

# “Summary of My Research” – By Darryl Eberhart

The World Run by Arturo Sosa Abascal through Pope Francis

Rome STILL rules the world!

This article is a re-post from archive.org. Please also do your own research to confirm whether these things are so or not.

You won't hear people like Alex Jones and other famous alternative media hosts say such things. They usually won't go any higher than the either the Freemasons or the international bankers, many of whom are Jewish. Some of my friends believe the Jews / Zionists are the main conspirators. This is what I wrote to one of my friends who holds this view:

I believe the most powerful guy in the world who is running the show and the best candidate for the current ruling AntiChrist, is the Jesuit Superior General, AKA the Black Pope, Arturo Sosa. He's also head of the Freemasons, head of the Illuminati, head of Knights of Malta, and the Zionists bankers are working for him and managing his money. If someone under him crosses him, it's curtains for that person.

I base my thinking on the Bible and history and not necessarily on current events. History tells me the Roman Catholic Church is far more powerful than the Jews or Zionists as a group. The RCC murdered not only Bible believers but countless Jews too through the centuries. Jews are the Jesuits scapegoats. Revelation 17 is clearly a picture of the RCC.

Revelation 17:4-6 And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication: And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH. And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration.

## **“Summary of My Research”**

A 1-Page Handout // Website: [www.toughissues.org](http://www.toughissues.org) // Updated: March 11, 2009

Over the past 11 years I have been researching “unedited” history, looking for the real powers that control most nations, and that are the greatest threat to freedom. To summarize my findings:

1. Jesuit-controlled Papal Rome is the greatest geopolitical-financial-religious “juggernaut” that the world has ever seen. She controls many nations on planet Earth. She does this through her control of secret societies (e.g., her Jesuit Order, her Knights of Malta, and the highest levels of Freemasonry), international banking, and the Roman Catholic Church. She controls over one billion adherents of Roman Catholicism through a religious system that (a.) is a hierarchical dictatorship; (b.) tolerates no real dissent; (c.) has the Confessional Booth (the greatest intelligence-gathering and control system in the world); and, (d.) makes the “Church” the sole dispenser of “grace” to her adherents.
2. Jesuit-controlled Papal Rome has been running the USA for over a century. She controls the USA through her “agents” who have infiltrated the White House, the State Department, the U.S. Intelligence Community, federal law enforcement, the Judiciary, the Pentagon, non-Catholic religious denominations, and the mainstream media. Her “agents” in the USA include the following: the Jesuit Order; the Knights of Malta; high-level Freemasons; high-level Knights of Columbus; and, numerous Jesuit temporal coadjutors (persons of any race, religion, or sex who are on the Jesuit “payroll”).
3. Jesuit-controlled Papal Rome controls a sizable portion of the U.S. education system. Her parochial schools indoctrinate millions of students concerning Roman Catholicism and the papal system, while at the same time withholding from them almost everything that is negative concerning the bloody history of Papal Rome. She has numerous institutes of higher learning in the USA, such as Jesuit Georgetown University. (Many U.S. diplomats and Foreign Service personnel have been – and continue to be – trained at Georgetown’s Foreign Service Institute.) She has placed many of her “agents” on textbook committees of public schools – to ensure that those “negative things” concerning her bloody history are not allowed to appear in history textbooks. (Encyclopedias in the USA have undergone similar “papal editing”.)
4. Papal Rome has throughout history been the greatest enemy of civil and religious liberty. Her popes and higher-level prelates have frequently and regularly condemned all the liberties that we Americans cherish, such as freedom of religion and freedom of conscience. Pope Pius IX’s “*Syllabus of Errors*” in 1864 is an excellent example of Papal Rome’s hatred of liberty! (For more information on this topic, please see “*Papal Rome’s Hatred of Liberty*” on [www.toughissues.org](http://www.toughissues.org).)
5. Papal Rome has been the greatest mass-murderer of Jews, Muslims, independent Bible-believing Christian groups (e.g., the Albigenses and Waldenses), Orthodox Christians, and Protestants over the past

millennium. Papal crusades brought death and mayhem to much of Europe and to the Middle East. The Papal Inquisition took the lives of up to 50 million innocents. (For more information on this topic, please see "*Bloody Hands & Wicked Hearts*" on [www.toughissues.org](http://www.toughissues.org). Also, you can order a 58-minute color DVD, "*The Inquisition: 605 Years of Papal Torture and Death*", for \$8 [includes S&H to locations in the USA] by making a check or money order payable to "Richard Bennett", and mailing it to: Richard Bennett // c/o Berean Beacon // P.O. Box 192 // Del Valle, TX 78617.)

6. Papal Rome has been the greatest fomenter of wars and revolutions over the past millennium. For example, she fomented World War I and World War II. (You can read about this in Edmond Paris' book "*The Secret History of the Jesuits*". Please call Chick Publications at 1-909-987-0771 to order it.)
7. "Agents" of Jesuit-controlled Papal Rome made plans for the destruction of America's Constitutional Republic at three meetings in the 19<sup>th</sup> century (Vienna, 1814-15; Verona, 1822; and Chieri, Italy, 1825). Samuel Morse, inventor of the telegraph, warned of Papal Rome's great threat to the American Constitutional Republic and to liberty everywhere! Shouldn't we be passing on that warning to others?
