

Lyndon B. Johnson Complicit with the Vatican and Jesuits in the Murder of JFK

U.S. Brigadier General Herbert C. Holdridge flat out accused Lyndon Johnson of working with the Jesuits to murder JFK! He wrote this in a letter to Carr Waggoner, Attorney General in the state of Texas, dated November 27th 1963 titled Complicity of Lyndon B. Johnson In the Murders of John F. Kennedy and Lee Howard Oswald

Lyndon B. Johnson Sworn in as POTUS With Hand on Catholic Missal

According to numerous websites, when Lyndon B. Johnson was sworn in on Air Force One by Federal Judge Sarah T. Hughes as 36th President of the United States on November 22, 1963, just 2 hours and 8 minutes after JFK was assassinated, Johnson's hand was not on a Bible, it was on a Roman Catholic Missal!

A Missal is a book containing all the prayers and responses necessary for celebrating the Mass throughout the year. I used to have one when I went to St. Florian's Catholic Church in Chicago.

Johnson swearing an oath of allegiance to the American Constitution with his hand on a Roman Missal is confirmed on <https://catholicism.org/lbj-sworn-in-not-with-hand-on-bible-but-on-catholic-missal.html> and on <https://www.praytellblog.com/index.php/2018/11/22/on-this-day-lbj-sworn-in-with-a-pocket-missal/> and on many other websites.

Is there any significance to this? I think it may be further evidence that the USA is run by the Vatican, and not by Jewish Zionist international bankers as some affirm. JFK had become hinderance to the Vatican's plan for global conquest. He was taken out by the CIA according to recent reports by Tucker Carlson, Megyn Kelly, and other notable journalists.

So what if there wasn't a Bible on Air Force One? In my opinion, just the fact Johnson didn't want to wait to get a Bible to be used for the swearing in ceremony shows his disregard for God, Jesus Christ, the Word of God, and American Christian tradition. He could have waited till they returned to Washington DC to have the ceremony. But no, he used a book published by the Church of Rome instead. Don't you find that incredibly disrespectful and even blasphemous? I do.

How many Americans know this? Even if they heard it before, how many remember it? I sure didn't.

Thank you to Christian J. Pinto for pointing this out on his [Noise of Thunder Radio podcast!](#)
