The world (led by the United States) has been under Covid tyranny for over 18 months now. At the very beginning of this masquerade, we were all taken off guard. No one then could have dreamed what the satanic eugenicists Bill Gates, Anthony Fauci, et al. had planned for us.

For a few weeks, everyone gave the medical establishment the benefit of the doubt and believed they were truly looking out for our health—although some of us NEVER put on those stupid masks. (To this day, I have not worn one of those beastly masks—not once.)

But now the jig is up! We know exactly what Gates and Fauci are doing; and it has absolutely NOTHING to do with keeping us healthy.

The Covid narrative is a planned exercise in global tyranny. Not by coincidence, the countries that are denied the right to keep and bear arms are suffering through the worst of this tyranny. The Aussies and New Zealanders must now realize how foolish they were to allow their governments

to disarm them.

As we were forced to traverse these tumultuous tyrannical waters, we became aware that Fauci and the CDC were lying to us all along. From the very beginning, they manipulated, exaggerated and lied about Covid deaths. And now they are lying and covering up the deaths from the Covid gene therapy shots (they are NOT vaccines).

[In this report](#), Joseph Mercola makes a compelling case that the Covid jabs have already killed over 200,000 people in the United States:

Yesterday, October 8, 2021, I published a Highwire exclusive interview with Deborah Conrad, a physician's assistant who is blowing the whistle on COVID jab injuries, and the fact that these injuries are rarely reported because of a faulty VAERS database design.

Today you're in for yet another bombshell video: "Vaccine Secrets: COVID Crisis." It's the first episode of "The False Narrative Takedown Series," produced by Steve Kirsch, executive director of the COVID-19 Early Treatment Fund.

"Vaccine Secrets" complements and supports everything Conrad shared in her interview, so I highly recommend saving these files on your computer and watching both of them. Both are available on Bitchute.

How Many Have Died From the COVID Jabs?

According to Kirsch, the COVID shots have already killed an estimated 200,000 Americans, a far higher number than the 15,386 deaths reported to the U.S. Vaccine Adverse Event Reporting System (VAERS) as of September 17, 2021. You can find all the research for Episode 1 of the "False Narrative Takedown" series on SKirsch.io/vaccine-resources.2

According to Kirsch, the vaccination program should be immediately halted, as the VAERS data suggest more than 200,000 Americans have already died, and more than 2 million have been seriously injured by the vaccines. Interestingly enough, Kirsch and his entire family took the COVID shot early on, so he's not coming from an "anti-vax" position.

According to Kirsch, the CDC, the U.S. Food and Drug Administration and the National Institutes of Health are all "spreading misinformation about the vaccine versus early treatment." In a nutshell, these agencies are saying the complete opposite of what is true – classic Orwellian doublespeak.

They claim the COVID shots are safe and effective, when the data show they're neither, and they say there is no safe and effective early treatment, which is clearly false. At the same time, our medical freedoms are being stripped away under the guise of public health – all while an immense death toll is allowed to take place right before our eyes.

Kirsch is so confident in his analyses, he's offered a \$1 million

academic grant to anyone who can show his analysis is flawed by a factor of four or more. So far, no one has stepped up to claim the prize. He's even offered \$1 million to any official willing to simply have a public debate with him about the data, and none has accepted the challenge.

False Narratives Overview

In this episode, Kirsch goes through five false narratives about COVID jab safety, namely that:

- *The shots are safe and effective
- *No one has died from the COVID shot
- *You cannot use VAERS to determine causality
- *The SARS-CoV-2 spike protein is harmless
- *Only a few adverse events are associated with the shots and they're all "mild"

He also reviews the five false narratives about what the solutions are:

- *Vaccines are the only way to end the pandemic
- *Vaccine mandates are therefore needed
- *Masks work
- *Early treatments do not work
- *Ivermectin is dangerous

COVID Shot Kills Five Times More People Than It Saves

Kirsch cites information from Dr. Peter Schirmacher, chief pathologist at the University of Heidelberg, who is recognized as one of the top 100 pathologists in the world.

More Than 200,000 Have Likely Been Killed by the Jabs

Between the documentation on his website and the video, you get a detailed in-depth understanding of how to do this and how Kirsch came to the conclusions made. Here, I will simply provide a summary rundown of Kirsch calculations and conclusions:

- *Propensity to report = same as in previous years
- *Number of domestic deaths in the VAERS database = 6,167 as of August 27, 2021
- *Under-reporting factor for serious events = 41 (i.e., for every 41 events, only one is reported)
- *Background VAERS death rate = 500 per year (this background death number will be subtracted twice, as most COVID jab recipients are receiving two doses. This gives us a very conservative estimate)
- *Excess deaths calculation = $(6,167 - 2 \times 500) \times 41 = 212,000$ excess deaths

Using the same calculation methods, Kirsch conservatively estimates more than 300,000 Americans have also been permanently disabled by the COVID shots. These estimates have been validated by four teams of researchers using other methods. (None of them used VAERS data.)

If you're under the age of 50, your risk of dying from the vaccine is greater than your chance of dying from COVID-19.

Kirsch also demonstrates another calculation to show the COVID shots kill more people than the actual COVID-19 infection does. That calculation also shows that if you're under the age of 50, your risk of dying from the vaccine is greater than your chance of dying from COVID-19, so it makes no sense from a risk-benefit perspective to get the jab if you're younger than 50.

What's more, since your risk of natural infection exponentially decreases over time (as natural herd immunity grows, your chance of infection approximately halves each year), the risks of the COVID shot rapidly outgrow any potential benefit with each passing year.

[This British report](#) shows statistical support for the charge that the Covid jab is destroying people's natural immunity and giving them AIDS (another government-created medical crisis).

Latest UK PHE Vaccine Surveillance Report figures on Covid cases show that doubly vaccinated 40-70 year olds have lost 40% of their immune system capability compared to unvaccinated people. Their immune systems are deteriorating at around 5% per week (between 2.7% and 8.7%). If this continues then 30-50 year olds will have 100% immune system degradation, zero viral defence by Christmas and all doubly vaccinated people over 30 will have lost their immune systems by March next year.

These people will then effectively have full blown acquired immunodeficiency syndrome.

But, finally, people are beginning to fight back.

[This report](#) notes how State senators in Oregon are seeking a grand jury investigation into Covid-19 statistical manipulation.

The CDC adopted a "double-standard exclusively for COVID-19 data collection" that inflated cases and deaths starting early in the pandemic, violating multiple federal laws and distorting mitigation policies, Oregon lawmakers told the feds' top lawyer in the state.

Advised by "a large team of world-renowned doctors, epidemiologists, virologists, and attorneys," state Senators Kim Thatcher and Dennis Linthicum petitioned U.S. Attorney Scott Asphaug to approve a grand jury investigation into how the pandemic is being measured.

[Professionals in the airline industry have had enough and are refusing to comply:](#)

Joshua Yoder, a pilot with Southwest Airlines and co-founder of U.S. Freedom Flyers, told Fox News on Monday's Tucker Carlson Tonight that

“we have all the control, and the control comes from a simple word, and that is ‘no.’ We just don’t need to comply.”

The day after Biden issued his imperial command, almost two dozen state governors responded with a statement opposed to his overreach, including Arizona, Alabama, Alaska, Arkansas, Florida, Georgia, Idaho, Iowa, Missouri, Mississippi, Montana, Nebraska, North Dakota, Oklahoma, South Carolina, South Dakota, Tennessee, Texas, and Wyoming.

And yesterday, a federal judge in Texas issued a temporary restraining order against United Airlines (UA), blocking it from imposing its vaccine mandate on any of its employees. UA originally told its 67,000 U.S. employees that they must be vaccinated by September 27 or lose their jobs.

This court order is the first of its kind, likely not the last. As more and more individuals like Yoder understand the power of the word “no” to federal overreach, the greater the pushback will be against the Biden administration’s use of COVID to impose its draconian and tyrannical mandates on American citizens.

So many law enforcement personnel are refusing to comply with the vaccine mandates that in Seattle the city is losing as many as 40% of its police force.

In what the president of Seattle’s Police Guild calls an “unprecedented move,” the department moved to “Stage 3” operations Wednesday.

That means detectives and other non-patrol units will serve as first responders to 9-1-1 calls.

The department has already lost more than 300 officers in the past year, and hundreds more could face termination next week if they don’t comply with the vaccine order.

The SPD staffing crisis has become so dire, police union president Mike Solan is warning about what’s next, as the department mobilizes to “Stage 3”—an emergency scenario because of a shortage of officers.

Meanwhile businesses and neighbors are left to deal with rising crime and longer response times.

Anyone who has but a modicum of knowledge of the fundamental principles of Liberty knows by now that the Covid narrative is NOT ABOUT health but ALL ABOUT total government control over our lives.

Perhaps the governor of Maine personifies the satanic spirit of slavery as well as anyone.

Central Maine Medical Center, a key hospital for regional healthcare, issued a dire warning about the need to shut down critical care services

last week if they are forced to fire or lay-off all the unvaccinated workers. The hospital appealed to the Governor's office, Democrat Janet Mills for a testing option to avoid losing some of the most important care providers in their system.

Today, the hospital quantified their issue and announced they were going to suspend pediatric admissions as well as heart attack and trauma admissions, because they just will not be able to operate.

Unfortunately, the Democrat Governor has announced she doesn't care if the hospital has to shut down. Mills' stated her unilateral jab mandate will remain in place and the vaxxed and unvaxxed citizens of Maine will die until they comply with the vaccine rules.

Because it's all about the public health right?

Joe Biden and Lloyd Austin are so desperate to force compliance within the U.S. military that they are [threatening to make Navy SEALs pay back the cost of their training if they don't get vaxxed.](#)

An estimated 33% – 40% of U.S. military personnel are holding their ground and refusing the jab.

People, please understand that the primary tool of tyrants is intimidation. In other words, they are BULLIES. All it takes to shake off a bully is to stand up to him and just say NO!

And that's what people all over America are starting to do.

I'm talking about men like [Dr. Chris Rake.](#)

A shocking video of respected [UCLA] anesthesiologist Chris Rake being kicked out of his job has gone viral. He explains to RT.com why he opposes mandatory Covid-19 vaccinations and is prepared to never practice medicine again.

"This is totalitarianism. I've come out and said, 'No, you're not going to do that, not on my watch'... I'm willing to give my life to this cause."

Rake is not alone. Almost 8,000 physicians and medical scientists have signed a [declaration accusing Covid policymakers of "crimes against humanity."](#)

An international group of physicians and scientists signed a declaration Friday accusing COVID-19 policy-makers of "crimes against humanity" for preventing the use of life saving treatments on their patients.

As of Monday morning, the Physicians Declaration had garnered more than 4,600 signatures. The signers accused policymakers of forcing a "one-size-fits-all" treatment strategy, resulting in "needless illness and death," rather than "upholding fundamental concepts of the

individualized.”

According to Global COVID Summit, the declaration was created by physicians and scientists during the Rome COVID Summit. The signatories are professionals, many of whom are on the front lines of treating COVID patients.

The Declaration states:

“The Physicians’ Declaration was first read at the Rome COVID Summit, catalyzing an explosion of active support from medical scientists and physicians around the globe. These professionals were not expecting career threats, character assassination, papers and research censored, social accounts blocked, search results manipulated, clinical trials and patient observations banned, and their professional history and accomplishments altered or omitted in academic and mainstream media.

“Thousands have died from COVID as a result of being denied life-saving early treatment. The Declaration is a battle cry from physicians who are daily fighting for the right to treat their patients, and the right of patients to receive those treatments – without fear of interference, retribution or censorship by government, pharmacies, pharmaceutical corporations, and big tech.”

The signatories created a “doctors- and scientists-only” COVID information platform so citizens can make informed decisions for their families “without interruption, manipulation, politicization or profiteering from external forces outside of the doctor-patient relationship.”

Ladies and gentlemen, the next six months will determine the fate of the free world.

If freedom lovers in America will stand up en masse RIGHT NOW and refuse to comply with the antichrist Covid mandates, and I mean **regardless of the cost**, Liberty will be preserved.

But if we couch down in fear or complacency and continue to go along with this beastly system, by this time next year, a free America will NOT exist.

It is up to us! Right now!

It may not be easy, but it is very simple: For the sake of our freedom and the freedom of our children, DO NOT COMPLY!

I repeat: **DO NOT COMPLY!**
