Please support this website and our ministry sharing the Gospel in the Philippines! If you like this article and my work on this website, you can show your appreciation by sending me a gift. This website and my daily work on it adding new articles is because of faithful followers of Jesus Christ whose hearts the Lord touched to send us a gift towards our support. I'm now 74 and get only a small social security pension from the US government because I worked only 10 years under the Social Security system.

At this time I can only receive gifts through PayPal. If you have a PayPal account, you can log into it and send your gift to:

**`james.arendt@jamesjpn.net`**

Please click the "Friends and Family" option or I will not receive it.

Other than PayPal, the only other option I know of how you can send my wife and I a gift is through Western Union. There is a local Western Union office in town and I have received a gift through it. All you need to give them is my name, James Andrew Arendt, and that I live in the Philippines. After that, please send me a photo of the transaction receipt to the above email address so I can see the tracking number and your name and amount of money.
