

Australian Aboriginals Hunted by MILITARY, Children Vaccinated by FORCE Against Parental Wishes!

Stew Peters: Alright, so I just saw this video, which shook me to the core. I'm about to show it to you. And this is what I'm going to say right now before I show you this video. All of you Hollywood actors, musicians, so-called celebrities, NBA, NFL football players, all of you people of influence with big platforms, put down the Courvoisier (brand of cognac) for a second, okay?, take off the Prada shades, get out of the Ferrari, and take a look at this video. All of you lawmakers, politicians, so-called elected representatives. Take a look at this video.

I told you we're tracking what's going on in Australia right now. There are all kinds of reports all over the internet of Aboriginal people being chased down hunted like wild animals by their own government by their military. Kids are being chased by the military personnel, tackled to the ground, pinned down and forced jabbed with syringes, needles, with syringes filled with this bio-weapon that you people are calling a vaccine.

Okay, we're not having the vaccine debate here, whether or not this is a vaccine or a bio-weapon. But there is under no circumstances should it be tolerated by the United States of America, the only superpower left on the planet that this is happening to somebody in their country, an allied country, a Western country with a democracy that up until recently has been formed, very similar to our system here in the United States. Watch this video.
