

The 13 Obelisks of Rome

Did you know there are exactly 13 obelisks in Rome? Eight are from ancient Egypt and five are from ancient Rome. An obelisk has to do with Egyptian sun worship. See <http://www.granddesignexposed.com/obelisk/meaning.html>

The first time the number 13 appears in the Bible is in Genesis 14:4 and it signified rebellion!

Twelve years they served Chedorlaomer, and in the **thirteenth** year they **rebelled**. – Genesis 14:4

Thirteen obelisks in Rome is yet another sign that the center of Satan's power is centered in Rome. The fourth Kingdom of Daniel 2 which is represented by legs and feet is Rome. Jesus is the Stone of Daniel 2:34 that smote the feet of the image and broke it to pieces. This indicates that **Rome continues to the very end up until the return of Jesus Christ!**

From Daniel chapter 2:

31 ¶Thou, O king, sawest, and behold a great image. This great image, whose brightness was excellent, stood before thee; and the form thereof was terrible.

32 This image's head was of fine gold (Babylon), his breast and his arms of silver (Medo-Persia, his belly and his thighs of brass (Greece),

33 His legs of iron, his feet part of iron and part of clay. (Rome)

34 Thou sawest till that a stone (Jesus Christ) was cut out without hands, which smote the image upon his feet that were of iron and clay, and brake them to pieces.

35 Then was the iron, the clay, the brass, the silver, and the gold, broken to pieces together, and became like the chaff of the summer threshingfloors; and the wind carried them away, that no place was found for them: and the stone that smote the image became a great mountain, and filled the whole earth.

The Washington Monument in Washington DC is an obelisk. There are ancient Egyptian obelisks which are called, "Cleopatra's Needle" in London, Paris and New York City. These are cities of finance and power.

The Washington D.C. – Rome Connection

"The best place to hide something is out in the open. Nobody ever thinks to look there." – [Robert Anton Wilson](#)

Did you know that "Capitol" was the name of Jupiter's temple in Rome? Did you know that word "obelisk" literally means "Baal's Shaft" or Baal's organ of reproduction. Baal of course is referring to Satan, the Devil.

Did you also know the Vatican in Rome has an obelisk standing in the middle of St. Peter's Square?

Quotes from Samuel Morse's book: FOREIGN CONSPIRACY AGAINST THE LIBERTIES OF THE UNITED STATES:

This Samuel Morse is the same person who invented the telegraph.

"If Papists conquered Rome, why may they not conquer America? Is it so utterly impossible that the next generation should witness the supremacy of Romanism that we can afford to fold our arms in ease? Possessing the balance of power between the two political parties, demanding favorable legislation as the condition of support, and wielding political power in some of our largest cities, **Popery is a foe whose giant strength it is folly to underestimate...**Under the banner of civil liberty Rome may possibly bind upon us the fetters of spiritual despotism."

"Tyrants, the more effectually to secure power, have ever professed

supreme regard for man's highest interests."

"That the Roman Church is nothing less than a conspiracy against Liberty, personal and national, civil and religious, we firmly believe. Being the twin sister to despotism, she ever has been, and is now, most bitterly hostile to freedom of conscience, freedom of press..."

"Nor has Romanism shown less hostility to another principle of our national life, **the separation of Church and State**...Almost every Pope for the last thousand years has pronounced it a '**damnable heresy.**'

This post is just a tiny scratch on the surface in the hope you discover the players in the conspiracy to create the New World Order or one world government talked about in the Book of Revelation, chapter 13.
