

Evidence of Jesuit authorship of the Protocols of the Learned Elders of Zion

The Protocols of the Learned Elders of Zion were written by Jesuits to deflect blame of the world's ills away from them and place them on the Jews.

The Grand Design Exposed Chapter 15 America's Occult Agenda – Unmasked

As Nimrod was the supreme super hero who out shone all other men 'put together' while living on earth – so his Sun-god position, glory and number was vastly superior to all other gods in the Zodiac, which sum number of the 36 lesser room gods added together is 666. In other words, 1+2+3+4 all the way including 36, when added together, equals 666.

The propaganda mills of Rome have always adeptly engaged themselves in besmirching England. And even more so of New England; that Puritan stronghold that forbid Catholics and their erroneous doctrines into their colony, which also stringently forbid the pagan celebration of Christmas. Puritans have been characterized as prudes, prigs and closed-minded, anti-sexual, anti-intellectual, anti-democratic, religious bigots and just about every other kind of demeaning adjective that would fit a social reject. Rome delights in picturing Protestantism as something ridiculous while Catholicism is portrayed as beautifully holy and pure.

Rome's screams and cries from England's horrible persecution against her saintly Jesuits defending their faith is enough to win over the most sensitive of all sympathetic ears. But – in doing so, one must disregard

completely –England’s Queen Elizabeth excommunicated by the pope, her subjects urged to rise up against her, the Spanish Armada, the Gunpowder Plot, the Inquisition, St. Bartholomew’s massacre, the Thirty Years’ War, the Irish massacre, and the Bible, and come back into the fold – the only and true fold – that guarantees mankind his eternal salvation. How nostalgic. With this kind of thinking it becomes understandable and generally accepted, the belief in the saying that, “the whole world loves a lie”. Certainly the whole world is ‘living’ a lie. And giving it just a little more time, will surely die in its lie.

Rome has very cleverly and masterly painted a picture of sweet innocence of having any involvement in the French Revolution. She, as a Church, is described as having been persecuted during the time, where her churches were closed or misused and priests terribly harassed. This one-sided truth which makes her appear as a victim of the times, along with being well hidden behind Freemasonry and the Illuminati, covers up her crimes with a near perfect alibi against any accuser.

The destruction of the Jesuit Order in 1773, was the first step in a series of events that was to launch Rome's calculated "Grand Design". Following the Jesuit suppression, three years later, in 1776, the Illuminati organization was founded by Jesuit Adam Weishaupt, declaring to the world its intentions for a "Novus Ordo Seclorum" or New Order of the Ages.

- Mixed success for Catholics, becomes Protestant majority and later Royal Colony

Canon Law: The Roman Catholic Church is the only and exclusive divine agency of spiritual welfare and of salvation. As such, the church by divine institution is a perfect society, autonomous and self-sufficient, endowed with sovereign, legislative, judicial, and coercive powers in spiritual and moral matters and in all temporal matters connected directly or indirectly with its spiritual and moral mission (Canons 100, 1322, 1553, 2214). Since the sphere of spiritual and moral life is higher than that of temporal affairs, canon law is above civil law and in cases of conflict should prevail over it.

Jesuits

In their Jesuit "Constitutions" it is repeated five hundred times that one must see Christ in the person of their Superior General. Thus with fourteen years of this intense brand of education, the Jesuit is prepared as the 'strike force' for the Roman Church.

The Grand Design Exposed Chapter 4 Martin Luther – A Man Used of God

By a recent decree, an indulgence had been promised by the pope to all who should ascend upon their knees "Pilate's staircase", said to have been descended by Christ on leaving the Roman judgment hall, and to have been miraculously conveyed from Jerusalem to Rome. One day Luther was devoutly climbing these steps, when suddenly a voice like thunder seemed to say to him, "The just shall live by faith". (Romans 1:17) He sprang to his feet, and hastened from the place, in shame and dismay. That text never lost its power upon his soul. From that time he saw more clearly than ever before the

fallacy of trusting to human works for salvation, and the necessity of constant faith in the merits of Christ.

The Grand Design Exposed Chapter 3 Rome – Implacable Enemy of God's Truth – Reason for Reformers' Cries

Rome, from its earliest history, has always been the implacable enemy of God's truth, from its decree to crucify Jesus Christ, to sending early Christians to their deaths in the coliseum arena of ravenous lions. It was that same 'Sun' worship system of religion, that had been originally concocted in Babylon. Anciently, it had come to Rome in fragments and was known historically as Pagan Rome. But later, as the Imperial Roman Empire collapsed and Papal Rome took its place, Babylonian Sun Worship manifested itself in an almost pure and radical form. And even though today it has lost the power to have one executed for not conforming to its doctrines, it is still the same, and is called the 'Roman' Catholic (universal) Church.

The Grand Design Exposed Chapter 2 The Knights Templar Paves Way For Protestant Reformation

Very interesting history about Knights Templar, what they did, why they were unjustly persecuted, and how they sowed seeds of discontent against the Church of Rome.

Without question, the world today is in quite a predicament. Certainly, never before in the history of our planet, has it ever been so greatly stressed upon mankind's consciousness the overwhelming ills that are facing our world. The urging of these continued reports seem to leave us in no doubt, that if we as a world, do not get our act together, it may be too late. The fact is, they tell us, that our world is facing a crisis hour, approaching its final destiny. We must act 'universally' now, if we are to avert a world-wide catastrophe. So they say.

The Divine Programme of The World's History Chapter VII. The Christian Programme – Part V. The Apocalyptic Section of the Programme

This last book of the Bible consists almost entirely of an apocalypse of the future; that is, of what was future in the days when Domitian was reigning in Rome, and John suffering under his cruel tyranny in the lonely island of Patmos.

The Divine Programme of The World's History Chapter VII. The Christian Programme – Part IV.

The Apostle John represents this apostate Church as corrupting the nations of the earth, and its head as ruling over them. He represents the *woman* as sitting upon “many waters,” and the angel explains that the waters are “peoples and nations.” He represents her also as sitting on and upborne by the Roman beast—another expression of the same thing.

The Ecumenical Return to Rome Movement Exposed

Not too many years ago, some evangelical Protestants got together, Chuck Colson and some others, Bill Bright and some others, and they met with some Roman Catholics and they came up with a document called "Evangelicals and Catholics Together." And in that document they celebrated a common faith and a common mission. They said we need to embrace each other and carry out this gospel mission together. This was shocking, to put it mildly, to many – to all of those people who affirm clearly a Biblical gospel.

C. S. Lewis: A Bridge to Rome

"I have therefore no difficulty accepting, say, the view of those scholars who tell us that the account of Creation in Genesis is derived from earlier Semitic stories which were Pagan and mythical." (Reflections On The Psalms, p.110).

C. S. Lewis
1898-1963

In my research to try to figure out how Protestant theology has become corrupted and influenced by Roman Catholic dogmas, I have realized influential authors are part of the reason. C. S. Lewis is certainly an influential author and is acclaimed by Protestant evangelicals. But some things he wrote make me wonder if he really based his faith in the Word of God and the Jesus of the New Testament.

"It is Rome who wants to rule and degrade the North, as she has ruled and degraded the South, from the very day of its discovery. Several members of the family of Jeff Davis belong to the Church of Rome..." – Abraham Lincoln

Since the life, death, and resurrection of Jesus Christ, the ultimate triumph of the seed of the woman has, in spite of all appearances to the contrary, been a settled question; and the final issue becomes continually clearer in the light of the actual course of mundane events.

Rome Stoops to Conquer Chapter IV. Public
Safety

To assume authority in the name of Public Safety has characterized from earliest times most forms of revolt, and it was in the name of Public Safety that the Catholic hierarchy of America launched their attack on American morals in the summer of 1934.
