

Quotations Dealing with the History of the Jesuits

Jesuits wrote the Protocols of the Elders of Zion.

This is the continuation of [The Jesuit Order – The Society of Jesus – By Darryl Eberhart](#)

III. Quotations dealing with the history of the Jesuits

(Most of them, hopefully, in some sort of chronological order; and sometimes with my amplification [enclosed in brackets] added within the quotation, and/or my comments added following the quotation):

"On 27 September 1540, in a private reception hall of the Palace of the Popes on Vatican Hill, Rome, eleven men of aristocratic birth [Ed.: including Ignatius Loyola], met with Pope Paul III [Ed.: pope: 1534-1549] who gave approval of their [Ed.: JESUIT] Order. That beginning was to become the most loyal and most efficient organization [Ed.: that] the Roman Catholic Church has ever spawned.

...In the agreement to rescue [Ed.: Papal] Rome [Ed.: i.e., the Roman Catholic Church-State] from the predicament of losing its world control to Protestantism [Ed.: during the Protestant Reformation], and to preserve the spiritual and temporal supremacy which the popes [Ed.: had] 'usurped' during the Middle Ages, [Ed.: Papal] Rome now 'sold' the [Ed.: Roman Catholic] Church to the Society of Jesus [Ed.: i.e., the JESUIT ORDER]; in essence the popes surrendered themselves into their [Ed.: i.e., the JESUITS'] hands." – John Daniel ("The Grand Design Exposed"; 1999; Page 64)

"...The Roman Inquisition...had been administered since 1542 by the JESUITS." – F. Tupper Saussy ("Rulers of Evil: Useful Knowledge About Governing Bodies";

2001 First HARPERCOLLINS Edition; Page xviii)

"Between 1555 and 1931 the Society of Jesus [Ed.: i.e., the JESUIT ORDER] was expelled from at least 83 countries, city-states and cities, for engaging in political intrigue and subversive plots against the welfare of the State, according to the records of a JESUIT priest of repute [Ed.: i.e., Thomas J. Campbell]. ...Practically every instance of expulsion was for political intrigue, political infiltration, political subversion, and inciting to political insurrection." – J.E.C. Shepherd (Canadian historian; "The Babington Plot"; 1987; Page 12)

"In 1560 the Senate of Venice forbade the JESUITS to confess women [Ed.: i.e., to hear confession from women], because they made use of confession for purposes of immorality... Many boys and girls are first made to eat of the tree of the knowledge of evil in the confessional." – A. Robertson ("The Roman Catholic Church in Italy"; 1903; London; p 162) [Ed.: The confessional has been the seed of much evil. Charles Chiniquy, a Catholic priest for 25 years, exposed the debauchery of the confessional in his book, "The Priest, the Woman, and the Confessional". To order it by credit card, please call Chick Publications at 1- 909-987-0771.]

"The JESUIT General, in control of the Monarchs of France, mass-murdered the French Protestant Calvinists including their great leader, Admiral Coligny [Ed.: starting with the St. Bartholomew's Massacre in Paris, France on August 24, 1572]." – Eric Jon Phelps ("Vatican Assassins"; 1st Edition, 2001; Page 102)

"The Babington Plot [Ed.: a conspiracy that was "hatched" in 1580] was probably the greatest of the many plots of the pope and the JESUITS during the reigns of Queen Elizabeth I and [Ed.: King] James I designed to bring about the downfall of Protestant England, the overthrow of the Reformation in England, Scotland and Ireland, and to place some other claimant upon the Throne who would be acceptable to [Ed.: Papal] Rome, and committed to bring the English in submission to the sovereignty of [Ed.: Papal] Rome.

Between 1569 and 1605 (of Gunpowder Plot infamy) there were no less than eleven great plots against Elizabeth and English Protestantism, working toward assassination, rebellion and invasion. Each is known by the name of the leader of the treachery: Ridolfi, Sanders, [Ed.: Pope] Gregory XIII, [Ed.: JESUIT priest] Campion, [Ed.: JESUIT priest Robert] Parsons, [Ed.: the Duke of Guise, [Ed.: Cardinal] Allen, Throgmorton, Parry, [Ed.: Anthony] Babington, [Ed.: Pope] Sixtus V, [Ed.: King] Philip II of Spain, Yorke, Walpole, Southwell, and Guy Fawkes.

...There can be no doubt whatsoever but that the Pope of Rome was very much interested as well as vitally involved in all of these attempts.

...The Babington Plot [Ed.: to invade England, to assassinate Queen Elizabeth I, to incite rebellion, and then to place Roman Catholic Mary Stuart on the throne] took its name from Anthony Babington, a young English gentleman...but the real brains behind the conspiracy were the pope [Ed.: i.e., Gregory XIII], Cardinal Allen, the JESUITS, and the Roman Catholic priest named John

Ballard...” – J.E.C. Shepherd (“The Babington Plot: Jesuit Intrigue in Elizabethan England”; Wittenburg Publications, Toronto, Canada; 1987; Pages 118, 123)

“It is impossible to read Elizabethan history [Ed.: i.e., the history surrounding Queen Elizabeth I of England; born-died: 1533-1603; queen: 1558-1603] except in the context of an army of JESUITS, masters of deceit, treachery, treason, infiltration, subversion, assassination, insurrection, civil war and coercion, plotting for the good of the papacy, and the defeat of all the Pope’s foes anywhere in the world.” – J.E.C. Shepherd (“The Babington Plot”; 1987; Page 20)

“Eight years before the attempted [Ed.: Spanish] Armada invasion [Ed.: of 1588], JESUITS were seditiously active plotting the overthrow of the English government. By using different disguises, aliases, and secret codes, to illegally slip in and out of England, JESUIT Robert Parson [Ed.: several books have “Parsons”], in 1580, had led and then later organized a mission to bring other JESUITS into England to engage in a work of subversion. When the [Ed.: attempted] invasion [Ed.: by the Spanish Armada] failed, these masters of intrigue [Ed.: i.e., the JESUITS] turned to another bizarre scheme. Known in your encyclopedia under the subject, ‘The Gunpowder Plot’ – thirteen [Ed.: Roman] Catholic noblemen and five JESUITS formed a conspiracy devising a plan to explode 36 barrels of gunpowder in the cellar of the House of Lords and kill King James I, and members of the [Ed.: House of] Commons as they assembled for the opening of Parliament on 5 November 1605. Their plan was to blow up the Parliament building and out of the chaos [Ed.: to] incite the people into a full insurrection.

...But before the date [Ed.: that] it [Ed.: i.e., the stack of 36 barrels of gunpowder in the cellar] was to be detonated, the explosives were discovered, leading to the arrest of all those involved. ...Of the five JESUITS involved, two escaped, one died in prison, and two were convicted and executed.” – John Daniel (“The Grand Design Exposed”; 1999; Pages 76, 77)

“This Protestant, Bible-believing, man of God [Ed.: i.e., William, Prince of Orange] is the Father of Religious and Political Liberty. He broke the Pope’s Temporal Power over Holland, protected the Anabaptists and Mennonites who refused to take up the Sword of Just Defense against the Spanish armies of [Ed.: King] Philip II, and gave refuge to the persecuted Jews of Europe. He was murdered [Ed.: in 1584] by an assassin having been sent by the JESUITS, Balthazar Gerard, in obedience to the bloody JESUIT Oath.” – Eric Jon Phelps (“Vatican Assassins”; 1st Edition, 2001; Page 108)

“In 1589, King Henry III of France was stabbed to death by a JESUIT assassin named Jacques Clement. ...This ended the dynasty of the House of Valois.” – Eric Jon Phelps (“Vatican Assassins”; 1st Edition, 2001; Page 127)

“[Ed.: In 1594 the French Parliament ordained that]: “...All the priests and scholars of the [Ed. JESUIT] college of Clermont, and others calling themselves the SOCIETY OF JESUS, as being corrupters of youth, disturbers of the public peace, and enemies of the king and State, should depart in three days from their house and college, and in fifteen days out of the whole

kingdom [Ed.: of France]." (This quote was taken from page 399 of Vol. 2 of J.A. Wylie's "The History of Protestantism".)

"Known as Henry of Navarre [Ed.: i.e., King Henry IV of France], being the first of the Bourbon kings, he brought religious liberty to France with his Edict of Nantes – thus outraging the JESUIT ORDER... After several attempts [Ed.: on King Henry IV's life], the JESUITS finally assassinated him at point blank range [Ed.: in 1610] with one of their fanatical, remorseless tools, [Ed.: the monk François] Ravallac." – Eric Jon Phelps ("Vatican Assassins"; 1st Edition, 2001; Page 129)

"The whole frightful responsibility for this terrible Thirty Years' War [Ed.: 1618-1648] must rest upon the [Ed.: Holy Roman] Emperor Ferdinand II, and his teachers, rulers, and bosom friends – the SONS OF LOYOLA [Ed.: i.e., the JESUITS]." – Karl Theodor Griesinger ("The Jesuits"; 1873)

"The Thirty Years' War, 1618-1648, was a series of conflicts that became the last great struggle of religious wars in Europe. It was fought almost exclusively on German soil...but before the war ended, it involved most of the nations of Europe. The underlying cause of the war was the deep-seated hostility between the German Protestants and German Catholics – with the JESUITS and Cardinal Richelieu, who was the real ruler of France, fanning the fires to accomplish their ends. When the war was over it had totally wiped out the German economy leaving behind a wasteland where one half (some historians say even two thirds) of the population were dead." – John Daniel ("The Grand Design Exposed"; 1999; Page 77)

"The sixth and last event to be considered is the barbarous Irish Massacre, with its 23 October 1641 launching date – the date that also celebrates the Catholic feast of Ignatius Loyola, founder of the JESUITS.

...Again the plot is instigated by the JESUITS, priests, and friars, who excite the ignorant Irish Catholic people to a frenzy to commit the most unheard of cruelties. In far away France, Cardinal Richelieu, the French minister, had promised the [Ed.: Irish Catholic] conspirators a considerable supply of men and money. In one stroke, [Ed.: Roman] Catholics rose up against their peaceful and unsuspecting Protestant neighbors, and spared no age, no sex, nor condition. Led on and declared by their fanatical priestly leaders, that no Protestant should be suffered to live any longer among them, adding that it was no more sin to kill a Protestant than to kill a dog, and that the relieving or protecting them was a crime of the most unpardonable nature.

The onslaught raged on, and when it had run its course, one hundred and fifty thousand Protestants lay mutilated, butchered, and dead.

...For the unbiased researcher, history reeks of the butchery of Romanism, where whole cities and populations were unmercifully wiped out, just because they worshipped God in a manner that was different from Roman Catholicism." – John Daniel ("The Grand Design Exposed"; 1999; Page 78)

"The JESUIT ORDER at last reached the pinnacle of its power and prestige in the early eighteenth century [Ed.: i.e., the early 1700s]. It had become more

influential and more wealthy than any other organization in the world. It held a position in world affairs that no oath-bound group of men has ever held before or since... 'Nearly all the Kings and Sovereigns of Europe had only JESUITS as directors of their consciences [Ed.: i.e., as confessor-priests, "father-confessors"], so that the whole of Europe appeared to be governed by JESUITS only.'" – Boyd Barrett (Ex-Jesuit) (1927; using a short quote by Jesuit Cordara) [Ed: The Jesuit Order is just as powerful today as it was back in the early 1700s – and probably much wealthier!]

"We have remarked to our deep regret that our admonitions to them [Ed.: i.e., the JESUITS] to serve God and not to mix themselves up with other matters, especially secular and political, as well as many other measures, have been almost powerless and of no effect. ...Our predecessors [Ed.: i.e., previous popes] had to undergo much vexation on that account. Pope Innocent XI, driven by necessity, went so far as to forbid the society [Ed.: of Jesus – i.e., the JESUIT ORDER] to receive and invest novices. ...Further, [Ed.: Pope] Innocent XIII was compelled to threaten them [Ed.: i.e., the JESUITS] with the same punishment, and [Ed.: Pope] Benedict XIV closed the visitation of the inspection of the houses and colleges in the dominion of...the most faithful King of Portugal..." – Clement XIV [pope: 1769-74]

"...We abolish and do away with forever their [Ed.: i.e., the JESUITS'] statutes, habits and customs, decrees and Constitutions, even when sealed by oath or Apostolical Confirmation: so that from this day hence the 'Society of Jesus' no longer exists." – Clement XIV [pope: 1769-74] (Statement made in 1773)

"...That the name of the company [Ed.: i.e., the Society of Jesus – the JESUITS] shall be, and is forever extinguished and suppressed... [Ed.: This Papal Decree of Suppression shall] forever and to all eternity be valid, permanent, and efficacious." – Clement XIV [pope: 1769-74] (From his Papal Decree suppressing the JESUITS in 1773) [Ed.: Some authors claim that this decree was a Papal Bull – Papal Rome claims it was a "Brief" – but no matter which it was, a Roman Catholic pope officially banned this Roman Catholic religious order for all eternity! This suppression and abolition of the Jesuits did not last "to all eternity". Less than 50 years later, the Jesuits were "reinstated" (some believe, by force). Pope Clement XIV had previously carried out a four-year investigation into the workings of the JESUITS. He listed eleven other popes who had tried to curb the excesses of the JESUITS. Fourteen months after issuing his Papal Decree suppressing the JESUITS, Pope Clement XIV was poisoned to death by them.]

"They [Ed.: i.e., the JESUITS] were abolished by papal bull in 1773 at the demand of France, Spain, Portugal, Parma, Naples and Austria. They are, however, still to be found everywhere, and they hold considerable property in England. A modern writer justly calls them the 'Black International'." – Lady Queenborough (1933)

"Alas, I knew they [Ed.: i.e., the JESUITS] would poison me; but I did not expect to die in so slow and cruel a manner." – Clement XIV [pope: 1769-74] [Ed.: Clement XIV made this statement in 1774 shortly after he had been poisoned by the JESUITS as "payback" for his suppression of the JESUIT ORDER]

in 1773.]

“[Ed.: JESUIT Adam] Weishaupt established the [Ed.: modern version of the] Illuminati [Ed.: in 1776] specifically to be a front organization behind which the JESUITS could hide. After being [Ed.: formally] abolished by [Ed.: Pope] Clement XIV in 1773, the JESUITS used the Illuminati and other organizations to carry out their operations. Thus, the front organizations would be blamed for the trouble caused by the JESUITS.” – Bill Hughes (“The Enemy Unmasked”; 1st Edition, 2004; Page 23)

“Why would the JESUITS use their implacable enemy, the Jews, to further their designs for world dominion? The JESUITS never do anything out in the open where they can be exposed. If they are recognized as the culprits, they will be blamed and suffer the consequences, but if they can use someone else as the ‘cause of the world’s problems’, especially an enemy they can destroy in the process, then they have simultaneously accomplished two of their objectives. The Jewish people are the perfect scapegoat. Since the Rothschilds are JESUIT agents operating under a Jewish cover, using them in forming the Illuminati back in 1776 effectively throws the onus of this conspiracy on the Jews. The Rothschilds are certainly not the only JESUIT agents that operate under a Jewish front. [Ed.: The Jesuits will use persons of any race, sex, or religion as their agents.]

The following sources [Ed.: Bill Hughes lists a number of books at the end of this paragraph] indicate that [Ed.: JESUIT] Adam Weishaupt and the Rothschilds were the brains and the wealth behind the French Revolution [Ed.: of 1789-1799].” – Bill Hughes (“The Enemy Unmasked”; 1st Edition, 2004; Pages 29, 30)

“They [Ed.: i.e., the JESUITS] have so constantly mixed themselves up in court and state intrigues that they must, in justice, be reproached with striving after world dominion. They cost kings their lives, not on the scaffold, but by assassination, and equally hurtful as the society of Illuminati [Ed.: a JESUIT front group]; they [Ed.: i.e., the JESUITS] were the foremost among the crowd, at all events, who applauded the murder scenes in Paris [Ed.: France, during the French Revolution of 1789-1799].” – Austrian Archduke Maxmilian Francis (1815)

“Without exception, every chief actor in the French Revolution [Ed.: of 1789-1799] was either JESUIT-educated, a Catholic prelate, or a member of the Illuminati Order [Ed.: a JESUIT front organization] where within the Jacobin Club they would come together to conspire and carry out the ‘Great Work’ – which in the open system of the Jacobins was the reflection of the complete hidden system of the Illuminati – and in back of the Illuminati were the hidden JESUIT ‘masters’.

...Most [Ed.: of the leaders of the French Revolution of 1789-1799] had been educated and trained under JESUIT tutelage. Names like Voltaire, Diderot, Turgot, Condorcet, d’Alembert, Desmoulins, and Robespierre were all inspired JESUIT college students rallying behind their instructors’ Enlightenment cause. No wonder there was no true opposition to the movement from the JESUIT camp. Remember well! The French Revolution is nothing less than a prototype

of what the whole world is soon to be plunged into.” – John Daniel (“The Grand Design Exposed”; 1999; Pages 212, 213, and 262)

“The JESUITS, [Ed.: JESUIT Adam] Weishaupt, and the Rothschilds managed to cast the blame for the French Revolution [Ed.: of 1789-1799] on their front organization, the Illuminati!” – Bill Hughes (“The Enemy Unmasked”; 1st Edition, 2004; Page 31)

“I [Ed.: i.e., author Jack T. Chick] questioned Dr. [Ed.: Alberto] Rivera about the briefings he received in the Vatican when he was a JESUIT priest. I asked him if he was briefed on how the Vatican planned to take over the United States. He told me [Ed.: that] his indoctrination [Ed.: i.e., his training as a JESUIT] went back [Ed.: into American history] to the time of the Pilgrims. Because of the knowledge of the Inquisition and the slaughter of Christians by the Roman Catholic system, the early immigrants in America began passing laws to keep JESUITS out of this country and to outlaw the Mass...to protect themselves from a Vatican takeover. These were Christian communities deeply concerned about the ‘whore of Revelation’ [Ed.: i.e., the “whore” described in chapter 17 of the book of Revelation in the Holy Bible].

JESUITS began arriving in America as early as the second group of Pilgrims. They used different names with identifications. They were followed years later when the Vatican sent multitudes of Catholic families from England, Ireland, and France – posing as Protestants – into the colonies. These were ‘plants’. They were holding secret Masses in defiance of the laws. In those days, no Roman Catholic was to hold any position in civil government. The JESUITS made sure this part of our history was erased and removed.

The next major move by the JESUITS was to destroy or control all the Christian schools across America. Throughout the years, JESUITS, working undercover, have gotten into special committees on school boards to remove the emphasis of the Bible and replace it with psychology as found in the Spiritual Exercises of Ignatius de Loyola, the founder of the Jesuit Society. Later, [Ed.: Roman] Catholic schools and universities sprang up all across the nation under the JESUITS. Today, they probably outnumber all the Christian schools and colleges put together.

The third stage was to move into the courts and legislation...to take over as judges and lawyers in order to manipulate the Constitution in their favor until it could be changed. Once this was accomplished, the thrust was into politics to capture the political parties. Then [Ed.: the JESUITS moved on to] the military and the newspapers. Even back in the time of Lincoln over half the newspapers in the United States were controlled by the Vatican.” – Jack T. Chick (“Smokescreens”; 1983; Pages 75 and 76)

“[Ed.: American Secretary of the Navy R.W.] Thompson pinpointed exactly who would be the agents used by the monarchs of Europe to destroy the republic of America, namely, the JESUITS of [Ed.: Papal] Rome! Since 1815 there has been a continual assault on America by the JESUITS to try to destroy the constitutional rights of this great nation. [Ed.: Many constitutional rights were “set aside” by Supreme Court interpretations of the 14th Amendment of 1868, and these rights continue to be “set aside” under the guise of fighting

the “war on terrorism”.]

The famous inventor of the Morse code, Samuel B. Morse, also wrote of this sinister [Ed.: JESUIT] plot against the United States.” – Bill Hughes (“The Secret Terrorists”; 2002; Page 7)

“The Russian emperor, Alexander [Ed.: i.e., Czar Alexander I], was currently compelled to issue a royal decree in 1816, by which he expelled them [Ed.: i.e., the JESUITS] from St. Petersburg and Moscow. This proving ineffectual, he issued another [Ed.: royal decree] in 1820, excluding them [Ed.: i.e., the JESUITS] entirely from the Russian dominions.” – R.W. Thompson (Ex-Secretary, American Navy; “The Footprints of the Jesuits”; Pages 245, 246)

“The Monroe Doctrine was America’s response to the JESUITS’ Congresses of Vienna [Ed.: in 1814-15] and Verona [Ed.: in 1822]. America would consider it an act of war if any European nation sought colonial expansion in the Western Hemisphere. The JESUITS have been able secretly to attack and infiltrate America to accomplish exactly what the Monroe Doctrine was stated to protect against. They [Ed.: i.e., the JESUITS] have been able to get away with it because it was done with utmost secrecy and under the façade of being a church.

...The Monroe Doctrine challenged any advance on America by Europe. However, [Ed.: U.S. President James] Monroe did not really understand that the crafty JESUITS would not initially use the force of arms to gain their objectives. They [Ed.: i.e., the JESUITS] would use cunning, craftiness, and utmost secrecy. They would appeal to men’s basest points. They would plant their agents in positions of wealth and power [Ed.: such as in the courts, the U.S. Congress, and U.S. Intelligence agencies] and then use their influence to gain their great prize – the subversion and destruction of every Protestant principle as outlined in the Constitution of the United States.” – Bill Hughes (“The Secret Terrorists”; 2002; Pages 16, 17)

“By 1815, the JESUITS [Ed.: through their agents, the Rothschilds] had complete control over England. If a leader did not do as he was told, money would be used to kill, smear [Ed.: character assassination is a favorite tactic of the JESUITS], destroy, blackmail, or just drive from office. ...What was done in England is being done in many countries today.” – Bill Hughes (“The Enemy Unmasked”; 1st Edition, 2004; Page 37)

“During this Congress [Ed.: of Verona, Italy in 1822], it was decided that America would be the target of JESUIT emissaries and that America was to be destroyed at all costs. Every principle of the [Ed.: U.S.] Constitution was to be dissolved and new JESUITICAL principles were to be put into place in order to exalt the Papacy to dominion in America.” – Bill Hughes (“The Secret Terrorists”; 2002; Page 14)

“In 1828 an organization in Vienna [Ed.: Austria] was formed which was called the ‘Saint Leopold Foundation’. The plan was then, to operate under the mask of religion, which would insure its safety from any governmental interference and they [Ed.: i.e., the Divine Righters – the despotic European monarchs who, guided by the JESUITS, had formed the Holy Alliance in 1815 at the end

of the Congress of Vienna] hoped to accomplish by intrigue and innuendo what could not be done by bullets and bayonets.

The Hapsburg family of Austria was the most powerful Roman Catholic ruling family in Europe and consequently the most cruel, despotic and reactionary, and had the American people not been so absorbed in the upbuilding of the Republic, they would have detected the hypocrisy of this 'holy' fraud – the Saint Leopold Foundation. [Ed.: The Knights of Columbus and other Roman Catholic organizations in the USA are the successors, beneficiaries, and offspring of the Saint Leopold Foundation.]

One of the Hapsburg brothers, Prince Rudolph, was a member of the Roman Curia, the Cardinal Rudolph Hapsburg of Olmutz. It was easy for the JESUITS of the Vatican to operate through him as the agent for the [Ed.: Saint Leopold] foundation funds which poured into the United States in a stream of gold. Nor did the Vatican furnish all the funds. They were most likely furnished by the 'high contracting parties' of the Holy Alliance [Ed.: in accordance with the provisions of] the 'secret treaty of Verona' [Ed.: Italy, in 1822]. In short, the immense sums [Ed.: of money] distributed among the bishops and archbishops of the [Ed.: Roman] Catholic Church in this country in establishing bishoprics in cities where none existed, were used solely as gigantic POLITICAL SLUSH FUNDS [Ed.: emphasis is in the original] to corrupt and ultimately destroy the government and 'set up a monarchical' one instead [Ed.: i.e., in its place].

One year after the Saint Leopold Foundation had been established, it received the recognition and blessing of the pope.

...[Ed.: Foreign immigrants from Roman] Catholic Europe, especially from Ireland, then began pouring into this country from every nook and cranny of that poverty-stricken continent; in many cases, their passages [Ed.: across the Atlantic Ocean] being advanced from this 'slush fund'. The Roman [Ed.: Catholic] bishops of every large city from New York to San Francisco then began massing the foreign [Ed.: immigrants'] vote.

...The massed Roman [Ed.: Catholic] vote in the cities placed the balance of political power in the hands of the Roman [Ed.: Catholic] bishops and priests. Intimidation has always been the 'big stick' when any man in public office presumed to oppose the advance of these ecclesiastical 'bosses'. With the rapidly increased foreign immigration, these agents of the [Ed.: JESUIT-controlled] Divine Righters of Europe (operating through the JESUITS and their lay agents) have made progress beyond their wildest dreams. City councils, state legislatures, and even Congress have been browbeaten and bribed.

...The Saint Leopold Foundation is a great JESUIT Spy System which is not confined to the ecclesiastics of the Roman [Ed.: Catholic] Church, but embraces every element of society... Nor, indeed, is it restricted to Roman Catholics, for the JESUITS do not hesitate to use non-Catholic tools whenever it is possible. In fact, they [Ed.: i.e., the JESUITS] prefer them [Ed.: i.e., non-Catholics], for in this way attention is distracted from them. In case of failure it is always preferable to use non-Catholics. [Ed.: The

JESUITS often use "Protestant" Freemasons, papal "court Jews", and various JESUIT front groups, such as the Illuminati, to carry out the JESUITS' sinister and nefarious operations – thus shifting the blame onto others for their own nasty deeds!]

The priest of every parish in this country is the kingpin in this web of spying, and reports regularly to his bishop every item of interest – directly or indirectly; and in turn, the bishop to his archbishop, the archbishop to the cardinal, and the cardinal to the pope. The confessional box is the Roman [Ed.: Catholic] clearinghouse, whereby the Pope keeps his finger on the pulse of the world.

...The Leopoldines are honeycombed in every avenue of civic, state and national life. There are, to begin with, the police departments of the various cities, ninety percent of whom I may, I think, conservatively say, are Fourth Degree Knights of Columbus. They are always at the beck and call of the [Ed.: Roman Catholic] hierarchy. Their chief duty as 'Catholic citizens' is to obey their bishops and the Holy See [Ed.: i.e., the leaders of the Roman Catholic Church-State] 'as God himself'. [Ed.: Sadly, many Roman Catholic Americans, especially those in orders that have "secret" oaths, give their primary loyalty to the Roman Catholic Church- State. In other words, their loyalty to despotic, JESUIT-controlled Papal Rome takes priority over their loyalty to the U.S. Constitution or any State constitution.]

Then there are their JESUIT college graduates in every state, who are especially trained as expert spies.

...The principal branches of the Leopoldines [Ed.: remember that Burke McCarty's book was published first in 1924], still operating in this country under various titles, are: The German Catholic Central Verein, with headquarters in St. Louis and Detroit; The Third Order of St. Francis...; The Catholic Laymen's Council; the League of the Sacred Heart, and the Catholic Women's Council. These organizations are all branches of the Leopoldines' Spy System.

...This great Spy System penetrates every avenue of social life. The field of journalism has been invaded until a Roman Catholic sits at many important editorial desks of great newspapers, from coast to coast. [Ed.: 20th century examples of media control by Papal Rome are: William Randolph Hearst and Henry Robinson Luce – both of whom, according to author and researcher Eric Jon Phelps, were JESUIT-controlled Knights of Malta.] They fill the reportorial staffs and other departments in the front offices – and it goes without saying that the presses, composing rooms and other mechanical departments are dominated by them.

These [Ed.: Leopoldine] Spies are members of all the important commissions, public works, school boards, library boards, housing commissions, naturalization departments, and are even active members of 'Americanization' Committees.

...On every textbook committee selected to pass on books to be used in our public schools, sits a Roman [Ed.: Catholic] priest, or his personal

representative. He is there for the purpose of seeing to it that every truth derogatory to the Roman Catholic Church is eliminated and every thing that will in any way reflect credit upon that institution is incorporated. This explains why it is that the assassination of Abraham Lincoln has been carefully suppressed so that the extent of the knowledge about this greatest of all tragedies of the history of our country does not exceed these words: 'President Lincoln was assassinated at Ford's Theatre, April 14th, 1865, by an actor named John Wilkes Booth. Andrew Johnson was immediately sworn into office.'" – Burke McCarty ("The Suppressed Truth about the Assassination of Abraham Lincoln"; first published in 1924; Pages 74-79 of the 1999 Larry Harrison Edition)

"Let us examine the operations of this Austrian Society [the St. Leopold Foundation], for it is hard at work all around us, yes, here in this country [Ed.: i.e., the USA]... With its headquarters in Vienna [Ed.: Austria], under the immediate direction and inspection of [Ed.: Austrian Prince] Metternich, ...it makes itself already felt through the [Ed.: American] Republic. Its emissaries are here. And who are these emissaries? They are JESUITS. This [Ed.: Roman Catholic] society of men, after exerting their tyranny for upwards of two hundred years, at length became so formidable to the world, threatening the entire subversion to all social order, that even the Pope [Ed.: i.e., Clement XIV], whose devoted subjects they [Ed.: i.e., the JESUITS] are, and must be, by the vow of their society, was compelled to dissolve them [Ed.: in 1773].

They had not been suppressed, however, for fifty years, before the waning influence of Popery and Despotism required their useful labors to resist the light of Democratic liberty, and the Pope (Pius VII) simultaneously with the formation of the Holy Alliance [Ed.: in Europe], revived the order of the JESUITS in all their power. [Ed.: Pope Pius VII restored the Jesuit Order in 1814 in exchange for his release from prison.]

And do Americans need to be told what JESUITS are? If any are ignorant, let them inform themselves of their history without delay; no time is to be lost; their workings are before you in every day's events; they are a secret society, a sort of Masonic order with super added features of revolting odiousness, and a thousand times more dangerous. They are not merely priests, or priests of one religious creed; they are merchants, and lawyers, and editors, and men of any profession, having no outward badge (in this country [Ed.: i.e., the USA]) by which to be recognized; they are about in all your society. They can assume any character, that of angels of light, or ministers of darkness, to accomplish their one great end, the service upon which they are sent, whatever that service may be.

They [Ed.: i.e., the JESUITS] are educated men, prepared, and sworn to start at any moment, and in any direction, and for any service, commanded by the general of their order [Ed.: i.e., the JESUIT Superior General, the "Black Pope"], bound to no family, community, or country, by the ordinary ties which bind men; and sold for life to the cause of the Roman Pontiff." – Samuel F.B. Morse (1791-1872; American inventor of the telegraph; author of the book "Foreign Conspiracy Against the Liberties of the United States")

"[Ed.: U.S. President] James Buchanan was poisoned [Ed.: on February 23, 1857] and almost died. He lived because he knew that he had been given arsenic poisoning and so informed his doctors. He knew that the JESUITS [Ed.: had] poisoned [Ed.: U.S. Presidents] Harrison and Taylor [Ed.: with arsenic]. The JESUIT ORDER fulfilled their oath again that they would poison, kill, or do whatever was necessary to remove those who opposed their plans. [Ed.: U.S. President Buchanan had temporarily thwarted JESUIT plans to split the Union when he refused to attack those southern states that had expressed a desire to leave the Union.] From 1841 to 1857, we saw that three [Ed.: U.S.] Presidents were attacked by the JESUITS as outlined in the Congresses of Vienna, Verona, and Chieri. Two died and one barely escaped [Ed.: death]. They [Ed.: i.e., the JESUITS] allow nothing to stand in their way of total domination of America, and the destruction of the [Ed.: U.S.] Constitution." – Bill Hughes ("The Secret Terrorists"; 2002; p 39)

"...The JESUITS have not yet killed me [Ed.: i.e., President Abraham Lincoln]. But they would have surely done it when I passed through their most devoted city, Baltimore [Ed.: Maryland, in February of 1861], had I not defeated their plans, by passing incognito a few hours before they expected me...

The Pope and the JESUITS, with their infernal Inquisition, are the only organized powers in the world which have recourse to the dagger of the assassin to murder those whom they cannot convince with their arguments or conquer with the sword...

New projects of assassination are detected almost every day, accompanied with such savage circumstances, that they bring to my memory the massacre of St. Bartholomew [Ed.: i.e., the slaughter of French Protestant Huguenots in August of 1572] and the Gunpowder Plot [Ed.: i.e., the JESUIT conspiracy to murder King James I of England and members of Parliament with 36 barrels of gunpowder in 1605]. Our investigation [Ed.: i.e., of the assassination plots made against President Abraham Lincoln] indicate that they come from the same masters in the act of murder, the JESUITS...

So many plots have already been made against my life, that it is a real miracle that they have all failed, when we consider that the great majority of them were in the hands of skillful Roman Catholic murderers, evidently trained by JESUITS. ...The JESUITS are so expert in those deeds of blood, that Henry IV [Ed.: King of France, who was assassinated by the JESUITS on May 14, 1610] said that it was impossible to escape them, and he became their victim, though he did all that could be done to protect himself. My escape from their [Ed.: i.e., the JESUITS'] hands, since the letter of the pope [Ed.: i.e., Pope Pius IX] to [Ed.: Confederate States of America President] Jeff Davis has sharpened a million of daggers to pierce my breast, would be more than a miracle." – Abraham Lincoln (1809-1865; 16th President of the United States; as told to his friend Charles Chiniquy; Pages 292, 294, 299, and 302 of the 1985 Chick Publications' Edition of Chiniquy's book "50 Years in the 'Church' of Rome")

"The awakening of the president [Ed.: i.e., Lincoln] and the North [Ed.: i.e., the Union] came on the morning of April 12, 1861 with the firing on Fort Sumter [Ed.: in South Carolina]. [Ed.: Confederate States Army

Brigadier] General Beauregard [Ed.: 1818-1893], JESUIT leader of the military operations, sent this opening shot of the rebellion. Beauregard was a professed Romanist and sprung from a distinguished family of JESUITS." – C.T. Wilcox ("The Transformation of the Republic: The Origins of the Religious Hijacking of the American Government and the Truth Behind the Assassination of Abraham Lincoln"; 2005; Page 150)

"The [Ed.: American] Civil War [Ed.: of 1861-65] was not a 'homespun' affair. It was the result of the same upheavals that have changed the face of Europe. The promises and active help of the European empires and the Church of Rome along with the JESUIT ORDER had stiffened the resolve and attitude of the Southern leaders, some of whom were quite willing to see the monarchic principle triumph in North America." – C.T. Wilcox ("The Transformation of the Republic"; 2005; Page 8)

"This [Ed.: American Civil] war [Ed.: of 1861-65] would never have been possible without the sinister influence of the JESUITS. We owe it to popery that we now see our land reddened with the blood of her noblest sons. Though there were great differences of opinion between the South and the North on the question of slavery, neither Jeff Davis [Ed.: President of the Confederate States of America] nor anyone of the leading men of the Confederacy would have dared to attack the North, had they not relied on the promises of the JESUITS, that under the mask of Democracy, the money and arms of the Roman Catholic, even the arms of France, were at their disposal if they would attack us. I pity the priests, the bishops and monks of [Ed.: Papal] Rome in the United States, when the people realize that they are, in great part, responsible for the tears and the blood shed in this war. I conceal what I know on that subject from the knowledge of the nation, for if the people knew the whole truth, this war would turn into a religious war, and it would at once take a tenfold more savage and bloody character. It would become merciless as all religious wars are. It would become a war of extermination on both sides. The Protestants of both the North and the South would surely unite to exterminate the priests and the JESUITS, if they could hear what Professor [Ed.: Samuel F.B.] Morse [Ed.: U.S. inventor of the telegraph] has said to me of the plots made in the very city of Rome [Ed.: by the Papacy and the Jesuits] to destroy this Republic, and if they could learn how the [Ed.: Roman Catholic] priests, the nuns, and the monks, which daily land on our shores, under the pretext of preaching their religion, instructing the people in their schools, taking care of the sick in the hospitals, are nothing else but the emissaries of the Pope, of Napoleon, and the other despots of Europe, to undermine our institutions, alienate the hearts of our people from our Constitution, and our laws, destroy our schools, and prepare a reign of anarchy here [Ed.: in the USA] as they have done in Ireland, in Mexico, in Spain, and wherever there are any people who want to be free." – Abraham Lincoln (1809-1865; 16th President of the United States; as told to his friend Charles Chiniquy; from pages 296 and 297 of the 1985 Chick Publications' Edition of Chiniquy's book "50 Years in the 'Church' of Rome")

"The JESUITS, with their 'Holy Alliance' of [Ed.: European] despots, conspired to overthrow Protestant republicanism, especially the Federal

Government of these United States of America. For our government had been established upon the principles of the Bible of the English Reformation, the Authorized King James Version of 1611. Those principles were embodied in the Protestant documents known as the Declaration of Independence, the Constitution and the Bill of rights. Therefore, pursuant to the [Ed.: Roman Catholic] Council of Trent [Ed.: of 1545-1563] and JESUIT Oath, this 'heretic nation' was to be overthrown...

...The method [Ed.: for overthrowing the American Constitutional Republic] was threefold. First...America must be invaded by foreign immigrants, Irish Roman Catholics especially; secondly, civil war must be incited resulting in the annihilation of the White Protestant and Baptist Southern culture; and lastly, the Protestant Constitution must be modified resulting in the centralization of power in Washington, D.C.

...Such was the plan. The following is how it was accomplished. The JESUITS, using Scottish Rite Freemasonry, first divided the country into geographical sections, North and South, with the Missouri Compromise. The Freemason used to that end was the centralist, Henry Clay. The JESUITS then brought in thousands of Irish Roman Catholics and settled them predominantly in Northern cities. In the 1820s British Secret Service agents under JESUIT control then fomented 'the anti-slavery agitation'... Then a new political party, consisting of the centralizing, old Federalists, was created in the North called 'the Republican Party'. The JESUITS used it to intensify the anti-slavery agitation with the Lincoln-Douglas debates. ...Meanwhile, the JESUITS with their Freemasonry created the radical secessionists in the South. They would hotly promote the withdrawing of the Southern States from the Union. Two Freemasons who were radical secessionists were John C. Calhoun and Robert Toombs.

...The JESUITS, in control of the 'Radical Red Republican Party' insured the election of [Ed.: Abraham] Lincoln by disrupting the Democratic convention in Charleston with their Masonic tools, Stephen Douglas in particular...

...The JESUIT ORDER...had used the high Freemasons of America to cut the nation in half, cause hatred and discord between the Northern and Southern peoples using 'the anti-slavery agitation', and then ignited a war of annihilation against the Protestant peoples of the South pursuant to the evil Council of Trent!

...The purpose [Ed.: of inciting the American Civil War of 1861-65] was to destroy the primarily Protestant States of Virginia, North Carolina, South Carolina and Georgia while only lightly afflicting the primarily Roman Catholic States of Louisiana and Florida. ...Hundreds of thousands of foreign mercenaries were hired [Ed.: by the North] 'to extirpate the White Southern heretics from the face of the whole earth'. In addition to eleven thousand Germans, the JESUITS used hundreds of thousands of their most devoted Irish Roman Catholics to ransack the South just as they had done in Germany during the ghastly and nightmarish Thirty Years' War [Ed.: in Europe, 1618-48]. [Ed.: Thousands of Irish Roman Catholic troops deserted from the Union Army after the publication of Pope Pius IX's letter of support to Jefferson Davis in 1863.]

...The JESUITS would control both sides of the conflict [Ed.: i.e., the American Civil War of 1861- 65] as they did during the Napoleonic Wars. They controlled the radicals in the North, particularly Thaddeus Stevens in the House, Charles Sumner in the Senate and Freemason Edwin Stanton, Lincoln's Secretary of War. They also controlled the leadership in the South, particularly [Ed.: Confederate President] Jefferson Davis and Judah Benjamin, the Secretary of War." – Eric Jon Phelps ("Vatican Assassins"; 1st Edition, 2001; Pages 304-309)

"...The death [Ed.: i.e., the assassination] of Abraham Lincoln...was instigated by the 'Black' pope, the [Ed.: Superior] General of the JESUIT ORDER – camouflaged by the 'White' pope, Pius IX [Ed.: pope: 1846-78] – aided, abetted and financed by other 'Divine Righters' of Europe – and finally consummated by the Roman [Ed.: Catholic] Hierarchy and their paid agents in this country [Ed.: i.e., the USA] and French Canada on 'Good Friday' night, April 14, 1865, at Ford's Theatre, Washington, D.C.

...In closing, I [Ed.: i.e., Burke McCarty, author of the book "The Suppressed Truth about the Assassination of Abraham Lincoln"] will leave it to my reader to decide whether I have proven my contention in the beginning of this book that the assassination of [Ed.: President] Abraham Lincoln [Ed.: in 1865] and four other [Ed.: U.S.] Presidents is but a part of the great conspiracy which was outlined in the secret Treaty of Verona [Ed.: in Italy in 1822] to destroy this, the most formidable Republic. [Ed.: And, that I, Burke McCarty, have proven]:

[1.] That the execution of this conspiracy in Lincoln's case was delegated by the Pope of Rome to the JESUITS, aided and abetted by the [Ed.: Roman Catholic] priests of Canada and Washington, D.C., in the United States, and by their lay agents, the Leopoldines.

[2.] That instead of the use of bullets and bayonets, their method has been, and is still, to destroy from within by the subversion of all of the free institutions upon which this Republic is based.

[3.] That the [Ed.: JESUIT-controlled] Church of Rome has established a separate citizenship to promote its teachings and [Ed.: has done so] by its enormous wealth, a large proportion of which has been obtained by unconstitutional and illegal appropriations from public funds; that with this wealth (over two and a half billion dollars worth of church and other religious property, for the most part exempt from taxation) it has by a system of intimidation and bribery corrupted our free press and is in control of every avenue of publicity, so that the American people remain in almost total ignorance of its pernicious activities, which, if not curtailed, will succeed in accomplishing its object in these United States." – Burke McCarty ("The Suppressed Truth about the Assassination of Abraham Lincoln"; 1924; Pages 57, 260, and 261 of the 1999 Larry Harrison Edition)

"But if anyone has still any doubts about of the complicity of the JESUITS in the murder of Abraham Lincoln [Ed.: in 1865], let him look at the very elaborate plan of escape prepared by the priests of Rome to save the lives of the assassins and the conspirators." – Charles Chiniquy (1809-1899; Ex- Roman

Catholic priest; this quote was taken from page 313 of the 1985 Chick Publications' Edition of Chiniquy's book "50 Years in the 'Church' of Rome")

"The JESUITS killed [Ed.: U.S. President Abraham] Lincoln [Ed.: on April 14th, 1865] and buried the evidence.

...There is not in the large collection of official condolences received by the United States Government upon the death of Abraham Lincoln, coming from every civilized country in the world, one word from the Pope of Rome. And this in view of the fact that the Pope was King of the Papal States and had more subjects in the United States than any other ruler in Europe.

[Ed.: Pope] Pius IX by his silence at this time, made a confession of his guilt in letters of fire – unquenchable fire – which brands him and his JESUITS with the brand of Cain in the hearts and minds of the American people, when they shall have been given a full knowledge of their (the JESUITS') responsibility in the conspiracy of destruction of this popular government on that Good Friday night in Ford's Theater, April 14, 1865 [Ed.: where President Abraham Lincoln was shot and mortally wounded by John Wilkes Booth]." – C.T. Wilcox ("The Transformation of the Republic: The Origins of the Religious Hi-Jacking of the American Government and the Truth Behind the Assassination of Abraham Lincoln"; 2005; pp 12 and 250)

"It would seem that the JESUITS had had it in mind, from the beginning of the war [Ed.: i.e., the American Civil War of 1861-1865], to find an occasion for the taking off [Ed.: i.e., the assassination] of Mr. Lincoln.

...These facts, as developed on the trial of the conspirators before a military commission, and on the trial of [Ed.: arch conspirator] John H. Surratt two years later [Ed.: in 1867], before a civil court...show conclusively the hand of [Ed.: Papal] Rome [Ed.: and especially the JESUIT ORDER] in this stab at our nation's life [Ed.: i.e., the attempt to decapitate the leadership of the USA on April 14th, 1865, when Lincoln was mortally wounded]." – U.S. Army Brigadier General Thomas M. Harris; "Rome's Responsibility for the Assassination of Abraham Lincoln"; 1897; Pages 41, 19)

"[Ed.: Courageous Mexican President Benito Pablo Juarez] was the most dreaded enemy of the Society of Jesus [Ed. i.e., the JESUIT ORDER] while hating the Temporal Power of the Papal Caesar [Ed.: i.e., the pope] in Rome. He...expelled 200 JESUIT priests [Ed.: from Mexico]. ...In 1872 he died at his desk, a victim of 'the poison cup'." – Eric Jon Phelps ("Vatican Assassins"; 1st Edition, 2001; Page 319)

"Alexander [Ed.: i.e., Czar Alexander II of Russia] had progressed well with his great reforms and had attached his signature to a Constitution to be adopted by Russia. The next day [Ed.: i.e., March 13th, 1881] a bomb was thrown at his carriage, which killed and wounded a number of Cossacks, who accompanied the carriage. The Emperor in deep sympathy left the carriage to look at the dying men, when a second bomb blew him to pieces." – Arno Gaebelien ("Conflict of the Ages"; Publisher: The Exhorters; Page 85) [Ed.: Czar Alexander II had greatly offended the JESUITS and Papal Rome by supporting the Union during the American Civil War. He had sent part of the

Russian fleet to U.S. shores, and had placed those ships under the direct command of President Abraham Lincoln.]

“Although first published in Russia in 1903, ‘The Protocols of Zion’ had their origin in France, and date from the Dreyfus Affair, of which the JESUITS were the chief instigators. ...These ‘Protocols’ of supposedly Jewish leaders are not the first documents of their kind fabricated by the JESUITS.” – Leo H. Lehmann (“Behind the Dictators”; 1942; Page 15)

“The public is practically unaware of the overwhelming responsibility carried by the Vatican and its JESUITS in the starting of two world wars...” – Edmond Paris (“The Secret History of the Jesuits”; 1975 Chick Publications’ Edition; Page 9)

“After the JESUITS had launched the Bolshevik Revolution and concluded the bloody [Ed.: Russian] Civil War in 1922, that same year a ‘Relief Mission’, led by American JESUITS, was sent into the U.S.S.R. by order of JESUIT General Ledochowski. [Ed.: Edmund] Walsh, the Jesuit who founded the School of Foreign Service at [Ed.: JESUIT] Georgetown University, and led the mission as an expert on the internal affairs of the Soviet Union, appointed JESUIT-trained Joseph Stalin as the Secretary of the Communist Party.

During the 1930s, while [Ed.: JESUIT-trained] Freemason Stalin was outraging the world with his Purges murdering millions of his own countrymen, the [Ed.: JESUIT] Order pretended to be the foe of the very communism it had created and perfected on its Reductions in Paraguay [Ed.: in the 17th and 18th centuries]. The Society of Jesus [Ed.: i.e., the JESUIT ORDER] launched the illusion of its ‘worldwide systematic warfare against the common enemy of Christianity and civilization’, all the while financing it through its Papal Knights on Wall Street manning the Federal Reserve Bank and the Chase Manhattan Bank.

After the [Ed.: JESUITS’] Second Thirty Years’ War [Ed.: Phelps is referring to World War I and World War II], Francis Cardinal Spellman would continue to campaign against ‘godless Jew communism’ throughout the Black Pope’s Cold War during which the Inquisition’s International Intelligence Community was perfected and subordinated to the Papal Caesar [Ed.: i.e., the pope] in Rome.” – Eric Jon Phelps (“Vatican Assassins”; 1st Edition, 2001; Page 393)

“...By a ‘providential’ synchronism, when [Ed.: Italian dictator Benito] Mussolini seized power in Italy thanks to don Sturzo, [Ed.: who was a] JESUIT and chief of the Catholic party, [Ed.: then it was at that same time that] Monseigneur Seipel, a JESUIT, became chancellor of Austria. He held that position until 1929, with an interregnum of two years, and, during those decisive years, he led the Austrian interior politics on to the reactionary and clerical road; his successors followed him on that road which led to the absorption of that country into the German block. The bloody repression of working-class uprisings earned him [Ed.: i.e., JESUIT Seipel] the nickname ‘Keine Milde Kardinal’ – the ‘Cardinal without mercy’.” – Edmond Paris (“The Secret History of the Jesuits”; 1975 Chick Publications’ Edition; Page 139)

“In the early days of May (1936), [Ed.: German Knight of Malta Franz] von

Papen entered into secret negotiations with Dr. Schuschnigg (Austrian Chancellor) working on his weak point [Ed.: i.e., he was a devout Roman Catholic] and showed him how advantageous a reconciliation with [Ed.: Nazi leader Adolf] Hitler would be as far as the Vatican's interests were concerned; the argument may seem odd, but Schuschnigg was very devout, and von Papen was the pope's chamberlain [Ed.: i.e., a high official in certain royal courts].

Not surprisingly, it was the [Ed.: pope's] secret chamberlain [Ed.: in Germany – i.e., Knight of Malta Franz von Papen] who led the whole affair, which ended, on the 11th of March 1938, with the resignation of the pious Schuschnigg (pupil of the JESUITS), in favor of Seyss-Inquart, chief of the Austrian Nazis. The following day [Ed.: March 12, 1938], the German troops entered Austria and the puppet government of Seyss-Inquart proclaimed the union of the country to the [Ed.: Nazi German Third] Reich. The event was welcomed by an enthusiastic declaration of Vienna's archbishop, Cardinal Innitzer (a JESUIT).” – Edmond Paris (“The Secret History of the Jesuits”; 1975 Chick Publications' Edition; Page 139)

“The JESUITS...installed puppet dictators throughout Europe [Ed.: in the decade prior to, and during, World War II (1939-45)]. They were:

[1.] Bavarian Germany and the Third Reich – [Ed.: Adolf] Hitler [Ed.: born-died: 1889-1945] [Ed.: Hitler was put into power by JESUIT-controlled German Knight of Malta Franz von Papen and other influential German Roman Catholics, such as Monsignor Ludwig Kaas, a leader of the German Roman Catholic Center Party.]

[2.] Italy – [Ed.: Benito] Mussolini [Ed.: born-died: 1883-1945] [Ed.: JESUIT Don Luigi Sturzo, chief of the Catholic Party in Italy, helped bring Mussolini to power.]

[3.] 'Vichy' France – [Ed.: Henri Philippe] Petain [Ed.: born-died: 1856-1951]

[4.] Spain – [Ed.: Francisco] Franco [Ed.: born-died: 1892-1975]

[5.] Austria – [Ed.: JESUIT-trained Arthur] Seyss-Inquart

[6.] Poland – [Ed.: Hans] Frank

[7.] Slovakia – [Ed.: JESUIT] Priest [Ed.: Monsignor Jozef] Tiso [Ed.: who was first to send Jews to Auschwitz]

[8.] Croatia – [Ed.: Ante] Pavelitch [Ed.: alternate spelling: Pavelic] [Ed.: and]

[9.] Belgium – [Ed.: JESUIT-trained Leon] Degrelle.

All these Roman Catholic, JESUIT-controlled, Jew-hating dictators were loyal to the greatest war criminal of all, Papal Caesar [Ed.: i.e., Pope] Pius XII and his master, JESUIT [Ed.: Superior] General Włodimir Ledochowski.” – Eric Jon Phelps (“Vatican Assassins”; 1st Edition, 2001; Page 478)

"The German author Walter Hagen gives also this discreet information: 'The JESUITS' [Ed.: Superior] General, Count Halke von Ledochowski, was ready to organize, on the common basis of anticommunism, some collaboration between the German Secret Service and the JESUIT ORDER.'

As a result, within the SS Central Security Service, an organization was created, and most of its main posts were held by [Ed.: Roman] Catholic priests wearing the black uniform of the [Ed.: Nazi] SS.

The JESUIT 'father' Himmler [Ed.: i.e., the uncle of Heinrich Himmler] was one of its superior officers." – Edmond Paris ("The Secret History of the Jesuits"; 1975 Chick Publications' Edition; Page 168)

"...Kurt Heinrich Himmler [Ed.: was] chief of the Gestapo [Ed.: i.e., the secret police force of the German Nazi state], which meant he held in his hand the essential reins of power of the [Ed.: Nazi] regime. Was it his personal merits which earned him such a high position? Did Hitler see in him a superior genius when he compared him [Ed.: i.e., Heinrich Himmler] to the creator of the JESUIT ORDER [Ed.: i.e., Ignatius of Loyola]? It is certainly not what the testimonies of those who knew him imply, as they saw in him nothing more than mediocrity.

Was that 'star' [Ed.: of Heinrich Himmler] shining with a borrowed 'brightness'? Was it really Kurt Heinrich Himmler, the ostensible [Ed.: i.e., apparent] chief, who actually reigned over the Gestapo and the secret services? Who was sending millions of people, deported for political reasons, and Jews to their death? Was it the flat-faced nephew or [Ed.: was it] the [Ed.: Jesuit priest] uncle, the former Canon at the Court of Bavaria, one of [Ed.: Jesuit General] Ledochowski's favorites, a Jesuit 'father' and superior officer of the [Ed.: Nazi] SS?" – Edmond Paris ("The Secret History of the Jesuits"; 1975 Chick Publications' Edition; Page 168)

"The [Ed.: Nazi] SS had been organized by [Ed.: Heinrich] Himmler according to the principles of the JESUIT ORDER. The rules of service and spiritual exercises prescribed by Ignatius de Loyola [Ed.: i.e., the founder of the JESUIT ORDER] constituted a model which Himmler strove carefully to copy. Absolute obedience was the supreme rule; every order had to be executed without comment." – Walter Shellenberg (Chief of the Nazi Sicherheitdienst [SD]) [Ed.: Blind obedience to orders is a maxim of the Jesuit Order.]

"...[Ed.: Roman] Catholic priest, Fr. Jozef Tiso [Ed.: a JESUIT monsignor], ruler of Slovakia's Nazi puppet regime of 1939-45...sent that tiny country's Jewish population of 70,000 to the extermination camps in [Ed.: German-occupied] Poland." – Dave Hunt ("A Cup of Trembling"; Harvest House Publishers; 1995; Page 191)

"Once [Ed.: Croatian Roman Catholic dictator Ante] Pavelic took power, [Ed.: JESUIT] Archbishop [Ed.: Aloysius] Stepinac issued a Pastoral Letter ordering the Croatian clergy to support the new Ustasha State. The involvement of [Ed.: Roman] Catholic clergy either in active participation or in blessing the Ustashi-run holocaust [Ed.: of 1941-45] is well documented. One Franciscan monk, Miroslav Filipovic, headed the Jasenovac concentration camp

for two years, during which time he directed the extermination of no less than 100,000 victims, mostly Serbian Orthodox. [Ed.: JESUIT] Archbishop Stepinac headed the committee which was responsible for forcible 'conversions' to Roman Catholicism under threat of death – and was also the Supreme Military Apostolic Vicar of the Ustashi Army, which effected the slaughter of those who failed to convert [Ed.: to Roman Catholicism]. [Ed.: JESUIT Archbishop Aloysius] Stepinac was known as the 'father-confessor' to the Ustashi, and continually bestowed the blessing of Holy Mother Church [Ed.: i.e., the Roman Catholic Church-State] upon its members and actions." – Dave Hunt ("A Woman Rides the Beast"; Harvest House Publishers; 1994; Page 302)

"Two JESUIT prelates, Aloysius Stepinac and Ivan Saric, respectively the archbishops of Zagreb and Sarajevo, planned, choreographed, and orchestrated the mass murder of up to one million innocent Serb Orthodox Christians in the Roman Catholic Fascist State of Croatia from 1941 through 1945. Roman Catholic Ustashi killer units, often led and urged on by Franciscan priests, monks, and friars, brutally tortured many of their victims prior to murdering them. This religious genocide was one of most barbaric examples of mass murder seen in the 20th century." – Darryl Eberhart (Editor of ETI & TTT Newsletters; January 18, 2010)

"Avro Manhattan was a world-renowned authority on the Roman Catholic Church and the almost total control they have of politics throughout the world. He was a writer for the British Broadcasting Corporation. He has laid the blame for the Vietnam War [Ed.: c. 1957-75] directly at the feet of the JESUITS and the papacy." – Bill Hughes ("The Enemy Unmasked"; 1st Edition, 2004; Page 94)
