

Who Controls the United States of America? – By Darryl Eberhart

It is not Zionist or Khazarian Jews – or Israel – or Jewish neo-conservatives who have been – or are – running the USA, as some folks allege. RATHER, agents of Papal Rome have been running the USA for over a century!

The Jesuit's New World Order – An Interview with Darryl Eberhart

The title of this article is from an audio I found on <https://archive.org/details/JesuitsNewWorldOrder> I listened to part of it and knew I had to transcribe it for this website.

I never heard of Darryl Eberhart before. I was shocked to see that his website, ToughIssues.Org is offline in spite of the super interesting topics

on it! Someone made a PDF file of the home page of ToughIssues.Org. You can [see it below the transcription](#) and read all the titles of the links that are no longer accessible.

What happened to Darryl Eberhart? Did he pass away into God's Heavenly Kingdom? Or was he taken out before his time by the people he exposed? If anyone knows the answer to this, I would appreciate hearing about it.

The information Darryl Eberhart shares confirms everything I have already posted about the Jesuits and their control of the world, and he also adds new information.

Transcription of audio interview.

This is the Ministry of Truth. I'm Gordon Comstock and we have a returning guest today. He's been on the show three or four times. This might even be his fifth time. Boy, he reads a lot and they are of course the kind of books that are hard to obtain nowadays. We're not supposed to read these kinds of books I suppose. He's got a very interesting background in military intelligence. I think he really knows his stuff.

Before I was ever introduced to him, I was reading his writings online quite a bit. I was quite happy to finally talk to him. He's become a regular on the show. Well, it's frankly, and this doesn't happen very often in life. I have trouble finding areas where I would disagree with my guest today. Our guest is Darryl Eberhart. Welcome aboard, Darryl.

Darryl Eberhart: Thanks for the nice introduction. I'm 61 years old. I don't know if I've ever mentioned that on any of the podcasts. Sometimes I get a little tuckered out and tired of fighting these guys.

But let me give your listeners an introduction to both me, the intel, and the religious side because I've got this great concern that they'll accuse me since I've been writing so much about Roman Catholicism, especially the Jesuit order. I'm not comparing myself to Abraham Lincoln, but whenever they were plotting to assassinate Lincoln, they passed the word around that in a lot of the Northern newspapers, and as a matter of fact, democratic party biased newspapers. And actually, Lincoln claimed up to half of the newspapers and his time were controlled by the Roman Catholic Church. But they accused him of being a baptized Catholic who had gone astray. They figured that would steady the arms of the Roman Catholic assassins and a lot of the low-level conspirators were Roman Catholic. And I just wanted to let people know that I have never been a Roman Catholic. I was never secretly baptized as a Roman Catholic. I'm not an apostate Catholic, although I do know quite a bit about the Catholic Church.

But anyway, let me tell them about my intel. I spent 26 years in the intelligence community. In 20 years of that was the US military. I'm a retired military, 11 and a half years in the US Air Force Intelligence and 8 and a half years in Army Intelligence. And then after I retired from the military, I worked six years as a Department of Defense, civilian at the National Security Agency, largely because I got trained in Russian and Arabic

languages and worked as an analyst, a linguist, a reporter, and then later I got a direct commission to captain. So I was then in military intelligence. I was a chief warrant officer before then after I switched over from the Air Force.

And I've been writing two newsletters for the past decade, plus the tackling the tough topics and examining the tough issues. And when I first started writing, I just pretty much, just spoke in general terms of the globalist, which actually talked a little bit about what are actually just front groups, the Counsel on Foreign Relations and the Bilderbergers, et cetera.

Gordon Comstock: They're front groups, you're right.

Darryl Eberhart: Yeah. They're just 100% front groups. As a matter of fact, a lot of smaller groups within the secret societies are front groups for the Jesuits, as I have maintained. And others like Greg Szymanski, and Eric John Phelps, all of our research ties together and confirms what each of us has worked on separately. And it goes back to a lot of guys who have written good books like Edmond Paris, [The Secret History of the Jesuits](#).

It just all dovetails and points to the same point. And that is that the Jesuits sit at the very top of the secret societies' pyramid, controlling Freemasonry, controlling their own Jesuit order, and through that, controlling the entire hierarchy of the Roman Catholic Church, because the Black Pope actually rules over the white Pope. He's the Black Pope, the Jesuit Superior General, is the power behind the throne of the white Pope, the one that we see patting children on heads. But the real leader of the Roman Catholic hierarchy is the Jesuit Superior General, who's also in charge of the very wealthy knights of Malta, who are co-located and co-headquartered at the Jesuit Superior General's palace there in the Vatican. So this man is by far, I think, the most powerful man in the world, and through the wealth he controls, through the Vatican Bank, and again through these wealthy knights of Malta, who hold a lot of key banking positions.

The Rothschilds, people like to point to them and say, "Hey look, these are Jews and they're running everything." The Rothschilds are Jesuits who just happened to have a Jewish background. One of their titles is Guardians of the Vatican Treasury. And that ought to tell us something.

Gordon Comstock: They're employees.

Darryl Eberhart: Yeah, exactly. And so anyway, I just wanted to let them know that I've got a good background in intelligence, but interestingly, despite having for 26 years a top-secret special intelligence clearance with all kinds of extra caveats, I knew almost nothing about the Jesuits. I know a little bit about the Catholic Church, and I'll explain why.

My religious background: I was raised Methodist. My mom was Methodist. My dad was Roman Catholic, but my dad got in trouble because he didn't raise us Catholic, and the priest was angry with him for years. So again, I was never baptized a Roman Catholic, and I never actually, I didn't go to a Roman Catholic Church until I actually got in my 20s. I went a couple of times with

my dad to Mass. But again, I was raised Methodist.

Now, I have to say this, 90% of my relatives are Roman Catholic, including my dad, and 90% of my friends are Roman Catholic because I'm in a very heavily Roman Catholic area where anywhere you go in any direction, about five to six miles till you get down off the mountain, it's either 70 to 90% Roman Catholic or higher.

Decades ago, by the way, I married a beautiful and wonderful Roman Catholic lady, and that's when I was taught Roman Catholic Catechism classes. I was still in the Air Force at Syracuse University studying the Russian language, and I went to those classes. I never converted to Catholicism. As a matter of fact, the priest kind of threw me out after about six sessions because I kept asking questions. I wasn't a Bible scholar at the time, but I had read enough of the Bible to just raise questions like, "Hey, Jesus Christ healed Peter's mother-in-law. And Paul said that Peter Simon took his wife with him when he went around. It sounds like Peter was married. Why do you guys have to be celibate when it looked like Peter had a wife? And the priest said, "Oh, is that in the Bible?" And then I nailed him on about four or five other things.

And it finally just came up after about the sixth session for him to put his arm around me because I was embarrassing him by asking him questions he couldn't answer. And I started making them look stupid because he kept saying, "Is that really in the Bible?" And I said, "Yeah, it is."

Let me give you just one more example. Christ said, don't call anyone on earth, Father." Now, obviously, He's not talking about your earthly dad, but He was talking in a religious way. "So why do we have to call you guys "father"?"

And he goes, "Is that in the Bible?"

I said, "Yeah, it is."

And I go, "Jesus Christ said, we shouldn't do repetitious prayers like the heathen do. Why do you guys pray the rosary and just keep going over the same thing over and over and over again?" And he goes, "Is that in the Bible?" And I'm not picking just on Catholic priests because I knew six Methodist ministers and, I'd say probably about four or five of them didn't know that much about the Bible. As a matter of fact, their main training was in administration and raising money and public speaking and running socials and things like that. And I think as a matter of fact, the last couple of Methodist ministers that I knew, said they only had one Bible course. when they were in. And of course, if you talk to an ex-priest and not, they get very little Bible training. They are almost all the traditions of the church, the church, old church fathers, especially the ones that the Catholics consider the most important. That's their main study. They also don't get into the Bible.

So anyway, because of that, this guy, just came up, put his arm around me, and said, "You don't have to come back anymore, my son." And I didn't want to go back anymore anyway, Gordon, because the snow was getting about three to

four feet deep up in Syracuse, and a hellacious winter that year. And so it worked out well, but he definitely didn't want me to come back.

So I am not Roman Catholic, although I love a lot of individual Roman Catholics. And I want to just make that point. Again, I just went to Mass a couple of times with my dad. I was kind of rebellious there because I was kind of disgusted by the Methodist church. And for six or seven years, I went to independent fundamental churches here when I came back after leaving the National Security Agency. And I got so disgusted with them because everything was pre-trip rapture. Once saved always saved, we're not to be involved in fighting evil. We're only here to win souls. And we're to obey government no matter how evil it is, don't you know? And that just drove me crazy.

So basically I just read the Bible and I get together with a couple of friends. And by the way, before we finish, I'd like to give a book. It's the best book for giving to a Roman Catholic that really in a nice and kind way, it's [Loraine Boettner's book called Roman Catholicism.](#)

They've attacked this man horribly. It was written, I think, in 1962. But Roman Catholics tell me it's the best book to give to a Roman Catholic to witness to them as to the unbiblical, unscriptural doctrines and practices in the church because Boettner, he's a man, Loraine Boettner, just runs comparisons. This is what the Bible says. This is what the Catholic church does or practices or says. And anyone who looks at that with an honest and open heart is going to see that basically, and I don't know how to say it in a kinder way, Roman Catholicism is basically paganism with a very thin Christian veneer.

The sad part is that there are Roman Catholics, and I know Roman Catholics that are real Christians that are in that church, and maybe before we get done we'll read that verse, Revelation 18:4 that says, "Come out of her, my people."

Gordon Comstock: Darryl, I took your advice. Last year I heard you talk about that Loraine Boettner book, and one of my best friends is an ex-priest, and he still attends mass, but he's no longer a priest. Great guy. I bought a copy of that book and gave it to him last year. We talked, and you could tell it was really making him think. But I haven't heard back from him in a few months, so it'll be interesting when I hook up with him again.

Darryl Eberhart: Well, the good news I have is that my best friend and his wife, and he was a Eucharistic minister. She taught catechism-type classes in the church school, and both very, very devout Roman Catholics, both from devout Roman Catholic, large Roman Catholic families, and after over 50 years, by reading the Bible and Boettner's book, they came out of the church. So it's not an impossibility. It does happen.

And Roman Catholics, many of them have no idea. They know there's some evil at the top because of the pedophile priest thing, but many of them have no idea because most of them do not read the Bible. They have no idea of how many Catholic practices, like celibacy and papal infallibility, purgatory, indulgences, a Mass cards for the dead, people try to pay and pray for their

relatives to get out of purgatory, that none of that's in the Bible.

As a matter of fact, I challenge Catholics when I meet them. "Hey, sit down and read your Catholic Bible and see if you can find one pope. See if you can find one cardinal. See if you can find one archbishop." That whole entire hierarchical system is not there in the Bible. As a matter of fact, Paul and Peter, examples in the New Testament when anyone ran up and fell at their feet and tried to kiss their toes or praise them as gods, they said, "Get up, get up get up! We're just men like you." And compare that to the pope, many of the popes who have lived in such wealth and with many palaces and cardinals the same way. And again, through selling indulgences, that's what got Luther so fired up.

A lot of people forget that some of the reformers were Roman Catholics. Luther was an Augustinian monk who tried so hard to reform the system from within. The [Dominican Girolamo Savonarola](#) who was in Florence led a great revival. He made one little mistake. He criticized, I think it was Pope Alexander VI, and his corrupt papal court. Of course, he was immediately excommunicated and murdered and exterminated, executed. And that happened so frequently throughout history. We need to remember that many courageous Roman Catholics have tried to challenge the system from within. And Rome, papal Rome, does not like to be challenged about anything.

I'd like to read just a couple of little things that I threw in some of my writings when I started writing more and more about Roman Catholicism. I'm going to repeat a little bit of what I said, but I think people need to know this. Here's a little statement I put in some of my newsletters when I started to really go after the Jesuit order.

I am not a Roman Catholic. I also am most definitely not anti-Roman Catholic as far as individual Roman Catholics go. My dad, 90% of my relatives are Roman Catholic, and the majority of my friends are Roman Catholics still to this day. I am, however, against the top levels of secret societies from the hierarchy of the Jesuit order to the hierarchy of Freemasonry. And by the way, if I can find that quote, I'll read it later, but there was a historian that said,

"If you trace up to the very top of Freemasonry, you will find out that the leader of the head Freemason in the world and the Jesuit Superior General are one in the same person."

We need to remember that the Jesuit order took over French, British, and German Freemasonry over a century ago. So the Jesuit order controls the higher levels of Freemasonry, which gives them so much power because when you start looking at the intelligence community, Gordon, you find out that just about every head of the Central Intelligence Agency was either a 33-degree Freemason like Allen Dulles who (then President) John Fitzgerald Kennedy fired, or they were Knights of Malta, which is a religious military order within the Roman Catholic Church under the direct command of the Jesuit Superior General.

I think that's kind of interesting. Five Knights of Malta, the first one that was in charge was William Wild Bill Donovan. You had John McCone, William Casey, William Colby, and George Tenet. There are at least five plus the head of the decades-long of counterintelligence in the Central Intelligence Agency who also sat at the Vatican desk and the Israel desk was James Jesus Angleton, who just happened to be the CIA liaison to the Warren Commission. Another Knight of Malta, one of the Assistant FBI Directors, part of the Freemason lodge just happened to be the FBI, the liaison to the Warren Commission, the White Wash Commission, I call it. We can tell the flow of information that went to the Warren Commission was completely sanitized and edited by these two Knights of Malta.

When you start looking at that and World War II, where the head of Soviet intelligence is a Knight of Malta. He was the Jesuit priest for his couriers, [Prince Anton Turkul](#). You look at the German intelligence on the Eastern Front, it's run by a Roman Catholic knight of Malta named Reinhardt Gehlen, who ends up afterward coming over to help Donovan, who is head of the old Office of Strategic Services, the predecessor, the CIA. They set up the CIA together, two Roman Catholic knights of Malta.

By the way, William Joseph Wild Bill Donovan, I have a picture of him getting the [Order of St. Sylvester](#) there at the Vatican. The man was heavily decorated by the Roman Catholic Church, the Vatican, for his lifetime of service to the Catholic Church, even while he was the head of the OSS and then afterwards as the CIA Director. Isn't that interesting, Gordon? These guys are getting awards. Our top intelligence guys are getting awards from the Roman Catholic Church.

Gordon Comstock: Well, the Bible talks a lot about nations being empowered by demonic entities, and when you read through that litany of the crossovers between the Nazi echelon that were hooked up with the Knights of Malta, they just very easily made that transition from crumbling Nazi Germany to rising United States 20th century power. And I can just envision those demons crossing over from the Nazis to us, and we're seeing the fruits of that now all around us with entities like Blackwater, and of course all of the draconian legislation like the Patriot Act.

Darryl Eberhart: That includes stuff that says that the President's allowed to torture people. Where does torture come from? It doesn't come from any Protestant church. It doesn't come from any evangelical church. There's only one church that is really into torture, like big time, and that is the Roman Catholic Church and the Inquisition alone from, according to several reputable historians that officially ran 1203 to 1808, butchered up to 50 million Bible-believing Christians.

And while I mentioned that, I think it's important that everybody get a DVD. I don't know if you've ever had Richard Bennett on. He's an ex-priest of 22 years, but he did this [DVD on the Inquisition. It's subtitled, 605 years of papal torture and death](#). It's 58 minutes long, it's in color. The first two-thirds of the DVD deals with that official Inquisition that took the lives of up to 50 million Bible believers. Many women were burned. And to be slowly roasted and toasted at the stake, how cruel, 80 popes in a row, approved the

Inquisition.

But again, the DVD is very professionally done. And the first two-thirds deals with that 1203-1808 timeframe.

The last third deals with that [forgotten holocaust, some people call it the Vatican Holocaust](#), and they're talking about the massacre in Croatia in the 1940s. Croatia was a part of Yugoslavia and then broke away and became a puppet state to the Nazis. And this fascist state, butchered and tortured up to 1 million innocent Serb Orthodox Christians, men, women, and children, to the point where they impaled children alive on stakes, they crucified Orthodox priests on wooden doors, they skinned people alive, they buried people alive. They burned people alive. They sawed them. They cut their eyes out, and made necklaces from them, and I know you're very familiar with this.

Gordon Comstock: Yeah, I read that book, The Vatican Holocaust by Avro Manhattan.

Darryl Eberhart: And he has pictures in there of both the perpetrators...

Gordon Comstock: Smiling as they're sawing through some guys' neck.

b>Darryl Eberhart: We need to think about this because there are 10 FEMA regions in the US. There are 10 Jesuit provincialists assigned to the US. I don't think that's a coincidence.

And when we think that two Jesuit prelates, they were Jesuit monsignors who were in archbishop positions in Zagreb and Sarajevo, respectively, [Aloysius Stepinac](#), who also was the military vicar to the [Ustaše](#) military killing squads that ran around, and Archbishop [Ivan Šarić](#). And so these two Jesuit archbishops ran this choreographed, this horrible holocaust – a religious side basically – the slaughter of Orthodox Serbians.

Gordon Comstock: And the people who led the bloodthirsty mobs were Franciscan priests, correct?

Darryl Eberhart: Yes, mostly, and some of the worst commandants were, like you said, Franciscan priests, monks, and friars. They sometimes led the Ustaše units, and if they weren't the actual officer in charge, then they were an adviser who participated in and urged the torture. And as one writer wrote, he said, they weren't content just to kill people, they had to horribly torture them first. So, it boggles the minds of people who have not been brought up Roman Catholic and who do not know the history of the Roman Catholic Church to think of a Church that calls itself Christian doing this type of thing.

Gordon Comstock: And so, that was a carryover. That was still the Inquisition, right? The Inquisition never really officially went away.

Darryl Eberhart: No. No. And that was a modern-day Inquisition that we need to look at because, as one writer, I think it was Manhattan himself said, it serves as a model of what the Roman Catholic Church would like to do if they could ever, wherever they have the power to establish themselves as the State

Church and to totally, as Edmond Paris wrote, convert or die with everyone else. Of course, some of the Orthodox people did convert, but again, this DVD of the Inquisition by Richard Bennett is critical for people to see, whether they're Roman Catholic or non-Roman Catholic, to see the barbarity of all this. When FEMA takes over and because the governors, those ten Jesuit providentials, are the real power behind them, we know what these people can do (based on the history of the Inquisition).

Here's a little thing I'd like to read, but I had stuck into several of the newsletters when I started writing more about Roman Catholicism. I put,

"Why am I writing more and more about Roman Catholicism? I've been writing more on the Roman Catholic Church's hierarchy, and especially its Jesuit order in recent newsletters, because I keep uncovering more and more about the deep hatred that the hierarchy of the Roman Catholic Church has for independent Bible-believing Christians, Protestants, Orthodox Christians, and Jews. And by the way, during World War II, it was just **a bloodbath that mainly went after Protestants** in northern Germany, **Orthodox Christians, not just in Serbia, but in Russia and in Ukraine**, and of course Jews, up to 6 million Jews, despite all of these people that try to say that there were only a couple hundred thousand. I've seen the actual pictures of the bulldozing of the bodies and that when the American soldiers went into camp. (Note from me: The actual number of Jews who died in the holocaust is something I don't care to debate about anymore. The fact is, not only Jews died, but millions of other ethnic peoples such as Romanies AKA Gypsies, Poles, Ukrainians, Russians, Serbians, and other Slavic peoples, even non-Slavic peoples such as Estonians, Latvians, and Lithuanians. It's interesting to me that when the Holocaust is mentioned, people only think about the Jews and none of the other ethnic groups the Nazis murdered. Why is that? I believe it's due to Jesuit control of the press and education to put emphasis on the Jews in order to justify the Zionists of their dirty deeds.)

Gordon Comstock: So let me derail you quickly here because you just prompted something. Darryl, do you think, as I strongly suspect, that not only during World War II, not only what happened in Croatia with the mass murder and torture of the Serbs, not only was that a carryover of the same Inquisition, but do you think, given that Hitler is still to this day a Catholic in title, he never was excommunicated, and given that it was guys like Franz von Papan, who was he a cardinal or archbishop who...

Darryl Eberhart: No, no, he was a knight of Malta. He put Hitler into power.

Gordon Comstock: He put Hitler into power. And as we know, the Knights of Malta are under the auspices of the Vatican. Do you consider that the far more infamous Holocaust that we see so many movies and books about, like Schindler's List and whatnot, do you think that that also was a carryover of the Inquisition?

Darryl Eberhart: Without doubt, there's no doubt in my mind that that was another part of the modern-day Inquisition. Serbia wasn't the only one. World War II was an entire Inquisition. The Catholic Church has long hated Orthodox Christians, and that's why the Nazi SS units, a lot of them in the central

security service were priests that put on the black uniform. The head of the Nazi SS was not little pug-nose, the nephew Heinrich Himmler, Kurt Heinrich Himmler. The real head of it was his uncle who was a Roman Catholic priest, a Jesuit subordinate to the Jesuit Superior General, [Ledóchowski](#). But those priests followed in with the killer units, just like the Ustaše had the Franciscan priests, monks, and friars, these Jesuit priests and other Roman Catholic priests were even wearing the black uniform of the Nazi SS. And they were with the killer squads that came in behind the regular German military, whenever they invaded into the Ukraine and further into the Soviet Union.

So it was when I first looked at Eric John Phelps' book, I thought, "Wow! Could it be that this thing was just totally orchestrated to slaughter as many Protestants and Jews and Orthodox Christians as possible?" I don't know how anyone can really take an honest look at World War II and not come to that conclusion. Where did almost all the firebombing take place? In northern Germany, not in Catholic Bavaria. What happened to the poor German Protestants up in the northern, northeastern parts like in Prussia? They were forced to march during winter, and women and children died along the way. Some people think up to a million people that died in the camps in the northern part. The American and British camps were horrible. They allowed malnutrition, they allowed weather exposure to these people. They were horribly treated. The amount of food they were given like I said, forced march in the middle of winter. And then of course the Jews, they went after them big time, and also after the Orthodox Christians. So, I don't see how anyone can really be honest, whether he's Roman Catholic or non-Roman Catholic, look at World War II and not just see a massive religious side that was orchestrated by having Knights of Malta running the intelligence services on both sides.

I worked 26 years in the intelligence community. When you have top positions like the CIA counter-intelligence desk when you hold the head of the CIA, the head of the FBI, then you can murder anybody, and that's what happened with John Kennedy, and then cover it up because you have all your people at the key choke points, and no mid-level analyst or something's going to be able to get anything. He'll get murdered if he tries to go outside of the channels. And that's what they did with the two liaison positions with Kennedy. And everyone around Kennedy, and that's something that you and I have talked about before, is the alternative medium, much of it, blames everything on the Jews, mentioning the Rothschilds and that or the head of the Federal Reserve, and not ever getting to the secret societies and the control of the secret societies by the Jesuits Superior General, where they have control of these, not only the intelligence agencies, but they are able then to use through the CIA cooperation with Special Forces, Navy Seals, they are able to use our most elite military to murder people and cover it up, and having key people in Congress. Almost every key committee is held by a Roman Catholic generally.

It's interesting, I started when I was updating some of my news articles, I will tell the story, and you know it, at one time I had 106 articles up on the web, 106, and a lot of them dealt with assassination, like the assassination of Kennedy, the assassination of John Paul I, the assassination

of Oscar Romero, the Archbishop down in El Salvador, and the assassination of Lincoln. When you look around and start digging a little bit outside of mainstream publishing and the current American textbooks, you find out in all of these that the culprits are the Jesuits! And the rest of the Vatican, the papacy, clearly their fingerprints are all over the assassination of Lincoln.

My goodness, they even helped John Harrison escape up to Canada, where two Roman Catholic priests hid them out, one of the Archbishops' Bearers, and then they ferried them over to England and down to the papacy, where they became part of the Pope's own personal bodyguard in a Zouave company.

But Burke McCarty and her book pointed out... she wrote an interesting book, [The Suppressed Truth About the Assassination of Abraham Lincoln](#). That book was published in 1924. And when she did, she's got a great quote in there, and I'll just paraphrase it because I don't have it right in front of me, but she said that during the Wilson administration, that would have been, he served two terms, I think that would be 1913 to 1921. He's the president who said, "I'll never send your boys overseas" just like FDR later. But anyway, she said during his administration, the head of the Army, the head of the Navy, the head of the Merchant's fleet, the head of the post office, and she named a couple of others, and she said just about every single department in the U.S. government – now remember, this is in the 1920s, the early 20s – she said was held by a fourth degree Knight of Columbus! Now, the Roman Catholic population at that time was one-sixth the entire U.S. population, but they are holding every single key government position.

Lincoln said that in his time, half of the newspapers, I mentioned it earlier, half the newspapers were run by the Roman Catholic Church. And then F. Tupper Saussy, when he came out with his book, [Rulers of Evil](#), showed how in the Reagan administration, almost all his top advisers were Roman Catholic, and almost every key position, intelligence, finance, in both the Senate and the House, were all held by Roman Catholics.

And it's interesting, when you think back, Gordon, if you go to an independent fundamental church, you're to find out these guys have all been taught in their seminaries, "We don't get involved in politics," but when you go to Roman Catholic churches, when they have their Knights of Columbus, and they try to recruit young Roman Catholics into that, they tell their people, get into law enforcement, get into government, become mayor, become governor, become president. They're talking two sides there. They infiltrate, and Protestants have trouble understanding that because we wouldn't think of infiltrating a Catholic church, but the Jesuits are masters of infiltration, and they have their people infiltrate, even seminaries of these independent fundamental associations and everything. And they tell these people, "Now you need to obey government no matter how evil it is, no matter how fascist it is, because don't you know government is from God, and you guys need to stay out of politics. You're only here to win souls, you don't get involved in anything. And then they're telling their people, "Get involved in law enforcement, get involved in politics." You go to these, a lot of these northern, northeastern cities, Midwest, Chicago, New York, Boston, you'll find out that a very large number of the police officers, especially in the middle and higher levels, are Knights of Columbus.

And you can see that on a website, spirituallysmart.com. It has all kinds of pictures. Jeb Bush is a fourth-degree Knight of Columbus. It has a picture of him getting his ceremony there. It has a picture of President George W. Bush shaking hands with a bunch of Knights of Columbus. It has a picture of some of these top people in the New York police force. I think one of them was a former Homeland Security agent, a very high-ranking one. They're all Knights of Columbus!

So what does that bode for us? We need to remember something, Gordon, and that is that the Ustaše was a Roman Catholic militia called Catholic Action in Yugoslavia. Whenever the German troops poured across the border, these people turned on their own government, turned on their own constitution, their own people, and betrayed them, and showed the Nazis, well, I should say the German troops, where the arms were stored, and where aircraft were hidden away. They basically were a fifth column. I hope most of the listeners understand that in the fifth column from the Spanish Civil War, there was General Mola. Franco said he had a fifth column. In other words, he had people friendly to him behind the enemy's line pretending to be good guys when they were actually betraying them. He claimed to have in Madrid, a fifth column.

Well, throughout all of Europe in World War II, there were fifth columns in France and Yugoslavia that betrayed their own people, their own country, their own government, and their own military.

Gordon Comstock: They assassinated King Alexander of Yugoslavia.

Darryl Eberhart: Right. And the Ustaše we need to remember was a Roman Catholic militia, basically a terrorist group before World War II. And then once Pavlach was put into power, Ante Pavlach, an interesting character, who said, "A good Ustaše is someone who can cut a child out of its mother's womb."

And having the two archbishops there, once they took power, well, guess what happened to the Roman Catholic militia, Catholic action, Ustaše? They became the regular military forces, and they went around being the killer squad.

And people need to think. I've heard there are a million and a half to two million strong in the Knights of Columbus. There are signs about them all over where I live. You see all their signs. They have chapters and stuff. They sell insurance, they sell little gambling tickets basically that are based on the lottery here in Pennsylvania. These guys are wealthy, they're powerful, and we need to think, what are they gonna do when we go under total martial law in a fascist state here? Are these guys gonna be just like the Ustaše in Croatia?

That's something to think about because the fourth-degree oath of the Knights of Columbus, now they've probably mellowed it some, but it was a horrible plot oath that was read into the Congressional record in the early 1900s. We don't need militias such as the Knights of Columbus that have an oath to a foreign potentate, and that's what the pope is. And if people think that's hard, it's just the truth.

Gordon Comstock: When you say foreign potentate, now that brings up a good point because we talk a lot about the dangers of Roman Catholicism and the Jesuits and the upper echelon of that hierarchy, but that upper echelon, foreign potentate, isn't the real threat, the real source of all this threat is because it is that the Vatican is a nation-state, is it not? People still think the Vatican is just part of a religious system,

Darryl Eberhart: It is a nation state. The Vatican State has diplomatic relations with something like over 80 or 100 countries, I forget. But they're a member of the United Nations, the pope goes and speaks there, and I know they've got diplomatic relations with all of the major countries in the world. As a matter of fact, they were restored with Mussolini in the Concordant that he signed with the papacy. Of course, some people tend to forget Hitler also signed a Concordant on the papacy, and you mentioned earlier, that Hitler was never excommunicated, and neither was Mussolini. As a matter of fact, when Hitler died, or some people say he didn't really die, he went to Argentina, but anyway, when he supposedly committed suicide, they had a high requiem mass for him in Spain, officiated, I think by three Roman Catholic priests. Generally, that's only for like a cardinal or something, and they had that for him. But Mussolini, Hitler, and none of the worst of these mass murders was ever excommunicated by the Roman Catholic Church, how could they? These guys were working for them. You know, that's not good PR within your own camp if you excommunicate your top murderers that carry out your orders for you.

Let's say one other thing, you mentioned a good point. A lot of people tend to think of Roman Catholicism as just a religion. No, the Roman Catholic Church is probably the most powerful geopolitical faction in the world because of controlling secret societies, plus having a billion people adherence, plus having a Vatican bank, and they have another bank too, but all their stock holdings in that, the Knights of Malta are big bankers, so they're filthy rich, and so we need to think of them as the most powerful geopolitical and financial power on the entire planet. They're not just a religion.

We Americans have for the most part been largely ignorant of the well-documented history of the Roman Catholic Church in conducting brutal religious genocide, the Inquisition, holy wars, and holy crusades against all the aforementioned groups, Bible-believing Christians, Protestants, Orthodox Christians, and Jews.

Sadly, many Americans believe the ecumenical rhetoric of the Roman Catholic Church's hierarchy, that she has changed her ways and now loves all the "Separated Brethren." (Formally called heretics.) Well, we now know that Pope Benedict XVI has come out and said, "Well, that liberal stuff you kind of heard out of Vatican II is, they're just spinning that the wrong way. There's no salvation outside of the Roman Catholic Church."

I've got some of his recent documents where he said any church that came out of the Protestant Reformation is not a church. So guess what, Protestants? You're back to being heretics and not Separated Brethren.

And by the way, the ecumenical movement is totally run by Roman Catholics. There's a Roman Catholic priest named Forrest and that, but you'll find it almost all of these, the Billy Graham crusades, and that there are always priests there, Paul and Jan Crouch. You can almost always see a priest in the background there. Jack Van Empey praises Mary and the Marian apparitions and the Pope. So a lot of these so-called Protestant evangelists are just, well, Billy Graham himself has an honorary degree from a Roman Catholic Institute of Higher Learning.

Gordon Comstock: They're all subverted.

Darryl Eberhart: Yeah. They're working for the other side. And we need to realize that these people are pied pipers. As a matter of fact, Billy Graham, when a Roman Catholic comes forward in his crusade wanting to truly learn more about Christ, what does Billy Graham and those counselors do? They turn them over to the local Roman Catholic Church! They say, "Go back to your Roman Catholic Church and learn there."

Again, I'm not trying to be mean to anyone because I love a lot of individual Roman Catholics, but Roman Catholicism is basically pagan. It's the old Babylonian religion. It's paganism with a thin veneer of Christianity. It moved into the power vacuum whenever the imperial pagan Roman Empire fell and the Pope basically took over as the ghost rose from the ashes of the pagan imperial Roman Empire.

Gordon Comstock: Darrell, this gets into eschatology. You have these pre-tribbers, these huge futurist Christians nowadays who are expecting some kind of revived Roman Empire in the future. And what they are obtusely not seeing is that when the secular government of Rome fell, it morphed into... basically, what I'm trying to say is their revived Roman Empire is Roman Catholicism because it carried on Rome and engulfed all the other states around it. So it's right in front of them. It's always been in front of them. It's always been the number one persecutor of ...

Darryl Eberhart: True Bible-believing Christians, including the Waldenses. You know how they treated the Waldenses, I know you read about them, and the Albigenses. They called the Albigenses and Waldenses, heretics, Manichaeans, Dualists, and all kinds of dirty names. But they were just simple Bible-believing Christians who were *always* ... let me repeat that, they didn't leave the Catholic Church, they were *always outside* the Catholic Church. And because Catholics in France compared the wonderful lives of these people, they were hard-working, industrious, moral people to other Catholics, the Catholic Church was starting to lose their adherence. They were leaving in droves to join these people. And that's when the Catholic Church crushed the entire southern population of southern France. They exterminated the Albigenses in a series of crusades. I think they started somewhere around 1208. And they basically used some of the same crusaders who had been down in the Middle East and turned them loose, including rapists and murderers out of the prisons to slaughter these people.

And that's why I started writing more and more about Roman Catholicism just because... I don't know how to say this in any other way than the Roman

Catholic Church is basically, especially the Jesuit order in the last four centuries, international murder incorporated. They're just mass murderers, masters of assassination of individuals, but also masters of religious genocide. And we need to speak out about it. Roman Catholics need to learn.

I think if Roman Catholics in America could learn one-tenth of the history of their Church, purposely a Church, but again, remember, it's an official nation-state, the Vatican state, that was restored by Mussolini with his Concordate. But anyway, by the way, Roman Catholicism also became the state religion again there. So the deadly wound kind of got healed there whenever they got back as a Vatican state.

It's not the Jews, the Zionist Jews who are running around fomenting all the wars, it's the Roman Catholic Church.

There was a man named Edmond Paris who was born Roman Catholic, a French author who wrote several books like "Convert or Die". But he wrote [The Secret History of the Jesuits](#) that people can still get that from Jack Chick, Chick publication (and this website).

Gordon Comstock: We spoke of that book, [Roman Catholicism by Loraine Boettner](#) as maybe the best book to give your Roman Catholic friends to get them out of that system, to wake them up.

Darryl Eberhart: The book is simply called [Roman Catholicism and it's by Loraine Boettner](#). It was published in 1962. It's a 466-page paperback book.

My best friend and his wife, have four children, and they gave them Dave Hunt's book and it really turned them off. Dave Hunt's book is a great book, *A Woman Rides the Beast*, I like it, but I've heard from several Catholics that it really turns Catholics off.

Gordon Comstock: It's all factual, but it's too much at once.

Darryl Eberhart: Yeah, for new comers. It's a good book. If you're a non-Catholic, I would highly recommend you get that from Chick Publications. [A Woman Rides the Beast](#) is a great book for a non-Catholic because it gets into their doctrines in the back. He gets into papal infallibility quite a bit, and celibacy and purgatory and he'll give you definitions of all of them. But he gets a lot into the genocide too.

Gordon Comstock: The sordid history of the popes, Hunt gets into in spades.

Darryl Eberhart: Yes, he does a very good job. But if you want to hand something to a Roman Catholic to read because you want them to see that their churches' practices and doctrines are unbiblical, unscriptural. Roman Catholicism is the best book. And I tell you why. That man has been horribly attacked by the Roman Catholic Church because he's right on the money. And again, he doesn't do it in a caustic and vitriolic, nasty manner. He just lays it out nice and just pleasant. And just saying here it is, this is what the Bible says, this is what the Catholic Church says. So I highly recommend it. You get that book and get it into the hands of Catholic friends. It's much better received than most other books.

Let me give a Bible verse here. It's critical. We're very ignorant of history. We're also biblically ignorant in America. And I'm sure know very well this verse,

Hosea 4:6 My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.

That's pretty serious. We need to be Bible readers. You mentioned about the papacy and how easy it is to see. Some people try to predict who the Antichrist is going to be. Some people said it was Gorbachev with the little red mark on his head. Some people even said it was Reagan. There's Prince Charles. There have been many candidates, Mussolini was a candidate, Hitler was a candidate. Of course these guys are dead now.

Rather than trying to predict who the final CEO of the Satanic Kingdom is gonna be, that priest of 22 years, Richard Bennett, points out on his DVD, The Inquisition, the Bible very clearly lays out that the *papacy* is the Antichrist.

Revelation 17:9 And here is the mind which hath wisdom. The seven heads are seven mountains, on which the woman sitteth.

Now someone like Texe Marrs says that's Jerusalem. But Jerusalem never ruled over all the kings of the earth. Some people say Rio de Janeiro has seven hills. Now the only place with seven hills that ruled over the kings of the earth for probably over 1200 years was the Roman Catholic church or papacy. They crowned kings and emperors and deposed them. Few emperors and kings had ever won against the pope. Most of them lost on the battle field because the pope would rally several countries against the nation that opposed him.

Some people used to joke, "Well, how many divisions does the pope have? The answer is he has as many divisions as the US or the Soviets or whoever he's controlling. They've infiltrated and decapitated those governments.

Verse Revelation 17:18 says, And the woman which thou sawest is that great city, which reigneth over the kings of the earth.

Again, the Israel kings, kings of Judah, David, and Solomon at their peak didn't rule over the kings of the earth. They ruled over maybe the kings of Edom and Moab and the Syrians. But they didn't rule over the Assyrians. They didn't rule over the Babylonians. They didn't rule over the Chinese. However, the papacy ruled over continental Europe for over a thousand years.

But here's the verse that's kind of interesting. I used to say I'm not telling Catholics to come out of the church. I am now.

Revelation 18:4 And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.

The Bible says that papal Rome is going to get burned in the end. And I would

say to ... and I love again many individual Roman Catholics ... get out of there. Not only is your church, which is a state, a geopolitical and financial entity, guilty of pedophilia to the maximum extreme, not only is it guilty of up to 40% of American nuns reporting being sexually abused, you can find that in a Boston Globe article. I'm looking for the book, but it's in a great book called Lucifer's Lodge – Satanic Ritual Abuse in the Catholic Church was written by a Roman Catholic named Kennedy. Not only is it guilty of all that, but if you read my Bloody Hearts article, you'll find out that the Roman Catholic church as Baron De Pane, the French statesman said, "Its history is written in blood." Blood is what it's all about. The slaughtering of Jews left and right, as you well know Gordon, whenever the Roman Catholic crusaders, not the Christian crusaders, went into Antioch in 1096. The Roman Catholic crusaders slaughtered every man, woman, and child, Christian, Jew, and Muslim in Antioch. Then they went down, and in Jerusalem, in 1099 they slaughtered just about everyone. There were a few Muslims that bought their way out, the rich ones, but other than that they slaughtered every man, woman, and child, other than the few that bought their way out, Jew, Muslim, and non-Catholic Christian. And that has been the history of that church.

Before the Crusaders even went down to the Middle East, they went into the Western provinces of Andrew and Puto and practiced up for the crusades by slaughtering every Jew they could find, going through the villages of those Western, I probably murdered the pronunciation, those Western provinces in France, they practiced up. Their entire history is nothing but religious genocide. Every 50 to 100 years, the Roman Catholic church goes on a mass murder spree, and they did it as recently as the 1940s. (The 1994 [Rwanda genocide](#) was even more recent.)

And Gordon, that's why I think you're staying in and working hard at what you do, why I am too because we smell what happened in Croatia, what happened all over the European continent, in the 1940s, may be coming to a neighborhood near all of us soon here in America, like they used to talk about movies going around the drive-in theaters. It's coming to a neighborhood soon near us. And again, ten FEMA regions, ten Jesuits, provincial's assigned here, and we've got the fascist police state almost totally set up here in America.

If Roman Catholics do not leave in droves as they did during the Reformation, the only thing that stopped this, that flow, was the sword and the stake that the Catholic church wielded against its own people, otherwise, Europe would be totally Protestant right now. And that's why the Inquisition was instituted and carried on, and again, 80 popes in a row.

And if you're a Roman Catholic, get a book called [Vicars of Christ: The Dark Side of the Papacy](#), by Peter De Rosa. There's a Roman Catholic that just gave you the real nitty gritty of what the papacy was about. It was nothing but rich aristocratic families battling with each other. Most popes were murdered, by the way, very few died natural deaths, some mysterious, but many of them were murdered because they were fighting with each other for the coveted position because of all the wealth and power that it carried with it.

So again, we're not being mean, we don't hate Roman Catholics, we're just trying to warn you, your system, it's not biblical, it's a murdering system,

and it's a system full of pedophile priests, and it's just a real sad story that it calls itself Christian.

I tell my Catholic friends this, you're not going to like a Catholic police state here in fascist America. It's not going to be good for Catholics because the Inquisition didn't just kill Bible believers. Many Roman Catholics, if they were wealthy, maybe you had a good-looking wife or daughter, they turned you in, and you went before the Inquisition, and very few people ever got acquitted from the Inquisition. By the way, most lawyers were not allowed to represent you, you couldn't see your accuser, so they had an almost 100% conviction, right? And that's why we're warning people, to find out about this Church geopolitical financial entity, do a little bit of research.

[Rome's Attack on the British Empire and the United States](#)

The World Powers assembled recognized Rome as the real Power behind the Great War (WW I). Not one Roman Priest was allowed at the Paris Peace Conference in 1919.

[How The Vatican Helped Hitler](#)

The Vatican not only helped Hitler to power, but actually acted as a spy-center for Nazi military intelligence.

Pope Pius XII's Apology for the Vatican's Concordat With Hitler

Pope Pius XII admitted the Vatican's collaboration with Hitler by means of a concordat, which he himself signed jointly with the despicable Von Papen.

Liberty of Conscience in Italy

WALDENSES HUNTED BY THE ARMIES OF ROME

"Destiny, affixed, surrounded . . . they wandered in deserts, and in mountains, and in dens and caves of the earth." (Hab. 1:21-28).

The King opposes the Pope and gives the Waldenses who were much persecuted by the Roman Catholic Church their civil rights!

The Pope And World Peace

The ultimate aim of the Roman Catholic church is to reestablish its dominion over all nations.

Catholicism's Moral Code

A THOROUGH UNDERSTANDING of Roman Catholicism is not possible without a grasp of the peculiar structure of its system of moral theology. It is the key to its world wide political power.

Biblical Unity or Papal Conformity?

By Michael de Semlyen and Richard Bennett

Papal Penitence

On Sunday, March 12, 2000, the first Sunday of Lent, the Pope presided over a solemn ceremony called "The Day of Pardon" in St. Peter's Basilica, Rome, in

which he asked God for forgiveness for the historical wrongs of the Roman Catholic Church (RCC). The ceremony was presented as another profoundly significant event in the RC Church's "Millennium Jubilee Holy Year" and a further step, unprecedented but necessary, in the process of unity. It was a modern media event staged for maximum impact to encourage "unity". The impression given is that it is a genuine attempt to wipe the slate clean and to apologize for the past wrongs of the Church.

Careful examination, however, shows that the Pope's "Day of Pardon" was in fact not an apology, but rather a day of deception. In this service, the Pope continually prayed, purportedly as a Christian, while never admitting any of the horrendous sins of the Church of Rome. An egregious example from the prepared text that was used is found in Section III, "Confession of Sins Which Have Harmed the Unity of the Body of Christ".¹ The set prayer of the representative of the Roman Curia was as follows, "Let us pray that our recognition of the sins which have rent the unity of the Body of Christ and wounded fraternal charity will facilitate the way to reconciliation and communion among all Christians." This was followed by silent prayer, and then the prayer of "The Holy Father" addressed to the "Merciful Father",

Merciful Father, on the night before his Passion your Son prayed for the unity of those who believe in him: in disobedience to his will, however, believers have opposed one another, becoming divided, and have mutually condemned one another and fought against one another. We urgently implore your forgiveness and we beseech the gift of a repentant heart, so that all Christians, reconciled with you and with one another will be able, in one body and in one spirit, to experience anew the joy of full communion. We ask this through Christ our Lord."

If the Pope and the Roman Curia were really serious about their prayer offered to Holy God, they must face the fact that condemning curses of their Council of Trent were not mentioned nor repented of, including the condemnation of the Biblical Gospel and historical biblical Christianity, which led to the wholesale slaughter of millions of Christians during the 667 years of the Inquisition, and which have never been revoked, Vatican Council II notwithstanding. If this prayer were answered, it would be necessary to dismantle the RCC with its false gospel, papal infallibility, and "irreformable"² ways, which clearly the Pope and his Curia have no intention of doing.

"The Week of Christian Unity"

The gathering of mainstream churches at St. Paul's Basilica in Rome earlier this year is thought to have been the largest assembly of Christian leaders with a Pope since the Vatican Council II in the early 1960s. On January 18th, the Tuesday of the week which had been designated 'The Week of Christian Unity' in the 'Holy Year, 2000', leaders representing four fifths of Eastern Orthodoxy gathered alongside Anglicans, Lutherans, Methodists and Pentecostals. They were participating in celebration of the opening of the 'Holy Door at St. Paul Outside the Walls'. Archbishop George Carey, Primate of the Church of England, and Metropolitan Athanasius, representing Bartholomew, Patriarch of Constantinople and head of the Orthodox Church,

knelt on either side of Pope John Paul II before the newly opened door. Only one cushion had been provided as it was thought that only the Pope would kneel, but when they both fell to their knees, too, the Pope called out, "Unity! Thank you!" It was a highly symbolic moment.

The Pontiff had every reason to express his gratitude to the Churches represented and the two men flanking him. After all, in May 1999, the joint Anglican Roman Catholic International Commission (ARCIC) had issued a statement "recognizing the Pope as the overall authority in the Christian World" and describing him as "a gift to be received by all Churches", (a gift yet to be accepted by the Synod of the Church of England and the wider Anglican Communion, however). Five months later in October, 1999, on Reformation Day, the Roman Catholic and Lutheran Churches had signed a joint declaration announcing that their opposing views on justification have been reconciled.³ With this declaration of reconciliation and unity, the way seems clear for the Lutherans to join the Anglicans in accepting Papal primacy. The frosty relationship of earlier years with the Russian Orthodox Church has warmed up, and a Papal visit to Moscow and a meeting with Patriarch Alexy II is being discussed. Pentecostals and Charismatics have accelerated their Rome-ward journey and Evangelical leaders who have signed ECT ("Evangelicals and Catholics Together") have led very large numbers of Evangelicals to kneel before the open "holy" door that the Roman Catholic Church offers them.

The Pope's words that day were couched in the language associating equality with freedom. Carefully concealed in his response was the non-negotiable agenda of the Roman Catholic Church, for rather than looking for unity based on truth, the Papacy, as ever, is seeking to secure conformity through compromise. The "ecumenical dialogue" referred to by the Pope during the January 18th ceremony, is clearly governed by a special set of rules. Vatican Council II's postconciliar Document No. 42 on ecumenism states that "...dialogue is not an end in itself...it is not just an academic discussion."⁴ Rather,

"...ecumenical dialogue...serves to transform modes of thought and behavior and the daily life of those [non-Catholic] communities. In this way, it **aims at preparing the way for their unity of faith in the bosom of a Church one and visible.**"⁵

That the papacy expects this process of dialogue to take time to accomplish its stated aim of bringing all Christian churches under its authority is clear when she says,

"...little by little, as the obstacles to perfect ecclesial communion are overcome, **all Christians will be gathered, in a common celebration of the Eucharist [the Mass] into that unity of the one and only Church.**...This unity, we believe, dwells in the Catholic Church as something we can never lose."⁶

The "little by little" approach of the Vatican II document are now giant steps.

How many present at the January 18th gathering understand what is really happening? The Pope's official position is that "ecumenical encounter is not

merely an individual work, but also a task of the [RC] Church, **which takes precedence over all individual opinions.**"⁷ Thus the opinions of others present on January 18th are "individual opinions" and worthless. The final goal of any dialogue with the RCC is, first and foremost, "unity" in a visible and specific ritual. Under the authority of the Roman Catholic Church, "all Christians will be gathered, **in a common celebration of the Eucharist** into that unity of the one and only Church....unity we believe dwells in the Catholic Church as something she can never lose." She could hardly state it more clearly.

Unity: True and False

Very different from this man-made spurious unity is the true unity of believers in Christ. The foundation of Christian unity is the position of believers *"in God the Father and in the Lord Jesus Christ."*⁸ The Lord's prayer in John 17:21 for unity is answered in the life of an individual who is justified by God's saving grace alone through faith alone in Christ alone. The fact that the Lord Jesus Christ prayed for unity means that unity of believers is actual. God, the Father of His people, Who before the world existed chose the believers to be in Christ His Son, justified them through His righteousness, and upon saving them, places them in Him, and will preserve them in that unity unto the culmination of all things. Believers are placed into the unity which is in Christ Jesus, a unity which they themselves did not establish, but which they are commanded to maintain. In the words of the Apostle Paul, they are *"to keep the unity of the Spirit in the bond of peace."*⁹

True Ecumenism

The same Apostle shows clearly the ground of true unity. *"There is one body, and one Spirit, even as ye are called in one hope of your calling; One Lord, one faith, one baptism, One God and Father of all, who is above all, and through all, and in you all."*¹⁰ Believers, therefore, who adhere to God only and His Written Word, as did the Lord and the Apostles after Him ('Sola Scriptura') are one in body, in Spirit, and in truth. They are saved before the all-Holy God by grace alone ('Sola Gratia'), through faith alone ('Sola Fide'), and in Christ alone ('Solo Christo'), and all glory and praise is to God alone ('Soli Deo Gloria'). These five biblical principles together show the foundation of true unity in the Lord. They have helped the persecuted church through the centuries to hold fast to the simplicity of the Gospel. True ecumenism is fellowship or working together in adherence to the five basic biblical principles that maintain the foundation of true unity in the Lord. To the degree to which these key basic biblical standards are embraced, true unity will be evident.

False Ecumenism

On the other hand, false ecumenism, typically institutionalised, is the joining together for common causes of professing Christian groups, when in fact one or more of the parties involved are unconverted. While purporting to confess the Lord Jesus Christ according to the Scriptures, for the most part

the five biblical principles that display the basis of true unity in the Lord are compromised. The extent to which these principles are not upheld usually shows the inclination of the church or group to submit to Rome.

The World Council of Churches is such an institution. Within it, there is no agreement on any of the five principles that demonstrate the fact that the foundation of true unity is in the Lord Jesus Christ alone. The Pope and his Church, likewise in apostasy from the true Gospel, are also without any of the five biblical standards. Counterfeiting the body of the Lord Jesus Christ, they are intent on finding successful ways to bind all to the very visible, active and attractive pontifical throne.

Pope Defines Conformity

In his official letter, "That they May Be One", the Pope defines full unity,

"The Catholic Church, both in her praxis and in her solemn documents, holds that the communion of the particular Churches with the Church of Rome, and of their Bishops with the Bishops of Rome is, in God's plan, an essential requisite of full and visible communion."¹¹

To arrive at that point of full unity, a different set of five principles must be adopted—principles that actually deny all five parameters of biblical truth. According to the Pope, "It is already possible to identify the areas in need of fuller study before a true consensus of faith can be achieved:

- (1) the relationship between Sacred Scripture, as the highest authority in matters of faith, and Sacred Tradition, as indispensable to the interpretation of the Word of God;
- (2) the Eucharist, as the Sacrament of the Body and Blood of Christ, an offering of praise to the Father, the sacrificial memorial and Real Presence of Christ and the sanctifying outpouring of the Holy Spirit;
- (3) Ordination, as a Sacrament, to the threefold Ministry of the episcopate, presbyterate and diaconate;
- (4) the Magisterium of the Church, entrusted to the Pope and the Bishops in communion with him, understood as a responsibility and an authority exercised in the name of Christ for teaching and safeguarding the faith;
- (5) the Virgin Mary, as Mother of God and Icon of the Church, the spiritual Mother who intercedes for Christ's disciples and for all humanity."¹²

The Pope's objective in declaring his five principles is that a ubiquitous visible conformity to the Church of Rome should be forged in accordance with and manifested through her institution alone. Thus the Pope decrees,

"...it is now necessary to advance towards **the visible unity** which is required and sufficient and which is manifested in a real and concrete way, so that the Churches may truly become a sign of that full communion in the one, holy, catholic and apostolic Church **which will be expressed in the common celebration of the Eucharist.**"¹³

The RCC is attempting to forge a man-made unity, visible by means of an institution to which all must conform. Such a conception stands in direct

contradiction to the reality of believers who, having been placed invisibly in Christ by God, are to maintain the bond of unity given them by the Holy Spirit.

External Unity to be Attained by Power and Penalty

What is this conformity now so passionately advocated by the Pope? How would it be applied in practice? From all previous experience, and the official teaching of the same Pope in his Canon Law, those fully participating will be obliged to submit their faculties of both mind and will to 'the Holy Father' [the Pope], to his decrees, and to the dogma of his Church. Thus present day Roman law decrees,

Canon 752 "A religious respect of intellect and will, even if not the assent of faith, is to be paid to the teaching which the Supreme Pontiff or the college of bishops enunciate on faith or morals when they exercise the authentic magisterium even if they do not intend to proclaim it with a definitive act..."

In this official law Rome enunciates, in clearer terms than any cult states, the necessity of suppressing one's God given faculties, that of mind and will. This is not only demanded, the new Canon Law, the 'Papal Code' codified by the present Pope, includes a section entitled "Punishment of Offenses against Ecclesiastical Authorities and the Freedom of the Church". Under the heading, "The Punishment of Offenses in General", the Inquisition appears again as from old times, for Canon 1311 states,

"The Church has an innate and proper right **to coerce** offending members of the Christian faithful by means of penal sanctions."¹⁴

A brief acquaintance with history readily reveals that coercion is a term that the Roman Church understands very well. Naturally, when ushering all comers into her big tent, she makes light of its implications; but when once again in direct control of the levers of political power (which may well be provided by the fast advancing European super state), Canon 1311 could acquire that same notoriety as those that have so darkened the pages of history.

It is important to remember always that the Roman Papacy is an absolute monarchy and also a secular government. Enormously wealthy, it has territorial sovereignty, its court, nobles, and diplomatic corps; its detective force and secret service; its laws, advocates, and system of jurisprudence as well as prison; taxes, bank, foreign treaties and concordats, enormous political influence, ambitious plans and policies, all as much as any secular kingdom. And it still has the Inquisition, now styled the Office of the Doctrine of the Faith, headed by Joseph Cardinal Ratzinger.

Bride of the Lamb Understands Apostate Church

Believers of old were clear to call the Roman Catholic Church's imposed conformity "Satan's seat" or the Antichrist. This was known and spoken of even through the Middle Ages by Dante Alighieri (d. 1321), John Wycliff (d.

1384), John Huss (d. 1415), Savonarola (d. 1498), and William Tyndale (c. 1536). So Rome's conformity was described as Antichrist from the time of Reformation by Martin Luther (d. 1546), Nicholas Ridley (d. 1554), John Bradford (d. 1555), and John Foxe (d. 1587), and in more recent times by Isaac Newton (d. 1727) and Jonathan Edwards

(d. 1758). Now as the "Holy" Roman Empire revives in the European Superstate, can believers afford to remain ignorant of both history and Biblical prophecy as understood throughout the centuries? Confident believers of old saw that unity is in Christ and, consequently, warned of the conformity with Rome. They both knew the true church in Christ, and recognised the apostate Church in Rome. Understanding that unity with the Roman Catholic Church always meant submission to her traditions and finally obedience to her Pope, they rejoiced that their unity was in the Beloved, rather than dallying with sin.

Pope Identified

Extravagantly, apparently without trembling, the Pope has again fulfilled the Lord's prophetic Word (II Thessalonians 2:3-12) depicting the Man of Sin and Son of Perdition. The sitting Pope purports to take for himself a Divine position. Thus in Section III of the prepared program for the "Day of Pardon", "The Holy Father" is mentioned eight times. Nonetheless in the RCC, this title does not denote the All Holy One in heaven, but rather the sitting Pope. Seen in the light of Scripture, the RCC Pope who claims to be Christian, clearly is one "Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, showing himself that he is God" (v. 4). The Pope of the RCC goes further when by taking to himself the title of "The Vicar of Christ", he presumes to take the place of Christ Himself, teacher, shepherd, and priest. This also is clearly tantamount to "as God sit[ting] in the temple of God, showing himself that he is God." The assertion is not simply made, for the Pope's law gives it teeth in exacting submission of mind and will and promising punitive action against those who fail to obey, as Canon 752 and 1311 document. He is the worst and greatest enemy of Christ who under the pretence of service to Christ, presumes to undermine His unique offices by covertly usurping His position and power.

C. H. Spurgeon clearly understood these things. His timely words still apply,

Since he was cursed who rebuilt Jericho, much more the man who labours to restore Popery among us. In our fathers' days the gigantic walls of Popery fell by the power of their faith, the perseverance of their efforts, and the blast of their gospel trumpets; and now there are some who would rebuild that accursed system upon its old foundation. O Lord, be pleased to thwart their unrighteous endeavours, and pull down every stone, which they build. It should be a serious business with us to be thoroughly purged of every error which may have a tendency to foster the spirit of Popery; and when we have made a clean sweep at home we should seek in every way to oppose its all to rapid spread abroad in the church and in the world.¹⁵

[Billy Graham and His Friends – A](#)

Hidden Agenda? By Dr. Cathy Burns

A friend recommended me to check out a book by Dr. Cathy Burns, *Billy Graham And His Friends – A Hidden Agenda?*. I never heard of her or her book before. I found her website, [Liberty to the Captives](https://libertytothecaptives.net). The titles of the articles look very very good! Her bio on the site says:

Dr. Cathy Burns has a degree in Bible Philosophy and has spent the past 19 years doing extensive research on the New Age movement and related subjects. She has written many articles, tracts, and booklets on various subjects, including nine other books: *Hidden Secrets of Masonry*; *Hidden Secrets of the Eastern Star*; *A One World Order Is Coming*; *Mormonism, Masonry and Godhood*; *A Scriptural View of Hell*; *Alcoholics Anonymous Unmasked*; *Pathway to Peace*; *Secure in Christ*; and *Masonic and Occult Symbols Illustrated*. Her name is listed in *Who's Who in Religion*, *Two Thousand Outstanding Intellectuals of the 20th Century*, *Five Hundred Notable Women*, *Outstanding People of the 20th Century*, *Who's Who in the East*, *Who's Who in America*, *World Who's Who of Women*, *Dictionary of International Biography*, *Two Thousand Notable American Women*, etc. She has also done radio interviews in the United States and Canada. (Ref: https://libertytothecaptives.net/about_dr_burns.html)

Cathy Burns' bio is also on the [Chick Publications website](https://chickpublications.com). I believe she is a sincere Bible believing follower of Jesus Christ. Just reading the first chapter of her book tells me so.

The emphasis in **bold** are from the author, and taken from the [the PDF file I got the text from](#).

This is only *part* of chapter one of her book. I don't want to violate the copyright law. You can [buy the book from Amazon](#).

1 . LETS MEET SOME OF BILLY'S FRIENDS

Billy Graham is one of the best-known as well as one of the best-loved individuals of the 20th century. He has been in the listing of "most admired men" for 36 consecutive years—more than any other person. Chuck Colson states that he is the "greatest evangelist of this century—perhaps the greatest since Paul...." Others refer to him as "the world's best-known evangelist," "the world's most beloved evangelist," "the most honored evangelical alive," "the nation's pastor," or "America's pastor."

Knowing that Graham was so well respected and revered, and hoping to help our community hear the gospel of Jesus Christ, I took the responsibility for trying to bring Graham's films to our school— and succeeded. Even though I was still in high school, I felt a burden to reach out to others and tell them about Jesus. At that time, I thought Graham's films would be one of the best methods available and I was even one of the counselors after the film was aired. Since that time, Graham's popularity has only increased.

Little by little I started hearing about some aspect of Graham's ministry with which I didn't agree, but I'd just shrug my shoulders and ignore it. Eventually, those "little things" started to add up to quite a large number of difficulties. As I started to research some of these issues, I found more and more—and even more problems— problems far worse than I could have possibly imagined. I started noticing Graham's own words in his autobiography and compared that with other sources. I read many biographies on Graham—most of which were authorized by Graham himself and/or published by Graham's ministry (under World Wide Publications). Since I'd been researching the New Age and related movements for the past 19 years, I noticed some names with which I was familiar. As I continued to dig and research, unbelievable associations were uncovered— and some things started to fall into place. I started to understand many things I had not comprehended before. I am now sharing this extensive research with you—and hope you will continue to **do your own research** as well.

This first chapter, especially, may be a little difficult to read and digest, but I feel it is necessary in order to lay a framework for the succeeding chapters. This was not an easy book to write but, as I think should be evident, it has been extensively researched and documented. Many people will not like what has been uncovered— but I believe the truth should be shared with others. Many will want to hold to their cherished beliefs (no matter how false they are)— but I just ask you to read it and then check out the facts for yourself.

Remember, it is better to be disturbed by truth than to be deceived by falsehood. Proverbs 27:6 notes: "Faithful are the wounds of a friend; but the kisses of an enemy are deceitful." Galatians 4:16 asks: "Am I therefore become your enemy, because I tell you the truth?"

Since he is esteemed and revered in the eyes of so many, I think it's very important to look at Billy Graham himself, some of his close friends, as well as some of those he invited to share the platform with him at his Crusades. While I'm sure that Graham would not be in agreement with the views

(political, spiritual, or even otherwise) of all those encouraged to sit on his platform, his words of praise for many of them certainly give the impression that he considers these people to be fellow Christians and individuals to be respected and admired. It is one thing not to make a disparaging remark about someone; it is quite another thing to heap praise on a person.

It is obvious that someone in Graham's position does not want to be "negative" about people because he would lose many friends, but does he need to unnecessarily brag up people who are flaunting open sins? For instance, on *Larry King Live*, Graham said that although he has been friends with Bill Clinton for years, he has not and would not bring up the issues of homosexuality or abortion to him. Graham said that if he did that, he "would not be invited back to the White House." (As John 12:43 says: "[T]hey loved the praise of men more than the praise of God.") Silence in a case like this is bad enough, but a few months later, in an interview with *U. S. News and World Report* on May 3, 1993, he said about Clinton: "I am quite impressed with his charisma and with some of the things he believes. If he chose to preach the gospel instead of politics, he would make a great evangelist." He also said: "From a biblical point of view, we should be **headed in the direction of goodness and righteousness, away from crime and immorality** and towards one's neighbors who are in need. **I'm encouraged by the emphasis President Clinton and Hillary are putting on that.**"

Graham says Bill and Hillary are leading us in the direction of goodness and righteousness, yet Clinton was recently photographed at a Democratic fundraiser with Hugh Hefner, the founder of *Playboy*. The photo then appeared in the May 2000 issue of *Playboy*. This is hardly a righteous influence! Clinton had also "appointed over a score of homosexuals to his staff."

Graham also said that he forgives (and seems to excuse) Clinton's sexual misconduct: "I forgive him. Because I know the frailty of human nature, and I know how hard it is, and especially a strong, vigorous, young man like he is; he has such a tremendous personality. I think the ladies just go wild over him." It's great to have man's forgiveness, but that is not sufficient. Clinton needs to ask for God's forgiveness for only God can cleanse the heart.

In Graham's autobiography, *Just As I Am*, he mentions that he was with President Clinton on May 1, 1996. He states: "It was a time of **warm fellowship** with a man who has not always won the approval of his **FELLOW CHRISTIANS** but who has in his heart a desire to serve God and do His will." [Emphasis mine throughout.]

"At a luncheon for 500 newspaper editors at their annual convention in Washington, D.C., Graham said that the President's personal life and character are 'irrelevant.' At the luncheon...**he promoted Clinton as a man of God**. He explained that he and Clinton had been close friends for many years and stated, 'I believe Bill has gone to his knees many times and asked God to help him.'"

The praises flow both ways, however. At a dinner in Washington with about 650

people in attendance, Clinton praised both Billy and Ruth Graham.

When people consider someone like Clinton (who is a sex pervert, pro-homosexual, pro-abortion, etc.) to be a Christian, we are in desperate spiritual trouble! When someone like Graham does so, we are even in a more profound dilemma since multiplied thousands look up to Graham as a spiritual advisor and man of God.

JOHN FOSTER DULLES

Let's meet another one of Graham's friends: John Foster Dulles. It was **Dulles who was involved in helping to open doors for the 1954 Graham Crusade in London.**

In *A Prophet with Honor*, which Billy Graham had asked William Martin to write, we find: "Secretary of State John Foster Dulles...would also be 'using his considerable prestige to help by writing letters to all of his friends and contacts in England.' Perhaps at Dulles's recommendation, American ambassador to Great Britain, **Winthrop Aldrich, promised his assistance as well.**"

Aldrich, by the way, was a brother-in-law to John D. Rockefeller, Jr.

Many people know who John Foster Dulles was but for those who don't, **Dulles was a founder of the Council on Foreign Relations (CFR)** (Note from me: According to Myron Fagan, [the CFR is the American branch of the Illuminati](#)) and a relative (through marriage to Janet Pomeroy Avery) to the Rockefeller family. He served as a **chairman of the board of the Rockefeller Foundation and the Carnegie Endowment**. It was Dulles himself who chose **Communist Alger Hiss** to be president of the Carnegie Endowment for International Peace. We need to remember that the kind of peace the Carnegie Endowment has in mind is different from the peace that you have in mind. This organization said: "[W]e shall have peace through constant warfare!" Not a very peaceful peace, is it?

Dulles and Hiss were friends for a long time. Furthermore, **"Mr. Dulles and Mr. Hiss worked together in The Federal Council of Churches** and...both were chairmen of important committees of the Council."

"In September 1916, [President Woodrow] Wilson appointed a 'brain trust' of 150 to draw up a charter for **world government**. The League of Nations Covenant was prepared for a new **socialist one-world** to follow WWI. The group included college professors, graduate students, lawyers, economists and writers. Individuals on the committee included Walter Lippman (columnist), Norman Thomas (head of the American **Socialist** Party), Allen Dulles (later head of CIA), **John Foster Dulles** (later Secretary of State) and Christian A. Herter (former Secretary of State)."

Dulles advocated "global interdependence" and was also a founding member of the United Nations (UN) and helped to prepare the United Nations Charter which states: "The present Charter represents a conscientious and successful effort to create the best **world organization** which the realities permit." Dulles wrote: "I have never seen any proposal made for collective security

with 'teeth' in it, or for '**world government**' or for 'world federation,' which could not be carried out either by the United Nations or under the United Nations Charter."

"The founders of the UN were 16 Communists led by Alger Hiss, and 43 members of the Council on Foreign Relations (CFR).

"Since the UN was founded, to produce peace for all the world, there have been 157 wars [up to 1991]. The UN has yet to prevent a war, stop a war or win a war. On key issues the UN has voted against the U. S. about 85% of the time."

The story of the land where the UN is situated is interesting, too.

"The UN stands on a piece of land called by the **Manhattan** Indians, Turtle Bay. Their legend was that **floods of blood would drench that place** but that there would come a time when many tribes will meet here to make peace. It happens that for many years the slaughter houses of Manhattan stood here and floods of blood were lost by hundreds of thousands of animals. When Mr. John Rockefeller bought the land, he got the slaughter houses destroyed and offered the grounds to the UN, the meeting place of many tribes. One could also add that the UN was bom from the blood of the 30 million humans who died in World War II. These are the Earth vibrations noticeable at the UN."

Dulles had been hired by Joseph Stalin to act as Russia's legal council in the United States and he was also closely associated with J. R Morgan. Morgan "was instrumental in forcing our country into World War I. He and his associates funded the Bolsheviks and the Nazis, and he helped organize the Council on Foreign Relations. Occult writers tell us he based his investment strategy on astrology."

"John Foster Dulles and Allen Dulles became senior partners of Sullivan and Cromwell. That firm was chief legal counsel to J. Henry Schroeder Bank **which helped finance Hitler's rise to power** initially aided by the Warburg-controlled Mendelsohn Bank of Amsterdam. Chase National, Equitable Trust, Mechanics and Metals, Bankers Trust and Kuhn Loeb & Co. financed Germany's launching of World War I on the basis of a deal made with Kaiser Wilhelm through their agents- the Warburgs."

SIX PILLARS OF PEACE

It was **John Foster Dulles who dominated the Federal Council of Churches (FCC)** which had been founded, in part, by the **Communist Harry Ward** in 1908. In fact, **John D. Rockefeller, Jr.** was among those who **helped to finance the Federal Council of Churches**. For many years no conference or meeting of the Council was complete without an address by Dulles or one of the Rockefellers.

Since Dulles was involved in both the United Nations and the FCC (later renamed the National Council of Churches), it's no surprise to see the following news item: "Christians should vigorously support efforts to strengthen the United Nations—even at the risk of leaving the United States outvoted, the National Council of Churches decided last night."

In Dulles' book, *War or Peace*, he stated:

"The churches took a strong lead in favor of international organization. The Federal Council of Churches of Christ in Commission on a Just and Durable Peace, of which I [Dulles] was chairman. Our Commission held its first full meeting in September, 1941, just after the promulgation of the Atlantic Charter. We immediately launched a campaign to educate United States public opinion to the **need for world organization**. Most of the Protestant churches of the country set up 'study groups' on **world order**. The Commission conducted 'national missions on world order' which took leading ministers and laymen to the principal cities of the United States. It issued a 'Six Pillars of Peace' statement which set out briefly and cogently the **need for world organization** and the tasks it should assume."

"John Foster Dulles and his many supporters in the church now took their case to the nation. Beginning with a convocation in the **Cathedral of St. John the Divine** in New York, they fanned out across America, ultimately visiting 102 cities."

The report:

"**called for a world government** of delegated powers, strong immediate limitations on national sovereignty, international control of all armies and navies, an international court with adequate jurisdiction, a **universal system of money**, progressive elimination of all tariff and quota restrictions on world trade, **an international bank, and worldwide freedom of immigration.**"

It was **Dulles** who was instrumental in getting the FCC to support the United Nations as well as its UNESCO (United Nations Educational, Scientific and Cultural Organization) program. "Skull and Bones member Archibald MacLeish wrote the UNESCO Constitution and several Freemasons helped create the organization." MacLeish belonged to the Council on Foreign Relations. He, along with Adlai Stevenson, "worked to establish the United Nations and drafted the preamble to its charter." "A fervent international, MacLeish strongly advocated One Worldism..." He was also cited for being involved in at least 12 Communist front organizations and/or activities. In fact, his "FBI file ran to over six hundred pages." He "argued vigorously for a left-wing press in the United States, if only because it advanced views contrary to those of the majority."

Dulles was former President Eisenhower's Secretary of State and in 1950, when the Federal Council of Churches changed its name to the National Council of Churches, **Rockefeller** donated a large parcel of land for its headquarters. It was Eisenhower who laid the cornerstone for the National Council of Churches (NCC) in Masonic style.

Interestingly, President Eisenhower read a prayer at his inauguration in January 1953. When copies of the prayer were checked it was discovered that he had not mentioned the name of Jesus Christ in the entire prayer (just like in Masonry). In the Masonic Lodge the chaplains are repeatedly told not to pray or end their prayers in the name of Jesus.

By the way, the NCC just happens to be across the street from the Rockefellers' Riverside Church and the two buildings are connected by an underground tunnel. Also, Rockefellers gave a \$50 million endowment to Riverside Church. "To symbolize the interdenominational spirit and its further reconciliation of religion and science, the tympanum arching the main portal contained the figures of non-Christian religious leaders and outstanding heroes of secular history, Confucius and Moses, Hegel and Dante, Mohammed and even the dread Darwin." Also, this "church building sports stone statues of Gargoyles on its Cathedral as well as statues of the Merovingian King Clovis....John D. Rockefeller, Jr. is chairman of the Building Committee."

Another famous building with gargoyles is **St. John the Divine Church**. One author reveals:

"Grotesque-looking gargoyles are chiseled from stone and set in place on the Cathedral, jeering down and sticking tongues out at the onlookers. Funding for the two-century-long project has been supplied through gifts, including some quite large—like the one for over a million dollars from international financier and philanthropist **J. P. Morgan**."

Gargoyles "are weird stone figures, half-human and half-animal or half- bird, placed on the edges of cathedrals, palaces, and other buildings."

"Riverside was previously pastored by **Harry Emerson Fosdick**. This was the same Fosdick who was accosted by William Jennings Bryan for heresy—denying the virgin birth." Fosdick declared: "**Of course I do not believe in the Virgin Birth, or in that old fashioned substitutionary doctrine of the Atonement; and I do not know any intelligent Christian minister who does.**"

"Bryan and the fundamentalists tried to excommunicate Fosdick but who do you suppose came to Fosdick's defense?—none other than John Foster Dulles!"

GRAHAM FOLLOWS NCC WITH GREAT INTEREST

Fosdick belonged to at least **7 Communist** front groups. He claimed that "Jesus was as much 'divine' as his own mother." He was also a leader in the **National Council of Churches**. Additionally, Fosdick wrote articles for Margaret Sanger's Birth Control Review.

In spite of the apostasy in the leadership of the NCC, **Graham** visited the NCC headquarters on August 27, 1991 and remarked: "There's no group of people in the world that I would rather be with right now than you all. Because I think of you, I pray for you, and **we follow with great interest the things you do.**" Graham's connections to the NCC go back to at least **1958**.

Getting back to John Foster Dulles: Not only did Dulles play a large role in the Federal Council of Churches, but he was also involved with the World Council of Churches (WCC). At one of the WCC's meetings, Dulles said: "There is no inherent incompatibility between the Christian view of the nature of man and the practice of economic communism or state socialism."

"It should be recognized, he suggested, that the long-range social ends which

Soviet leaders professed to seek were in many respects similar to the ends which Christian citizens sought—'a higher productivity of labor, abolition of exploitation of man by man, **"from each according to his abilities, to each according to his needs."**' There was nothing in these long-term ends, he thought, irreconcilable with what Christians wanted. 'Most of them have been sought by Christians long before there was a Communist party,' he declared."

REDISTRIBUTION OF WEALTH

As early as 1939 **Dulles said** that there must be **"some dilution of sovereignty,"** and **"the establishment of a common money."**

On October 28, 1939 Dulles proposed "that America lead the transition to a new order of less independent, semi-sovereign states bound together by a league or federal union."

As mention, in 1942 **he was the chairman of a meeting of the Federal Council of Churches (FCC)** **"which called for a world government,"** etc.

"The report also called for **world-wide redistribution of wealth**. It held that a 'new order of economic life is both imminent and imperative.' **It accepted Marxian concepts** by denouncing various defects in the profit system as being responsible for breeding war, demagogues, and dictators."

Dulles also stated:

"The fundamental fact is that the nationalist system of wholly independent, fully sovereign states is complete in its cycle of usefulness...Today, more than ever before, are the defects of the sovereign system magnified, until now it is no longer consonant with either peace or justice. It is imperative that there be a transition to a new order. This has, indeed, become inevitable; for the present system is rapidly encompassing its own destruction. The real problem is not whether there will be a transition, but how can transition be made, and to what" [Emphasis in the original.]

In one of the statements he authored for the Federal Council of Churches, Dulles wrote:

"...Communism as an economic program for social reconstruction has points of contact with the social message of Christianity as in its avowed concern for the underprivileged and its insistence on racial equality...neither state socialism nor free enterprise provide a perfect economic system; each can learn from the experience of the other...the free enterprise system has yet to prove it can assure steady production and employment..."

In *War or Peace*, Dulles wrote: "Fundamentally, world peace depends upon world law, and world law depends upon a consensus of world opinion as to what is right and what is just."

Dulles, along with John D. Rockefeller III, "created the Population Council, in November 1952. They warned of the need to stop expansion of the world's non-white population." Dulles was also among several Council on Foreign Relations members who **knowingly brought Communist Fidel Castro to power in**

Cuba.

Remember, this is the same **John Foster Dulles** who was instrumental in getting **Billy Graham** open doors for a crusade in London in 1954 and “**who designated himself a Christian Communist.**” Could Dulles have sincerely been interested in having the Gospel preached? It doesn’t seem likely! I might add that Dulles “also gave him a bit of political advice, perhaps hoping Graham would not make statements that ran counter to U. S. foreign policy.”

TEMPLETON PRIZE

Billy Graham is so popular that he was selected as the recipient of the Templeton Prize in 1982. In the address that Templeton gave during this ceremony he said: “Every person is created by God, is a child of God and the Holy Spirit dwells within **each** human being.” He continued:

“This afternoon, His Royal Highness Prince Philip presented the Templeton Prize for 1982 to the Reverend Dr Graham, founder of the Billy Graham Evangelistic Association. Evangelism is a duty for every person who worships **God in any form.** Dr Graham has originated more new ideas in evangelism than any living person. He has given the Church around the world a new hope and has contributed vastly to the wider vision and meaning of evangelism. **His co-operation with all denominations** to involve the statesmen of the world in evangelism has left an indelible mark on Christian history.”

[The Secret Power Of The Jesuits By J. J. Murphy](#)

A short history of the Jesuit Order which sheds light on what the Jesuits are doing today.

The Roman Catholic Agenda Embedded in the Manhattan Declaration

The Roman Catholic Church-State's primary goal is to make enforceable its claim that it is the only true church of Jesus Christ and its pope, the claimed "Vicar of Christ" has the right to judge everybody, as he did during the Middle Ages.

Main Points of the US Border Crisis – A Planned Foreign Invasion

The article I transcribed on January 20, [The US Border Crisis – A Planned Foreign Invasion](#) is a long read, and that may discourage some people from reading it all. Because I consider what Doug Thornton has to say is vital for Americans to know, I compiled its main points in this post to make it only 1/10 of the length of the previous post.

For the record, I do not advocate acts of violence against government officials. I do not own a firearm, but neither do I live in America anymore. I'm not against getting a firearm if I live in an area of high crime. I believe one of the main reasons why America has not yet fallen into total tyranny is because of the Second Amendment of the Constitution, the right to bear arms. I believe if the government outlaws guns, only outlaws will have guns. And I can tell you for a fact, that this is the situation in Japan! Though the average Japanese citizen was disarmed long ago, the Japanese mafia – the Yakuza – have guns. They use them to shoot each other, rival gangs.

Doug Thornton is the host of a podcast called American Vendicta. He is also a retired US Marine and a former federal police officer who worked for the Department of Homeland Security for 10 years. He worked for the Federal Protective Service as the uniform law enforcement side of the federal government. Many times he went down to the border to assist units from Border Patrol and CBP (Customs and Border Protection) for their border operations. The following quotations are all from Mr. Thornton. I slightly rewrote some of the things he said to make them clearer.

- The last 10 years we've had a million people yearly cross the border either illegally or coming through here and just slipping the system, then that's easily 10 million people. But what we typically say is for every million we don't catch. There are two to 3 million that get by. So if we take that estimate and then we flip it on its head, We're easily in the last decade at 30 to 40 million people undocumented.
- Many of them are multiple-time felons pedophiles, torturers, rapists, human traffickers, gun traffickers, terrorists, known cartels, and known gang affiliates like the MS 13 (an international criminal gang).
- You also then have other problems like diseases that come across. But one of the things that seems to slip the mind of Congress, though they know, is the amount of terrorism that comes across the border, the amount of known terrorism that's being found coming across the border that the FBI blatantly turns the other way.
- One of the simple forms of having a definition for invasion is an untold amount of people being granted access into the country against the will of the people there to deteriorate the laws and the customs and procedures of the people. Now, after that, if you are in the legislative system or the executive branch you will fully allow that to happen, knowing that you're bringing disease, crime, terrorism, and sex slave trafficking to include many children trafficked, not just into America, but from America, and then out of America, **then you would be more defined as a traitor by that term.**
- You take these people from socialist communist countries and they're men of fighting age. And they are bussed here. They didn't walk. They did not walk here. They were bussed here. Who bussed them? George Soros.
- The cartel is a Fortune 500 company. And we've known it. We've watched them. We monitor them. We observe them. They'll send us sometimes at these border patrol checkpoint stations, they'll send us an 18-wheeler filled with weed. You can smell it coming over the bridge. Then the dogs hit on it. And then we have a merry time tearing the truck apart. And it sucks us all in. And **meanwhile, the truck full of fentanyl goes this way. Or a truck with a nuclear missile goes this way. We won't know because we're so busy with checking out the 18-wheeler filled with weed.**
- If Donald Trump doesn't get re-elected, do you think the average person in America is going to sit back and not complain about it? And then from there, do you think there's a small group of people who aren't going to take up arms about it? January 6 was a precursor to what 2024 is. If you think of it as this, January 6 was planned in 2016. If that's true. Then 2024 was planned in 2020 in 2021 with January 6. So I believe that they are planning and building up the pressure building in the pot for a violent reaction from the people.

- And the Vatican plays a large part in it, Chris. You know this, we have NGOs, nongovernment organizations on the border that are helping affiliates, they're trying to bring these people coming across the border, who are not all Christians. They're bringing these people across the border and then they're funneling them all over the United States.
- You have entities like almost every Catholic Church, then to include the Red Cross that are all sponsored by the Vatican, and controlled by the Vatican. They are the main culprits and moving people. It's always been a Catholic Church that shows up somewhere at midnight with a van when we got, a busload or two of the illegals. And then they come and pick them up and they drive them away because they are helping the government with re-purposing these people, bringing them to other places.
- So if the government fails us, and they're obviously failing us for a reason, I don't care what Congressman comes out and grandstands for five minutes about how bad the border is. The majority of Republicans and Democrats are doing this.
- And Canada has its bigger point to play in this as well. This is also happening in Canada. Most people don't know this. You can take a flight from Mexico, direct flight into Canada, and then just walk right across the border.
- Mass migrants aren't going to South America to stay. They're all being sent to America. It's to destabilize. There can be no other reason except to destabilize the economy, rattle up the people, and destroy the inner workings of our government, especially by creating social disorder like crime.
- The inevitable goal is the invasion of America. Why stage a war, why float across an invasion force of people? If I was a diabolical person and I wanted to take down America, this is what I would do. I would pay your politicians to allow my army to come across. And it's so hard and too obvious to bring my army from Beijing and from St. Petersburg and Moscow over to Mexico, then we'll just hire our friends in South America, who are all on our side, and we'll send them up first. And that'll be the initial force. All you need is an initial force of people.

The US Border Crisis – A Planned Foreign Invasion

Retired US Marine and a former federal police officer Doug Thornton exposes

the sinister reason behind the US border crisis. A must read!

[The Movers and Shakers of this World](#)

The most powerful people in the world are behind the scenes and are not the visible leaders of the nations.

[NWO Insider Dr. Richard Day Reveals the New World Order Plan](#)

Dr. Richard Day

Dr. Richard Day revealed New World Order plans in 1969. As we enter the new year 2024, let's count how many of these 55 points in their plans have come to pass. My comments are in parenthesis after some of them.

This article started with a video of the recollections of Dr. Lawrence Dunegan regarding a lecture he attended on March 20, 1969, at a meeting of the Pittsburgh Pediatric Society. Unfortunately, that video was removed from YouTube. □

The lecturer at that gathering of pediatricians was Dr. Richard Day (who died in 1989). At the time Dr. Day was Professor of Pediatrics at Mount Sinai Medical School in New York. Previously he had served as Medical Director of Planned Parenthood Federation of America. Dr. Dunegan was formerly a student of Dr. Day at the University of Pittsburgh and was well acquainted with him, though not intimately. He describes Dr. Day as an insider of the “Order” and although Dr. Dunegan’s memory was somewhat dimmed by the intervening years, he is able to provide enough details of the lecture to enable any enlightened person to discern the real purposes behind the trends of our time.

You can also [read a transcript of the entire message on this site!](#)

Here are just some of the topics covered in this video created from Dr. Dunegan’s audio tapes about the plans of the New World Order. He revealed this information in 1969! How many predictions can *you* count that have been fulfilled? Please write your answer in the comments section below.

1. Girls would be discouraged from playing with dolls so they wouldn’t think about babies. They would be encouraged to get out on the soccer field instead.
2. Guns would be eliminated almost entirely and the few that were allowed to have them for hunting would have to check them out from officials. (The public in Canada, Australia and New Zealand have been disarmed. This is the reason, in my opinion, government repression during the Covid plandemic was much harsher in those nations than in America.)
3. They already could cure over 98% of all cancers – they had the cures at the Rockefeller Institute. But they would not be released because there were too many people in the world and they had to die of something.
4. Homosexuality will be encouraged – anything goes. (Since the Obama administration, gay rights have been promoted, and now under Biden, the LGBTQ agenda is given priority over fixing the southern border crisis and fixing other serious problems America is facing today.)
5. Families will diminish in importance. People would be encouraged to live alone.
6. Euthanasia will be encouraged – they will use “the demise pill” to kill themselves.
7. Births will be strictly controlled and you could not simply have children because you wanted them.
8. “Stupid” people would not eat correctly and exercise so they would die much earlier and that’s what they wanted.
9. Private doctors will be eliminated – doctors make too much money.
10. They will make health care so expensive that you must have insurance or be financially destroyed. Limiting access to affordable medical care will make eliminating the elderly easier. They would stop hospitals from giving any charity care.

11. New difficult-to-treat and diagnose diseases will come about as a means of population control. (SARS, Covid-19, laboratory engineered viruses.)
12. Running shoes and sports equipment will be made glamorous to make the "smart" people get into exercise.
13. Romantic music will not be put out anymore. All the old music will be brought back on certain "oldies" radio stations and the young people will have their own radio stations. Old movies will be put on again for the old people.
14. Entertainment will be used to mainly change and program young people. The old people are not important anyway so they don't care much about them.
15. Entire meals will be made and put in grocery stores. Convenience foods will be made unhealthy. They wanted people who were too lazy to fix their own meals or exercise to die early.
16. Inducing heart attacks as a means of assassination. ([Heart attacks among young people have indeed dramatically increased](#) since the Covid-19 pandemic. Did the Covid vaccines cause it? I believe it did.)
17. They will blend all religions but Christianity had to go especially! Once the Roman Catholic Church is brought down then the rest will go next. Then they will create a new religion. (Many traditional Catholics are alarmed at the way Pope Francis is leading the church. I believe that even if the RCC is destroyed as an institution, those who controlled it will lead the new world religion. And if end-time events do not go the way dispensational evangelicals think they will, some have actually said they will throw their Bible away!)
18. They will change the Bible over time – churches would help them! (False doctrines abound in churches today.)
19. The education system will be restructured as a tool of indoctrination. Kids will spend more time in school but won't learn anything. Kids will have to specialize early on in their education and changing their plans will be very difficult. (Many Americans cannot find major countries such as Japan on a map.)
20. ID will be required for all travel. They will implant IDs inside the skin so that nobody can say they lost their IDs.
21. They will control who has access to information. Some books will just disappear or be changed. They will even have thieves steal certain books from the library. (It's much harder for them to control Information now unless Internet providers start to charge more money to access websites like mine which are not sanctioned by the government.)
22. Drug use will be encouraged to create a "Jungle" atmosphere. Meanwhile, police enforcement to put people in prison for drugs will be drastically increased.
23. Food will be strictly controlled and people would be not allowed to grow their own. They only would give you enough food to give you what you needed but hoarding food or growing food would be criminal activities. They didn't want anybody to be able to support those outside their system.
24. Travel will be first made cheaper to encourage people to spread out their families but then made very expensive so few people can afford it.
25. Crime will be increased as a way to control society.
26. More jails would be made and they would even use hospitals as jails.

27. **America would lose its manufacturing base.** Other countries would be making the products America was making now. (This is sure true of manufacturing in Asian countries.)
28. Sports would be used as a tool for social change – Soccer was being encouraged since it was a global game. They wanted to do away with anything like football and baseball that were created in the United States. National pride of any type would be discouraged.
29. Sex and violence would be programmed through entertainment.
30. All television sets would have secret cameras that would watch everybody in the room.
31. They would implant IDs in everybody.
32. They would control what was in our food.
33. They already controlled the weather. They would stop rain in certain areas to bring them under their control. They would make rain during harvest to make it harder to get the food from the fields.
34. There were always two reasons for all their actions. The public reason they give everybody and the REAL reason.
35. People don't ask the right questions – they are too trusting.
36. Scientific research would be falsified to push their agendas.
37. **Terrorism would be used to control the people.**
38. Home ownership will be a thing of the past.
39. The new system would be either brought by peaceful means if possible or by bringing the nation to the brink of nuclear war. People would give up their national sovereignty to keep the peace.
40. If too many people resisted their plans, there might be a need to use one, two or more nuclear weapons to show that "we mean business".
41. War was justified as a way to control the population. They were happy that World Wars had killed millions so they couldn't keep having babies. But now with nuclear weapons, they would not allow wars to be fought with nuclear weapons on a wide scale.
42. Americans have had it too good so nuclear terrorism might need to be used in order to implement the new world order system.
43. Inflation is a tool of control. Money would be turned into credit. Cash would be done away with. People would carry money only for small items such as chewing gun. All else is done electronically. They would ultimately have a single bank system but might appear as several banks.
44. All purchases would be tracked. If you bought too much of an item or a particular item, an official would be alerted to investigate. The ability to save would be curtailed so they would not be able to accumulate wealth. Wealth in the hands of the people is not good for those in charge.
45. If you saved too much, your pay would be cut in the future so you could not accumulate any wealth.
46. Credit would be encouraged so people would get in debt and get in trouble so authorities could come down hard on them.
47. Eventually there would only be one credit card and then after that, there would be a skin implant located in your right hand or your forehead. He was told to not worry about what the Bible said about this because this was just the logical place for the implant.
48. Implants would also be used for surveillance. Every citizen could be identified by their own signal through tooth fillings etc.

49. You'll be watching television and somebody will be watching you at a central station. The TV could be off and still monitor you. They could tell what you are watching and how you are reacting to what you are watching. The signals for monitoring you will go down the cable for your Cable TV and telephone wires.
 50. Audio monitors would also be used in other rooms. Any wires that come into the home will be used to monitor you such as telephone wires.
 51. There would be service trucks everywhere putting in the monitoring equipment.
 52. People who already owned houses would be allowed to keep them but young people would never be able to afford a home. The cost of homes would not come down even with all the empty houses. They would control the price of homes to turn more and more people into renters.
 53. People would be assigned where they would live and they would assign non-family members to live with you. That's why the census asks how many bedrooms you have in the home.
 54. When the new system comes out, they would be required to sign allegiance to it. There would be no room for people who would not sign their allegiance to the new system. They would be secretly taken to special places where they would not live very long. People will just disappear so they can't be martyrs.
 55. The new system will come in over a weekend in the winter. They would announce the new system was in place on a Monday. Everybody will have less leisure time after the new system was brought in so they couldn't figure out what was going on.

Pope Francis declares WAR against Bible believing Christians!

A fundamentalist group, although it may not kill anyone, although it may not strike anyone, is violent. – Pope Francis

The CIA, Knights of Malta, Vatican Connection

The Knights of Malta have their own Constitution and are sworn to work toward the establishment of a New World Order with the Pope at its head.

Jesuit control over the CIA

The CIA is run and operated by the Jesuits and the Roman Catholic Church.

The Jesuit / Vatican Connection with Zionism, Israel, and Western Intelligence Agencies

I found a goldmine of information from saidit.net that positively links the Jesuit Order to Israel and Zionism! This article is not a mere copy and paste from saidit.net but a compilation of several sources. I'm going through all the links on saidit.net to fact-check and compile all the information I think is relative to the subject. Indented paragraphs are quotes from the sources I found.

Former German officer and Knight of Malta Reinhard Gehlen was instrumental in the formation and structure of Mossad, the Israeli intelligence agency!

This is confirmed on the [Find a Grave website](http://findagrave.com).

Reinhard Gehlen was a General in the German Army during the Second World War and served as Chief Intelligence Officer(FH0) Foreign Armies East, on the Eastern Front obtaining accurate information about the strength and capabilities of the Red Army.

Just imagine that! One of Hitler's generals the creator of Mossad! That alone says a lot of what I am trying to prove in this article.

James Jesus Angleton was in charge of the CIA's relationship with Mossad, making it part of the CIA, KGB and MI6 formation.

"James Jesus Angleton (December 9, 1917 – May 11, 1987) was an American intelligence operative who served as chief of counterintelligence for the Central Intelligence Agency from 1954 to 1975." – Source: Wikipedia.

He was a member of the Knights of Malta and head of the 'Vatican Desk' and 'Israel Desk.' Source: [Movers and Shakers of the Sovereign Military Order of Malta](http://moversandshakers.com)

Jesuit-trained Shimon Peres gave the [lands of Israel to the Vatican in the Oslo Accords](http://osloaccords.org).

Shimon Peres with Pope Benedict. That sure looks like a Masonic handshake!

"The Black Pope," Jesuit Superior General Adolfo Nicolas, rules "the White Pope" sitting in "St. Peter's Chair," Pope Benedict XVI, who in turn rules "the Great White Witch," Dame of Malta and key Bilderberger, Queen Elizabeth II. The Queen, upon orders from her immediate master in London, Jesuit Provincial of the British Province Michael Holman, made **Israeli President Shimon Peres a Knight of the Order of St. Michael and St. George in November of 2008, he having faithfully administered Rome's foremost colony (Israel) in the Middle East for over fifty years.** Source: [Vatican Assassins](#)

A lot of Israeli prime ministers were also high-level Freemasons. This is confirmed on [Freemason Israel Prime Ministers, 1948-2008](#)

Jesuit control over Freemasonry has been pointed out by many relevant figures in the past. The Jesuits themselves were very influential towards the Zionist movement itself. The Rothschilds played a huge role in the movement towards Israel, who have proven to side with the Vatican in order to target their "fellow" Jews many times in the past. [The Jesuits used the Rothschilds to fund the Bolshevik revolution](#), so not only can they be held accountable for the millions of kills under the Communist regime, but **they also supported the anti-Semitic and fascists movements in Europe simultaneously to blame the Jews for creating Communism.**

The Jesuit control over Intelligence in the Middle East isn't limited to the Mossad itself, but they even control the Palestinian authorities through the CIA, having **both groups caught up in a Hegelian Dialectic that they can exploit.**

[The Jesuits are probably the most anti-Semitic group](#) out there due to the Jews being a rather materialist group, which they can't tolerate. They are an extremely anti-nationalist group as well.

The Vatican believes that religious, nationalist Jews aren't the rightful owners of the lands of Israel and that it actually belongs to Catholic Christians.

The Jesuits are the group that has control over all the most relevant

Intelligence agencies and have always gone out of their way to blame Zionism and the Jews themselves for it.

[The Jesuits have controlled the CIA, FBI, KGB/FSB, MI5/MI6, Mossad Intelligence groups simultaneously](#). So they are responsible for nearly every single conflict involving every single nation on earth in the last decades, all while blaming the Jews for it.

Comments from the webmaster

I think with this information we can see the Israeli-Hamas war in a new light. Just the fact that the Israel government took 8 hours to come to the aid of their own citizens, and the fact that the border war was unguarded giving Hamas free reign to do their dirty work, tells me the operation was planned by the Jesuits to lead to the destruction of both sides. Will the Vatican-led Western world continue to allow Israel to murder Palestinians? The head of the Freemasons in the 19th century, [Albert Pike](#), predicted the following:

“The Third World War must be fomented by taking advantage of the differences caused by the “agentur” of the “Illuminati” between the political Zionists and the leaders of the Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other.

You may ask, “How do you know your sources are not Zionist disinformation?” I’m basing my views on the history I know about the Roman Catholic Church and the belief the early Protestant Reformers had about the office of the papacy being the seat of the Antichrist, meaning Satan’s political control of the world. I could ask you the same question. How do you know your beliefs about Jewish control of the world are not based on Jesuit disinformation?

One author I read recently, Benjamin H. Freedman, a man who was raised Jewish, has some interesting things to say about Talmudic Kabbalistic Judaism which he rejects. But I don’t trust him because he’s a Holocaust denier and became a Roman Catholic!!! He could therefore have been a shill working for the Jesuits.
