## The 50 Most Dangerous Cities in the

# World: Mainly Roman Catholic

Crime scene in Philadelphia, one of the most Catholic cities in the USA. Philadelphia consistently ranks above the national average in terms of crime, especially violent offenses.

It's been 10 years since I first posted this article. A Catholic priest read it and didn't like it! He wrote a comment in the comments section. Please read what he wrote and my reply. Just scroll down until you see it.

In the list below, 41 (82%) of the 50 most dangerous cities in the world are in Roman Catholic Latin America areas. The 5 American cities in the list all have a heavy Roman Catholic influence. New Orleans, St. Louis, and Baltimore were founded by Roman Catholics. So if you add the 5 American cities to the 41 Latin American areas, it results in 92% of the most violent cities in the world under Roman Catholic influence.

And why are these cities so violent? They are all economically depressed. Consider the fact that Roman Catholic nations tend to be poor whereas Protestant nations have prospered economically. Protestant Northern Europe is definitely better off than Southern Europe which has a stronger Roman Catholic influence.

Of all the Roman Catholic countries I know of, only Poland is doing well economically. The reason I think is because Poles are hard-working people. All of my grandparents were born in Poland! I had the opportunity to visit Poland for 3 weeks, and I loved it. It's a clean and beautiful country and its infrastructure was much better than Russia at the time (1997) in spite of the fact it was dominated by Soviet Communism from 1945 to 1989.

The United States of America was strongest economically when Protestantism was strongest. Can you see the relationship? Since a flood of Roman Catholic immigrants from Ireland, Poland, and Latin America, Roman Catholic influence in the American government is stronger, and the economy is weaker!

Is the Roman Catholic church secretly controlling American politics? If you don't think so, explain why President Obama wants to change the immigration laws to give citizenship to illegal Mexican immigrants. They are mostly Roman Catholics! The more Catholics in America, the more the Roman Catholic Church gets to influence the vote!

The Philippines is a Roman Catholic nation and I hear crime is higher in the capital, Manila, but crime in the provinces (countryside) is thankfully low. Businesses that make a significant amount of money all have armed guards who act as greeters at the entrances. Armed guards are certainly a good deterrent against crime! Since moving from Guam to the province of Northern Samar Philippines in June 2023, I have yet to hear of any robberies or any theft at all! Crime in Guam is not as high as in the mainland USA, but higher than here. People leave their motorbikes on the streets with the keys in the ignition, and they're still there when they return. My nice bike in Guam was stolen though it was tied to a tree with a cable. The thief cut the cable with a cable cutter and left the cut cable on the ground. ☐ Guam is also predominately Roman Catholic due to Spanish influence. All of the Micronesian islands are Catholic with a few Protestant churches.

Protestantism is primarily a reassertion of New Testament Christianity, the teaching that salvation is by faith rather than works. Romanism, on the other hand, teaches that salvation depends ultimately upon ourselves, upon what we do, that one can “earn” salvation by obedience to the laws of the church.
