“International Banksters” is an expression to describe the Jesuit-controlled financial cabal that controls the leaders and governments of many nations on Earth.

## The Catholic Church And Economics

Opposition of the Catholic church to capitalism has its roots in the Catholic consciousness of the fact that the feudal hegemony of the Catholic church was broken up by the combined power of capitalism and the Protestant Reformation.

## [The US Federal Reserve System Changed the Definition of Money](#)

This is a transcription of a talk by [Kirk Elliott, Ph.D.](#), the founder of Sovereign Advisors, a consulting firm that helps investors with wealth management.

The "Federal Reserve" or FED as it's called, is a misnomer. It's not a part of the American federal government, and there's no reserve. It's a private monopoly on money creation granted by the U.S. Government. It's a corporation of banking cartels. To learn more about that, please read [The Creature from](#)

Before I can give a solution, I have to kind of show where we're headed and how quickly, because they have mapped out the timeline now. It's not us. And it's here. And it's right now.

Central bank digital currency has the ability to cut you off from buying or selling if your ideology doesn't match up with theirs! These are their words, not mine. This started in August of 2019.

So [Federal Reserve docket OP – 1670](#). What is it? What does it say? I'm going to read it exactly so I don't misquote it.

“The main economic attributes of a technically effective currency rests on three functions: as a unit of account, a store of value and as a medium of exchange.”

That's what money actually is. So you have something you can trade back and forth with each other. It has a store value and a medium of exchange.

But, they added a fourth definition of money at the Federal Reserve. And that is the fourth definition of money as a means of social control.

It has nothing to do with fixing the System. In their own words, “Money is a means of social control.”

If you really wanted to control a person, you cut them off from buying or selling, their ability to live. Now you control that person. Now you've got a whole world, or in America, 330 million economic slaves. Right?

On Nov. 8th 2019, a patent was filed 62-758430. Who did this? Visa! The credit card company. What is their patent? Basically, it talks about how in this patent, they want to change money from paper to digital money. And every new digital currency that's created, they're going to take out a paper currency unit. Why? Because you can't track private paper money. You can go to a farmer's market. You can go anywhere. Nobody knows that you're spending money if you use paper. But they can track everything if it's digital. So to bring in a digital system, they have to get rid of the old. They're getting rid of their private-based currency.

Now, it goes a little bit further. March 23, 2020, HR 6321. Okay, Maxine Waters is responsible for this one. So financial protections and assistance for Americans, consumers, states, businesses, and vulnerable populations act. And this is what this is called. So what is it? It's direct stimulus payments for families, for renters. It's a social credit score for universal basic income!

Now, what is required for that? Number one, a digital dollar. Number two, a digital dollar wallet. Number three, a member bank that will actually accept

digital dollars. So here's the thing. If you want to receive the government stimulus, you have to have a digital dollar. There is no other option.

Now extend that out a little bit further. If you want social security, well, they've already passed a bill that says if you want stimulus, what about social security? What about government pensions? What about any kind of government payment for retirement, anything? If you want it, you have to be part of that Beast System. And it's already.

As I read through the Bible as a kid and as an adult, it's like, how in the world could this Antichrist and the Mark of the Beast happen? People knew that it was coming. So in this sense, it's like, oh, it clicked, it makes sense. Even Christians, if they say, "I don't get my retirement? I don't get any payments unless I take the system? Well, I guess I might as well take the system," right?

I believe that it is the Book of Revelation actually happening. Yeah, I mean, if it looks like a duck, smells like a duck, walks like a duck, it's probably a duck, right? And these are in their own words, the ability to cut you off from buying or selling if they don't like your ideology. I don't know what else it is.

So then, here's when the rubber hits the road. March 6, 2022, executive order 14067. Biden penned it. Basically, that says, we're going to have central bank digital currency in America. March 29th, 2022, they start to talk about the ideology. Dr. Pippa Malmgren at the World Government Forum in Abu Dhabi. What did she say? She said, "Programmable money is the core of central bank digital currency." Programmable! Meaning, if we don't like you, we can flip the switch so you can't actually have your money. That's what programmable money means.

Then you go to March of 2023, the United Nations, our common agenda policy brief, right? So here's where the UN General Secretary says, "I propose that the General Assembly provide the Secretary-General and the United Nations system with a standing authority to convene an operationalized, automatically in an emergency, platform, in the event of a future complex global shock of sufficient scale severity and reach."

They're telling you we're going to use a crisis to do this. So what was that first crisis? COVID. What's the second crisis? Bank failure. What's the third crisis? Is it something worse than going on a health scare? A war? A war. I mean, so here's where they tell us. They tell us what could trigger it. I'm not making stuff up. I just read what they say.

So, you go to the next paragraph in this agenda policy brief, what could trigger the emergency authority? A major climatic event, a future pandemic risk, a global digital connectivity disruption, a major event in outer space, and a generic unforeseen risk like a solar flare.

So here's what it says at the end of it. It also states that while the emergency authority would have an initial finite lifespan, the UN could be able to extend it indefinitely.

# What exactly is the World Economic Forum?

I found a talk by Larry Alex Taunton that I like on my friend's website [Global Depopulation by WEF](#)

Mr. Taunton has very interesting things to say about Klaus Schwab's World Economic Forum. He gives the history and the motivation behind it.

Larry Alex Taunton (born, May 24, 1967) is an American author, columnist, and cultural commentator. He has personally engaged some of the most outspoken opponents of Christianity, including Richard Dawkins, Christopher Hitchens, and Peter Singer.

Quoted from the YouTube video:

In this, our fourth episode of the "Ideas Have Consequences" podcast, author and host Larry Alex Taunton cuts through the conspiracy theories and the WEF's noble slogans to explain the history of this sinister organization and the anti-human ideas driving it. Taunton, who attended the WEF's annual meeting in Davos, Switzerland as a kind of spy, brings a unique knowledge and experience to this important issue. This is THE podcast when it comes to ideas and the World Economic Forum.

## **Important points from the video**

- The elite are telling us all how we need to reduce our carbon footprint. The carbon they want to reduce is you.
- There are a boatload of ideas that are driving the World Economic Forum. They are sinister ideas but the people themselves don't think of themselves as sinister. Indeed they think of themselves as very decent good people who are doing what is the best for humanity.
- C.S Lewis once made the observation that the worst kind of tyranny is that which is done for your own good. And it's because those kind of tyrants are individuals who tyrannize you with the approval of their

consciences. They're individuals who reassure themselves that at the end of the day what they're doing even if it caused a little bit of harm, it was ultimately for your own good. It's why a guy like Joseph Stalin when asked by a lady, "When are you going to stop killing people? He said, "When it's no longer necessary." He simply meant, to make the Socialist, the Stalinist, the Marxist omelet, you got to break a few eggs. And this is the mentality of the World Economic Forum.

- Human beings in the Socialist, Marxist, Communist, and Fascist way of thinking are simply raw materials for building the Utopian state, and this defines the World Economic Forum as well.
- Atheism is a major driving factor.
- The guys that are coming after you, they're not going to have gone to Sunday school, they're not going to be people who have been influenced to the degree that you are by the Christian faith. They're going to be prepared to follow their atheism to its logical conclusions. They're like Peter Singer (Australian moral philosopher and the Ira W. DeCamp Professor of Bioethics at Princeton University) who's the most consistent atheist that I've ever met. They're going to be willing to follow it all the way to where it goes which is to say there's no ultimate meaning in life other than that which you assign to yourself which again has no real meaning, no transcendent meaning. It's just kind of a fake meaning that you give yourself in order to feel better about this life. It means there's no life in the Hereafter, there's no hope, there's no justice, there's no ultimate right and wrong, there is only what happens. And if it means that you're a genocidal maniac, who cares? There's no ultimate right and wrong. And it means a guy like Stalin or Mao got away with it. There's no one in the next life to judge them for what they did. (Or so they think!) Once a culture absorbs that kind of ideology, atheism at its core, it's anything goes. And we're starting to see that in the culture now.
- The World Economic Forum has moved beyond the debate over God's existence to a place where their whole premise, their whole world view just more or less assumes there is no God. And they're taking it to the next level, they're taking it to its logical conclusion.
- At its core the World Economic Forum is about population control. They want to reduce the global population.
- They use the word "sustainability." That is a word you should be very wary of any time you hear sustainability, economic sustainability, development sustainability, governmental sustainability, or agricultural sustainability. Nothing good follows on the backside of the word sustainability. It always turns out to be fundamentally anti-human and that is because the World Economic Forum is anti-human. Atheism taken to its logical conclusions is anti-human.
- A lot of these World Economic Forum types don't believe in human perfectibility. They believe in societal perfectability. There's a slight difference between those two. They recognize that human beings are flawed but they they think they're flawed for a different reason. They don't think it is because of the Fall as I believe as a Christian from the Genesis account of creation and the polluting of the human spirit from Adam all the way down.
- I remember how Richard Dawkins put this to me in his home some years

ago. I said, "Do you believe in evil?" And he says, "I believe in genetic predispositions." So he's rejecting the premise that there's an ultimate right and wrong, there are only genetic predispositions, and those pre-dispositions are divided into two categories, those dispositions that we like and those dispositions that we don't like, that we consider to be anti-social and therefore things to be eradicated. That's an evil philosophy because it leads you to believe that we can separate out the evil people and destroy them and we're left off with a better humanity. This is what drove Hitler, just separate out the bad people and destroy them.

- The World Economic Forum itself was founded in 1971. Between 1965 and 1975 there was an obsession with the global population, that the population was getting out of control.
- This concern over population control had infected the thinking of academic elites, and so they were buying into this in a big way, and the Club of Rome comes along. This is a group that was established in Rome which oddly now is based in Zurich. They should be called the Club of Zurich. It was a group of about 25 people the goal of it becoming about 60 people, but I think they're north of 100 members now. They're mostly individuals who are think-tankish types. They are academics, they're businessmen, they are influential people who gather together for the purpose of bettering mankind. That's the stated goal of the Club of Rome. It's a think tank, a vastly influential think tank.
- The club of Rome was saying, "Look we have a global crisis and the global crisis is overpopulation. Read what Paul Ehrlich said in the *"Population Bomb."* We're in trouble what are we going to do?" So they said, "Rather than doing what academics normally do and just producing a paper that's full of theories and suggestions, let's actually create an executive committee that acts on their recommendations of the think tank. We need to create the problem: Overpopulation."
- Klaus Schwab, a German engineer, founded what he called at the time the World Forum. He would eventually change the name to the World Economic Forum. The World Economic Forum was created with the intention that it would act upon the think tank's (the Club of Rome's) recommendations.
- You have to think about this just a little bit how arrogant must you be to think that it is your job to act on behalf of the whole of humanity without being elected to so much as dog catcher! These are not elected individuals. At the time of its founding, the World Economic Forum wasn't particularly influential. Now it is.
- This year's World Economic Forum there were more than 50 heads of state, 115 billionaires and more than 600 CEOs of major corporations. Major multi-billion dollar corporations that are involved in this. And then there are peons like me who attended which are another 2700 individuals. And so I decided I needed to be there. I wanted to mingle among the 2700 others. I wanted to see what those people are about.
- Dennis Meadows (American scientist and Club of Rome member) is here saying, "Yeah, we need to reduce the global population by billions, but hey I really hope this can be done in a civil way, in a peaceful way." It's astonishing the way these people talk about peace. It doesn't mean that everybody's happy, but it means that conflict isn't solved through violence and through force but rather in other ways.

- Dennis Meadows comes off as just your regular normal guy who lives next door and who you discover wants to rid the planet of seven billion people. Here's a guy who says, "Gosh I sure hope that we can do it in a sustainable way." And then you hear the absolute contempt for democracy, for the will of the people. This is the way these people think. They do not believe that you deserve a voice in this.
- We have Marxist regimes in South America that are destroying economies. We have seen Brazil fall to Marxists via dubious means Venezuela fell to Marxists, Peru has fallen to Marxists, Chile has fallen to Marxists. Stuningly the most stable democracy in South America has fallen to Marxists and Honduras, all of those countries have fallen. Colombia is another one that has also fallen to Marxists, and they're destroying economies and those people are fleeing to the USA. Do you know what CNN said the reason was for these millions of people crossing our southern border? CNN said it was due to climate change! Complete nonsense! This has nothing to do with climate change. It has everything to do with the very policies that these people (the WEF elite) are trying to import into the United States.
- World Economic Forum agenda is fundamentally anti-human. It is anti-Christian. It is atheistic to its core.

## [The Meaning of 666 – the Number of the Beast: The New World Order's Economic Control of the World](#)

This article is about a revelation I had some time in the late 1980s about a *possible* interpretation of 666.

I think many people who live in a Western culture know that the number 666 is some reference to the Devil. The last book of the New Testament of the Bible, the book of Revelation chapter 13 says it is the number of the Beast. This is the very *last* record of that number in Holy Scripture.

Here is wisdom. Let him that hath understanding count the number of

the beast: for it is the number of a man; and his number is Six hundred threescore and six. – Revelation 13:18

One score = 20. Six hundred threescore and six = 666.

But how many people know the very *first* mention of the number 666 in the Bible?

Now the weight of gold that came to Solomon in one year was six hundred threescore and six talents of gold, – 1 Kings 10:14

King Solomon ruled the nation of Israel, the most powerful and richest kingdom on earth at the time. He received 666 talents of gold *yearly in taxes* paid to him from the nations he had conquered. One talent of gold in ancient Israel equaled 30.3 kilograms according to the [Wikipedia article about talent as a measurement](#).

$666 \text{ talents} \times 30.3 \text{ kilograms} = 20179.8 \text{ kilograms} = 20,179,800 \text{ grams}$ .

1 ounce = 28.349 grams

$20,179,800 / 28.349 = 711,835 \text{ ounces of gold}$ .

666 talents of gold at the current (September 4th, 2023) price of gold at \$1945 USD an ounce: (Ref: [Gold Price Today](#) )

$711,835 \times 1945 = \$1,384,519,075 \text{ USD}$

I think that's a pretty hefty tax and a sign of world dominion seeing the earth's population was only a fraction of what it is today. Are the Rulers of Darkness using the amount of King Solomon's yearly revenue in taxes as a symbol of economic control of the world? Economic control also means political control. The Bible in Revelation chapter 13 states that nobody will be able to buy or sell without the Mark of the Beast in either their hand or forehead!

And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. – Revelation 13:16,17

It's interesting to note that John Todd said King Solomon was the one who first came up with the plan of economic conquest of the nations of the world one by one for the purpose of eventually forming a one-world government. He forsook the worship of Jehovah and got into witchcraft.

That's my interpretation of the number 666. It's merely an interpretation. There may be many ways to interpret it. Here's yet another one:

# Primer on Roman Numerals

I = 1      V = 5      X = 10  
L = 50    C = 100    D = 500

The first 6 Roman numerals  
in descending order:

**DCLXVI = 666**

*Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.  
Revelation 13:18*

I like that one too because it points to Rome. Decades ago one of my friends told me that the Vatican has more wealth than any other organization or family. The Rothschilds have had only a couple hundred years to accumulate their wealth. The Roman Catholic church has had at least 1500 years.

[The Power Behind American Politics](#)

*Rulers of Evil – Useful Knowledge About Governing Bodies* by F. Tupper Saussy is one of the most enlightening books about the political world that I have ever read. I guarantee that if you read it, you will see the world in a totally different light. To borrow a metaphor from the film “Matrix”, you will choose to take the “red pill” by reading this book, even reading just the first chapter which I am posting here! You can order the book from [Amazon](#). No, I won’t get any money if you buy it.

“You take the blue pill, the story ends. You wake up in your bed and believe whatever you want to believe. You take the red pill, you stay in wonderland, and I show you how deep the rabbit hole goes.”

For at least 30 years I used to hold the view that the “Jews” or at least the Zionists and International Bankers, are covertly undermining the governments of nations to weaken them in order to create a super-state, a one world government that some refer to as “The New World Order.” It might surprise you to know that most Protestant Christians of the 19th century and earlier had a totally different idea. American Protestants used to consider America’s number one enemy as Rome and the **Roman Catholic Church** in general, NOT Jews or Zionists! Were they wrong? The facts in chapter one of *Rulers of Evil* prove, as least to me, they were absolutely correct!

*Rulers of Evil* was first published in 1999 when the Pope was John Paul II. In this article I added some photos not found in the book, and all of the **emphasis in bold** is my own.

## Chapter 1 SUBLIMINAL ROME

“The Roman Catholic Church is a State.”  
– BISHOP MANDELL CREIGHTON, LETTERS

WHEN A PULITZER PRIZE-winning reporter announced in his 1992 Time Magazine cover story that a “conspiracy” binding President Ronald Reagan and Pope John

Paul II into a "secret, holy alliance" had brought about the demise of communism, at least one reader saw through the hype.

Professor Carol A. Brown of the University of Massachusetts fired off a letter to Time's editors saying,

Last week I taught my students about the separation of church and state. This week I learned that the Pope is running U.S. foreign policy. No wonder our young people are cynical about American ideals.

What Brown had learned from Carl Bernstein I had discovered for myself over several years of private investigation: the **papacy really does run United States foreign policy**, and always has. Yes, Bernstein noted that the leading American players behind the Reagan/Vatican conspiracy, to a man, were "devout Roman Catholics" – namely,

William Casey: Director, CIA

Richard Allen: National Security Advisor

Judge William Clark: National Security Advisor

Alexander Haig: Secretary of State

Vernon Walters: Ambassador-at-Large

William Wilson: Ambassador to the Vatican State

But the reporter neglected to mention that the entire Senate Foreign Relations committee was governed by Roman Catholics, as well. Specifically, Senators

Joseph Biden: Subcommittee on European Affairs

Paul Sarbanes: International Economic Policy, Trade, Oceans, and Environment

Daniel P. Moynihan: Near Eastern and South Asian Affairs

John Kerry: Terrorism, Narcotics, and International Communications

and... Christopher Dodd Western Hemisphere and Peace Corps Affairs

Bernstein would have been wandering off-point to list the Roman Catholic leaders of American domestic policy, such as Senate majority leader George Mitchell and Speaker of the House Tom Foley.

In fact, when the holy alliance story hit the stands, there was virtually no arena of federal legislative activity, according to The 1992 World Almanac of US Politics, that was not directly controlled by a Roman Catholic senator or representative. The committees and subcommittees of the United States Senate and House of Representatives governing commerce, communications and telecommunications, energy, medicine, health, education and welfare, human services, consumer protection, finance and financial institutions, transportation, labor and unemployment, hazardous materials, taxation, bank regulation, currency and monetary policy, oversight of the Federal Reserve System, commodity prices, rents services, small business administration, urban affairs, European affairs, Near Eastern & South Asian affairs, terrorism/narcotics/ international communications, international economic/trade/ oceans/environmental policy, insurance, housing, community development, federal loan guarantees, economic stabilization measures (including wage and price controls), gold and precious metals transactions,

agriculture, animal and forestry industries, rural issues, nutrition, price supports, Food for Peace, agricultural exports, soil conservation, irrigation, stream channelization, flood control, minority enterprise, environment and pollution, appropriations, defense, foreign operations, vaccines, drug labeling and packaging, drug and alcohol abuse, inspection and certification of fish and processed food, use of vitamins and saccharin, national health insurance proposals, human services, legal services, family relations, the arts and humanities, the handicapped, and aging – in other words, virtually every aspect of secular life in America – came under the chairmanship of one of these Roman Catholic laypersons:

Frank Annunzio  
Joseph Biden  
Silvio Conte  
Kika De la Garza  
John Dingell  
Christopher Dodd  
Vic Fazio  
James Florio  
Henry Gonzalez  
Thomas Harkin  
Edward Kennedy  
John Kerry  
John LaFalce  
Patrick Leahy  
Charles Luken  
Edward Madigan  
Edward Markey  
Joseph McDade  
Barbara Mikulski  
George Miller  
Daniel Moynihan  
John Murtha  
Mary Rose O'Carroll  
David Obey  
Claiborne Pell  
Charles Rangel  
Dan Rostenkowski  
or Edward Roybal

Vatican Council II (Information Policy??) *Constitution on the Church* (1964) instructs politicians to use their secular offices to advance the cause of Roman Catholicism. Catholic laypersons, “whoever they are, are called upon to expend all their energy for the growth of the Church and its continuous sanctification,” and “to make the Church present and operative in those places and circumstances where only through them can it become the salt of the earth” (IV, 33) . Vatican II further instructs all Catholics “by their competence in secular disciplines and by their activity [to] vigorously contribute their effort so that ... the goods of this world may be more equitably distributed among all men, and may in their own way be conducive to universal progress in human and Christian freedom ... and [to] remedy the

customs and conditions of the world, if they are an inducement to sin, so that they all may be conformed to the norms of justice and may favor the practice of virtue rather than hinder it" (IV, 36) .

Vatican II affirms Catholic doctrine dating back to 1302, when Pope Boniface VIII asserted that

"it is absolutely necessary for the salvation of every human creature to be subject to the Roman Pontiff."

This was the inspiration for the papacy to create the United States of America that materialized in 1776, by a process just as secret as the Reagan-Vatican production of Eastern Europe in 1989. What? American government Roman Catholic from the beginning?

Consider: the land known today as the District of Columbia bore the name "Rome" in 1663 property records; and the branch of the Potomac River that bordered "Rome" on the south was called "Tiber." This information was reported in the 1902 edition of the Catholic Encyclopedia's article on Daniel Carroll. The article, specifically declaring itself "of interest to Catholics" in the 1902 edition, was deleted from the New Catholic Encyclopedia (1967) . Other facts were reported in 1902 and deleted from 1967 . For example, when Congress met in Washington for the first time, in November, 1800, "the only two really comfortable and imposing houses within the bounds of the city" belonged to Roman Catholics. One was Washington's first mayor, Robert Brent. The other was Brent's brother-in-law, Notley Young, a **Jesuit** priest.

Daniel Carroll was a Roman Catholic congressman from Maryland who signed two of America's fundamental documents, the Articles of Confederation and the United States Constitution. Carroll was a direct descendant of the Calverts, a Catholic family to whom King Charles I of England had granted Maryland as a feudal barony. Carroll had received his education at St. Omer's Jesuit College in Flanders, where young English-speaking Catholics were trained in a variety of guerrilla techniques for advancing the cause of Roman Catholicism among hostile Protestants.

In 1790, President George Washington, a Protestant, appointed Congressman Carroll to head a commission of three men to select land for the "federal city" called for in the Constitution. Of all places, the commission chose "Rome," which at the time consisted of four farms, one of which belonged to ... Daniel Carroll. It was upon Carroll's farm that the new government chose to erect its most important building, the Capitol.

The American Capitol abounds with clues of its Roman origins. "Freedom," the Roman goddess whose statue crowns the dome, was created in Rome at the studio of American sculptor Thomas Crawford. We find a whole pantheon of Roman deities in the great fresco covering the dome's interior rotunda: Persephone, Ceres, Freedom, Vulcan, Mercury, even a deified George Washington. These figures were the creation of Vatican artist Constantino Brumidi.

## Statue of Freedom on the Capitol Dome

The fact that the national Statehouse evolved as a “capitol” bespeaks Roman influence. No building can rightly be called a capitol unless it’s a temple of Jupiter, the great father-god of Rome who ruled heaven with his thunderbolts and nourished the earth with his fertilizing rains. If it was a capitolium, it belonged to Jupiter and his priests.

Fresco covering the Capitol dome’s interior rotunda.

Jupiter’s mascot was the eagle, which the founding fathers made their mascot as well. A Roman eagle tops the governing idol of the House of Representatives, a forty-six-inch sterling silver and ebony wand called a “mace.” The mace is “the symbol of authority in the House.” When the Sergeant-at-arms displays it before an unruly member of Congress, the mace restores order. Its position at the rostrum tells whether the House is in “committee” or in “session.”

America’s national motto “*Annuit Coeptis*” came from a prayer to Jupiter. It appears in Book IX of Virgil’s epic propaganda, the *Aeneid*, a poem commissioned just before the birth of Christ by Caius Maecenas, the multi-billionaire power behind Augustus Caesar. The poem’s objective was to fashion Rome into an imperial monarchy for which its citizens would gladly sacrifice their lives.

Fascism may be an ugly word to many, but its stately emblem is apparently offensive to no one. The emblem of fascism, a pair of them, commands the wall above and behind the speaker’s rostrum in the Chamber of the House of Representatives. They’re called fasces, and I can think of no reason for them to be there other than **to declare the fascistic nature of American republican democracy.**

A fasces is a Roman device. Actually, it originated with the ancient Etruscans, from whom the earliest Romans derived their religious jurisprudence nearly three thousand years ago. It’s an axe-head whose handle is a bundle of rods tightly strapped together by a red sinew. It symbolizes the ordering of priestly functions into a single infallible sovereign, an autocrat who could require life and limb of his subjects. If the fasces is entwined with laurel, like the pair on the House wall, it signifies Caesarean military power. The Romans called this infallible sovereign Pontifex Maximus, “Supreme Bridgebuilder.” No Roman was called Pontifex Maximus until the title was given to Julius Caesar in 48 BC. Today’s Pontifex Maximus is Pope John Paul II.

As we shall discover in a forthcoming chapter, John Paul does not hold that title alone. He shares it with a mysterious partner, a military man, a man holding an office that has been known for more than four centuries as “Papa Nero,” the Black Pope. I shall present evidence that the House fascies represent **the Black Pope, who indeed rules the world.**

Are you convinced now it's not Jews or Zionists running the world? Some say the Vatican and Jesuits have been taken over by “crypto Jews”. # Milton Friedman: Only Government Creates Inflation

Milton Friedman, July 31, 1912 – November 16, 2006) was an American economist and statistician who received the 1976 Nobel Memorial Prize in Economic Sciences for his research on consumption analysis, monetary history and theory and the complexity of stabilization policy. (Source: Wikipedia)

President Biden is giving all kinds of false reasons why prices are rising. He's blaming greedy meatpackers, greedy oil companies, greedy Americans, and of course, he's blaming Putin and Putin's invasion of Ukraine. Biden says inflation is his "top domestic priority." Maybe by that he means it's his top priority to create *more* inflation to bring the Middle Class to its knees to create yet more tyrannical government for his globalist friends!

"Biden tells Congress to 'immediately' pass \$40 billion Ukrainian aid bill." Where is that \$40 billion going to come from? From Washington DC's printing presses! It may help Ukraine but it will hurt America. More money printed by the Federal Reserve bank is what causes inflation, nothing else! Don't believe it? Please listen to what the noted economist, Milton Friedman has to say. The video I transcribed the text from is below.

## **Transcription**

Question from a man in the audience: In a recent (between 1977-79) interview of US News and World Report, Secretary of the Treasury (Werner Michael) Blumenthal blamed our current rising inflation, in large part on our foreign trade and unions. He did, however, say that the government was little to blame. Would you like to comment on that?

Milton Friedman: Yes. (Laughter from the audience.) Unfortunately, it is one of the defects of our political system that we always put a Secretary of the Treasury and other high government officials into a position in which when they make public statements, they are almost driven – well, what's the word I want to use? I want to use a polite word "equivocate" (lie). Secretary Blumenthal knows as well as you and I do that inflation does not come from trade unions. That doesn't mean the trade unions aren't grasping. Of course

they are. But they don't produce inflation for one simple reason. **They do not own a printing press on which you can turn out green pieces of paper.**

The only such printing presses are in Washington. I say printing press. Of course, in the modern age, we do it in a more sophisticated way. We use bookkeepers and accountants and computers. But it comes down to the same thing. **Inflation is made in Washington because only Washington can create money.** And any other attribution of two other groups of inflation is *wrong*. Consumers don't produce it. Producers don't produce it. The trade unions don't produce it. Foreign sheiks don't produce it. Oil imports don't produce it. What produces it is **too much government spending and too much government creation of money and nothing else.** (Applause)

Before you clap, let me point out that the reason why we have too much printing spending and too much printing of money is because you people want it. You and I. We're citizens, we run this country. If Congress has been voting for higher and higher spending. Why? Because it has been politically profitable for them to do it. If they have been voting for higher spending and not voting the higher taxes to pay for it. Why? Because it's been politically profitable to do it. We would all like to get something for nothing. And so the political process has been leading to Congress, increasing spending, not increasing taxes, and financing the difference by the hidden tax of inflation. I think we are unwise, but let's not blame the others. The problem, you know that famous statement of the cartoonist, we have met the enemy, and they is us. (Laughter)

## [New World Order Plans for the Economy.](#) [Be Prepared!](#)

So says Klaus Schwab of the World Economic Forum. Happy like you, Mr. Schwab?

## Transcription of the video

Lockdowns do work. Not at stopping the spread of a virus, but they're successful at destroying economies. This virus is statistically as devastating to the population as a bad flu.

So why have the governments implemented and held such a disproportionate response, destroying their economies and pretending that it doesn't matter? It's because COVID is the scapegoat, and an excuse or an opportunity to bring about their "**Great Reset**".

QE [Quantitative Easing. See <https://www.investopedia.com/terms/q/quantitative-easing.asp>] started in 2008, following the banking crisis caused by misuse of the lending markets, and the economy has been on life support ever since. In September 2019, a month before Bill Gates' Event 201, the overnight money market seized, the Federal Reserve had to step in printing \$50 million to \$100 million per night to try and fix it. But there was no fixing it.

Since COVID, they have expanded the money supply between 20% to 25%, under the guise of COVID relief, rather than what is another banking crisis. History tells us this money printing ends with the collapse of the currency and the economy it is attached to.

Since 1971, when the dollar as the reserve currency came off the gold standard, all currencies have been Fiat. They are backed by nothing, and depend on faith. Only 3% of the money supply is physical notes and coins. The other 97% is debt-based. Debt brings money into existence, you borrow \$100,000, and the banks are allowed to create that money from the ether and loan it to you with interest.

In the reverse case, it's important that you know that when you deposit money into a bank, it no longer belongs to you. The banks can legally invest 90% of it, and they provide you with interest for this. In 2008, we saw bank bailouts. But as of 2014, Ireland and the UK have agreed to bank-bail-ins instead. **Meaning they can legally take your money in a crisis.** This is what happened in Cyprus in 2013. The government claims to guarantee a certain amount of deposits, but only holds less than half percent. So good luck getting your money back.

So the credit markets are under stress. What is the best pressure release valve for the credit markets to hold back a collapse? It's a weaker economy. This could be part of the reason the economy was shut down. The difficulty they now face in opening back up, is when you combine an increase in money supply with an increase in velocity, you're inviting inflation.

In 2008 QE was given to the banking sector and large corporations. But in 2020, it was also given to the general public readily available now to spend.

By keeping sectors of the economy closed, you're breaking the velocity; velocity is the number of times the same amount of money changes hands. And increase velocity will lead to inflation. But it isn't essential for it.

Couple this with the inevitable increased demand for debt. When the economy does open back up. People are taking out loans again, and this could pop the debt bubble.

This financial system is held together with debt. When you buy a loaf of bread that could be 10 different transactions of credit to get to your door between manufacturers, suppliers, and distributors. Mathematically, credit is doomed to break. And this will seize the entire economy.

This is why the banks were considered too big to fail. If credit isn't functioning then products won't be created. When the credit market feels so does the entire economy. So what did they do?

Inflation is inevitable. More money is chasing the same amount of goods and services. That's just how money works. It has been evident in property for a long time, but it's recently showing up in commodity prices like lumber, copper, and also food prices.

Inflation initially raises asset prices and then filters down into living costs. The last to inflate is wages, making it increasingly difficult for the less wealthy to buy property, as their wages only make their living expenses. The government have got themselves into overwhelming debt. So they can't raise interest rates or they won't be able to service that debt as they can barely meet the interest requirements.

It seems they are planning to let inflation rise trying to maintain some control over it and inflate away the debt.

Inflation is a hidden tax. Just as they inflate away the debt they inflate away your purchasing power and you slowly lose everything you've worked for. With inflation and bank barons, they're taking your money. The danger here is hyperinflation.

If control and faith are lost, look at Venezuela and Zimbabwe where currency litters the streets and it has so little purchasing power that it isn't even worth picking up.

We are moving into a central bank digital currency. This has already been rolled out in China with Sweden, Turkey and Iran following. With digital currency, the government has complete control as it is programmable. It is the loss of your freedom and privacy. They can control velocity by programming it with expiry dates, or deciding where the economy can be spent. They can limit your leisure spending, prohibit you from buying certain items, or only allow spending on basic food items and rent. They can tax and fine, directly. They have control. They can incentivize you to spend or save with negative or positive interest rates respectively.

How would you implement a control agenda? I would collapse the economy so that there are no independent businesses, therefore making everyone dependent on the state. I provide them with a generous Universal Credit system, then slowly reduce it or inflate it away. The concept of UBI [Universal Basic Income] has been about for some years now.

Over 80% of jobs that make moderate to low wages are predicted to be automated away by 2030. Humans are becoming surplus to requirement.

In the fourth industrial revolution, according to the World Economic Forum, our bodies will be so high tech, we won't be able to distinguish between what's natural and what's artificial. A future of superhumans. It's frightening.

They're also proponents of the green energy carbon tax movement, which if you look into it is eugenics repackaged. They are telling us that if we pay more taxes and stop eating meat, it will cool down the planet.

The middle and working classes will be eroded and replaced with robots, AI, and by corporations, and given a basic income. So how is this funded? The Davos IMF concept is that you own nothing and be happy. So the idea is to confiscate or severely limit all private property. The other option is taxes. But the rich don't pay taxes. The loopholes are designed to be beneficial to them but too costly for us. While universal basic income is proposed, the more effective solution to stop the wealth divide would be a universal maximum income with a wealth cap.

Let them have \$20 million. That's a lot of money that can buy all the houses and yachts that they want, but it would limit their amount of control and influence.

This is the biggest heist of wealth transfer in history. The media does not inform you. Its purpose is to distract and advertise to you. The economy has collapsed under the wave of debt-fueled greed, and the media are silent. Billionaires have increased their wealth by 28% during the crisis; gained at the expense of small businesses.

The stock market is fake. And it is a rigged game fueled by money printing and doomed to crash. The Old World is now coming back. A group of billionaires are deciding how the rest of the world should live. And they have the ear of the government the claims to represent you.

When you hear Johnson, Trudeau and Biden say "build back better" that is a Davos concept, a collection of non-elected private billionaire influencers.

If we submit to a digital currency, we lose control and privacy. This is what you really need to wake up to. Furlough is psychological prepping for UBI. You're not being paid to stay at home, you're being paid not to revolt. If you know the pounds, dollars, etc, are losing purchasing power, why would you keep them?

This is why people are moving to hold assets such as silver, gold, land, or property instead, and transferring currency to crypto to outrun the inflation that is already becoming evident.

There's also a ridiculous increase in shipping costs. COVID impacted the supply chain. China stockpiled containers and the system broke. This led to a problem with stock on shelves. When it's fully operational again, the additional costs will be passed on to the consumer. It would be wise to buy

supplies to combat any shortages while the system resets. Better looking at them than looking for them.

Hold gold, silver, crypto to maintain a degree of autonomy from the upcoming digital system. I am not a financial adviser. I would advise you to do your own research and find what works for you.

The problem is our fiat currency is failing. Thousands have proceeded and they've all failed due to debasement of the currency. We have to be aware of that so we can prepare and work to fight against the oncoming erosion of our freedom and our privacy.

GET PREPARED FOR WHAT IS COMING!

## **CHAPTER ONE War Is A Racket**

WAR is a racket. It always has been.

It is possibly the oldest, easily the most profitable, surely the most vicious. It is the only one international in scope. It is the only one in which the profits are reckoned in dollars and the losses in lives.

A racket is best described, I believe, as something that is not what it seems to the majority of the people. Only a small "inside" group knows what it is about. It is conducted for the benefit of the very few, at the expense of the very many. Out of war a few people make huge fortunes.

In the World War [I] a mere handful garnered the profits of the conflict. At least 21,000 new millionaires and billionaires were made in the United States during the World War. That many admitted their huge blood gains in their income tax returns. How many other war millionaires falsified their tax returns no one knows.

How many of these war millionaires shouldered a rifle? How many of them dug a trench? How many of them knew what it meant to go hungry in a rat-infested dug-out? How many of them spent sleepless, frightened nights, ducking shells and shrapnel and machine gun bullets? How many of them parried a bayonet thrust of an enemy? How many of them were wounded or killed in battle?

Out of war nations acquire additional territory, if they are victorious. They just take it. This newly acquired territory promptly is exploited by the few – the selfsame few who wrung dollars out of blood in the war. The general public shoulders the bill.

And what is this bill?

This bill renders a horrible accounting. Newly placed gravestones. Mangled bodies. Shattered minds. Broken hearts and homes. Economic instability. Depression and all its attendant miseries. Back-breaking taxation for generations and generations.

For a great many years, as a soldier, I had a suspicion that war was a racket; not until I retired to civil life did I fully realize it. Now that I see the international war clouds gathering, as they are today, I must face it and speak out.

Again they are choosing sides. France and Russia met and agreed to stand side by side. Italy and Austria hurried to make a similar agreement. Poland and Germany cast sheep's eyes at each other, forgetting for the nonce [one unique occasion], their dispute over the Polish Corridor.

The assassination of King Alexander of Yugoslavia [Yugoslavia] complicated matters. Yugoslavia and Hungary, long bitter enemies, were almost at each other's throats. Italy was ready to jump in. But France was waiting. So was

Czechoslovakia. All of them are looking ahead to war. Not the people – not those who fight and pay and die – only those who foment wars and remain safely at home to profit.

There are 40,000,000 men under arms in the world today, and our statesmen and diplomats have the temerity to say that war is not in the making.

Hell's bells! Are these 40,000,000 men being trained to be dancers?

Not in Italy, to be sure. Premier Mussolini knows what they are being trained for. He, at least, is frank enough to speak out. Only the other day, Il Duce in "International Conciliation," the publication of the Carnegie Endowment for International Peace, said:

"And above all, Fascism, the more it considers and observes the future and the development of humanity quite apart from political considerations of the moment, believes neither in the possibility nor the utility of perpetual peace. . . . War alone brings up to its highest tension all human energy and puts the stamp of nobility upon the people who have the courage to meet it."

Undoubtedly Mussolini means exactly what he says. His well-trained army, his great fleet of planes, and even his navy are ready for war – anxious for it, apparently. His recent stand at the side of Hungary in the latter's dispute with Yugoslavia showed that. And the hurried mobilization of his troops on the Austrian border after the assassination of Dollfuss showed it too. There are others in Europe too whose sabre rattling presages war, sooner or later.

Herr Hitler, with his rearming Germany and his constant demands for more and more arms, is an equal if not greater menace to peace. France only recently increased the term of military service for its youth from a year to eighteen months.

Yes, all over, nations are camping in their arms. The mad dogs of Europe are on the loose. In the Orient the maneuvering is more adroit. Back in 1904, when Russia and Japan fought, we kicked out our old friends the Russians and backed Japan. Then our very generous international bankers were financing Japan. Now the trend is to poison us against the Japanese. What does the "open door" policy to China mean to us? Our trade with China is about \$90,000,000 a year. Or the Philippine Islands? We have spent about \$600,000,000 in the Philippines in thirty-five years and we (our bankers and industrialists and speculators) have private investments there of less than \$200,000,000.

Then, to save that China trade of about \$90,000,000, or to protect these private investments of less than \$200,000,000 in the Philippines, we would be all stirred up to hate Japan and go to war – a war that might well cost us tens of billions of dollars, hundreds of thousands of lives of Americans, and many more hundreds of thousands of physically maimed and mentally unbalanced men.

Of course, for this loss, there would be a compensating profit – fortunes would be made. Millions and billions of dollars would be piled up. By a few.

Munitions makers. Bankers. Ship builders. Manufacturers. Meat packers. Speculators. They would fare well.

Yes, they are getting ready for another war. Why shouldn't they? It pays high dividends.

But what does it profit the men who are killed? What does it profit their mothers and sisters, their wives and their sweethearts? What does it profit their children?

What does it profit anyone except the very few to whom war means huge profits?

Yes, and what does it profit the nation?

Take our own case. Until 1898 we didn't own a bit of territory outside the mainland of North America. At that time our national debt was a little more than \$1,000,000,000. Then we became "internationally minded." We forgot, or shunted aside, the advice of the Father of our country. We forgot George Washington's warning about "entangling alliances." We went to war. We acquired outside territory. At the end of the World War period, as a direct result of our fiddling in international affairs, our national debt had jumped to over \$25,000,000,000. Our total favorable trade balance during the twenty-five-year period was about \$24,000,000,000. Therefore, on a purely bookkeeping basis, we ran a little behind year for year, and that foreign trade might well have been ours without the wars.

It would have been far cheaper (not to say safer) for the average American who pays the bills to stay out of foreign entanglements. For a very few this racket, like bootlegging and other underworld rackets, brings fancy profits, but the cost of operations is always transferred to the people – who do not profit.

## **CHAPTER TWO Who Makes The Profits?**

The World War, rather our brief participation in it, has cost the United States some \$52,000,000,000. Figure it out. That means \$400 to every American man, woman, and child. And we haven't paid the debt yet. We are paying it, our children will pay it, and our children's children probably still will be paying the cost of that war.

The normal profits of a business concern in the United States are six, eight, ten, and sometimes twelve percent. But war-time profits – ah! that is another matter – twenty, sixty, one hundred, three hundred, and even eighteen hundred per cent – the sky is the limit. All that traffic will bear. Uncle Sam has the money. Let's get it.

Of course, it isn't put that crudely in war time. It is dressed into speeches about patriotism, love of country, and "we must all put our shoulders to the wheel," but the profits jump and leap and skyrocket – and are safely pocketed. Let's just take a few examples:

Take our friends the du Ponts, the powder people – didn't one of them testify

before a Senate committee recently that their powder won the war? Or saved the world for democracy? Or something? How did they do in the war? They were a patriotic corporation. Well, the average earnings of the du Ponts for the period 1910 to 1914 were \$6,000,000 a year. It wasn't much, but the du Ponts managed to get along on it. Now let's look at their average yearly profit during the war years, 1914 to 1918. Fifty-eight million dollars a year profit we find! Nearly ten times that of normal times, and the profits of normal times were pretty good. An increase in profits of more than 950 per cent.

Take one of our little steel companies that patriotically shunted aside the making of rails and girders and bridges to manufacture war materials. Well, their 1910-1914 yearly earnings averaged \$6,000,000. Then came the war. And, like loyal citizens, Bethlehem Steel promptly turned to munitions making. Did their profits jump – or did they let Uncle Sam in for a bargain? Well, their 1914-1918 average was \$49,000,000 a year!

Or, let's take United States Steel. The normal earnings during the five-year period prior to the war were \$105,000,000 a year. Not bad. Then along came the war and up went the profits. The average yearly profit for the period 1914-1918 was \$240,000,000. Not bad.

There you have some of the steel and powder earnings. Let's look at something else. A little copper, perhaps. That always does well in war times.

Anaconda, for instance. Average yearly earnings during the pre-war years 1910-1914 of \$10,000,000. During the war years 1914-1918 profits leaped to \$34,000,000 per year.

Or Utah Copper. Average of \$5,000,000 per year during the 1910-1914 period. Jumped to an average of \$21,000,000 yearly profits for the war period.

Let's group these five, with three smaller companies. The total yearly average profits of the pre-war period 1910-1914 were \$137,480,000. Then along came the war. The average yearly profits for this group skyrocketed to \$408,300,000.

A little increase in profits of approximately 200 per cent.

Does war pay? It paid them. But they aren't the only ones. There are still others. Let's take leather.

For the three-year period before the war the total profits of Central Leather Company were \$3,500,000. That was approximately \$1,167,000 a year. Well, in 1916 Central Leather returned a profit of \$15,000,000, a small increase of 1,100 per cent. That's all. The General Chemical Company averaged a profit for the three years before the war of a little over \$800,000 a year. Came the war, and the profits jumped to \$12,000,000. a leap of 1,400 per cent.

International Nickel Company – and you can't have a war without nickel – showed an increase in profits from a mere average of \$4,000,000 a year to \$73,000,000 yearly. Not bad? An increase of more than 1,700 per cent.

American Sugar Refining Company averaged \$2,000,000 a year for the three

years before the war. In 1916 a profit of \$6,000,000 was recorded.

Listen to Senate Document No. 259. The Sixty-Fifth Congress, reporting on corporate earnings and government revenues. Considering the profits of 122 meat packers, 153 cotton manufacturers, 299 garment makers, 49 steel plants, and 340 coal producers during the war. Profits under 25 per cent were exceptional. For instance the coal companies made between 100 per cent and 7,856 per cent on their capital stock during the war. The Chicago packers doubled and tripled their earnings.

And let us not forget the bankers who financed the great war. If anyone had the cream of the profits it was the bankers. Being partnerships rather than incorporated organizations, they do not have to report to stockholders. And their profits were as secret as they were immense. How the bankers made their millions and their billions I do not know, because those little secrets never become public – even before a Senate investigatory body.

But here's how some of the other patriotic industrialists and speculators chiseled their way into war profits.

Take the shoe people. They like war. It brings business with abnormal profits. They made huge profits on sales abroad to our allies. Perhaps, like the munitions manufacturers and armament makers, they also sold to the enemy. For a dollar is a dollar whether it comes from Germany or from France. But they did well by Uncle Sam too. For instance, they sold Uncle Sam 35,000,000 pairs of hobnailed service shoes. There were 4,000,000 soldiers. Eight pairs, and more, to a soldier. My regiment during the war had only one pair to a soldier. Some of these shoes probably are still in existence. They were good shoes. But when the war was over Uncle Sam has a matter of 25,000,000 pairs left over. Bought – and paid for. Profits recorded and pocketed.

There was still lots of leather left. So the leather people sold your Uncle Sam hundreds of thousands of McClellan saddles for the cavalry. But there wasn't any American cavalry overseas! Somebody had to get rid of this leather, however. Somebody had to make a profit in it – so we had a lot of McClellan saddles. And we probably have those yet.

Also somebody had a lot of mosquito netting. They sold your Uncle Sam 20,000,000 mosquito nets for the use of the soldiers overseas. I suppose the boys were expected to put it over them as they tried to sleep in muddy trenches – one hand scratching cooties on their backs and the other making passes at scurrying rats. Well, not one of these mosquito nets ever got to France!

Anyhow, these thoughtful manufacturers wanted to make sure that no soldier would be without his mosquito net, so 40,000,000 additional yards of mosquito netting were sold to Uncle Sam.

There were pretty good profits in mosquito netting in those days, even if there were no mosquitoes in France. I suppose, if the war had lasted just a little longer, the enterprising mosquito netting manufacturers would have sold your Uncle Sam a couple of consignments of mosquitoes to plant in France

so that more mosquito netting would be in order.

Airplane and engine manufacturers felt they, too, should get their just profits out of this war. Why not? Everybody else was getting theirs. So \$1,000,000,000 – count them if you live long enough – was spent by Uncle Sam in building airplane engines that never left the ground! Not one plane, or motor, out of the billion dollars worth ordered, ever got into a battle in France. Just the same the manufacturers made their little profit of 30, 100, or perhaps 300 per cent.

Undershirts for soldiers cost 14¢ [cents] to make and Uncle Sam paid 30¢ to 40¢ each for them – a nice little profit for the undershirt manufacturer. And the stocking manufacturer and the uniform manufacturers and the cap manufacturers and the steel helmet manufacturers – all got theirs.

Why, when the war was over some 4,000,000 sets of equipment – knapsacks and the things that go to fill them – crammed warehouses on this side. Now they are being scrapped because the regulations have changed the contents. But the manufacturers collected their wartime profits on them – and they will do it all over again the next time.

There were lots of brilliant ideas for profit making during the war.

One very versatile patriot sold Uncle Sam twelve dozen 48-inch wrenches. Oh, they were very nice wrenches. The only trouble was that there was only one nut ever made that was large enough for these wrenches. That is the one that holds the turbines at Niagara Falls. Well, after Uncle Sam had bought them and the manufacturer had pocketed the profit, the wrenches were put on freight cars and shunted all around the United States in an effort to find a use for them. When the Armistice was signed it was indeed a sad blow to the wrench manufacturer. He was just about to make some nuts to fit the wrenches. Then he planned to sell these, too, to your Uncle Sam.

Still another had the brilliant idea that colonels shouldn't ride in automobiles, nor should they even ride on horseback. One has probably seen a picture of Andy Jackson riding in a buckboard. Well, some 6,000 buckboards were sold to Uncle Sam for the use of colonels! Not one of them was used. But the buckboard manufacturer got his war profit.

The shipbuilders felt they should come in on some of it, too. They built a lot of ships that made a lot of profit. More than \$3,000,000,000 worth. Some of the ships were all right. But \$635,000,000 worth of them were made of wood and wouldn't float! The seams opened up – and they sank. We paid for them, though. And somebody pocketed the profits.

It has been estimated by statisticians and economists and researchers that the war cost your Uncle Sam \$52,000,000,000. Of this sum, \$39,000,000,000 was expended in the actual war itself. This expenditure yielded \$16,000,000,000 in profits. That is how the 21,000 billionaires and millionaires got that way. This \$16,000,000,000 profits is not to be sneezed at. It is quite a tidy sum. And it went to a very few.

The Senate (Nye) committee probe of the munitions industry and its wartime profits, despite its sensational disclosures, hardly has scratched the surface.

Even so, it has had some effect. The State Department has been studying "for some time" methods of keeping out of war. The War Department suddenly decides it has a wonderful plan to spring. The Administration names a committee – with the War and Navy Departments ably represented under the chairmanship of a Wall Street speculator – to limit profits in war time. To what extent isn't suggested. Hmm. Possibly the profits of 300 and 600 and 1,600 per cent of those who turned blood into gold in the World War would be limited to some smaller figure.

Apparently, however, the plan does not call for any limitation of losses – that is, the losses of those who fight the war. As far as I have been able to ascertain there is nothing in the scheme to limit a soldier to the loss of but one eye, or one arm, or to limit his wounds to one or two or three. Or to limit the loss of life.

There is nothing in this scheme, apparently, that says not more than 12 per cent of a regiment shall be wounded in battle, or that not more than 7 per cent in a division shall be killed.

Of course, the committee cannot be bothered with such trifling matters.

### **CHAPTER THREE Who Pays The Bills?**

Who provides the profits – these nice little profits of 20, 100, 300, 1,500 and 1,800 per cent? We all pay them – in taxation. We paid the bankers their profits when we bought Liberty Bonds at \$100.00 and sold them back at \$84 or \$86 to the bankers. These bankers collected \$100 plus. It was a simple manipulation. The bankers control the security marts. It was easy for them to depress the price of these bonds. Then all of us – the people – got frightened and sold the bonds at \$84 or \$86. The bankers bought them. Then these same bankers stimulated a boom and government bonds went to par – and above. Then the bankers collected their profits.

But the soldier pays the biggest part of the bill.

If you don't believe this, visit the American cemeteries on the battlefields abroad. Or visit any of the veteran's hospitals in the United States. On a tour of the country, in the midst of which I am at the time of this writing, I have visited eighteen government hospitals for veterans. In them are a total of about 50,000 destroyed men – men who were the pick of the nation eighteen years ago. The very able chief surgeon at the government hospital; at Milwaukee, where there are 3,800 of the living dead, told me that mortality among veterans is three times as great as among those who stayed at home.

Boys with a normal viewpoint were taken out of the fields and offices and factories and classrooms and put into the ranks. There they were remolded; they were made over; they were made to "about face"; to regard murder as the

order of the day. They were put shoulder to shoulder and, through mass psychology, they were entirely changed. We used them for a couple of years and trained them to think nothing at all of killing or of being killed.

Then, suddenly, we discharged them and told them to make another "about face" ! This time they had to do their own readjustment, sans [without] mass psychology, sans officers' aid and advice and sans nation-wide propaganda. We didn't need them any more. So we scattered them about without any "three-minute" or "Liberty Loan" speeches or parades. Many, too many, of these fine young boys are eventually destroyed, mentally, because they could not make that final "about face" alone.

In the government hospital in Marion, Indiana, 1,800 of these boys are in pens! Five hundred of them in a barracks with steel bars and wires all around outside the buildings and on the porches. These already have been mentally destroyed. These boys don't even look like human beings. Oh, the looks on their faces! Physically, they are in good shape; mentally, they are gone.

There are thousands and thousands of these cases, and more and more are coming in all the time. The tremendous excitement of the war, the sudden cutting off of that excitement – the young boys couldn't stand it.

That's a part of the bill. So much for the dead – they have paid their part of the war profits. So much for the mentally and physically wounded – they are paying now their share of the war profits. But the others paid, too – they paid with heartbreaks when they tore themselves away from their firesides and their families to don the uniform of Uncle Sam – on which a profit had been made. They paid another part in the training camps where they were regimented and drilled while others took their jobs and their places in the lives of their communities. They paid for it in the trenches where they shot and were shot; where they were hungry for days at a time; where they slept in the mud and the cold and in the rain – with the moans and shrieks of the dying for a horrible lullaby.

But don't forget – the soldier paid part of the dollars and cents bill too.

Up to and including the Spanish-American War, we had a prize system, and soldiers and sailors fought for money. During the Civil War they were paid bonuses, in many instances, before they went into service. The government, or states, paid as high as \$1,200 for an enlistment. In the Spanish-American War they gave prize money. When we captured any vessels, the soldiers all got their share – at least, they were supposed to. Then it was found that we could reduce the cost of wars by taking all the prize money and keeping it, but conscripting [drafting] the soldier anyway. Then soldiers couldn't bargain for their labor, Everyone else could bargain, but the soldier couldn't.

Napoleon once said,

"All men are enamored of decorations . . . they positively hunger for them."

So by developing the Napoleonic system – the medal business – the government learned it could get soldiers for less money, because the boys liked to be decorated. Until the Civil War there were no medals. Then the Congressional Medal of Honor was handed out. It made enlistments easier. After the Civil War no new medals were issued until the Spanish-American War.

In the World War, we used propaganda to make the boys accept conscription. They were made to feel ashamed if they didn't join the army.

So vicious was this war propaganda that even God was brought into it. With few exceptions our clergymen joined in the clamor to kill, kill, kill. To kill the Germans. God is on our side . . . it is His will that the Germans be killed.

And in Germany, the good pastors called upon the Germans to kill the allies . . . to please the same God. That was a part of the general propaganda, built up to make people war conscious and murder conscious.

Beautiful ideals were painted for our boys who were sent out to die. This was the "war to end all wars." This was the "war to make the world safe for democracy." No one mentioned to them, as they marched away, that their going and their dying would mean huge war profits. No one told these American soldiers that they might be shot down by bullets made by their own brothers here. No one told them that the ships on which they were going to cross might be torpedoed by submarines built with United States patents. They were just told it was to be a "glorious adventure."

Thus, having stuffed patriotism down their throats, it was decided to make them help pay for the war, too. So, we gave them the large salary of \$30 a month.

All they had to do for this munificent sum was to leave their dear ones behind, give up their jobs, lie in swampy trenches, eat canned willy (when they could get it) and kill and kill and kill . . . and be killed.

But wait!

Half of that wage (just a little more than a riveter in a shipyard or a laborer in a munitions factory safe at home made in a day) was promptly taken from him to support his dependents, so that they would not become a charge upon his community. Then we made him pay what amounted to accident insurance – something the employer pays for in an enlightened state – and that cost him \$6 a month. He had less than \$9 a month left.

Then, the most crowning insolence of all – he was virtually blackjacked into paying for his own ammunition, clothing, and food by being made to buy Liberty Bonds. Most soldiers got no money at all on pay days.

We made them buy Liberty Bonds at \$100 and then we bought them back – when they came back from the war and couldn't find work – at \$84 and \$86. And the soldiers bought about \$2,000,000,000 worth of these bonds!

Yes, the soldier pays the greater part of the bill. His family pays too. They

pay it in the same heart-break that he does. As he suffers, they suffer. At nights, as he lay in the trenches and watched shrapnel burst about him, they lay home in their beds and tossed sleeplessly – his father, his mother, his wife, his sisters, his brothers, his sons, and his daughters.

When he returned home minus an eye, or minus a leg or with his mind broken, they suffered too – as much as and even sometimes more than he. Yes, and they, too, contributed their dollars to the profits of the munitions makers and bankers and shipbuilders and the manufacturers and the speculators made. They, too, bought Liberty Bonds and contributed to the profit of the bankers after the Armistice in the hocus-pocus of manipulated Liberty Bond prices.

And even now the families of the wounded men and of the mentally broken and those who never were able to readjust themselves are still suffering and still paying.

## **CHAPTER FOUR How To Smash This Racket!**

WELL, it's a racket, all right.

A few profit – and the many pay. But there is a way to stop it. You can't end it by disarmament conferences. You can't eliminate it by peace parleys at Geneva. Well-meaning but impractical groups can't wipe it out by resolutions. It can be smashed effectively only by taking the profit out of war.

The only way to smash this racket is to conscript capital and industry and labor before the nations manhood can be conscripted. One month before the Government can conscript the young men of the nation – it must conscript capital and industry and labor. Let the officers and the directors and the high-powered executives of our armament factories and our munitions makers and our shipbuilders and our airplane builders and the manufacturers of all the other things that provide profit in war time as well as the bankers and the speculators, be conscripted – to get \$30 a month, the same wage as the lads in the trenches get.

Let the workers in these plants get the same wages – all the workers, all presidents, all executives, all directors, all managers, all bankers – yes, and all generals and all admirals and all officers and all politicians and all government office holders – everyone in the nation be restricted to a total monthly income not to exceed that paid to the soldier in the trenches!

Let all these kings and tycoons and masters of business and all those workers in industry and all our senators and governors and majors pay half of their monthly \$30 wage to their families and pay war risk insurance and buy Liberty Bonds.

Why shouldn't they?

They aren't running any risk of being killed or of having their bodies mangled or their minds shattered. They aren't sleeping in muddy trenches. They aren't hungry. The soldiers are!

Give capital and industry and labor thirty days to think it over and you will

find, by that time, there will be no war. That will smash the war racket – that and nothing else.

Maybe I am a little too optimistic. Capital still has some say. So capital won't permit the taking of the profit out of war until the people – those who do the suffering and still pay the price – make up their minds that those they elect to office shall do their bidding, and not that of the profiteers.

Another step necessary in this fight to smash the war racket is the limited plebiscite to determine whether a war should be declared. A plebiscite not of all the voters but merely of those who would be called upon to do the fighting and dying. There wouldn't be very much sense in having a 76-year-old president of a munitions factory or the flat-footed head of an international banking firm or the cross-eyed manager of a uniform manufacturing plant – all of whom see visions of tremendous profits in the event of war – voting on whether the nation should go to war or not. They never would be called upon to shoulder arms – to sleep in a trench and to be shot. Only those who would be called upon to risk their lives for their country should have the privilege of voting to determine whether the nation should go to war.

There is ample precedent for restricting the voting to those affected. Many of our states have restrictions on those permitted to vote. In most, it is necessary to be able to read and write before you may vote. In some, you must own property. It would be a simple matter each year for the men coming of military age to register in their communities as they did in the draft during the World War and be examined physically. Those who could pass and who would therefore be called upon to bear arms in the event of war would be eligible to vote in a limited plebiscite. They should be the ones to have the power to decide – and not a Congress few of whose members are within the age limit and fewer still of whom are in physical condition to bear arms. Only those who must suffer should have the right to vote.

A third step in this business of smashing the war racket is to make certain that our military forces are truly forces for defense only.

At each session of Congress the question of further naval appropriations comes up. The swivel-chair admirals of Washington (and there are always a lot of them) are very adroit lobbyists. And they are smart. They don't shout that "We need a lot of battleships to war on this nation or that nation." Oh no. First of all, they let it be known that America is menaced by a great naval power. Almost any day, these admirals will tell you, the great fleet of this supposed enemy will strike suddenly and annihilate 125,000,000 people. Just like that. Then they begin to cry for a larger navy. For what? To fight the enemy? Oh my, no. Oh, no. For defense purposes only.

Then, incidentally, they announce maneuvers in the Pacific. For defense. Uh, huh.

The Pacific is a great big ocean. We have a tremendous coastline on the Pacific. Will the maneuvers be off the coast, two or three hundred miles? Oh,

no. The maneuvers will be two thousand, yes, perhaps even thirty-five hundred miles, off the coast.

The Japanese, a proud people, of course will be pleased beyond expression to see the united States fleet so close to Nippon's shores. Even as pleased as would be the residents of California were they to dimly discern through the morning mist, the Japanese fleet playing at war games off Los Angeles.

The ships of our navy, it can be seen, should be specifically limited, by law, to within 200 miles of our coastline. Had that been the law in 1898 the Maine would never have gone to Havana Harbor. She never would have been blown up. There would have been no war with Spain with its attendant loss of life. Two hundred miles is ample, in the opinion of experts, for defense purposes. Our nation cannot start an offensive war if its ships can't go further than 200 miles from the coastline. Planes might be permitted to go as far as 500 miles from the coast for purposes of reconnaissance. And the army should never leave the territorial limits of our nation.

To summarize: Three steps must be taken to smash the war racket.

1. We must take the profit out of war.
2. We must permit the youth of the land who would bear arms to decide whether or not there should be war.
3. We must limit our military forces to home defense purposes.

## **CHAPTER FIVE To Hell With War!**

I am not a fool as to believe that war is a thing of the past. I know the people do not want war, but there is no use in saying we cannot be pushed into another war.

Looking back, Woodrow Wilson was re-elected president in 1916 on a platform that he had "kept us out of war" and on the implied promise that he would "keep us out of war." Yet, five months later he asked Congress to declare war on Germany.

In that five-month interval the people had not been asked whether they had changed their minds. The 4,000,000 young men who put on uniforms and marched or sailed away were not asked whether they wanted to go forth to suffer and die.

Then what caused our government to change its mind so suddenly?

Money.

An allied commission, it may be recalled, came over shortly before the war declaration and called on the President. The President summoned a group of advisers. The head of the commission spoke. Stripped of its diplomatic language, this is what he told the President and his group:

"There is no use kidding ourselves any longer. The cause of the allies is lost. We now owe you (American bankers, American munitions makers, American manufacturers, American speculators, American exporters) five or six billion dollars.

If we lose (and without the help of the United States we must lose) we, England, France and Italy, cannot pay back this money . . . and Germany won't.

So . . . "

Had secrecy been outlawed as far as war negotiations were concerned, and had the press been invited to be present at that conference, or had radio been available to broadcast the proceedings, America never would have entered the World War. But this conference, like all war discussions, was shrouded in utmost secrecy. When our boys were sent off to war they were told it was a "war to make the world safe for democracy" and a "war to end all wars."

Well, eighteen years after, the world has less of democracy than it had then. Besides, what business is it of ours whether Russia or Germany or England or France or Italy or Austria live under democracies or monarchies? Whether they are Fascists or Communists? Our problem is to preserve our own democracy.

And very little, if anything, has been accomplished to assure us that the World War was really the war to end all wars.

Yes, we have had disarmament conferences and limitations of arms conferences. They don't mean a thing. One has just failed; the results of another have been nullified. We send our professional soldiers and our sailors and our politicians and our diplomats to these conferences. And what happens?

The professional soldiers and sailors don't want to disarm. No admiral wants to be without a ship. No general wants to be without a command. Both mean men without jobs. They are not for disarmament. They cannot be for limitations of arms. And at all these conferences, lurking in the background but all-powerful, just the same, are the sinister agents of those who profit by war. They see to it that these conferences do not disarm or seriously limit armaments.

The chief aim of any power at any of these conferences has not been to achieve disarmament to prevent war but rather to get more armament for itself and less for any potential foe.

There is only one way to disarm with any semblance of practicability. That is for all nations to get together and scrap every ship, every gun, every rifle, every tank, every war plane. Even this, if it were possible, would not be enough.

The next war, according to experts, will be fought not with battleships, not by artillery, not with rifles and not with machine guns. It will be fought with deadly chemicals and gases.

Secretly each nation is studying and perfecting newer and ghastlier means of annihilating its foes wholesale. Yes, ships will continue to be built, for the shipbuilders must make their profits. And guns still will be manufactured and powder and rifles will be made, for the munitions makers must make their huge profits. And the soldiers, of course, must wear uniforms, for the manufacturer must make their war profits too.

But victory or defeat will be determined by the skill and ingenuity of our scientists.

If we put them to work making poison gas and more and more fiendish mechanical and explosive instruments of destruction, they will have no time for the constructive job of building greater prosperity for all peoples. By putting them to this useful job, we can all make more money out of peace than we can out of war – even the munitions makers.

So...I say,

***TO HELL WITH WAR!***

## [Why Is God Not Blessing America?](#)

What is happening today under the Biden administration is simply shocking! The enemies of God, Christ, and the Bible have created a new ideology called "Woke" that teaches everything contrary to what the Bible teaches! The southern border is being flooded with illegal immigrants, inflation is higher, the cost of energy has increased, the middle class is getting smaller and smaller, civil liberties in especially the Blue States are trampled upon in the name of public health with unconstitutional and even illegal vaccine mandates (according to the Nuremberg Code), and parents who object to their children being taught the Critical Race Theory are being called "domestic terrorists". I'm sure that most Republicans, perhaps some honest Democrats,

and most conservatives and Christians can add many more problems to the list that America is facing today. And why is this happening? I submit to you that one of the reasons God is *not* blessing America with good leadership is because of America's support for the nation of Israel! Does that shock you? It would shock you if you hold the doctrine of so-called "Christian Zionism." Christians who support physical Israel have been misled by antichrists! Why do I think so? Because the Bible tells us we should **not bless those who reject the doctrine of Christ!**

2 John 1:9 Whosoever transgresseth, and abideth not in the doctrine of Christ, hath not God. He that abideth in the doctrine of Christ, he hath both the Father and the Son.

10 ¶If there come any unto you, and bring not this doctrine, receive him not into your house, **neither bid him God speed:**

11 For he that biddeth him God speed is partaker of his evil deeds.

### **The prophecy of Genesis 12:3 was *not* toward physical Israel but to *Abraham* and his *spiritual* children**

If you don't think so, please consider what the Scriptures below have to say.

Genesis 12:3 And I will bless them that bless thee (Abraham), and curse him that curseth thee (Abraham): and in thee (Abraham) shall all families of the earth be blessed.

Galatians 3:14 That the **BLESSING OF ABRAHAM** might come on the Gentiles through Jesus Christ; that we might receive the promise of the Spirit through faith.

Galatians 3:16 Now to Abraham and his seed were the promises made. He saith not, And to seeds, as of many; but as of one, And to thy seed, which is **CHRIST**.

Galatians 3:29 And if ye be Christ's, *THEN* are ye (all those who call on Jesus Christ to be saved) Abraham's seed, and heirs according to the promise.

Revelation 19:10b

... for the testimony of Jesus is the spirit of prophecy.

Christian Zionism is an oxymoron.

I want to thank pastor Chuck Baldwin of Liberty Fellowship for his good teaching on this subject which inspired me to write this article.

# The Illuminati and the Council on Foreign Relations – By Myron Fagan

Myron Coureval Fagan (October 31, 1887 – May 12, 1972) was an American writer, producer and director for film and theatre and a red scare figure in the late 1940s and 1950s. Fagan was an ardent anti-communist. Fagan arrived on Broadway in 1907, where he quickly became one of the younger playwrights in American theater. Over the years, he worked in the theater with Alla Nazimova, Douglas Fairbanks, and John Barrymore. He also directed plays for the producers such as Charles Frohman, David Belasco. Fagan also became the dramatic editor of the Associated Newspapers. Many of the actors, including Humphrey Bogart, Brian Donlevy and Robert Ryan, whom Fagan directed or who appeared in his plays or screen adaptations, later became stars in Hollywood. (Quoted from Wikipedia)

Myron C. Fagan

Bias-filled Wikipedia also refers to Myron Fagan as a “conspiracy theorist”. If you think what he said in this transcript from a 1967 recording to be just theory, just compare today’s reality of 2021 to what he said 53 years ago!

## **Transcript from the Audio Recording of "The Illuminati and the Council on Foreign Relations"**

The question of how and why the United Nations is the crux of the great conspiracy to destroy the sovereignty of the United States and the enslavement of the American people within a UN one-world dictatorship is a complete and unknown mystery to the vast majority of the American people.

The reason for this unawareness of the frightening danger to our country and to the entire free world is simple. The masterminds behind this great conspiracy have absolute control of all of our mass communications media, especially television, the radio, the press, and Hollywood.

We all know that our State Department, the Pentagon, and the White House have brazenly proclaimed that they have the right and the power to manage the news, to tell us not the truth, but what they *want* us to believe.

They have seized that power on orders from their masters of the great conspiracy and the objective is to brainwash the people into accepting the phony peace bait to transform the United States into an enslaved unit of the United Nations' one-world government.

First of all, bear in mind that the so-called UN police action in Korea, fought by the United States in which 150,000 of our sons were murdered and maimed, was part of the plot, just as the undeclared by Congress war in Vietnam in which our sons are dying is part of the plot, just as the plot against Rhodesia and South Africa in which our sons will be dying is part of the UN plot.

However, the vitally important thing for all Americans, all you mothers of the boys who died at Korea and are now dying in Vietnam, to know is that our so-called leaders in Washington, who we elected to safeguard our nation and our constitution, are the betrayers and that behind them are a comparatively small group of men whose sole objective is to enslave the whole world of humanity in their satanic plot of one-world government.

Now in order to give you a very clear picture of this satanic plot, I will go back to its beginning, clear back in the middle of the 18th century and name the men who put that plot into action and then bring you down to the present-day's status of that plot. Now as a matter of further intelligence, a term used by the FBI, let me clarify the meaning of the expression 'he is a liberal.'

The enemy, meaning the one-world conspirators, have seized upon that word 'liberal' as a cover-up for their activities. It sounds so innocent and so humanitarian to be liberal. Well, make sure that the person who calls himself a liberal or is described as a liberal is not in truth a 'red'.

Now then, this satanic plot was launched back in the 1760's when it first came into existence under the name of the Illuminati. This Illuminati was organized by one Adam Weishaupt, born a Jew, who was converted to Catholicism and became a Catholic priest, and then, at the behest of the then newly

organized House of Rothschild, defected and organized the Illuminati.

Naturally, the Rothschilds financed that operation, and every war since then, beginning with the French Revolution, has been promoted by the Illuminati operating under various names and guises. I say under various names and guises because after the Illuminati was exposed and became too notorious, Weishaupt and his co-conspirators began to operate under various other names. In the United States, immediately after World War I, they set up what they called the Council on Foreign Relations, commonly referred to as the CFR, and this CFR is actually the Illuminati in the United States. And its hierarchy, the masterminds in control of the CFR, to a very great extent, are descendants of the original Illuminati conspirators. But, to conceal that fact, most of them changed their original family names to American-sounding names. For example, the true name of the Dillons, Clarence and Douglas Dillon (once Secretary of the US Treasury Department), is Laposky. I'll come back to all this later.

There is a similar establishment of the Illuminati in England operating under the name of the British Institute of International Affairs [The Royal Institute of International Affairs]. There are similar secret Illuminati organizations in France, Germany, and other nations operating under different names, and all these organizations, including the CFR, continuously set up numerous subsidiary or front organizations that are infiltrated into every phase of the various nations' affairs. But at all times, the operations of these organizations were and are masterminded and controlled by the internationalist bankers, who in turn were and are controlled by the Rothschilds.

The details of how they accomplished the setting up of the CFR in the United States as also in the other nations, are far too voluminous to describe in this dissertation. But you can find it complete in news bulletin #122 entitled "*UN is Spawn of the Illuminati*", and news bulletin #123 entitled "*CFR Completely Unmasked as Illuminati*". Both are published by the Cinema Educational Guild, PO Box 46205, Hollywood California. You can get them for 50 cents per copy by writing to that address. Those news bulletins reveal the names of the original founders of the Illuminati and the Americanized names of their descendants in the present CFR.

Now I'll go back to the activities of the original Illuminati conspirators as revealed in news bulletin #122. One branch of the Rothschild family had financed Napoleon. Another branch of the Rothschilds, both branches the real masterminds of the Illuminati, financed Britain, Germany, and the other nations in the Napoleonic wars.

Immediately after the Napoleonic wars, the Illuminati assumed that all the nations were so destitute and so weary of wars that they'd be glad for any solution, so the Rothschild stooges set up what they called *the Congress in Vienna* and at that meeting they tried to create the first League of Nations, their first attempted one-world government, on the theory that all the crowned heads of European governments were so deeply in debt to them that they would willingly or unwillingly serve as their stooges.

But the Czar of Russia caught the stench of the plot and completely torpedoed it. The enraged Nathan Rothschild, then the head of the dynasty, vowed that some day he or his descendants would destroy the Czar and his entire family, and his descendants did accomplish that very threat in 1917.

At this point, bear in mind that the Illuminati was not set up to operate on a short-range basis. Normally a conspirator of any type enters into a conspiracy with the expectation of achieving his objective during his own lifetime. But that was not the case with the Illuminati. True, they *hoped* to accomplish their objective during their lifetime, but paraphrasing, 'the show must go on'. The Illuminati operates on the very long-range basis. Whether it will take scores of years or even centuries, they have dedicated their descendants to keep the pot boiling until, they hope, the conspiracy is achieved.

Now let's go back to the birth of the Illuminati. Adam Weishaupt was a Jesuit-trained professor of canon law, teaching in Ingolstadt University, when he defected from Christianity to embrace the luciferian conspiracy. It was in 1770 that the professional money lenders, the then recently organized House of Rothschild, retained him to revise and modernize the age-old Protocols of Zionism, which from the outset, was designed to give the Synagogue of Satan, so named by Jesus Christ, ultimate world domination so they could impose the luciferian ideology upon what would remain of the human race after the final social cataclysm by use of satanic despotism.

Weishaupt completed his task May 1, 1776. Now you know why May 1 is the great day with all communist nations to this very day. That was the day, May 1, 1776, that Weishaupt completed his plan and officially organized the Illuminati to put the plan into execution. That plan required the destruction of all existing governments and religions. That objective was to be reached by dividing the masses of people whom he, Weishaupt, termed 'goyim', or 'human cattle', into opposing camps in ever increasing numbers on political, social, economic, and other issues— the very conditions we have in our country today.

The opposing sides were then to be armed and incidents provided which would cause them to fight and weaken themselves and gradually destroy national governments and religious institutions. Again I say, the very conditions in the world today. And at this point let me stress a prime feature of the Illuminati plans. When and if their blueprint for world control, the "*Protocols of the Elders of Zion*", is discovered and exposed, they would wipe all the Jews off the face of the earth in order to divert suspicions from themselves. If you think this is far fetched, bear in mind that they permitted Hitler, a liberal socialist himself, who was financed by corrupt Kennedys, the Warburgs, and the Rothschilds, to incinerate 600,000 Jews.

Now just why did the conspirators choose the word '*Illuminati*' for their satanic organization? Weishaupt himself said that the word is derived from Lucifer and means "*holders of the light.*" Using the lie that his objective was to bring about a one-world government to enable those with mental ability to govern the world and prevent all wars in the future— in short, using the words 'peace on earth' as his bait— exactly as that same bait 'peace' was

used by the 1945 conspirators to force the United Nations on us, Weishaupt financed, I repeat, by the Rothschilds, recruited some 2,000 paid followers. These included the most intelligent men in the field of arts and letters, education, the sciences, finance, and industry.

He then established Lodges of the Grand Orient, Masonic Lodges, to be their secret headquarters and I again repeat, that in all of this he was acting under orders from the House of Rothschild. The main features of the Weishaupt plan of operation required his Illuminati to do the following things to help them to accomplish their purpose:

1. Use monetary and sex bribery to obtain control of men already in high places in the various levels of all governments and other fields of endeavor. Once influential persons had fallen for the lies, deceptions, and temptations of the Illuminati they were to be held in bondage by application of political and other forms of blackmail, threats of financial ruin, public exposure, and physical harm, even death to themselves and loved members of their families.

Do you realize how many present top officials in our present government in Washington are controlled in just that way by the CFR? Do you realize how many homosexuals in our State Department, the Pentagon, all federal agencies, even in the White House are controlled that way?

2. Illuminati and the faculties of colleges and universities were to cultivate students possessing exceptional mental ability belonging to well-bred families with international leanings and recommend them for special training in internationalism. Such training was to be provided by granting scholarships to those selected by the Illuminists. That gives you an idea what a 'Rhodes Scholarship' means. It means indoctrination into accepting the idea that only a one-world government can put an end to recurring wars and strife. That's how the United Nations was sold to the American people. One of the most notable Rhodes scholars we have in our country is Senator William J. Fulbright, sometimes referred to as 'half-bright'. His entire voting record spells Illuminati. All such scholars were to be first persuaded and then convinced that men of special talent and brains have the right to rule those less gifted on the ground that the masses don't know what is best for them physically, mentally, and spiritually.

In addition to the Rhodes and similar scholarships, today there are three special Illuminati schools located in Gordonstown in Scotland, Salem in Germany, and Anavryti in Greece. These three are known ones, but there are others that are kept undercover. Prince Philip, the husband of Britain's Queen Elizabeth, was educated at Gordonstown at the instigation of Lord Louis Mountbatten, his uncle, a Rothschild relative, who became Britain's Admiral of the Fleet after World War II ended.

3. All influential people trapped into coming under the control of the Illuminati, plus the students who had been specially educated and trained, were to be used as agents and placed behind the scenes of all governments as experts and specialists so they would advise the top executives to adopt policies which would, in the long run, serve the secret plans of the Illuminati one-world conspiracy and bring about the destruction of the

governments and religions they were elected or appointed to serve.

Do you know how many such men operate in our government at this very time? Rusk, McNamara, Hubert Humphrey, Fulbright, Keekle, and go on and on and on.

4. Perhaps the most vital directive in Weishaupt's plan was to obtain absolute control of the press, at that time the only mass communications media, to distribute information to the public so that all news and information could be slanted so that the masses could be convinced that a one-world government is the only solution to our many and varied problems.

Now do you know who owns and controls our mass communications media? I'll tell you. Practically all the movie lots in Hollywood is owned by the Lehmans, Kuhn-Loeb & Company, Goldman-Sachs, and other internationalist bankers. All the national radio and TV channels in the nation are owned and controlled by those same internationalist bankers.

The same is true of every chain of metropolitan newspapers and magazines, also of the press wire services, such as Associated Press, United Press International, etc. The supposed heads of all those media are merely the fronts for the internationalist bankers, who in turn compose the hierarchy of the CFR— today's Illuminati in America.

Now can you understand why the Pentagon Press agent, Sylvester, so brazenly proclaimed that the government has the right to lie to the people. What he really meant was that our CFR controlled government had the power to lie to and be believed by the brain-washed American people.

And let's again go back to the first days of the Illuminati. Because Britain and France were the two greatest world powers in the late years of the 18th Century, Weishaupt ordered the Illuminati to foment the colonial wars, including our Revolutionary War, to weaken the British Empire and organize the French Revolution to destroy the French empire. He scheduled the French Revolution to start in 1789. However, in 1784, a true act of God placed the Bavarian government in possession of evidence which proved the existence of the Illuminati and that evidence could have saved France if they, the French government, hadn't refused to believe it.

Here is how that act of God happened. It was in [1874, says audio, but surely meant] 1784 that Weishaupt issued his orders for the French Revolution. A German writer, named Zwack, put it into book form. It contained the entire Illuminati story and Weishaupt's plans. A copy of this book was sent to the Illuminists in France headed by Robespierre whom Weishaupt had delegated to foment the French Revolution.

The courier was struck and killed by lightning as he rode through Rallestown on his way from Frankfurt to Paris. The police found the subversive documents on his body and turned them over to the proper authorities. After careful study of the plot, the Bavarian government ordered the police to raid Weishaupt's newly organized Lodges of the Grand Orient and the homes of his most influential associates.

All additional evidence thus discovered convinced the authorities that the documents were genuine copies of the conspiracy by which the Illuminati planned to use wars and revolutions to bring about the establishment of a one-world government, the powers of which they, headed by the Rothschilds, intended to usurp as soon as it was established, exactly in line with the United Nations plot of today.

In 1785, the Bavarian government outlawed the Illuminati and closed the Lodges of the Grand Orient. In 1786, they published all the details of the conspiracy. The English title of that publication is "*The Original Writings of the Order and the Sect of the Illuminati.*" Copies of the entire conspiracy were sent to all the heads of church and state in Europe. But the power of the Illuminati, which was actually the power of the Rothschilds, was so great that this warning was ignored. Nevertheless, the Illuminati became a dirty word and it went underground.

At the same time, Weishaupt ordered Illuminists to infiltrate into the Lodges of Blue Masonry and formed their own secret societies within all secret societies. Only Masons who proved themselves internationalists and those whose conduct proved they had defected from God were initiated into the Illuminati. Thenceforth, the conspirators donned the cloak of philanthropy and humanitarianism to conceal their revolutionary and subversive activities.

In order to infiltrate into Masonic Lodges in Britain, Weishaupt invited John Robison over to Europe. Robison was a high degree Mason in the Scottish Rite. He was a professor of natural philosophy at Edinburgh University and Secretary of the Royal Society of Edinburgh. Robison did not fall for the lie that the objective of the Illuminati was to create a benevolent dictatorship, but he kept his reactions to himself so well that he was entrusted with a copy of Weishaupt's revised conspiracy for study and safekeeping.

Anyway, because the heads of state and church in France were deluded into ignoring the warnings given them, the revolution broke out in 1789 as scheduled by Weishaupt. In order to alert other governments to their danger, in 1798, Robison published a book entitled "*Proof of a Conspiracy to Destroy all Governments and Religions*" but his warnings were ignored, exactly as our American people have been ignoring all warnings about the United Nations and the Council on Foreign Relations (the CFR).

## **[Part 2]**

Now here is something that will stun and very likely outrage many who hear this, but there is documentary proof that our own Thomas Jefferson and Alexander Hamilton became students of Weishaupt. Jefferson was one of Weishaupt's strongest defenders when he was outlawed by his government and it was Jefferson who infiltrated the Illuminati into the then newly organized lodges of the Scottish Rite in New England. Here is the proof.

In 1789, John Robison warned all Masonic leaders in America that the Illuminati had infiltrated into their lodges and on July 19, 1789, David Papen, President of Harvard University, issued the same warning to the graduating class and lectured them on the influence of Illuminism was

acquiring on American politics and religion, and to top it off, John Quincy Adams, who had organized the New England Masonic Lodges, issued his warnings. He wrote three letters to Colonel William L. Stone, a top Mason, in which he exposed how Jefferson was using Masonic lodges for subversive Illuministic purposes. Those three letters are at this very time in Whittenburg Square Library in Philadelphia. In short, Jefferson, founder of the Democratic Party, was a member of the Illuminati which at least partly accounts for the condition of the party at this time and through infiltration of the Republican Party, we have exactly nothing of loyal Americanism today.

*[Audio missing here? It seems an abrupt change of subject!]*

That disastrous rebuff at the Congress of Vienna created by the Czar of Russia, Alexander I, did not by any means destroy the Illuminati conspiracy. It merely forced them to adopt a new strategy realizing that the one-world idea was, for the moment, killed, the Rothschild's decided that to keep the plot alive they would have to do it by heightening their control of the money systems of the European nations.

Earlier, by a ruse the outcome of the Battle of Waterloo had been falsified, Rothschild had spread a story that Napoleon had one bad battle. That had precipitated a terrific panic on the stock market in England. All stocks had plummeted down to practically zero and Nathan Rothschild bought all the stocks for virtually a penny on its dollar values.

That gave him complete control of the economy of Britain and virtually of all Europe. So immediately after that Congress in Vienna had boomeranged, Rothschild forced Britain to set up a new Bank of England which he absolutely controlled, exactly as later, through Jacob Schiff, he engineered our own Federal Reserve Act which gave the House of Rothschild a secret control of the economy in the United States. But now for a moment, let's dwell on the activities of the Illuminati in the United States.

In 1826, one Captain William Morgan decided it was his duty to inform all Masons and the general public what the full proof was regarding the Illuminati, their secret plans, and intended objectives; also reveal the identities of the masterminds of the conspiracy. The Illuminati promptly tried Morgan in absentia and convicted him of treason.

They ordered one Richard Howard, an English Illuminist, to carry out their sentence of execution as a traitor. Morgan was warned and he tried to escape to Canada, but Howard caught up with him near the border, near the Niagara Gorge to be exact, where he murdered him. This was verified in a sworn statement made in New York by one Avery Allen to the effect that he heard Howard render his report of the execution to a meeting of Knights Templars in St. John's Hall in New York. He also told how arrangements had been made to ship Howard back to England.

That Allen affidavit is on record in New York City Archives. Very few Masons and very few of the general public know that general disapproval over that incident of murder caused approximately half of all the Masons in the

northern jurisdiction of the United States to secede. Copies of the minutes of the meeting held to discuss that matter are still in existence in safe hands and that all that secrecy emphasizes the power of the masterminds of the Illuminati to prevent such terrible events of history from being taught in our schools.

In the early 1850's the Illuminati held a secret meeting in New York which was addressed by a British Illuminist named Wright. Those in attendance were told that the Illuminati was organizing to unite the Nihilist and Atheist groups with all other subversive groups into an international group to be known as Communists. That was when the word '*communist*' first came into being and it was intended to be the supreme weapon and scare word to terrify the whole world and drive the terrorized peoples into the Illuminati one-world scheme.

This scheme, communism, was to be used to enable the Illuminati to foment future wars and revolutions. Clinton Roosevelt (a direct ancestor of Franklin Roosevelt), Horace Greeley, and Charles Dana, foremost newspaper publishers of that time were appointed to head a committee to raise funds for the new venture. Of course, most of the funds were provided by the Rothschilds and this fund was used to finance Karl Marx and Engels when they wrote "*Das Kapital*" and the "*Communist Manifesto*" in Soho, England. And this clearly reveals that communism is not a so-called ideology, but a secret weapon, a bogey man word to serve the purpose of the Illuminati.

Weishaupt died in 1830, but prior to his death, he prepared a revised version of the age-old conspiracy, the Illuminati, which under various aliases was to organize, finance, direct, and control all international organizations and groups by working their agents into executive positions at the top.

In the United States we have Woodrow Wilson, Franklin Roosevelt, Jack Kennedy, Johnson, Rusk, McNamara, Fulbright, etc., as prime examples.

In addition, while Karl Marx was writing the Communist Manifesto under the direction of one group of Illuminists, Professor Karl Ritter of Frankfurt University was writing the antithesis under direction of another group. The idea was that those who direct the overall conspiracy could use the differences in those two so-called ideologies to enable them to divide larger and larger numbers of the human race into opposing camps so that they could be armed and then brainwashed into fighting and destroying each other, and particularly, to destroy all political and religious institutions.

The work Ritter started was continued after his death and completed by the German so-called philosopher Friedrich Wilhelm Nietzsche who founded *Nietzscheanism*. This Nietzscheanism was later developed into *Fascism* and then into *Nazism* and was used to foment World War I and II.

In 1834 the Italian revolutionary leader, Giuseppe Mazzini, was selected by the Illuminati to direct their revolutionary program throughout the world. He served in that capacity until he died in 1872, but some years before he died, Mazzini had enticed an American General named Albert Pike into the Illuminati. Pike was fascinated by the idea of a one-world government and

ultimately he became the head of this luciferian conspiracy.

Between 1859 and 1871 he, Pike, worked out a military blueprint for three world wars and various revolutions throughout the world which he considered would forward the conspiracy to its final stage in the 20th century. Again I remind that these conspirators were never concerned with immediate success. They also operated on a long-range view.

Pike did most of his work in his home in Little Rock, Arkansas. But a few years later, when the Illuminati's Lodges of the Grand Orient became suspect and repudiated because of Mazzini's revolutionary activities in Europe, Pike organized what he called the *New and Reformed Palladian Right*.

He set up three Supreme Councils: one in Charleston, South Carolina; one in Rome, Italy; and a third in Berlin, Germany. He had Mazzini establish 23 subordinate councils in strategic locations throughout the world. These have been the secret headquarters of the world revolutionary movement ever since.

Long before Marconi invented radio, the scientists in the Illuminati had found the means for Pike and the heads of his councils to communicate secretly. It was the discovery of that secret that enabled intelligence officers to understand how apparently unrelated incidents, ones such as the assassination of an Austrian Prince at Sarajevo, took place simultaneously throughout the world which developed into a war or a revolution.

Pike's plan was as simple as it has proved effective. It called for Communism, Nazism, political Zionism, and other international movements be organized and used to foment three global world wars and at least two major revolutions.

The first world war was to be fought so as to enable the Illuminati to destroy Czarism in Russia, as vowed by Rothschild after the Czar had torpedoed his scheme at the Congress in Vienna, and to transform Russia into a stronghold of atheistic communism. The differences stirred up by agents of the Illuminati between the British and German Empires were to be used to foment this war. After the war would be ended, communism was to be built up and used to destroy other governments and weaken religions.

World War II, when and if necessary, was to be fomented by using the controversies between Fascists and political Zionists, and here let it be noted that Hitler was financed by Krupp, the Warburgs, the Rothschilds, and other internationalist bankers and that the slaughter of the supposed 600,000 Jews by Hitler didn't bother the Jewish internationalist bankers at all.

That slaughter was necessary in order to create worldwide hatred of the German people and thus bring about the war against them. In short, this second world war was to be fought to destroy Nazism and to increase the power of political Zionism so that the state of Israel could be established in Palestine.

During this World War II, international communism was to be built up until it equalled in strength to that of united Christendom. When it reached that

point, it was to be contained and kept in check until required for the final social cataclysm. As we know now, Roosevelt, Churchill, and Stalin put that exact policy into effect and Truman, Eisenhower, Kennedy, and Johnson continued that same exact policy.

World War III is to be fomented by using the so-called controversies, the agents of the Illuminati operating under whatever new name, are now being stored up between the political Zionists and the leaders of the Moslem world. That war is to be directed in such a manner that all of Islam and political Zionism (Israel) will destroy each other while at the same time, the remaining nations once more divided on this issue will be forced to fight themselves into a state of complete exhaustion— physically, mentally, spiritually, and economically.

Now, can any thinking person doubt that the intrigue now going on in the Near-, Middle-, and Far-East is designed to accomplish that satanic objective? Pike himself foretold all this in a statement he made to Mazzini on August 15, 1871. Pike stated that after World War III is ended, those who will inspire to undisputed world domination will provoke the greatest social cataclysm the world has ever known. Quoting his own words taken from the letter he wrote to Mazzini and which letter is now catalogued in the British Museum in London, England, he said:

“We shall unleash the nihilists and the atheists and we shall provoke a great social cataclysm which in all its horror will show clearly to all nations the effect of absolute atheism, the origins of savagery and of most bloody turmoil. Then everywhere, the people forced to defend themselves against the world minority of the world revolutionaries and will exterminate those destroyers of civilization and the multitudes disillusioned with Christianity whose deistic spirits will be from that moment on without direction and leadership and anxious for an ideal, but without knowledge where to send its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer brought finally out into public view. A manifestation which will result from a general reactionary movement which will follow the destruction of Christianity and Atheism; both conquered and exterminated at the same time.”

When Mazzini died in 1872, Pike made another Italian revolutionary leader named Adrian Lemmy, his successor. Lemmy, in turn, was succeeded by Lenin and Trotsky, then by Stalin. The revolutionary activities of all those men were financed by British, French, German, and American international bankers— all of them dominated by the House of Rothschilds.

We are supposed to believe that the international bankers of today, like the money changers of Christ's day, are only the tools or agents of the great conspiracy, but actually they are the masterminds behind all of it, while the general public has been brain-washed by all the mass communications media into believing that communism is a movement of the so-called workers. The actual fact is that both British and American intelligence officers have authentic documentary evidence that international liberals, operating through their international banking houses, particularly the House of Rothschilds, have financed both sides of every war and revolution since 1776.

Those who today comprise the conspiracy (the CFR in the United States) direct our governments whom they hold in usury through such methods as the Federal Reserve System in America to fight wars, such as Vietnam (created by the United Nations), so as to further Pike's Illuminati plans to bring the world to that stage of the conspiracy when atheistic communism and the whole of Christianity can be forced into an all out third world war within each remaining nation as well as on an international scale.

The headquarters of the great conspiracy in the late 1700's was in Frankfurt, Germany where the House of Rothschild had been established by Mayer Anselm who adopted the Rothschild name and linked together other international financiers who had literally sold their souls to the devil. After the Bavarian government's exposure in 1786, the conspirators moved their headquarters to Switzerland then to London. Since World War II, after Jacob Schiff, the Rothschild's boy in America died, the headquarters of the American branch has been in the Harold Pratt Building in New York, and the Rockefellers, originally proteges of Schiff, have taken over the manipulation of finances in America for the Illuminati.

In the final phases of the conspiracy, the one-world government will consist of the king-dictator, head of the United Nations, the CFR, and a few billionaires, economists, and scientists who have proved their devotion to the great conspiracy. All others are to be integrated into a vast conglomeration of mongrelized humanity— actually slaves.

Now let me show you how our federal government and the American people have been sucked into the one-world take-over plot of the Illuminati great conspiracy and always bear in mind, that the United Nations was created to become the housing for that one-world, so-called, liberal conspiracy. The real foundations of the plot of the takeover of the United States were laid during the period of our Civil War. Not that Weishaupt and the earlier masterminds had ever overlooked the new world, as I have previously indicated, Weishaupt had his agents planted over here as far back as the Revolutionary War. But George Washington was more than a match for them.

It was during the Civil War that the conspirators launched their first concrete efforts. We know that Judah Benjamin, chief advisor of Jefferson Davis, was a Rothschild agent. We also know that there were Rothschild agents planted in Abraham Lincoln's cabinet who tried to sell him into a financial dealing with the House of Rothschild.

But old Abe saw through the scheme and bluntly rejected it thereby incurring the undying enmity of the Rothschilds, exactly as the Russian Czar did when he torpedoed their first League of Nations at the Congress in Vienna. Investigation of the assassination of Lincoln revealed that the assassin, Booth, was a member of a secret conspiratorial group. Because there were a number of highly important government officials involved, the name of the group was never revealed and it became a mystery, exactly as the assassination of Jack Kennedy still is a mystery. But I am sure it will not for long remain a mystery.

Anyway, the ending of the Civil War destroyed, temporarily, all chances of

the House of Rothschilds to get a clutch on our money system, such as they had acquired in Britain and other nations in Europe. I say temporarily because the Rothschilds and the masterminds of the conspiracy never quit, so they had to start from scratch. But they lost no time in getting started.

Shortly after the Civil War, a young immigrant, who called himself Jacob H. Schiff, arrived in New York. Jacob was a young man with a mission for the House of Rothschild. Jacob was the son of a Rabbi born in one of the Rothschild's houses in Frankfurt, Germany.

I won't go deeply into his background. The important point was that Rothschild recognized in him not only a potential money wizard, but more important, he also saw the latent Machiavellian qualities in Jacob that could, as it did, make him an invaluable functionary in the great one-world conspiracy.

After a comparatively brief training period in the Rothschild's London Bank, Jacob left for America with instructions to buy into a banking house which was to be the springboard to acquire control of the money system of the United States. Actually, Jacob came here to carry out four specific assignments:

1. And most important, was to acquire control of America's money system.
2. Find desirable men, who for a price, would be willing to serve as stooges for the great conspiracy and promote them into high places in our federal government, our Congress, and the US Supreme Court, and all federal agencies.
3. Create minority group strife throughout the nations— particularly between the whites and blacks.
4. Create a movement to destroy religion in the United States, but Christianity to be the chief target.

### **[Part 3]**

#### **[1. Take control of US money system.]**

Earlier I stated that Jacob Schiff came to America with orders by Rothschild to carry out four specific directives. The first and most important one was to get control of the United States' money system. Let's trace Schiff's step to accomplish that directive. As a first step he had to buy into a banking house, but it had to be the kind of a house that he could absolutely control and mold for that primary objective of entrapping our US money system.

After carefully scouting around, Jacob bought a partnership in a firm that called itself *Kuhn and Loeb*. Like Schiff, Kuhn and Loeb were immigrants from German Jewish ghettos. They came to the United States in the mid 1840's. Both started their business careers as itinerant pack peddlers. In the early 1850's they pooled their interests and set up a merchandise store in Lafayette, Indiana under the firm name of *Kuhn and Loeb* servicing the covered wagon settlers on their way west. In the years that followed, they set up similar stores in Cincinnati and St. Louis. Then they added pawnbroking to

their merchandising pursuits. From that to money lending was a short and quick step.

By the time Schiff arrived on the scene, *Kuhn and Loeb* was a well-known private banking firm, and this is the firm Jacob bought into. Shortly after he became a partner in *Kuhn and Loeb*, Schiff married Loeb's daughter, Teresa, then he bought out Kuhn's interests and moved the firm to New York and *Kuhn and Loeb* became *Kuhn-Loeb & Company*; international bankers with Jacob Schiff, agent of the Rothschilds, ostensibly the sole owner. And throughout his career, this blend of Judas and Machiavelli, the first hierarch of the Illuminati's great conspiracy in America, posed as a generous philanthropist and a man of great holiness— the cover-up policy set forth by the Illuminati.

## **[2. Install puppets in government.]**

As I have stated, the first great step of the conspiracy was to be the entrapment of our money system. To achieve that objective, Schiff had to get full cooperation of the then big banker elements in America, and that was easier said than done. Even in those years, Wall Street was the heart of the American money mart and J.P. Morgan was its dictator. Next in line were the Drexels and the Biddles of Philadelphia. All the other financiers, big and little, danced to the music of those three houses, but particularly to that of Morgan. All of those three were proud, haughty, arrogant potentates.

For the first few years, they viewed the little bewhiskered man from the German ghettos with utter contempt, but Jacob knew how to overcome that. He threw a few Rothschild bones to them. Said bones being distribution in America of desirable European stock and bond issues. Then he discovered that he had a still more potent weapon in his hands in the following:

It was in the decades following our Civil War that our industries began to burgeon. We had great railroads to build. The oil, mining, steel, textile industries were bursting out of their swaddling clothes. All of that called for vast financing. Much of that financing had to come from abroad. That meant the House of Rothschild and that was when Schiff came into his own. He played a very crafty game.

He became the patron saint of John D. Rockefeller, Edward R. Harriman, and Andrew Carnegie. He financed the Standard Oil Company for Rocky, the Railroad Empire for Harriman, and the Steel Empire for Carnegie. But instead of hogging all the other industries for Kuhn-Loeb & Company, he opened the doors of the House of Rothschild to Morgan, Biddle, and Drexel. In turn, Rothschild arranged the setting up of London, Paris, European and other branches for those three, but always in partnerships with Rothschild subordinates and Rothschild made it very clear to all those men that Schiff was to be the boss in New York.

Thus at the turn of the century Schiff had a tight control of the entire banking fraternity on Wall Street which by then, with Schiff's help, included Lehman brothers, Goldman-Sachs, and other internationalist banks headed by men chosen by the Rothschilds. In short, that meant control of the nation's money powers and he was then ready for the giant step— the entrapment of our

national money system.

Now under our Constitution, all control of our money system is vested solely in our Congress. Schiff's next important step was to seduce our Congress to betray that Constitutional edict by surrendering that control to the hierarchy of the Illuminati's great conspiracy. In order to legalize that surrender and thus make the people powerless to resist it, it would be necessary to have Congress enact special legislation.

To accomplish that, Schiff would have to infiltrate stooges into both houses of Congress. Stooges powerful enough to railroad Congress into passing such legislation. Equally, or even more important, he would have to plant a stooge in the White House a president that is without integrity and without scruples who would sign that legislation into law. To accomplish that, he had to get control of either the Republican or the Democratic Party.

The Democratic Party was the more vulnerable. It was the hungrier of the two parties. Except for Grover Cleveland, the Democrats had been unable to land one of their men in the White House since before the Civil War. There were two reasons for that:

1. Poverty of the Party.

2. There were considerably more Republican-minded voters than Democrats.

The poverty matter was not a great problem, but the voter problem was a different story. But as I previously said, Schiff was a smart cookie.

Here is the atrocious and murderous method he employed to solve that voter problem. His solution emphasizes how very little the Jewish internationalist bankers care about their own racial brethren as you shall see.

Suddenly, around 1890, there broke out a nationwide series of pogroms in Russia. Many, many, thousands of innocent Jews—men, women, and children, were slaughtered by the Cossacks and other peasants. Similar pogroms with similar slaughter of innocent Jews broke out in Poland, Rumania, and Bulgaria. All those pogroms were fomented by Rothschild agents. As a result, Jewish terrified refugees from all of those nations swarmed into the United States and that continued throughout the next two or three decades because the pogroms were continuous through all those years. All those refugees were aided by self-styled humanitarian committees set up by Schiff, the Rothschilds, and all the Rothschild affiliates.

In the main, the refugees streamed into New York, but the Schiff-Rothschild humanitarian committees found ways to shuffle many of them into other large cities such as Chicago, Boston, Philadelphia, Detroit, Los Angeles, etc. All of them were quickly transformed into naturalized citizens and educated to register as Democrats. Thus all of that so-called minority group became solid Democratic voter blocks in their communities, all controlled and maneuvered by their so-called benefactors. And shortly after the turn of the century, they became vital factors in the political life of our nation. That was one of the methods Schiff employed to plant men like Nelson Aldrich in our Senate

and Woodrow Wilson in the White House.

### [3. Racial Strife.]

At this point let me remind you of another of the important jobs that was assigned to Schiff when he was dispatched to America. I refer to the job of destroying the unity of the American people by creating minority-group and racial strife. By the pogrom-driven Jewish refugees into America, Schiff was creating one ready-made minority group for that purpose. But the Jewish people, as a whole, made fearful by the pogroms, could not be depended upon to create the violence necessary to destroy the unity of the American people.

But right within America, there was an already made-to-order, although as yet a sleeping minority group, the Negroes, who could be sparked into so-called demonstrations, rioting, looting, murder, and every other type of lawlessness. All that was necessary, was to incite and arouse them. Together, those two minority groups, properly maneuvered, could be used to create exactly the kind of strife in America the Illuminati would need to accomplish their objective.

Thus at the same time that Schiff and co-conspirators were laying their plans for the entrapment of our money system, they were also perfecting plans to hit the unsuspecting American people with an explosive and terrifying racial upheaval that would tear the people into hate-factions and create chaos throughout the nation, especially on all college and university campuses, all protected by Earl Warren decisions and our so-called leaders in Washington. Of course, perfecting those plans required time and infinitely patient organizing.

Now to remove all doubts, I take a few moments to give you documentary proof of this racial strife plot. First of all they had to create leadership and organizations to draw in millions of dupes, both Jewish and Negroes, who would do the demonstrating and commit the rioting, looting, and lawlessness.

So in 1909, Schiff, the Lehmans, and other conspirators, organized and set up the "*National Association for the Advancement of the Colored People*" known as the NAACP. The presidents, directors, and legal councils of the NAACP were always white men, Jews, appointed by Schiff, and this is the case to this very day.

Then in 1913, the Schiff group organized the Anti-Defamation League of the B'nai B'rith commonly known as the ADL to serve as the gestapo and hatchet-man outfit for the entire great conspiracy. Today this sinister ADL maintains over 2,000 agencies in all parts of the country and they advise and completely control every action of the NAACP or of the Urban League of all the other so-called Negro civil rights organizations throughout the nation including such leaders as Martin 'Lucifer' King, Stockely Carmichael, Bayard Rustin, and others of that ilk.

In addition, the ADL acquired absolute control of the advertising budgets of many department-stores, hotel-chains, and TV and Radio industrialist sponsors, also advertising-agencies in order to control practically all the

mass-communications media and force every loyal newspaper to slant and falsify the news and to further incite, and, at the same time create sympathy for, the lawlessness and violence of the Negro mobs.

Here is documentary proof of the beginning of their deliberate plot to foment the Negroes into all their lawlessness:

Around 1910, one Israel Zengwill wrote a play entitled "*The Melting-Pot*". It was sheer propaganda to incite the Negroes and Jews because the play purportedly visualized how the American people were discriminating against, and persecuting Jews and Negroes. At that time nobody seemed to realize that it was a propaganda play— it was that cleverly-written. The propaganda was well wrapped up in the true, great entertainment in the play, and it was a big Broadway Hit.

Now in those years, the legendary Diamond Jim Brady used to throw a banquet at the famous Delmonico Restaurant in New York after the opening-performance of a popular play. He threw such a party for the cast of "*The Melting-Pot*", its author, producer, and chosen Broadway celebrities. By then I'd already made a personal mark on the Broadway Theater and was invited to that party. There I met George Bernard Shaw and a Jewish writer named Israel Cohen. Zangwill, Shaw, and Cohen were the triumvirate who created the Fabian Society in England and had worked closely with a Frankfurt Jew named Mordicai who had changed his name to Karl Marx, but remember, at that time both Marxism and Communism were just emerging and nobody paid much attention to either, and nobody suspected the propaganda in the writings of those three really brilliant writers.

At that banquet, Israel Cohen told me that he was then engaged in writing a book which was to be a follow-up on Zangwill's "*The Melting-Pot*". The title of his book was to be "*A Racial Program for the 20th Century.*" At that time I was completely absorbed by my work as a playwright, and significant as that title was, its real objective never dawned on me nor was I interested in reading the book. But it suddenly hit me with the force of a hydrogen bomb when I received a newspaper clipping of an item published by the Washington D.C. *Evening Star* in May 1957. That item was a verbatim reprint of the following excerpt in Israel Cohen's book "*A Racial Program for the 20th Century*" and it reads as I quote:

"We must realize that our party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races, that for centuries they have been oppressed by the whites, we can move them to the program of the communist party. In America, we will aim for subtle victory. While inflaming the Negro minority against the whites, we will instill in the whites a guilt-complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions, and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites and begin a process which will deliver America to our cause."

That same excerpt was entered into the Congressional Record of June 7, 1957, by Representative Thomas G. Abernathy. Thus the authenticity of that passage

in Cohen's book was fully established. But the one question that remained in my mind was whether it represented the official policy or plot of the Communist Party or just a personal expression of Cohen himself. Hence I sought more proof and I found it in an official pamphlet published in 1935 by the New York Communist Party's official Workers' Library Publishers. That pamphlet was entitled *The Negroes in a Soviet America*. It urged the Negroes to rise up, form a soviet-state in the south, and apply for admission to the Soviet Union. It contained a firm pledge that the revolt would be supported by all American 'reds' and all so-called liberals. On page 38, it promised that a Soviet government would confer greater benefits to Negroes than to whites and again this official communist pamphlet pledged that, I quote: "*any act of discrimination or prejudice against a Negro will become a crime under the revolutionary law.*" That statement proved that the excerpt in Israel Cohen's book published in 1913 was an official edict of the Communist Party and directly in line with the Illuminati blueprint for world revolution issued by Weishaupt and later by Albert Pike.

Now there's only one question and that is to prove that the communist regime is directly controlled by the American Jacob Schiff and London Rothschild masterminds of the great conspiracy. A little later I will provide that proof that will remove even a remote doubt that the Communist Party, as we know it, was created by those masterminds, capitalists if you will note, that Schiff, the Warburgs, and the Rothschilds planned and financed the entire Russian Revolution, also the murder of the Czar and his family, and that Lenin, Trotsky, and Stalin took their orders directly from Schiff and the other capitalists whom they supposedly are fighting.

Now can you see why the vile Earl Warren and his equally vile co-Supreme Court justices issued that infamous and treasonous desegregation decision in 1954? It was to aid and abet the plot of the Illuminati conspirators to create tension and strife between the Negroes and Whites. Can you see why the same Earl Warren issued his decision prohibiting Christian prayers and Christmas carols in our schools? It was done to destroy Christianity. Can you see why Eisenhower, despite all the rigid constitutional prohibitions, sent federal troops into a southern state to enforce the desegregation decision? Why Kennedy did likewise? And can you see why Johnson and 66 Senators, despite the protests of 90% of the American people, voted for the *Consular Treaty* which opens our entire country to Russian spies and saboteurs? All those 66 Senators are 20th century 'Benedict Arnolds'.

It is up to you and you, all of the American people, to force Congress, our elected servants, to haul in those American traitors for impeachments and that when proven guilty, they all be given the punishment prescribed for traitors who aid and abet our enemies. And that includes the forcing of rigid investigations by Congress of the CFR and all their fronts, such as the ADL, the NAACP, SNIC, and such Illuminati tools as Martin 'Lucifer' King. Such investigations will completely unmask all the leaders in Washington and the Illuminati and all their affiliations and affiliates as traitors carrying out the Illuminati plot. It will completely unmask the United Nations as the intended crux of the entire plot and force Congress to take the US out of the UN and hurl the UN out of the US. In fact, it will destroy the UN and the

entire plot.

Before I close this phase, I wish to reiterate and stress one vital point which I urge you to never forget if you wish to save our country for your children and their children. Here is the point. Every unconstitutional and unlawful act committed by Woodrow Wilson, by Franklin Roosevelt, by Truman, Eisenhower, and Kennedy and are now being committed by Johnson, is exactly in line with the Illuminati conspirators centuries-old plot outlined by Weishaupt and Albert Pike. Every vicious decision issued by the traitorous Earl Warren and his equally traitorous Supreme Court justices was directly in line with what the Illuminati blueprint required. That all the treason committed by our State Department under Rusk and earlier by John Foster Dulles, and Marshall, also all the treason committed by McNamara and his predecessors is directly in line with that same Illuminati blueprint for the takeover of the world. Also the amazing treason by various members of our Congress, especially by the 66 Senators who signed for the Consular Treaty, has been committed on orders from the Illuminati.

#### **[Part 4]**

Now I will go back to Jacob Schiff's entrapment of our money system and the treasonous actions that followed. It will also reveal the Schiff-Rothschild control of not only Karl Marx, but of Lenin, Trotsky, and Stalin, who created the revolution in Russia and set up the Communist Party.

It was in 1908 that Schiff decided that the time had come for his seizure of our money system. His chief lieutenants in that seizure were Colonel Edward Mandell House whose entire career was that of chief executive and courier for Schiff as I shall show, Bernard Barouk, and Herbert Lehman. In the fall of that year, they assembled in secret conclave at the Jekyll Island Hunt Club, owned by J.P. Morgan at Jekyll Island, Georgia. Among those present were J.P. Morgan, John D. Rockefeller, Colonel House, Senator Nelson Aldrich, Schiff, Stillman and Vandeleip of the New York National City Bank, W. and J. Seligman, Eugene Myer, Bernard Barouk, Herbert Lehman, Paul Warburg, in short, all of the international bankers in America. All of them members of the hierarchy of the Illuminati's great conspiracy.

A week later they emerged with what they called the Federal Reserve System. Senator Aldrich was the stooge who was to railroad it through Congress, but they held that railroading in abeyance for one chief reason. They would first have to plant their man, an obedient stooge, in the White House to sign the Federal Reserve Act into law. They knew that even if the Senate would pass that act unanimously, the then newly elected President Taft would promptly veto it. So they waited.

In 1912, *their* man, Woodrow Wilson, was elected to the presidency. Immediately after Wilson was inaugurated, Senator Aldrich railroaded the Federal Reserve Act through both houses of Congress and Wilson promptly signed it and the Federal Reserve Act became law. That heinous act of treason was committed on December 23, 1913, two days before Christmas when all the members of Congress, except for several carefully picked Representatives and three equally carefully picked Senators, were away from Washington. How

heinous treasonous was that act? I'll tell you. Our founding fathers knew full well the power of money. They knew that whoever had that power held the destiny of our nation in his hands. Therefore, they carefully guarded this power when they set forth in the Constitution, that Congress, the elected representatives of the people, alone would have the power. The Constitutional language on this point is brief, concise, and specific, stated in Article I, Section 8, Paragraph 5, defining the duties and powers of Congress, and I quote: *"to coin money, regulate the value thereof, and of foreign coin, and the standard of weights and measures."* But on that tragic, unforgettable day of infamy, December 23, 1913, the men we sent to Washington to safeguard our interests, the Representatives and Senators and Woodrow Wilson, delivered the destiny of our nation into the hands of two aliens from Eastern Europe, Jacob Schiff and Paul Warburg. Warburg was a very recent immigrant who came here on orders from Rothschild for the express purpose of blueprinting that foul Federal Reserve Act.

Now the vast majority of the American people think that the Federal Reserve System is the United States Government owned agency. That is positively false. All of the stock of the federal reserve banks is owned by the member banks and the heads of the member banks are all members of the hierarchy of the great Illuminati conspiracy known today as the CFR.

The details of that act of treason, in which many traitorous so-called Americans participated, are far too long for this reporting, but all those details are available in a book entitled, *"The Federal Reserve Conspiracy"*, written by Eustace Mullins. In that book, Mullins tells the entire horrifying story and backs it up with unquestionable documentations. Aside from it being a truly fascinating and shocking story of that great betrayal, every American should read it as a matter of vital intelligence for the time when the whole American people will finally come awake and smash the entire conspiracy and with God's help, that awakening will surely come. You can get a copy of that book from the publisher, The Christian Educational Association, 530 Chestnut St., Union, New Jersey.

Now if you think that those aliens and their by accident-of-birth American co-conspirators would be content with just the control of our money system, you are in for another very sad shock. The Federal Reserve System gave the conspirators complete control of our money system, but it in no way touched the earnings of the people because the Constitution positively forbids what is now known as the 20% withholding tax. But the Illuminati blueprint for one-world enslavement called for the confiscation of all private property and control of individual earning powers. This, and Karl Marx stressed that feature in his blueprint, had to be accomplished by a progressive graduated income tax. As I have stated, such a tax could not lawfully be imposed upon the American people. It is succinctly and expressly forbidden by our Constitution. Thus, only an Amendment to the Constitution could give the federal government such confiscatory powers.

Well, that too was not an insurmountable problem for our Machiavellian plotters. The same elected leaders in both houses of Congress and the same Mr. Woodrow Wilson, who signed the infamous Federal Reserve Act into law, amended the Constitution to make the federal income tax, known as the 16th

Amendment, a law of the land. Both are illegal under our Constitution. In short, the same traitors signed both betrayals, the Federal Reserve Act and the 16th Amendment, into law. However, it seems that nobody ever realized that the 16th amendment was set up to rob, and I do mean rob, the people of their earnings via the income tax provision.

The plotters didn't fully use the provision until World War II when that great humanitarian, Franklin Roosevelt, applied a 20% withholding tax on all small wage earners and up to 90% on higher incomes. Oh, of course, he faithfully promised that it would be only for the duration of the war, but what was a promise to such a charlatan who in 1940, when he was running for his third term, kept proclaiming: *"I say again and again and again that I will never send American boys to fight on foreign soil."* Remember? He was proclaiming that even as he was already preparing to plunge us into World War II by enticing the Japanese into that 'sneak attack' on Pearl Harbor to furnish him with his excuse.

And before I forget, let me remind you that another charlatan named Woodrow Wilson used exactly that same campaign slogan in 1916. His slogan was, *"Re-elect the man who will keep your sons out of the war."* Exactly the same formula, exactly the same promises. But wait, as Al Jolson used to say, *"You ain't heard nothin' yet."* That 16th Amendment income tax trap was intended to confiscate—rob—the earnings only of the common herd, you and me. It was not intended to even touch the huge incomes of the Illuminati gang, the Rockefellers, the Carnegies, the Lehmans, and all the other conspirators.

So together, with that 16th Amendment, they created what they called the tax-free foundations that would enable the conspirators to transform their huge wealth into such so-called foundations and avoid payment of virtually all income taxes. The excuse for it was that the earnings of those tax-free foundations would be devoted to humanitarian philanthropy. So we now have the several Rockefeller Foundations, the Carnegie Endowment Fund, the Ford Foundation, the Mellon Foundation, and hundreds of similar tax-free foundations.

And what kind of philanthropy do these foundations support? Well, they finance all the civil rights groups that are creating all the chaos and rioting all over the country. They finance the Martin 'Lucifer' Kings. The Ford Foundation finances the Center for the Study of Democratic Institutions in Santa Barbara, commonly referred to as Moscow West, and which is headed by 'wonder boy' Hutchens, Walter Ruther, Erwin Canham and others of that ilk.

In short, the tax-free foundations financed those who are doing the job for the Illuminati's great conspiracy. And what are the hundreds of billions of dollars they confiscate every year from the earnings of the common herd, you and me, used for? Well, for one thing, there is the foreign aid gimmick which gave billions to communist Tito, plus gifts of hundreds of jet planes, many of which were turned over to Castro, plus the costs of training communist pilots so that they can the better to shoot down our planes. Billions to red Poland. Billions to India. Billions to Sukarno. Billions to other enemies of the United States. That's what that treasonously railroaded 16th Amendment has done to our nation, to the American people, to you and to me, to your

children and their children.

Our CFR Illuminati controlled federal government can grant tax-free status to all foundations and pro-red one-world outfits, such as the Fund for the Republic. But if you or a patriotic pro-organization is too outspokenly pro-American, they can terrify and intimidate you by finding a misplaced comma in your income-tax report and by threatening you with penalties, fines, and even prison. Future historians will wonder how the American people could have been so naive and stupid as to have permitted such audacious brazen acts of treason as the Federal Reserve Act and the 16th Amendment. Well, they were not naive and they were not stupid. The answer is, they trusted the men they elected to safeguard our country and our people, and they just didn't have even an inkling about either betrayal, until after each one had been accomplished.

It was the Illuminati controlled mass communications media that kept, and is keeping, our people naive and stupid and unaware of the treason being committed. Now the great question is, when will the people wake up and do to our traitors of today what George Washington and our founding fathers would have done to Benedict Arnold? Actually, Benedict Arnold was a petty traitor compared to our present traitors in Washington. Now let's go back to the events that followed the rape of our Constitution by the passage of the Federal Reserve Act and the 16th Amendment. Was Wilson completely under their control?

The masterminds of the great conspiracy put in motion their next and what they hoped would be their final steps to achieve their one-world government. The first of those steps was to be World War I. Why War? Simple. The only excuse for a one-world government was that it will supposedly ensure peace. The only thing that can make people cry for peace, is war. War brings chaos, destruction, exhaustion, to winner as well as to loser. It brings economic ruin to both. Most important, it destroys the flower of the young manhood of both. To the saddened and heartbroken oldsters the mothers and fathers who are left with nothing but memories of their beloved sons, peace becomes worth any price. And that is the emotion upon which the conspirators depend for the success of their satanic plot.

Throughout the 19th century, from 1814 to 1914, the world, as a whole, was at peace. Such wars as the Franco-Prussian, our own Civil War, the Russo-Japanese War, were what might be termed local disturbances that did not affect the rest of the world. All the great nations were prosperous and the people staunchly nationalistic and fiercely proud of their sovereignties. It was utterly unthinkable that the French and the German peoples would be willing to live under a one-world government, or the Turks and the Russians, or the Chinese and the Japanese. Even more unthinkable is that a Kaiser Wilhelm, or a Franz Joseph, or a Czar Nicholas, or any Monarch, would willingly and meekly surrender his throne to a one-world government. But bear in mind that the peoples in all nations are the real power and only one thing, war, could make the peoples yearn and clamor for a peace-ensuring one-world government. But it would have to be a frightful and horribly devastating war. It could not be just a local disturbing war between just two nations, it would have to be a world war. No major nation must be left

untouched by the horrors and devastation of such a war. The cry for peace must be made universal.

Actually that was the format set by the Illuminati and Nathan Rothschild at the turn of the 19th century. They first maneuvered all of Europe into the Napoleonic Wars, then the Congress in Vienna which they, and particularly Rothschild, planned to transform into a League of Nations which was to have been the housing for their one-world government, exactly as the present United Nations was set up to be the housing for the forthcoming, God forbid, one-world government. Anyway, that was the format the House of Rothschild and Jacob Schiff decided to employ to achieve their objective in 1914. Of course they knew that the same format had failed in 1814, but they theorized, that this was only because the Czar of Russia had torpedoed that scheme. Well, the present 1914 conspirators would eliminate that 1814 'fly in the ointment'. They'd make sure that after the new world war that they were conspiring, there'd be no Czar of Russia around to throw monkey-wrenches into the machinery.

I won't go into how they accomplished this first step to launch a world war. History records that World War I was precipitated by a trivial incident, the kind of incident both Weishaupt and Albert Pike had incorporated in their blueprints. That incident was the assassination of an Austrian Archduke arranged by the Illuminati masterminds. The war followed. It involved Germany, Austria, Hungary, and their allies (so-called the Axis powers), against France, Britain, and Russia, called the Allies. Only the United States was *not* involved during the first two years.

By 1917 the conspirators had achieved their primary objective. All of Europe was in a state of destitution. All the peoples were war weary and crying for 'peace'. And the outcome too was all set. It was to come as soon as the United States would be hurled on the side of the Allies, and that was all set to happen immediately after Wilson's re-election. After that, there could be only one outcome. Complete victory for the Allies. To fully confirm my statement that long before 1917, the conspiracy, headed in America by Jacob Schiff, had it all set to hurl the United States into that war, I will cite the proof:

When Wilson was campaigning for re-election in 1916, his chief appeal was "*re-elect the man who will keep your sons out of the war.*" But during that same campaign, the Republican Party publicly charged that Wilson had long committed himself to throw us into the war. They charged that if he would be defeated he would accomplish that act during his few remaining months in office, but if re-elected, he would hold off until after re-election. But at that time the American people looked upon Wilson as a God-man. Well, Wilson was re-elected and as per the schedule of the conspirators, he hurled us into the war in 1917. He used the sinking of the *Lusitania* as an excuse— a sinking which also was prearranged. Roosevelt, also a God-man in the eyes of the American people, followed the same technique in 1941 when he used the prearranged Pearl Harbor attack as his excuse for hurling us into World War II.

Now exactly as the conspirators planned, victory for the Allies would

eliminate all the Monarchs of the defeated Nations and leave all their peoples leaderless, confused, bewildered, and perfectly conditioned for the one-world government the great conspiracy intended would follow. But there still would be an obstacle, the same obstacle that had balked the Illuminati and Rothschild at that Congress in Vienna 'peace gathering' after the Napoleonic Wars.

Russia would be on the winning side this time as it was in 1814 and therefore the Czar would be securely on his throne. Here it is pertinent to note that Russia, under the Czarist regime, had been the one country in which the Illuminati had never made any headway nor had the Rothschilds ever been able to infiltrate in their banking interests thus a winning Czar would be more difficult than ever to cope with. Even if he could be enticed into a so-called League of Nations, it was a foregone conclusion that he would never, but never, go for a one-world government.

So even before the outbreak of World War I, the conspirators had a plan in the making to carry out Nathan Rothschild's vow of 1814 to destroy the Czar and also murder all possible royal heirs to the throne and it would have to be done before the close of the war. And the Russian Bolsheviki were to be their instruments in this particular plot. From the turn of the century, the chiefs of the Bolsheviki were Nicolai Lenin, Leon Trotsky, and later Joseph Stalin.

Of course, those were not their true family names. Prior to the outbreak of the war, Lenin headquartered in Paris. After the outbreak, Switzerland became his haven. Trotsky's headquarters was on the lower East Side in New York, largely the habitat of Russian-Jewish refugees. Both Lenin and Trotsky were similarly bewhiskered and unkempt. In those days, that was the badge of Bolshevism. Both lived well yet neither had a regular occupation.

Neither had any visible means of support, yet both always had plenty of money. All those mysteries were solved in 1917. Right from the outset of the war, strange and mysterious goings-on were taking place in New York. Night after night, Trotsky darted furtively in and out of Jacob Schiff's palatial mansion. And in the dead of those same nights there were a gathering of hoodlums of New York's lower east side— all of them Russian refugees at Trotsky's headquarters, and all were going through some mysterious sort of training process that was all shrouded in mystery. Nobody talked, although it did leak out that Schiff was financing all of Trotsky's activities.

Then suddenly Trotsky vanished. So did approximately 300 of his trained hoodlums. Actually they were on the high seas in a Schiff-chartered ship bound for a rendezvous with Lenin and his gang in Switzerland. And on that ship was \$20 million in gold. The \$20 million Schiff provided to finance the Bolsheviki takeover of Russia. In anticipation of Trotsky's arrival, Lenin prepared to throw a party in his Switzerland hideaway.

Men of the very highest places in the world were to be guests at that party. Among them were the mysterious Colonel Edward Mandell House, Woodrow Wilson's mentor and palsy-walsy, and more important, Schiff's special and confidential messenger. Another of the expected guests was Warburg, of the Warburg Banking

Clan in Germany who was financing the Kaiser and whom the Kaiser had rewarded by making him chief of the Secret Police of Germany. In addition, there were the Rothschilds of London and Paris, also Lithenoth, Kakonavich, and Stalin (who was then the head of a train and bank robbing gang of bandits). He was known as the 'Jesse James of the Urals'.

And here I must remind you that England and France were then long in the war with Germany and that on February 3, 1917, Wilson had broken off all diplomatic relations with Germany. Therefore, Warburg, Colonel House, the Rothschilds, and all those others were enemies, but of course, Switzerland was neutral ground where enemies could meet and be friends, especially if they had some scheme in common.

That Lenin party was very nearly wrecked by an unforeseen incident. The Schiff-chartered ship on its way to Switzerland was intercepted and taken into custody by a British warship. But Schiff quickly rushed orders to Wilson to order the British to release the ship intact with the Trotsky hoodlums and the gold. Wilson obeyed. He warned the British that if they refused to release the ship, the United States would not enter the war in April as he had faithfully promised a year earlier.

The British heeded the warning. Trotsky arrived in Switzerland and the Lenin party went off as scheduled. But they still faced what ordinarily would have been the insurmountable obstacle of getting the Lenin-Trotsky band of terrorists across the border into Russia. Well, that's where Brother Warburg, chief of the German Secret Police, came in. He loaded all those thugs into sealed freight cars and made all the necessary arrangements for their secret entry into Russia. The rest is history. The revolution in Russia took place and all members of the royal Romanoff family were murdered.

Now my chief objective is to establish beyond even a remote doubt that communism, so-called, is an integral part of the Illuminati great conspiracy for the enslavement of the entire world. That communism, so-called, is merely their weapon and bogey man word to terrify the peoples of the whole world and that the conquest of Russia and the creation of communism was, in great part, organized by Schiff and the other international bankers right in our own city of New York.

A fantastic story? Yes. Some might even refuse to believe it. Well, for the benefit of any 'doubting Thomas', I will prove it by reminding that just a few years ago Charlie Knickerbocker, a Hearst newspaper columnist, published an interview with John Schiff, grandson of Jacob, in which young Schiff confirmed the entire story and named the figure old Jacob contributed, \$20,000,000.

## **[Part 5]**

If anybody still has even a remote doubt that the entire menace of communism was created by the masterminds of the great conspiracy right in our own city of New York, I will cite the following historical fact: All records show that when Lenin and Trotsky engineered the capture of Russia, they operated as heads of the Bolsheviki party. Now, Bolshevism is a purely Russian word.

The masterminds realized that Bolshevism could never be sold as an ideology to any but the Russian people. So in April 1918, Jacob Schiff dispatched Colonel House to Moscow with orders to Lenin, Trotsky, and Stalin, to change the name of their regime to the Communist Party and to adopt the Karl Marx Manifesto as the constitution of the Communist Party. Lenin, Trotsky, and Stalin obeyed, and that year of 1918 was when the Communist party and the menace of communism came into being. All this is confirmed in Webster's Collegiate Dictionary, Fifth Edition.

In short, communism was created by the capitalists. Thus, until November 11, 1918, the entire fiendish plan of the conspirators worked perfectly. All the great nations, including the United States, were war-weary, devastated, and mourning their dead. Peace was the great universal desire. Thus when it was proposed by Wilson to set up a League of Nations to ensure peace, all the great nations, with no Russian Czar to stand in their way, jumped on that bandwagon without even stopping to read the fine print in that insurance policy.

That is, all but one— the United States— the very one that Schiff and his co-conspirators least expected would balk. And that was their one fatal mistake in that early plot. You see, when Schiff planted Woodrow Wilson in the White House, the conspirators assumed that they had the United States in the proverbial bag. Wilson had been perfectly built up as a great humanitarian. He supposedly became established as a god-man with the American people. There was every reason for the conspirators to have believed that he would easily hornswoggle Congress into buying the League of Nations, 'sight unseen', exactly as the Congress of 1945 bought the United Nations, 'sight unseen'.

But there was one man in the Senate in 1918 who saw through that scheme just as the Russian Czar did in 1814. He was a man of great political stature, almost as great as that of Teddy Roosevelt, and fully as astute. He was highly respected and trusted by all members of both houses of Congress and by the American people. The name of that great and patriotic American was Henry Cabot Lodge, (not the phony of today who called himself *Henry Cabot Lodge, Jr.*, until he was exposed).

Lodge completely unmasked Wilson and kept the United States out of the League of Nations. Here it becomes of great interest to know the real reason for the Wilson League of Nations flop. As I previously stated, Schiff was sent to the United States to carry out four specific assignments:

1. And most important, was to acquire complete control of the US money system.
2. As outlined in the original Weishaupt Illuminati blueprint, he was to find the right kind of men to serve as stooges for the great conspiracy and promote them into the highest offices in our federal government, our Congress, our US Supreme Court, and all federal agencies, such as the State Department, the Pentagon, the Treasury Department, etc.
3. Destroy the unity of the American people by creating minority group strife throughout the nation— especially between the whites and blacks, as outlined in Israel Cohen's book.

4. Create a movement to destroy religion of the United States with Christianity to be the chief target or victim.

In addition, he was strongly reminded of the imperative directive in the Illuminati blueprint to achieve full control of all mass communications media to be used to brainwash the people into believing and accepting all of the maneuverings of the great conspiracy. Schiff was warned that only control of the press, at that time our only mass communications media, would enable him to destroy the unity of the American people.

Now then, Schiff and his co-conspirators did set up the NAACP (the National Association for the Advancement of the Colored People) in 1909 and in 1913 he set up the Anti-Defamation League of the B'nai B'rith. Both were to create the necessary strife, but in the early years, the ADL operated very timidly. Perhaps for fear of a pogrom-like action by an aroused and enraged American people and the NAACP was practically dormant because its white leadership didn't realize that they would have to develop fire-brand Negro leaders, such as Martin 'Lucifer' King for one, to spark the then completely satisfied, contented mass of Negroes.

In addition, he, Schiff, was busy developing and infiltrating the stooges to serve in all high places in our Washington government and in the job of acquiring control of our money system and the creation of the 16th Amendment. He also was very busy with the organizing of the plot for the takeover of Russia. In short, he was kept so busy with all those jobs that he completely overlooked the supreme job of acquiring complete control of our mass communications media. That oversight was a direct cause for Wilson's failure to lure the United States into the League of Nations because when Wilson decided to go to the people to overcome the opposition of the Lodge-controlled Senate, despite his established, but phony reputation as a great humanitarian, he found himself faced by a solidly united people and by a loyal press whose only ideology was Americanism and the American way of life.

At that time, due to the ineptness and ineffectiveness of the ADL and the NAACP, there were no organized minority groups, no Negro problems, no so-called anti-Semitic problems to sway the people's thinking. There were no lefts, there were no rights, no prejudices for crafty exploitations. Thus Wilson's League of Nations appeal fell on deaf ears. That was the end of Woodrow Wilson, the conspirators great humanitarian. He quickly abandoned his crusade and returned to Washington where he shortly died an imbecile brought on by syphilis and that was the end of the League of Nations as a corridor into one-world government.

Of course that debacle was a terrible disappointment to the masterminds of the Illuminati conspiracy, but they were not discouraged. As I have previously stressed, this enemy never quits. They simply decided to reorganize and try from scratch again. By this time Schiff was very old and slow. He knew it. He knew that the conspiracy needed a new younger and more active generalship.

So on his orders, Colonel House and Bernard Barouk organized and set up what they called the Council on Foreign Relations, the new name under which the

Illuminati would continue to function in the United States. The hierarchy, officers and directors of the CFR, is composed principally of descendants of the original Illuminati, many of whom who had abandoned their old family name and acquired new Americanized names.

For one example, we have Dillon, who was Secretary of Treasury of the United States, whose original name was Laposky. Another example is Pauley, head of the CBS TV channel, whose true name is Palinsky. The membership of the CFR is approximately 1,000 in number and contains the heads of virtually every industrial empire in America such as Blough, president of the US Steel Corporation, Rockefeller, king of the oil industry, Henry Ford, II, and so on. And of course, all the international bankers. Also, the heads of the tax-free foundations are officers and/or active CFR members. In short, all the men who provide the money and the influence to elect the CFR-chosen Presidents of the United States, the Congressmen, the Senators, and who decide the appointments of our various Secretaries of State, of the Treasury, of every important federal agency, are members of the CFR and they are very obedient members indeed.

Now just to cement that fact, I will mention the names of the United States Presidents who were members of the CFR: Franklin Roosevelt, Herbert Hoover, Dwight D. Eisenhower, Jack Kennedy. Others who were considered for the presidency are Thomas E. Dewey, Adlai Stevenson, Nixon, and vice-president of a CFR subsidiary, Barry Goldwater. Among the important cabinet members of the various administrations we have John Foster Dulles, Allen Dulles, Cordell Hull, John J. McCloy, Robert Morgenthau, Clarence Dillon, Rusk, McNamara, and just to emphasize the red color of the CFR we have as members such men as Alger Hiss, Ralph Bunche, Pasvolsky, Harry Dexter White (real name Weiss), Owen Lattimore, Phillip Jaffey, etc. etc. Simultaneously, they were flooding thousands of homosexuals and other blackmailable characters into all the federal agencies from the White House down. Remember Johnson's great friends, Jenkins and Bobby Baker?

Now there were many jobs the new CFR had to accomplish. They required much help. So their first job was to set up various subsidiaries to whom they assigned special objectives. I can't name all the subsidiaries in this recording, but the following are a few: the Foreign Policy Association (FPA), the World Affairs Council (WAC), the Business Advisory Council (BAC), the notorious ADA (Americans for Democratic Action virtually headed by Walter Ruther), the notorious '13-13' in Chicago, Barry Goldwater was, and no doubt still is, a vice-president of one of the CFR subsidiaries. In addition, the CFR set up special committees in every state in the Union to whom they assigned the various local state operations.

Simultaneously, the Rothschilds set up similar CFR-like control groups in England, France, Germany, and other Nations, to control world conditions and cooperate with the CFR to bring about another world war. But the CFR's first and foremost job was to get complete control of our mass communications media.

The control of the press was assigned to Rockefeller. Thus, Henry Luce, who recently died, was financed to set up a number of national magazines, among

them *Life*, *Time*, *Fortune*, and others, which publish "*USS.R. in America*". The Rockefellers also directly or indirectly financed the Cowles Brothers' "*Look*" magazine and a chain of newspapers. They also financed a man named Sam Newhouse to buy up and build a chain of newspapers all over the country. And the late Eugene Myer, one of the founders of CFR, bought the *Washington Post*, *Newsweek*, the *Weekly Magazine*, and other publications.

At the same time, the CFR began to develop and nurture a new breed of scurrilous columnists and editorials writers such as Walter Lippman, Drew Pearson, the Alsops, Herbert Matthews, Erwin Canham, and others of that ilk who called themselves Liberals who proclaimed that Americanism is isolationism, that isolationism is war mongerism, that anti-communism, is anti-Semitism and racism.

All that took time of course, but today, our entire press, except for some local small town papers and weeklies, published by patriotic organizations, is completely controlled by CFR stooges and thus they finally succeeded in breaking us up into a nation of quarreling, wrangling, squabbling, hating factions. Now if you still wonder about this slanted news and outright lies you read in your paper, you now have the answer. To the Lehmans, Goldman-Sachs, Kuhn-Loebs, and the Warburgs, the CFR assigned the job of getting control of the motion picture industry (Hollywood), radio, and television, and believe you me, they succeeded.

If you still wonder about the strange propaganda broadcast by the Ed Morrows, Jeff Huntley, Howard K. Smith, Erick Severide, Drew Pearson and others of that ilk, you now have the answer. If you wonder about all the smut, sex, pornography, and mixed marriage films you see in your movie theater and on your TV set, all of which is demoralizing our youth, you have the answer.

The whole story of the CFR conspiracy take-over of our mass communications media is far to long to included in this recording but you can find it in the news bulletin #125 entitled "*How to Get the 'Reds' Out of Communications Media*". It was published and brought up to date by the Cinema Educational Guild. It tells in detail how the press, movies, the TV and Radio have been, and still are, used to brainwash the people and demoralize our youth and they have been and still are encouraging and creating sympathy for the rioting Negroes civil rights lawlessness. You can get a copy of this news bulletin by writing to the Cinema Educational Guild, PO Box 46205, Hollywood California.

Now to refresh your memory, let's go back for a moment. Wilson's flop had torpedoed all chances of transforming that League of Nations into the conspirators' hoped-for one-world government housing. So the Jacob Schiff plot had to be done all over again, and they organized the CFR to do it. We also know how successfully the CFR did that job of brainwashing and destroying the unity of the American people.

But, as was the case with the Schiff plot, the climax and the creation of a new housing for their one world government required another world war. A war that would be even more horrible and more devastating than the first world war in order to get the people of the world to again clamor for peace and a means to end all wars. But the CFR realized that the aftermath of World War

II would have to be more carefully planned so that there would be no escape from the new one-world trap, another League of Nations, that would emerge from the new war; the trap we now know as the United Nations. And they hit upon a perfect strategy to ensure that no-one escaped. Here is how they did it.

In 1943, in the midst of the war, they prepared the framework for the United Nations and it was handed over to Roosevelt and our State Department to be given birth by Alger Hiss, Pasvolsky, Dalton Trumbull, and other American traitors, thus making the whole scheme a United States baby. Then to fix our parenthood, New York City was to become the nursery for the monstrosity. After that we could hardly walk out on our own baby now could we? Anyway, that's how the conspirators figured it would work, and so far it has. And the liberal Rockefeller donated the land for the United Nations building.

The United Nations' charter was written by Alger Hiss, Pasvolsky, Dalton Trumbull, and other CFR stooges. A phony, so-called, UN conference was set up in San Francisco in 1945. All the, so-called, representatives of 50-odd nations gathered there and promptly signed the Charter and the despicable traitor, Alger Hiss, flew to Washington with it, elatedly submitted it to our Senate, and the Senate (elected by our people to safeguard our security) signed the Charter without so much as reading it. The question is, how many of our Senators were even then traitorous stooges of the CFR? Anyway, it was thus that the people accepted the United Nations as a holy of holies, and enabled traitor Earl Warren to virtually destroy our constitution by basing all his traitorous decisions on the UN Charter, thus making that Charter virtually our law of the land.

However, for all the dirty work that had to be done to solidify the UN, the new housing of the one-world plot, they still required the aid of our leaders in Washington. So now I will emphasize the fiendish cleverness of the CFR masterminds. To the vast majority of the American people, our foreign policy for many years has been a complete enigma. Most of us simply can't understand why this great nation is seemingly floundering so helplessly in the art of diplomacy. We can't understand why our leaders are seemingly so confused and bewildered in all their dealings with Moscow, France, and other nations and with the UN. We always hear them proclaiming that in view of our overwhelming economic and military superiority we must always lead from strength. Yet, at all the summit meetings and conferences they cringe and stammer, and stutter, and so to speak come out with their tails between their hind legs. We can't understand the foreign aid to Tito an avowed enemy, to Poland an avowed enemy, to all the avowed Communist nations. We can't understand why the expenditure of hundreds of billions of dollars has failed to slow down, let alone stop, the march of commUNism. We are perplexed by the seeming ineptness of the state department, the defense department, the CIA, the USIA, of all our federal agencies.

Again and again and again we have been startled, shocked, bewildered, and horrified by their mistakes in Berlin, in Korea, in Laos, in Katanga, in Cuba, in Vietnam— mistakes that always favored the enemy, never the United States. Under the law of averages, they should have made at least one or two mistakes in our favor, but they never did.

What's the answer? The answer is the CFR and the parts played by their subsidiaries and stooges in Washington. Thus we know that complete control of our foreign relation policy is the key to the success of the entire Illuminati one-world order plot. Here is the further proof:

Earlier I fully established that Schiff and his gang had financed the Lenin-Trotsky-Stalin takeover of Russia and fashioned its communist regime into becoming their chief instrument to keep the world in turmoil and to finally terrorize all of us into seeking peace in a UN one-world government. But the conspirators knew that the Moscow gang could not become such an instrument until, and unless, the whole world would accept the communist regime as the legitimate 'de jure' government of Russia.

Only one thing could accomplish that— recognition by the United States. The conspirators figured that the whole world would follow our lead and that's and that's when the Wilson flop very nearly wrecked the entire plot. Throughout the following three Republican administrations the CFR pulled every trick in their bag to induce Harding, Coolidge, and Hoover, to grant that recognition. But all three refused. As a result, in the late 1920's, the Stalin regime was in dire straits. Despite all purges and secret police controls, the Russian people were growing more and more resistive. It is a matter of record, admitted by Lipdenoff, that during 1931 and 1932, Stalin and his whole gang were always packed and ready for instant flight.

Then in November 1932, the conspirators achieved their greatest coup. They landed Franklin Roosevelt in the White House, crafty, unscrupulous, and utterly without conscience, that charlatan traitor turned the trick for them. Without even asking consent of Congress, he unlawfully proclaimed recognition for the Stalin regime. That did it. And exactly as the conspirators figured, the whole world did follow our lead. Automatically that squelched the previously growing resistance movement of the Russian people. That automatically launched the greatest menace the civilized world has ever known. The rest is too well known to need repeating.

We know how Roosevelt and his traitorous State Department kept building up the communist menace right here in our country and thus throughout the world. We know how he perpetuated that Pearl Harbor atrocity for his excuse to hurl us into World War II. We know all about his secret meetings with Stalin at Yalta. And how he, with Eisenhower's help, delivered the Balkans and Berlin to Moscow. And last, but by no means least, we know that that 20th century 'Benedict Arnold' not only dragged us into that new corridor, the United Nations, into the one-world government, but he actually schemed all the arrangements to plant it within our country. In short, the day that Roosevelt entered the White House, the CFR conspirators regained full control of our foreign relations machinery and firmly established the United Nations as the housing for the Illuminati one-world government.

I wish to stress one other very vital point. That Wilson's League of Nations flop brought Schiff and his gang to the realization that control of *just* the Democratic Party was not enough. True, they could create a crisis during the Republican administration as they did in 1929 with their Federal Reserve manufactured crash and depression which would bring another Democrat stooge

back into the White House, but they realized that a four-year disruption in their control of our foreign relation policies could play havoc with the progress of their conspiracy. It could even break up their entire strategy as it almost did before Roosevelt saved it with his recognition of the Stalin regime.

Thereupon, after that Wilson debacle, they began to formulate plans to achieve control of *both* of our national parties. But that posed a problem for them. Manpower. Stooges in the Republican Party. Also added manpower for the Democratic Party, because control of just the man in the White House would not be enough. They would have to provide that man with trained stooges for his entire cabinet, men to head the State Department, the Treasury Department, the Pentagon, the CFR, the USIA, etc.

In short, every member of the various cabinets would have to be a chosen tool of the CFR, such as Rusk and McNamara, also all the under secretaries and assistant secretaries. That would give the conspirators absolute control of all our policies, both domestic and most important, foreign. That course of action would require a reserve pool of trained stooges, instantaneously ready for administrative changes and for all other exigencies.

All such stooges would of necessity have to be men of national reputation, high in the esteem of the people, but they would have to be men without honor, without scruple, without conscience— men who would be vulnerable to blackmail. It is needless for me to stress how well the CFR succeeded. The immortal Joe McCarthy fully revealed that there are thousands of such security risks in all federal agencies.

Scott MacLeod unmasked thousands more, and you know the price Ortepta has had to pay, and is still paying, for his expositions before a Senate Committee of the traitors in the State Department. And you know that the men in the State Department, who delivered Cuba to Castro, have not only been shielded, but promoted.

## **[Part 6]**

Now let's go back to the crux of the whole one-world government plot and the maneuvering necessary to create another League of Nations to house such a government.

As I have already stated, the conspirators knew that only another world war was vital for the success of their plot. It would have to be such a horrifying world war that the peoples of the world would cry out for the creation of some kind of a world organization that could assure everlasting peace. But how could such a war be brought about? All the European nations were at peace. None had any quarrels with their neighboring nations, and certainly their stooges in Moscow wouldn't dare to start a war. Even Stalin realized that it would mean the overthrow of his regime unless, so-called patriotism would weld the Russian people behind him.

But the conspirators had to have a war. They had to find or create some kind of an incident to launch it. And they found it, in a little inconspicuous and

repulsive little man who called himself Adolf Hitler.

Hitler, an impecunious Austrian house painter, had been a corporal in the German army. He made the defeat of Germany into a personal grievance. He began to rabble rouse about it in the Munich, Germany area. He began to spout about restoring the greatness of the German Empire and the might of the German soldiery. He advocated the restoration of the old German military to be used to conquer the whole world. Strangely enough, Hitler, the little clown that he was, could deliver a rabble rousing speech and he did have a certain kind of magnetism. But the new authorities in Germany didn't want anymore wars and they promptly threw the obnoxious Austrian house painter into a prison cell.

Aha! Here was the man, decided the conspirators, who, properly directed and financed, could be the key to another world war. So while he was in prison, they had Rudolph Hess and Goering write a book which they titled *Mein Kampf* and attributed the authorship to Hitler, exactly as Lipdenoff wrote *Mission to Moscow* and attributed the authorship to Joseph Davies, then our ambassador to Russia and a stooge of the CFR. In *Mein Kampf*, Hitler, the pseudo-author, outlined his grievances and how he would restore the German people to their former greatness.

The conspirators then arranged for a wide circulation of the book among the German people in order to arouse a fanatical following for him. On his release from prison (also arranged by the conspirators), they began to groom him and finance him to travel to other parts of Germany to deliver his rabble rousing speeches. Soon he gathered a growing following among other veterans of the war and that soon spread to the masses who began to see in him a saviour for their beloved Germany.

Then came his leadership of what he called his '*brown shirt army*' and the march on Berlin. That required a great deal of financing, but the Rothschilds, the Warburgs, and others of the conspirators provided all the money he needed. Gradually Hitler became the idol of the German people and then they overthrew the Von Hindenburg government and Hitler became the new Fuhrer. But that still was no reason for a war.

The rest of the world watched Hitler's rise, but saw no reason to interfere in what was distinctly a domestic condition within Germany. Certainly none of the other Nations felt it was a reason for another war against Germany and the German people were not yet incited into enough of a frenzy to commit any acts against any neighboring nation, not even against France, that would lead to a war. The conspirators realized they would have to create such a frenzy—a frenzy that would cause the German people to throw caution to the winds and at the same time, horrify the whole world. And incidentally, *Mein Kampf* was actually a follow-up of Karl Marx's book *A World Without Jews*.

The conspirators suddenly remembered how the Schiff-Rothschild gang had engineered the pogroms in Russia which slaughtered many, many thousands of Jews and created a world-wide hatred for Russia and they decided to use that same unconscionable trick to inflame the new Hitler-led German people into a murderous hatred of the Jews.

Now it is true that the German people never had any particular affection for the Jews, but neither did they have an ingrained hatred for them. Such a hatred would have to be manufactured, so Hitler was to create it. This idea more than appealed to Hitler. He saw in it the grisly gimmick to make him the God-man of the German people.

Thus craftily inspired and coached by his financial advisers, the Warburgs, Rothschilds, and all the Illuminati masterminds, he blamed the Jews for the hated Versailles Treaty and for the financial ruination that followed the war. The rest is history. We know all about the Hitler concentration camps and the incineration of hundreds of thousands of Jews. Not the 6,000,000 nor even the 600,000 claimed by the conspirators, but it was enough.

And here let me reiterate how little the internationalist bankers, the Rothschilds, Schiff's, Lehman's, Warburgs, Barouks, care about their racial brethren who were the victims of their nefarious schemes. In their eyes, the slaughter of the several hundred thousand innocent Jews by Hitler didn't bother them at all. They considered it a necessary sacrifice to further their Illuminati one-world plot just as the slaughter of the many millions in the wars that followed, was a similar necessary sacrifice. And here is another grisly detail about those concentration camps. Many of the Hitler soldier executioners in those camps had previously been sent to Russia to acquire their arts of torture and brutalization, so as to emphasize the horrors of the atrocities.

All this created a new world-wide hatred for the German people, but it still did not provide a cause for a war. Thereupon Hitler was incited to demand the Sudetenland. You remember how Chamberlain, and the then diplomats of Czechoslovakia and France, surrendered to that demand. That led to further Hitlerian demands for territories in Poland and in the French Saar territories. Those demands were rejected.

Then came his pact with Stalin. Hitler had been screaming hatred against communism. Oh how he ranted against communism! But actually nazism was nothing but socialism, and communism is, in fact, socialism. But Hitler disregarded all that. He entered into a pact with Stalin to attack and divide Poland between them. While Stalin marched into one part of Poland (for which he was never blamed— the Illuminati masterminds saw to that), Hitler launched a blitzkrieg on Poland from his side. The conspirators finally had their new world war. And what a horrible war it was!

And in 1945, the conspirators finally achieved the United Nations, their new housing for their one-world government. And truly amazing, all of the American people hailed this foul outfit as a holy of holies. Even after all the true facts about how the UN was created were revealed, the American people continued to worship that evil outfit. Even after Alger Hiss was unmasked as a Soviet spy and traitor, the American people continued to believe in the UN.

Even after I had publicly revealed the secret agreement between Hiss and Molotov, that a Russian would *always* be the head of military secretariat and by that token, the real master of the UN, most of the American people

continued to believe that the UN could do no wrong. Even after Trig D. Lee, the first Secretary general of the UN confirmed that Hiss-Molotov secret agreement in his book *"For the Cause of Peace"*, the vast majority of our people refused to loose faith in the UN.

Even after the truth about the Korean war was revealed, how the Russian General Varsilius, head of that UN military secretariat was given a leave of absence by the UN so that he could take command of the North Koreans and Red Chinese who were fighting the so-called UN police action under our own General McArthur, who, by order of the UN, was fired by the pusillanimous Truman in order to prevent his winning that war, our people still believed in the UN despite our 150,000 sons who were murdered and maimed in that war, the people continued to regard the UN as a sure means for peace.

Even after it was revealed in 1951 that the UN, using our own American soldiers under UN command, under UN flag, in collusion with our traitorous State Department and the Pentagon had been invading many small cities in California and Texas in order to perfect their plan for the complete takeover of our country, most of our people brushed it off and continued their belief that the UN is a holy of holies.

Do you know that the UN Charter was written by traitor Alger Hiss, Molotov, and Vyshinsky? That Hiss and Molotov had made that secret agreement that the military chief of the UN was always to be a Russian appointed by Moscow? Do you know that at their secret meetings at Yalta, Roosevelt and Stalin, at the behest of the Illuminati operating as the CFR, decided that the UN must be placed on American soil?

Do you know that most of the UN Charter was copied intact, word for word, from the Marx Manifesto and the Russian, so-called constitution? Do you know that the only two Senators who voted against the UN so-called treaty, were the only two Senators who had read it? Do you know that since the UN was founded, communist enslavement has grown from 250,000,000 to 1,000,000,000?

Do you know that since the UN was founded to insure peace, there have been at least 20 major wars incited by the UN, just as they are now inciting a war against Middle Rhodesia? Do you know that under the UN set up, the American taxpayers have been forced to make up the UN Treasury deficit of many millions of dollars because of Russia's refusal to pay her share? Do you know that the UN has never passed a resolution condemning Russia or her so-called satellites, but always condemns our Allies?

Do you know that J. Edgar Hoover said the overwhelming majority of the communist delegations to the UN are espionage agents and now 66 Senators voted for a Consular Treaty to open our entire country to Russian spies and saboteurs? Do you know that the UN helps Russia's conquest of the world by preventing the free world from taking any action whatsoever except to debate each new aggression in the UN General Assembly?

Do you know that at the time of the Korean War there were 60 Nations in the UN, yet 95% of the UN forces were our American sons and practically 100% of the cost was paid by the United States taxpayers?

And surely you know that the UN policy during the Korean and Vietnam Wars was to prevent us from winning that wars? Do you know that all the battle plans of General McArthur had to go first to the UN to be relayed to Varsilius, Commander of the North Koreans and Red Chinese, and that any future wars fought by our sons under the UN flag would have to be fought under the control of the UN Security Council?

Do you know that the UN has never done anything about the 80,000 Russian Mongolian troops that occupy Hungary?

Where was the UN when the Hungarian freedom fighters were slaughtered by the Russians? Do you know that the UN and its peace army turned the Congo over to the communists? Do you know that the UN's own so-called peace force was used to crush, rape, and kill the white anti-communists in Katanga?

Do you know that the UN stood by and did nothing while Red China invaded Laos and Vietnam? That it did nothing while Nehru invaded Goe and other Portuguese territories? Do you know that the UN was directly responsible for aiding Castro? That it does absolutely nothing about the many thousands of Cuban youngsters who are shipped to Russia for communist indoctrination.

Do you know that Adlai Stevenson, of all people, said the free world must expect to lose more and more decisions in the UN. Do you know that the UN openly proclaims that its chief objective is a one-world government which means one-world laws, one-world court, one-world army, one-world navy, one-world air-force, one-world schools, and a one-world church in which Christianity would be prohibited?

Do you know that a UN law has been passed to disarm all American citizens and to transfer all our armed forces to the UN? Such a law was secretly signed by 'saint' Jack Kennedy in 1961. Do you realize how that fits in with Article 47, paragraph 3, of the UN Charter, which states, I quote: "*the military staff committee of the UN shall be responsible through the Security Council for the strategic direction of all armed forces placed at the disposal of the Security Council.*" And when and if all our armed forces are transferred to the UN, your sons would be forced to serve and die under UN command all over the world. This will happen unless you fight to get the US out of the UN.

Do you know that Congressman James B. Utt has submitted a bill to get the US out of the UN and a resolution to prevent our President from forcing us to support the UN embargoes on Rhodesia? Well, he has. And many people all over the country are writing to their representatives to support the Utt bill and resolution. And did you know that to off-set the Utt bill and resolution, fifty Congressmen, spear-headed by Schweiker and Moorhead of Pennsylvania, have introduced a bill to immediately transfer all our armed forces to the UN? Can you imagine such brazen treason? Is your Congressman one of those fifty traitors? Find out and take immediate action against him and help Congressman Utt.

Now do you know that the National Council of Churches passed a resolution in San Francisco which states that the United States will soon have to subordinate its will to that of the UN and that all American citizens must be

prepared to accept it? Is your church a member of the National Council of Churches? In connection with that, bear in mind that God is never mentioned in the UN Charter and their meetings are never opened with prayer. The creators of the UN stipulated in advance that there should be no mention of God or Jesus Christ in the UN Charter or in its UN headquarters. Does your pastor subscribe to that? Find out!

Furthermore, do you know that the great majority of the so-called nations in the UN are anti-christianity, that the UN is a completely godless organization by orders of its creators, the CFR Illuminati. Have you heard enough of the truth the Illuminati's United Nations? Do you want to leave your sons and our precious country to the unholy mercy of the Illuminati's United Nations?

If you don't, write, telegraph, or phone your Representatives and Senators that they must support Congressman Utt's bill to get the US out of the UN and the UN out of the US. Do it today, now, before you forget! It is the only salvation for your sons and for our country.

#### **[4. Destroy religion.]**

Now I have one more vital message to deliver. As I told you, one of the four specific assignments Rothschild gave Jacob Schiff was to create a movement to destroy religion in the United States with Christianity to be the chief target. For a very obvious reason, the Anti-Defamation League wouldn't dare to attempt it because such an attempt could create the most terrible blood bath in the history of the world, not only for the ADL and the conspirators, but for the millions of innocent Jews.

Schiff turned that job over to Rockefeller for another specific reason. The destruction of Christianity could be accomplished only by those who are entrusted to preserve it. By the pastors— the men of the cloth.

As a starter, John D. Rockefeller picked up a young, so-called, Christian minister by the name of Dr. Harry F. Ward— Reverend Ward if you please. At that time he was teaching religion at the Union Theological Seminary. Rockefeller found a very willing 'Judas' in this Reverend and thereupon in 1907, he financed him to set up the *Methodist Foundation of Social Service* and Ward's job was to teach bright young men to become, so-called ministers of Christ and to place them as pastors of churches.

While teaching them to become ministers, the Reverend Ward also taught them how to subtly and craftily preach to their congregations that the entire story of Christ was a myth to cast doubts on the divinity of Christ, to cast doubts about the virgin Mary— in short, to cast doubts on Christianity as a whole. It was not to be a direct attack, but much of it to be done by crafty insinuation that was to be applied, in particular, to the youth in the Sunday schools.

Remember Lenin's statement, "*Give me just one generation of youth and I'll transform the whole world.*" Then in 1908, the Methodist Foundation of Social Service, which incidentally was America's first communist front organization,

changed its name to *the Federal Council of Churches*. By 1950, the Federal Council of Churches was becoming very suspect so in 1950 they changed the name to the *National Council of Churches*.

Do I have to tell you more about how this National Council of Churches is deliberately destroying faith in Christianity? I don't think so. But this I will tell you. If you are a member of any congregation whose pastor and church are members of this Judas organization, you— your contributions— are helping the Illuminati's plot to destroy Christianity and your faith in God and Jesus Christ thus you are deliberately delivering your children to be indoctrinated with disbelief in God and Church and which can easily transform them into atheists.

Find out immediately if your Church is a member of the National Council of Churches and, for the love of God and your children, if it is, withdraw from it at once. However, let me warn you that the same destroy-religion process has been infiltrated into other denominations. If you have seen the Negro march on Selma and other such demonstrations, you have seen how the Negro mobs are led and encouraged by ministers, and even Catholic priests and nuns, who march along with them. As a matter of fact, the Mormon Church is about the only one I know of that is clean of that kind of Judas infiltration. (Editor's note: Probably not today in 2020!)

Of course there are many individual churches and pastors who are honest and sincere. Find one such for yourself and for your children. Incidentally, this same Reverend Harry F. Ward was also one of the founders of the American Civil Liberties Union, a notorious pro-communist organization. He was the actual head of it from 1920 to 1940. He also was a co-founder of the American League Against War and Fascism which, under Browder, became the Communist Party of the United States.

In short, Ward's entire background reeked of communism and he was identified as a member of the communist party. He died a vicious traitor to both his church and country. And this was the man old John D. Rockefeller picked and financed to destroy America's Christian religion in accordance with the orders given to Schiff by the Rothschilds.

In conclusion I have this to say: You probably are familiar with the story of how one Dr. Frankenstein created a monster to do his will of destroying his chosen victims but how instead in the end, that monster turned on his own creator, Frankenstein, and destroyed him. Well, the Illuminati CFR has created a monster called the United Nations, who is supported by their minority groups, rioting negroes, the traitorous mass communications media, and the traitors in Washington was created to destroy the American people.

We know all about that many-headed hydra-monster and we know the names of those who created that monster. We know all their names and I predict that one fine day the American people will come fully awake and cause that very monster to destroy its creator. True! The majority of our people are still being brainwashed, deceived, and deluded by our traitorous press, TV, and radio, and by our traitors in Washington, but surely by now enough is known about the UN to stamp out that outfit as a deadly poisonous rattlesnake in

our midst.

My only wonder, is what it will take to awaken and arouse our people to the full proof? Perhaps this record will do it. A hundred thousand or a million copies of this record can do it. I pray to God it will. And I pray to Him to inspire you, all of you, to spread this story via this record, to all loyal Americans in your community.

You can do it by playing it to study groups assembled in your homes, at meetings of the American Legion, the VFW, the DAR, all other civic groups and women's clubs— especially the women's clubs who have their sons lives at stake. With this record, I have provided you with the weapon that will destroy the monster. For the love of God, of our Country, and of your children, use it! Get a copy of it into every American home.

## [The Ultimate Purpose of the Lockdowns: The Creation of a New Economic System Run by the Global Elite](#)

*“Catherine Austin Fitts (born 1950) is an American investment banker and former public official who served as managing director of Dillon, Read & Co. and as United States Assistant Secretary of Housing and Urban Development for Housing during the Presidency of George H.W. Bush. She has widely written and commented on the subject of public spending and has alleged several large-scale instances of government fraud.” (Source: [https://en.wikipedia.org/wiki/Catherine\\_Austin\\_Fitts](https://en.wikipedia.org/wiki/Catherine_Austin_Fitts) )*

This video is an interview with Catherine Austin Fitts. I transcribed the first half of the 48 minutes interview and a gentleman in the Netherlands transcribed the second half. You can read the text quickly to grasp the importance and insightfulness of what Ms. Fitts is saying. I myself prefer reading text because I gain information faster that way than I would by

listening to someone on video.

## Planet Lockdown

My name is Catherine Austin Fitts. I'm the publisher of the [Solari Report](#) and managing director of Solari Investment Advisory Services.

**Interviewer:** And what do you think is happening economically as a result of all this?

**Catherine Austin Fitts:** So what is happening, I just published a huge study called "[The State of our Currencies](#)", and what I describe is the fact that for many decades the dollar has been the reserve currency. And the system is what I would describe as *long in the tooth* (meaning getting old, often too old for a particular activity or purpose). And the central bankers are trying to bring in a new system but it's not ready to go yet. And we're in a period of great change and uncertainty where the central bankers are trying to keep the dollar system going and accelerate. So they're trying to lengthen the dollar system and then they're trying to accelerate bringing in the new system. And they have to bring in the new system without anybody quite realizing exactly what it is.

So we've had a global reserve currency system, the dollar, and it needs to evolve and change. And it's long in the tooth. There's lots of unhappiness with the system and the central bankers are trying to bring a new system. And to do it they're trying to extend the old and accelerate the new. And it makes it a very chaotic thing since much of the new was being tested and tried and prototyped. And it involves many different industries.

So I describe the new system as the **end of currencies**. We're not bringing in a new currency, we're essentially bringing in a new *transaction system* that will be **all digital** and essentially end currencies as we know them. So what they're trying to do is **involves essentially all the money on the planet**. So it's big, it's complicated, it's messy, and the challenge they have is how do you market a system that if people understood it nobody would want? And of course, the way you do that is **with a health care crisis**.

**Interviewer:** And why is the health care crisis good for that?

**Catherine Austin Fitts:** Because generally if a few people want to control the many, the question is how can you herd all the sheep into the slaughterhouse without them realizing it and resisting? So **the perfect thing is invisible enemies**.

We had the war on terrorism, you know, with invisible terrorists. And then now **a virus is perfect because it's invisible. You can't prove that it doesn't exist because it's invisible**. So invisible enemies are always the preferred ones **particularly if they scare people. If you can use fear and introduce significant fear, then people will need the government to protect them from the invisible enemy**.

Then the second tactic which is very effective is divide and conquer. And so

in the meantime, if you can use the media, the media plays a very important role. If you can turn men and women against each other, and Black and White against each other. And one of the reasons you import a lot of immigrants into Europe is turn the general population against the immigrants. And then you need the government to be in the middle. So these are all whether it's divide and tactic, or invisible enemies, these are all ways to institute fear and get people to go along with things.

And of course, the invisible virus allows you to do enormous control mechanisms. You can stop people from gathering, you can stop people from organizing, you can stop people from getting together and talking about what's going on, et cetera et cetera. And if you digitize it with contract tracing, then you can control who's talking to whom. If you can get them to do all their work and education online, you can literally listen to everything they're saying. So **you can institute extraordinary amounts of surveillance all in the theory that we're protecting you from the invisible virus.**

It's very clever. And as you can see it's working with many people, not everybody but many people, to me a lot. And I don't want to us underestimate the ability of the leadership to introduce pathogens that will kill people. And I don't want to suggest that people aren't getting sick, but essentially what you're trying to do is **you're trying to get people to buy into a solution before they see where it's ultimately going to go.** Because you're talking about a transaction system that is no longer a currency, it's a control system.

It's like the credit at the company store. If every central bank comes out with a digital central bank currency, they have the ability to turn your money on and off. So if you don't behave, that's it. And of course, as we know they want to combine this with transhumanism which means literally I take injections that can institute the equivalent of an operating system in my body. And so I'm hooked up to the financial system literally, physically.

**Interviewer:** What is the actual effect of the lockdown measures?

**Catherine Austin Fitts:** So what you're doing is you're trying to ... I used to call the Patriot Act the concentration in control of cash flow act. And this is a very similar process. You're trying to dramatically centralize economic and political control.

Let me give you an example. We have 100 small businesses on main street in a community. You declare them non-essential, shut them down. Suddenly Amazon and Walmart and the big box stores can come in and take away all the market share. In the meantime, the people on main street have to keep paying off their credit cards or their mortgage. So they're in a debt entrapment and they're desperate to get cash flow to cover basically their debts and their day-to-day expenses. In the meantime, you have the Federal Reserve institute a form of quantitative easing where they're buying corporate bonds and the and the guys who are taking up the market share can basically finance at zero to one percent, or their bank scan at zero to one percent when everybody in main street is paying 16 to 70 percent of their credit cards without income.

So basically now you've got them over a barrel and you can take away their market share. And generally, they can't afford to do what they say because they're too busy trying to find money to feed their kids.

In the 2016 election cycle, we saw the general population support candidates who represented populism in a variety of different ways. Bernie Sanders was a populist relative to the other candidates. Donald Trump was a populist relative to the other candidates. And literally, what the sort of global capital class realized was they had a problem that could be solved by destroying the independent income of small business and sole practitioners and people who had independent forms of income. If you're a doctor, if you're a lawyer, if you're a CPA, and you have your own practice, you are generally gonna support the populist candidates. And so the way to shut the populist candidates down and just shut off their income and support which is you put main street out of business. And then there's nobody to finance a Bernie Sanders or Donald Trump. There's nobody to support him.

**Interviewer:** So do those the lockdown measures appear to be more of an economic thing than a virus mitigation plan?

**Catherine Austin Fitts:** So this is an economic war and you've basically had sort of the top one percent. Since April we've seen global billionaires increase their net worth by 27%. Now what that says is this has been a very successful global economic work because what you're having is this sort of global capitalist class, and I shouldn't call it capitalism because it's not. It's much more totalitarianism. It's economic totalitarianism. What you've seen is they've been able to consolidate fantastic amounts of economic wealth not just by deleting the income of the middle class and consolidating it into their companies, but by significantly improving the wealth and power of the largest G7 developed countries and China vis-a-vis the emerging markets. So the countries with the most advanced technology and the access to AI and software, and to the sort of digital systems including through space, are dramatically consolidating economic power vis-a-vis the weaker nations. So we're seeing a consolidation of economic power centralization both into the wealthier and the more powerful nations, the basically top one percent who control them.

So I would describe what Covid-19 is, it's the institution of controls necessary to convert the planet from democratic process to technocracy. What we're watching is a change in control and an engineering of new control systems. Think of this as a coup d'etat. It's much more like a coup d'etat than a virus.

For 20 some years in the United States we've had a financial coup d'etat. And we knew in at the end of 1995, a decision was made to move much of the assets and money out of the country. That was part of sort of bubbling the global economy of globalization. And they knew that once they'd finished moving all those assets, that they would have to consolidate and change the fundamental system. So after the financial coup, you've stolen all the money in the pension funds, you've stolen all the money in the government. And now rather than turn and tell people, well, we stole your money, you need an excuse that will allow you to consolidate and change the fundamental system. And so you

have a Magic Virus. And the Magic Virus is we have to fundamentally change the system. And thanks to the Magic Virus, there's no money in Social Security. Thanks to the Magic Virus, there's no money in the treasury. And you have your perfect magic excuse.

**Interviewer:** Everything can be blamed on the Magic Virus.

**Catherine Austin Fitts:** Yeah, the Magic Virus. It's amazing because every implication of the financial coup has been magically solved by the Magic Virus! It's crazy!

If you're a financial person and you look at the world through the mathematics of time and money, it's quite amazing that anybody believes it, but they do. It's part of joining the what CJ Hopkins calls the convenient cult. You join the cult and you say oh yeah yeah yeah well the Magic Virus took all the money from Social Security, the Magic Virus caused our pension funds to not be sufficient blah blah blah blah blah.

**Interviewer:** So what do you think the technocracy that we're being towards is gonna look like?

**Catherine Austin Fitts:** The technocracy that they're pushing towards us is what is called transhumanism. So essentially what you do is you use injections to inject materials into the body that create the equivalent of an operating system. Everybody knows the idea of Microsoft causing you to download an operating system in your computer. That gives Microsoft and a variety of other players a back door into your computer. (Webmaster: That's why I prefer to use GNU/Linux!) And every month or two or three you've got to update it because there are viruses, right? It's back to the Magic Virus that can solve all problems. And so this is a similar system for your body. You inject materials into your body that essentially create the equivalent of an operating system and a receiver, and you can literally hook everybody up to the Cloud. And that includes hooking them up in a way that their transaction system, you know, the Bible calls it the Mark of the Beast – is one way people know this stuff – but you're basically talking about being able to digitally identify and track people in connection with their financial transactions. So it's a world of zero privacy.

But more importantly what's important to understand is if you then institute one or more central bank cryptos, you're now talking about a system where every central bank in the world can shut you off individually from transacting if they don't like the way you're behaving.

So many people are familiar with the social credit system in China, it's very similar. If you install the smart grid in their car, their community, and now in literally in their body, you've got 24/7 surveillance. And if people don't do what you say and behave the way you want, they can and will shut off your money.

And they'll also have spatial control. If they say you can't travel more than five miles, that's it, because you're in a complete digital control system, and it's controlled by the central bankers through the money. We're

digitizing everything but it includes the human body as well and the human mind. So this system comes with complete control, not only of your ability to transact financially which is hooked up to your body but very sophisticated mind control technology through the media and those cloud connections. So basically you're talking about hooking up into the "borg" (contraction for cybernetic organism) if you will. And so transhumanism and technocracy go hand in hand.

Now I would describe this as a slavery system. We're talking about shifting out of freedom where we have freedom to roam and freedom to say what we want into a complete control system 24/7 including mind control. Now the challenge before us is, if the sort of the committee that runs the world, my nickname being Mr. Global, if Mr. Global wants to go to a slavery system, and we want to remain a human civilization, then we have a fundamental disagreement. And that is the disagreement before us.

**Interviewer:** And we get to the diagrams here.

**Catherine Austin Fitts:** Okay, so if you look at what's going on, we have the tech people building the clouds and the telecommunications, we have the military doing space and operation warp speed. So they're putting up the satellites, okay, then we have big pharma which is making the injections that are full of these mystery ingredients and change and modify your DNA, and for all we know to make you infertile. And then we have the media pouring out the propaganda. And then we have the central bankers engineering the crypto, the central bank cryptosystems. So you have these different pillars and it's very important when you look at what's going on day to day, particularly in the media. They're trying to keep them separate so that you can't see how they're going to come together in an integrated system which is basically integrated into your body and your mind.

**Interviewer:** For what purpose?

**Catherine Austin Fitts:** To institute the slavery system. So in other words, if I am going to do everything through a smart grid and I need to run the smart grid into your neighborhood, and then I need to run the smart grid into your body, the question is how am I going to build it out in your neighborhood and build it on your body without you seeing the trap, right? So that's why you try and keep these different lines separate.

So if you listen to the central bankers, they try as hard as they can to stay away from these conversations. So it was interesting, I was watching an IMF presentation on cross-border payments, and the Federal Reserve chairman, the head of the IMF mentioned the digital global ID system. And the Federal Reserve chairman almost blanched! You could energetically feel him moving like a galaxy away like, "no no no no"! Because they're 325 million Americans, and they're more than 325 million guns, and he doesn't want everybody to see this until the trap is thrown and it's too late.

**Interviewer:** We've been put in a trap this year?

**Catherine Austin Fitts:** Yes right, but the door hasn't shut. So that's why

the reason we're talking is because **transparency can blow the game.**

It's interesting because in the beginning of the year when I wrote the article *Injection Fraud* and said Bill Gates is trying to download an operating system in your body just the way you download it your mind, and use the virus as an excuse to have to update it to to make it work for his back door every day, three months later (James) Corbett did a great series on Gates, and several people came out and sort of reaffirmed this. And it was in the Fall Yahoo Finance did a poll and published a poll saying that 44 of Republicans thought Bill Gates wanted to chip them, and I said, "okay we're making progress!" (Laughs) So and that's exactly when Gates sort of disappeared. And they brought out operation warp speed because they needed, and interestingly enough, the person they chose to run operation warp speed was an expert on injectable brain-machine interface. He used to head research at GlaxoSmithKline (a British multinational pharmaceutical company) and he's a brain-machine interface expert.

**Interviewer:** A creepy resume for that job huh?

**Catherine Austin Fitts:** It's a perfect resume for that job.

Here's one of the most important developments that happened in 2019. In addition to the approval of the going direct plan by the central bankers in Jackson Hall was the issuance by the Department of Defence of the JEDI Cloud contract to Microsoft. So you had Amazon receive ... Amazon is essentially a CIA intelligence agency contractor. They started showing a random profit when they entered into major contracts with the CIA to provide the clouds not only for the CIA but all 17 U.S Intelligence agencies through that umbrella cloud contract. So you now have Amazon running the intelligence agencies contract this year. Latos did a big contract or at the end of 2019 Latos did a big contract with the Navy and then DOD did the JEDI contract. (The Joint Enterprise Defense Infrastructure (JEDI) contract is a large United States Department of Defense cloud computing contract which has been reported as being worth \$10 billion.)

And so those three huge cloud contracts give you the ability once you get everybody hooked up into them to radically re-engineer how the cash flows work. So you can literally shut down all small businesses, or almost all small businesses, put everybody in a universal basic income which is basically a control system, and run it all through the military clouds.

**Interviewer:** So you can see the direction we're headed but it's a little uncertain as to why or?

**Catherine Austin Fitts:** No, it's simple. Technology gives you the ability to institute a complete control system and further centralize economic and political control. I'll give you a perfect example. The reason the African-American slave trade ended ... there were two reasons in my opinion. One is you couldn't perfect collateral. So the banks in London kept losing money because the plantation owners when the commodities market went down would sell their slaves west, and the banks couldn't go get their collateral. So they would

finance the purchase of a slave and say 50 loan to value ratio, and then when the commodities markets down they'd sell the slaves and say they ran away, and the banks would be hung, right? And the banks couldn't prove that you know, Harry was their slave because they had no way of perfecting collateral.

Okay, so that was number one. The second was the Haitians rebelled and the Europeans sent several armies in to try and quell the rebellion and never could. The Haitians were too good. Okay, now if you look at digital technology, you can perfect the collateral. And with space weaponry and the kind of weaponry you have from space and surveillance, you can put down any rebellion, right? So the reason that the slave trade was unbelievably profitable, the history of the world is slavery, is the most profitable business. It's more profitable than mining, it's more profitable than narcotics, I mean it's more profitable than all the addictions. So if you now have the technological capability of implementing slavery, their attitude I think is, "okay, let's do it", right? And part of it is technology also makes it much easier for a small group of people to get together and be very powerful. So for example, if they bring in breakthrough energy technology, the danger is a small group of crazy people can weaponize it. So technology is powerful. The more powerful technology you integrate, the more danger there is you lose control.

Now there are other theories as to why people would want complete control. I'll give you another reason. Given the difficulty of feeding and managing a population that's getting ever larger, if you now have biotechnology that allows Mr. Global to live for 150 years, you can't afford, you can't keep that secret, right? If the wealthier lives for 150 years and we're not, you can't keep that a secret. So why not downsize the population, integrate robots, use robotics for everything, and you can have a very wealthy and luxurious life without all the management headaches, right?

**Interviewer:** So the kind of breaking of society into different classes or into an Uber class in a vast peasantry mixed with robotics?

**Catherine Austin Fitts:** Yes, yeah, in other words, what I think's trying to happen here is Mr. Global is using technology to move to a system where between robotics AI and software a few people can control the many with far less headaches and fear. You have to remember Mr. Global is very very afraid of the general population.

**Interviewer:** Their fear.

**Catherine Austin Fitts:** Yeah, they're very afraid because if you've been keeping ... several times I'm told the leadership in the United States has gotten together to discuss how can we undo the secrecy. And each time they come to the conclusion it's impossible. You can't undo the secrecy because the liabilities are too enormous. So if you're the Swamp and you're guilty of all the different things the Swamp is guilty of, and you try and open the window on the secrecy you run tremendous risks, tremendous risks. So you're afraid of the general population and the history of governance is the general population occasionally does turn and kill the leadership. So the 325 million people in America, they're more guns. So my guess the reason Jay Powell was

backpedaling when the head of the IMF was talking about digital identities is he's sitting there knowing he's got 325 million people and more and a lot of them have guns, and they don't have a lockdown yet.

This is why the Second Amendment is such a fractious issue. Most people around the world don't understand why people in America are so rabid about owning guns, and the first reason they're rabid about earning guns is they don't understand the power of mind control. So if I can institute total mind control which is what the system is, guns aren't that dangerous to me. But the leadership to do what they want to do, it would be very very convenient if they could bring in the guns. And you'll see if the Democrats win this election that's the first thing they're gonna try and do. After making everybody wear face diapers they're gonna they're gonna try and bring in the guns. And this is why the Republicans holding the Senate has been such a big issue because they can't do it if the Republicans hold the Senate.

Interviewer: The election is such a mess, huh?

**Catherine Austin Fitts:** So here's the thing when I try and tell everybody, because I grew up in Philadelphia, and my first boyfriend's father was a ward leader who used to go out with a roll of cash and buy all the votes every election. So there's an old tradition in America of voting fraud, and what I tell everybody is neither one of these candidates would have been the candidate without the voting fraud, to begin with. So we're in a funny position. But **I've never seen the voting fraud as blatant.** And I think to a certain extent it's interesting they could not have stopped a Trump landslide without Coved-19. So one question I have is how much of the ... because I thought they would do this after the election, how much of the timing of the health care op is basically designed to make sure they don't get a populist president? Not that Trump isn't ... it's hard for me to think of Donald Trump as a populist because he's very much on board for the pro-centralization team, but he's as Michael Moore has said, he's the American people's way of saying F.U. to the leadership. So I think it was very important to them to get rid of Trump which they're trying to do. The problem is they've used massive voter fraud to do it, but they've used the fraud in a way that it's obvious that the fraud is off the charts, and it's almost as though they're turning to the population which they're trying to turn into a cult and saying you have to pretend this guy is the President even though you know he's not. (Laughs) So we have a fake virus and a Magic Virus and a fake president and a magic political system and it's really is getting very cult-like. It's the only thing I can say.

**Interviewer:** yeah it's almost like a switch is flicked this year and we're in a bizarro world, right?

**Catherine Austin Fitts:** We've been in a bizarre world from the minute they started to steal the money we moved into a bizarre world.

**(Note from the Webmaster:** The final 28 minutes of the interview was sent to me from a gentleman in the Netherlands, Mr. Richard Zonneveld. He graciously allowed me to add it to this article.)

**Catherine Austin Fitts:** And I think the only difference is now as they moved all the money and the official reality moved away from reality even further and further, that's part and parcel of the secrecy, many people thought they could stay on the middle of the road. And now what's clear is you have to go with a cult or you have to go with the truth. The middle of the road is going away. And so everybody has to choose which they want.

Let's go to the riots. Okay so when the riots began and the leadership took the position that you couldn't go to church because of the danger of the Magic Virus, but you could go to the riots and protest, (she laughs) my team and I started to look at the riots. And so first we made if you if you come into Solari there's a database called Covid-19, I think it's Covid-19 riots and Fed, so the first thing we did is we looked at the state, and we looked at the cities, and whether the governor was Democrat or Republican, and then what the Covid cases and deaths were. And then we said, okay, we're going to check a box called riots where riots have been. So we started to look at the patterns of the riots vis-a-vis the machine political machine control, and sort of the Covid Magic Virus op, and there was something wrong when I was looking at the data. I could feel, I'm a very intuitive person, I was saying there's something here. So I said to the wonderful teammate who was building this I said,

"Do me a favor. I want you to put a box called the Federal Reserve, and I want you to check the box. There are 12 banks, one headquarters, and then the branches for a total of 37 locations. I want you to check the box wherever in any city where we have a branch or a bank or the headquarters I want a check."

And what we discovered is 34 of the 37 bank locations have riots. And I said, "Well wait a minute. That's a pattern! (Laughs) There's something here. Let's drill down."

So we started with Minneapolis and we said let's take the data of all the buildings that were harmed or burnt or businesses, and we'll map it, we'll do a GIS software, and we'll map where these businesses were, and how close they were to the Federal Reserve bank. And so the first one we did there's a street going across Minneapolis called Lake, and we mapped them. And one of the things we did when we mapped them was, we drew pictures of where the opportunity zones were. Do you know what an opportunity zone is? An opportunity zone is a tax shelter mechanism created in 2018 to help the tech billionaires as they sold their stock avoid capital gains. So you can if you're Jeff Bezos who sold 10 billion dollars of stock this year, if you were to rollover your proceeds into opportunity zone investments and handle it in a certain way you could avoid all capital gains tax. So this is fantastically profitable. Now, if you look at the riots when I first saw how all the buildings and businesses destroyed along Lake street were right at the bottom of the opportunity, I started to laugh and I said – I was assistant secretary of housing – "That's not a riot pattern, that's a real estate acquisition plan."

**Interviewer:** So what are you saying it's to cheapen the prices in the city?

**Catherine Austin Fitts:** So I have a thriving series of small businesses a lot owned by African American and Hispanics along a particular boulevard in the opportunity zone. If first I declare the businesses are non-essential and shut them down, right? – Magic Virus – So first I declare them non-essential. Now they're in real trouble, right? – because they can't do their business. And then I have riots and burn and damage them. Right? If I was really clever I pulled their insurance right before I did it. I don't know what the case was but we'll see. So now their business is shut down, they're now hung on their debt, right? Whether their mortgage or their credit card, but even worse now their building has been damaged. And of course, insurance doesn't cover all the repairs and fixing, right? So needless to say, it's going to be a lot easier and cheaper for me to go in and buy up all those buildings, right? Voila! It's called disaster capitalism.

So we then mapped, we did Minneapolis, then we mapped Kenosha, then Portland, and now we're doing a place in Ohio. And the patterns we're seeing. If you look at the clusters of where the damage is, just speaking as assistant secretary of housing, those are, in my opinion, real estate acquisition plans, completely, especially when they come on top of declaring all those small businesses not essential and shutting them down. We're restricting them. I'm sure you got a lot of restaurants in there.

**(Interviewer: Yeah.)**

**Catherine Austin Fitts:** So for example if you look at San Francisco 49 percent of the businesses in San Francisco are expected to be out of business by the end of the year. Do you know how much real estate you're going to be able to pick up cheap on this? It's phenomenal! Now when you realize that if they sell their tech stocks high they can pick it up really cheap what's important to understand is this makes the economics of building the smart grid out in the Fed cities. Remember I said 34 of 37 cities have a Fed bank or branch. So this makes building out the smart grid around the Fed banks much cheaper which I'm assuming you want to do if you're going to come out with a crypto-system.

**Interviewer:** Okay.

**Catherine Austin Fitts:** Okay so Mr. Global is now coming to the point where..

**Interviewer:** And can you explain who's Mr. Global?

**Catherine Austin Fitts:** Yeah. So Mr. Global is my nickname for the committee that runs the world. The defining characteristic of life on planet earth is our real global governance system is a mystery. And think about it. It's phenomenal we live on a planet and we don't demand to know how our governance system really works, but instead, it's a secret. So I have a lot of high octane conjectures, Dr. (Joseph P.) Farrel would say, about who and what that is but for now we'll call it Mr. Global. So Mr. Global is now implementing robotics. That's one of the new technologies that's really starting to make an enormous difference.

**Interviewer:** Can you label that?

**Catherine Austin Fitts:** Okay, so here's our robot, and here's our human. And of course, the question for Mr. Global is which is more efficient doing what? In other words, if I'm supposed to manage the planet and all the natural resources and harvest it to my benefit and make sure my risk is reduced, how much do I want to use robots for and how much do I want to do humans for? Now the brilliance of hooking everybody into the cloud with a crypto-system is, with AI and software, I can have the humans teach the robots to the AI software how to do all their jobs. And in fact, I was at the Aspen Institute of 2017 and I was having a discussion with a venture capitalist, sort of billionaire type, and he looked at me with these amazingly dead eyes and he said, "Look honey, I can take every company completely automated with software and robotics and fire all the humans. We don't need them anymore." I've never talked to anybody who didn't understand the riot part. (**Interviewer:** uh-huh) Because that's a very typical old game, yeah, especially in poor neighborhoods.

**Interviewer:** Yeah right.

**Catherine Austin Fitts:** Do you want me to continue with this? So we have Mr. Global at the top, we have the database and software systems using artificial intelligence. A very important part of this now is the satellite system that's being put up in the orbital platform. And using telecommunications and digital technology you have the ability 24/7 to track and monitor both your humans and your robots. And the question for Mr. Global is what's more efficient? If I can do everything with robots, then what do I do with the humans? I don't need them anymore.

**Interviewer:** So are we seeing built a kind of human farming or something?

**Catherine Austin Fitts:** So they would describe it as resource management. If you look at the technocracy, and the writing about technocracy, so many of us describe we're moving from whatever systems we use now to a technocracy. In a technocracy, they view ... you have two different visions of the world. My vision of the world is that humans are sovereign individuals whose freedom comes by Divine authority. That is what the Bill of Rights is, the Declaration of Independence, the Constitution, all revolve around the image of a sovereign individual as someone who is free by Divine authority. In the vision of technocracy, a human is a natural resource, like an oil deposit, and to be used as such. So they're not a sovereign individual, they're labor, and they are either more efficient or less efficient than a robot at different functions. In other words, what I'm saying is Mr. Global views the human race like livestock, not someone with which they share empathy. And, they don't view us as the same species as them. And in fact, with a lot of biotechnology, they figure they're going to live much longer lives than we do and live very differently than we do. So there's been a real ... one of the challenges with the secrecy as one group becomes more and more technologically advanced, they separate culturally, legally, financially from all the other groups. In other words, they have literally broken away and created a separate civilization. They don't think of themselves as part of our civilization anymore.

**Interviewer:** And who is "they"?

**Catherine Austin Fitts:** Well that's the great mystery, and that's why I call this group Mr. Global. And my personal experiences with many different people in that group and factions, but ultimately I can't tell you who really controls. What I will tell you is the planet is run by force. And so ultimately the question is, "Who is the most powerful gun?" And that comes down to space. Who has the most powerful space presence, space weapons, as well as who controls the sea lanes? So traditionally control behind the reserve currency came from control of the sea lanes, but then as we've moved into space, it's now become control of both the sea lanes and the satellite lanes. And the question is, who controls what and who has what weapons? One of the reasons you've seen a very interesting discussion in the United States for the last two years is Trump has been very verbal about Space Force and what is possible in space. And he'll make these allusions to our magical weapons in space at which point the generals look at him very disapproving like, "Don't talk about that!" So the answer is we don't know. We don't know.

What we do know is part of the competition right now between China and America is that the player who has the most dominant position in space has the power to control the whole planet. So the Chinese have a system called the Social Credit System, and they're very much tying their financial transactions and different abilities to travel and do other things to your behavior. And we've seen different TV shows talk about these kinds of systems. But you're talking about a world where, and we see in China, where most people are under 24/7 surveillance, and then their financial incentives and their financial powers relate to how well behaved they are. And I would describe it essentially as a slavery system because there's no personal freedom. So to a certain extent what technocracy will do is move us to a similar kind of system as the Chinese Social Credit System.

**Interviewer:** Where if you misbehave you can be punished.

**Catherine Austin Fitts:** Right. So in theory you have to get a certain kind of job to make a certain kind of money in the current system. In the new system, you have to work for a certain kind of company and achieve a certain kind of prominence to be allowed to move more than 10 miles from your home or to be allowed to fly. So there will be a pecking order that relates to your freedoms to either travel or roam, or how many sorts of access you have to resources, how much money you can make. But remember, you're going into a system where if they believe they can automate everything with robotic software and AI it's going to be that much harder for you to share in the benefits and the wealth of the system because the central group can extract so much more. In other words, they have a one-way mirror, they can see everything you do. You can't even see who they are.

**Interviewer:** Yeah okay.

**Catherine Austin Fitts:** What's very important to understand about what is happening is that the majority of people have been ... if we're talking about a transhumanist system or, in short, a slavery system, most of us have been supporting it and financing it and building it. So when I look at all the big pharma executives, why are they building a system where their own children or grandchildren will be slaves? Why are the central banks doing it? Why do they

think, you know, there's a theory in America for many years among the certain classes that if I make enough money, I can get a waiver, I can get out of it, I can eat organic food, not eat the GMO's, and my grandkids won't have to take vaccines. But if you look at who's implementing all these different activities, we're building our own slavery system and that means we have the power to stop. In other words, we don't have to finance the companies that are doing this, we don't have to work for the companies that are doing this, and in fact, we don't even have to pay our taxes (**Webmaster:** I don't know about that! I wouldn't challenge the IRS!) because the government is breaking all the laws related to financial management. We have the ability to hold them accountable. So we're building the prison and we're financing the prison and that gives us the power to stop. And that's why it's so important that we see where the system is going. There will be no exceptions.

**Interviewer:** So what is the solution?

**Catherine Austin Fitts:** Solution is, number one, bring transparency to what's happening, understand where the system is going, and then stop building it. If you work for big pharma and you're building this, stop! Go find something else to do like build local fresh food systems so you will have food. So stop financing it. Begin the conversation of where this is going and more importantly where we want to go, because we're going to have to rebuild the economy bottom up if we don't want to be highly centralized. So this comes down to I call it coming clean. Once upon a time I was in Washington I was writing a check on my JP Morgan Chase private banking account, and in the meantime I was engaged in 12 different tracks of litigation, litigating with the people who are trying to engineer the housing bubble. I was trying to stop the housing bubble from happening. And I was writing a check on my JP Morgan Chase personal banking account. I realized, why am I banking at the bank that's doing this criminality, that's destroying communities, that's doing predatory lending? And I said I need to come clean. I need to stop banking there. So if tomorrow everybody woke up in America and stopped banking at JP Morgan Chase and said, "You all are criminals! We want nothing to do with you! We're out!" and went to a local credit union or community bank, it would be a revolution. It would be a total revolution! If 20 women turned to big farm executives and said, "You know something? You're disgusting! No sex! Bye! Out the door." It would be a revolution! So we have the power to change this, but we're all going to have to come clean because almost all of us are complicit in implementing this. It's not them, it's us. The solution is for every one of us to come clean. You're either for the trans-humanist slavery system or you're for a human system. But if you're for a human system then you're gonna have to find a way to make money, and engage socially in a human system, and stop building a trans-human system.

Well, the first thing you have to see is you have to get a good map. In other words, you can't navigate this unless you can see the trans-humanist system that is being built, and who's building it. But if you're involved with ... so let's go back to the pillars. Okay, don't help the military build Operation Warp Speed, okay? Don't help the tech guys figure out how to inject nanoparticles into your body and hook them up to the cloud. Don't help big pharma make injections that are poisoning American children to death. Don't

help big agriculture make grow GMO food that is poisoning America to death. Don't help the government institute corrupt sort of health crisis regulations that are really disaster capitalism and making the private equity guys and the billionaires rich, and on and on and on. But if you, I'll just be blunt, get the 'State of our Currencies' and read it, and you'll know who's doing this. I mean, it's pretty obvious who's doing this.

I do recognize this document, based upon the document's own admission, as a formal Declaration of War by the Illuminati upon the Citizens of the United States of America. I acknowledge that a State of War exists and has existed between the Citizens of the United States of America and the Illuminati aggressor based upon this recognition.

## New Tapes

A friend shared these two links. I haven't heard them yet and hope they are good. But for the record I want to say this: When John Todd talks about buying weapons to defend yourself from evil men, let's hope he's talking about protection from criminals and *NOT law enforcement agents!* The Bible does not condone resistance to or rebellion to authority. All this stuff about arming yourself against a tyrannical government is nonsense and unbiblical. Even IF you say the government has become tyrannical, it's not our business to resist their authority by force. If you do, you will suffer the fate of the Waco Branch Davidians!

## Frequently Asked Questions

**Question: What happened to John Todd? Where is he now?**

To fully answer this question, please read the following pages consecutively:

- [Jack Chick's letter written June 16, 1978](#) about his association with John Todd
- [Chick's letter written October 26, 1978](#) where he explains how Todd was attacked and tricked by the Illuminati

**Question: Can I order copies of the audio tapes to share with other Christians?**

I do not have the equipment to do a good job to make quality audio tape copies. I think that it would be much better for you to download the MP3 files yourself and listen to them rather than me try to make copies of the tapes for you. You can burn the files on a CD in data format and listen to them from your PC. Or you can transfer them to a MP3 player. Or you can use software such as Nero Burning ROM and make actual audio CDs from the MP3 files which can be played on any audio CD player. You can even make your own audio tapes from the MP3 files by recording them from your computer to a

audio recorder. The MP3 files on this web site are even better audio quality than the tapes I had them made from because some of the background noise has been removed with special software. If you say that you are “technically challenged” and don’t know how to do any of the above, I am sure that there is somebody in your church or area who **does** know how and who would be willing to help you or make them for you.

**Question: Don’t you think John Todd was wrong about some things?**

Yes I do. He got out of his realm and anointing when he started to take up leadership and teach his interpretation of certain Christian doctrines. He should have stuck with his testimony and majored on what he did actually see and hear.

However I still firmly believe that Todd was right about certain things and has a lot to say that the devils of this world don’t want to be made known! For example:

- He opened my eyes to the hidden One World Government of the Illuminati.
- He exposed the Charismatic Movement as being a plot of witches to undermine the Church. I myself was deceived by their false doctrines for a period of time after I became a Christian.
- He exposed certain people who I believe have undermined and weakened Christianity in America.

So I encourage you to read John Todd’s testimony with an open mind and see if it doesn’t apply to things you experienced in your own life! Even if you think he got some of his facts or figures wrong – such as “*We’ve been doing it for 8000 years...*” when the world is no more than around 6200 years old– (contrary to the false so called “science” of evolution), if you believe 1 John 2:15 and 16 verses of the New Testament, you **KNOW**, or *should* know if you are a Bible believer, that it is better to be on the leery side of what the world offers, and tend to shun its treats (films, music, etc) much more than to let yourself be polluted by them!
