

The Greatest Heresy of the Endtime: Dispensationalism

If you have heard of the doctrine of dispensationalism but are unsure what it means, the video in this article will teach you everything you need to know. I learned so much from it!

It's very important that this doctrine be exposed as false and teachers such as Gene Kim who teach it as false teachers. Dispensationalism is the root of several false doctrines such as Zionism, pre-tribulation rapture, a difference between the Kingdom of God and the Kingdom of Heaven, and the modern state of Israel being central to Endtime Bible prophecy.

We need to reject, fight against, and demolish dispensation.

Part 1 Introduction

What is dispensationalism

The part of the chapter we're gonna focus on is found in 2nd Peter chapter 3 verse 14 where the Bible reads,

2 Peter 3:14 Wherefore, beloved, seeing that ye look for such things, be diligent that ye may be found of him in peace, without spot, and blameless.

15 And account that the longsuffering of our Lord is salvation; even as our beloved brother Paul also according to the wisdom given unto him hath written unto you;

16 As also in all his epistles, speaking in them of these things; in which are some things hard to be understood, which they that are unlearned and unstable wrest, ...

At kind of the base level, what is dispensationalism? Where did dispensational theology come from? This view that we're calling dispensational pre-tribulational premillennialism has been the dominant perspective in American evangelicalism for about the last one hundred and fifteen to twenty years. And you will not find the idea that we are going to escape the Antichrist until approximately a hundred and forty years ago when a fifteen year old girl had a revelation. And that revelation was picked up by JN Darby, the founder of the Plymouth Brethren, and developed into a form of theology known as dispensational theology.

Mr. Darby took took his gospel of the rapture to the United States. And he came in contact with the Billy Graham of his day. His name was Dwight L Moody, founder of the Moody Bible Institute, and Moody press and all of that. *Moody* became the sort of worldwide disseminator of this theology of dispensationalism and a pre-tribulation rapture on both sides of the Atlantic and for a very long time. And then we were off and running.

Dispensationalism is essentially is a method of interpretation of understanding the Bible which translates the Bible literally in its historic and poetic and wisdom literature, all of it, and reads it at face value interpretively, and understands Israel to be taken a priority in God's program, and then gets to the church and the churches is separate.

Now let me say this: Dispensationalism is a *man-made structure* for understanding the Bible. This needs to be understood right off the bat. It's man-made.

(Transcribed up to 5 minutes and 15 seconds. In this case watching the video is better than reading the transcript because some of the speakers are falsely trying to prove dispensationalism.)
