

# The Jesuit Connection to the Founding of the United States of America

What I was taught from a baby up, is quite contrary to what the historical facts actually tell you. And when you read it from the Roman Catholic standpoint, then you are absolutely getting the truth of what really took place. And at the time when all of this was going on, it was one of the most incredible, tight secrets of all ages, so that nobody really knew what was going on except the very ones that were at the top, that were involved in it.
