliable and affordable energy at all times. In a prosperous society men and women are well educated, birthrates are low and people care about their environment.

Those are statements from honest scientists!

I have a scientist friend, Dr. John Gideon Hartnett, who also exposes the UN Climate Change policies as a scam. The following facts are from his Bible Science Forum website: [Decarbonise the planet, are they mad?](#)

The lie that sits beneath the climate change movement is that there is excess carbon dioxide in the atmosphere. Who says and by what definition? There is no climate catastrophe – some have even called the ideology a total fraud. But there is plenty of money to be made and so Big Oil backs these schemes to suck the life out of the planet.

How deluded do you need to be? Carbon dioxide is not a pollutant. It's **plant food. It is essential to life**, all life (directly or indirectly), yeah, except for maybe some deep sea worms, and anaerobic bacteria.

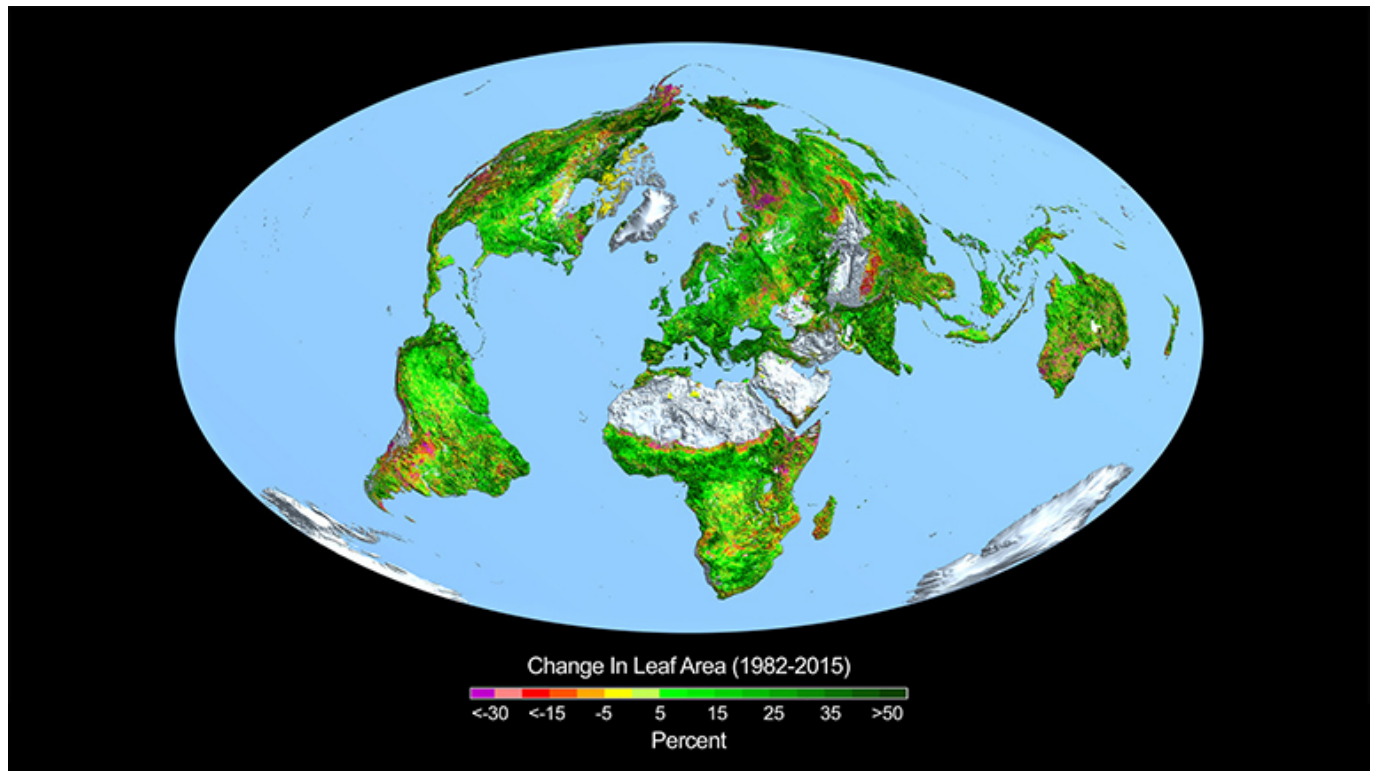

STAGES OF PHOTOSYNTHESIS

There are four essential ingredients for green plants to grow and produce oxygen and sugars. The sugars are the food for animals and humans. The sugars in grasses are what the herbivores (animals like cows and sheep) convert into protein, which we need as a species to survive. And carnivores eat the herbivores, thus all species are included.

Those four essential ingredients are **sunlight**, **carbon dioxide**, **water** and **minerals**, especially magnesium. Sunlight, carbon dioxide, and water – atmospheric molecules – are all demonized as greenhouse gases causing global warming. In addition, nitrogen, another atmospheric molecule, an essential plant fertilizer, is also considered pollution.

NASA says the earth is getting greener as a result of more CO₂ emissions!

A quarter to **half of Earth's vegetated lands** has shown **significant greening over the last 35 years** largely due to rising levels of atmospheric carbon dioxide, according to a new study published in the journal *Nature Climate Change* on April 25.

An international team of 32 authors from 24 institutions in eight countries led the effort, which involved using satellite data from NASA's Moderate Resolution Imaging Spectrometer and the National Oceanic and Atmospheric Administration's Advanced Very High Resolution Radiometer instruments to help determine the leaf area index, or amount of leaf cover, over the planet's vegetated regions. The greening represents an increase in leaves on plants and trees equivalent in area to two times the continental United States.

Green leaves use energy from sunlight through photosynthesis to chemically combine carbon dioxide drawn in from the air with water and nutrients tapped from the ground to produce sugars, which are the main source of food, fiber and fuel for life on Earth. Studies have shown that **increased concentrations of carbon dioxide increase photosynthesis, spurring plant growth.**

What does that mean in relation to the United Nations climate change agenda? It means to me purposely decreasing the amount of carbon dioxide into the air will *decrease* plant growth! There's even talk about cutting down carbon dioxide in the air by [capturing it to permanently storing it underground!](#) Utter madness!

All Christians should pray against COP 28.

Whenever there is worldwide deception, we know Satan is behind it for the Bible says:

Revelation 20:7-8 And when the thousand years are expired, Satan shall be loosed out of his prison, And shall go out to **deceive the nations** which are in the four quarters of the earth,...

Without exception all the leaders of the Protestant Reformation looked at the Popes of Rome as the man of sin who sits as God in the temple of God – the Church – shewing himself that he is God.

The Truth about Zionism – The Zionist / Jesuit connection

World War II, the Third Reich, and the Holocaust, were all birthed by Rome and the Jesuits as an integral part of this agenda. The horrors of Adolf Hitler, a Vatican puppet created by the Jesuits, as was shown by the ghost writer of Mein Kampf, a Jesuit priest named Bernard Stampfle, along with henchmen and monsters like Heinrich Himmler, a Jesuit seminarian, Jews were forced to find a place where they would not be persecuted.

Jesuits & The U.S. Government

This talk by Christian J. Pinto was given on August 3rd, 2016 when Hillary Clinton was running against Donald Trump for president. I edited out some things that I consider to be dated. You can listen to the entire podcast below the text.

Okay, praise the Lord you guys and welcome. I’m Chris Pinto. This is [Noise of Thunder Radio](#). Today on the show we are going to talk about Jesuits and the United States government, Jesuits in the US government.

This is a topic that we have talked about on and off the program. We carry a book with our ministry [Washington in the lap of Rome](#) 1888 by Justin B. Fulton. It is a 19th-century book. We did a republication of it a couple of

years back and I wrote a 70-page forward to it. Why? Because you had Justin Dewey Fulton who was a 19th-century writer and minister, and he was very concerned about the role and the activities of the Jesuit order in the United States. In this book, he spends a lot of time quoting Charles Chiniquy who was a former Catholic priest, a friend of Abraham Lincoln who converted to Protestantism. Chiniquy wrote his book [Fifty Years in the Church of Rome](#) where he asserts a great many things, but among them, his belief was that the Jesuits were behind the assassination of Abraham Lincoln.

There are actually a number of books out there that have reaffirmed that claim with their own investigations. We carried for a little while the book [Who Killed Abraham Lincoln?](#), which was written by Paul Serup, a Canadian author who spent more than 20 years investigating this whole issue. (Note: Mr. Serup sent me an autographed copy of his book! He saw the [Charles Chiniquy articles](#) on this website.) The book was actually picked up by one of the bookstores in the Lincoln Memorial in Washington, D.C.

Now, Chiniquy warned that the Jesuit's ambition in the United States was to take over this country systematically, one step at a time. There's a whole variety of warnings because this is what the Jesuits do. They go in, they infiltrate, and they take control of countries and take them over.

The Jesuits are the authors of *social justice*. That term can be traced back to a Jesuit priest named Luigi Toparelli in 1843. Toparelli first coined the phrase social justice. How they infiltrate through the education system. They developed through the 19th century. They actually developed it over centuries. They developed the principles of socialism and communism. And I believe what they've done is they've come up with basically a three-step program, social justice, then you go into socialism and then you go into full-blown communism. It's a three-step process.

Social justice is the introduction of it. In Western countries, it seems compatible with Christianity because they're building on the idea of the compassion of Christianity that Jesus ministered to the poor and this kind of thing. But then they take those arguments, turn them into humanitarian arguments and use them as a cloak of philanthropy as a cloak so that they can infiltrate positions of power and seize control typically of a nation's economy. And they use philanthropy and the idea that, "Well, we have to be humanitarian, et cetera." It's all the rhetoric that we're hearing from the Democratic Party, by and large. But social justice, then they move to socialism where they begin to phase out the elements of Christianity. And by the time they get to full-blown communism, they've cast off the Bible and Christianity entirely. And now they are pursuing militant atheism.

This is a system, but it wasn't set up by Karl Marx. I mean, Karl Marx obviously played a part, but he was educated by Jesuit priests. I believe they would have taught him these principles, but the principles themselves were developed by the Jesuits over a very long period of time.

And so now today, once you realize this, and you begin to realize their influence in our education system because you've got a whole variety of Jesuit colleges and universities. There is a website called the [Association](#)

[of Jesuit Colleges and Universities](#), the AJCU. And they have a webpage that says [Jesuit Alumni in Congress](#).

The website says,

A commitment to service as a hallmark of Jesuit education. Evidence of that commitment is demonstrated by the many Jesuit college and university alumni serving as members of the US Congress. 9% of members of the 114th Congress have obtained degrees from Jesuit institutions of higher education. See below for lists of the current alumni in Congress.

Then they have a list of those in the Senate.

(**Note:** I am getting the current data as of October 2023 directly from the Jesuit Alumni in Congress web article.)

And there are 14 members of the US Senate.

And there are 39 members of the House of Representatives.

So 14 members of the US Senate are Jesuit alumni, and 39 members of the House of Representatives. A total of 53 members of Congress are Jesuit alumni, educated by the Jesuit order in their various colleges and universities.

Some universities are more well-known than others. At Boston College, you've got Creighton University, Fordham University, Georgetown University, John Carroll University, Loyola, Marymount University. You've got a lot of institutions named after Loyola. That is a reference to Ignatius Loyola, the founder of the Jesuit order, typically. There might be exceptions somewhere, but typically it is a reference to the very founder of the Society of Jesus, the so-called Society of Jesus.

So they've got Loyola, Marymount University, Loyola University, Chicago, Loyola University, Maryland, Loyola University, New Orleans, Marquette University, Regis University, Santa Clara University, Xavier University, Boston College School of Theology, and then the Jesuit School of Theology of Santa Clara University, etc. And then, and there are others.

That's really the backbone of how they infiltrate a society. This was really the genius of Ignatius Loyola and his company of priests, who went after the education system and captured the colleges and the universities. We talk about this in our film, *A Lamp in the Dark*, the untold history of the Bible, that this was the methodology that the Jesuits adopted throughout the Middle Ages. Why? Because you get control of the minds of young people.

The Bible says, train up a child in the way that he should go when he is old, he will not depart from it. Well, the Jesuits understand that, so they want to raise up children, they want to influence their thinking so that while you're going to have some children who are actually going to cooperate with the Jesuit order directly as a result, you're going to have other children

who, even if they don't cooperate with the Jesuit order, are still going to have that influence in terms of their worldview. This is how they influence a whole society. And it's most certainly how they have had a dramatic influence on the United States.

I believe the Jesuits are behind the entire leftist movement in our country. And it's their slow, steady, progressive, systematic movement to infiltrate and ultimately overthrow the United States of America.

Now, I've done programs in the past about the Vatican on issues like gun control. The Vatican's view of the right to bear arms is that the common people should not have the right to bear arms. Look at the growing anti-second amendment movement that is at work in our country. The Democrats are speaking out against the NRA, calling for more and more gun control and this kind of thing. And you've got others who are openly saying that they want to undermine and overthrow the Second Amendment. Well, that would fit in entirely with Rome's, the Vatican's Jesuit worldview.

If you study the history of the right to keep and bear arms, it was very much developed by Protestantism. It's historic in the Western world, and especially among English-speaking people, historically, it is a Protestant right. In terms of defining it through the pages of the Bible and history. And there's that book to keep and bear arms. If you find that book, that book explains a lot of the history behind it. I believe that undermining the right to keep and bear arms is part of the counter-reformation. It's a way of overturning this very important element that Protestantism developed. Because it is part of what allowed Protestant countries to become strengthened in such a way that they could not be so easily overthrown and infiltrated, infiltrated and then overthrown.

I want to go over some of these quotes from 19th-century historian J.A. Wiley, his book, *The Jesuits Their Moral, Maxims and Plots Against Kings, Nations and Church with Dissertation on Ireland*. It's by the Reverend J.A. Wiley, who's the author of the *History of Protestantism*.

If you want to understand Protestantism and its history from a pre-20th century worldview, I recommend Wiley's work. I think it's great. I highly recommend it. Because today, of course, the history books have just been rewritten. They've been rewritten.

And if you go study the Jesuits throughout history prior to the 20th century, brethren, it's just incredible how so much historical data there is, so many warnings about this order, this company of priests and their ambitions to dominate and take over the entire world. I think that so much of that information today has been completely covered up in any kind of mainstream education, completely covered up because if people knew the history of the Jesuits, they would be very alarmed at their influence in our government, even today.

This is from the preface of Wiley's book. He says,

The influx into our country of an order of men whose principle is the negation of all principle, and whose moral code is the subversion of the moral law.

Now think about that, brethren. They've been known for this throughout history. What's happening in our country? Could it be said that the subversion of the moral law is part of what's happening in America? An order of men whose principle is the negation of all principles. We're going to abandon boundaries and principles, et cetera. We're going to find a way to break them down whose moral code is the subversion of the moral law forms in the author's humble judgment, a source of no small danger to the nation.

So Wiley is trying to warn his fellow Britons. He's trying to warn them about what's happening. He says,

"Cast out of all kingdoms for their execrable maxims and their treasonable practices. The Jesuits bestow themselves upon us.

And why? Because they'd been driven out of one country after another after another through the Middle Ages, all the way up into the early part of the 20th century. I've talked about before Switzerland, how the Jesuits were driven out of Switzerland in the 19th century. You go study all the countries that they were driven out of. Of course, they were driven out and then they would come back later on. They'd find a way to get back into those countries.

But so he says,

The Jesuits bestow themselves upon us. They change their soil, but not their nature. They come to pursue in their new home the intrigues that drew upon them expulsion from their old. Our law denies them the unobstructed entrance and unchallenged residence, which they claim.

So in other words, there were laws against having Jesuits in England.

He says,

There appears, however, no intention of putting the law in force.

Think about that. Think about what we're dealing with in our country right now. One of the chief complaints on something like immigration, that the immigration laws are simply not being enforced. They're not going to enforce the law. Why? Because there are people in government who are, for whatever reason, compromised and they won't uphold and enforce the law. And this is what gave the Jesuits entrance into England, the UK. So he says, quote,

What then is to be done to counteract the evils sure to arise from the presence of men who have always and everywhere been the disturbers of the public peace? We can but expose their arts and put the unwary on their guard. Beware of false prophets who come to you in sheep's clothing, but inwardly they are ravening wolves. Never was the description more applicable or the warning that accompanies it more needful. The Jesuits come to us in the name of Him who was holy, harmless, undefiled and separate from sinners. They call themselves the companions of Jesus or the company of Jesus or the society of Jesus. They call themselves the companions of Jesus. The name is but the sheep's clothing.

He goes on, he says,

By their fruits ye shall know them. Their teaching is the doctrine of devils and their deeds are the works of Apollion, the destroyer.

And just so we understand, Wiley believed that Protestantism was revived Christianity or Bible-based Christianity. Praise the Lord.

Jesuit Disinformation Agents

Jesuit disinformation is rife on the Internet. The Jesuits are the leaders of the Catholic Counter-Reformation. Their goal is to destroy Bible-based Christianity in the USA and the world. It's no surprise, therefore, when some people are actively working to divert attention from the Jesuits and call Satan's work on earth a "Jewish-Masonic cryptocracy."

I'm thinking specifically now about a guy named Timothy Fitzpatrick of fitzinfo.net which has the tagline "Exposing the Judeo-masonic-Bolshevist conspiracy." He mocks conspiracy researchers who point to the Jesuits as the movers and shakers of conspiracies that destabilize societies and calls them, "naïve dupes." He specifically criticizes honest truth-telling conspiracy researchers such as Alexander Hislop, Walter J. Veith, Christian J. Pinto, Tupper Saussy, David Wilcock and Sherman Skolnick whose articles are on this website. But Fitzpatrick exposes himself when he writes such things as,

Documentary filmmaker Christian J. Pinto of Adullam Films pulls out all the tired old slanders against **the Church**—all for the advancement of the **Jewish-Protestant alliance**...

and,

Pinto is your typical Zionist shill accusing the Vatican of everything the world has known for 500-plus years that the Jews are responsible for. Make no mistake, the Vatican is now an agent of the Judeo-Masonic conspiracy, thanks to Jews and masons subverting **the Church**, especially during the buildup to the Protestant Reformation and the French Revolution, culminating in the Jewish-sponsored Second Vatican Council in the 1960s. But **the true Church remains within the fractured Vatican** as well as in the Eastern Orthodox Church. **Protestantism has and always will be a Jewish perversion**, a cheap imitation of the Church of Christ, right down to the sexually depraved Waledensians and Albigensians, whom Pinto specifically defends, giving away his Puritan bias. (Ref: <https://fitzinfo.net/2014/04/01/christian-j-pinto-zionist-shill-espousing-what-else-jesuit-conspiracy-theories/>)

Wow! Timothy Fitzpatrick is obviously identifying "the Church" as the Roman Catholic Church. And he's calling Protestantism – which is really only Bible-based faith in Jesus Christ – a "Jewish perversion, a cheap imitation of the Church of Christ." And he's falsely accusing of wrongdoing the Waledensians and Albigensians. These are groups of Christians the Catholic Church charged with heresy and *murdered* just because they would not acknowledge the Pope as their spiritual leader. Who else would say such things but a Jesuit, a Catholic priest, or a hard-core traditional Catholic?

Who exactly is Timothy Fitzpatrick? He doesn't give his bio on his website. If he did, we might find out some incriminating things about his biases such as what schools he attended. For all we know, Fitzpatrick may even be a Jesuit or a Catholic priest. Fitzpatrick is an Irish name. Many Irish are Catholics.

I believe the primary source of Neo-Nazi antisemitic rhetoric is the Roman Catholic Church. It's very convenient for the Jesuits to deflect blame of the evils they are doing away from themselves and say, "The Jews did it!"

Don't get me wrong, I'm not saying all Jews are guiltless. Any Jew who purposely rejects Jesus as the Son of God and Messiah is an antichrist according to 2 John 1:7. What I am saying is the Jesuits are using the Jews as scapegoats to deflect blame from themselves and the Vatican. Former Catholic priest Leo H. Lehmann gives pretty convincing evidence that the Protocols of the Elders of Zion was written by Jesuits, not Jews!
