The Jesuits have been controlling the Vatican for hundreds of years.

“As far as Europe was concerned, her (the Vatican’s) reactionary policies in France, Austria, and Spain, as well as her support of antisemitic trends in Vienna, Paris, and Algiers were probably an immediate consequence of Jesuit influence. **It was the Jesuits who had always best represented, both in the written and spoken word, the antisemitic school of the Catholic clergy.** This is largely the consequence of their statutes according to which each novice must prove that he has no Jewish blood back to the fourth generation. And since the beginning of the nineteenth century the direction of the Church’s international policy had passed into their hands.” – Hannah Arendt. *The Origins of Totalitarianism* pg. 102.

Hannah Arendt (14 October 1906 – 4 December 1975) was a German-born American historian and philosopher. She was one of the most influential political theorists of the 20th century. – Wikipedia.

Both Hitler and Himmler admitted the influence the Jesuits had on the ideals of the national socialists... and it was the Vatican that allowed many of them to escape, out of which many of them helped in the creation of the CIA and were part of many of its operations.

The Red Cross and the Vatican both helped thousands of Nazi war criminals and collaborators to escape after the second world war, according to a book that pulls together evidence from unpublished documents. Source:

The founding father of the CIA, William J. Donovan was granted the Grand Cross of the Order of St. Sylvester. Only like a hundred men have been given this award... and it is granted by the pope himself because of some service to

the Vatican. Donovan granted the Grand Cross of the Order of St. Sylvester is [confirmed on Wikipedia](#).

William Joseph “Wild Bill” Donovan KBE (January 1, 1883 – February 8, 1959) was an American soldier, lawyer, intelligence officer and diplomat. He is best known for serving as the head of the Office of Strategic Services (OSS), the precursor to the Bureau of Intelligence and Research and the Central Intelligence Agency (CIA), during World War II. He is regarded as the founding father of the CIA.

The Pontifical Equestrian Order of Saint Sylvester Pope and Martyr, sometimes referred to as the Sylvestrine Order, or the Pontifical Order of Pope Saint Sylvester, is one of five orders of knighthood **awarded directly by the Pope** as Supreme Pontiff and head of the Catholic Church and as the Head of State of Vatican City. **It is intended to honour Catholic laypeople who are actively involved in the life of the Church**, particularly as it is exemplified in the exercise of their professional duties and mastership of the different arts. – Wikipedia.

The CIA’s director of intelligence **Allen Dulles and the Jesuit priest Avery Dulles were blood related**. ([Confirmed on Wikipedia](#).) Allen was also the CIA director that was in power for the longest time.

Like Donovan, the [CIA’s director John A. McCone was given the Grand Cross of the Order of St. Sylvester because of his service to the Vatican](#). John was also involved in the creation of the CIA itself.

Finally, the CIA itself is a Catholic organization, like its nickname implies. Which Catholics themselves openly boast about through their media.

Catholics have been thriving at the CIA since its earliest days. Who knew?

From **The Catholic Herald**:

The CIA is the best known of the 17 agencies that comprise the American intelligence community. It has earned itself nicknames

like "Catholic Intelligence Agency" and "Catholics In Action". –

Doctor Stephen D. Mumford (American expert on fertility and population growth according to Wikipedia), wrote in American democracy & the Vatican:

Population Growth & national security, pg 172:

"The CIA serves as an agency through which secret assistance to the Holy Mother Roman Catholic Church can be provided by secret American society members acting as her defenders.

For creating the Office of Strategic Services [OSS], the wartime predecessor to the CIA, and this special arrangement with the Vatican, General William (Wild Bill) Donovan was decorated in July 1944 by Pope Pius XII with the Grand Cross of the Order of Saint Sylvester, the oldest and most prestigious of papal knighthoods. This award has been given to only one hundred other men in history, who by feat of arms or writing or outstanding deeds have spread the faith and have safeguarded and championed the Roman Catholic Church. Donovan did more to safeguard and champion the Roman Catholic Church than any other American, and he was rewarded for his services with the highest Roman Catholic award ever received by an American. No doubt, thousands of others have striven with their deeds for similar recognition."

Former CIA officer E. Howard Hunt said in an interview in the documentary "A Coup Made in America" which aired on Canadian television series Turning Points of History in 1998, speaking on his role in the coup d'état in Guatemala in 1954 that:

"We had gotten the okay from Cardinal Spellman to go ahead with this... and I wouldn't presume to trace the lines of authority within the Catholic Church... how they get their information they deal with... We've always said in an admiring way that **the Jesuits form the greatest intelligence service in the world and always have.**"
