

Age of Deceit – Fallen Angels and the New World Order

The New World Order is the globalist agenda by a secretive Luciferian power elite that is conspiring to eventually rule the world through an authoritarian one-world government that will replace sovereign nation-states. The Bible calls it “the Beast” in the book of Revelation chapter 13. Since 2020, New World Order is also referred to as the “Great Reset”.

This documentary was made in 2011 and covers many issues. It’s by no means dated. The agenda of the Luciferian globalists has not changed, it’s only become more out in the open. And yet the vast majority of the world *still* can’t see it!

Topics discussed

Is there a connection between UFOs, alien abductions, channeling spirits, demonic possessions, the new age movement, secret societies, and satanism? In *Age of Deceit: Fallen Angels and the New World Order*, we investigate why the New World Order and the Global Elite are tirelessly working to form a One World Government and who they are getting this instruction from. A biblical look at the history of fallen angels and it’s relationship to the New World Order and the new age movement. Topics covered are the fall of mankind, the pre-flood world as Atlantis, the new age through theosophy, the fallen angels and their origin of planting the seeds to society, UFOs, ETs and abduction cases, demonic possession, channeling, and more.

How Catholicism Uses Communism And Fascism to Control the Masses

The Roman Catholic Church is the continuation of the Roman empire. It is ruling the world through both leftist Socialism and the right Fascism / Capitalism.

Is the American Government Controlled by a Foreign Power?

This is from chapter one of F. Tupper Saussy's book, [Rulers of Evil](#).

SUBLIMINAL ROME

"The Roman Catholic Church is a State." – BISHOP MANDELL CREIGHTON, LETTERS

WHEN A PULITZER PRIZE-winning reporter announced in his 1992 Time Magazine cover story that a "conspiracy" binding President Ronald Reagan and Pope John Paul II into a "secret, holy alliance" had brought about the demise of

communism, at least one reader saw through the hype.

President Ronald Reagan with Pope John Paul II

Professor Carol A. Brown of the University of Massachusetts fired off a letter to Time's editors saying,

Last week I taught my students about the separation of church and state. This week I learned that the Pope is running U.S. foreign policy. No wonder our young people are cynical about American ideals.

What Brown had learned from Carl Bernstein I had discovered for myself over several years of private investigation: **the papacy really does run United States foreign policy, and always has.** Yes, Bernstein noted that **the leading American players behind the Reagan/Vatican conspiracy, to a man, were "devout Roman Catholics"** – namely,

William Casey – Director, CIA

Alexander Haig – Secretary of State

Richard Allen – National Security Advisor

Vernon Walters – Ambassador-at-Large

Judge William Clark – National Security Advisor

William Wilson – Ambassador to the Vatican State

But the reporter neglected to mention that the **entire Senate Foreign Relations Committee was governed by Roman Catholics**, as well. Specifically, Senators

Joseph Biden – Subcommittee on European Affairs

John Kerry – Terrorism, Narcotics, and International Communications

Paul Sarbanes – International Economic Policy, Trade, Oceans, and Environment

Christopher Dodd – Western Hemisphere and Peace Corps Affairs

Daniel P. Moynihan – Near Eastern and South Asian Affairs

Bernstein would have been wandering off-point to list the Roman Catholic leaders of American domestic policy, such as Senate majority leader George Mitchell and Speaker of the House Tom Foley.

In fact, when the holy alliance story hit the stands, **there was virtually no arena of federal legislative activity, according to The 1992 World Almanac of US Politics, that was not directly controlled by a Roman Catholic senator or representative.** The committees and subcommittees of the United States Senate and House of Representatives governing commerce, communications and telecommunications, energy, medicine, health, education and welfare, human services, consumer protection, finance and financial institutions, transportation, labor and unemployment, hazardous materials, taxation, bank regulation, currency and monetary policy, oversight of the Federal Reserve System, commodity prices, rents services, small business administration, urban affairs, European affairs, Near Eastern & South Asian affairs, terrorism/narcotics/ international communications, international economic/trade/ oceans/environmental policy, insurance, housing, community development, federal loan guarantees, economic stabilization measures (including wage and price controls), gold and precious metals transactions, agriculture, animal and forestry industries, rural issues, nutrition, price supports, Food for Peace, agricultural exports, soil conservation, irrigation, stream channelization, flood- control, minority enterprise, environment and pollution, appropriations, defense, foreign operations, vaccines, drug labeling and packaging, drug and alcohol abuse, inspection and certification of fish and processed food, use of vitamins and saccharin, national health insurance proposals, human services, legal services, family relations, the arts and humanities, the handicapped, and aging – in other words, virtually every aspect of secular life in America – came under the chairmanship of one of these Roman Catholic laypersons:

Frank Annunzio

Edward Kennedy

Daniel Moynihan

Joseph Biden

John Kerry

John Murtha

Silvio Conte

John LaFalce

Mary Rose Oaker

Kika De la Garza

Patrick Leahy

Vatican Council II's Constitution on the Church (1964) instructs politicians to use their secular offices to advance the cause of Roman Catholicism. Catholic laypersons, "whoever they are, are called upon to expend all their energy for the growth of the Church and its continuous sanctification," and "to make the Church present and operative in those places and circumstances where only through them can it become the salt of the earth" (IV, 33). Vatican II further instructs all Catholics "by their competence in secular disciplines and by their activity [to] vigorously contribute their effort so that ... the goods of this world may be more equitably distributed among all men, and may in their own way be conducive to universal progress in human and Christian freedom ... and [to] remedy the customs and conditions of the world, if they are an inducement to sin, so that they all may be conformed to the norms of justice and may favor the practice of virtue rather than hinder it." (IV, 36).

Vatican II affirms Catholic doctrine dating back to 1302, when Pope Boniface VIII asserted that "*it is absolutely necessary for the salvation of every human creature to be subject to the Roman Pontiff.*" This was **the inspiration for the papacy to create the United States of America that materialized in 1776**, by a process just as secret as the Reagan-Vatican production of Eastern Europe in 1989. What? American government Roman Catholic from the *beginning*?

Consider: the land known today as the District of Columbia bore the name "Rome" in 1663 property records; and the branch of the Potomac River that bordered "Rome" on the south was called "Tiber." This information was reported in the 1902 edition of the Catholic Encyclopedia's article on Daniel Carroll. The article, specifically declaring itself "of interest to Catholics" in the 1902 edition, was deleted from the New Catholic Encyclopedia (1967). Other facts were reported in 1902 and deleted from 1967. For example, when Congress met in Washington for the first time, in November, 1800, "the only two really comfortable and imposing houses within the bounds of the city" belonged to Roman Catholics. One was Washington's first mayor,

Robert Brent. The other was Brent's brother-in-law, Notley Young, a Jesuit priest.

Daniel Carroll was a Roman Catholic congressman from Maryland who signed two of America's fundamental documents, the Articles of Confederation and the United States Constitution. Carroll was a direct descendant of the Calverts, a Catholic family to whom King Charles I of England had granted Maryland as a feudal barony. Carroll had received his education at St. Omer's Jesuit College in Flanders, where young English-speaking Catholics were trained in a variety of guerrilla techniques for advancing the cause of Roman Catholicism among hostile Protestants.

In 1790, President George Washington, a Protestant, appointed Congressman Carroll to head a commission of three men to select land for the "federal city" called for in the Constitution. Of all places, the commission chose "Rome," which at the time consisted of four farms, one of which belonged to... Daniel Carroll. It was upon Carroll's farm that the new government chose to erect its most important building, the Capitol.

THE American Capitol abounds with clues of its Roman origins. "Freedom," the Roman goddess whose statue crowns the dome, was created in Rome at the studio of American sculptor Thomas Crawford. We find a whole pantheon of Roman deities in the great fresco covering the dome's interior rotunda: Persephone, Ceres, Freedom, Vulcan, Mercury, even a deified George Washington. These figures were **the creation of Vatican artist Constantino Brumidi.**

The fact that the national Statehouse evolved as a “capitol” bespeaks Roman influence. **No building can rightly be called a capitol unless it’s a temple of Jupiter**, the great father-god of Rome who ruled heaven with his

thunderbolts and nourished the earth with his fertilizing rains. If it was a capitolium, it belonged to Jupiter and his priests.

The Capitol with a close up of the statue.

Jupiter's mascot was the eagle, which the founding fathers made their mascot as well. A Roman eagle tops the governing idol of the House of Representatives, a forty-six-inch sterling silver and-ebony wand called a "mace." The mace is "the symbol of authority in the House." When the Sergeant-at-arms displays it before an unruly member of Congress, the mace restores order. Its position at the rostrum tells whether the House is in "committee" or in "session."

America's national motto "Annuit Coeptis" came from a prayer to Jupiter. It appears in Book IX of Virgil's epic propaganda, the Aeneid, a poem commissioned just before the birth of Christ by Caius Maecenas, the multi-billionaire power behind Augustus Caesar. The poem's objective was to fashion Rome into an imperial monarchy for which its citizens would gladly sacrifice their lives.

Fascism may be an ugly word to many, but its stately emblem is apparently offensive to no one. The emblem of fascism, a pair of them, commands the wall above and behind the speaker's rostrum in the Chamber of the House of Representatives. They're called fasces, and I can think of no reason for them to be there other than to declare the fascistic nature of American republican democracy.

A fasces is a Roman device. Actually, it originated with the ancient Etruscans, from whom the earliest Romans derived their religious jurisprudence nearly three thousand years ago. It's an axe-head whose handle is a bundle of rods tightly strapped together by a red sinew. It symbolizes the ordering of priestly functions into a single infallible sovereign, an autocrat who could require life and limb of his subjects. If the fasces is entwined with laurel, like the pair on the House wall, it signifies Caesarean military power. The Romans called this infallible sovereign Pontifex Maximus, "Supreme Bridgebuilder." No Roman was called Pontifex Maximus until the title was given to Julius Caesar in 48 BC. Today's Pontifex Maximus is Pope John Paul II.

As we shall discover in a forthcoming chapter, John Paul does not hold that title alone. He shares it with a mysterious partner, a military man, a man holding an office that has been known for more than four centuries as "Papa Nero," the Black Pope. I shall present evidence that the House fasces represent the [Black Pope](#), who indeed rules the world.

What Makes A Nation Great? An American Independence Day Message

I copied this article from my friend Jim Gibson's Facebook post. If you are an American, please know our only hope to continue as people free from tyranny and oppression is to keep to the principles the founding fathers of America founded our nation on.

What Makes A Nation Great?

By Jim Gibson <http://www.jimgibson.net/>

On this date (July 4) in 1776, the 13 colonies declared their independence from England. It would not be until 1783 before they actually gained their freedom at the signing of the Treaty of Paris. The document upon which all our laws are based is the Constitution which was signed in 1787. The Founding Fathers wrote the Constitution whose very foundation was established upon what was then known as "Natural Law." One of the most referenced sources cited by the Founding Fathers during the writing and discussion of the Constitution was from Blackstone's Commentaries of English Law. Blackstone maintained that Natural Law was given to mankind by God. These God-given principles were to aid man in their governance. Thus, our Constitution reflects those very statutes which were ordained by God. The apostle Paul alluded to these principles that govern in the hearts of mankind with these words as found in Romans 1:19, 20 and 2:14, 15.

"Because that which may be known of God is manifest in them; for God hath shewed it unto them. For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse."

"For when the Gentiles, which have not the law, do by nature the things contained in the law, these, having not the law, are a law unto themselves.

Which shew the work of the law written in their hearts, their conscience also bearing witness, and their thoughts the mean while accusing or else excusing one another."

A person who greatly influenced and inspired the Founding Fathers was John Locke who wrote about that "Natural Law" that formed the very foundation of our nation. Listen to his words: "The State of Nature has a Law of Nature to govern it which obliges everyone...that being all equal and independent no one ought to harm another in his Life, Health, Liberty, or Possessions." Notice the obvious similarity of wording as that also found in the Declaration of Independence. One historian made the comment that it was the Declaration of Independence which should actually be considered America's foundation and the Constitution was the house upon which it was built. Anna Beth Rankin wrote that, "The Constitution is the Supreme Law of the United States; however it has its philosophical roots in the Declaration of Independence." To this agrees the statement made by Abraham Lincoln, "the Declaration of Independence was an 'apple of gold' whereas the Constitution was the 'picture of silver' framed around it." The point being stressed here is that the Natural Law, as expressed in the Declaration, was laws and rights given by God, whereas the Constitution was made of laws created by man.

The Framers and early Supreme Court Justices relied heavily on the concepts as found in the Natural Law. Through the years, the Courts have strayed further and further from these original principles of law and justice. In fact, Supreme Court Justice Clarence Thomas was once castigated by a Harvard Law professor for adhering to these principles of Natural Law. It has been the trend for several decades now to treat the Constitution as a "living document." As a result, it has been relegated to an obsolete and discarded document in favor of a more fluid social construct which is entirely relative to the whims of a changing society.

In fact, former President Barack Obama made this shocking statement: "We are no longer just a Christian nation." In his speech, President Obama alluded to the fact that we might have once been a Christian nation, but no longer. What he said is entirely correct. But our magnificent nation was indeed founded upon Christian principles. Two professors, Donald S. Lutz and Charles S. Hyneman made an exhaustive study of our Founders' most read books, newspaper articles, and monographs with explicit political content. They limited their study to the period from 1760 to 1805. They concluded that the most often cited source was the Bible. This should come as no surprise especially as one reflects upon the words of Benjamin Franklin at the Constitutional Convention. Listen to the wisdom coming from this 81 year-old statesman.

"I have lived, Sir, a long time; and the longer I live, the more convincing proofs I see of this truth, that God governs in the affairs of men. And if a sparrow cannot fall to the ground without his notice, is it probable that an empire can rise without his aid? We have been assured, Sir, in the sacred writings that 'except the Lord build the house, they labor in vain that build it.' I firmly believe this; and I also believe that, without his concurring aid, we shall succeed in this political building no better than the builders of Babel... I therefore beg leave to move that, henceforth, prayers imploring the assistance of heaven and its blessings on our deliberations be held in

this assembly every morning before we proceed to business, and that one or more of the clergy of this city be requested to officiate in that service."

Just a few years later, our nation's second President, John Adams, echoed these sentiments when he said, "Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other." It is understandable for those who do not like the "strict constructionist" interpretation of the Constitution when one reflects upon our present societal morality. In this sense, the Constitution is becoming more and more foreign to the thought processes of a liberal and progressive culture.

There was a time in Israel's history when they were regarded as a great nation, although small in territory and in population. What made them great? To find this answer, we need to go back to their very founding. Listen to the words of Moses as he instructs the children of Israel before they entered the land of Canaan:

"Behold, I have taught you statutes and judgments, even as the LORD my God commanded me... Keep therefore and do them; for this is your wisdom and your understanding in the sight of the nations, which shall hear all these statutes, and say, Surely this great nation is a wise and understanding people." (Deut. 4:5, 6)

Just as the nation of Israel began as a great nation because they were founded upon Godly principles and laws, so too was the United States great because they founded our Constitution upon these same fundamental truths. Alexis de Tocqueville has been quoted as saying that, "America is great because America is good. When America ceases to be good, she will cease to be great." Although this quote has never been verified, its words bear much truth and are truly sublime.

"Blessed is the nation whose God is the LORD."

For almost 200 years, it was an accepted premise that our nation was founded upon Christian principles. In fact, John Adams, the second President of the United States, made this declaration:

"Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other."

Although many people believe, unwittingly, that the Constitution contains the phrase "separation of Church and State" or "wall of separation", these phrases are to be found nowhere within the Constitution or the Bill of Rights. We find their origin, however, in a letter written by Thomas Jefferson to the Danbury Baptist Association in 1802. In this letter, Jefferson uses the phrase, "a wall of separation between Church and State." Contrary to the popular opinion of today, Jefferson's use of the phrase meant that the Church should be protected from the State or government, and not, that the State must be protected from the Church. It was President Thomas Jefferson, in 1803, that recommended Congress appropriate funds "for civilizing the Indians and promoting Christianity." Actually, he signed

appropriation bills to Christianize the Indians three different times during his presidency.

For over 100 years, the Bible was used as a textbook in our public schools. Sadly, though, this tradition of a Christian America was dealt a serious blow by the Supreme Court in several consecutive rulings beginning in 1962 and culminating in June, 1963. It was through these rulings that both prayer and Bible reading were removed from the public school system. This Supreme Court decided its decision with a 8 to 1 ruling. The majority, in writing its opinion, stated that their ruling was one of "wholesome neutrality". They further stated that their decision would in no way be deemed as a victory for "secularism". We know now that it did have this "unintended consequence".

As a result of these rulings, our nation began to lose its vision and sight. We no longer can distinguish between good and evil. Just a few years after this Supreme Court ruling, Joseph Fletcher in 1966 wrote a book titled Situation Ethics . In the book, Fletcher argues that there are no moral absolutes, everything is relative. Infidelity, stealing, lying and a myriad of other moral turpitudes might be acceptable depending on the situation. In the Old Testament, during the period of the judges, the Bible records that "every man did that which was right in his own eyes."

Since our nation's founding, the Bible has been used as the rule of law and has acted as the guide for our country's morality. Obviously, our moral conscience as a nation has deteriorated and crumbled. We have forsaken the only moral compass that has ever been given to mankind.

Is there any hope left for America, for the Church? The answer is yes. With regard to the Church, we must individually and corporately confess that we have sinned and failed in our duty and responsibility to God. We must again turn to the Bible and let God's Word lead us and guide us in all aspects of our life. After we have done this, we can then stand on the promise of God as quoted in 2 Chron.7:14.

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Globalist Elitists' Plans for America Declared in the X-Files

Predictive programming is a subtle form of psychological conditioning provided by the media to acquaint the public with planned societal changes to be implemented by our leaders. When these changes are put through, the public will already be familiarized with them and will accept them as natural progressions, thus lessening possible public resistance and commotion.

Daniel 11:24 He shall enter peaceably even upon the fattest places of the province; and he shall do that which his fathers have not done, nor his fathers' fathers; he shall scatter among them the prey, and spoil, and riches: yea, and he shall forecast his devices against the strong holds, even for a time.

Do you think "he shall forecast his devices" is referring to predictive programming? It sure sounds so to me!

Please watch this short one-minute 36 seconds clip and tell and tell me in the comments what you think. The only thing that would be false is the "alien technology". I would call it technology from the spirit world of demons and devils.

[Current Justices of the Supreme Court: Six Out of Nine are Catholics](#)

Six out of nine current Supreme Court Justices were nominated by Republican Presidents! And yet *Roe vs. Wade* has still not been overturned. And **six out of nine are Roman Catholics** who are supposed to be *against* abortion, one is Protestant who *should* be against abortion, and **only one** is of a non-Christian faith! All people who call themselves Christians should be against abortion.

John G. Roberts,
Jr.

John G. Roberts, Jr., Chief Justice of the United States, President George W. Bush, Republican, nominated him as Chief Justice of the United States, and he took his seat on September 29, 2005. Roberts is a devout **Catholic** and is married to an ardent pro-life activist. In spite of the fact he was nominated by a Republican and is supposed to hold traditional Christian values, he ruled with other Supreme Court justices in July 2020 that Nevada can impose tighter restrictions on churches than casinos to enforce social distancing guidelines. Moreover, Roberts concurred with the liberals on the court to strike down a Louisiana anti-abortion law! Why doesn't the Pope excommunicate the guy? Something sinister is afoot. Maybe the RCC's stance against abortion is really phony after all.

Clarence Thomas

Clarence Thomas, Associate Justice,

President George Herbert Walker Bush, Republican, nominated him as an Associate Justice of the Supreme Court and he took his seat on October 23, 1991. Thomas was raised **Catholic** and attended a Catholic seminary.

[The 45 Goals of Communism](#)

I just saw a 2010 documentary film entitled, "*Agenda: Grinding America Down*" about the leftist socialist takeover of America. It talks about a book written in 1958 by a former FBI Agent, Cleon Skousen, called "*The Naked Communist*". On Jan. 10, 1963, Congressman Albert S. Herlong Jr. of Florida read this list of 45 Communist goals into the Congressional Record. How many of these 45 goals do you think have been implemented? You can write your answer in the comments section below.

Some of the goals are dated due to the collapse of the Soviet Union and the unification of East and West Germany, but from my observation, the goals have been fulfilled or close to fulfillment by the liberal leftist socialists –

most of the current American Democratic party members. I enhanced in **bold font** the ones I especially find disturbing.

1. U.S. should accept coexistence as the only alternative to atomic war.
2. U.S. should be willing to capitulate in preference to engaging in atomic war. [Note: These encapsulate the Kennan Doctrine, which advocated for the "containment" of communism. Establishment figures supporting the amoral containment policy at least implicitly worked with the communists in scaring the wits out of the American people concerning atomic war. President Ronald Reagan undid the doctrine when he took an aggressive stand against the Evil Empire by backing freedom fighters from around the world that were struggling against the left-wing communist jackboot. As a result, the Soviet Union and its satellites imploded, a considerable and unexpected setback to the international communist edifice.]
3. Develop the illusion that total disarmament by the U.S. would be a demonstration of "moral strength." [Note: The nuclear freeze advocates supported a freeze on American nuclear development only. Rarely were Soviet nukes or those of other nations mentioned in their self-righteous tirades. The same advocates now call for reducing American military might, claiming that there is something immoral about America preserving its military pre-eminence in the world.]
4. Permit free trade between all nations regardless of Communist affiliation and regardless of whether or not items could be used for war. [Note: Today, there are calls to end the embargo on the slave island of Cuba, there were complaints about the embargo against Iraq, and the U.S., not Saddam Hussein, was blamed for the suffering of the Iraqi people. Would they have advocated for free trade with Hitler and his National Socialist regime?]
5. Extend long-term loans to Russia and Soviet satellites.
6. Provide American aid to all nations regardless of Communist domination. [Note: Such aid and trade over decades contributed greatly to the left-wing communist liquidation of over 100 million people worldwide, according to the well-documented "Black Book of Communism." This aid and trade marks a shameful chapter in American history. Without the aid and trade, the left-wing international communist behemoth would have imploded on its own rot a lot sooner and umpteen millions would have been saved from poverty, misery, starvation and death.]
7. Grant recognition of Red China and admission of Red China to the U.N. [Note: Not only did President Nixon fulfill this goal but he also betrayed America's allies in Nicaragua, El Salvador, Iran, Afghanistan, Angola and elsewhere.]
8. Set up East and West Germany as separate states in spite of Khrushchev's promise in 1955 to settle the Germany question by free elections under supervision of the U.N.
9. Prolong the conferences to ban atomic tests because the U.S. has agreed to

suspend tests as long as negotiations are in progress.

10. Allow all Soviet satellites individual representation in the U.N.

11. **Promote the U.N. as the only hope for mankind.** If its charter is rewritten, demand that it be set up as a one-world government with its own independent armed forces. [Note: There are still American intellectuals, and elected members of Congress, who dream of an eventual one world government and who view the U.N., founded by communists such as Alger Hiss, the first secretary-general, as the instrument to bring this about. World government was also the dream of Adolf Hitler and J.V. Stalin. World government was the dream of Osama bin Laden and the 9/11 hijackers.]

12. Resist any attempt to outlaw the Communist Party. [Note: While the idea of banning any political party runs contrary to notions of American freedom and liberty, notions that are the exact opposite of those held by the left-wing communists themselves, nevertheless these goals sought to undermine the constitutional obligation of Congress to investigate subversion. The weakening of our government's ability to conduct such investigations led to the attack of 9/11.]

13. Do away with loyalty oaths. [Note: It is entirely proper and appropriate for our government to expect employees, paid by the American taxpayer, to take an oath of loyalty.]

14. Continue giving Russia access to the U.S. Patent Office.

15. **Capture one or both of the political parties in the U.S.** [Note: In his book, "Reagan's War," Peter Schweizer demonstrates the astonishing degree to which communists and communist sympathizers have penetrated the Democratic Party. In his book, Schweizer writes about the presidential election of 1979.]

16. **Use technical decisions of the courts to weaken basic American institutions, by claiming their activities violate civil rights.** [Note: This strategy goes back to the founding of the American Civil Liberties Union by Fabian Socialists Roger Baldwin and John Dewey and Communists William Z. Foster and Elizabeth Gurley Flynn among others.]

17. **Get control of the schools.** Use them as transmission belts for Socialism and current Communist propaganda. Soften the curriculum. Get control of teachers associations. Put the party line in textbooks.

18. **Gain control of all student newspapers.**

19. Use student riots to foment public protests against programs or organizations that are under Communist attack. [Note: The success of these goals, from a communist perspective, is obvious. Is there any doubt this is so?]

20. **Infiltrate the press.** Get control of book review assignments, editorial writing, policy-making positions.

21. **Gain control of key positions in radio, TV & motion pictures.**
22. Continue discrediting American culture by degrading all form of artistic expression. An American Communist cell was told to "eliminate all good sculpture from parks and buildings," substituting shapeless, awkward and meaningless forms.
23. **Control art critics and directors of art museums.** "Our plan is to promote ugliness, repulsive, meaningless art."
24. **Eliminate all laws governing obscenity by calling them "censorship" and a violation of free speech and free press.**
25. **Break down cultural standards of morality by promoting pornography and obscenity in books, magazines, motion pictures, radio and TV.** [Note: This is the Gramscian agenda of the "long march through the institutions" spelled out explicitly: gradual takeover of the "means of communication" and then using those vehicles to debauch the culture and weaken the will of the individual to resist.]
26. **Present homosexuality, degeneracy and promiscuity as "normal, natural and healthy."** [Note: Today those few who still have the courage to advocate public morality are denounced and viciously attacked. Most Americans are entirely unwitting regarding the motives behind this agenda.]
27. **Infiltrate the churches** and replace revealed religion with "social" religion. **Discredit the Bible** and emphasize the need for intellectual maturity, which does not need a "religious crutch." [Note: This has been largely accomplished through the communist infiltration of the National Council of Churches, Conservative and Reform Judaism, and the Catholic seminaries.]
28. **Eliminate prayer or any phase of religious expression in the schools** on the grounds that it violates the principle of "separation of church and state"
29. **Discredit the American Constitution** by calling it inadequate, old fashioned, out of step with modern needs, a hindrance to cooperation between nations on a worldwide basis.
30. **Discredit the American founding fathers.** Present them as selfish aristocrats who had no concern for the "common man."
31. **Belittle all forms of American culture** and discourage the teaching of American history on the ground that it was only a minor part of "the big picture." Give more emphasis to Russian history since the Communists took over. [Note: Obliterating the American past, with its antecedents in principles of freedom, liberty and private ownership is a major goal of the communists then and now.]
32. **Support any socialist movement to give centralized control** over any part of the culture – education, social agencies, welfare programs, mental health clinics, etc.

33. Eliminate all laws or procedures which interfere with the operation of the Communist apparatus.
34. Eliminate the House Committee on Un-American Activities.
35. Discredit and eventually dismantle the FBI.
36. Infiltrate and gain control of more unions.
37. **Infiltrate and gain control of big business.** (Read corporate monopolies)
38. Transfer some of the powers of arrest from the police to social agencies. Treat all behavioral problems as psychiatric disorders which no one but psychiatrists can understand or treat. [Note: The Soviets used to send "social misfits" and those deemed politically incorrect to massive mental institutions called gulags. The Red Chinese call them lao gai. Hitler called them concentration camps.]
39. Dominate the psychiatric profession and use mental health laws as a means of gaining coercive control over those who oppose communist goals. [Note: Psychiatry remains a bulwark of the communist agenda of fostering self-criticism and docility.]
40. **Discredit the family as an institution.** Encourage promiscuity and easy divorce. [Note: Done! The sovereign family is the single most powerful obstacle to authoritarian control.]
41. **Emphasize the need to raise children away from the negative influence of parents.** Attribute prejudices, mental blocks and retarding of children to suppressive influence of parents. [Note: Outcome-based education, values clarification or whatever they're calling it this year.]
42. Create the impression that violence and insurrection are legitimate aspects of the American tradition; that students and special interest groups should rise up and make a "united force" to solve economic, political or social problems. [Note: This describes the dialectical fostering of group consciousness and conflict, which furthers the interests of authoritarianism.]
43. Overthrow all colonial governments before native populations are ready for self-government.
44. Internationalize the Panama Canal.
45. Repeal the Connally Reservation so the U.S. cannot prevent the World Court from seizing jurisdiction over domestic problems. Give the World Court jurisdiction over domestic problems. Give the World Court jurisdiction over nations and individuals alike.

Agenda: Grinding America Down

[Dr. David Martin: We Are Allowing Human Organisms To Become Bioweapon Factories – Video and Text](#)

Transcription of the interview

Stew Peters: So we're now up to our fourth COVID shot here in the United States. And Anthony Fauci is talking about possibly doing another round of lockdowns too. Hell, I mean, that might happen because half of this country are sheep, and will fall for anything, it seems.

Well, Dr. David Martin recently warned that the ultimate long-term purpose of all of this will be exposing humanity to constant forcible gene editing, via mRNA vaccines and who knows what else. Dr. Martin will be joining me I'm very excited because he also will be speaking at the April let's go Brandon rally, but he joins us now. And I'm excited about that, as well. Thank you for coming. So that's what this is replacing God's likeness, essentially, as we worship the mRNA masters.

Dr. David Martin: You know, it's fascinating. And just the last couple of weeks, I have gone on record for quite some time now, Stew, saying that this entire exercise was about transcribing a computer-synthesized model into the human genome. And in the last month, we've seen mainstream science come back with a giant revelation that it turns out that this shot persists in the human body for an indeterminate period of time. The most recent data shows that at least surviving up to eight weeks in the lymph system, where it continually produces the spike protein. We see evidence coming from municipal waste systems that allegedly even though we're all allegedly getting better, and the pandemic is starting to normalize, apparently spike protein is showing up in our waste streams at alarmingly high rates. Stew, the reason is because as I've said all along, when you inject the body with instructions to make a chimeric model of a synthetic spike protein, where you have never done testing on that gene therapy, it turns out that you don't know what you might be manufacturing, and how long each individual who gets the injection might be manufacturing these pathogens. And not surprisingly, we were told about this years before this injection started. This is a pandemic of the bio weaponization of the human organism. This is not public health. And Anthony Fauci is the architect of this genocide.

Stew Peters: You have read so many different quotes and given so many examples using the criminals' own words as they have forecasted exactly what was coming and this dates all the way back. I mean, everybody I talked to that has relevant resources can trace this first, it was back to 2015. Then it was 2005. And now even before that, is it possible,...

Dr. David Martin: Yeah, all the way to 1990.

Stew Peters: 1990? I mean, now. Is this, is it possible? Why? What are some other reasons that this could be showing up in our water?

Dr. David Martin: Well, listen, the reason is really simple. We are now obsessing about the fact that every way to Sunday, what is being done is the human organism is now being modified, and it is being modified to perpetually produce a toxic protein known and scheduled to harm humanity. And when I say known and scheduled to harm humanity, why don't we go ahead and make sure I clarify the reference because apparently, people don't understand what it is. Under 7 CFR Part 331, under 9 CFR Part 121, and on 42 CFR Part 73, we have what's called the Federal Select Agent Toxin List. Stew, **this is not my list. This is not Dave's allegation. This is the Code of Federal Regulations where we put very specific toxins on a schedule and say these things are known to harm humans.** They are known to be damaging, and they are subject to the biological and chemical weapons treaties and laws that we have enforced here in the United States. And why don't we read it directly from the schedule because why would I need to make up for the criminals' acts are even more egregious? Any SARS CoV or SARS CoV2 chimeric virus resulting from any deliberate manipulation of SARS CoV2 to incorporate nucleic acids coding for SARS CoV virulence factors. Stew, they actually say that doing the thing they're doing is illegal.

Stew Peters: Hold on, read that again.

Dr. David Martin: Right. Sars CoV and SARS CoV2 chimeric viruses resulting from any deliberate manipulation of SARS CoV2 to incorporate nucleic acids coding for SARS Cov2 virulence factors. That's actually in three sections of the Code of Federal Regulations subject to the biologic and toxin agent program, defined under 18 US Code section 178, as a biological agent subjected to 18 US Code section 175 prohibition of biological weapons. Literally, the statute says what they're doing is a felony punishable by 99 years in prison, and up to \$100 million per count.

Stew Peters: If you didn't think that that was going to happen. And if you didn't think that justice was going to prevail, and if you didn't think that we were going to win, then you wouldn't be fighting as hard as you are, you're fighting because there really was a purpose and you see a way to win, we're going to win, aren't we?

Dr. David Martin: That's exactly right. And, and so it's important when, when, when, still, you know, I'm a broken record on stuff like this. The fact of the matter is, the criminals' own statements are so egregious, that we don't even have to make up a conspiracy because they did it and they published it. So in violation of criminal conspiracy and racketeering laws,

they're the ones that actually admitted to it and let's go to the 20 F filing. For those of you not familiar with a 20 F filing, when a foreign company files with the United States Securities Exchange Commission, one of their filings is called a 20 F filing, and Biotech, the mRNA injection manufacturer for Pfizer makes the following statement in their 20 F filing. So let's just, let's just set up at the gate. This is them speaking. This is not David Martin. This is them speaking, I'm reading straight from their 20 F filing.

To our knowledge. There is no current precedent for an mRNA-based immunotherapy, such as the type we are developing, being approved for sale by the FDA, the European Commission or any other regulatory agency elsewhere in the world. Although we expect to submit BLAs (which is the biologics license for mRNA-based product candidates in the United States and in the European Union) mRNA therapies have been classified as Gene Therapy Medicinal Products. Other jurisdictions may consider our mRNA-based product candidates to be new drugs, but not biologics or gene therapy, or medicinal products and require different marketing applications. Securing regulatory approval requires submission of extensive preclinical and clinical data and supporting information the various regulatory authorities for each therapeutic indication to establish the product's candidate safety and efficacy."

Listen, I read it straight out of their filing. When I say that this is not a public health vaccine, but this is a computer generated synthetic chimeric alternative to the virulence factor of SARS co V, which is exactly, exactly what it is. This is actually not Dave's theory. This is the reality that says we are being subjected to a perpetual addiction to a known pathogen and toxic agent. And the reason why Anthony Fauci is now advocating for the next round of boosters to be followed by the next round of boosters, is until we actually achieve the stated goal, which is a 15% population reduction, which I don't know if you do the math quick in your head, but **that's about 800 million people dead**. Until we get there. We will be recommending this injection to harm, maim, kill, murder, and sterilize humanity.

Stew Peters: To murder people. To murder people to prevent them from procreating. To alter their image of God their God given DNA and to make them worship a new master.

Dr. David Martin: Well, and the fact of the matter is, it's their words, not mine. They're the ones that said it. And by the way, it's important to realize that that wonderful thing about SARS cov 2 chimeric viruses that I read from the Code of Federal Regulations, that little thing called the Federal select agent program, that little thing called the Department of Health and Human Services and USDA agents and toxins program, that thing that I read, mysteriously had SARS co2 fragments listed as scheduled pathogens in April of 2020. Stew, do remember in February of 2020 we allegedly had a novel pathogen that we didn't know anything about? Remember, we just invented the thing. And we started filing patents for injections for the thing before we actually knew anything about it. So those wonderful days back in our prescience years where we could anticipate a pathogens emergence before it actually happened, and then build operation

warp speed in September before the first accorded evidence of the disease in December of that year, all of the wonderful things that we have unfolding around us. Somehow or another in April of 2020, we had the ability to know that there was going to be SARS Cov2 virulence factors added to a schedule of toxins before we even had a Moderna or Pfizer shot, except we had already transferred those things in November of 2019, under a material transfer agreement to make sure that we had an injection for a pathogen before we had an outbreak of said pathogen.

This is just clear evidence of the fact that this entire campaign of terror, which is what we need to be calling it, this is domestic terrorism. And this is international terrorism. This is bioterrorism writ large. And those acts were willfully and Premeditatedly perpetrated on the population. And to date the population has had not one, not Ron DeSantis, nobody in Florida, no attorney general, no governor, not a single person who has been willing to take on the crime. Not one.

Stew Peters: Disgraceful. It's completely disgraceful. **These are not side effects. These are *intended* consequences.** (Dr. Martin: That's correct.) These are not experimental injections, stop calling them that. This is not an experiment. This is a well-thought-out meticulous plan to commit murder. on a large scale. This is intentionally designed. This was chimerically engineered by people who knew exactly what they were putting into these injections delivered with this mRNA technology. They know exactly what they're doing. These are not experimental, the clinical trial data, they didn't need that they didn't need it. Why? Because they knew what that was what was going to happen. They knew what they were going to do. And the reason there's no threshold for death, the reason why it's not alarming to anybody that only one percent has reported to VARS and 25,000 people are dead, **the reason why nobody's talking about it is because they know that and they have not achieved their goal yet!** That's minuscule in comparison to where they want to take us.

Dr. David Martin: That is exactly right. And what we already know is that if we look at the pseudouridine addition to the mRNA that was put into this injection, if we look at all of the data that we know is now part of the code that went into the mRNA shot, we know that **these things were done with the intention of making them a permanent resident in the organic system.** And by the way, when you hear B A 2 variant, which is now the latest campaign of terror, recognize something very clearly. This new variant is not an alteration of a natural mutation of any viral model.

This is what's happening. When we have human beings turning into perpetual spike protein manufacturing facilities, we will have variant upon variant upon variant and these are going to be coming from injected people who are allegedly coming down with COVID. These are not diseases born of a natural virus. These are premeditated acts of engineered pathogenicity, where we are now allowing the human organism to become a bioweapons factory itself.

Stew Peters: Wow. Somebody is going to hear this or you wouldn't be putting this all together. Somebody is going to take this. A court is going to hear this, these people will be indicted, tried, and hopefully fried.

Dr. David Martin: Well, and still, you know, we filed in Utah. We filed the federal case in Utah on March the third. It is the first federal case where we're taking on the root of this definitional question around the difference between a gene therapy and a vaccination. We filed in Utah because we wanted to in addition to the claims that we laid out in that case, we wanted to see the federal government trying to defend itself because it turns out in Utah, their defense is going to be an affirmative admission of felonies in the state of Utah.

Stew Peters: Criminal consequences.

Dr. David Martin: Criminal consequences for their response.

Stew Peters: Good. I can't get over what you just said. I mean the reality of that turning the human body into a bioweapons lab, a bioweapon manufacturing facility.

Dr. David Martin: That's correct.

Stew Peters: It's just the most eye-popping most truthful, cutting language that you can possibly use. If that doesn't wake people up, Dr. Martin I don't know what will.

I'm looking forward to actually seeing you in person. That's coming up on April 1. Get your tickets by the way at let's go Brandon rally.org Let's go Brandon rally.org That's April 1 and second and third and Brandon Florida the weather's gonna be beautiful. All sorts of patriots out there truth-seeking. Jesus loving God-fearing inspired people who are unafraid will be there. And I can't wait to put my arms around you and give you a big old hug. Dr. Martin, thank you so much for being here.

Dr. David Martin: I'm looking forward to it. We have Anthony Fauci said we're never gonna shake hands anymore. I'm into hugs. Let's make that happen.

Stew Peters: I'm in! See you then. Dr. David Martin, thank you. God bless.

Dr. David Martin: You got it, take care.

Police in the UK clash with demonstrators protesting the Covid lockdowns

Forward by the webmaster:

What's happening today in Canada, Australia and New Zealand is utter tyranny in the name of medical safety! It's really part of the Jesuit's plan to bring about a new world order of the elite. The only reason why the USA has not fallen totally under leftist tyranny so far is because of the US. Constitution and the fact that American citizens still have Second Amendment rights.

"We have not government armed with power capable of contending with human passions unbridled by morality and religion. Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other." –U.S. President John Adams

"It is tragic that most Bible-believing Christians today are misguided concerning Biblical submission to government. God never intended for Christians to blindly yield to government tyranny, blatant abusive of power and treason against it's own citizens. What ever happened to the Bill of Rights?" – From [Should Christians Obey Criminal Government?](#) By David J. Stewart

Article by Chuck Baldwin of Liberty Fellowship

Published: Friday, August 10, 2007

It seems that every time someone such as myself attempts to encourage our Christian brothers and sisters to resist an unconstitutional or otherwise reprehensible government policy, we hear the retort, "What about Romans

Chapter 13? We Christians must submit to government. Any government. Read your Bible, and leave me alone." Or words to that effect.

No doubt, some who use this argument are sincere. They are only repeating what they have heard their pastor and other religious leaders say. On the other hand, let's be honest enough to admit that some who use this argument are just plain lazy, apathetic, and indifferent. And Romans 13 is their escape from responsibility. I suspect this is the much larger group, by the way.

Nevertheless, for the benefit of those who are sincere (but obviously misinformed), let's briefly examine Romans Chapter 13. I quote Romans Chapter 13, verses 1 through 7, from the Authorized King James text:

"Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. Whosoever therefore resisteth the power, resisteth the ordinance of God: and they that resist shall receive to themselves damnation. For rulers are not a terror to good works, but to the evil. Wilt thou then not be afraid of the power? do that which is good, and thou shalt have praise of the same: For he is the minister of God to thee for good. But if thou do that which is evil, be afraid; for he beareth not the sword in vain: for he is the minister of God, a revenger to execute wrath upon him that doeth evil. Wherefore ye must needs be subject, not only for wrath, but also for conscience sake. For this cause pay ye tribute also: for they are God's ministers, attending continually upon this very thing. Render therefore to all their dues: tribute to whom tribute is due; custom to whom custom; fear to whom fear; honor to whom honor."

Do our Christian friends who use these verses to teach that we should not oppose President Bush or any other political leader really believe that civil magistrates have unlimited authority to do anything they want without opposition? I doubt whether they truly believe that.

For example, what if our President decided to resurrect the old monarchical custom of Jus Primae Noctis (Law of First Night)? That was the old medieval custom when the king claimed the right to sleep with a subject's bride on the first night of their marriage. Would our sincere Christian brethren sheepishly say, "Romans Chapter 13 says we must submit to the government"? I think not. And would any of us respect any man who would submit to such a law?

So, there are limits to authority. A father has authority in his home, but does this give him power to abuse his wife and children? Of course not. An employer has authority on the job, but does this give him power to control the private lives of his employees? No. A pastor has overseer authority in the church, but does this give him power to tell employers in his church how to run their businesses? Of course not. All human authority is limited in nature. No man has unlimited authority over the lives of other men. (Lordship and Sovereignty is the exclusive domain of Jesus Christ.)

By the same token, a civil magistrate has authority in civil matters, but his

authority is limited and defined. Observe that Romans Chapter 13 clearly limits the authority of civil government by strictly defining its purpose: "For rulers are not a terror to good works, but to the evil . . . For he is the minister of God to thee for good . . . for he is the minister of God, a revenger to execute wrath upon him that doeth evil."

Notice that civil government must not be a "terror to good works." It has no power or authority to terrorize good works or good people. God never gave it that authority. And any government that oversteps that divine boundary has no divine authority or protection.

Civil government is a "minister of God to thee for good." It is not a minister of God for evil. Civil magistrates have a divine duty to "execute wrath upon him that doeth evil." They have no authority to execute wrath upon him that doeth good. None. Zilch. Zero. And anyone who says they do is lying. So, even in the midst of telling Christians to submit to civil authority, Romans Chapter 13 limits the power and reach of civil authority.

Did Moses violate God's principle of submission to authority when he killed the Egyptian taskmaster in defense of his fellow Hebrew? Did Elijah violate God's principle of submission to authority when he openly challenged Ahab and Jezebel? Did David violate God's principle of submission to authority when he refused to surrender to Saul's troops? Did Daniel violate God's principle of submission to authority when he disobeyed the king's law to not pray audibly to God? Did the three Hebrew children violate God's principle of submission to authority when they refused to bow to the image of the state? Did John the Baptist violate God's principle of submission to authority when he publicly scolded King Herod for his infidelity? Did Simon Peter and the other Apostles violate God's principle of submission to authority when they refused to stop preaching on the streets of Jerusalem? Did Paul violate God's principle of submission to authority when he refused to obey those authorities who demanded that he abandon his missionary work? In fact, Paul spent almost as much time in jail as he did out of jail.

Remember that every apostle of Christ (except John) was killed by hostile civil authorities opposed to their endeavors. Christians throughout church history were imprisoned, tortured, or killed by civil authorities of all stripes for refusing to submit to their various laws and prohibitions. Did all of these Christian martyrs violate God's principle of submission to authority?

So, even the great prophets, apostles, and writers of the Bible (including the writer of Romans Chapter 13) understood that human authority—even civil authority—is limited.

Plus, Paul makes it clear that our submission to civil authority must be predicated on more than fear of governmental retaliation. Notice, he said, "Wherefore ye must needs be subject, not only for wrath, but also for conscience sake." Meaning, our obedience to civil authority is more than just "because they said so." It is also a matter of conscience. This means we must think and reason for ourselves regarding the justness and rightness of our government's laws. Obedience is not automatic or robotic. It is a result of

both rational deliberation and moral approbation.

Therefore, there are times when civil authority may need to be resisted. Either governmental abuse of power or the violation of conscience (or both) could precipitate civil disobedience. Of course, how and when we decide to resist civil authority is an entirely separate issue. And I will reserve that discussion for another time.

Beyond that, we in the United States of America do not live under a monarchy. We have no king. There is no single governing official in this country. America's "supreme Law" does not rest with any man or any group of men. America's "supreme Law" does not rest with the President, the Congress, or even the Supreme Court. In America, the U.S. Constitution is the "supreme Law of the Land." Under our laws, every governing official publicly promises to submit to the Constitution of the United States. Do readers understand the significance of this distinction? I hope so.

This means that in America the "higher powers" are not the men who occupy elected office, they are the tenets and principles set forth in the U.S. Constitution. Under our laws and form of government, it is the duty of every citizen, including our elected officials, to obey the U.S. Constitution. Therefore, this is how Romans Chapter 13 reads to Americans:

"Let every soul be subject unto the [U.S. Constitution.] For there is no [Constitution] but of God: the [Constitution] that be [is] ordained of God. Whosoever therefore resisteth the [Constitution], resisteth the ordinance of God: and they that resist shall receive to themselves damnation. For [the Constitution is] not a terror to good works, but to the evil. Wilt thou then not be afraid of the [Constitution]? do that which is good, and thou shalt have praise of the same: For [the Constitution] is the minister of God to thee for good. But if thou do that which is evil, be afraid; for [the Constitution] beareth not the sword in vain: for [the Constitution] is the minister of God, a revenger to execute wrath upon him that doeth evil. Wherefore ye must needs be subject, not only for wrath, but also for conscience sake. For this cause pay ye tribute also: for [the Constitution is] God's minister, attending continually upon this very thing. Render therefore to all their dues: tribute to whom tribute is due; custom to whom custom; fear to whom fear; honor to whom honor."

Dear Christian friend, the above is exactly the proper understanding of our responsibility to civil authority in these United States, as per the teaching of Romans Chapter 13.

Furthermore, Christians, above all people, should desire that their elected representatives submit to the Constitution, because it is constitutional government that has done more to protect Christian liberty than any governing document ever devised by man. As I have noted before in this column (See: http://www.chuckbaldwinlive.com/c2005/cbarchive_20050630.html), Biblical principles form the foundation of all three of America's founding documents: The Declaration of Independence, The U.S. Constitution, and The Bill of Rights.

As a result, Christians in America (for the most part) have not had to face the painful decision to “obey God rather than men” and defy their civil authorities.

The problem in America today is that we have allowed our political leaders to violate their oaths of office and to ignore, and blatantly disobey, the “supreme Law of the Land,” the U.S. Constitution. Therefore, if we truly believe Romans Chapter 13, we will insist and demand that our civil magistrates submit to the U.S. Constitution.

Now, how many of us Christians are going to truly obey Romans Chapter 13?

[Dr. Robert Malone Talks about Information Warfare Against Truth Tellers](#)

Robert Wallace Malone is an American virologist and immunologist. He is the inventor of mRNA technology. During the COVID-19 pandemic, Malone has shown COVID-19 vaccines to be ineffective and dangerous.

This is a talk by Dr. Malone transcribed by me from a YouTube video below the text. It will probably get zapped from YouTube sooner or later, but this text will remain.

It's been a series of epiphanies that have made me realize that there's no upside to just being circumspect and trying to be a nice guy in this environment. This is full-on media warfare, information warfare, political warfare, 21st century, like we've never seen before, and coordinated globally.

The other thing for me has been the personal journey of coming to terms with what the World Economic Forum really represents. And I really resisted that people initially, were coming to me talking about the Great Reset, and I was

like, "Ah, this crazy talk." But then it's all documented! And then you see it being deployed. Here it is. They're proud of it. They don't hide it. This is the vision. It is a full on globalist totalitarian vision, with the money in control.

And I did a lot of political science when I was an undergraduate in the early 80s. And I had read things like books about transnationalism and the New World Order. I've found that fascinating, but confused, how could this possibly happen? And now to see it playing out in real-time, and in a way in which national sovereignty governments are increasingly irrelevant. You know, that's the thing that folks got to wake up about.

This is not about the vaccine. The vaccine is a symptom. That's a really hopeful message going into the new year, is that there's a growing cohort of people that are increasingly aware of how thoroughly we've been manipulated.

I thought I was red-pilled. You know, I've been on the inside for so long and seen Tony Fauci's machinations for so long. That's my origin story, was the initial AIDS crisis starting in 83. When I was at Davis (a university in Davis California). So I saw the hardball politics. It's not that I haven't been aware of that. But I had not been aware before of the information control that is globally coordinated. I mean the [Trusted News Initiative](#) is profound. What that means that has become the Ministry of Truth (Reference to George Orwell's classic novel (Nineteen Eighty-Four)). And what Twitter's doing right now, that I think, with [Alex Berenson's bold and brave lawsuit](#), taking on Twitter, and then I've had a bunch of lawyers come to me because of getting de-platformed or canceled I think is really the right term.

Certainly, people can't deny it anymore. There's so much evidence. And the CNN ratings keep slipping, yay! Maybe we're gonna see some change in 2022. There is a kind of a growing movement and awareness that part of the problem here is the structure of how we have been building our organizations in doing business in a deep, profound way. And just dissatisfaction with what one sees at the World Health Organization and the CDC, and the whole HHS structure in the United States where you have carefully controlled information, only one leader is allowed to speak, only one leader is allowed to represent the position, I think that is gonna turn out to be one of the changes here is a growing awareness that that model is dysfunctional, broken, and it needs to be fixed.

For me, it has been an awakening journey, there's no question. I didn't seek this and never expected it. I find myself at the center of this storm of the resistance. That's what it is really. And I'm still amazed. But it has profoundly changed my view of the information that we receive.

You talk about me becoming more outspoken. I've seen that with my peers too. So for instance, (Dr.) Peter McCullough, he's kind of chilled out a little bit. But when you're attacked all the time. And you have all of this weaponized information against you and no respect... I mean, I'm Mr. Malone, you know, who claims to have invented... I mean, all this language, classic yellow journalism language to have it all deployed against me in absolutely no respect for what I actually did. They never cite all the patents. I mean,

they just gloss over all that.

This is asymmetric warfare. We're basically in a guerrilla warfare situation and we got to play it smart. Because what I'm seeing is the other side is generally not very smart. They have a big hammer. They've got all kinds of resources, but they don't seem to be very bright.

I don't know what's going to happen in 2022. But there are some encouraging signs. You know, I try really hard to look for the silver lining and things and if this whole trauma that we've been through nationally and globally, leads to an awareness of how interconnected we are, and the need for healing and the need for community and the importance of integrity, and the importance of human dignity. That's kind of the perhaps naive pollyannish hopeful position in response to the Great Reset, is people use the term the Great Awakening.

“Medical Experts Are Being Systematically Silenced” – Dr. Robert Malone

What we're experiencing is a coordinated media warfare, the level of which we have never seen before. And I in my peers have never seen this level of coordinated propaganda.

“Our government is out of control.” – Dr. Robert Malone

Dr. Robert Malone, co-inventor of the mRNA technology explains how ten's of thousands of physicians & scientists are being canceled simply for questioning the official Covid-19 narrative. The text of the video is below in case YouTube removes the video.

Our government is out of control. And they are lawless. They completely disregard bioethics. They completely disregard the federal common rule. They have broken all the rules that I know of, that I've been trained on for years and years and years. These mandates are explicitly inconsistent with the Nuremberg Code. They're explicitly inconsistent with [the Belmont Report](#). They are flat-out illegal and they don't care. When you see this kind of decoupling of public policy from logic, then it causes thinking people to say "what the hell's going on here?" And then we go down the rabbit hole is that this? that? or the other thing?

One of the things in that spectrum of what's going on is that the emergency use authorizations are predicated on policy determinations that we're in a state of emergency. Those are now two years old. They're expiring. I'm not saying this is what's going on in their head. But there is another perverse incentive here to amplify the fear porn. And to amplify, if you buy into the hypothesis, that for some reason, there are incentives for the government to maintain the state of emergency, that is one explanation, given that those declarations are expiring, and will have to be re-implemented. Because if they're not, then all of this emergency use authorization vanishes like dust.

It's hard for me to reconcile the behavior of the government and its public health decisions with the data. Is it incompetence? Or is there some ulterior political motive? Or are they just dumb, stupid?

We're in an environment in which truth and consequences are fungible. This is modern media management and warfare. The truth is what those that are managing the trusted news initiative, say it is. In my case, I'm the president of the International Alliance of physicians and scientists. We're over 16,000 people from all over the world, physicians, and scientists. And you can find our website at globalCOVIDsummit.org. We are gobsmacked about what's going on. And we are shut down, censored, demeaned – fill in the blank – all over the world. And they're taking our licenses because we are speaking about these matters.

And you can label me however you want to label me. I don't care. I've done

what I've done in my career. I'm at a stage at 62 years old. I've got a farm. It's almost paid off. I raise horses. I love my wife. You know, I've been married a long time. My kids are both married. I got grandkids, man. Oh, I don't need this. There's this claim. I'm doing all this because I seek attention. Trust me. This is not a fun thing to be doing at this stage.

Physicians at [FLCCC](#) (Front Line COVID-19 Critical Care Alliance) in senior positions, Peter McCullough, people at the culmination of exceptional careers, Paul Merrick, an exceptional physician by any standards, run out of his hospital, demeaned, destroyed, actively attacked, trying to take his license. People are losing faith in the whole system. They're losing faith in the scientific enterprise. They're losing faith in our government.

I like to say when I give rallies, do you remember back a couple of years ago, when you felt sorry for the people in the People's Republic of China because their internet was filtered? They weren't allowed free speech. Their government told him what to do and think. Now, here we are.

And the next thing that we all feel sorry about is the social credit system.

Wake up, folks.

[The Global Elite Using Mass Formation Psychosis to Mislead the Public About Covid-19 and Vaccinations](#)

This is an excerpt of Joe Rogan interviewing Dr. Robert Malone, an American virologist and immunologist. He is the inventor of mRNA technology used in Pfizer and Moderna vaccines. He has since taken a stance that the vaccines will actually make COVID-19 infections worse and is warning people against them! Expect to find a lot of negative stuff about this man if you search for him on Google. The main tool the enemy uses to discredit the message is to discredit the messenger.

In this talk, Dr. Malone identifies a tool used by governments throughout history called Mass Formation Psychosis. Hitler used it to vilify the Jews for Germany's problems. Lenin and Stalin used it to murder Christians and

everyone who opposed them in their regimes. Mao used it during the Cultural Revolution to stir up university students to work for him and purge out anyone who opposed the revolution. Is the world in the midst of mass formation psychosis right now over how to treat a disease that the vast majority of the people who get it survive from? My wife Tess got Covid while she was in the Philippines and got well. She now has natural immunity far better than any vaccine can give her!

Dr. Robert Malone: How does this happen? How do we have this emergent phenomenon? The “how question,” right? And you know, behind the “how question” is the “why question” the how question of a third of the population basically being hypnotized and totally wrapped up in whatever Tony Fauci and the mainstream media feeds them, whatever CNN tells them is true.

Let me illustrate that. The other day, I was looking through New York Times’ recent articles about Omicron and pediatrics in preparation for this and for making some slideshows. And I saw this headline in the New York Times. The text and the title was “How You Should Think About Children and Omicron.” He was blatantly saying “this is how you should think. We’re going to tell you how to think.” okay, people kind of got to get that in their head. That’s the world we’re in right now. Now, what [Mattias Desmet has shared with us](#), brilliant insight, is another one of those, “Aha, now that part makes sense.” Which is that this comes from basically European intellectual inquiry into what the heck happened **in Germany, in the 20s, and 30s, you know, very intelligent, highly educated population, and they went barking mad.** And how did that happen? **The answer is mass formation psychosis**, when you have a society that has become decoupled from each other, and has free floating anxiety, and a sense that things don’t make sense. We can’t understand it. And then their attention gets focused by a leader or series of events, on one small point, just like hypnosis, **they literally become hypnotized and can be lead anywhere.** And one of the aspects of that phenomena is the people that they identify as their leaders, the ones typically that come in and say, “You have this pain, and I can solve it for you, I and I alone can fix this problem for you.” Then they will follow that person through him. It doesn’t matter whether they lie to him, or whatever, the data are irrelevant. And furthermore, anybody who questions that narrative is to be immediately attacked, they are the other. This is central to mass formation psychosis. And this is what has happened. We have all those conditions.

If you remember back before 2019, everybody was complaining, the world doesn’t make sense, blah, blah, blah. And we’re all isolated from each other. We’re all on our little tools. We’re not connected socially anymore, except through social media. And then this thing happened and everybody focused on it. That is how mass formation psychosis happens. And that is what’s happened here.

Now there are ways to get out of it. Mattias’ recommendation is you got to get people to realize that what **we’ve got is a situation of global totalitarianism.** In his experience in Europe, making people realize is a bigger threat than the virus can cause a separation psychologically, in this fusion, this hypnosis that is happened. The problem is, then you’re just

substituting a bigger boogeyman for the current one. And somebody else can come in and manipulate that the real problem, and it gets back to your core point. We're sick as a society, and we have to heal ourselves. And one of the things we have to do is come together, we have to recreate our social bonds. We have to buy into integrity, the importance of human dignity, and the importance of community. That's how we get out of this. And I think that this insight of Mattias Desmet, is really central to kind of making sense of all of this crazy.

We got a world in which the press is incentivized to push a storyline because they're all controlled by the same large funds that Pfizer is, and so as tech. I don't know how we're gonna get out of it. But it's got to start with us. All of us finding common ground.

This text was transcribed from a video I found on Rumble. If you want to listen to the video first, just scroll down to the bottom of this article. If you find any errors or typos in my transcription, please tell me so in the comments section below and I'll fix it.

Speaker: Ladies and gentlemen, please stand on your feet and greet Dr. David Martin. (Applause)

David Martin: Thank you very much. Mikki (Willis), you would you stand up, please? Many of you know me because of the work and the brilliance of this man and his team. And well, that's interesting. What you don't know, is the speech that I'm about to give is because this man is not just behind the camera. He's actually a brother. And what he did to me a few months ago was he called me and he said, "You know what?" He goes, "You presented all the facts. You've been out there in front of this thing before it was a thing." And he goes, "But there's something missing. And there's something that's missing is your humanity. What happens when I sit close to you is one thing. And what happens when you're on a stage or on a camera in an interview is a

different thing.” And he goes, “You need to bring the man into this presentation.” So the presentation that you’re hearing today is because I have a brother who holds me accountable. Mikki, Thank you. (Applause)

COVID-19 and SARS C0v2 was a coup d’etat. And let me be precise about what I mean by that. Sedition in the United States is actually defined very simply, by when any act is done by a conspiring party or group of parties, that its intent is to disrupt or interrupt or overtake the government of a state or a country. And under 18 US Code, the act of sedition was in fact, a coup d’etat to ensure that there would not be a democracy in 2018. Okay, and I’m going to present across the next few minutes the evidence of that. And I’m going to end my presentation with a challenge to you. Because during my presentation, the 30 minutes that I have, is going to cost two children their life because of the inaction of every attorney general in America, because of the inaction of every US attorney, and because of the inaction of every governor in this country. But my grandfather said, Never attribute to malevolence what is ignorance. So in the next 30 minutes, I’m giving every elected official the opportunity to do the right thing. And after 30 minutes, I’m not going to give them that opportunity again. (Applause) So you got Mr. Nice Guy for 30 minutes.

Next. Now, most of you don’t know the details of all of the elements. And the good news is I’m going to flip through these slides very quickly because the end of the story is the important part of the story. But for those of you who don’t know, COVID is a direct result of HIV Inc. HIV Inc. was founded in 1984. Anthony Fauci was the chief architect of HIV Inc. And his goal was to use sexuality, and specifically homosexuality, as a way to indoctrinate humanity into the acceptance of a universal vaccine mandate. Now, interestingly enough, most of us didn’t take the bait. And the reason we didn’t is because we didn’t live the lifestyles that were associated with HIV in 1984. But cunningly, by 1986, Anthony Fauci and his team at NIAID (National Institute of Allergy and Infectious Diseases) and his minions at the CDC had convinced each and every one of us that maybe we’ve been in a car accident, maybe we would get a transfusion, and maybe we would get AIDS, which was the justification for a universal HIV vaccine in 1984. It’s gonna get nasty because I’m going to show you some real images from 1984 just to let you see that what I’m saying is not my imagination.

But in 1984, something happened. People realized that to accept a universal vaccine, we needed to create a liability shield for the manufacturers of those vaccines. And from 1984 to 1986. We actually built **the first-ever product immunity in the United States, which allowed manufacturers to kill people with intent.** And you heard what I just said, kill people with intent. Anthony Fauci was quoted himself as saying that the ultimate killer of pharmaceutical interventions with vaccines was the smallpox vaccine, which killed one in every 100,000 and injured or maimed one in every 10,000. Did you hear what I just said? Killed one in 100,000, maimed one in 10,000. And that was something that he thought he could turn into a universal vaccine for HIV in 1986. I don’t know what an acceptable death rate is for you people. But an acceptable death rate for any product, anywhere in the history of humanity in my definition, is zero! (Applause)

But then, a little dirty secret came along. Somebody at the NIH (National Institutes of Health) said, "Hey, Tony, Cool your jets baby. We have this drug called AZT. And we don't want a vaccine too quickly. We want to kill people with AIDS with AZT. So let's run the clock on it in the state of North Carolina...". By the way, if you're from North Carolina, or you've done anything in North Carolina, you got tar on your heels and blood on your hands. Because the state of North Carolina since 1986 has been brought to you by HIV Inc.

That's a bummer. I think I just lost the elected officials in North Carolina. Shoot. I couldn't even make it through a presentation.

UNC-Chapel Hill began the weaponization of Coronavirus in 1986. But by 1996 Anthony Fauci had a little plan. Coronavirus, as a model, has a very interesting set of attractive attributes, which include this very interesting thing called a spike protein and a couple of other binding sites where the virus allegedly binds to the outside of the cell. And it turns out that Ralph Baric (a professor) at the University of North Carolina Chapel Hill, was the very first person to figure out how to take a pathogen, which used to be an infection of the gut, gastroenteritis. For over 30 years Coronavirus was gastroenteritis. But Ralph Baric figured out how to weaponize it and not weaponize the virus, weaponize the spike protein. And he was the one that figured out how to make **a thing that used to hit your gut, hit your heart**. That was gain of function ladies and gentlemen, the thing that we never did, allegedly. He did it! And in 1996, he received a grant and then a series of grants in 1999, by Anthony Fauci to actually weaponize the Coronavirus spike protein so it could be used as a vaccine vector with the idea that it would be the next HIV vaccine.

That's when I started watching this. I've been a locust-eating prophet in the wilderness. (Laughter) Because my first briefing on this was in 1999. My

first intelligence briefing on this was in 2003, in a published document that I have sitting on my desk to remind me that sometimes being right isn't as good as being effective. Turns out I was right in 2003. And unfortunately, I wasn't effective.

But Fauci ran into another problem. And in 1999 to 2002, and patented by the University of North Carolina Chapel Hill, and conveniently in the fall of 2018, do you all remember the big Coronavirus outbreak of 2018? No, that's because there wasn't one. But in an unprecedented move, the University of North Carolina Chapel Hill was forced to sign their SARS vaccine patent from UNC-Chapel Hill back to NIH. By the way that hasn't been done. But they did it in the fall of 2018. Does it feel like they were preparing for something?

Next slide. Do not read this slide. Because I used to hate professors who put reading charts and eye exams on slides. Don't read it with any luck, Clay Clark can figure out how to make all of this presentation available to you. And I hope he does because that's what it's for. But in 1984, we created the vaccine nightmare, and **we let Anthony Fauci have \$191 billion**. And you heard the number, right, *billion*. We've been told about \$3.7 million going to China, and we're supposed to be upset about that. How about \$191 billion of your taxpayer money that has gone to weaponize nature against humans? 191 billion, and let's do the little walk-through, shall we? 1984 we invent the **vaccines for HIV, which led to death and permanent disability to over 50% of the participants**. But that was okay because they were gay. That was okay. It gets worse. Okay. 2001 you remember the anthrax scare the domestic terrorism scare? Did anybody know that the US military in the spring of 2001 ordered 300 million doses of Ciprofloxacin? 300 million doses. Now we have a pretty compelling army in this country. But with all due respect, 300 million sounds like every citizen in America, it doesn't sound like every member of the US military. And how is it that at least five months before anthrax was released, we ordered 300 million doses of the treatment called Ciprofloxacin? And from – oh that's right – a German company called Bear.

That's by the way when I started busting these stories because it turns out that this wasn't the only pathogen that was being developed by the Department of Defense. And it was interesting because in the early 2000s, I started seeing Coronavirus show up in a bunch of DARPA contracts and a bunch of DOD contracts and I'm sitting there going, why would we be doing that? Why would we be taking a thing which was for dogs and porcine – that's pigs by the way, that's a scientific term for pigs. Think bacon and you got it. Pigs and various other vertebrates? Why would we suddenly be trying to weaponize that and make it hit human lung epithelial cells and human cardiac cells? Why would we be doing that? And why would the Defense Department be doing that? Is that where you expect to go to kind of get your kind of basic treatment programs? NO!! And you don't go there? Because it sounds like a weapon system if it's being funded by billions of dollars of Defense Department black contracts, doesn't it? Or is that Dave the conspiracy theorist?

Well, let's jump into my favorite 2016 protocol, the [AMP \(Antibody Mediated Prevention\) protocol](#). The AMP protocol has a line that I absolutely love. This was when we decided to let the University of North Carolina Chapel Hill develop the HIV vaccine. And it turns out that read what they said about this

protocol, it will take place in sites, 24 sites in Brazil, Peru, and the United States and will enroll 2700 men and transgender people who have sex with men. What?! That's by the way straight out of the protocol.

If you don't believe what I say about the fact that Fauci has no concern for human life, but is more than happy to kill people who most people think shouldn't live anyhow, guess what happens? We start introducing the camel's nose under the tent and we start saying it's okay to kill people in the advancement of science. Now listen, people listen carefully. I am not advocating for any lifestyle. But what I am saying is that when you've decided that you're playing God and that there is a person by any designation, that doesn't deserve to live, you left humanity! (Applause) Period! If any of you see my wife, you know, I'm very heterosexual and very happy. (Laughter) But that doesn't justify making a determination that somebody who doesn't share my values is worth killing in the name of HIV Inc. (Applause) Let's be clear on that. And then 2016 2019. And by the way, look at 2019, the hepatitis C vaccine, which guess what has to do with yet another sexual context story that they tried to turn into, they were killing people that are promiscuous, and usually gay and promiscuous, so we don't care about that. I'd love for some of the bleeding hearts left to actually realize that they're the ones celebrating the execution of the people who they allegedly represent. I think that would be a very interesting proposition. Because maybe somewhere along the line, we should actually go back to 1984. And look at the ghost of Anthony Fauci in this slide, by the way, if you see this slide that's on the screen, what you'll see is 1984 Anthony Fauci, no kidding. That's what he looked like in 1984. He still looked like that center from the high school basketball team.

What?! I'm going to tell you if I had to bet on a basketball team, and I knew that Anthony Fauci was the captain of that team in high school, I bet against him. And guess what, I'd bet against him now, too, because the dirty little secret is he actually made the statement, "it is quite possible. In fact, it's invariable that we will develop a vaccine for AIDS." Now, you know, sometimes there are things called Freudian slips, people say things and they didn't mean to say it. So I want to give him credit. He probably misspoke. He probably meant to say it's inevitable that we'll do it. But he didn't say that. He said, it's *invariable* that we do it. And it turns out that if you look at the definition of the word invariable, you know what it means? "I'm never going to stop doing a thing". Ah oh! You think we're talking about a COVID vaccine right now. No. We're still talking about Anthony Fauci's fantasy of an AIDS vaccine. Don't make a mistake by being fooled.

Next slide. Here's the problem. 1984. He had an epic fail. He tried to make an AIDS vaccine, it didn't work. In 2005 he tried to do H1N1, an epic fail, people died, it didn't work, people didn't roll up their sleeves, epic fail. And then a bummer of an opportunity came along. In 2018 we actually did have an influenza pandemic. We had a lot of people that died. And guess what we didn't do. We didn't shut down countries. We didn't shut down borders. We didn't shut down schools or churches or anything else. We just let people die. And it was seen inside of NIAID as a lost opportunity. Dead people was a lost opportunity. So what he did was he figured out something and he gave the

University of North Carolina Chapel Hill a grant to create a pathogen. So that we could actually get, and I'm quoting, "the public to accept the need for a pan coronavirus vaccine. We need the media to create the hype to get to the real issues. We need to use that hype to our advantage. Investors will follow if they see profit at the end of the process."

SARS Reverse Genetics
Baru, Rosh S.
University of North Carolina Chapel Hill, Chapel Hill, NC, United States

Abstract

Severe acute respiratory syndrome is a life threatening human illness characterized by mortality rates exceeding 10% in the elderly. The SARS coronavirus contains a approximately 30kb single stranded positive polarity RNA genome. The availability of a full length infectious clone of the SARS genome would not only provide complete genetic control over the virus, but allow for rational design of live attenuated vaccine candidates. Consequently, we have used a SARS reverse genetics system to construct the top of the genome for controlling this important human pathogen. We are the only group in the US to have successfully assembled a full length infectious clone of this coronavirus. These full length constructs provide novel opportunities for studying the genetics of coronavirus replication and pathogenesis, as well as, new tools for developing a full length SARS vaccine and compare the properties of conventional "dead" attenuated vaccine using biochemical protein and mouse challenge experiments.

Keywords: we will develop a full length SARS genome and compare the properties of conventional "dead" attenuated vaccine using biochemical protein and mouse challenge experiments.

Introduction: SARS is an emerging high level SARS single RNA genome for use as expression vectors and vaccines. We will use these full length SARS single RNA genomes that replicate in mouse only, directly the construction of full length genome constructs using reverse genetics approaches and evaluate the pathogenicity of these viruses in rodents and nonhuman primates. The goal of this application is to establish genetic control over the SARS genome and provide sufficient genetic data will be used to other groups throughout the country.

That's a quote, National Academy of Sciences, Peter Daszak 2015, published in February 2016, Proceedings of the National Academy of Sciences. This was not a public health problem. This was a biowarfare act of domestic terrorism meted out on the citizens of the United States and the people of the world. And **it was not a lab leak from China**. It was not a lab leak from anywhere. It was an **intentional weaponization of the spike protein**, and **it is murder and we will call it what it is**. (Applause) It was murder then, and it's premeditated murder. And we have to be clear on the fact. In fact, never use the word vaccine again. That's like saying that a gun is a propellant of copper. No, it isn't. It's a gun. Call it what it is. Next slide.

And here's where it gets nasty. You guys know the guy on the right. What you don't know is the guy on the left. And here's the story you don't know about the guy on the left. The guy on the left is Alex Azar. Now, what you don't know about the guy on the left is the guy in the portrait further to the left is even a bigger problem, Henry Waxman. Henry Waxman the patron saint of caring about health, who was the one that made sure every pharmaceutical company got a shield of liability so they could never be held accountable. That Henry Waxman had a very interesting guy appointed by Trump in 2017, Alex Azar, Director of the Department of Health and Human Services. What Trump didn't know, what you didn't know, what most of America didn't know was Alex Azar was an executive, not a physician, an executive at Eli Lilly. And at the time of his appointment, he happened to be under investigation for price-fixing diabetes drugs in Mexico. Hmm hmm. In fact, during his now found to be collusion and racketeering and price fixing an antitrust violation, which

turned out to be, held to be, exactly what I just said. While he was actually trying to deflect attention from the racketeering that he was doing by price-fixing insulin in Mexico, he actually made President Trump sign an order. That was the execution order for Americans. And President Trump was advised by appointed individuals who never told him the facts. This ladies and gentlemen was treason. This was treason. And anybody who wants to point the finger at Donald Trump, the best you can do is say he was subjected to corruption and maliciousness and treason and traders within his circle. That's true. But when he signed this, he did not know the cost. He did not know. And the persons who did know was the lobby, the pharma lobby, the single largest donor in US history to political campaigns. They were the puppets that actually put that paper in front of Donald Trump. And **Alex Azar was the executive responsible for the death and destruction of America.** And you have not even heard his name. Because criminals like to put other people upfront. Well, they hide in the shadows. Well, guess what, we're not going to let happen today. A lobbyist turned executive, turned architect of oh my gosh, under the Bush administration, Alex Azar was the one who also came up with the prep Act, which actually shielded companies from liability in the event of a national emergency. **Alex Azar is the perpetrator of the largest genocide this country has ever seen.** And you do not know his name. But that just changed today. (Applause)

Oops, that was my out-loud voice. And it turns out, he's the boss of Anthony Fauci. He's the boss of CDC. He's the boss of NIAID. He's the boss of NIH (National Institutes of Health). He's the boss of the FDA. And guess what? He's the first guy that the FBI should cuff, lock up, and put in prison for the rest of his life! (Applause) That's our target. And don't think I'm actually advocating justice for the sake of justice. I'm advocating justice, because the minute we actually have the first felony conviction, the first time the emergency use authorization vanishes, because it turns out the emergency use authorization cannot stand if the basis of it was a felony. And that's written into the law. We have one focus. We have one silver bullet. And I am waiting for one AG (Attorney General) in this country to stand up and be accountable for the lives that are being lost because well, I'm talking, two children died because they're being murdered by a collusion racket. Which is like having Al Capone drive through the streets of Chicago and shoot into a school. You wouldn't sit for that but you have sat for this. Well, guess what? Not after this. From now on every hour that you do not follow the instructions I have at the end of this speech, for every hour that you don't take action, another two children die. And I want you to go to bed tonight asking yourself, did you pay attention? Or Are you cool with two kids dying every hour? I want you to sleep on that. I want you to sleep with that. Because on my watch, that ain't gonna happen.

Now I may be David and I may have a couple of river stones, which I'm going to share with you. And we got a Goliath that we got to work with. That's okay. But let's do the next slide because I got a punch line. And I'm going to get on schedule, in fact ahead of schedule. I'm going to end early to respect the next speakers. So here we go. That slide. Here's the deal, guys, you're going to share this slide, so I don't have to talk about it right? We're going to figure out a way to share the slide. Awesome. So you don't, I

don't have to talk about it. Because I do have to talk about this.

There are two websites right now by any grace of God in the next five minutes or 10 minutes or hour, there's gonna be 100 websites like this, because what I conveniently did for every attorney general for every US Attorney for every law enforcement agent in this country, what I did was I went ahead and drafted the indictment notice. (Applause) The United States of America v. And let's read it out because that's all the time I have.

United States of America V

We are going to do the following, you're going to go to that website, DavidMartin.world or fullyliveacademy.com, there's a button that says AG document, you are going to print that document and you're going to deliver it to every attorney general in every state, you're going to deliver it to every US attorney, you are going to put them on notice that from this day forward, and literally from this minute forward, every death is on their hands, because they can do something about it. And they have chosen now four times in four meetings, they have chosen to say, "Dave, this is a political, not a legal issue." And that's a quote from AGs offices. **Make it a legal issue.** And if they haven't made it a legal issue, if you haven't heard that an AG met with me, make it a political issue next year. Because this is our country, these are our children, and we will not let them die on our watch. (Applause)

Ladies and gentlemen, we the people can do something. You now are entrusted with much. And to quote that beautiful narrative in the Gospels. When you have been entrusted with much even more is required. Guess what? I just gave you the river stones. There's an eight-count indictment, all felonies, all punishable by up to 99 years in prison, and up to \$100 million, fine. And, and I'm going to tell you today that anybody who works with me on this case has to agree to the following. All of the proceeds that we get from the collections of this lawsuit, and I mean, all of them are going to go to a Vaccine Injury Fund that does not require anyone to prove that the vaccine did anything. Because it turns out that every mother, every father that has a vaccination injured child, whether it was caused by it or associated with it, those people need our help. And every dollar that is ever collected is going to go to make sure that we the people honor the fact that real humans have suffered under the hands of a colluding set of conspirators who now it's on us to make sure go away forever.

Ladies and gentlemen, you can do it. And today, right after this speech, Mikki Willis and I are going to go back to the booth up there. And we are

going to sign books together. So the Plandemic books if you want them, MiKki and I'll be back there. We'll be happy to sign your books. And listen people, we can do this together. You now have been entrusted with much, even more is required. Thank you very much. God bless you.

Introduction:

David E. Martin Ph.D. is the developer of several innovation-based quantitative indices of public equities and the founder of the Purple Bridge Funds and M-CAM International. Red Pill Expo is the major public event of Red Pill University. "Red Pill University is a coalition of individuals and organizations that share a

common problem – and have a common understanding of the solution. The problem is that peaceful, law-abiding citizens are experiencing ever-increasing control over their lives by governments and corporations. ” – Quoted from <https://redpilluniversity.org/take-the-tour/>

The purpose of this talk is to de-mystify the “they” of the COVID War.

Excerpts from the talk by Dr. David Martin to the Red Pill Expo

“How many of you are familiar with the company, Anser? I love having this moment. Do you know they are the single largest contractor in the entire COVID terrorism campaign?...

“The companies on the right, that you think are the ones running this show [Pfizer, Moderna, Johnson & Johnson, Merck Ridgeback, Gilead Sciences], are in fact a front [for the companies on the left, Anser, Fors-Marsh, Palantir, Publicis Sapient].

“And you know what a front organization is? They’re the ones that are supposed to take the flack and take the heat. The ones on the left are the ones that actually got the money. Operation Warp Speed went to Anser.

“You didn’t know that, because you were told by the media that it went to Pfizer, Moderna, Johnson & Johnson and all that kind of stuff. That’s not true. The prime contract of Operation Warp Speed went through Anser, a company none of you had heard of!

“And you didn’t hear about them because the contract was signed by ATI, a company based in South Carolina, a company whose history has been government defense contracts for the purposes of propaganda! I wish I made that up. The prime contractor selected to run Operation Warp Speed was a propaganda expert for the US Department of Defense...

“Anser is the way for the Federal Government never to be liable for the criminal conspiracy they know they ran. They are now one of the top ten Federal Contractors in history, below Lockheed-Martin, Raytheon and all those guys.

“Those names you know. You don’t know Anser, the single company that, by COVID rose – the highest-ranked rise in the history of federal contracting; the highest single-year rise, ever was Anser – and none of you know who they are!...

“Anser Corporation, they’re the ones running Operation Warp Speed and they’ve been set up to shield these manufacturers from ever taking the financial liability for their willful misconduct. And one day, everybody’s gonna go, ‘Let’s sue Pfizer! Let’s go sue everybody else! And the only problem is when we go to sue them, they say, ‘Hey! It wasn’t us!’ And they’re right and all of us were asleep. And I’m talking to a woke crowd, here and all of you were asleep.

“Don’t tell me you’re awake if you’re still sleeping, because if you didn’t

know who Anser is, you're still asleep!

IT GETS WORSE...

"It gets worse. Fors-Marsh, anybody know Fors-Marsh?...They're the branding agency that branded COVID. They're the ones who make sure we find hospitals that are overrun with people. They're the ones who find kids that died of COVID right before the FDA needs to vote on giving kids injections. They're the ones that go around the world, making sure every message is always the same: 'We will not return to normal until we have a vaccine.' Thank you, Justin Trudeau! Where'd you get the script? From Fors-Marsh! And how many of you knew that? None of ya!

"How about Palantir? Hey, that's a weird one, isn't it? Peter Thiel, who has successfully run a company that has lost \$200 million plus, every year for about seven or eight years, goes public in the middle of COVID. Isn't timing interesting? Isn't it fascinating that a company that's done nothing but lose billions of dollars goes public in the middle of the worst economic cycle we've had? Isn't that funny? And did you actually go back and read their public offering? Hah! Funny! I know you didn't, because there really wasn't one, that's why you didn't read it!

"Because they went public in this very bizarre, backdoor way of actually selling founder's stock into the market, so we got personally-enriched – personally-enriched – using the public market as the laundering facility. Isn't that brilliant?

"But let's look at what they did for our COVID scandal. They actually came up with a thing called Gotham Data Tracking...you know what that does? That's making sure that every time you turn your phone on, when you get off the plane, when you cross the state line, it gives you a little tag that goes, 'Hey, do you want a COVID alert in your neighborhood?' You know why? Because you are being monitored. Your phone is being monitored. Your transactions are being monitored, your credit cards are being monitored, your health behavior's being monitored, your vaccine status is being monitored and it's all done under the contract run by Gotham Data Sciences, the company that went public during COVID – and none of you knew about this.

"And you've been to Red Pills! And you still haven't taken the Red Pill! And by the way, I'm not even to the good slide, yet. So be depressed! 'Cause it's getting worse!

"Publicis Sapient, the Health and Human Services' IT contract. Have you ever wondered how the data never seems to add up? Somebody always has allegedly the same reportable data?

"Publicis Sapient has the Health and Human Services' IT contract to consolidate all of the data, so guess what happens? Everybody has the same number of COVID cases to report, when somebody from the media calls and says, 'Hey, how many cases do we have?' 'Oh, 40,000'. 'Oh, round number, 40,000'...

"When, in the course of human history has a round number involving the word

'thousand' ever happened? There's never been a 10,000 heart day, there's never been a round number day – until you actually control the Department of Health and Human Services' entire IT platform and not one of you knows that that's a single contract, run by Publicis Sapient...
"You've been focused on the right hand side the whole time and the left hand side is doing the dirty work.

THE COVID PIRATES

"Now, why do I call them 'privateers'? How many are familiar with the difference between a pirate and a privateer? Pirates go rape and marauding and stealing and...a privateer is the same thing, that has permission to do it by a government that's gone corrupt. That's what these are (points to the slide of COVID contractors). They're the privateers. But hey, since we have privateers, it feels only appropriate that if we have a world of privateers, we should also...have a world of pirates. And here's our pirates."

The new slide shows the universities who've been involved in the COVID War: UNC Chapel Hill, Vanderbilt, Emory, Johns Hopkins, University of California System, MIT, NYU Langone, DZIF, Imperial College, IHME, Erasmus Medical Center.

"Pirates. UNC Chapel Hill, I talked about that. That's the guy who actually made the weapon, Ralph Baric. Since 1999, \$100 million to weaponize the particles of coronavirus. Over \$100 million. You've heard about \$3.7 million going to Wuhan – ohhhh – 3.7 million, that feels like a bad number.

"And how 'bout \$28 billion of that coming from DARPA for their bioweapons initiative? Anybody heard of \$28 billion that went through Anthony Fauci at NIAID? Anyone hear about the \$20 billion that went directly to UNC Chapel Hill, that weaponized spike protein?

"You haven't heard about that, you haven't heard about that because we've been talking about \$3.7 million going to Wuhan. Stop being distracted by the cover story!... Because the distraction is where the interesting thing is.

"UNC Chapel Hill, Vanderbilt, Emory, Johns Hopkins and the University of California: those are the pirates that have made the most money on federally-granted, disclosed money going into the university sector. I'm calling them 'pirates' for a very good reason. They justify all of this in the name of science and education...

"I don't even care whether these people pretend to hide behind the 'It's an academic research project' to try and get out of the bioweapons definition. The bioweapons definition says that if you enable a foreign entity to build something known to harm humanity, you have already created a felony, you are going to jail for the rest of your life and you are liable for a \$100 million penalty.

"So guess what? Welcome to Hell, all five of these universities! Because they're all felons! All of 'em!

"And how 'bout the right-hand side? MIT, New York University Langone – hey, by the way, Langone? Where did that name come from? Ken Langone? Anybody? Oh! I'm not supposed to say that name out loud, Ken Langone, except I just did, didn't I? Ken Langone...

"They're actually putting their name on the letterhead and you don't know who to look for! You're still being told, 'Oh, it's the Rothschilds and it's the Rockefellers!

"No, it's not! It's the guy who put his name on the facility! How many of you know who Ken Langone is? Guess what? Look it up! Because that's a pretty big thing that you should be aware of and unfortunately, you're not aware of it, for a very good reason because he hid it in plain sight, in the name of the medical center. New York University Langone, like that's a really hard thing to find.

"DZIF Charité...you've heard of Dr Christian Drosten, the Crazy-in-Chief in Germany who's kind of Anthony Fauci and Ralph Baric's evil stepchild, Imperial College, the criminal conspirators who came up with the fear porn of how many people were going to die, IHME, the University of Washington program, but the one I want to bring your attention to is the one at the bottom, Erasmus Medical Center.

"Bart Haagmans...In 2002, Bart Haagmans was an interesting dude, because he actually figured out a way to build a bunch of patents around the vaccines for the coronavirus. Mysteriously, the European Union in 2012 started giving him massive, massive grants to run a thing called Zapi.

"And Zapi was the zoonotic disease transmission laboratory for the European Union. And Bart seemed to always get the money. Now, this is fascinating because Bart was also the one who decided to patent MERS. The Middle Eastern Respiratory Syndrome, remember that one? The one that never really happened but kinda happened in 2012-13? Bart was the one that patented MERS...

"Erasmus Medical Center, actually, in their public statement, when they were confronted with the lie, where they said that they hadn't filed a patent on the actual genome – kinda like the CDC said in 2007 – when confronted with the lie, they said in public – and you can't make this sh!t up, People, it's so funny! They said, 'Well, what we said was not entirely false in all jurisdictions in the world.'

THE COVID ORCHESTRA

"But this, Ladies and Gentlemen is the slide you wanted to see. This is actually the names and faces of the people who are, in fact killing humanity. And that's ALL of them. Now, here's the bad news: There's a lot of people on that slide, aren't there? Here's the better news...I'll actually give you all this slide, because why not? Let's make sure that we don't ever forget the names and the faces of the people who decided to kill us...

"

Here is a list of all the people in that slide:

- Dustin Moskovitz, Open Philanthropy

David continues, “I want you to have some looks on there. Some are kind of interesting, like cellist Yo-Yo Ma. Did you hear me say that? Cellist, Yo-Yo Ma.

“How about the head of the Wellcome Trust? Not surprising, there, right? How about Princess Rania of Jordan? Ooh, that’s weird.

“How about the woman who happens to be sitting at the helm of the leadership of the government of Canada but conveniently out of sight but running 100% of the money for the government of Canada.

“How about all of these interesting people like, Jim Hagemann Snabe, how about Zhu Min, Chairman of the National Institute of Financial Research in China?

"And what makes these individuals interesting is that when you look at them, you find out something very important. Almost none of them have sought public visibility. Isn't that funny? Which makes me pick on one of them. The guy I have here, at the bottom corner. And I have to give him credit. He has done so much to stay out of sight.

"I've got 12 minutes left. I've got to spend a couple of minutes on the guy who's paid every search engine optimization to keep his name out of search engines and I'm doing it so that it costs him sh!tloads to keep all of you silent.

DUSTIN MOSKOVITZ: EDITING THE HUMAN GENOME

"So let's get really clear on Dustin Moskovitz. Shall we, Dustin Moskovitz?...You little piece of sh!t! Let's talk about him for a minute. The Co-Founder of Facebook that you've never heard of...also the guy who founded Open Philanthropy, who was the actual check-writer for Event201. You were told that it was the World Economic Forum. You were told it was the Bill and Melinda Gates Foundation. You were told it was Johns Hopkins University. But the actual check that cleared for the program was signed by none other than Dustin Moskovitz...

"Now, I'm picking on him for a good reason. He's a felon, he's a criminal. He is one of the most sociopathic, psychopathic, crazy people walking the planet and he's paid to keep his name in private. So guess what? Don't let him! The reason why I want to give you this slide is because I want every one of them named. I want them all publicly named.

"Because it's time that we start going through the reality of saying, 'We the People are not going to let mass-murderers get away anonymously mass-murdering people. We are not going to allow that to happen! Not on our watch! And that's why you have this slide...

"But let's go back to Dustin. Isn't it interesting that Dustin conveniently decided to shroud this entire public health crisis in a self-serving, self-interested investment objective? He owns Sherlock biosciences. Sherlock Biosciences happens to be the company that owns the CRISPR technology that is the joint venture between the United States and China on gene editing the human genome...

"Dustin Moskovitz knew that if he actually tried to take this technology into the public, nobody would be willing to do it, particularly, given the fact that it's a JV [joint venture] between him and the government of China. That's the reason why we'd have a problem with it. Because it feels like eugenics. Do you know why it feels like eugenics? Because it is eugenics, that's why it feels like it! That's why it feels like Cold Spring Harbor Labs...

"The only way we could get gene-editing technology approved was with an Emergency Use Authorization. Not surprisingly, once everybody was distracted on vaccines and everybody was distracted on RTPCR and everybody was distracted on everything else, Sherlock Biosciences slipped their Emergency

Use Authorization application into the FDA – and got it. In other words, using the cover of COVID, which all of us are pretending to talk about, the editing of the human genome was approved and not one of us said a thing.

“Now, if you were going to edit the human genome, do you think you’d need a good cover story to actually hide what you’re really doing? You’d probably find the guy who has the biggest financial interest in doing it and make sure, that while everyone is looking over at coronavirus and COVID and trying to figure out these Lab Leak Hypothesis – there’s no Lab Leak Hypothesis, because there’s no lab leak!

“So stop talking about lab leaks! there is no lab leak. This is the willful weaponization of a spike protein, that’s what it is. It’s an act of war, it’s not a leak. We need to start calling it what it is. It’s an act of war. It’s an act of war against humanity.

“We stop pretending to take their bait and follow their stupid rabbit trails and follow stupid rabbit trails into stupid rabbit holes and wonder why there’s a bunch of pee and piss and poo that smells like rabbit warrens. Well, it smells like it because that’s what you find at the end of a rabbit trail.

“We need to be focused on the point and people like Dustin Moskovitz and this slide is going to be shared with everyone in this room because it is incumbent on you. Now you know. Now you must act. Because when we talk about the ‘they’, we empower the ‘they’.

“But when we talk about the names of people, we humanize the sociopathic behavior. We humanize the fact that there are individuals and organizations that are willfully murdering the humanity that we know and love and we cannot let that happen on our watch. It is incumbent on all of us to get those words out.”
