

The Founding Fathers of America: All opposed to the Gospel of Jesus Christ!

Watch this educational well made factual documentary based on the very writings of the founding fathers of the United States of America, men like **Thomas Paine, George Washington, Thomas Jefferson, John Adams, Benjamin Franklin**, etc., and you will see that America was *not* founded by godly Bible believing men to be a Christian Protestant nation, but by men who actually *opposed* the Gospel of Christ calling it “blasphemously obscene” and who called the Bible “a collection of paltry and contemptible tales.”

The founding fathers of America held same views as those of the so called “French Enlightenment”. All were opposed to the teaching of the Gospel and did not hold the Bible to be the Word of God.

The Declaration of Independence and the American Constitution literally made it **legal to practice witchcraft**, something that was outlawed in countries of Europe.

Book Report: Rulers of Evil – Useful Knowledge about Governing Bodies, By

F. Tupper Saussy

This book has key pieces to the puzzle of how the Vatican has taken over the world through the Knight Templars, Illuminati, Jesuits, Freemasons, Knights of Malta, Rosicrucians and other secret groups. Yes folks, these groups are all connected with the center being Rome, the Vatican. “All roads lead to Rome” is true today as it ever was.

I deem the author Frederick Tupper Saussy to be a good honest researcher because he is a Christian who has pointed consistently throughout his book that the “Rulers of Evil” have sought to negate doctrines from the Old and New Testaments of the Holy Scriptures in favor of doctrines of paganism, with humanism being the number one doctrine they want to instill in the minds and hearts of the public.

Here’s a quote from page 20.

I felt an overwhelming obligation to love my enemies by studying them in intricate detail. I wanted to know the extent of **Jesuit involvement in United States government**, presently and historically. What I discovered was **a vast Roman Catholic substratum to American history**, especially the Revolution that produced the constitutional republic. I found that Jesuits played eminent and under-appreciated roles in moving the complacent New Englanders to rebel against their mother country. I discovered facts and motives strongly suggesting that events that made Great Britain divide in 1776 were **the outworkings of an ingenious Jesuit strategy**. This strategy appears to have been single-handedly designed and supervised by a true founding father few Americans have ever heard of – **Lorenzo Ricci** (known to British Jesuits as Laurence Richey). In fact, investigating Jesuit involvement in the formation of the United States turned up a whole host of hitherto littleknown names, such as Robert Bellarmine, Joseph Amiot, the Dukes of Norfolk, Daniel Coxe, Sun-Tzu, Lord Bute, Francis Thorpe, Nikolaus von Hontheim, and the Carrolls, Daniel, Charles, and John. In their way, these men were as essential to our constitutional origins as Jefferson, Paine, Adams, Washington, Locke, and

George III.

New information I have learned so far

- The founder of the Jesuit Order, Ignatius Loyola, was initiated into the Illuminati. The Illuminati existed long before Adam Weishaupt founded the *Bavarian branch* on May 1st. 1776.
- It was in Spain and Portugal that the Knights Templars began to call themselves "Illuminati."
- The basic doctrines of the Illuminati are based on Gnosticism.
- The Illuminati, Rosicrucians, Freemasons, Jesuits and Knights of Malta are groups that evolved from the Knights Templars
- The Knights Templars invented modern banking because of the invention of paper money by the Chinese. The banking financial systems of today would not be possible without paper money which has now advanced further into digital money.
- Though the Gunpowder Plot of 1605 was blamed on the Jesuits, and 8 Jesuit priests were executed, King James who "discovered" the plot was in reality a collaborator! The Plot gave James his best opportunity to separate loyal and moderate Catholics from the extremists of the Plot which secured England for loyal and moderate Roman Catholicism. The sacrifice of 8 Jesuits was a small price for the Vatican to pay to achieve what they have achieved in England!
- Shakespearean plays teach pagan Gnosticism much more than Biblical truth.
- The United States of America and its constitution was founded by Freemasons with a hidden agenda. This is exactly what author Ralph Epperson teaches in his video, "America's Secret Destiny".
- Some Jesuit priests wear plain clothes or the garb of something other than a Catholic priest. They do this for the purpose of infiltration. Some may even become ministers of Protestant churches! [Alberto Rivero](#) was one such Jesuit priest who wore plain clothes and was trained to be an infiltrator.

Journalist Greg Anthony highlights the work of Tupper Saussy and his book *Rulers of Evil*, going back to a lost but now found June 20 2006 radio interview he did with Tupper two years prior to his passing.

Some of the conclusions and statements in "Rulers of Evil" are in direct contradiction the what Eric Jon Phelps says in his book, "Vatican Assassins". Phelps says the writer of Shakesperian plays was Edward de Vere, 17th Earl of Oxford. Masonic author Manly P. Hall says Freemason Francis Bacon was the real author of Shakespeare. After reading Hamlet last year, I am inclined to agree that de Vere did not write the plays attributed to William Shakespeare but more likely Francis Bacon and perhaps some of his associates did.

I do not recommend anyone to listen to Eric Jon Phelps or read his book *Vatican Assassins* anymore. Though he calls Charles Chiniquy one of his heroes, he contradicts him when he says that the civil war was caused by the

North, and not the South. [Chiniquy quotes Abraham Lincoln](#) when he points the finger at the Jesuits and the Roman Catholic church for inciting the **South** to rebel against the North. Phelps also called George Washington a good Baptist when he was really an Episcopalian. He called him a godly man though Washington was a Freemason who did not believe in the divinity of Jesus Christ! Either Phelps gets his facts mixed up or he has a secret agenda.

[What famous men had to say about the Jesuit Order](#)

"My History of the Jesuits is not eloquently written, but it is supported by unquestionable authorities, [and] is very particular and very horrible. Their [the Jesuit Order's] restoration [in 1814 by Pope Pius VII] is indeed a step toward darkness, cruelty, despotism, [and] death. ... I do not like the appearance of the Jesuits. If ever there was a body of men who merited eternal damnation on earth and in hell, it is this Society of [Ignatius de] Loyola."

John Adams (1735-1826; 2nd President of the United States)

John Adams

From my research and materials people have been sending me, I have been thinking more and more that all roads indeed do lead to Rome, and specifically to the *Vatican*! Can you think of any State that has had such sway of the minds of so many for such a long history as the Holy Roman Empire had, and continues to have to this day? Their temporal power only *appears* to be broken. This is merely my opinion, of course, but I think the quotes below speak for themselves. Did these men really say them? If they did, I think they carry some weight. If they *didn't* say them, prove it to me and I shall remove them from my blog.

I found these quotes on

<http://letsrollforums.com/jesuit-quotes-citations-t14412.html> and <http://v666.wordpress.com/2007/02/21/quotes-concerning-jesuits-which-all-should-read/> And from <http://calltodecision.com/qct.htm> I took only the ones of whom I consider to be authoritative figures from history.

"My history of the Jesuits is not eloquently written, but it is supported by unquestionable authorities, [and] is very particular and very horrible. Their [the Jesuit Order's] restoration [in 1814 by Pope Pius VII] is indeed a step toward darkness, cruelty, despotism, [and] death. ... I do not like the appearance of the Jesuits. If ever there was a body of men who merited eternal damnation on earth and in hell, it is this Society of [Ignatius de] Loyola."

John Adams (1735-1826; 2nd President of the United States)

"Between 1555 and 1931 the Society of Jesus [i.e., the Jesuit Order] was expelled from at least 83 countries, city states and cities, for engaging in political intrigue and subversion plots against the welfare of the State, according to the records of a Jesuit priest of repute [Thomas J. Campbell]. ...Practically every instance of expulsion was for political intrigue, political infiltration, political subversion, and inciting to political insurrection." (1987)

J.E.C. Shepherd (Canadian historian)

Abraham Lincoln

This [American Civil] war [of 1861-1865] would never have been possible without the sinister influence of the Jesuits. We owe it to popery that we now see our land reddened with the blood of her noblest sons. Though there were great differences of opinion between the South and the North on the question of slavery, neither Jeff Davis [President of the Confederacy] nor anyone of the leading men of the Confederacy would have dared to attack the North, had they not relied on the promises of the Jesuits, that under the mask of Democracy, the money and arms of the Roman Catholic, even the arms of France, were at their disposal if they would attack us. I pity the priests, the bishops and monks of Rome in the United States, when the people realize that they are, in great part, responsible for the tears and the blood shed in this war. I conceal what I know on that subject from the knowledge of the nation, for if the people knew the whole truth, this war would turn into a religious war, and it would at once take a tenfold more savage and bloody character. It would become merciless as all religious wars are. It would become a war of extermination on both sides."

– Abraham Lincoln (1809-1865; 16th President of the United States)

"The Jesuits...are a secret society – a sort of Masonic order – with superadded features of revolting odiousness, and a thousand times more dangerous."

– *Samuel Morse (1791-1872; American inventor of the telegraph; author of the book [Foreign Conspiracy Against the Liberties of the United States](#))*

"The Jesuits are a MILITARY organization, not a religious order. Their chief is a general of an army, not the mere father abbot of a monastery. And the aim of this organization is power – power in its most despotic exercise – absolute power, universal power, power to control the world by the volition of a single man [i.e., the Black Pope, the Superior General of the Jesuits]. Jesuitism is the most absolute of despotisms [sic] – and at the same time the greatest and most enormous of abuses."–**Napoleon Bonaparte; 1769-1821**

The Jesuits...are simply the Romish army for the earthly sovereignty of the world in the future, with the Pontiff of Rome for emperor...that's their ideal. ...It is simple lust of power, of filthy earthly gain, of domination – something like a universal serfdom with them [i.e., the Jesuits] as masters – that's all they stand for. They don't even believe in God perhaps."

–*Fyodor Dostoyevsky (1821-1881; Russian novelist)*

The organization of the [Roman Catholic] Hierarchy is a complete military despotism, of which the Pope is the ostensible [i.e., apparent; seeming] head; but of which, the Black Pope [Ed. Note: The Superior General of the Jesuits], is the real head. The Black Pope is the head of the order of the Jesuits, and is called a General [i.e., the Superior General]. He not only has command of his own order, but [also] directs and controls the general policy of the [Roman Catholic] Church. He [the Black Pope] is the power behind the throne, and is the real potential head of the Hierarchy. The whole machine is under the strictest rules of military discipline. The whole thought and will of this machine, to plan, propose and execute, is found in its head. There is no independence of thought, or of action, in its subordinate parts. Implicit and unquestioning obedience to the orders of superiors in authority, is the sworn duty of the priesthood of every grade..."

– *Brigadier General [Thomas M. Harris](#) He wrote the book, "Rome's responsibility for the assassination of Abraham Lincoln" – which exposes the work of the Jesuits*

"The presence of the Jesuits in any country, Romanist [i.e., Catholic] or Protestant, is likely to breed social disturbance."--

Lord Palmerston, a British statesman who served twice as Prime Minister of the United Kingdom in the mid-19th century.

The False Left-Right Paradigm

These “ideological opposites” are commonly referred to as left-wing vs. right-wing or liberal vs. conservative. I believe people should think more in terms of good vs. evil, God vs. the Devil, or Heaven vs. Hell (up-down).

Pope John Paul II and the New World Order

The following are excerpts from “Behold a Pale Horse” by William Cooper taken from chapter two, “Secret Societies and the New World

Order”

Did you know that the Los Angeles Times, December 12, 1984, quoted Pope John Paul II as saying, “Don’t go to God for forgiveness of sins, come to me.” The Pope committed blasphemy, thus fulfilling prophecy according to the book of Revelation. The Pope is telling us that HE IS God!

In the early 1940s, the I.G. Farben Chemical Company employed a Polish salesman who sold cyanide to the Nazis for use in Auschwitz. The same salesman also worked as a chemist in the manufacture of the poison gas. This same cyanide gas along with Zyklon B and malathion was used to exterminate millions of Jews and other groups. Their bodies were then burned to ashes in the ovens. After the war the salesman, fearing for his life, joined the Catholic Church and was ordained a priest in 1946. One of his closest friends was Dr. Wolf Szmunn, the mastermind behind the November/78 to October/79 and March/80 to October/81 experimental hepatitis B vaccine trials conducted by the Center for Disease Control in New York, San Francisco and four other American cities that loosed the plague of AIDS upon the American people. The salesman was ordained Poland’s youngest bishop in 1958. After a 30-day reign his predecessor was assassinated and our ex-cyanide gas salesman assumed the papacy as Pope John Paul II.

1990 is the right time with the right leaders: ex-chief of the Soviet secret police Mikhail Gorbachev, ex-chief of the CIA George Bush, ex-Nazi cyanide gas salesman Pope John Paul II, all bound by an unholy alliance to ring in the New World Order.

Dagon, the fish god

The Pope has challenged world leaders by claiming that the people of the world already recognize the absolute authority of Rome because they observe the Sunday Sabbath that was ordered by the Pope in the Council of Laodicea (A.D. 364). The original Ten Commandments given Moses by God ordered that we should:

Remember the Sabbath day, to
keep it Holy. Six days shalt
thou labor, and do all thy work:
but the seventh day is the
Sabbath of the Lord thy God; in
it thou shalt not do any work,
thou, nor thy son, nor thy daughter,
thy man servant, nor thy maid servant,
nor thy cattle, nor thy stranger
that is within thy gates: for in six
days the Lord made heaven and earth,
the sea, and all that in them is,
and rested the seventh day: wherefore

the Lord blessed the Sabbath day, and
hallowed it.

The seventh day, the Sabbath as handed to Moses by God, is Saturday The celebration of Sunday as the Sabbath is verification that the people recognize the Pope as SUPERIOR TO GOD. The only WHOLE people who have not recognized the authority of the Pope are the Jewish people, and that is why the Vatican has not and will not recognize the state of Israel. The Vatican refuses even to call it Israel. Instead the Vatican says Palestine Chapter Two Secret Societies and the New World Order • 91 when talking about Israel. AGAIN, I MUST REMIND YOU THAT WHAT YOU BELIEVE MAKES NOT ONE BIT OF DIFFERENCE. THE IMPORTANT THING TO UNDERSTAND IS THAT IF THEY BELIEVE THIS, IT IS GOING TO GIVE YOU NIGHTMARES.

“The Pope has a lot of charisma and in a one world system you need a religious head for power. Khomeini proved that. This Pope has enough following and charisma to make what we consider a great threat in this move.” [Quote from The Mantooth Report.]

“Pope John Paul II is most anxious to complete his goal. His goal is to reunite the Christian World under the LEADERSHIP OF THE PAPACY. If at all possible, he hopes to reach his goal by the end of this century. This is the primary reason behind the Pope’s many worldwide trips.” [From an article by Gene H. Hogberg, Nov./Dec. 1989, Plain Truth.] Were you aware that Hitler and his entire staff were Catholic? Did you know that the Nazis dabbled in the occult? Did you know that the New York Times of April 14, 1990, quotes George Bush as stating, “Let’s forgive the Nazi war criminals.” I wonder why he said that? Did you know that the Los Angeles Times, December 12, 1984, quoted Pope John Paul II as saying, “Don’t go to God for forgiveness of sins, come to me.” The Pope committed blasphemy, thus fulfilling prophecy according to the book of Revelation. The Pope is telling us that HE IS God!

REMEMBER—NEVER WORSHIP A LEADER. IF YOU WORSHIP A LEADER, YOU THEN NO LONGER HAVE THE ABILITY TO RECOGNIZE WHEN YOU HAVE BEEN DECEIVED!

[The Knights of Malta and the New World Order](#)

The following are excerpts from "Behold a Pale Horse" by William Cooper taken from chapter two, "Secret Societies and the New World Order"

The Knights of Malta is a world organization with its threads weaving through business, banking, politics, the CIA, other intelligence organizations, P2, religion, education, law, military, think tanks, foundations, the United States Information Agency, the United Nations, and numerous other organizations. They are not the oldest but are one of the oldest branches of the Order of the Quest in existence. The world head of the Knights of Malta is elected for a life term, with the approval of the Pope. The Knights of Malta have their own Constitution and are sworn to work toward the establishment of a New World Order with the Pope at its head. Knights of Malta members are also powerful members of the CFR (Council on Foreign Relations) and the Trilateral Commission.

The goal of the Council on Foreign Relations is a New World Order. George (Herbert Walker) Bush is a member of the CFR. Knights of Malta play a powerful role in this scenario. In the 1930s General Smedley Butler was recruited to help take over the White House. He was told that he was needed because of his general popularity with the military. General Butler blew the whistle and named several prominent Americans as part of the plot. At the top of the list was John J. Raskob, who was a founding member of the U.S. branch of the Knights of Malta. He was board chairman of General Motors. He was, at the time, the U.S. Treasurer of the Knights of Malta. Congressional hearings were held to investigate the plot, but none of those named, including Raskob, was ever called to testify and nothing ever came of the hearings. Although you will find this in the Congressional records, you will NEVER find it in ANY history book anywhere.

It is significant that the Iran-Contra episode has many similarities to the 1930s plot. William Casey was a member of the Knights of Malta. William Casey, with the help of Vice President Bush, Anne Armstrong and Donald Regan, caused the President's Foreign Intelligence Advisory Board to be emasculated so that Bush, Casey, North and others could carry out their dirty deeds

without oversight. They had also developed a plan to suspend the Constitution of the United States and were preparing to implement the plan when they were caught. These facts emerged from the hearings but were suppressed by the committee chairman, Senator Daniel Inouye of Hawaii. You must understand that tremendous power was involved in both attempts to overthrow the United States Government.

William Casey was the Director of the CIA. He was a member of the CFR. Casey was a Knight of Malta. He was the head of Ronald Reagan's political campaign. He was head of the Securities and Exchange Commission. During the Nixon administration he was head of the Export-Import Bank.

Casey arranged financing for the Kama River truck factory in the Soviet Union with 90% of the funds guaranteed or furnished by the U.S. taxpayer. This factory built military truck and tank engines for the Soviet Army. It was, and may still be, the largest factory in the world and could produce more heavy trucks than all U.S. factories together. I believe Casey was murdered.

The first U.S. Ambassador to the Vatican was William Wilson, a Knight of Malta. His appointment was probably illegal and, for a fact, was highly unethical. Wilson could not possibly have represented the U.S. when his allegiance was sworn to the Pope.

Knight of Malta Myron Taylor was President Roosevelt's envoy. Knight of Malta John McCone was President Kennedy's envoy and he was also the Director of the CIA during the early '60s. A former mayor of New York City, Robert Wagner, was President Jimmy Carter's envoy. Frank Shakespeare replaced William Wilson. Frank Shakespeare is a Knight of Malta, and so it goes. President Reagan spoke at the annual Knights of Malta dinner.

The Knights of Malta ALL have diplomatic immunity. They can ship goods across borders without paying duty or undergoing customs check. Does that ring any bells? In any case, that is power.

The Knights of Malta is held up by a backbone consisting of nobility. Nearly half of the 10,000 members belong to Europe's oldest and most powerful families. This cements the alliance between the Vatican and the "Black Nobility." The Black Nobility is mostly the rich and powerful of Europe. The head of the Black Nobility is the family that can claim direct descendancy from the last Roman emperor. Maybe now you can see that things are beginning to fall into their proper place. Membership in the Knights of Malta entails obedience to one's superior in THE ORDER and ultimately to the Pope. Therefore, a U.S. ambassador who is also a member of the Knights of Malta faces a conflict of interest. Why is this fact ignored? President Bush appointed Knight of Malta Thomas Melledy to the post of U.S. Ambassador to the Vatican.

The Vatican has founded the Pope John Paul II Center for Prayer and Study for Peace at 1711 Ocean Avenue, Springlake, New Jersey, in a mansion overlooking the ocean. The mansion was given to the New York Archdiocese by the estate of Elmer Bobst, who died in 1978. He was a multimillionaire and chairman of Warner Lambert Company. Richard Nixon was a frequent visitor.

Directors of the Center were Kurt Waldheim, former Secretary General of the United Nations and ex-nazi war criminal; Cyrus Vance, former Secretary of State under Carter and member of both the Council on Foreign Relations and the Trilateral Commission; Clare Booth Luce, a dame of the Knights of Malta; and J. Peter Grace of W.R. Grace Company, who is head of the Knights of Malta in the United States. The Center was set up by the Vatican as a part of the Pope's new peace plan, which will bring the world together (see my paper "The Secret Government"). The Center has two roles: (1) Educate Catholics and their children to accept the New World Order. (2) Provide residence for the world-peace-solution computer and an ongoing study for peaceful solutions to any future problems which may endanger world peace. The computer is hooked to the world capitals via satellite. All nations have agreed to relinquish sovereignty to the Pope and submit future problems to the computer for solution. Of course, this will not go into effect until the New World Order is publicly announced. I believe that the New World Order was born in secrecy on January 19, 1989. Now you know.

Acquaint yourself anew with the teachings of Jesus. Compare his teachings with the tenets of the Illuminati and then compare it with the following. The Vatican has stated at various times that "the Pope is for total disarmament; the Pope is for elimination of the sovereignty of the nation states; the Pope is also stating that property rights are not to be considered true property rights. **The Pope believes that only the Vatican knows what is right for man.**"

[Why I stopped listening to Alex Jones](#)

I'm very concerned about the attitudes and mindsets of some of my friends who regularly listen to radio talk show host Alex Jones. I used to like Alex Jones, and once greatly admired his courage for crashing the [Bohemian Grove](#) during one of its annual get-togethers of the elite. I thought he was great for filming the "Cremation of Care" ceremony. Now I think it all have may been a set-up. He could have been justifiably shot for trespassing at any time! Why was he not afraid of that? I believe he had **promises beforehand** that he wouldn't be attacked. I never heard of any litigation brought against him for it. Was there any? Well, that's my little "conspiracy theory" if you

will, but the following is not theory; it's history and verifiable facts:

Alex Jones falsely proclaimed to the world that Y2K was destroying a town:

Twenty to 40,000 civilians trapped in the city ... tanks are being blown to bits, massive broad unguided rocket attacks are being launched massively from the city indiscriminately right now, air and artillery bombardments as well. It is absolutely out of control. It is pandemic ladies and gentlemen. ..." – Quoted from Jones' radio broadcast.

The American patriot and one of my heroes, William Cooper, didn't like Alex Jones and exposed his Y2K fear mongering tactics on one of his [shortwave radio broadcasts](#). I believe William Cooper was a sincere truth teller who paid the price for his faithful broadcasting of truth with martyrdom. How many times has Alex Jones been persecuted and beat up to the point of being hospitalized? William Cooper was.

Some of my friends who listen to Alex Jones, and who knew political reality from decades ago, seem to actually believe that Ron Paul, if elected U.S. President, could turn around the negative foreign and domestic policies America has had since close to the beginning of the 20th century and improve the well being of the American people. With all the true information they had 30 years ago, I do think they should know better! No one man can turn around

that country, not even with the help of all his friends. The enemy has infiltrated far too deeply. If Paul even came close to winning in a presidential campaign, I would smell a rat. Paul would need massive support of the Mass Media and Elite to be a viable contender for the presidency. And if he won, would he actually fulfill his present vision for the country? If he tried, he would suffer the same fate as JFK did in no time.

An excellent resource I found is [Who is Alex Jones?](#)

One of the comments on that page says:

AJ's duty is to serve his masters by conducting occult magick, in order to create the illusion of truth. As if they are dope feigns looking for their next hit and at the end of the day, what difference has it really meant in the grand scheme of things. They often end right back at ground zero, only to repeat the routine over and over like a rat running on a treadmill.

Alex Jones talks about Al-queda as a creation of the CIA as if it is an actual network of terrorists. It is not. Al-qaeda is a creation of the CIA, but created only as a fantasy *only in the minds of the public!* Al-queda doesn't exist!

The best way to control the opposition is to lead it ourselves.—Lenin

I believe the Vatican and the Jesuits are at the top of the pile of evil in the world today! One man I know called the Vatican, “An old farts club that has lost its power.” I think anybody who thinks so is incredibly naive and woefully (or willfully) ignorant of history and the political influence of the Roman Catholic church! Such a person doesn’t even know the “Golden Rule,” namely, **“He who has the gold, rules.”** The Roman Catholic empire had well over 1000 years to fleece Europe and the world of its wealth. Money is power.

Shirasawa Station in Akita
Prefecture near Odate City.

July 16, 2012: The previous day I sprained my back while on the road in Hirosaki City, Aomori Prefecture. This morning when rising at 5:20 a.m. from the bed in the capsule hotel where I spent the night, an excruciating lower back pain greeted me. It was difficult to stand up and walk. To make matters worse, though I expected the weather to be fair and sunny, a low pressure front reached Aomori causing heavy precipitation from time to time. Nevertheless my goal was to return home to Niigata, and to hitchhike as much of the distance I could.

After checking out of the hotel at 6 a.m. I walked 30 minutes slowly to the train station pushing my luggage with wheels while putting some of my weight on it with one hand in an attempt to alleviate back pain while holding an umbrella in my other hand. The rain was constant but not too heavy. At Hirosaki Station I bought a 320 yen ticket to Nagamine station as I usually do and caught the 6:51 a.m. train. Hopefully the rain would stop upon arrival at Nagamine 25 minutes later. Because it did not, I not to get off at Nagamine but go as far as Shirazawa Station which is just before Odate City and on the other side of the mountains on the border of Akita and Aomori Prefecture. From experience I knew the weather may be different on the opposite side of the mountains. It was not. The rain was even heavier. Rather than go further and spend more money for the train, I got off at Shirasawa hoping and praying for a change in weather. The tiny Shirasawa station was only 20 or meters away from Route 7, a place to flee back to in case of a downpour. Because the station is small, it is unmanned to save the railroad operating costs. Only large train stations in Japan have a staff. There were no passengers waiting for trains. I laid down on the bench in the station waiting room trying to relieve back pain, but the bench was hard and uncomfortable. It was not a place I could rest.

I walked to Route 7 and began to hitchhike. Though today was a Monday, it was the end of a three day holiday with traffic from prefectures as far as Mie which is past Nagoya. I saw several cars with Niigata license plates.

The rain constantly changed from a light drizzle to torrents. After fleeing several times from the road back to the train station for refuge, I found a building next to the road with an overhanging roof just large enough to protect me and my luggage from the rain. There I stood holding my umbrella for the next two hours while sticking out my thumb to on coming traffic. Though much of the traffic was local, there were plenty of cars going long distances of 200 or more kilometers. None stopped for me and my lower back continued to hurt. It rained hard with thunder and lightening from time to time. For some reason the Japanese mentality changes on rainy days. They become more reluctant to stop for me. Normally I wouldn't wait much longer than 30 minutes on the same road had it been bright and sunny.

Around 10:45 a.m the rain completely stopped and the sky got a bit brighter. I now had a slot of time to hitchhike sans the umbrella! I knew it would probably not last very long.

At 11:00 a.m. a car with two men with middle eastern looking faces stopped and the driver asked me in Japanese where I wanted to go. They said they could take me to Odate City, only a few kilometers further. Normally I wouldn't accept such a short ride, but I wanted to make some progress no matter how small. The two men are in their 30s, both from Pakistan. I guessed correctly they are used car dealers. Almost everybody from Pakistan who lives in Japan is. The passenger asked me my age. He said I look very weak for somebody who is 62 years old! He knows an American who is 80 who looks better than I do! I replied I happen to be in constant pain from a strained muscle in my lower back from yesterday. The man sheepishly smiled which meant to me he accepted my reason for looking "weak."

Though the men at first offered to take me only as far as Odate City, they said they could take me as far as Noshiro City, 60 kilometers up the road, if I didn't mind waiting from time to time as they visited certain locations along the way that related to their business. "That's fine" I replied. I was in no hurry. It started to rain hard again and I was thankful to be with them out of the rain and resting my back sitting down in the back seat of their comfortable vehicle.

For the first several minutes I conversed with the Pakistani men was all in Japanese. I called my wife on my cell phone telling her I finally caught a ride, I ended the call with an "I love you too." The passenger in front responded, "I love you three!" It turned out both the driver and his friend understood and spoke English! They were just testing my Japanese ability. This is not always true for Pakistani people. Most do not speak English with me.

We switched to talking in English. I asked them many questions about their country and told them what I believe to be true about certain current events in the middle east.

I told them that:

- al-Qaeda is a CIA creation in the *imagination* of the public. It *doesn't* exist as an organization at all.
- Osama Bin Laden had probably died a long time ago, maybe even before the end of 2001. He was not the man the U.S. Military said they killed in Pakistan on May 2, 2011.

The driver smiled with surprise that I, an American, would know such things! He agreed with me on both counts. This is exactly what many Pakistanis already believe. They know that al-Qaeda does not exist as an organized group. And they doubt that it was Osama Bin Laden who was killed in Pakistan for the simple reason the U.S. military did not show a body!

We agreed together that there are wealthy people seeking to exploit the public by creating problems where no problems exist. Freemason Albert Pike said that World War 3 would be a clash of cultures, Islamic fundamentalists against the Zionists. Islamic people certainly have a bad image in the West, but this image is not the same that I see when meeting them face to face! They are not the fearful "terrorist" types the media portrays them out to be.

Both men were very friendly. They called themselves Muslims but said they were not very "good" ones because they don't always pray 5 times a day. It struck me that they would use the adjective "good" because this reminded me of Roman Catholics, some who are called a "good Catholic" and some who are not so good.

The passenger then started to talk about his faith in Allah and obeying Allah's laws. He said killing is not part of Islam, and that especially includes suicide bombers! I told him that Islamic suicide bombers have giving Islam a very bad press in the West. He agreed but said these people are really not part of true Islam. It could be that these suicide bombers are part of the CIA mind controlled MKULTRA project and their purpose is to cause trouble where there would be no trouble.

The passenger continued to share his pure and simple faith in Allah. I asked him what he thought of Jesus Christ. He replied that Jesus, who he called "Isa" is a Messenger from Allah like Mohammad was, but that Isa was not Allah's Son. "But did you know that Jesus' mother Mary was a virgin when she conceived him? I replied. "Jesus therefore didn't have an earthly father, but a Heavenly one!" "Allah can do anything!" the Muslim man responded. "He's the Creator and does what He wants. It doesn't mean Isa was His son!" I saw they have a set answer for Christians. I don't argue with them, I just give them facts from the Bible in a loving way.

My opinion of Muslims: Their faith is simple and pure. They call Allah the Creator and believe all things were designed and created. They do not hold the pseudo-science doctrines of Darwinism and Evolution. And they call Allah a God of Love. The Muslim man said it was because of Allah's love he and his friend gave me a lift. In my book Allah is the same as the God of Love I worship. I don't care if some people claim that Allah is really the moon god. They call Allah almighty and the Creator. They are still yet only ignorant of Jesus Christ and His sacrifice for the sin of mankind on the cross, but they do acknowledge the doctrine of sin and that all humans are sinners.

The next time you hear or read anti-Muslim bashing material, you might do well to question the source and motivation of the author. Though I've never lived in an Islamic country, I've met many Muslims in Japan and Russia and can tell you they are not the image that the media portrays them to be.

The Pakistani men took me to Noshiro train station, a good 50 kilometers from Shirazawa. I thanked them profusely and we warmly shook hands when parting.

I took a train the rest of the way home. While on the train I continued reading my Bible from where I left off at Ezekiel chapter four and was impressed with verse

14: "Then said I, **Ah Lord GOD!**..." (emphasis on Ah Lo) After hearing the Muslim man say the name Allah so many times, it strikes me that the first 4 letters of "Ah Lord God" sound so similar! Could this be where the name Allah came from?

After I returned home, using the [Theophilus Bible program](#) on my PC, I did a search for the phrase. "Ah Lord God" and found it occurs exactly 10 times in

the KJV, and only in the books of Jeremiah and Ezekiel, both prophets!
Interesting, don't you think?

I also learned today that burping causes pain in my lower back muscles but sneezing does not. ☐

[New Law passed by U.S. Senate: The military to detain anti-government protesters in American cities](#)

Young people demonstrating against Wall Street

On December 4, 2011, a friend sent me a shocking article:

http://www.naturalnews.com/034291_SB_1867_war_on_terror.html

“That U.S. Senators would knowingly and willfully attempt to pass a bill that legalizes the indefinite detainment, torture and killing of American citizens **with no due process whatsoever** – and on American soil! – is nothing less than a traitorous betrayal of the once-free American people. These are, our founding fathers would have said, acts of war against the People. They reveal the insidious plan to put in place **a legal framework to end the Bill of Rights**, murder protesters, and overrun America with total police state brutality.” (Quote from the web link above.)

I believe this is in further fulfilment of [Pastor David Berg's prediction](#) in 1972!

The artwork from a publication by David Berg drawn in early 1974 depicts exactly what is happening *today!* The people on the top represent Wall Street, big business, and the government that supports the rich. Notice the young people are being confronted not by police, but by *soldiers*, the U.S. Military!!

Former President George W. Bush once said,

“Stop throwing the Constitution in my face,” Bush screamed back.

“It’s just a goddamned piece of paper!” Ref:

<http://www.rense.com/general69/paper.htm>

Apparently the U.S. Senate agrees with him. And what exactly does the U.S. Constitution say about American citizens under arrest after being accused of a crime?

“In all criminal prosecutions, the accused shall enjoy the right to a speedy and public trial, by an impartial jury of the State and district wherein the crime shall have been committed, which district shall have been previously ascertained by law, and to be informed of the nature and cause of the accusation; to be confronted with the witnesses against him; to have compulsory process for obtaining witnesses in his favor, and to have the Assistance of Counsel for his defence.”—Six Amendment to the Constitution.

New Senate bill 1867 seems to be diametrically against the 6th Amendment.

What do you folks think?

[The real reason for the Japanese seclusion policy: Fear of colonization by Rome](#)

THE JESUITS RULE

The Japanese government was afraid of the Jesuits and the foreign overthrow of Japan which is why they didn't allow any visitors to their country for 200 years.

Why Gaddafi was demonized by the West

I believe Gaddafi was demonized by the West only after he became a hindrance to New World Order plans. Libya was one of the most prosperous countries in the middle east before the NATO (read USA, England and France) attacks! Unlike the Egyptians under Mubarak, the average Libyan enjoyed a high standard of living.

Under the revolutionary leadership of Col. Mu`ammar Qadhafi, Libya has attained the highest standard of living in all of Africa. This is all the more remarkable when we consider that in 1951 Libya was officially the poorest country in the world. According to the World Bank, the per capita income was less than \$50 a year – even lower than India. Today all Libyans own their own homes and cars. In the words of two Fleet Street journalists, David Blundy and Andrew

Lycett, who are by no means supporters of the Libyan Arab revolution, "The young people are well dressed, well fed and well educated. Libyans now earn more per capita than the British. – Taken from <http://www.geocities.com/Athens/8744/libfacts.htm> Obviously written before the NATO attack against Libya.

Now what will happen to them? The same fate of civil strife in Yugoslavia after Tito's death, and civil strife in Iraq after Saddam Hussein! Their economy is going to crash and they will lose the good standard of living they enjoyed under Gaddafi. The [wicked Witch of the West Hillary](#) is laughing now at Gaddafi's demise, but someday the poor and meek of this world will rejoice at her demise as they did Jezebel's! See 2 Kings chapter 9 for details. If there ever was a modern day parallel of King Ahab and Queen Jezebel of the Bible, it is doubtless [Bill and Hillary](#).

Why would the [USA, England and France](#) (read continuation of the Roman Empire) want Gaddafi dead? Three reasons, and all about *money* and power!

Also see The Legend of Sirte for more information about the true political realities of Libya.

Recently I've been studying the history of Japan during the the 17th and 18th century. It seems to me that the major difference between then and now, is electrical power and environment it created.

[The Truth about Libya](#)

NATO and international bankers destroyed Libya and took away its prosperity using the excuse of ridding the country of a "dictator." Soon a Libyan central bank will be set up and it will rob the people just as the American Federal Reserve and other central banks do in their perspective countries. The Libyan revolt was undoubtedly caused by outside forces for the purpose of controlling Libya's economy. The ignorant Libyans who supported the revolt are soon to regret it.

Picked up by two members of the Akita Prefecture Parliament

Akita Parliament member Jun with me in the background. Jun is holding my cell phone trying to include Teru Kun in the photo, but missed him because he couldn't see the camera viewer from his position.

July 15: Today I hitchhiked in 11 vehicles from Niigata city to Hirosaki city in Aomori Prefecture, a distance of about 430 kilometers. The highlight of this trip was car #9 with two lawmakers of the Akita Prefecture Parliament, driver Obara Masateru and front seat passenger Numaya Jun who took me from Akita City to Odate City, a good distance of around 100 kilometers. They told me to call them Teru Kun and Jun.

It's an absolute first for me to get picked up by active politicians! Once I was picked up by the former mayor of a city of 50,000 people, Mr. Kobayashi of Niitsu city, but he was retired then and not serving in any public position.

Well, you can imagine the fun I had talking to these guys and telling them all the things I heard about crooked American politics! **Two Illinois governors in a row**, George Ryan and Rod Blagojevich were arrested and convicted on corruption charges. George Ryan is sitting in prison and will be there till July 4, 2013, and Rod Blagojevich was recently convicted and about to go to prison.

Teru Kun and Jun became Akita Parliament members just last March. They said they're good guys who will not be corrupted by money. They promised never to take a bribe. I tend to think they are sincere because they had nothing to

gain by picking me up, and they gave me presents when parting, an expensive looking bottle of grape juice, Japanese daikon and cucumbers. And they seemed to know nothing about the Secret Societies in America that formulate policy behind the scenes.

3 presents from Teru
and Jun

Japanese public servants receive quite good salaries, perhaps double of many other countries. Teru Kun and Jun acknowledged that they are well paid, but said that the budget of a politician is quite high and they have to struggle to make ends meet. The meeting in Odate they were required to attend would cost them 10,000 yen each. They referred to themselves as “poor politicians.” Indeed their car was nothing fancy, just a regular type of vehicle that most salary men drive.

Opinion of Benjamin Fulford

Benjamin Fulford with David Rockefeller

I just listened to a 4 part YouTube video clip of Benjamin Fulford’s interview with David Rockefeller.

Canadian born Benjamin Fulford first came to Japan in the early 1980s to study at Sophia (**Jesuit**) University in Yotsuya Tokyo.

From http://en.wikipedia.org/wiki/Benjamin_Fulford

“After receiving a B.A. from the University of British Columbia he returned to Japan in the mid-1980s to pursue a career in journalism. He worked in Japan as a correspondent for Knight Ridder, the International Financing Review, the Nihon Keizai Shimbun English edition, and the South China Morning Post before moving to Forbes magazine, where he was the Asian Bureau chief from 1998 to 2005.[2] After leaving Forbes he wrote a series of books in

Japanese. He conducted an interview with the reclusive David Rockefeller in November 2007.”

My hat is off to Benjamin Fulford for learning Japanese so well and becoming a naturalized Japanese citizen. That is quite an accomplishment because it involves Japanese officials interviewing one’s personal relatives. But after listening to Benjamin Fulford for just a few minutes, I’ve come to the conclusion he is a **disinformation agent**.

He puts all the blame of the world’s troubles and woes on the USA. True conspiracy researchers know that America is just another pawn in the overall scheme of things. Benjamin Fulford talks about an Asian secret society called the “White Dragon Society” of which he is now the spokesperson for. Benjamin Fulford says the White Dragon Society is against the “Military Industrial Complex” for causing all the trouble and wars in the world. He says that the same are running out of money, and that March 11, 2011 East Japan earthquake and tsunami was an attack against Japan in retaliation for Japan’s banks not lending them money! Any true researcher of the NWO (AKA Illuminati) knows this is **absolute rubbish** because the NWO **own** the world’s central banks, print up as much money as they want to, and lend it to governments charging interest. This is what the American Federal Reserve bank is all about and what Thomas Jefferson warned of:

“If the American people ever allow private banks to control the issue of their currency, first by inflation, then by deflation, the banks and the corporations which grow up around them will deprive the people of all property until their children wake up homeless on the continent their fathers conquered.”

– Thomas Jefferson

Benjamin Fulford is not giving the overall big picture of Satan’s final attempt of control of every single person on the planet through economic pressure. He may be what is called a “gatekeeper”, a person who seems to be exposing the Enemy but who doesn’t go quite far enough to lead people into all truth about them.

And he (the Beast, AKA Antichrist) causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. – The Holy Bible Revelation 13:16,17

My opinion is Benjamin Fulford gives false hope to people who heed him. The answer is not with us. Only [the return of Jesus Christ](#) Himself will save planet earth and its inhabitants.

Finally, here’s a couple quotes from

http://helpfreetheearth.com/news282_fulford.html that not only agrees with my view about Benjamin Fulford, but also exposes who Alex Jones really is and confirms what I've thought about why Jones would be willing to risk his neck when infiltrating the Bohemian Grove during a summer bash by the elite: He had permission to do so!

In 2007, Fulford became famous on the Internet and in conspiracy theory circles when he "miraculously" scored an in depth interview with David Rockefeller and delivered a threatening ultimatum to the elite that they step down peacefully or face the consequences. After the interview, Benjamin Fulford issued a letter of apology to Rockefeller.

Think about it. How could Fulford who publicly seeks to "take down the Illuminati" score an interview with Illuminati crime boss David Rockefeller? The same way Alex Jones managed to infiltrate Bohemian Grove. They got clearance because they're both **Zionist shills**. If Fulford and Jones were a serious threat to the ruling crime families, they would have been snuffed out long ago. Alex Jones and Benjamin Fulford are delivering a message that serves the ruling cabal. That message is that disaster is imminent. Expect it, focus on it. Be afraid...and by doing so, you attract it.

Another guy I have doubts about is somebody who calls himself Jim Stone independent journalist. Nobody knows who this guy really is! At least we do know who Benjamin Fulford is. How can any researcher or "truth teller" have any credibility at all if he or she is not willing to tell the world who they are? You can [find out who I am](#) if you want to.
