## The Inventors of the Climate Change Scam: The Club of Rome

## What is the Club of Rome?

"The Club of Rome is a platform of diverse thought leaders who identify holistic solutions to complex global issues and promote policy initiatives and action to enable humanity to emerge from multiple planetary emergencies." (Source: <https://www.clubofrome.org/about-us/> – on the official website of the Club of Rome)

"The Club of Rome is a **Masonic lodge founded in 1968 on David Rockefeller's estate** in Bellagio, Italy. The Member Squadron is a traditional collection of grandiose reformers with heads of state, UN bureaucrats, leading politicians and government officials, diplomats, scientists, economists and big business leaders. **A collection from all over the world with a strong side of rich Western "elite"**. This political lodge also brings together multi-billionaires in the Rockefeller, Rothschild and Soros families along with political chameleons such as Anders Wijkman and industrial magnates such as the now deceased oil businessman Maurice Strong." (Source: [Club Of Rome: The Origin Of Climate And Population Alarmism](#) )

The second definition is from Technocracy News which mediabiasfactcheck.com calls "Conspiracy-Pseudoscience." LOL!

I fact-checked mediabiasfactcheck.com and this is what I came up with:

"Mediabiasfactcheck has been repeatedly caught in lies and distortion of truth. Repeated claims that have proven false about Covid alone are enough to quit using them. Takes going to court to get them to correct lies they publish. It is a totally discredited, self-styled 'fact-checker' site that has been served with a 'cease and desist' legal notice for publishing unsubstantiated and defamatory claims against Principia Scientific International (PSI)." (Source: <https://www.sitejabber.com/reviews/mediabiasfactcheck.com>)

David Icke and Dr. John Coleman talk a lot about the Club of Rome, but because I don't trust information from either of those guys, I won't use any

of their materials. Coleman talked about the Club of Rome as a governing body giving orders, but I see it more as a think tank.

I consider the most reliable source of information about globalists' plans that do not have the good of the general public in mind to be right out of publications of the globalists themselves. The following quotes are from a PDF file of a Club of Rome publication entitled: "[The First Global Revolution – A Report by the Council of the Club of Rome](#) written in 1991 by Alexander King and Bertrand Schneider. You can click the link to download the PDF file.

## **Quotes from the publication of the Council of the Club of Rome**

From page 108 of [the PDF file](#):

The need for enemies seems to be a common historical factor. States have striven to overcome domestic failure and internal contradictions by designating external enemies. The scapegoat practice is as old as mankind itself. When things become too difficult at home, divert attention by adventure abroad. Bring the divided nation together to face an outside enemy, **either a real one or else one invented for the purpose.**

From page 115 of [the PDF file](#):

### **The Common Enemy of Humanity Is Man**

□

In searching for a new enemy to unite us, **we came □up with the idea** that pollution, the threat of global □warming (now called climate change), water shortages, famine and the like **would □fit the bill.** In their totality and in their interactions □these phenomena do constitute a common threat which demands the solidarity of all peoples.

Climate change is controversial even among scientists, but you probably didn't know that by listening to the mainstream media. One of my friends was surprised when I called Climate Change a scam and offered evidence from a scientist, Dr. John G. Hartnett, from his website. Please see [Climate change study on coral reef fish was '100 per cent wrong'](#)

Researching controversial organizations and topics such as the Club of Rome and Climate Change requires spiritual discernment, and that comes from knowing the written Word of God in the Bible and a good relationship with God through obedience to the Lord Jesus Christ.

The system has been converted into a code. It exists, not as a body of maxims or principles, though in that shape its influence would have been great: it exists as a body of laws, by which every Romish ecclesiastic is bound to act, and which he is appointed to administer. This is termed CANON LAW.

## All Roads Lead to Rome?

In a shocking statement to an ecumenical conference, Pope Francis said, "There's only one God, and each of us has a language to arrive at God. Some are Seikh, Muslim, Hindu, Christian, and they are different paths [to God]."
