

The Present Antichrist By Rev. Fred J. Peters – Part 2

According to the Bible, which of the below is the Antichrist likely to look like?

The Antichrist evidently was to be characterized by the deepest kind of satanic working, with much deception and apparent miracles. They were to be lying wonders not real wonders.

The Present Antichrist By Rev. Fred J. Peters

One of the crying needs of today is to popularize the prophetic teaching of our Great Reformers. The growth of Roman Catholicism in Protestant lands by immigration, and its bid for popular leadership, and the audacious canvass of Protestants all over our land by the priests, for money to build their churches and schools and sustain their propaganda, causes us to ask why

Protestants have lost their Protest.

Rome Stoops to Conquer Chapter IV. Public
Safety

To assume authority in the name of Public Safety has characterized from earliest times most forms of revolt, and it was in the name of Public Safety that the Catholic hierarchy of America launched their attack on American morals in the summer of 1934.

Rome Stoops to Conquer Chapter III.
Winning The Worker

The papal encyclical "Quadragesimo Anno" made a timely appearance. It was completed in May, 1931, and placed in the hands of the American bishops as an instrument of propaganda. It is an astute document, capable of being

interpreted in a liberal sense; capable also of being employed as a check to radicalism. It enfolds splendid shibboleths and a few fiery phrases to arouse labor to a sense of the "progressiveness" of Rome. On the other hand, it is drawn up with an eye to conserving all the important interests of capital. It is both liberal and conservative; profound and platitudinous; practical and too general for application. It is called, for the purposes of Catholic propaganda, "a charter of freedom for the worker," but in reality it is a sheet anchor for the old social order of capitalism and competition.

Rome Stoops to Conquer Chapter II. Catholic Action

Catholic Action has become an instrument of social power which obtrudes itself daily on the notice of the public. In America it is a force that has to be reckoned with; a force that is applied here, there and everywhere.

Rome Stoops to Conquer, by E. Boyd Barrett

Does the Church intend, should the power be hers, to change and modify the Constitution? Does she mean to discard the American principle of the separation of Church and State? Does she aim at being the established church of the United States? One cannot doubt, in view of the present Pope's teaching, which indeed is simply the reiteration of age-old Catholic doctrine, that the answers should all be in the affirmative.

[The Enigma of The Jesuits by J.J. Murphy](#)

ROMAN CATHOLICS will not believe how much their own church has been opposed to the Jesuits, and think that anti-Jesuitism is the product of Protestant intolerance. They do not know that the Jesuits are a faction in their church that has sought for centuries, against the bitterest opposition from Catholics, to completely dominate the policies and practices of Roman Catholicism.

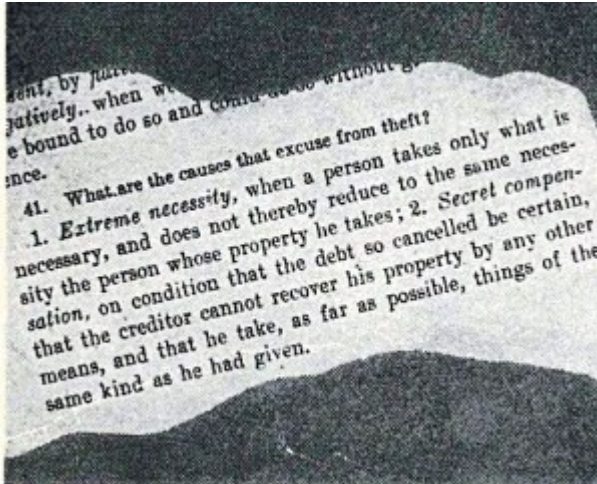

[Why You Should Remain A Protestant – by L.H. Lehmann](#)

The Protestant Reformation has brought great blessings which have been passed on to you today in America. If Protestants are misled, as many are being misled today, by the false claims and clever propaganda being spread amongst

them by Roman Catholic campaigns, then these blessings in the spiritual and the social order will not be passed to your children after you.

Catholic Education and Crime

During the first four months of 1948, 64 per cent of the juvenile delinquents in Children's Court were Catholic. How grave an indictment of the Roman Catholic church this is may be judged from the fact that Only about one-fifth of the total population of New York City is Roman Catholic!

The Catholic Church vs. The Public Schools

THE ROMAN CATHOLIC church authorities apply to themselves in the most literal sense the words of Jesus Christ, "All power is given to me in heaven and on earth." They claim supreme and unquestionable power over the intellectual, social and moral lives of all men both as individuals and as nations.

The Jesuits' New World Order by Darryl Eberhart

Darryl discusses the Vatican in politics today with the numerous Military Orders or Knights who fill government positions, as well as the corporate world, often called the new world order.

The Priest, Purgatory, and the Poor Widow's Cow

Charles Chiniquy's negative experience with a Catholic priest who took away the family cow as payment for a Mass.

The Papal System – XLI. Conclusion

The popes have erected a vast temple, in which they have enthroned the Roman Dagon; it has mighty walls, and many worshipers; and TRUTH, like Samson, will hurl that temple from its foundations, and fling its fragments into the abyss.

The Papal System – XL. The Jesuits

Never in the annals of the world has there been a body of men so small and yet so much dreaded. No warriors, no sect, no organized body of similar proportions has been credited with such numerous and, vast undertakings, or greeted with such continued showers of curses and bitter dislikes.

[The Papal System – XXXIX. The Four Great Founders of Monkish Institutions](#)

In the second century some began to accept the doctrine that to give up business, society, and matrimony, and lead a solitary life, in meditation and prayer, was the holiest earthly state.

[The Papal System – XXXVIII. The Scriptures](#)

What a strange sight the Church of Christ presents, in banishing the Bible from her schools, colleges, and churches! This is not the Church of Jerome, who spent so much time and toil in perfecting and translating a Bible in the vulgar tongue. *Nor of the early fathers, who made translations for every country where the gospel was received.* The Church of the Bible-haters, which has burned Bibles and those who translated them, and myriads who read them, had no representatives in Christ's day, nor for centuries afterward.

The Papal System – XXXVII. The Inquisition

The true motive for the establishment of the inquisition by Ferdinand V. was to carry on a rigorous system of confiscation against the Jews, so that their wealth might be seized for the royal treasury.

Catholics Who Were Worthy Of All Honor

We have known true men among Roman Catholics, and women of honor and kindness, for whom our respect was spontaneous, and our friendship real. We have met them in humble life, and we have seen them elsewhere. And we have often found them good citizens, and kind friends. Our trouble is with their religious system, not with them; and with their leaders, who would use that vast network—the Romish scheme—to destroy the Protestant religion, and the liberties of men.

The Papal System – XXXV. Hymns, And Those Who Composed Them

In the ancient churches psalmody (singing of psalms in worship) was quite as prominent as it is in the worship of Christ now; the praises and gratitude of the devout worshiper reached heaven in holy melodies sung with fervor and rapture.

Israel's Role In The Last Days

The rabbis thought the prophecies centered around them. And Jesus said, the prophecies center around me. And the rabbis weren't willing to accept that, so they crucified him. That's why the elders, the chief priests, the scribes, the teachers of the law, pressured Pontius Pilate to put Jesus to death, because they had a fundamental misunderstanding of prophecy.
