Genocide in Satellite Croatia Chapter VI. The Death Camps

That the conversions to Catholicism and the exterminations took place simultaneously, after a well-defined plan, is shown not only by the words and behavior of the priests and the members of Croatian religious orders, but by the promotions and grades which they accumulated: priest, officer and police agent, and there were large numbers of them from the very first day that the satellite Croatian State was founded.

Jesuit Hollywood

The influence of the Jesuits over Hollywood during its so-called “Golden Age”. Evidence of the way in which the Roman Catholic institution pursues its never-ending objective of conquering the world, in particular what could be called the “Protestant world”, by seeking to harness and make use of the most powerful entertainment medium the world has ever known: the movie industry.

The slaughter by Rome of fifty millions in the space of six hundred years gives a rate of upwards of eighty thousand every year. Had Rome but once, during her career, consigned eighty thousand human beings to destruction, a deed so cruel would have been enough to stain her annals with indelible infamy, and to confer on her a terrible pre-eminence in blood.

“Though heretics must not be tolerated because they deserved it, we must bear with them till, by a second admonition, they may be brought back to the faith of the Church. The system has been converted into a code. It exists, not as a body of maxims or principles, though in that shape its influence would have been great: it exists as a body of laws, by which every Romish ecclesiastic is bound to act, and which he is appointed to administer. This is termed CANON LAW.

The Other Woman Rome Rides Upon the Beast and Will Fall

The pope is the undisputed earthly god of Roman Catholicism. He is called, "God Upon Earth" and "Our Lord God the Pope," whose ex cathedra pronouncements on doctrine and practice are claimed to be infallible:

History of the Papacy Chapter IV. Rise and Progress of the Temporal Supremacy.

The most shocking example of spiritual blindness on the planet:
A billion people calling a man their "holy father" whom God calls "the man of sin".

"Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition; Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God." 2 Thessalonians 2:3-4

A crowned priest now sat upon the Seven Hills of Rome. To occupy a seat overshadowed by the loftier throne of the emperors would not satisfy the vast ambition of the pontiffs, and accordingly there was now commenced the struggle for the temporal supremacy.

he first pastors of the Roman Church aspired to no rank above their brethren. The labours in which they occupied themselves were the same as those of the ordinary ministers of the gospel.
