

What is the “Water as a Flood after the Woman” from the Mouth of the Serpent of Revelation 12:15?

I believe the flood is a flood of lies.

When I was young, I would never have believed that my government would ever lie to me. When I was 18, if someone even suggested the government is lying about anything, I wouldn't have believed it. I would have thought the source was parroting some communists to cast doubt on the credibility of the government. I trusted what the authorities had to say. That was before I got saved by the Lord Jesus Christ and knew the truth of the Bible. I came to realize that the government isn't perfect. Governments are part of the world that Jesus Himself called evil.

John 7:7 The world cannot hate you; but me it hateth, because I testify of it, that the works thereof are evil.

John 17:15 I pray not that thou shouldest take them out of the world, but that thou shouldest keep them from the evil.

Galatians 1:4 Who gave himself for our sins, that he might deliver us from this present evil world, according to the will of God and our Father:

Please don't get me wrong. I believe governments are necessary. The heart of man is wicked. We need laws and law enforcers. Since I moved to the Philippines in June of 2023, I haven't heard of any local crimes. I see people leaving their motorcycles with the engines running. I see unlocked bicycles. I also see guards and law enforcers carrying guns and rifles! Jesus said in Luke 11:21 "When a strong man armed keepeth his palace, his goods are in peace:"

What I'm saying is we need to put our trust in the Lord most of all, base our thinking on the Bible, and not look to the government as our standard of

morality. [A new law in California](#) forbids teachers from telling parents that their child is seeking to change his or her gender! School teacher Jessica Tapias lost her job for not obeying that law. I say to her, "Bravo!"

Christians should not obey authorities when laws are in violation of our morals and faith! We have a duty before God to protest evil to government authorities! Ecclesiastes 8:2 says, I counsel thee to keep the king's commandment, and that *in regard of the oath of God*. We must not obey ungodly orders from the government that violate Christian morality.

Sad to say, all governments use propaganda to control their people. The 1994 Rwanda genocide of the Tutsi people would have not happened without the cooperation and complicity of the common people! Authorities told them to kill the Tutsis, and that's what they did. And the Catholic Church was complicit in the genocide but Pope Francis only [apologized for 23 years later in 2017!](#) And remember how the common German people were deceived by the wicked criminal Nazi government of Hitler. They believed Germany had a right to conquer and take over Europe. The same thing with the Japanese in World War II thinking they had a right to take over East Asia. They believed their emperor was a god and laid down their lives for him. Satan deceived them with a flood of lies which washed them away.

And of course, false doctrines and heresies abound in the world today. They are too innumerable to count. We must stay grounded in the Word of God lest we be led astray by something we hear on the news or social media. If you wondered why I'm not posting on this website everything I hear that sounds like an evil conspiracy, that's why. I'm going to stick with what I know to be true. There's a lot of disinformation on the Internet. Just remember how Alex Jones got in trouble for repeating falsehoods he heard about the Sandy Hook massacre.

Also remember, the government and medical facilities are not responsible for our health, we are! People vaccinated for Covid still became ill with Covid in spite of the fact the government said they would not if they get vaccinated. The governments of the world claimed the vaccine was "safe and effective" and yet I've heard many sad testimonials of vaccine injuries.

Doctors don't always give us the right advice. Doctors on Guam gave my wife Tess contradictory advice about the joint pain in her knee. A doctor in the Philippines gave her an expensive shot that did absolutely nothing to heal her chronic pain. We are seeking the Lord for what is best.

What Bible commentator John Gill has to say about Revelation 12:15:

John Gill (23 November 1697 – 14 October 1771) was an English Baptist pastor, biblical scholar, and theologian. He was also the first Baptist pastor to write a commentary on the entire Bible. His interpretation of the prophecies of the Books of Daniel and the Olivet Discourse of Matthew 24, Mark 13, and Luke 21 are in agreement with most of his contemporaries who held to the Historicist school of interpretation. Sad to say not very many Christians today know what John Gill and his fellows had to say. Their voices have been

drowned out by John Nelson Darby's Futurism. Why would Darby be promoted over John Gill? Undoubtedly it was because of the insidious work of the Jesuit Order! The Jesuit's plan is to bring the "separated brethren" back to the fold of the Pope. Will you follow them? I'm not.

John Gill calls the water as a flood from the mouth of the serpent of Revelation 12:15 false doctrines and heresies:

As the words of a man's mouth are as deep waters, (Proverbs 18:4); and doctrines, good or bad, may be so called; that **flood of errors and heresies**, which were poured in between the times of Constantine and the rise of antichrist may be here intended; such as the **Arian heresy, which denied the divinity of Christ**; the **Nestorian heresy, which divided his person**; and the **Eutychian heresy, which confounded the two natures in him**; and the **Macedonian heresy, which took away the deity of the Holy Ghost**; and the **Pelagian heresy, which destroyed the grace of God**, and set up the power of man's free will: and this flood of errors and heresies may be truly said to be cast out of the serpent's mouth; since the old serpent, the devil, is the father of all lies, and errors: and the above heresies are the doctrines of devils, and damnable ones; and were designed by Satan to destroy the souls of men, and ruin the church.

What Bible commentator Matthew Henry has to say about Revelation 12:15:

Matthew Henry (18 October 1662 – 22 June 1714) was a British Nonconformist minister and author who was born in Wales but spent much of his life in England. He is best known for the six-volume biblical commentary Exposition of the Old and New Testaments.

This is thought to be meant of a flood of error and heresy, which was breathed by Arius, Nestorius, Pelagius, and many more, by which the church of God was in danger of being overwhelmed and carried away. The church of God is in more danger from heretics than from persecutors; and heresies are as certainly from the devil as open force and violence.

What Bible commentator Matthew Poole has to say about Revelation 12:15:

Matthew Poole (1624 – 1679) was an English Nonconformist theologian.

And the serpent; the devil, the old serpent, mentioned Revelation 12:9, being able no longer to execute his malice as a dragon, by the civil power of the heathen emperors, tearing Christians in pieces, but discerning the church secured by the special providence

of God, went to work another way.

Cast out of his mouth water as a flood; corrupting the judgments of several persons, who, out of the abundance of error in their hearts, **preached corrupt doctrine**. Such were the followers of Arius, Nestorius, Eutyches, Pelagius, &c. The words of a man's mouth are as deep waters, Proverbs 18:4. The mouth of the wicked poureth out evil things, Proverbs 15:28.

That he might cause her to be carried away of the flood; on purpose **to ruin the church: and, indeed, such were the ill effects of these heresies**, that he who is but meanly versed in the history of the fifth age, will see reason to adore the providence of God, that the Roman emperors, upon the sight of them, did not again turn pagans, and add their force to the malice of these pretended Christians against the sincerer part of the church.

[Is Snopes a credible and authoritative source of information?](#)

A frequent visitor of this website sent me an article from Snopes in response to the article on this site, [Coriolis Effect at the Equator: Evidence Against a Stationary Flat Earth](#). It says:

“The notion that the Coriolis force determines which direction water spirals down drains is one of the most prominent scientific myths.”

And it calls the following statement false:

“The Coriolis force determines which direction water spirals down drains and toilets in different hemispheres.”

I consider the above statement false about toilets, but true about drains!

This is what I would call a false dichotomy, grouping two things together that are different in operation. A toilet flushing is totally different than water going down a spout.

However, the Coriolis effect is so small that it plays no role in determining the direction in which water rotates as it exits from a draining sink or toilet.

That statement may be true for toilets but it's demonstrably false for sinks! I've lived in the Northern Hemisphere my entire life. I've seen water drain down a spout in a clockwise direction, and *only* in a clockwise direction innumerable times during my 73 years on Earth. I happen to be now the furthest south I've ever lived, 12 degrees north latitude in the Philippines. The closer I am to the equator, the stronger the Coriolis force is.

Toilets and sinks drain in the directions they do because of the way water is directed into them or pulled from them. If water enters in a swirling motion (as it does when a toilet is flushed, for example), the water will exit in that same swirling pattern.

I took up the challenge to try to make water spin down my bathroom sink in a counterclockwise (anticlockwise) direction by purposely pouring a bucket of water down the sink when moving my arms toward the left. In spite of my efforts, I couldn't do it! I could not cause the water to spin down the drain counterclockwise. It spun down the drain in a clockwise direction as it always has. Conclusion: Snopes is LYING!

I shared the Snopes article with my scientist friend, [John Gideon Hartnett](#) who has a PhD in physics. His response: "Usual lies."

But the question is, why would Snopes lie about *this*? I understand why it would lie about the effectiveness of Covid vaccines, or that vaccines, in general, are not harmful, or about Climate Change, or about anything considered controversial that the Left likes to call, "Right-wing conspiracy theory". But why would Snopes call something false that anybody who lives in a house with a sink and a thinking mind can easily show to be true? Perhaps the following excerpt from <https://foodbabe.com/do-you-trust-snopes-you-wont-after-reading-how-they-work-with-monsanto-operatives/> will throw some light on the subject:

- Snopes is now [50% owned by an ad agency \(Proper Media\)](#) and they make money by generating [millions of views on the 3rd-party advertisements](#) on their website. It simply makes sense for them to seek out articles that are viral to "debunk", so that they can piggy-back on that traffic and generate more advertising revenue.
- Snopes was founded by a husband and wife team who are now in the middle of a contentious divorce in which founder David Mikkelsen has been

accused of [embezzling \\$98,000 of company money to spend on “himself and prostitutes”](#).

- Snopes now has a hired team of suspect [fact checkers](#) who collaborate to debunk falsehoods that are trending on the internet.
- These fact checkers reportedly have [no editorial oversight and do not follow standard journalistic procedures](#) such as interviewing the authors of articles they are trying to debunk to get all sides of the story.
- Snopes doesn't have a formal screening process for hiring fact checkers and for [evaluating applicants for any potential conflicts of interest](#). Without such standards, it is very easy for them to be infiltrated by those who work with the industry and who have a hidden agenda.

The recent series of events below demonstrates how Snopes has been influenced by Monsanto into manipulating the public opinion about [the dangers](#) of their bestselling product, Roundup weedkiller (aka glyphosate).

Conclusion

It's all about making money.

[The Book of Daniel interprets the Book](#)

of Revelation

Many people find the last Book of the Bible, the Book of Revelation hard to understand. I heard one lady even call it the Book of Concealment! Is there a key to understand the Endtime prophecies of the Book of Revelation? I believe that key is the Book of Daniel! The Prophet Daniel was described as:

“...an excellent spirit, and knowledge, and understanding, interpreting of dreams, and shewing of hard sentences, and dissolving of doubts, were found in the same Daniel, whom the king named Belteshazzar: now let Daniel be called, and he will shew the interpretation. – Daniel 5:12

If anybody can shed some light on the Book of Revelation, I bet Daniel can! And some verses in the Book of Revelation also explain Daniel’s visions as well.

Isaiah 34:16 Seek ye out of the book of the LORD, and read: **no one of these shall fail**, none shall want **her mate**: for My Mouth it hath commanded, and His Spirit it hath gathered them.

I believe that all the important Endtime prophecies in the Book of Daniel have their “mate” or similar verse in the Book of Revelation. What therefore is the key to understanding the Endtime prophecies in the Book of Revelation? It’s to know the same prophecies in the Book of Daniel! The Scriptures from these two books of the Bible complement each other.

This Bible study is an attempt to compare certain verses in Daniel with Revelation, and by doing so, clearly show what they are teaching in order to shed more light on controversial teachings about the Endtime that have been circulating among the churches, especially *American* churches!

Daniel 7:21 I beheld, and the same **horn made war** with the **saints**, and prevailed against them;

22 Until the Ancient of days came, and judgment was given to the **saints** of the most High; and the time came that the **saints** possessed the kingdom.

Revelation 13:7: And it was given unto him (the Antichrist) to **make war with the saints**, and to overcome them: and power was given him over all kindreds, and tongues, and nations.

Who are the "saints"? The born again children of God in Christ Jesus! The "horn" of the book of Daniel is the Antichrist– the Papacy – what all the Protestant reformers believed about the Roman Pope. The "beast" of Revelation chapter 13 is the Roman Empire including the revived one that continues to this day.

Daniel 7:23 Thus he said, The fourth beast shall be the fourth kingdom upon earth, which shall be diverse from all kingdoms, and shall devour the whole earth, and shall tread it down, and break it in pieces.

Revelation 13:1 And I stood upon the sand of the sea, and saw a **beast** rise up out of the sea, having seven heads and **ten horns**, and upon his horns ten crowns, and upon his heads the name of blasphemy.

What is the "beast" of Revelation chapter 13? Many Christians today think the "Beast" is synonymous with the final end time Anchrist. But Daniel chapter 7 clearly defines a beast as a kingdom or empire! I believe the Beast of Revelation is with us today. It's the covert one-world government already in existence. It's centered in Rome and controls the world. Proof? Did you notice the reaction to the Covid pandemic was the same worldwide with masks and unnecessary lockdowns? Who was trying to make Covid vaccinations mandatory for every person in the world? The Pope, all the heads of Europe and North America. As far as I know, only a few national presidents in Africa objected to the Covid vaccination and they shortly died (or were murdered?) afterward.

The "ten horns" may be the 10 economic regions of the world today, the regions designated by the World Trade Organization. It's interesting that Japan is the sole nation of one of those regions. IMHO, I think this could mean that Japan is still capable of surviving economically on its own.

1. NAFTA	2. EU	3. AFEC	4. M.E.	5. W.Asia /E.Europe	6. Central Asia	7. ASEAN	8. Orient	9. S.Africa	10. S.America

	Sweden								

Or the 10 horns may be the way the Jesuits have divided up the world!

Vaccinated Populations Suffering Strange New Illnesses

I transcribed this text from a One America News (OAN) report, from a video a friend sent me on Messenger. I later found a more complete copy of the video on Rumble.

Transcription of OAN Report

Cameras from around the world are capturing footage of people collapsing in spasms, and what some people believe may be the latest symptom of Covid-19 vaccines. Here's One America News Pearson Sharp with more:

One America News has extensively covered the dangers of the experimental chemical injections the government is calling the Covid vaccine. From heart attacks and strokes to paralysis, neuropathy, and explosive increase in cancer, autoimmune diseases, and even sudden death with young healthy people in the prime of their lives simply falling down dead. The list of fatal side effects from these injections is truly stupefying. While now there are videos emerging of a terrifying new condition that's popping up all over the world.

What you're looking at now is footage from security cameras that shows people suffering from the effects of some mysterious attack on their bodies. In every case, it follows the same pattern. The affected person stops what they're doing and looks around as if they hear something, slowly turning their head. Then they start flailing their arms and legs, kicking and trashing like they're fending off some invisible attacker. This is followed by collapsing on the ground in a convulsion, rising and twisting in uncontrollable spasms. The incidents of this bizarre and frightening new malady have come out of nowhere, and now it's being captured by CCTVS around the world.

Now to be fair, it's not clear if this vaccine death spiral is linked to the TCP (?) injections. But when you consider the alarming number of other

gruesome side effects from this vaccine, it's not hard to believe. As far as we can tell this has never been witnessed before. And if that's the case, then we have to consider what could be responsible.

Now let's think: What's the biggest new variable the world has seen in the last two years? Well, if you're not a brain-dead member of the Branch Covidien Fauci Cult, then the answer is simple. Nearly 70% of the world has submitted to the Covid injections. That's 5.3 billion people whose bodies are struggling to adapt to overcome the so-called vaccine toxic effects. And now we're seeing the results firsthand.

Peer-reviewed studies show a staggering 94% of covid injection recipients have abnormal blood, blood that no longer functions normally. This is a picture of what normal unvaccinated blood looks like at 40 times magnification, and was taken by doctors in Italy studying the blood of patients injected with the Pfizer and Moderna vaccines. Now here we have the same patients just one month after getting the Pfizer injection. You can clearly see the blood has been drastically altered! With researchers saying the vast majority of patients they studied suffered severe blood cell deformation after taking the vaccine. The researchers say metallic objects that resembled graphene oxide and other compounds like you see here or discovered floating in the blood. The scientists said they found extraordinarily anomalous substances in the blood which began forming gigantic foreign structures. The researchers concluded by saying **these results have never been observed before in any vaccines ever**, and that Pfizer and Moderna need to come clean about exactly what they're putting in the vaccines.

They added that the substances in the vaccines are incompatible with normal blood flow. Those gigantic foreign structures seen under the microscope are wreaking havoc on the human body. And now **coroners and embalmers around the country are discovering horrifying clots inside people's bodies!** What you're looking at are the mysterious clots that are suddenly appearing in vaccinated people who later died. And medical experts say this is totally new, they've never seen anything like it until last year. (2021)

Lab tests show the clots are made from something other than human blood. And embalmers says they're showing up in otherwise healthy people who suddenly died from heart attacks or strokes. And when they were examined, their veins and arteries were completely clogged with these strange rubbery fibers that can be several feet long.

Even the young and healthy can be affected, like a teenage athlete in Ohio who suffered from a sudden pain in his legs and back and was rushed to the emergency room where doctors removed a mysterious 6-foot-long clot from his legs! After finding massive clots it's not surprising the FDA is withholding autopsy results of people who died after doing the Fauci vaccines. That's right, the FDA is actually refusing to release autopsy results of victims who received the experimental covid vaccine! They don't want anyone seeing just how grizzly the results are.

Considering this is the crap that's floating around in the blood of everyone

that got the Fauci injection, it's no surprise that life expectancy in the US is plummeting at the fastest rate in history. In fact from 2020 to 2021 life expectancy in the US fell by nearly three years, meaning that **people are dying prematurely at 35 times the rate they were before the vaccines were introduced**. But these mysterious deaths all have one thing in common, one common denominator: Every one of them received the new experimental vaccine.

At some point, those responsible must be held accountable: The pharmaceutical giants who made these drugs, the media who pushed their propaganda, and the elected officials in Washington who made it illegal to refuse them. Until then, we the people who trusted those officials can only look on in horror and disbelief at the carnage being inflicted by the murderers we thought would save us.

For the record, my wife and I never trusted what the government had to say about the Covid vaccine and we remain unvaccinated. Thanks be to our God and our Savior the Lord Jesus Christ!

[The Inventors of the Climate Change Scam: The Club of Rome](#)

What is the Club of Rome?

“The Club of Rome is a platform of diverse thought leaders who identify holistic solutions to complex global issues and promote policy initiatives and action to enable humanity to emerge from multiple planetary emergencies.” (Source: <https://www.clubofrome.org/about-us/> – on the official website of the Club of Rome)

“The Club of Rome is **a Masonic lodge founded in 1968 on David Rockefeller’s estate** in Bellagio, Italy. The Member Squadron

is a traditional collection of grandiose reformers with heads of state, UN bureaucrats, leading politicians and government officials, diplomats, scientists, economists and big business leaders. **A collection from all over the world with a strong side of rich Western "elite"**. This political lodge also brings together multi-billionaires in the Rockefeller, Rothschild and Soros families along with political chameleons such as Anders Wijkman and industrial magnates such as the now deceased oil businessman Maurice Strong." (Source: [Club Of Rome: The Origin Of Climate And Population Alarmism](#))

The second definition is from Technocracy News which mediabiasfactcheck.com calls "Conspiracy-Pseudoscience." LOL!

I fact-checked mediabiasfactcheck.com and this is what I came up with:

"Mediabiasfactcheck has been repeatedly caught in lies and distortion of truth. Repeated claims that have proven false about Covid alone are enough to quit using them. Takes going to court to get them to correct lies they publish. It is a totally discredited, self-styled 'fact-checker' site that has been served with a 'cease and desist' legal notice for publishing unsubstantiated and defamatory claims against Principia Scientific International (PSI)." (Source: <https://www.sitejabber.com/reviews/mediabiasfactcheck.com>)

David Icke and Dr. John Coleman talk a lot about the Club of Rome, but because I don't trust information from either of those guys, I won't use any of their materials. Coleman talked about the Club of Rome as a governing body giving orders, but I see it more as a think tank.

I consider the most reliable source of information about globalists' plans that do not have the good of the general public in mind to be right out of publications of the globalists themselves. The following quotes are from a PDF file of a Club of Rome publication entitled: "[The First Global Revolution – A Report by the Council of the Club of Rome](#)" written in 1991 by Alexander King and Bertrand Schneider. Quotes from the publication of the Council of the Club of Rome

From page 108 of [the PDF file](#):

The need for enemies seems to be a common historical factor. States have striven to overcome domestic failure and internal contradictions by designating external enemies. The scapegoat practice is as old as mankind itself. When things become too difficult at home, divert attention by adventure abroad. Bring the divided nation together to face an outside enemy, **either a real one or else one invented for the purpose.**

From page 115 of [the PDF file](#):

The Common Enemy of Humanity Is Man

□

In searching for a new enemy to unite us, **we came □up with the idea** that pollution, the threat of global □warming (now called climate change), water shortages, famine and the like **would □fit the bill**. In their totality and in their interactions □these phenomena do constitute a common threat which demands the solidarity of all peoples.

Climate change is controversial even among scientists, but you probably didn't know that by listening to the mainstream media. What the Bible calls “strong delusion” – a List of False Beliefs

What we believe to be true or false determines our policies in life. You may think something is true, but if it's actually false, it could lead to your ruin.

Dr. Vladimir Zelenko's Final Words of Warning and Admonition in Text and Video

Dr. Vladimir Zev Zelenko passed away on June 30th, 2022, at age 49 from cancer. Zelenko became well-known after introducing a three-drug combination of hydroxychloroquine, zinc sulfate, and azithromycin as part of an experimental outpatient treatment for COVID-19 that he promoted as the Zelenko Protocol. It saved many thousands of lives!

Zelenko was born in Kyiv in 1973, and moved to the US at age 3. He was an Orthodox Jew who feared God and loved humanity to the point he willingly sacrificed his reputation to stand against the government and Big Pharmaceuticials for promoting harmful vaccinations what he called, "death shots". May the Lord have mercy on his soul.

Hi, this is Dr. Zelenko. And I'm making this video from my hospital bed. Just want to give a quick update, many, many people have expressed their love and prayers. And I'm very grateful, thank you.

Unfortunately, I had an MRI, and transesophageal echocardiogram called a T, and it found a tumor in my right ventricle. That's the lower right chamber the heart. And on top of that tumor is a blood clot. That's not pretty good news. It's *not* good news. And the treatment would be to go on blood thinners which I'm on to try to dissolve the clot. And then we have to figure out what to do with that tumor.

To be frank, if that clot breaks off, that's a ticket to the next world. Also, there are more tumors around my lower left lobe in my lung. So I'm in a precarious situation. However, as King David writes, even though I walk in the shadow of death, I shall fear no evil, for God is with me. And I do really feel that way. And those words, resonate in my soul more now than ever in my life.

And there is a Talmudic teaching, that even if the sword is on your neck, a person should never give up hope. And so I'm in a very good state of mind. And, as I frequently said, they are going to have to carry my body off the battlefield. Because my resolve to help humanity, the vulnerable, the innocent, decent people overcome this terrible darkness and plague that is upon us, has never been stronger. And if I have to leave the world, I accept God's will.

But I encourage and plead with everyone else, to up your game and stand up and resist. Resist first within yourselves against giving into fear, and then resist publicly against the policies of tyranny which are coming again.

Because it's pretty obvious what's going to happen right now. The World Health Organization, which is essentially funded by the sociopath (Bill) Gates, is gaining more and more power over sovereign nations. Gates messaged, I think five or six months ago that Smallpox is a big threat. It was supposedly was eradicated in 1980. And it was only found in two labs in America and in Russia in DSL level four labs, the highest maximum security labs. And yet five days after the sociopath, criminal Gates, said his prophetic words, a few vials of smallpox were found in an unsecured refrigerator in a Merk laboratory in Philadelphia.

And so, it's not surprising to me now that we're seeing monkeypox. I anticipate global panic about it. This will be the next media or narrative that will continue the fear campaign to end locked down campaign and mask campaign to create anxiety, isolate you from people you love, and dehumanize you with with these face diapers. And so this is their playbook. And they're going to keep on sending wave after wave of their evil agenda until we make internal resolutions to kick the evil out from within us. We should, in my opinion, denounce the worship of false gods, that of technology, that of science, the god of corrupt governments, money, power, fame, and reconcile our hearts with our Creator who's making us anew, every instant in time.

Basically, the world has now chosen sides, those that will worship the machinations of men, and those that will bow down to the Creator. And so let the culling begin. You know, the world needs a cleaning. And when the process is done, the world will be filled with knowledge of God, just like the waters cover the seas. And the sociopaths have a big thing coming for them. They think they are gods, they think that they're ruling the world. We'll see. So let the games begin. And I have no problem falling in battle. Because this is a hill that we need to die for. Because otherwise, our progeny will have nowhere to breathe free.

New World Order Plans for the Economy. Be Prepared!

So says Klaus Schwab of the World Economic Forum. Happy like you, Mr. Schwab?

Transcription of the video

Lockdowns do work. Not at stopping the spread of a virus, but they're successful at destroying economies. This virus is statistically as devastating to the population as a bad flu.

So why have the governments implemented and held such a disproportionate response, destroying their economies and pretending that it doesn't matter? It's because COVID is the scapegoat, and an excuse or an opportunity to bring about their **"Great Reset"**.

QE [Quantitative Easing. See <https://www.investopedia.com/terms/q/quantitative-easing.asp>] started in 2008, following the banking crisis caused by misuse of the lending markets, and the economy has been on life support ever since. In September 2019, a month before Bill Gates' Event 201, the overnight money market seized, the Federal Reserve had to step in printing \$50 million to \$100 million per night to try and fix it. But there was no fixing it.

Since COVID, they have expanded the money supply between 20% to 25%, under the guise of COVID relief, rather than what is another banking crisis. History tells us this money printing ends with the collapse of the currency and the economy it is attached to.

Since 1971, when the dollar as the reserve currency came off the gold standard, all currencies have been Fiat. They are backed by nothing, and depend on faith. Only 3% of the money supply is physical notes and coins. The other 97% is debt-based. Debt brings money into existence, you borrow \$100,000, and the banks are allowed to create that money from the ether and loan it to you with interest.

In the reverse case, it's important that you know that when you deposit money into a bank, it no longer belongs to you. The banks can legally invest 90% of it, and they provide you with interest for this. In 2008, we saw bank bailouts. But as of 2014, Ireland and the UK have agreed to bank-bail-ins instead. **Meaning they can legally take your money in a crisis.** This is what happened in Cyprus in 2013. The government claims to guarantee a certain amount of deposits, but only holds less than half percent. So good luck getting your money back.

So the credit markets are under stress. What is the best pressure release valve for the credit markets to hold back a collapse? It's a weaker economy. This could be part of the reason the economy was shut down. The difficulty they now face in opening back up, is when you combine an increase in money supply with an increase in velocity, you're inviting inflation.

In 2008 QE was given to the banking sector and large corporations. But in 2020, it was also given to the general public readily available now to spend.

By keeping sectors of the economy closed, you're breaking the velocity; velocity is the number of times the same amount of money changes hands. And increase velocity will lead to inflation. But it isn't essential for it.

Couple this with the inevitable increased demand for debt. When the economy does open back up. People are taking out loans again, and this could pop the debt bubble.

This financial system is held together with debt. When you buy a loaf of bread that could be 10 different transactions of credit to get to your door between manufacturers, suppliers, and distributors. Mathematically, credit is doomed to break. And this will seize the entire economy.

This is why the banks were considered too big to fail. If credit isn't functioning then products won't be created. When the credit market feels so does the entire economy. So what did they do?

Inflation is inevitable. More money is chasing the same amount of goods and services. That's just how money works. It has been evident in property for a long time, but it's recently showing up in commodity prices like lumber, copper, and also food prices.

Inflation initially raises asset prices and then filters down into living costs. The last to inflate is wages, making it increasingly difficult for the less wealthy to buy property, as their wages only make their living expenses. The government have got themselves into overwhelming debt. So they can't raise interest rates or they won't be able to service that debt as they can barely meet the interest requirements.

It seems they are planning to let inflation rise trying to maintain some control over it and inflate away the debt.

Inflation is a hidden tax. Just as they inflate away the debt they inflate away your purchasing power and you slowly lose everything you've worked for. With inflation and bank barons, they're taking your money. The danger here is

hyperinflation.

If control and faith are lost, look at Venezuela and Zimbabwe where currency litters the streets and it has so little purchasing power that it isn't even worth picking up.

We are moving into a central bank digital currency. This has already been rolled out in China with Sweden, Turkey and Iran following. With digital currency, the government has complete control as it is programmable. It is the loss of your freedom and privacy. They can control velocity by programming it with expiry dates, or deciding where the economy can be spent. They can limit your leisure spending, prohibit you from buying certain items, or only allow spending on basic food items and rent. They can tax and fine, directly. They have control. They can incentivize you to spend or save with negative or positive interest rates respectively.

How would you implement a control agenda? I would collapse the economy so that there are no independent businesses, therefore making everyone dependent on the state. I provide them with a generous Universal Credit system, then slowly reduce it or inflate it away. The concept of UBI [Universal Basic Income] has been about for some years now.

Over 80% of jobs that make moderate to low wages are predicted to be automated away by 2030. Humans are becoming surplus to requirement.

In the fourth industrial revolution, according to the World Economic Forum, our bodies will be so high tech, we won't be able to distinguish between what's natural and what's artificial. A future of superhumans. It's frightening.

They're also proponents of the green energy carbon tax movement, which if you look into it is eugenics repackaged. They are telling us that if we pay more taxes and stop eating meat, it will cool down the planet.

The middle and working classes will be eroded and replaced with robots, AI, and by corporations, and given a basic income. So how is this funded? The Davos IMF concept is that you own nothing and be happy. So the idea is to confiscate or severely limit all private property. The other option is taxes. But the rich don't pay taxes. The loopholes are designed to be beneficial to them but too costly for us. While universal basic income is proposed, the more effective solution to stop the wealth divide would be a universal maximum income with a wealth cap.

Let them have \$20 million. That's a lot of money that can buy all the houses and yachts that they want, but it would limit their amount of control and influence.

This is the biggest heist of wealth transfer in history. The media does not inform you. Its purpose is to distract and advertise to you. The economy has collapsed under the wave of debt-fueled greed, and the media are silent. Billionaires have increased their wealth by 28% during the crisis; gained at the expense of small businesses.

The stock market is fake. And it is a rigged game fueled by money printing and doomed to crash. The Old World is now coming back. A group of billionaires are deciding how the rest of the world should live. And they have the ear of the government the claims to represent you.

When you hear Johnson, Trudeau and Biden say “build back better” that is a Davos concept, a collection of non-elected private billionaire influencers.

If we submit to a digital currency, we lose control and privacy. This is what you really need to wake up to. Furlough is psychological prepping for UBI. You’re not being paid to stay at home, you’re being paid not to revolt. If you know the pounds, dollars, etc, are losing purchasing power, why would you keep them?

This is why people are moving to hold assets such as silver, gold, land, or property instead, and transferring currency to crypto to outrun the inflation that is already becoming evident.

There’s also a ridiculous increase in shipping costs. COVID impacted the supply chain. China stockpiled containers and the system broke. This led to a problem with stock on shelves. When it’s fully operational again, the additional costs will be passed on to the consumer. It would be wise to buy supplies to combat any shortages while the system resets. Better looking at them than looking for them.

Hold gold, silver, crypto to maintain a degree of autonomy from the upcoming digital system. I am not a financial adviser. I would advise you to do your own research and find what works for you.

The problem is our fiat currency is failing. Thousands have proceeded and they’ve all failed due to debasement of the currency. We have to be aware of that so we can prepare and work to fight against the oncoming erosion of our freedom and our privacy.

[Who is that “Man of Sin” of II Thessalonians Chapter 2?](#)

Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that **man of sin** be revealed, the **son of perdition**; Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the **temple of God**, shewing himself that he is God.
-2 Thessalonians 2:3,4

Believe on not, all true born again Christians in the 16th century *knew exactly* who the Man of Sin, the son of perdition is! How do I know that? It says so in the Geneva Bible notes, the Bible translated in the 16th century.

*All men know who he is that says he can **shut up heaven and open it at his pleasure**, and takes upon himself to be lord and master above all kings and princes, **before whom kings and princes fall down and worship**, honouring that antichrist as a god. (4) He foretells that the antichrist (that is, whoever he is that will occupy that seat that falls away from God) will not reign outside of the Church, but in the very bosom of the Church. (Reference <https://www.biblestudytools.com/commentaries/geneva-study-bible/2-thessalonians/2-thessalonians-2.html>)*

Who are they talking about? Let's see what the teaching of the Roman Catholic Church about the papacy is. The following is taken from <https://www.ewtn.com/catholicism/teachings/papacy-37> which is a Catholic website. I added the emphasis in bold.

The Papacy

We also define that the holy apostolic see, and the Roman pontiff, holds the **primacy over the whole world**, that the Roman pontiff is the successor of blessed Peter, prince of the apostles, that he is the true vicar of Christ, the **head of the whole Church** and the **father and teacher of all Christians**, and that to him was committed in blessed Peter the full power of tending, ruling and governing the whole church, as is contained also in the acts of ecumenical councils and in the sacred canons (COUNCIL OF FLORENCE, 1439).

Vicar: (From Latin) vicarius, **a substitute**,
Anti: (From Greek) against, opposite, **instead of**,
Vicar of Christ = Anti Christ

Did you get that? Even though *YOU* may not acknowledge the authority of the Catholic Pope over your life, as far as he is concerned, *you belong to him!*

Did the Pope take “upon himself to be lord and master above all kings and princes”?

The papal deposing power was the most powerful tool of the political authority claimed by and on behalf of the Roman Pontiff, in medieval and early modern thought, amounting to the assertion of the Pope’s power to declare a Christian monarch heretical and powerless to rule.

Pope Gregory VII’s Dictatus Papae (c. 1075) claimed for the Pope “that it may be permitted to him to depose emperors” (12) and asserted the papal power to “absolve subjects from their fealty to wicked men” (27).

Oaths of allegiance held together the feudal political structure of medieval Europe. The principle behind deposition was that the Pope, as the ultimate representative of God from whom all oaths draw their force, could in extreme circumstances absolve a ruler’s subjects of their allegiance, thereby rendering the ruler powerless. In a medieval Europe in which all confessed the Pope as head of the visible Church, it gave concrete embodiment to the superiority of the spiritual power over the temporal—the other side, so to speak, of the role of Popes and bishops in anointing and crowning emperors and kings. What is the “temple of God” of II Thess 2:4? Is it a rebuilt Third Temple of Solomon in the Endtime? Would a rebuilt temple of Solomon to resume animal sacrifices be of God in spite of the fact Jesus Christ, the Lamb of God, already paid the price for the sins of the world?

1 Corinthians 3:16 ¶ Know ye not that **ye** are the temple of God, and that the Spirit of God dwelleth in you?

Would not a rebuilt third Temple in Jerusalem represent yet further rejection of the Blood of the Messiah, Jesus Christ, as the propitiation for our sins? And if so, would God call that temple a “holy place”? Definitely not! Any symbol of rejection of the true Messiah, Jesus of Nazareth would be an abomination to God! And if this is so, and I believe it is, would a rebuilt temple be the “holy place” of Matthew 24:15? Definitely NOT!

Whether you agree with the early Protestants or not, up to the 18th century they all interpreted 2 Thess 2:4 to be the office of the papacy, the Popes of Rome standing in the Temple – the Church – the Christian world – proclaiming himself to be as God on earth having total authority over both your body and your soul.

Satan is the god of lust. He wants to rule the entire world and demand all men worship him. Hasn't he already done that through each and every tyrant and dictator who has ever lived? Many of them considered themselves to be God! The pharaohs of Egypt did, the rulers of all the great empires, the heads of the Assyrians, Babylonians, Medo-Persians, Grecians, and Romans, most of them, claimed to be God on earth.

Men are mortal and Satan is immortal. I believe Satan has influenced each and every head of world power until their rule ended at death. After one emperor or king died, Satan went to the next emperor or king who had the most world power, from major ruler to ruler from the beginning of history till the present day. Would the god of lust have the patience to wait for a final 7 years of world history to have his fling? NO! He wanted it all from the beginning!

All that to say is this: If you have been waiting for the “rise of the Antichrist,” you may have missed seeing all the antichrists throughout history up to the present. And if you are expecting a rebuilt Temple of Solomon in Jerusalem so that the Antichrist can sit there and rule the world, you probably don't see the Covid pandemic phobia is the work of the Antichrist to get you to take the [vaccination](#) of the Beast.

[Dr. David Martin: We Are Allowing Human Organisms To Become Bioweapon Factories – Video and Text](#)

Transcription of the interview

Stew Peters: So we're now up to our fourth COVID shot here in the United States. And Anthony Fauci is talking about possibly doing another round of lockdowns too. Hell, I mean, that might happen because half of this country are sheep, and will fall for anything, it seems.

Well, Dr. David Martin recently warned that the ultimate long-term purpose of all of this will be exposing humanity to constant forcible gene editing, via mRNA vaccines and who knows what else. Dr. Martin will be joining me I'm very excited because he also will be speaking at the April let's go Brandon rally, but he joins us now. And I'm excited about that, as well. Thank you for coming. So that's what this is replacing God's likeness, essentially, as we worship the mRNA masters.

Dr. David Martin: You know, it's fascinating. And just the last couple of weeks, I have gone on record for quite some time now, Stew, saying that this entire exercise was about transcribing a computer-synthesized model into the human genome. And in the last month, we've seen mainstream science come back with a giant revelation that it turns out that this shot persists in the human body for an indeterminate period of time. The most recent data shows that at least surviving up to eight weeks in the lymph system, where it continually produces the spike protein. We see evidence coming from municipal waste systems that allegedly even though we're all allegedly getting better, and the pandemic is starting to normalize, apparently spike protein is showing up in our waste streams at alarmingly high rates. Stew, the reason is because as I've said all along, when you inject the body with instructions to make a chimeric model of a synthetic spike protein, where you have never done testing on that gene therapy, it turns out that you don't know what you might be manufacturing, and how long each individual who gets the injection might be manufacturing these pathogens. And not surprisingly, we were told about this years before this injection started. This is a pandemic of the bio weaponization of the human organism. This is not public health. And Anthony Fauci is the architect of this genocide.

Stew Peters: You have read so many different quotes and given so many

examples using the criminals' own words as they have forecasted exactly what was coming and this dates all the way back. I mean, everybody I talked to that has relevant resources can trace this first, it was back to 2015. Then it was 2005. And now even before that, is it possible,...

Dr. David Martin: Yeah, all the way to 1990.

Stew Peters: 1990? I mean, now. Is this, is it possible? Why? What are some other reasons that this could be showing up in our water?

Dr. David Martin: Well, listen, the reason is really simple. We are now obsessing about the fact that every way to Sunday, what is being done is the human organism is now being modified, and it is being modified to perpetually produce a toxic protein known and scheduled to harm humanity. And when I say known and scheduled to harm humanity, why don't we go ahead and make sure I clarify the reference because apparently, people don't understand what it is. Under 7 CFR Part 331, under 9 CFR Part 121, and on 42 CFR Part 73, we have what's called the Federal Select Agent Toxin List. Stew, **this is not my list. This is not Dave's allegation. This is the Code of Federal Regulations where we put very specific toxins on a schedule and say these things are known to harm humans.** They are known to be damaging, and they are subject to the biological and chemical weapons treaties and laws that we have enforced here in the United States. And why don't we read it directly from the schedule because why would I need to make up for the criminals' acts are even more egregious? Any SARS CoV or SARS CoV2 chimeric virus resulting from any deliberate manipulation of SARS CoV2 to incorporate nucleic acids coding for SARS CoV virulence factors. Stew, they actually say that doing the thing they're doing is illegal.

Stew Peters: Hold on, read that again.

Dr. David Martin: Right. Sars CoV and SARS CoV2 chimeric viruses resulting from any deliberate manipulation of SARS CoV2 to incorporate nucleic acids coding for SARS CoV2 virulence factors. That's actually in three sections of the Code of Federal Regulations subject to the biologic and toxin agent program, defined under 18 US Code section 178, as a biological agent subjected to 18 US Code section 175 prohibition of biological weapons. Literally, the statute says what they're doing is a felony punishable by 99 years in prison, and up to \$100 million per count.

Stew Peters: If you didn't think that that was going to happen. And if you didn't think that justice was going to prevail, and if you didn't think that we were going to win, then you wouldn't be fighting as hard as you are, you're fighting because there really was a purpose and you see a way to win, we're going to win, aren't we?

Dr. David Martin: That's exactly right. And, and so it's important when, when, when, still, you know, I'm a broken record on stuff like this. The fact of the matter is, the criminals' own statements are so egregious, that we don't even have to make up a conspiracy because they did it and they published it. So in violation of criminal conspiracy and racketeering laws, they're the ones that actually admitted to it and let's go to the 20 F

filing. For those of you not familiar with a 20 F filing, when a foreign company files with the United States Securities Exchange Commission, one of their filings is called a 20 F filing, and Biotech, the mRNA injection manufacturer for Pfizer makes the following statement in their 20 F filing. So let's just, let's just set up at the gate. This is them speaking. This is not David Martin. This is them speaking, I'm reading straight from their 20 F filing.

To our knowledge. There is no current precedent for an mRNA-based immunotherapy, such as the type we are developing, being approved for sale by the FDA, the European Commission or any other regulatory agency elsewhere in the world. Although we expect to submit BLAs (which is the biologics license for mRNA-based product candidates in the United States and in the European Union) mRNA therapies have been classified as Gene Therapy Medicinal Products. Other jurisdictions may consider our mRNA-based product candidates to be new drugs, but not biologics or gene therapy, or medicinal products and require different marketing applications. Securing regulatory approval requires submission of extensive preclinical and clinical data and supporting information the various regulatory authorities for each therapeutic indication to establish the product's candidate safety and efficacy."

Listen, I read it straight out of their filing. When I say that this is not a public health vaccine, but this is a computer generated synthetic chimeric alternative to the virulence factor of SARS co V, which is exactly, exactly what it is. This is actually not Dave's theory. This is the reality that says we are being subjected to a perpetual addiction to a known pathogen and toxic agent. And the reason why Anthony Fauci is now advocating for the next round of boosters to be followed by the next round of boosters, is until we actually achieve the stated goal, which is a 15% population reduction, which I don't know if you do the math quick in your head, but **that's about 800 million people dead**. Until we get there. We will be recommending this injection to harm, maim, kill, murder, and sterilize humanity.

Stew Peters: To murder people. To murder people to prevent them from procreating. To alter their image of God their God given DNA and to make them worship a new master.

Dr. David Martin: Well, and the fact of the matter is, it's their words, not mine. They're the ones that said it. And by the way, it's important to realize that that wonderful thing about SARS cov 2 chimeric viruses that I read from the Code of Federal Regulations, that little thing called the Federal select agent program, that little thing called the Department of Health and Human Services and USDA agents and toxins program, that thing that I read, mysteriously had SARS co2 fragments listed as scheduled pathogens in April of 2020. Stew, do remember in February of 2020 we allegedly had a novel pathogen that we didn't know anything about? Remember, we just invented the thing. And we started filing patents for injections for the thing before we actually knew anything about it. So those wonderful days back in our prescience years where we could anticipate a pathogens emergence before it actually happened, and then build operation warp speed in September before the first accorded evidence of the disease in

December of that year, all of the wonderful things that we have unfolding around us. Somehow or another in April of 2020, we had the ability to know that there was going to be SARS Cov2 virulence factors added to a schedule of toxins before we even had a Moderna or Pfizer shot, except we had already transferred those things in November of 2019, under a material transfer agreement to make sure that we had an injection for a pathogen before we had an outbreak of said pathogen.

This is just clear evidence of the fact that this entire campaign of terror, which is what we need to be calling it, this is domestic terrorism. And this is international terrorism. This is bioterrorism writ large. And those acts were willfully and Premeditatedly perpetrated on the population. And to date the population has had not one, not Ron DeSantis, nobody in Florida, no attorney general, no governor, not a single person who has been willing to take on the crime. Not one.

Stew Peters: Disgraceful. It's completely disgraceful. **These are not side effects. These are *intended* consequences.** (Dr. Martin: That's correct.) These are not experimental injections, stop calling them that. This is not an experiment. This is a well-thought-out meticulous plan to commit murder. on a large scale. This is intentionally designed. This was chimerically engineered by people who knew exactly what they were putting into these injections delivered with this mRNA technology. They know exactly what they're doing. These are not experimental, the clinical trial data, they didn't need that they didn't need it. Why? Because they knew what that was what was going to happen. They knew what they were going to do. And the reason there's no threshold for death, the reason why it's not alarming to anybody that only one percent has reported to VARS and 25,000 people are dead, **the reason why nobody's talking about it is because they know that and they have not achieved their goal yet!** That's minuscule in comparison to where they want to take us.

Dr. David Martin: That is exactly right. And what we already know is that if we look at the pseudouridine addition to the mRNA that was put into this injection, if we look at all of the data that we know is now part of the code that went into the mRNA shot, we know that **these things were done with the intention of making them a permanent resident in the organic system.** And by the way, when you hear B A 2 variant, which is now the latest campaign of terror, recognize something very clearly. This new variant is not an alteration of a natural mutation of any viral model.

This is what's happening. When we have human beings turning into perpetual spike protein manufacturing facilities, we will have variant upon variant upon variant and these are going to be coming from injected people who are allegedly coming down with COVID. These are not diseases born of a natural virus. These are premeditated acts of engineered pathogenicity, where we are now allowing the human organism to become a bioweapons factory itself.

Stew Peters: Wow. Somebody is going to hear this or you wouldn't be putting this all together. Somebody is going to take this. A court is going to hear this, these people will be indicted, tried, and hopefully fried.

Dr. David Martin: Well, and still, you know, we filed in Utah. We filed the federal case in Utah on March the third. It is the first federal case where we're taking on the root of this definitional question around the difference between a gene therapy and a vaccination. We filed in Utah because we wanted to in addition to the claims that we laid out in that case, we wanted to see the federal government trying to defend itself because it turns out in Utah, their defense is going to be an affirmative admission of felonies in the state of Utah.

Stew Peters: Criminal consequences.

Dr. David Martin: Criminal consequences for their response.

Stew Peters: Good. I can't get over what you just said. I mean the reality of that turning the human body into a bioweapons lab, a bioweapon manufacturing facility.

Dr. David Martin: That's correct.

Stew Peters: It's just the most eye-popping most truthful, cutting language that you can possibly use. If that doesn't wake people up, Dr. Martin I don't know what will.

I'm looking forward to actually seeing you in person. That's coming up on April 1. Get your tickets by the way at let's go Brandon rally.org Let's go Brandon rally.org That's April 1 and second and third and Brandon Florida the weather's gonna be beautiful. All sorts of patriots out there truth-seeking. Jesus loving God-fearing inspired people who are unafraid will be there. And I can't wait to put my arms around you and give you a big old hug. Dr. Martin, thank you so much for being here.

Dr. David Martin: I'm looking forward to it. We have Anthony Fauci said we're never gonna shake hands anymore. I'm into hugs. Let's make that happen.

Stew Peters: I'm in! See you then. Dr. David Martin, thank you. God bless.

Dr. David Martin: You got it, take care.

[The Pharmaceutical Deception of the Beast](#)

And the light of a candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee: for thy merchants were the great men of the earth; for **by thy sorceries (Greek: φαρμακεία pharmakeia: the use of medicine, drugs or spells) were all nations deceived.** -Revelation 18:23

I found a post about the dangers of vaccinations on Facebook by a lady who became my Facebook friend in 2017, and for some reason, I have not noticed her posts all this time until yesterday, March 30, 2022! It's so wonderful to meet like-minded people on social media!

Yes, I'm still on Facebook in spite of the censorship. And I have been censored countless times, and even restricted from time to time. I have Gab and Mewe accounts too but nobody on them comments on my posts. Those platforms are ghost towns for me. And if I ditch Facebook, I will lose touch with people I want to stay in touch with.

There are people who discredit Facebook and all social media calling it a privacy issue with a CIA connection, etc. but I just don't care. If the Beast, the anti-Christ Shadow Government doesn't already have more than enough evidence to find me guilty of being a follower of Jesus Christ and a proclaimer of God's Word from the Bible even without me using social media, I would think there's something wrong with me. And what would be reliable sources of information without social media? Foxnews? Newsmax? I don't trust any corporate-funded news source. I think it's much safer to listen to individuals who I think have no monetary reasons to lie to me.

The Facebook post:

The [redacted] deception DID NOT start with the Covid [redacted]
It began with the first [redacted] and medical doctors and Moms of [redacted] injured and DEAD children have been warning the world for decades.

The only thing [redacted] eradicated was good health.

Quotes from Doctors Regarding Vaccination

"The greatest lie ever told is that vaccines are safe and effective." – Dr. Leonard G. Horowitz

"The public is woefully uninformed on vaccine risks due to government and mainstream media censorship." – Dr. Mark Geier, MD

"The chief, if not the sole cause of the monstrous increase in cancer has been vaccination." – Dr. Robert Bell, once Vice President, International Society for Cancer Research at the British Cancer Hospital

"Vaccines are highly dangerous, have never been adequately studied or proven to be effective, and have a poor risk/reward ratio." –Dr. Allen Greenberg, MD

"In my medical career I've treated vaccinated and unvaccinated children and the unvaccinated children are far healthier than the vaccinated ones." – Dr. Philip Incao, MD

"I found the whole vaccine business was indeed a gigantic hoax. Most doctors are convinced that they are useful, but if you look at the proper statistics and study the instances of these diseases you will realize that this is not so." – Dr. Archivides Kalokerinos, MD

"It is dangerously misleading to say that vaccines make us "immune" or protect against disease, when in fact that is the exact opposite of the truth. Vaccines only drive disease deeper and cause us to harbor it chronically." – Dr. Richard Moscovitz, MD

"The vaccinations are not working and they are dangerous. We should be working with nature." – Dr. Lendon Smith, MD

"There is no scientific evidence that vaccinations are of any benefit, but it is clear that they cause a great deal of harm." – Dr. Gerhard Buchwald, MD

"All vaccines are and have been causing ischemic (impaired blood flow) damage – to all – creating a plethora of chronic illnesses, disease, and in some instances, death. The injury from vaccination is additive; each vaccination further injures." – Dr. Andrew Moulden MD, PhD

"When you impair the brain blood flow by vaccination you can impair the respiration control center which can result in death. We call it SIDS." – Dr. Andrew Moulden MD, PhD

"Vaccination is the most dangerous medical practice in the history of classical medicine." – Dr. Sladjana Velkov (Macedonia)

[With vaccination] "what in reality is prevented is not the disease but the ability of our cellular immune system to manifest, to respond to and to overcome the disease! There is no system of the human being, from mind to muscles to immune system, which gets stronger through avoiding challenges, but only through overcoming challenges." – Dr. Philip Incao, MD

"I have lectured all over the world... I have always had a special interest in newspapers. All of them have one thing in common, there is always some

reference made to some epidemic in some part of the world. For instance, two years ago, one paper referred to a polio epidemic in Holland. For the past three years, our newspapers have commented on the diphtheria epidemic in Russia. By these means, the population is constantly threatened with epidemics, they have been made to fear them, and the reports always conclude: "Go and get vaccinated." – Dr. Gerhard Buchwald, MD

"To create fear among parents to strengthen their motivation to vaccinate is an important part of the publicity used to promote vaccinations. A whole branch of research is examining the question: What level of fear needs to be created to appear as convincing as possible?" – Dr. Gerhard Buchwald, MD

"In 1866, an English physician described a very strange illness. Children looked like Mongols. His name was Down. That's why we call it Down's Syndrome today... I should add that this syndrome is a result of the vaccinations carried throughout England by Jenner in 1796... It (Down's Syndrome) is probably the first congenital disease caused by vaccinations. In Germany, the first child with evidence of Down's Syndrome was reported in 1922. Today, one in every 700 newborns has it." – Dr. Gerhard Buchwald, MD

"There is insufficient evidence to support routine vaccination of healthy persons of any age." – Dr. Paul Frame, MD, Journal of Family Practice

"Only after realizing that routine immunizations were dangerous did I achieve a substantial drop in infant death rates." – Dr. Archivides Kalokerinos, MD

"I'll talk about vaccines. Number one, vaccines make people sick. They don't work. They don't protect. The use of vaccines is totally wrong! It's perfect nonsense based on fear. They are dangerous. One child out of five has overwhelming disabilities from vaccines – neurological problems, seizures. I've got a whole list. There are plenty of books on this subject. Doctors don't even read about this." -Dr. Guylaine Lanctot, MD

"During those 30 years I have run against so many histories of little children who had never seen a sick day until they were vaccinated and who, in the several years that have followed, have never seen a well day since. I couldn't put my finger on the disease they have. They just weren't strong. Their resistance was gone. They were perfectly well before they were vaccinated. They have never been well since." – Dr. William Howard Hay, MD

"Nobody needs to be confused but everybody better be darn well frightened about taking any vaccine, under any circumstance, for any reason, at any time in their life." – Dr. Daniel H. Duffy Sr., DC (retired air force officer – 21 yrs., family doctor – 28 yrs., vaccination researcher – 49 yrs.)

"I vaccinated both my children with the MMR jab, but this was before I started my research into the problems associated with it. Knowing what I know now, I would not vaccinate my children and run the risk of them getting diabetes, asthma, eczema, becoming more susceptible to meningitis and ending up chronically disabled." – Dr. Jayne Donegan, GP, Homeopath

"Had my mother and father known that the poliovirus vaccines of the 1950s

were heavily contaminated with more than 26 monkey viruses, including the cancer virus SV40, I can say with certainty that they would not have allowed their children and themselves to take those vaccines. Both of my parents might not have developed cancers suspected of being vaccine-related, and might even be alive today.” – Dr. Howard B. Urnovitz, PhD, CEO, CSO and co-founder of Chronix Biomedical

“Childhood vaccines are giving us a world of chronic illness: autism, developmental disorders, Asperger’s Syndrome, brain tumors, leukemia, cancers, information processing disorders, impulsive violence, allergies, asthma, diabetes, Crohn’s disease, intestinal disorders, are just some of the vaccine associated disorders.” – Dr. Tedd Koren, DC

“I am no longer trying to dig up evidence to prove vaccines cause autism. There is already abundant evidence. This debate is not scientific but is political.” Dr. David Ayoub, MD

“There are at least seven laboratory studies, clinical studies, of blood, cerebral, spinal fluid, biopsies of autistic children which show huge differences between autistic children and normal children in terms of the presence of things like measles vaccine virus in their intestinal tract, for example, or their neurons. So, there’s one line of evidence. Another, of course, is that we have data from thousands of parents who testify, often with videotapes and photographs and eyewitness reports, that their kid was perfectly normal. And they can demonstrate it, as I say, very conclusively with tapes, until after the vaccine. The kid retreated into autism. There’s just converging evidence from many, many directions.” – Dr. Bernard Rimland, PhD, Founder and Former Director of the Autism Research Institute

“When the link between the use of unsafe, mercury-laden vaccine and autism, ADHD, asthma, allergies and diabetes becomes undeniable, mainstream medicine will be sporting a huge, self-inflicted and well-deserved black eye. Then will come the billion-dollar awards, by enraged juries, to the children and their families.” – Dr. Bernard Rimland, PhD, founder and former director of the Autism Research Institute

“It is well known that measles is an important development milestone in the life and maturing processes in children. Why would anybody want to stop or delay the maturation processes of children and of their immune systems?” – Dr. Viera Scheibner

“The greatest threat to our health today is the medical community, and one of their most dangerous tools is vaccination – particularly the horrific procedure of injecting foreign protein into newborn infants!” – Dr. Daniel H. Duffy, DC

The greatest threat of childhood diseases lies in the dangerous and ineffectual efforts made to prevent them through mass immunization... There is no convincing scientific evidence that mass inoculations can be credited with eliminating any childhood disease.” – Dr. Robert Mendelsohn, MD

“We are taught by the authorities that vaccines protect us against eventual

aggressive viruses and microbes, and, therefore, prevent contagious illnesses and epidemics. This lie has been perpetuated for 150 years despite the ineffectiveness of vaccines in protecting against illnesses.” – Dr. Guylaine Lanctot, MD

“My suspicion, which is shared by others in my profession, is that the nearly 10,000 SIDS deaths that occur in the United States each year are related to one or more of the vaccines that are routinely given children. The pertussis vaccine is the most likely villain, but it could also be one or more of the others.” – Dr. Robert Mendelsohn, MD

“Many here voice a silent view that the Salk and Sabin Polio Vaccines, being made from monkey kidney tissue, have been directly responsible for the major increase in leukaemia in this country.” – Dr. Fred Klenner, MD

“As a clinician, my current belief which guides my practice with these children is that any child given the Hep B vaccination at birth and subsequent boosters along with DPT has received unacceptable levels of neurotoxin in the form of the ethylmercury in the thimerosal preservative used in the vaccine. In any child with a genetic immune susceptibility (probably about one in six) this sets off a series of events that injure the brain-gut-immune system. By the time they are ready to receive the MMR vaccination, their immune system is so impaired in a great number of these children that the triple vaccine cannot be handled by the now dysfunctional immune system and they begin their obvious descent into the autistic spectrum disorder.” – Dr. Jaquelyn McCandless, MD

“In 1976 I was working in the Gulf Country around Cape York, in an aboriginal community of about 300 people. The Health Department sent around a team and vaccinated about 100 of them against flu. Six were dead within 24 hours or so and they weren't all old people, one man being in his early twenties. They threw the bodies in trucks to take to the coast where autopsies were done. It appeared they had died from heart attacks.” – Dr. Archie Kalokerinos, MD

“As a retired physician, I can honestly say that unless you are in a serious accident, your best chance of living to a ripe old age is to avoid doctors and hospitals and learn nutrition, herbal medicine and other forms of natural medicine unless you are fortunate enough to have a naturopathic physician available. Almost all drugs are toxic and are designed only to treat symptoms and not to cure anyone. Vaccines are highly dangerous, have never been adequately studied or proven to be effective, and have a poor risk/reward ratio. Most surgery is unnecessary and most textbooks of medicine are inaccurate and deceptive. Almost every disease is said to be idiopathic (without known cause) or genetic – although this is untrue. In short, our main stream medical system is hopelessly inept and/or corrupt. The treatment of cancer and degenerative diseases is a national scandal. The sooner you learn this, the better off you will be.” – Dr. Alan Greenberg, MD

“According to the records of the Metropolitan Life Insurance Company, from 1911 to 1935 the four leading causes of childhood deaths from infectious diseases in the U.S.A. were diphtheria, pertussis, scarlet fever, and measles. However, by 1945 the combined death rates from these causes had declined by

95% before the implementation of mass vaccine programs.” – Dr. Harold Buttram, MD

“I would consider the risks associated with measles vaccination unacceptable even if there were convincing evidence that the vaccine works. There isn’t. ... In 1900 there were 13.3 measles deaths per 100,000 population. By 1955, before the first measles shot, the death rate had declined 97.7 percent to only 0.03 deaths per 100,000.” – Dr. Mendelsohn, MD

“Up to 90% of the total decline in the death rate of children between 1860 and 1965, because of whooping cough, scarlet fever, diphtheria, and measles, occurred before the introduction of immunizations and antibiotics.” – Dr Archie Kalokerinos, MD

“For thirty years kids died from smallpox vaccinations even though no longer threatened by the disease.” – Dr. Robert Mendelsohn, MD

“I am and have been for years a confirmed anti-vaccinationist. Anti-vaccination has no backing from the orthodox medical opinion. A medical man who expresses himself against vaccination loses caste. Tremendous pecuniary interests too have grown around vaccination.” – Mahatma Gandhi

“I have no faith in vaccination; I look upon it with the greatest possible disgust, and firmly believe that it is often the medium of conveying many filthy and loathsome diseases from one child to another, and no protection whatever against smallpox. Indeed, I consider we are now living in the Jennerian epoch for the slaughter of innocents, and the unthinking portion of the adult population.” –Dr. W.J. Collins, MD, BS, BSc, MRCS

“What people don’t know about vaccines –what most doctors don’t know– but well demonstrated in medical literature, is that vaccines shift your immune system to an immune suppression type of state called the “TH2 shift.” That’s what most vaccines do. They shift your immune system to a weaker, antibody type immune system... If you’re injecting people with so many vaccines that your keeping them in this constant state –that now your switching everyone to this TH2 immune suppression– then everyone becomes more susceptible [to infectious diseases]... and no one is talking about that. Now, a lot of scientists know that, but they are afraid to speak out because their careers would be ruined.” – Dr. Russell Blaylock, MD

“Using kids as guinea pigs in potentially harmful vaccine experiments is every parents’ worst nightmare. This actually happened in 1989-1991 when Kaiser Permanente of Southern California and the Centers for Disease Control (CDC) jointly conducted a measles vaccine experiment. Without proper parental disclosure, the Yugoslavian-made “high titre” Edmonston-Zagreb measles vaccine was tested on 1,500 poor, primarily black and Latino, inner city children in Los Angeles. Highly recommended by the World Health Organization (WHO), the high-potency experimental vaccine was previously injected into infants in Mexico, Haiti, and Africa. It was discontinued in these countries when it was discovered that the children were dying in large numbers.” – Dr. Alan Cantwell MD

"There is no evidence that any influenza vaccine thus far developed is effective in preventing or mitigating any attack of influenza. The producers of these vaccines know that they are worthless, but they go on selling them anyway." – Dr. J. Anthony Morris, Former Chief Vaccine Control Officer, US FDA

"My own personal view is that vaccines are unsafe and worthless. I will not allow myself to be vaccinated again. Vaccines may be profitable but in my view, they are neither safe nor effective." – Dr. Vernon Coleman, MB, ChB, DSc (Hon)

"I once believed in Jenner; I once believed in Pasteur. I believed in vaccination. I believed in vivisection. But I changed my views as the result of hard thinking." – Dr. Walter Hadwen, MD, LSA, MRCS, LRCP, MB

"Cancer was practically unknown until compulsory vaccination with cowpox vaccine began to be introduced. I have had to deal with at least two hundred cases of cancer, and I never saw a case of cancer in an unvaccinated person." – Dr. W. B. Clarke

"No long-term safety testing for the influenza vaccine has ever been done. They are experimenting on our lives and our children. Influenza vaccine is an experimental vaccine. " – Dr. Mark Geier, MD, PhD

"There is a great deal of evidence to prove that immunization of children does more harm than good." – Dr. J. Anthony Morris, Former Chief Vaccine Control Officer, US FDA

"The only safe vaccine is one that is never used." – Dr. James A. Shannon, MD, Former Director, National Institutes of Health (1955-1968)

"Belief in immunization is a form of delusional insanity." – Dr Herbert Shelton, MD

"I don't think measles poses any risk to a healthy child." – Dr Jay Gordon, MD

"I sincerely believe that vaccines cause more harm to the health of the individual than the "protection" and "benefit" they are proclaimed to provide. Staying healthy without vaccines is not only possible, but being vaccine-free is the only way to maintain a lifetime of real health." – Dr. Sherri Tenpenny, DO

"Nothing but the natural ignorance of the public, countenanced by the inoculated erroneousness of the ordinary general medical practitioners, makes such a barbarism as vaccination possible. Recent developments have shown that an inoculation made in the usual general practitioner's light-hearted way, without previous highly skilled examination of the state of the patient's blood, is just as likely to be a simple manslaughter as a cure or preventive. But vaccination is nothing short of attempted murder. A skilled bacteriologist would just as soon think of cutting his child's arm and rubbing the contents of the dustpan into the wound, as vaccinating." – George Bernard Shaw

"The more it (vaccination) is supported by public authorities, the more will its dangers and disadvantages be concealed or denied." –M. Beddow Bayly

"One vaccine decreases cell-mediated immunity by 50%, two vaccines by 70%... all triple vaccines (MMR, DTaP) markedly impair cell-mediated immunity, which predisposes to recurrent viral infections, especially otitis media, as well as yeast and fungi infections." – Dr. Herman Hugh Fudenberg, M.D., Ph.D. (Immunology)

"Autism may be a disorder linked to the disruption of the G-alpha protein, affecting retinoid receptors in the brain. A study of sixty autistic children suggests that autism may be caused by inserting a G-alpha protein defect, the pertussis toxin found in the D.P.T. vaccine, into genetically at-risk children." – Mary N. Megson, M.D.

"Probably 20% of American children -one youngster in five- suffers from 'development disability'. This is stupefying figure we have inflicted on ourselves...'development disabilities' are nearly always generated by encephalitis. And the primary cause of encephalitis in the USA and other industrialized countries is the childhood vaccination program. To be specific, a large proportion of millions of US children and adults suffering from autism, mental retardation, hyperactivity, dyslexia... owe their disorders to one or another of the vaccines against childhood diseases." – Harris Coulter PhD, Author, "Vaccination, Social Violence & Criminality: The Medical Assault on the American Brain"

"Childhood diseases are a far less serious threat than having a large fraction of a generation afflicted with learning disability and/or uncontrollable aggressive behavior because of a crusade for universal vaccination..." – Association of American Physicians & Surgeons

"We look at these unvaccinated kids as bright and chipper, and they have good personalities, and they're easy-going and easy to get along with, and we look at them like they're just something magical. ... When really that's what normal is supposed to look like." – Sherri Tenpenny, DO

"Recent evidence indicates that routine childhood vaccinations contribute to the emergence of chronic allergic problems such as eczema, ear infections, and asthma. A growing number of scientists and physicians maintain that most standard vaccinations permanently disturb the developing immune system, setting the stage for hypersensitive reactions to foods and other common substances. In fact, childhood illnesses such as measles, mumps, and whooping cough may actually reduce the risk of allergy." –Konrad Kail, N.D.

"The incidence of asthma has been found to be five times more common in vaccinated children." – The Lancet, 1994.

"Provocation polio. That is the truth about those outbreaks of polio. And I offer a well-considered personal opinion that polio is a man-made disease." – Viera Scheibner, Ph.D.

"Public health regulators' main interest is preserving the notion that

vaccines help more than they harm. Anything else is blasphemous. For the rest of us, though, a recent review in immunology literature should give pause. It states: 'To date, more than 80 systemic and organ-specific autoimmune diseases have been defined, and their cumulative burden is substantial, both medically and financially. Furthermore, the burden of autoimmune and autoinflammatory diseases is rising, making these diseases a ubiquitous global phenomenon that is predicted to further increase in the coming decades.' An autoimmune storm is rising. The role of vaccines in it is emerging and will one day be crystal clear. The question is, how far off is that day, and who is going to pay while we wait for it?" – Celeste McGovern

Dr. Gary Kohls, MD has warned that advocates for [mandatory vaccination] were doing so "without acknowledging –or perhaps even being aware of– the large amount of recent neuroscience-based evidence from scientists worldwide that should be modifying the outdated CDC mandates." "Big Pharma and the CDC have very profitably generated and then propagated the myth that their overpriced and very poorly researched vaccines are both effective and safe," added Dr. Kohl, a retired physician who had a 40-year family practice career and now tries to sound the alarm on vaccine dangers. "The safety and efficacy of all vaccines has been disproven (including the 270 new ones that the industry is currently developing and planning to market), but the word has not broken through to the large clinics like the Mayo Clinic." Source: The New American

"To all the pediatricians still trolling my page, now that I've got your attention, listen closely. Heed my words.

You should be FIGHTING LIKE HELL for the safety of our children from even the most remote possibility that vaccines aren't as safe as they could be or aren't as safe as we are being told. Instead of fighting for truth and safety, you're fighting like rats for your piece of cheese.

I have ZERO RESPECT for vaccine profiteers that are so financially biased, confirmation biased, indoctrinated, and willfully ignorant of the evidence that clearly shows vaccines cause injury, disease and REGRESSIVE AUTISM, that they aggressively lobby lawmakers to make vaccines mandatory, and deny parents the essential knowledge about the risks of toxic ingredients injected into their babies.

Bought by big pharma, the caretakers of children's health have become the perpetrators of harm rather than the protectors. They profit as our precious, perfect children are harmed and killed by vaccines filled with cheap preservatives, neurotoxic adjuvants, and human cellular material derived from aborted fetal cell lines. They are complicit accomplices in the murder-by-vaccine crimes that have made American infants THE MOST VACCINATED and THE MOST LIKELY TO DIE in the first year of life.

America's infant mortality rate, the highest rate in ALL developed nations, is a national tragedy. The epidemic of autism, autoimmune diseases, asthma, allergies, ADHD, and pediatric cancers is far worse. The evidence is everywhere.

Unbelievably, the epidemic of autism is rising exponentially. Today, ONE in

48 children in America suffer autism. At the present rate of increase, by 2032 ONE in TWO children AND 80% OF BOYS could be autistic. We can't afford to sacrifice our children and the future of our nation to the ignorance and greed of pediatricians and their big pharmaceutical vaccine manufacturer masters demanding parents submit our children to an intolerably dangerous, untested, and unnecessary vaccine schedule of 72+ injections...and rising. There are over 200 vaccines in the pipeline.

Every pediatrician, family practitioner, or vaccine profiteer that isn't rising up against the corruption of the science of vaccines perpetrated by the CDC is betraying their oath to "first, do no harm." They are on the wrong side of history. Too many have given up objectivity and reason and have simply become sales representatives for the vaccine manufacturers that have so easily bought and conditioned them to believe their lies. The blood of every vaccine injured or killed child is on the hands of every pediatrician that parroted lies like "vaccines do not cause autism" and "the science is settled." The science isn't settled, it's corrupt.

The vaccine industry will soon face the backlash as doctors, scientists, and parents across America become aware of your crimes, rise up to oppose your lies, and hold you accountable for the vaccine injury holocaust you've caused. The fraudulent deceit is coming to an end. We won't allow it to continue.

For me, uncovering the many layers of fraud and corruption that have allowed vaccines to harm so many children, is analogous to walking into an exam room in which a child is being abused by a doctor. I'm not about to look the other way and allow the abuse to continue. I would call the police, however, in my analogy the police are the CDC, and they are participating and enabling the abuse. Regardless, I won't ignore the abuse and allow it to continue. I'm going to stop the abusers from harming the child, and I won't be gentle about it.

That's how I see the travesty of the corruption of vaccines that is harming the children of America today. It's obvious and I'm angry about my how so many of medical colleagues refuse to open the door, expose the abuse, and stop it.

In closing, I beseech my colleagues to open your eyes, minds, and the evidence that for too long you've negligently denied. Confront the reality that you've been duped, controlled, and indoctrinated. Free yourselves from the indoctrination. Stand with me. Demand scientific transparency, integrity, and reform of the vaccine industry. Join me in this fight to protect children and get yourselves on the right side of history." Dr. James Meehan, MD

The pharmaceutical funded █████ DECEPTION began LONG AGO, friends.

Dr. E. J. Post, a prominent physician of Berlmont, Michigan, said:

"I HAVE REMOVED CANCERS FROM VACCINATED ARMS EXACTLY WHERE THE POISON WAS INJECTED."

In the New York Press, January 26, 1909, W. B. Clark stated:

“Cancer was practically unknown until cowpox vaccination began to be introduced. I have had to do with 200 cases of cancer and I NEVER SAW A CASE OF CANCER IN AN UNVACCINATED PERSON.”

Dr. Herbert Snow, Surgeon of the London Cancer Hospital, had this to say:

“I am convinced that some 80 per cent of these cancer deaths are caused by the inoculations or vaccinations they have undergone. These are well-known to cause grave and permanent disease of the heart also.”

Dr. Dennis Turnbull, who had studied cancer for 30 years declared:

“I have no hesitation in stating that in my judgement the most frequent disposing condition for cancerous development is infused into the blood by vaccination and re-vaccination.”

Dr. Forbes Laurie, late Medical Director of the Metropolitan Cancer Hospital, (London) said:

“I am thoroughly convinced that the increase of cancer is due to vaccination.”

What's happening today in Canada, Australia and New Zealand is utter tyranny in the name of medical safety! It's really part of the Jesuit's plan to bring about a new world order of the elite. The only reason why the USA has not fallen totally under leftist tyranny so far is because of the US Constitution and the fact that American citizens still have Second Amendment rights.

“We have not government armed with power capable of contending with human passions unbridled by morality and religion. Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other.” –U.S. President John Adams

Article by Chuck Baldwin of Liberty Fellowship

It seems that every time someone such as myself attempts to encourage our Christian brothers and sisters to resist an unconstitutional or otherwise reprehensible government policy, we hear the retort, "What about Romans Chapter 13? We Christians must submit to government. Any government. Read your Bible, and leave me alone." Or words to that effect.

No doubt, some who use this argument are sincere. They are only repeating what they have heard their pastor and other religious leaders say. On the other hand, let's be honest enough to admit that some who use this argument are just plain lazy, apathetic, and indifferent. And Romans 13 is their escape from responsibility. I suspect this is the much larger group, by the way.

Nevertheless, for the benefit of those who are sincere (but obviously misinformed), let's briefly examine Romans Chapter 13. I quote Romans Chapter 13, verses 1 through 7, from the Authorized King James text:

"Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. Whosoever therefore resisteth the power, resisteth the ordinance of God: and they that resist shall receive to themselves damnation. For rulers are not a terror to good works, but to the evil. Wilt thou then not be afraid of the power? do that which is good, and thou shalt have praise of the same: For he is the minister of God to thee for good. But if thou do that which is evil, be afraid; for he beareth not the sword in vain: for he is the minister of God, a revenger to execute wrath upon him that doeth evil. Wherefore ye must needs be subject, not only for wrath, but also for conscience sake. For this cause pay ye tribute also: for they are God's ministers, attending continually upon this very thing. Render therefore to all their dues: tribute to whom tribute is due; custom to whom custom; fear to whom fear; honor to whom honor."

Do our Christian friends who use these verses to teach that we should not oppose President Bush or any other political leader really believe that civil magistrates have unlimited authority to do anything they want without opposition? I doubt whether they truly believe that.

For example, what if our President decided to resurrect the old monarchical custom of Jus Primae Noctis (Law of First Night)? That was the old medieval custom when the king claimed the right to sleep with a subject's bride on the first night of their marriage. Would our sincere Christian brethren sheepishly say, "Romans Chapter 13 says we must submit to the government"? I think not. And would any of us respect any man who would submit to such a law?

So, there are limits to authority. A father has authority in his home, but does this give him power to abuse his wife and children? Of course not. An employer has authority on the job, but does this give him power to control the private lives of his employees? No. A pastor has overseer authority in the church, but does this give him power to tell employers in his church how to run their businesses? Of course not. All human authority is limited in nature. No man has unlimited authority over the lives of other men. (Lordship

and Sovereignty is the exclusive domain of Jesus Christ.)

By the same token, a civil magistrate has authority in civil matters, but his authority is limited and defined. Observe that Romans Chapter 13 clearly limits the authority of civil government by strictly defining its purpose: "For rulers are not a terror to good works, but to the evil . . . For he is the minister of God to thee for good . . . for he is the minister of God, a revenger to execute wrath upon him that doeth evil."

Notice that civil government must not be a "terror to good works." It has no power or authority to terrorize good works or good people. God never gave it that authority. And any government that oversteps that divine boundary has no divine authority or protection.

Civil government is a "minister of God to thee for good." It is not a minister of God for evil. Civil magistrates have a divine duty to "execute wrath upon him that doeth evil." They have no authority to execute wrath upon him that doeth good. None. Zilch. Zero. And anyone who says they do is lying. So, even in the midst of telling Christians to submit to civil authority, Romans Chapter 13 limits the power and reach of civil authority.

Did Moses violate God's principle of submission to authority when he killed the Egyptian taskmaster in defense of his fellow Hebrew? Did Elijah violate God's principle of submission to authority when he openly challenged Ahab and Jezebel? Did David violate God's principle of submission to authority when he refused to surrender to Saul's troops? Did Daniel violate God's principle of submission to authority when he disobeyed the king's law to not pray audibly to God? Did the three Hebrew children violate God's principle of submission to authority when they refused to bow to the image of the state? Did John the Baptist violate God's principle of submission to authority when he publicly scolded King Herod for his infidelity? Did Simon Peter and the other Apostles violate God's principle of submission to authority when they refused to stop preaching on the streets of Jerusalem? Did Paul violate God's principle of submission to authority when he refused to obey those authorities who demanded that he abandon his missionary work? In fact, Paul spent almost as much time in jail as he did out of jail.

Remember that every apostle of Christ (except John) was killed by hostile civil authorities opposed to their endeavors. Christians throughout church history were imprisoned, tortured, or killed by civil authorities of all stripes for refusing to submit to their various laws and prohibitions. Did all of these Christian martyrs violate God's principle of submission to authority?

So, even the great prophets, apostles, and writers of the Bible (including the writer of Romans Chapter 13) understood that human authority—even civil authority—is limited.

Plus, Paul makes it clear that our submission to civil authority must be predicated on more than fear of governmental retaliation. Notice, he said, "Wherefore ye must needs be subject, not only for wrath, but also for conscience sake." Meaning, our obedience to civil authority is more than just

“because they said so.” It is also a matter of conscience. This means we must think and reason for ourselves regarding the justness and rightness of our government’s laws. Obedience is not automatic or robotic. It is a result of both rational deliberation and moral approbation.

Therefore, there are times when civil authority may need to be resisted. Either governmental abuse of power or the violation of conscience (or both) could precipitate civil disobedience. Of course, how and when we decide to resist civil authority is an entirely separate issue. And I will reserve that discussion for another time.

Beyond that, we in the United States of America do not live under a monarchy. We have no king. There is no single governing official in this country. America’s “supreme Law” does not rest with any man or any group of men. America’s “supreme Law” does not rest with the President, the Congress, or even the Supreme Court. In America, the U.S. Constitution is the “supreme Law of the Land.” Under our laws, every governing official publicly promises to submit to the Constitution of the United States. Do readers understand the significance of this distinction? I hope so.

This means that in America the “higher powers” are not the men who occupy elected office, they are the tenets and principles set forth in the U.S. Constitution. Under our laws and form of government, it is the duty of every citizen, including our elected officials, to obey the U.S. Constitution. Therefore, this is how Romans Chapter 13 reads to Americans:

“Let every soul be subject unto the [U.S. Constitution.] For there is no [Constitution] but of God: the [Constitution] that be [is] ordained of God. Whosoever therefore resisteth the [Constitution], resisteth the ordinance of God: and they that resist shall receive to themselves damnation. For [the Constitution is] not a terror to good works, but to the evil. Wilt thou then not be afraid of the [Constitution]? do that which is good, and thou shalt have praise of the same: For [the Constitution] is the minister of God to thee for good. But if thou do that which is evil, be afraid; for [the Constitution] beareth not the sword in vain: for [the Constitution] is the minister of God, a revenger to execute wrath upon him that doeth evil. Wherefore ye must needs be subject, not only for wrath, but also for conscience sake. For this cause pay ye tribute also: for [the Constitution is] God’s minister, attending continually upon this very thing. Render therefore to all their dues: tribute to whom tribute is due; custom to whom custom; fear to whom fear; honor to whom honor.”

Dear Christian friend, the above is exactly the proper understanding of our responsibility to civil authority in these United States, as per the teaching of Romans Chapter 13.

Furthermore, Christians, above all people, should desire that their elected representatives submit to the Constitution, because it is constitutional government that has done more to protect Christian liberty than any governing document ever devised by man. As I have noted before in this column (See: http://www.chuckbaldwinlive.com/c2005/cbarchive_20050630.html), Biblical principles form the foundation of all three of America’s founding documents:

The Declaration of Independence, The U.S. Constitution, and The Bill of Rights.

As a result, Christians in America (for the most part) have not had to face the painful decision to "obey God rather than men" and defy their civil authorities.

The problem in America today is that we have allowed our political leaders to violate their oaths of office and to ignore, and blatantly disobey, the "supreme Law of the Land," the U.S. Constitution. Therefore, if we truly believe Romans Chapter 13, we will insist and demand that our civil magistrates submit to the U.S. Constitution.

Now, how many of us Christians are going to truly obey Romans Chapter 13?
