

Dr. Vladimir Zelenko's Final Words of Warning and Admonition in Text and Video

Vladimir Zelenko

Dr. Vladimir Zev Zelenko passed away on June 30th, 2022, at age 49 from cancer. Zelenko became well-known after introducing a three-drug combination of hydroxychloroquine, zinc sulfate, and azithromycin as part of an experimental outpatient treatment for COVID-19 that he promoted as the Zelenko Protocol. It saved many thousands of lives!

Zelenko was born in Kyiv in 1973, and moved to the US at age 3. He was an Orthodox Jew who feared God and loved humanity to the point he willingly sacrificed his reputation to stand against the government and Big Pharmaceutials for promoting harmful vaccinations what he called, "death shots". May the Lord have mercy on his soul.

Hi, this is Dr. Zelenko. And I'm making this video from my hospital bed. Just want to give a quick update, many, many people have expressed their love and prayers. And I'm very grateful, thank you.

Unfortunately, I had an MRI, and transesophageal echocardiogram called a T, and it found a tumor in my right ventricle. That's the lower right chamber the heart. And on top of that tumor is a blood clot. That's not pretty good news. It's *not* good news. And the treatment would be to go on blood thinners which I'm on to try to dissolve the clot. And then we have to figure out what to do with that tumor.

To be frank, if that clot breaks off, that's a ticket to the next world. Also, there are more tumors around my lower left lobe in my lung. So I'm in a precarious situation. However, as King David writes, even though I walk in the shadow of death, I shall fear no evil, for God is with me. And I do really feel that way. And those words, resonate in my soul more now than ever in my life.

And there is a Talmudic teaching, that even if the sword is on your neck, a person should never give up hope. And so I'm in a very good state of mind. And, as I frequently said, they are going to have to carry my body off the battlefield. Because my resolve to help humanity, the vulnerable, the innocent, decent people overcome this terrible darkness and plague that is upon us, has never been stronger. And if I have to leave the world, I accept God's will.

But I encourage and plead with everyone else, to up your game and stand up and resist. Resist first within yourselves against giving into fear, and then resist publicly against the policies of tyranny which are coming again.

Because it's pretty obvious what's going to happen right now. The World Health Organization, which is essentially funded by the sociopath (Bill) Gates, is gaining more and more power over sovereign nations. Gates messaged, I think five or six months ago that Smallpox is a big threat. It was supposedly was eradicated in 1980. And it was only found in two labs in America and in Russia in DSL level four labs, the highest maximum security labs. And yet five days after the sociopath, criminal Gates, said his prophetic words, a few vials of smallpox were found in an unsecured refrigerator in a Merk laboratory in Philadelphia.

And so, it's not surprising to me now that we're seeing monkeypox. I anticipate global panic about it. This will be the next media or narrative that will continue the fear campaign to end locked down campaign and mask campaign to create anxiety, isolate you from people you love, and dehumanize you with with these face diapers. And so this is their playbook. And they're going to keep on sending wave after wave of their evil agenda until we make internal resolutions to kick the evil out from within us. We should, in my opinion, denounce the worship of false gods, that of technology, that of science, the god of corrupt governments, money, power, fame, and reconcile our hearts with our Creator who's making us anew, every instant in time.

Basically, the world has now chosen sides, those that will worship the machinations of men, and those that will bow down to the Creator. And so let the culling begin. You know, the world needs a cleaning. And when the process is done, the world will be filled with knowledge of God, just like the waters cover the seas. And the sociopaths have a big thing coming for them. They think they are gods, they think that they're ruling the world. We'll see. So let the games begin. And I have no problem falling in battle. Because this is a hill that we need to die for. Because otherwise, our progeny will have nowhere to breathe free.
