

The Two Babylons – Conclusion

Most seem to think that Popery is a system merely to be scouted and laughed at; but the Spirit of God everywhere characterises it in quite a different way. Every statement in the Scripture shows that it was truly described when it was characterised as “Satan’s Masterpiece”—the perfection of his policy for deluding and ensnaring the world.

The Two Babylons Chapter VII. Section V – The Name of the Beast, the Number of His Name—The Invisible Head of the Papacy

If we know the Apocalyptic name of the System, that will lead us to the name

of the head of the system. The name of the System is **“Mystery”** (Rev 17:5)

And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live. – Revelation 13:14

[The Two Babylons Chapter VII. Section III – The Beast from the Earth](#)

And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.
Revelation 13:11

[The Two Babylons Chapter VII. Section II – The Beast from the Sea](#)

In the old Babylonian system, after the worship of the god of fire, there followed the worship of the god of water or the sea. As the world formerly was in danger of being burnt up, so now it was in equal danger of being drowned.

[The Two Babylons Chapter VII. The Two Developments Historically and Prophetically Considered](#)

The idolatrous system of the ancient Babylon assumed different phases in different periods of its history. In the prophetic description of the modern Babylon, there is evidently also a development of different powers at different times.

[\[Only\] One Mediator Between God and Men, the Man Christ Jesus. – 1 Timothy 2:5](#)

The claimed “motherhood of Mary in the order of grace” having a “saving office” “to bring us the gifts of eternal salvation” is straight blasphemy against the person of Christ Jesus, Who alone is full of grace and truth.

If the head be corrupt, so also must be the members. If the Pope be essentially Pagan, what else can be the character of his clergy?

[The Two Babylons Chapter VI. Religious Orders.](#)

The Church of Rome, at its first planting, had the divinely bestowed gift of a Scriptural ministry and government; and then “its faith was spoken of throughout the whole world”; its works of righteousness were both rich and abundant. But, in an evil hour, the Babylonian element was admitted into its

ministry, and thenceforth, that which had been intended as a blessing, was converted into a curse. Since then, instead of sanctifying men, it has only been the means of demoralising them, and making them “twofold more the children of hell” than they would have been had they been left simply to themselves.

[The Two Babylons Chapter V. Section VI](#) [– The Sign of the Cross](#)

In the Papal system as is well known, the sign of the cross and the image of the cross are all in all. No prayer can be said, no worship engaged in, no step almost can be taken, without the frequent use of the sign of the cross.

Another peculiarity of the Papal worship is the use of lamps and wax-candles. If the Madonna and child are set up, they must have a lamp.

The Two Babylons Chapter V. Section IV – The Rosary and the Worship of the Sacred Heart

Catholics use the rosary but it's no invention of the Papacy. The rosary is of the highest antiquity, and almost universally found among Pagan nations.

After listening to ABC's unfair support of Kamela Harris and their obvious bias and false "fact-checking" of Donald Trump's statements during the Harris – Trump debate, I felt led to share what Christian J. Pinto of the [Noise of Thunder Radio Show](#) has to say about the liberal media and the Democratic Party. It's an hour-long audio with lots of information you don't want to miss! My wife and I usually listen to Noise of Thunder Radio at night just before bedtime.

[The Two Babylons Chapter V. Section III – The Clothing and Crowning of Images](#)

In the Church of Rome, the clothing and crowning of images form no insignificant part of the ceremonial. The statues have garments put on them from time to time.

[The Two Babylons Chapter V. Section II – Relic Worship](#)

Nothing is more characteristic of Rome than the worship of relics. Wherever a chapel is opened, or a temple consecrated, it cannot be thoroughly complete without some relic or other of he-saint or she-saint to give sanctity to it. The relics of the saints and rotten bones of the martyrs form a great part of the wealth of the Church.
