

## Jezebel Abroad In America

Much idolatry is flaunted in the faces of Christians today. Pictures of people suppliant before images abound in the secular press, and on tens of thousands of movie screens idolatrous displays and worshipping before images have become the regular diet of the American public. Paganization of the life of a people is a gradual process. Satan does not make his initial attack in the open.

The history of the Popes is in direct contradiction to the teaching of Peter. Instead of following Peter, the Popes have imitated the Caesars of the Roman empire and the Pontifex Maximus of the pagan religion of Rome, whose title they appropriated.

## [The Papal Church a Political Machine](#)

### The Church and Politics

- Many people left land to the church when they died- making the church one of the largest landholders in Europe (divided up this land into fiefs)
- All church clergy, bishops and abbots were involved in politics
  - They often advised local rulers
  - Some were so involved with politics that they had little time dealing with church affairs

So political is the Catholic Church that its religious aspect is a negligible quantity. In the Vatican the religious aspect of any question is little thought of. The officials of the Church there are not interested in true religion.
