

Japanese Doctors Warn About the Side Effects of the COVID-19 Vaccines

This is a transcript of a press conference called by Japanese physicians. Throughout the decades when I lived in Japan, it's been my observation that most Japanese are honest people and are not easily deceived by the media. When they encounter difficulties, they'll do an honest investigation of the problem and won't be easily swayed by others.

We are the General Incorporated Association of the Vaccine Injuries Study Group. We now have this press conference to report on the results of our study since its establishment. My name is Takeguchi, and I will be moderating the conference.

First of all, I would like to take this opportunity to express my condolences to those who have passed away due to health issues after receiving the COVID-19 vaccine. Furthermore, I extend my best wishes to those who have suffered health issues and those who are currently struggling with symptoms.

A systematic review of the literature has revealed some surprising facts. Thousands of papers have reported side effects after vaccination, which affect every organ without exception, ranging from ophthalmology (the diagnosis and treatment of eye disorders) to general medicine, to psychiatry. We have compiled this information into a paper that was published yesterday.

These documents have been preliminarily investigated by a group of volunteer physicians. They saw how many cases have been reported by Japanese academic societies. This kind of reporting on drug side effects or the like is unprecedented.

As my specialty is cancer, chemotherapy drugs are plagued with side effects, but the patterns are known and predetermined. The patterns of side effects caused by this (COVID-19) vaccine are not determined. They can occur throughout the body. Multiple diseases can occur simultaneously. Doctors have never seen such a thing. This is the candid opinion of the medical profession.

Japanese doctors are also trying hard, but they face various obstructions. There's this sentiment of 'Why report something like vaccine damage?' There are interferences in reporting. Such actions themselves hinder academic freedom, and in some academic departments, censorship is taking place such as in conference presentations and publications of academic papers. This is happening globally. Some journals are effectively practicing censorship.

We are working on a paper that is expected to be published soon. Once published, we will be able to report in detail. For example, the age-adjusted mortality rate for leukemia has increased, and there are significant findings of breast cancer, ovarian cancer, and so on. We will share the relevant information with everyone as we advise and request the government on how to proceed.

Next, Prof. Yasufumi Murakami, the director in charge of the testing method development working group, will explain the progress of the test development and future outlook.

Prof. Yasufumi Murakami: Thank you, everyone. One thing I want to say initially is that it is clear how the adverse effects occur, which is still having many victims today. **I believe the vaccine should be stopped immediately.**

The mechanism by which adverse effects occur is well understood; **the spike [protein] is toxic.** It's very clear what happens when you administer a toxic gene to a human. Another point is that the Lipid nanoparticles, they are also toxic.

The major problem is that we are injecting two toxic substances into people, one of which is that human cells are producing spike proteins. Since the immune system will attack this, it causes very violent reactions. Some cases occur within one or two weeks after injection, but there are also many cases that appear after one or two years.

Additionally, there is indeed such a thing as good and bad antibodies in humans, and an antibody called IgG4 actually suppresses immunity. Usually with vaccines, if an IgG4 antibody is induced, it is considered a failure. However, with the current messenger-type vaccines, a significant amount of IgG4 is being induced. When this happens, it plays tricks on various immune functions. Therefore, we want to thoroughly investigate what ratio of Japanese people are experiencing this. We aim to carefully examine what level of IgG4 reacts with the spike protein that is present in each individual.

Of course, the problem is, we already understand these factors. Vaccines that have failed are still being administered, and the Ministry of Health, Labour and Welfare recognizes these failed vaccines. So I would like to stop them immediately, but even though I speak out against the vaccine in various places, they don't stop administering them at all. So we will clearly present evidence and publish it in articles one by one.

New speaker: So, we are working with Dr. Fukushima to create this database, and so far, about 201 types of diseases and 3,071 papers on side effects have

been reported. **It is unprecedented in human history for a single vaccine to have this much literature out on it.** With this, we plan to present it to the nation and the Japanese government in the form of solid science that no one can dispute.

In the next slide you will find diseases of the heart, kidney, thyroid, diabetes, liver, skin, eyes, blood, nerves, systemic diseases, brain, and lungs, diseases across all medical fields have been reported as Prof. Fukushima states. The characteristic of the side effects of this vaccine is that they occur simultaneously within entire families.

As for the data, when diseases such as those of the heart, kidney, endocrine, and liver occur simultaneously with the range in which they occur, a tremendous number of papers are reported with many pages.

New speaker: Mental disorders, psychiatric symptoms, depression, mania, and anxiety, came up in abundance. It's endless. It's about understanding why this is happening. That's why, actually, with broader keywords, for example, not just COVID-19 vaccines but also SARS-CoV-2, messenger RNA vaccines, and the like, when you separate it out into various keywords, more and more results come up. So this is just a part of it. Even with what Dr. Inoue introduced earlier, it's just a part of what has been done with the PubMed database. There are things that won't be caught by PubMed. So like "Creutzfeldt-Jakob disease (CJD)", it's not caught, next slide.

However, there are such peer-reviewed papers out there from Dr. Montagnier who discovered HIV and received the Nobel Prize. It's a persuasive paper. But it disappeared. He was cautious from the beginning.

About the spike protein sequence, within the genes, you know, he was warning that if there's a prion-like (pathogenic type of misfolded protein) sequence, it could be very dangerous. Many scientists were warning about it. I too said it could be hazardous because of the possibility of prions. I discussed it with prion experts.

So, if you inject the vaccine into the muscle, it will be taken up by the surrounding cells. People who know nothing about medicine and biology don't think about such specific things, which is why they say it's an mRNA vaccine. However, if you know biology and medicine, such specific things don't happen. That is what we call off-target. Out of control beyond the target. It doesn't know where to go. If it goes into the bloodstream, it goes to the brain, liver, and kidneys. What if it went everywhere? That's something people don't think about. This off-target problem hasn't been solved.

And even if that is solved, there are still many problems. Because these nanoparticles, which were inflammatory earlier, are environmental issues, especially plastic nanoparticles, which are the world's number one problem. They enter the brain. However, those who don't know anything say, "It's plastic, so it won't be digested, so it's okay to eat." They pretend to know, but it doesn't get digested. The person has no idea how toxic organic substances are attached to the surface of those plastic nanoparticles. So, with fragments of such knowledge, they exaggerate things and think they can

go with this. They say, "I know! This is good!" So, honestly, they need to go back and redo from middle school biology to high school and university entrance exams.

As I mentioned earlier, medicine is still immature. Basically, we don't understand much about the principles of life. Now, this kind of thing has happened, so, turning adversity into fortune, we should learn again here what happens instead of saying, "Go for it, go for it" with the vaccines. Well, it's like, ignorance is bliss. That's what this world is about. **Taking vaccines has become a kind of faith. Vaccines centers, they're like a weird cult. They're now basically fallen into an infinite hell.**

Simply thinking that things can be understood with fragments of knowledge is a mistake.

[The October 2023 Israeli Palestinian War](#)

The modern state of Israel is a creation of the Rothschild family and Hamas is a creation of Israel.

[What is the "Water as a Flood after the Woman" from the Mouth of the Serpent of Revelation 12:15?](#)

I believe the flood is a flood of lies.

When I was young, I would never have believed that my government would ever lie to me. When I was 18, if someone even suggested the government is lying about anything, I wouldn't have believed it. I would have thought the source was parroting some communists to cast doubt on the credibility of the government. I trusted what the authorities had to say. That was before I got saved by the Lord Jesus Christ and knew the truth of the Bible. I came to realize that the government isn't perfect. Governments are part of the world that Jesus Himself called evil.

John 7:7 The world cannot hate you; but me it hateth, because I testify of it, that the works thereof are evil.

John 17:15 I pray not that thou shouldest take them out of the world, but that thou shouldest keep them from the evil.

Galatians 1:4 Who gave himself for our sins, that he might deliver us from this present evil world, according to the will of God and our Father:

Please don't get me wrong. I believe governments are necessary. The heart of man is wicked. We need laws and law enforcers. Since I moved to the Philippines in June of 2023, I haven't heard of any local crimes. I see people leaving their motorcycles with the engines running. I see unlocked bicycles. I also see guards and law enforcers carrying guns and rifles! Jesus said in Luke 11:21 "When a strong man armed keepeth his palace, his goods are in peace:"

What I'm saying is we need to put our trust in the Lord most of all, base our thinking on the Bible, and not look to the government as our standard of morality. [A new law in California](#) forbids teachers from telling parents that their child is seeking to change his or her gender! School teacher Jessica Tapias lost her job for not obeying that law. I say to her, "Bravo!"

Christians should not obey authorities when laws are in violation of our morals and faith! We have a duty before God to protest evil to government authorities! Ecclesiastes 8:2 says, I counsel thee to keep the king's

commandment, and that *in regard of the oath of God*. We must not obey ungodly orders from the government that violate Christian morality.

Sad to say, all governments use propaganda to control their people. The 1994 Rwanda genocide of the Tutsi people would have not happened without the cooperation and complicity of the common people! Authorities told them to kill the Tutsis, and that's what they did. And the Catholic Church was complicit in the genocide but Pope Francis only [apologized for 23 years later in 2017](#)! And remember how the common German people were deceived by the wicked criminal Nazi government of Hitler. They believed Germany had a right to conquer and take over Europe. The same thing with the Japanese in World War II thinking they had a right to take over East Asia. They believed their emperor was a god and laid down their lives for him. Satan deceived them with a flood of lies which washed them away.

And of course, false doctrines and heresies abound in the world today. They are too innumerable to count. We must stay grounded in the Word of God lest we be led astray by something we hear on the news or social media. If you wondered why I'm not posting on this website everything I hear that sounds like an evil conspiracy, that's why. I'm going to stick with what I know to be true. There's a lot of disinformation on the Internet. Just remember how Alex Jones got in trouble for repeating falsehoods he heard about the Sandy Hook massacre.

Also remember, the government and medical facilities are not responsible for our health, we are! People vaccinated for Covid still became ill with Covid in spite of the fact the government said they would not if they get vaccinated. The governments of the world claimed the vaccine was "safe and effective" and yet I've heard many sad testimonials of vaccine injuries.

Doctors don't always give us the right advice. Doctors on Guam gave my wife Tess contradictory advice about the joint pain in her knee. A doctor in the Philippines gave her an expensive shot that did absolutely nothing to heal her chronic pain. We are seeking the Lord for what is best.

What Bible commentator John Gill has to say about Revelation 12:15:

John Gill (23 November 1697 – 14 October 1771) was an English Baptist pastor, biblical scholar, and theologian. He was also the first Baptist pastor to write a commentary on the entire Bible. His interpretation of the prophecies of the Books of Daniel and the Olivet Discourse of Matthew 24, Mark 13, and Luke 21 are in agreement with most of his contemporaries who held to the Historicist school of interpretation. Sad to say not very many Christians today know what John Gill and his fellows had to say. Their voices have been drowned out by John Nelson Darby's Futurism. Why would Darby be promoted over John Gill? Undoubtedly it was because of the insidious work of the Jesuit Order! The Jesuit's plan is to bring the "separated brethren" back to the fold of the Pope. Will you follow them? I'm not.

John Gill calls the water as a flood from the mouth of the serpent of Revelation 12:15 false doctrines and heresies:

As the words of a man's mouth are as deep waters, (Proverbs 18:4); and doctrines, good or bad, may be so called; that **flood of errors and heresies**, which were poured in between the times of Constantine and the rise of antichrist may be here intended; such as the **Arian heresy, which denied the divinity of Christ**; the **Nestorian heresy, which divided his person**; and the **Eutychian heresy, which confounded the two natures in him**; and the **Macedonian heresy, which took away the deity of the Holy Ghost**; and the **Pelagian heresy, which destroyed the grace of God**, and set up the power of man's free will: and this flood of errors and heresies may be truly said to be cast out of the serpent's mouth; since the old serpent, the devil, is the father of all lies, and errors: and the above heresies are the doctrines of devils, and damnable ones; and were designed by Satan to destroy the souls of men, and ruin the church.

What Bible commentator Matthew Henry has to say about Revelation 12:15:

Matthew Henry (18 October 1662 – 22 June 1714) was a British Nonconformist minister and author who was born in Wales but spent much of his life in England. He is best known for the six-volume biblical commentary Exposition of the Old and New Testaments.

This is thought to be meant of a flood of error and heresy, which was breathed by Arius, Nestorius, Pelagius, and many more, by which the church of God was in danger of being overwhelmed and carried away. The church of God is in more danger from heretics than from persecutors; and heresies are as certainly from the devil as open force and violence.

What Bible commentator Matthew Poole has to say about Revelation 12:15:

Matthew Poole (1624 – 1679) was an English Nonconformist theologian.

And the serpent; the devil, the old serpent, mentioned Revelation 12:9, being able no longer to execute his malice as a dragon, by the civil power of the heathen emperors, tearing Christians in pieces, but discerning the church secured by the special providence of God, went to work another way.

Cast out of his mouth water as a flood; corrupting the judgments of several persons, who, out of the abundance of error in their hearts, **preached corrupt doctrine**. Such were the followers of Arius, Nestorius, Eutyches, Pelagius, &c. The words of a man's mouth are as deep waters, Proverbs 18:4. The mouth of the wicked poureth out evil things, Proverbs 15:28.

That he might cause her to be carried away of the flood; on purpose **to ruin the church: and, indeed, such were the ill effects of these heresies**, that he who is but meanly versed in the history of the fifth age, will see reason to adore the providence of God, that the Roman emperors, upon the sight of them, did not again turn pagans, and add their force to the malice of these pretended Christians against the sincerer part of the church.
