

Pope Francis the Fox – Richard Bennett's Newsletter Reviewed by Tom Friess Part I

Now what is Pope Francis' agenda? Throughout the encyclical, Francis' environmental theme cannot be ignored. With over 170 references to global warming, climate change, environment and environmental issues, it is clear that this is a means to an end. Francis' encyclical is not in any sense a labor of original thought. Both his analytical style and argumentative form are firmly grounded in the Vatican's preeminent sense of its own self-importance and presumed lordship over every aspect of human life.

The Key to Pope Francis's Identity – Part III. Master of the Jesuit Spiritual Exercises

It is through the written Word of God that the true Holy Spirit convicts of sin and of righteousness and of judgment. You cannot arrive at Christ's righteousness, Christ's truth, any other way than the Scriptures. And that is what the Jesuits hate the most. They must replace the Scriptures with subjectivity, with vain imaginations, with imaginings, with visions.

describes as the Man of Sin, the Son of Perdition, the Antichrist, the biblical, prophetic, and historical antichrist, and that Futurism is a lie. This idea that the Antichrist doesn't come until the last seven years or so before Christ returned is simply to take the world's eyes away from the historical antichrist, the papacy.

Thoughts on Vatican II, the Second Ecumenical Vatican Council

Vatican II had more than a century of preparation. Never does the Roman Catholic Church change. It only expands what is already there. It actually widens the net to catch more.

H. Grattan Guinness has given us a thumbnail sketch of the rise of Antichrist from the fall of the pagan Roman Empire and the Caesars, the restraining power that was holding back the rise of Antichrist. Once the Caesars and the old pagan Roman Empire was destroyed, up rose in its place the man of sin, the son of perdition, the biblical, historical, and prophetic Antichrist of the Bible, the papacy.

The Jesuits & The Counter Reformation – Walter Veith

Throughout Christendom, Protestantism was menaced by formidable foes. The first triumph of the Reformation passed. Rome summoned new forces hoping to accomplish its destruction. At this time, the Order of the Jesuits was created. The most cruel, unscrupulous and powerful of all the champions of potpourri. There was no crime too great for them to commit. No deception too base for them to practice. No disguise too difficult for them to assume. Vowed to perpetual poverty and humility, it was their studied aim to secure wealth and power to be devoted to the overthrow of Protestantism and the re-establishment of papal supremacy.

Great Britain became “great” because the British Empire sent Protestant missionaries throughout the world to preach the Gospel to the nations. As a result God made Britain great. Britain is no longer great. It succumbed to Romanism in the 19th century. Will President Trump indeed make America great again? Only if he leads the nation back to the true Gospel of Jesus Christ as recorded in the Scriptures.

Mary and the Antichrist Deception

What role will Mary and the Roman Catholic Church will play in the New World Order. What role will this universal goddess that appeals to all the religions of the world, that which the Roman Catholic Church calls Mary, what role will she play in the coming New World Order, the global religion under the Antichrist?

The Jesuit Connection to the Founding of the United States of America

What I was taught from a baby up, is quite contrary to what the historical facts actually tell you. And when you read it from the Roman Catholic standpoint, then you are absolutely getting the truth of what really took place. And at the time when all of this was going on, it was one of the most incredible, tight secrets of all ages, so that nobody really knew what was going on except the very ones that were at the top, that were involved in it.

Seven Things You May Not Know about Christmas

There is debate among some Christians about whether we should celebrate Christmas or not. I think we can if we scrape the lies off the Truth and celebrate it as it should be celebrated, as the birth of the Saviour, the Messiah, Jesus Christ, on earth. We can still praise the Father for sending His Son to earth!

THE SHOCK of the French Revolution convinced the Church of Rome, that in the slumber in which she had passed the eighteenth century, she had rested her mitred head upon hidden fires, and that she must rouse herself, and strike for her old dominion, or be swept out of existence. Accordingly, so soon as peace had returned to Europe, the Jesuits came forth from their hiding-places, and concocted that plan for reducing Britain under the yoke of Rome which they have ever since been pursuing with great astuteness and most astonishing success.

The Papacy Is The Antichrist – By Rev. J. A. Wylie

The Papacy, speaking through its representative and head, calls itself the "Vicar of Christ." The first, "Antichrist," is a Greek word, the second, "Vicar," is an English word; but the two are in reality one, for both words have the same meaning. Antichrist translated into English is Vice-Christ, or Vicar of Christ; and Vicar of Christ, rendered into Greek is Antichrist – Antichristos.

Rome and Civil Liberty – The Fundamental Principle Of The Reformation, And What It Gave Us

All great movements are commonly traceable to one great principle. It is preeminently so as regards the Reformation. Its manifold developments, political, scientific, and literary, as well as theological, can all be traced up to one primordial principle: the substitution of a divine for a
