Noise of Thunder Radio Show: Kamala, Walz & Islam

After listening to ABC's unfair support of Kamela Harris and their obvious bias and false "fact-checking" of Donald Trump's statements during the Harris — Trump debate, I felt led to share what Christian J. Pinto of the Noise of Thunder Radio Show has to say about the liberal media and the Democratic Party. It's an hour-long audio with lots of information you don't want to miss! My wife and I usually listen to Noise of Thunder Radio at night just before bedtime.
