

Truth Vindicated! COVID Crimes Face Judgment – Five Years Later

“So that a man shall say, Verily there is a reward for the righteous: verily he is a God that judgeth in the earth.”

Psalm 58:11

It has been five years since the launch of Operation COVID-19—an unprecedented global campaign of fear, control, and deception. What the world called a “pandemic,” we recognized early on as a scandemic, steeped in political manipulation and religious influence from Rome itself. The Berean Beacon was among the first Christian ministries to warn of the Jesuit fingerprints behind the scenes, influencing the architects of COVID policy in America.

As early as April 10, 2020, we exposed the deeply troubling background of Dr. Anthony Fauci, former Director of NIAID, and his documented connections to Roman Catholic institutions and Jesuit training.

By June 2020, we uncovered the Vatican ties of Dr. Francis Collins, NIH Director.

In July we uncovered Dr. Robert Redfield, CDC Director

and his [Curious Catholic Connections to COVID-19](#).

These men—under the banner of “public health”—oversaw policies that led to the suppression of early treatments, medical coercion, deadly hospital protocols, and the rollout of [deadly experimental injections](#), all while silencing dissent [with an iron fist](#).

Criminal Referrals Filed in Seven States

Now, five years later, God is beginning to expose and judge the wicked. Formal criminal referrals have been submitted in seven U.S. states against Fauci, Collins, Redfield, and others—including Deborah Birx and Rochelle Walensky—on charges of **murder, medical terrorism, coercion, and racketeering**.

According to [Vires Law Group](#) and the Former Feds Group Freedom Foundation, these referrals urge state attorneys general to investigate and prosecute. The states now involved include:

- [– Missouri](#)
- [– Louisiana](#)
- [– Texas](#)
- [– Oklahoma](#)
- [– Florida](#)
- Arizona
- Pennsylvania

The action comes after President Biden, in his final hours, issued an unprecedented pre-emptive pardon for Anthony Fauci, which may shield him federally, but does not protect him from state-level prosecution. The movement to pursue justice continues, led by brave state attorneys general determined to expose what truly happened.

A Spiritual Battle—Not Just Legal

We must understand: this is not just a political reckoning, it is a spiritual unveiling. As Psalm 1 declares: *"The ungodly are not so: but are like the chaff which the wind driveth away... the way of the ungodly shall perish."* – Psalm 1:4,6

This moment is a vindication for truth-lovers. As the world begins to confront the darkness behind the plandemic, we stand on the unshakable promise:

"No weapon that is formed against thee shall prosper... This is the heritage of the servants of the Lord." – Isaiah 54:17

Where Do We Go from Here?

Now is not the time for silence. This is a moment to strengthen the body of Christ, to urge believers to remain discerning, and to expose the works of darkness (Ephesians 5:11). The Jesuit agenda did not end with the pandemic—it merely shifted. But our hope remains in the eternal Judge, who sees and repays.

If you live in one of these states please contact and pray for your attorney general to take decisive and bold action.

Let us all continue to pray for boldness, justice, and revival. Let us walk not in the counsel of the ungodly, but delight in the law of the Lord. The truth is not just on trial—it is rising.

In Christ's unshakable truth,
