

NWO Insider Dr. Richard Day Reveals the New World Order Plan

Dr. Richard Day

Dr. Richard Day

Dr. Richard Day revealed New World Order plans in 1969. As we enter the new year 2024, let's count how many of these 55 points in their plans have come to pass. My comments are in parenthesis after some of them.

This article started with a video of the recollections of Dr. Lawrence Dunegan regarding a lecture he attended on March 20, 1969, at a meeting of the Pittsburgh Pediatric Society. Unfortunately, that video was removed from YouTube. □

The lecturer at that gathering of pediatricians was Dr. Richard Day (who died in 1989). At the time Dr. Day was Professor of Pediatrics at Mount Sinai Medical School in New York. Previously he had served as Medical Director of Planned Parenthood Federation of America. Dr. Dunegan was formerly a student of Dr. Day at the University of Pittsburgh and was well acquainted with him, though not intimately. He describes Dr. Day as an insider of the "Order" and although Dr. Dunegan's memory was somewhat dimmed by the intervening years, he is able to provide enough details of the lecture to enable any enlightened person to discern the real purposes behind the trends of our time.

You can also [read a transcript of the entire message on this site!](#)

Here are just some of the topics covered in this video created from Dr. Dunegan's audio tapes about the plans of the New World Order. He revealed this information in 1969! How many predictions can *you* count that have been fulfilled? Please write your answer in the comments section below.

1. Girls would be discouraged from playing with dolls so they wouldn't think about babies. They would be encouraged to get out on the soccer field instead.
2. Guns would be eliminated almost entirely and the few that were allowed to have them for hunting would have to check them out from officials. (The public in Canada, Australia and New Zealand have been disarmed. This is the reason, in my opinion, government repression during the Covid plandemic was much harsher in those nations than in America.)
3. They already could cure over 98% of all cancers – they had the cures at the Rockefeller Institute. But they would not be released because there were too many people in the world and they had to die of something.
4. Homosexuality will be encouraged – anything goes. (Since the Obama administration, gay rights have been promoted, and now under Biden, the LGBTQ agenda is given priority over fixing the southern border crisis and fixing other serious problems America is facing today.)
5. Families will diminish in importance. People would be encouraged to live alone.
6. Euthanasia will be encouraged – they will use “the demise pill” to kill themselves.
7. Births will be strictly controlled and you could not simply have children because you wanted them.
8. “Stupid” people would not eat correctly and exercise so they would die much earlier and that's what they wanted.
9. Private doctors will be eliminated – doctors make too much money.
10. They will make health care so expensive that you must have insurance or be financially destroyed. Limiting access to affordable medical care will make eliminating the elderly easier. They would stop hospitals from giving any charity care.
11. New difficult-to-treat and diagnose diseases will come about as a means of population control. (SARS, Covid-19, laboratory engineered viruses.)
12. Running shoes and sports equipment will be made glamorous to make the “smart” people get into exercise.
13. Romantic music will not be put out anymore. All the old music will be brought back on certain “oldies” radio stations and the young people will have their own radio stations. Old movies will be put on again for the old people.
14. Entertainment will be used to mainly change and program young people. The old people are not important anyway so they don't care much about them.
15. Entire meals will be made and put in grocery stores. Convenience foods will be made unhealthy. They wanted people who were too lazy to fix their own meals or exercise to die early.
16. Inducing heart attacks as a means of assassination. ([Heart attacks among young people have indeed dramatically increased](#) since the Covid-19 pandemic. Did the Covid vaccines cause it? I believe it did.)
17. They will blend all religions but Christianity had to go especially! Once the Roman Catholic Church is brought down then the rest will go next. Then they will create a new religion. (Many traditional Catholics are alarmed at the way Pope Francis is leading the church. I believe that even if the RCC is destroyed as an institution, those who controlled it will lead the new world religion. And if end-time events

do not go the way dispensational evangelicals think they will, some have actually said they will throw their Bible away!)

18. They will change the Bible over time – churches would help them! (False doctrines abound in churches today.
19. The education system will be restructured as a tool of indoctrination. Kids will spend more time in school but won't learn anything. Kids will have to specialize early on in their education and changing their plans will be very difficult. (Many Americans cannot find major countries such as Japan on a map.
20. ID will be required for all travel. They will implant IDs inside the skin so that nobody can say they lost their IDs.
21. They will control who has access to information. Some books will just disappear or be changed. They will even have thieves steal certain books from the library. (It's much harder for them to control Information now unless Internet providers start to charge more money to access websites like mine which are not sanctioned by the government.
22. Drug use will be encouraged to create a "Jungle" atmosphere. Meanwhile, police enforcement to put people in prison for drugs will be drastically increased.
23. Food will be strictly controlled and people would be not allowed to grow their own. They only would give you enough food to give you what you needed but hoarding food or growing food would be criminal activities. They didn't want anybody to be able to support those outside their system.
24. Travel will be first made cheaper to encourage people to spread out their families but then made very expensive so few people can afford it.
25. Crime will be increased as a way to control society.
26. More jails would be made and they would even use hospitals as jails.
27. **America would lose its manufacturing base.** Other countries would be making the products America was making now. (This is sure true of manufacturing in Asian countries.)
28. Sports would be used as a tool for social change – Soccer was being encouraged since it was a global game. They wanted to do away with anything like football and baseball that were created in the United States. National pride of any type would be discouraged.
29. Sex and violence would be programmed through entertainment.
30. All television sets would have secret cameras that would watch everybody in the room.
31. They would implant IDs in everybody.
32. They would control what was in our food.
33. They already controlled the weather. They would stop rain in certain areas to bring them under their control. They would make rain during harvest to make it harder to get the food from the fields.
34. There were always two reasons for all their actions. The public reason they give everybody and the REAL reason.
35. People don't ask the right questions – they are too trusting.
36. Scientific research would be falsified to push their agendas.
37. **Terrorism would be used to control the people.**
38. Home ownership will be a thing of the past.
39. The new system would be either brought by peaceful means if possible or by bringing the nation to the brink of nuclear war. People would give up

their national sovereignty to keep the peace.

40. If too many people resisted their plans, there might be a need to use one, two or more nuclear weapons to show that "we mean business".
41. War was justified as a way to control the population. They were happy that World Wars had killed millions so they couldn't keep having babies. But now with nuclear weapons, they would not allow wars to be fought with nuclear weapons on a wide scale.
42. Americans have had it too good so nuclear terrorism might need to be used in order to implement the new world order system.
43. Inflation is a tool of control. Money would be turned into credit. Cash would be done away with. People would carry money only for small items such as chewing gum. All else is done electronically. They would ultimately have a single bank system but might appear as several banks.
44. All purchases would be tracked. If you bought too much of an item or a particular item, an official would be alerted to investigate. The ability to save would be curtailed so they would not be able to accumulate wealth. Wealth in the hands of the people is not good for those in charge.
45. If you saved too much, your pay would be cut in the future so you could not accumulate any wealth.
46. Credit would be encouraged so people would get in debt and get in trouble so authorities could come down hard on them.
47. Eventually there would only be one credit card and then after that, there would be a skin implant located in your right hand or your forehead. He was told to not worry about what the Bible said about this because this was just the logical place for the implant.
48. Implants would also be used for surveillance. Every citizen could be identified by their own signal through tooth fillings etc.
49. You'll be watching television and somebody will be watching you at a central station. The TV could be off and still monitor you. They could tell what you are watching and how you are reacting to what you are watching. The signals for monitoring you will go down the cable for your Cable TV and telephone wires.
50. Audio monitors would also be used in other rooms. Any wires that come into the home will be used to monitor you such as telephone wires.
51. There would be service trucks everywhere putting in the monitoring equipment.
52. People who already owned houses would be allowed to keep them but young people would never be able to afford a home. The cost of homes would not come down even with all the empty houses. They would control the price of homes to turn more and more people into renters.
53. People would be assigned where they would live and they would assign non-family members to live with you. That's why the census asks how many bedrooms you have in the home.
54. When the new system comes out, they would be required to sign allegiance to it. There would be no room for people who would not sign their allegiance to the new system. They would be secretly taken to special places where they would not live very long. People will just disappear so they can't be martyrs.
55. The new system will come in over a weekend in the winter. They would announce the new system was in place on a Monday. Everybody will have

less leisure time after the new system was brought in so they couldn't figure out what was going on.
