

# The Destruction of the Georgia Guidestones and the Meaning of its Message

The Georgia Guidestones was a large granite monument in Elbert County, Georgia, USA. A message comprising ten guides was inscribed on the structure in eight modern languages, and a shorter message is inscribed at the top of the structure in four ancient languages' scripts: Babylonian, Classical Greek, Sanskrit, and Egyptian hieroglyphs.

On July 6, 2022, at around 4 am US Eastern Standard Time, a bomb went off and destroyed one of the slabs of the monument. In the spite of the fact that CCTV cameras were trained on the monument 24/7, there was no sign of anybody planting a bomb. Could it be the Lord Himself destroyed it?

A few hours later a wrecking crew came and destroyed the other slabs which were now weakened and in danger of falling and hurting the public.

Some people referred to the Georgia Guidestones as the 10 commandments of the Antichrist! Were they? You be the judge.

## **The message that was on the Georgia Guidestones and an honest interpretation of that message.**

### **# Original statement**

- 1 Maintain humanity under 500,000,000 . in perpetual balance with nature.
- 2 Guide reproduction wisely – . improving fitness and diversity.

### **Honest interpretation of statement**

7.4 BILLION people on the planet need to die.  
Global elites will decide who, what, and how life is replicated on the planet. Forced sterilization, eugenics, pharmacology, abortion, cloning, and gene editing (CRISPR) are already at work.

- |   |   |  |
|---|---|--|
| 3 | Unite humanity with a living new language.                                    | Global elites want to unite all people with a single language so it's easier to subjugate them. In an act of defiance, global elites intend to reverse the Tower of Babel episode in the Bible.  |
| 4 | Rule passion – faith – tradition – and all things with tempered reason.       | Anyone that places faith in God above the state is not tempered with reason and will be silenced one way or another. To the global elite, God is not the source of law—man is.   |
| 5 | Protect people and nations with fair laws and just courts.                    | Global elites know best what your community needs for fair laws and courts. Global elites will make the laws and appoint judges to enforce them. Laws based on Judeo-Christian values are relics in our post-modern world.   |
| 6 | Let all nations rule internally resolving external disputes in a world court. | Global elites will decide all issues of significance in a world court. Your supreme court will no longer be the highest court of the land.   |
| 7 | Avoid petty laws and useless officials.                                       | Your form of representative government is useless. Your state and federal constitutions are petty laws. Collectivism will govern rule making. Karl Marx is a hero. Individual sovereignty and property rights are bad. You will own nothing and be happy.                  |
| 8 | Balance personal rights with social duties.                                   | The New Age ideology of the global elite turns the world upside down. It calls good evil and evil good. If you reject this ideology, you do not “prize truth”.   |
| 9 | Prize truth – beauty – love – seeking harmony with the infinite.              | You must support our sustainability initiatives, green new deal, climate summits, carbon tax credits, tax subsidized windfarm projects, and any other scams we concoct to leave room for nature. Read it again. We think you're an idiot, so we want you to read it twice. |
| 1 | Be not a cancer on the earth – Leave room for nature – Leave room for nature. |  |

### **Documentary about the Georgia Guidestones, who built it and why**

This is the most complete and most informative documentary about the Georgia

Guidestones I have ever seen. Listen to interviews of all the people involved except for the mysterious R.C.Christian and his accomplice. It's two hours long but very interesting throughout. And you will learn the probable identity of R.C. Christian: Dr. Herbert H. Kersten of Iowa.
