Christians who support Israel have been deceived by false teachers of God's Word! God's promise to the children of Israel was contingent on their obedience.

## [Is the Great Tribulation of Matthew 24 an End-time Event?](#)

I've covered in other articles how the Olivet Discourse in Matthew 24 has been falsely interpreted to be an End-time event by most evangelicals today. However, because I kept hearing false interpretations about it from people close to me, I felt the need to write something short and thought-provoking to try to lead my fellow brothers and sisters to a deeper and correct understanding of what Jesus was saying to His disciples. I hope to convince you from the Scriptures alone that the Great Tribulation He spoke of in Matthew 24 is *NOT* an End-time event.

The Olivet Discourse is the prophecy Jesus gave His disciples about the destruction of the Temple and Jerusalem in Matthew 24, Mark 13, and Luke 21. Evangelicals today interpret Matthew 24 to be an End-time event. And why? Because the Scofield Reference Bible says so! They don't compare Matthew 24 with Mark 13 or Luke 21, for if they did, they might understand that *most* of Matthew 24 is talking about the destruction of the Temple and Jerusalem by the Roman army in 70 AD.

In case you are a new babe in Christ and are unfamiliar with what evangelicals teach about Matthew 24, just do a Google search with the words *Matthew 24 End time prophecy* and see the number of hits.

I would say 12,200,000 hits indicate that most Christians today believe the Olivet Discourse in Matthew 24 is an End-time event.

I want to make it clear I didn't come to a good understanding of the Olivet Discourse of Matthew 24 on my own. Commentaries by other men of God, especially by Bible scholars who lived in the 18th century and earlier helped me greatly. They were men who lived before John Nelson Darby taught Jesuit futurist eschatology in the 19th century which was promoted by the Scofield Reference Bible and the Dallas Theological Seminary in the 20th century.

Let's start this condensed study of Matthew chapter 24 with verse 15:

Matthew 24:15 When ye therefore shall see the **abomination of desolation**, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:)

What Scripture spoken of by Daniel was Jesus referring to? The second half of Daniel 9:27 says:

... and for the **overspreading of abominations he shall make it desolate**, even until the consummation, and that determined shall be poured upon the desolate.

What is this talking about? Who uses abominations to make what desolate? Luke who wrote his Gospel to the Greek Gentiles who had not read the prophecy in the book of Daniel defines the abomination of desolation in Luke 21:20 as:

And when ye shall see *Jerusalem compassed with armies*, then know that the desolation thereof is nigh.

The Roman army was an abomination to the Jews! What do armies do to their enemies' territory? They desolate it! They destroy as much as they can to defeat their enemy. That's what happened when the Jews rebelled against the Roman government. By 70 AD the Roman army destroyed the Temple and Jerusalem and killed over one million Jews in a relatively short time.

Matthew 24:1-2 And Jesus went out, and departed from the temple:

and his disciples came to him for to shew him the buildings of the temple.

And Jesus said unto them, See ye not all these things? verily I say unto you, There shall not be left here one stone upon another, that shall not be thrown down.

Do you see how the beginning of Matthew 24 is clearly referring to the destruction of the Temple? History tells us the "he" of the second half of Daniel 9:27 was General Titus who led the Roman army. According to Josephus, he didn't want to destroy the Temple at first, but his soldiers were so angry toward the Jews Titus couldn't control them.

Matthew 24:16 Then let them which be in Judaea flee into the mountains:

Just ask yourself, if Matthew 24 is supposed to be an End-time prophecy of great worldwide tribulation of all the peoples of the earth (who according to Scofield missed the rapture) *why* would Jesus specify Judaea? And why would Jesus use the verb "flee"? Flee from what? Flee from the End-time Beast who controls the entire earth? Flee where? If you live in the Great Plains of the USA there are no mountains to flee to. I submit to you therefore this prophecy only makes sense when applied to the followers of Christ who saw the [armies of Rome invade their homeland of Judea in 66 AD when the armies of Rome first approached to stop the Jewish revolt against the empire.](#)

Matthew 24:20 But pray ye that your flight be not in the winter, neither on the sabbath day:

If this is an End-time prophecy that will affect the entire world, *why* would Jesus tell his disciples that? If it's winter in the Northern Hemisphere, it's summer in the Southern Hemisphere. And why pray their flight from danger is not on the sabbath day? Because the gates of Jerusalem and other cities in Judea are *closed* on the Sabbath day! The believers wouldn't be able to leave the cities they are living in on the Sabbath day! I submit to you therefore the prophecy of not talking about the End-time but was specific to the followers of Jesus living in Jerusalem and Judea just before the invasion of the Roman armies the time of the [first Jewish revolt that started in 66 AD.](#)

Matthew 24:21 For *then* shall be **great tribulation**, such as was not since the beginning of the world to this time, no, nor ever shall be.

Verse 21 is where evangelicals get the words, "great tribulation." But is that what the other two synoptic Gospels call it?

Mark 13:19 For in **those days shall be affliction**, such as was not from the beginning of the creation which God created unto this time, neither shall be.

Luke 21:22 For these be **the days of vengeance**, that all things which are written may be fulfilled.

Days of affliction on whom? Days of vengeance on whom? On the Jesus Christ-rejecting Jews who did *NOT* flee Jerusalem and Judea! The followers of Christ who believed the prophecy Jesus gave on the Mount of Olives obeyed Him and were not in Jerusalem or Judea at the time the Roman armies were crucifying the Jews. They left and camped out somewhere in the mountains where they were safe from attack.

Matthew 24:22 And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened.

What can this mean if the followers of Jesus were safe from attack by the Romans? I think it's logical to say they were fighting for survival in the mountains with limited resources. The Lord therefore shortened the days of the Roman attack so they could go back home. What do you think? It sure makes sense to me.

This is not to say Bible believing followers of Jesus Christ will not face tribulation and persecution in the End-time. No matter who wins the US presidential elections this coming November, half of the country is going to be mad! The US may erupt in a civil war. Insiders like [Bill Gates even predicted one!](#)

Jesus did promise His followers tribulation.

John 16:33 These things I have spoken unto you, that in me ye might have peace. *In the world ye shall have tribulation*: but be of good cheer; I have overcome the world.

I was taught we can KNOW EXACTLY how long that End-time tribulation will last, and I don't believe that anymore. My Bible teachers were influenced by the doctrines of dispensationalism that Darby and Scofield taught, doctrines that put Israel, not Jesus Christ, at the center of End-time prophecy. Dispensationalism AKA Futurism says that a future Antichrist will tribulate the world for 7 years just before the return of Christ. Some say only 3 and a half years. But both these doctrines are based on a false interpretation of the [70th Week of Daniel, something I wrote extensively about](#) on this website.

Christians from the very beginning have suffered persecution and tribulation

by the Roman Beast (government) and yet many American Christians think they will be raptured out to Heaven just before the Antichrist rises! The Antichrist has been around for a long time now! How long? I would say from the time Constantine made Christianity the State Church. That was the Devil's change of plans. He saw persecution by pagan Rome only made the Church grow. By making Rome officially Christian, when the government persecutes believers, it's no longer called persecution of Christians, it's called persecution of *heretics!*

So what will happen? One researcher I know of says Donald Trump will win in November, defeat the evil Left, and bring to America a new era of peace and prosperity based on Christian principles, what some people call "Christian Nationalism." It will seem very good at first, but the Jesuits will be controlling it at the top and lead the government to persecute anybody they don't like, especially the Bible believers. This can't happen under the present US Constitution. Will there be a civil war that leads to the Constitution being revoked or amended? We shall see.

## [Five Things to Watch for in 2024](#)

This article is a partial transcription of an audio on Christian J. Pinto's [Noise of Thunder Radio program](#).

My wife and I like to listen to Chris Pinto. He's a solid Bible-believing Christian, a former Catholic like we were who is very knowledgeable about the Counter-Reformation and the evil-doings of the Jesuit Order. However, we don't agree with him about his support of Israel in the latest Israeli-Hamas war in Gaza. Of course, any nation has a right to defend itself, but the way Israel is bombing Gaza indiscriminately, bombing hospitals and churches, killing media personnel, women and children, is not what I would call "self-defense." I would call it war crimes, ethnic cleansing and genocide. According to the testimonials of former IDF soldiers, the IDF purposely left that part of the border with Gaza unguarded so that Hamas would invade and do what they did so Israel could have the excuse to do what they are doing now!

In Chris Pinto's 2004 documentary, Megiddo – The March to Armageddon (Adullam Films), he stated that the 1948 restoration of the State of Israel was the fulfillment of Bible prophecy. I sure don't agree with him on that. All the prophecies of the restoration of Israel back to their homeland in the book of Ezekiel were fulfilled by King Cyrus telling the Jews they could return to

their homeland if they wanted to. By the time of Christ, they were firmly settled back in the land God formerly gave them. In the documentary, I heard one Zionist preacher say, "If Israel is defeated by her enemies, you can throw your Bibles away!" Such a presumptuous and arrogant statement! It's outrageous for any Christian to say that! What people should say when things don't go the way they think the Bible says is: "My interpretation of Scripture must therefore be wrong! Does the Bible actually teach that doctrine? Or did I get it from some dispensational Christian Zionist preacher who got it from the Dallas Theological Seminary that got it from C.I. Scofield who got it from John Nelson Darby who got it from Edward Irving who got it from Jesuit Manuel Lacunza, a Roman Catholic who worked to undermine the Protestant Reformation? Yep, that's where I got it from, not from the inerrant Word of God."

All that being said, we like Chris Pinto's take on everything else.

## **Transcript**

Okay, praise the Lord you guys and welcome. I'm Chris Pinto. This is Noise of Thunder Radio.

Today on the show we are going to talk about five things to watch for in 2024. If you are an American, if you're a member of Western civilization, and I would argue if you are a God-fearing Bible-believing Christian, these are things you should watch for in 2024.

Now, why do I think this is important? Well, I think it's very important because society and the Western world and our country, the United States of America, if people are not aware of the danger, the rising danger that we are in the middle of right now, then you're just not paying attention, whoever you are, you're not paying attention. And it's why we have to pay attention to things like what happened to the countries of Western Europe during World War II.

I've mentioned on this program before, that one of my favorite foreign films is called KATYN, about the Katyn Forest Massacre based on actual events. It was a history I grew up hearing about from my grandfather Ziggy, Zygmunt Zadarowski, who I've talked about on the program before, who was a World War II veteran. His country, Poland, was turned upside down, practically overnight. There was a peace treaty declared by Hitler with Neville Chamberlain and so on. And so everybody's declaring, "Hey, we're all going to be at peace. Everything's going to be great!"

And then the invasion of Poland happened sometime afterward. And Poland, the people of Poland, were turned upside down overnight. And when you watch the beginning of that film, Katyn, you just watched the first five or ten minutes of it. And you've got all these civilians wearing ordinary clothing, just running. And they're carrying suitcases and bags, and they've got their young children. And why? Because their country's been invaded by the Nazis on one side and by the Communists on the other, the Soviets. And everything changed very, very quickly.

There's another film that was done not long ago by Angelina Jolie, called "First They Killed My Father" about the Khmer Rouge in Cambodia. I would recommend watching the first 15 minutes of that film because you see a family there at the beginning. And again, this is all based on a true story, based on a book written by a woman who was a young girl when all of this happened to her country. At the very beginning, you see a Cambodian family, but they are very Westernized. That's obvious that they were Westernized because of the way that they dress, the things that they're doing are very much like what goes on in the West. And then what happens is very rapidly, suddenly, everything changes. These guys with guns come riding in, and they're having a celebration briefly, and then right after them comes the Khmer Rouge, the Communists. And they were there, of course, for the killing fields of Cambodia. But everything changes in a moment. Everything's turned upside down. And they're told, pack your bags, get your things. Everybody's got to clear out of the city in 10 minutes. I mean, it's very fast.

And you see it at the very beginning when the Khmer Rouge come in, one of the first things they do is gather everybody's guns. Everybody's firearms. They disarm everybody. And of course, you're wondering as an American, if you're an American, you're watching this happen and you're thinking, "Why didn't anybody resist these guys? Why didn't anybody try to fight back or whatever?" But for whatever reason, they did not. They allowed themselves to be disarmed. They allowed themselves to be rounded up and then taken on a forced march and everything went downhill from that point onward.

So what's happening in our country right now with things like this massive flood of illegals coming into our country? I mean, this is unheard of. It's unprecedented. What's happening? We've never had anything like this happen in our history, where there's a massive flood of illegal criminals jumping the border. Meanwhile, we've got politicians like Nikki Haley, who claims she's some kind of Republican and some kind of a patriot, but she's saying it's wrong to call them criminals because supposedly they're just coming here for a better life. That is what we're told, even though the guys that work down there will tell you in a hot minute that most of those coming across the border are fighting-age men. They're not necessarily women and children. Very, very few women and children, mostly fighting-age men, and thousands, who knows how many thousands, of Islamic jihadi are crossing the border.

All right, so these are not in any particular order. The five things to watch for in 2024.

### **Number 1: The After effects of illegal immigration**

But since we've already introduced the idea, I'm going to say number one is the aftereffects of illegal immigration. And it's already started. We've been hearing stories, but here's one of the latest. This is published on a number of different websites. I'm just going to read a few lines from the Geller report, Pamela Geller's website, where it says New York City students are forced to go remote as the city houses migrants in schools. So in New York City, they are now putting the kids out of their public schools. Kids can't go in the schools now because they are making room for the illegal immigrants. We've already heard stories about them doing this at the hotels.

People can't check into the hotel because they're putting all these illegal migrants into the hotels. The government is doing it at taxpayer expense.

All right, so here's just a part of this story.

Quote, "Students at a Brooklyn high school were kicked out of the classroom to make room for nearly 2000 migrants who were evacuated from a controversial tent shelter due to a monster storm closing in on the Big Apple."

And then you've got people complaining about it. People are saying things like, "They're not vetted. A lot of them have criminal records and backgrounds and we don't even know." The people in New York are obviously very concerned about this. And this is going to reach a breaking point at some point. I think New Yorkers are going to decide that they've had enough.

This massive inflow of illegals is just going to make things worse. And we've got repeated warnings from people who work on the border, people like Doug Thornton, who I interviewed, many of you heard that interview. If you haven't heard it go to our website at [noiseofthunderradio.com](http://noiseofthunderradio.com) and look in the archives back a couple of shows and you can listen to it. Very, very important interview. But they've been warning that there will likely be another 9-11 type event. This is what the guys down on the border are saying, the guys who I think are loyal patriots. They're warning because they're watching thousands upon thousands of illegals who are coming from the Middle East, who are Muslims, who are Islamists, rushing into our country, unvetted. And they believe that these guys have an agenda. It's just a matter of time. That's why it is important to pay attention to, at a variety of levels, the aftereffects of illegal immigration.

Now, I want to play very quickly and then we're going to move on to the number two issue. Right now we're talking about illegal immigration. I want to play this audio. This is from Joe Biden. This is Joe Biden even before he became president, before he was installed in the White House, talking about the massive flood of immigrants into our country. Listen.

"Folks like me who were Caucasian of European descent, for the first time in 2017 will be an absolute minority in the United States of America. Absolute minority. Fewer than 50% of the people in America from then on will be white European stock. That's not a bad thing. That's a source of our strength."

So that again was a video featuring Joe Biden. This is back when Biden was vice president. This was in 2015. It's a C-SPAN video.

And sitting right next to Biden, of course, is another Jesuit, Mayorkas. If you don't know that Mayorkas is a Jesuit, yes, he is also a Jesuit. And what they're doing is we're going to show you in our new film, American Jesuits, which yes, folks, we are still pushing and working to get this project completed. But the information is so important. It is impacting what is going on in our country right now. This massive flood of immigrants into our country. This is part of the Vatican's plan has been for more than a hundred years. And we're going to show it to you. And it's happening right now. We're sitting here watching the fulfillment of what we were warned about back in

the 1800s.

## **Number 2: The rise of Islam in Europe and North America**

Number two, we're going to say the rise of Islam in Europe and North America. And this, I think, is a very good segue because Islam and immigration, both legal and illegal immigration into the West, is something that is becoming an increasing problem.

I want to play now some audio. This is from FBI director Christopher Ray. Christopher Ray, let's go to the person who's seen as the senior source in our government on this. And this is Christopher Ray with the FBI warning about the potential for Islamic terror attacks on American soil. Listen.

"The reality is that the terrorism threat has been elevated throughout 2023, but the ongoing war in the Middle East has raised the threat of an attack against Americans in the United States to a whole other level. But it's not just Hamas. As the world's largest state sponsor of terrorism, the Iranians, for instance, have directly or by hiring criminals mounted assassination attempts against dissidents and high-ranking current and former U.S. government officials, including right here on American soil, the cyber targeting of American interests and critical infrastructure that we already see conducted by Iran and non-state actors alike, we can expect to get worse if the conflict expands as will the threat of kinetic attacks.

Al-Qaeda issued its most specific call to attack the United States in the last five years. ISIS urged its followers to target Jewish communities in the United States and Europe. Hezbollah has publicly expressed its support for Hamas and threatened to attack U.S. interests in the Middle East. Here in the United States, our most immediate concern is that violent extremists, individuals or small groups will draw inspiration from the events in the Middle East to carry out attacks against Americans going about their daily lives."

All right, so again, that is and was Christopher Ray, director of the FBI. So that's about as official as a warning can get. But of course, that warning does not really come from him. It does. But it's something that loyal American patriots who are boots on the ground, who were eyes and ears down at the Mexican border and have been down there for years, this is something they've been warning about for years.

So that is certainly an important issue. The rise of Islam in Europe and North America. Now that's really a warning for North America and the United States in particular.

(Station break)

The documentary film, American Jesuits, is going to be very, very powerful, especially for people who know nothing about the Jesuits, they'll be able to have a very solid understanding of why the order is a danger both past and present. Because we bring things current. We bring things so current. And I'm going to talk more about this, but Vivek Ramaswami, we've just learned

Ramaswami is a Jesuit. But yes, he's Jesuit-educated. And we'll talk more about that as the show goes on. But anyway, we are going to show people why this is an important issue, why the Jesuits and the counter-reformation are important in our world today and why we as Christians living in America need to harken to the warnings from scripture, of wolves and sheep's clothing, and two, the many, many warnings of our ancestors for the past 200 years warning us about the Society of Jesus, the so-called Society of Jesus, the Jesuit order.

Okay, so number two on our list is the rise of Islam in Europe and North America. In Europe, if you go to the RARE Foundation, R-A-I-R foundation.com, they've got a series of articles right now warning. There is a series of articles about thousands of German women raped by refugees since 2015. This is just in Germany. Now, we've talked about the rape gangs in England in the UK over the past 20 years. Reportedly, have assaulted and violated more than a million English girls, 11, 12, 13 year old girls over the past 20 years. And that number is now much worse. But they're saying that in Germany, two gang rapes happen per day against the women in Germany, two per day. You have in France on New Year's Eve, a disabled woman was violently beaten and raped in an elevator. That's one of the stories.

Another story is, weaponized prayer, Islamic displays of territorial dominance. Whenever you see those images of hundreds and sometimes thousands of Muslims bowing down in prayer in a public place, they go into cities like Paris, London, Rome, etc. where this article says, people have observed a uniquely Islamic display of dominance over the local population. This display has a veneer of religious observance as people are clearly engaged in Islamic prayer. However, since there are always mosques available or private spaces within which these observances could be done, one has to conclude that the purpose is clearly other than mere observance of Islamic prayer requirements.

So in other words, what they're saying is that the Muslims will deliberately go into public places where people normally are walking up and down the road and this kind of thing. And they will block everything with their Islamic prayer because it's one of the ways. It's kind of a form of intimidation and psychological warfare to say basically Islam is taking over. That's why they do it. And they're doing it in these cities all over Europe. Do you know that these Islamic street prayers are actually a confrontation and a statement? The Muslims are asserting their supremacy implicitly demanding that everyone else who wants to pass along the street has to accommodate them. This is a manifestation of the old Islamic dictum that quote, "Islam must dominate and not be dominated." Now, there's no question that this is happening. There's no question that it is that you've got millions of Muslims now in the United Kingdom and they are pursuing more and more acts of aggression so that Islam will eventually dominate England in the whole UK.

### **Number 3: World War III**

Okay, so that's two. Number three, in my opinion, World War Three, is kind of odd, you would think that would either be number one or number five, right? But we're just going to, we're going to make it number three, World War Three, the situation with Ukraine, Russia, and Israel. Notice what's

happening, you have all of these conflicts and these entanglements where the United States is being blamed by Russia for our support of Ukraine. And now we're being blamed by the Islamic element out there because of our support of Israel, the state of Israel.

#### **Number 4: The resurgence of COVID-19**

Okay, so number four, the resurgence of COVID-19, the resurgence of COVID-19. There are repeated warnings that they are going to try to bring back mask mandates, that they're going to try to bring back lockdowns and all this other kind of stuff. Illegal immigration should inform every American, of the fact that they brought in millions and millions of unvetted, untested people that they know are going to have various viruses and things like that. And the fact that they've exercised no caution at all about this should be everything that we need to know that an attempt, a future attempt at some kind of lockdown and social distancing and this kind of thing is all just a show. It's a sham. It's, about power and control.

If they were really concerned about the spread of viruses and this kind of thing, they would never allow millions and millions of unvetted people to come running across our border. They just would not allow it. But that's what should tell us that among many other indicators.

But yes, the resurgence of COVID-19, it is entirely possible that there will be COVID 2.0 and they're going to attempt to impose some kind of COVID tyranny. Now, we were warned about this last year that this was going to happen. And we didn't really see much of anything happen in the months that followed. We were warned that in the fall, beginning in the fall in November, December, here just a few months ago, that this was going to happen and it didn't happen. I think there is a lot of pushback and I think that Americans and freedom-loving people all over the world should continue to push back in a, you know, peaceful, protesting, exercising the First Amendment to the full extent so that the powers that be understand that society is not going to cooperate with all this lockdown stuff. And, if enough people are sounding the alarm and making noise, then it's very likely that these globalist powers will back down because they are somewhat pragmatic, I believe.

Of course, I believe the chief counselors are Jesuits. We're going to show you that in the new film because we're going to have a whole section on COVID-19 and the Jesuit order because the connections are undeniable, undeniable. But the Jesuits are very pragmatic, very pragmatic. So they'll back down. That doesn't mean that they're going to quit. Don't misunderstand. It doesn't mean that they're going to quit in terms of their globalist ambitions, but they'll sort of back off a bit because they don't want to push the envelope too far. That's what I think. I could be wrong. We'll have to wait and see. But yes, it's definitely something to look out for. The continued corruption of the medical industry for the purpose of using the medical industry for medical warfare against the people in our country, which I honestly believe is what's going on. Medical warfare, biowarfare, they're calling the vaccine a bioweapon. You've got people, a very official people calling the COVID vaccine a bioweapon.

So we've got to pay attention to this and be on the lookout in 2024. It'll be very interesting to see if more COVID tyranny rears its ugly head.

## **Number 5: The 2024 presidential race**

Now, the number five issue. That was the number four resurgence of COVID-19. Number five, the big issue is going to be the 2024 presidential race.

For the office of the president of the United States of America, there's no question that's going to become, I believe, I think, unless something catastrophic something or other that happens. I think the presidential race with everything going on with President Trump, everything going on with Joe Biden and all these candidates.

Nikki Haley is getting a lot of attention, but we think Nikki Haley is a globalist. We do not believe she is a true conservative Republican. And we think she's a globalist. And then you have Vivek Ramaswami, Ramaswami, who's getting a lot of attention, a lot of the conservatives seem to like him. And we've had a friend, in fact, Steve Matthews from the Trinity Foundation, who appears in our new film, forward to me, a story about Ramaswami that he graduated from St. Xavier High School. And what he is, St. Xavier High School won't remove Vivek Ramaswami from the Board of Trustees. He's not only a graduate, this is a Jesuit-run private high school in Cincinnati, or in the Cincinnati region, it says, won't remove the presidential candidate Vivek Ramaswami from its Board of Trustees. The board's chairman said Wednesday. Apparently, his conservative comments are considered controversial. Some of the St. Xavier High School alumni are calling for the school to oust Ramaswami from its 25-member board of trustees. So, bear in mind, he's not just a graduate of this Jesuit high school. He's not just an alumnus. He is a member of its Board of Trustees. So, he's, again, this is a more solid Jesuit connection. Lots of people graduate from their schools. Not all of them have this kind of close association. And of course, Ramaswami is a Hindu, and he has a Hindu view of Jesus, which quite frankly is perfectly acceptable with the Jesuit order because it all fits in with what they wrote and communicated in Vatican Council II.

Do I think Ramaswami would make a good president? He might be better than Joe Biden, but I still would not want to see him in the White House. He has a very clear Jesuit connection. He's being supported on the conservative side of things. I think he is a, you know, it's, it's kind of like the order is trying to control both sides of the argument. Some people say the same thing about President Trump because Trump went to Fordham University. He did not graduate from Fordham. He was only there for two years, and he left and went to a different university. I've never thought that President Trump was, quote, a Jesuit. I've never seen him that way. I don't think he really represents the Jesuit agenda. The only thing that the main, well, the two main things with President Trump that are troubling for me is one, the fact that he gives any support to LGBT politically. That's one, and two, his support for the vaccine. And he continues to support the vaccine. Now the one possible, you know, upside of all of that is that he has also called in his campaign.

For an investigation into the health of children in particular, you've got so many kids being diagnosed with autism and these other conditions and a lot of people are pointing to the vaccine industry and the medical industry overall. If there is a second Trump administration and they do a sincere investigation into the medical industry, that would be a very needed and I think positive thing. And I say, if, quote, unquote, if we'll have to wait and see what happens and just pray for the Lord's help and guidance for our country and our people in the days ahead.

I wanted to play a brief clip here as we round this out. So that's all five issues. The five things to watch for, in my opinion, in 2024. Illegal immigration, the rise of Islam, World War Three, the resurgence of COVID-19 and number five, the 2024 presidential race, all of that will be forthcoming in 2024.

Also, Simon Roch I should mention, even though I didn't play this part of his interview, he goes out of his way to tell us that his organization is an exclusively Christian organization, that they are Christians, and they do not seek to have non-Christians come and join with them or anything like that. They are very boldly, unapologetically Christian in their worldview and in their approach to everything they're doing, praise the Lord!

Christians need to become more partisan for Christianity and not allow the globalist influence to convince you that you're supposed to be defending atheism and Islam and all of these other alternative beliefs. We're really not called to defend the non-Christian beliefs of the world. Remember, the commandment of God, according to the Apostle Paul, is that God commands that all men everywhere repent and turn away from the idols of the world and put their faith in the Lord Jesus Christ as King of Kings and Lord of Lords. Indeed, as Peter said, He is Lord of all.

We are not called to tell everybody else who has an alternative belief that their belief is somehow or other equally valid or anything like that. No, we are called to communicate the Word of God and God's command that all men everywhere repent and put their faith and trust in the Lord Jesus Christ. Praise the Lord.

## [John Hagee vs. the Bible](#)

Millions of Christians today, especially American Christians, have been deceived by false doctrines of dispensationalism formulated by John Nelson Darby in the 19th century that say God has two covenant peoples, the Church and Israel. Dispensationalism rejects the longstanding teaching that there is one church that consists of both old covenant saints and new covenant saints. Dispensationalism rejects the teaching that old covenant Israel was the church and that, in the new covenant, God grafts believing Gentiles into that same church (Rom. 11:17–24).

Dispensationalism is a false unbiblical doctrine! The Book of Hebrews clearly says God will give the house of Israel a *new* covenant, the *same covenant* the Church is under, the covenant of grace through the belief that Jesus is the Christ, the Son of God Who died for our sins and was resurrected on the third day.

Hebrews 8:10 For this is the covenant that I will make with the house of Israel after those days, saith the Lord; I will put my laws into their mind, and write them in their hearts: and I will be to them a God, and they shall be to me a people:

11 And they shall not teach every man his neighbour, and every man his brother, saying, Know the Lord: for all shall know me, from the least to the greatest.

12 For I will be merciful to their unrighteousness, and their sins and their iniquities will I remember no more.

13 In that he saith, A new covenant, **he hath made the first old**. Now that which decayeth and waxeth old is ready to vanish away.

Darby's doctrines of dispensationalism became popular because it was promoted by C.I.Scofield and his reference Bible. It was further promoted by the Dallas Theological Seminary It led to so-called "Christian Zionism" and the promotion of the restoration of the Jews in Palestine which has resulted in the bloodshed in Gaza we see today! And why do Christian Zionists want to promote the State of Israel? Because they believe Israel has a role in the end time to bring about the return of Christ! They believe the Antichrist

will make a deal with Israel and the Muslims creating peace so that the Jews can rebuild their temple to renew animal sacrifices. They believe the Church will be raptured to heaven just before that happens. They believe that three and a half years later the Antichrist will set up his image in the temple, tell everyone to worship it, and have all those who don't killed. They believe Jesus will return three and a half years later with his raptured saints to fight the Antichrist and his people in the battle of Armageddon. All these doctrines are *false*! They are all based on the erroneous interpretation of Daniel chapters 9, 11, Matthew 24, and the Book of Revelation. I wrote extensively about this subject on this website.

If this surprises you, it's because you have been influenced by popular dispensational preachers today who promote Christian Zionism. One of the loudest and most influential Christian Zionist preachers is pastor John Hagee.

"John Charles Hagee (born April 12, 1940) is the founder and Senior Pastor of Cornerstone Church in San Antonio, Texas, a non-denominational evangelical church with more than 22,000 active members. He founded John Hagee Ministries, which telecasts to the United States and Canada. He is also the founder and chairman of the Christian Zionist organization Christians United for Israel." – Source Wikipedia and Hagee Ministries website.

Let's compare what John Hagee teaches to what the Bible says:

"I'm not trying to convert the Jewish people to the Christian faith. . . . trying to convert Jews is a waste of time. The Jewish person with his roots in Judaism is not going to convert to Christianity" (Houston Chronicle, Apr. 30, 1988)

"The first rule adopted by Christians United for Israel was that there would be no proselytizing at our events. CUFI exists only to honor and support the Jewish people, never to convert them" (Hagee, "Why Christian Zionists Really Support Israel," May 13, 2010).

On the day just before Jesus ascended back to Heaven, He told His disciples:

Acts 1:8 But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth.

Witnesses to whom in Jerusalem and Judaea? To the Jews!

Acts 2:5 And there were dwelling at Jerusalem Jews,

devout men, out of every nation under heaven.

Peter preached the Gospel in Acts chapter 2 to those Jews.

Acts 2:41 Then they that gladly received his word were baptized: and the same day there were added unto them about three thousand souls.

Those 3000 souls who were saved were all Jews! Jesus clearly told His disciples to share the Gospel with them!

Hagee says,

"I'm delighted to present my latest book, "**In Defense of Israel.**" This book will expose the sins of the fathers in the vicious abuse of the Jewish people. "*In Defense of Israel*" will shake Christian theology. It Scripturally proves that **the Jewish people, as a whole, did not reject Jesus as Messiah.** It will also prove that Jesus did not come to Earth to be the Messiah. It will prove that there was a Calvary conspiracy between Rome, the high priest and Herod to execute Jesus as an insurrectionist too dangerous to live. Since Jesus refused by word and deed to claim to be the Messiah, how can the Jews be blamed for rejecting what was never offered?" (also declared on p. 145 of the book)

Anybody who believes that statement by Hagee doesn't read their Bible! Even a Sunday School kid should be able to disprove Hagee's heretical statements. Jesus identified Himself to the Samaritan woman at the well as the Messiah.

John 4:25 The woman saith unto him, I know that **Messias cometh, which is called Christ:** when he is come, he will tell us all things.

26 Jesus saith unto her, **I that speak unto thee am he.**

In the KJV, the word Messiah is found twice in the Old Testament in Daniel 9:25 and 26. The spelling variation of Messiah in the New Testament is Messias. Besides John 4:25 it's also found in John 1:41.

John 1:41 He first findeth his own brother Simon, and saith unto him, We have found the Messias, which is, being interpreted, the Christ.

As you can see, both times the name Messias is used, Christ is also used as the Greek meaning of the Hebrew word Messias / Messiah. Messias / Messiah and Christ are synonymous! Christ occurs 60 times in the four Gospels! It occurs 555 times in the entire New Testament! For Hagee to say, "Jesus did not come to Earth to be the Messiah" is the same as saying that Jesus did not come to Earth to be Christ! It's even saying that Jesus is *not* Christ! Does that make John Hagee an antichrist? It does if he denies Jesus is Christ!

Jesus unequivocally told the high priest He is Christ!

Mark 14:61 But he held his peace, and answered nothing. Again the high priest asked him, and said unto him, **Art thou the Christ, the Son of the Blessed?**

62 And Jesus said, **I am:** and ye shall see the Son of man sitting on the right hand of power, and coming in the clouds of heaven.

Jesus also told it to the elders of the people, the chief priests and the scribes:

Luke 22:66 And as soon as it was day, the elders of the people and the chief priests and the scribes came together, and led him into their council, saying,

67 Art thou the Christ? tell us. And he said unto them, If I tell you, ye will not believe:

68 And if I also ask you, ye will not answer me, nor let me go.

69 Hereafter shall the Son of man sit on the right hand of the power of God.

70 Then said they all, Art thou then the Son of God? And he said unto them, Ye say that I am.

71 And they said, What need we any further witness? for we ourselves have heard of his own mouth.

Jesus identified Himself to the man who was blind from birth who He healed as the Son of God, the Messiah, the Christ.

John 9:35 Jesus heard that they had cast him out; and when he had found him, he said unto him, Dost thou believe on **the Son of God?**

36 He answered and said, Who is he, Lord, that I might believe on him?

37 And Jesus said unto him, Thou hast both seen him, and it is he that talketh with thee.

Hagee says,

“If God intended for Jesus to be the Messiah of Israel, why didn’t he authorize Jesus to use supernatural signs to prove he was God’s Messiah, just as Moses had done?” (p. 137)

The Bible says that God *did* authorize Jesus to use supernatural signs!

Luke 7:20 When the men were come unto him, they said, John Baptist hath sent us unto thee, saying, Art thou he that should come? or look we for another?

21 And in that same hour he cured many of their infirmities and plagues, and of evil spirits; and unto many that were blind he gave sight.

22 Then Jesus answering said unto them, Go your way, and tell John what things ye have seen and heard; how that the **blind see, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised,** to the poor the gospel is preached.

Hagee says curing the blind, the lame, the lepers, the deaf and raising the dead are not supernatural signs?!

“Jesus refused to produce a sign ... because it was not the Father’s will, nor his, to be Messiah.” (p 138)

Jesus refused to produce *an immediate sign* to the Pharisees when they demanded one! The fact is Jesus *already did* many signs!

John 10:31 Then the Jews took up stones again to stone him.

32 Jesus answered them, **Many good works have I shewed you from my Father;** for which of those works do ye stone me?

John 20:30 And **many other signs** truly did Jesus in the presence of his disciples, which are not written in this book:

“The Jews were not rejecting Jesus as Messiah; it was Jesus who was refusing to be the Messiah to the Jews. . . . They wanted him to be their Messiah, but he flatly refused. . . . He refused to be their Messiah, choosing instead to be the Savior of the world.” (pp. 140-141, 143)

I hope this convinces you that John Hagee is a false teacher. His book *In Defense of Israel* is rank heresy. If you support the modern state of Israel in its genocide of Palestinians, many of whom are Christians, it means you have their blood on your hands as much as he does.

## [Is the Rapture a Rescue from Persecution? The History Behind the Rapture Doctrine](#)

It seems to me the first thing that pops up into a Christian's mind today when he or she hears the word "rapture," is a rescue from persecution and tribulation from the Antichrist. I see no such promise in the entire Bible. The scriptures tell me otherwise.

*2 Timothy 3:12 Yea, and all that will live godly in Christ Jesus shall **suffer persecution.***

*Daniel 7:21 I beheld, and the same horn made **war with the saints,** and prevailed against them;*

*Revelation 13:7 And it was given unto him to make **war with the saints,** and to overcome them: and power was given him over all kindreds, and tongues, and nations.*

I don't know any evangelical today who calls himself a futurist who would

disagree that Daniel 7:21 and Revelation 13:7 are talking about the Antichrist. This baffles me because nearly all futurists claim the saints will be taken to Heaven just *before* the rise of the Antichrist!

A view that is very widespread in the church today holds that Jesus will come back to rapture the church out of the world, after which the great tribulation will then occur, and after that, Jesus will return again. There is no scripture in the Bible that says that. An honest Bible student who holds such a view must admit it is something they heard as a little child in Sunday school, and not from the Bible.

Not only that, but many have the mistaken belief it will be a *secret* rapture!

“There are many Christians who believe that the second coming of Jesus Christ will be in two phases. First, He will come for believers, both living and dead, in the “rapture” (read 1 Thessalonians 4:13-17). In this view, the rapture—which is the transformation and catching up of all Christians, dead or alive, to meet Christ in the air—**will be secret, for it will be unknown to the world of unbelievers** at the time of its happening.”

The above quote is from <https://billygraham.org/answer/what-is-the-rapture/> It's no surprise Billy Graham and his associates would teach that. He got it from the Scofield reference Bible and Scofield got it from John Nelson Darby's false doctrines known as Dispensationalism. Notice there are no Scriptures given to back up the idea that the rapture will be in secret and unknown to the world of unbelievers.

## **The history behind the current popular but false Rapture doctrine**

The following are quotes from <https://www.demonbuster.com/rapture.html>.

Three Jesuit Priests reinterpreted Daniel's 70 weeks of prophecy; the Book of Revelation; and Ezekiel for the purpose of taking the heat of the Protestant Reformation away from the papacy. At the beginning of the Protestant Reformation, all the reformers looked at the Pope as the Antichrist prophesied in the Bible! The three Jesuits were:

1. Francisco Ribera (1537-1591) of Salamanca – futurism/rapturists
2. Luis de Alcazar (1554-1621) of Seville – praeterism
3. Cardinal Roberto Bellarmine (1542-1621) – followed Ribera's school of thought.

The futurists rapture doctrine originated and was submitted by Francisco Ribera in 1585. His Apocalyptic Commentary was on the grand points of Babylon and Anti-Christ which we now call the futurists or rapture doctrine. Ribera's published work was called “In Sacram Beati Ionnis Apostoli ” Evangelistate Apocoalypsin Commentari (Lugduni 1593). You can still find these writings in the Bodleian Library in Oxford England.

Ribera's futurist interpretation rocked not only the Protestant church but

also the Catholic church, so the Pope ordered it buried in the archives out of sight. Unfortunately, over 200 years later a librarian to the Archbishop of Canterbury by the name of S. R. Maitland (1792-1866) was appointed to be the Keeper of the Manuscripts at Lambeth Palace, in London, England. In his duties, Dr. Maitland came across Francisco Ribera's futurist/rapture teaching and he had it republished for the sake of interest in early 1826 with follow-ups in 1829 and 1830. This was spurred along with the Oxford Tracts that were published in 1833 to try and de-protestantize the Church of England.

John Nelson Darby (1800-1882) (A Leader of the Plymouth Brethren) became a follower of S.R. Maitland's prophetic endeavors and was persuaded. Darby's influence in the seminaries of Europe combined with 7 tours of the United States **changed the eschatological view of the ministers which had a trickle-down effect into the churches**. Darby's/Ribera's teachings were embraced radically by **Cyrus Ingerson Scofield** (1843-1921). Scofield adopted Darby's/Ribera's school of prophetic thought into the Scofield Reference Bible of 1909 which was heralded as the "book of books".

Another contributor to the rapturist's chaotic prophetic line of thought came through Emmanuel Lacunza (1731-1801), a **Jesuit priest** from Chile. Lacunza wrote the "Coming of Messiah in Glory and Majesty" around 1791. It was later published in London in 1827. The book was attributed to a fictitious author named Rabbi Juan Josafat BenEzra. Reverend Edward Irving (1792-1834) contended that it was the work of a converted Jew and proved that even the Jewish scholars embraced a pre-tribulation rapture line of thought. It wasn't long until he had persuaded others to follow his line of thought which gave birth to the Irvingites (per your reference to Margaret McDonald).

In March 1830, in Port Glasgow, Scotland, 15-year-old Margaret McDonald made claim of her visions. Robert Norton published Margaret's visions and prophecies in a book entitled, "The Restoration of Apostles and Prophets in the Catholic Apostolic Church" (London, 1861). Although the modern-day view of every believer being taken away in a rapture is different from all of the thoughts that came before it, there is little doubt about its error.

Lacunza asserted that only those believers who partake of the sacrament of the Eucharist would be raptured; while Margaret McDonald said the rapture would only take those who were filled with the Holy Spirit; and Norton claimed that only those who had been sealed with the Holy Ghost by the laying on of hands would be raptured. Definitely, confusion ensued. John Darby, an ordained deacon in the Church of England, was acquainted with Edward Irving and had visited Margaret McDonald during the time of her visions. Combined with the knowledge he had gained from S.R. Maitland/Ribera's teachings and the new push from Irving/McDonald/Lacunza's teachings, Darby used the rapture theory to bring a clean break from the lethargic Church of England.

Ribera and Lucunza's teachings find a meeting point in John Nelson Darby. The effects of this purported lie against the truth are **still dominant today in Christian churches worldwide** .

(End of quotes from <https://www.demonbuster.com/rapture.html>)

There were no chapter divisions in the original text of the Bible. The first Bible to have chapter divisions was the Wycliffe Bible.

The chapter divisions commonly used today were developed by Stephen Langton, an Archbishop of Canterbury. Langton put the modern chapter divisions into place around A.D. 1227. The Wycliffe English Bible of 1382 was the first Bible to use this chapter pattern. Since the Wycliffe Bible, nearly all Bible translations have followed Langton's chapter divisions. (Ref: <https://www.gotquestions.org/divided-Bible-chapters-verses.html>)

With that in mind, let's ignore the chapter division of 1 Thessalonians chapters 4 and 5 and read it through from 1 Thessalonians 4:14 to 5:3.

*For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with him.*

*For this we say unto you by the word of the Lord, that we which are alive and remain unto the coming of the Lord shall not prevent them which are asleep. For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:*

*Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.*

*Wherefore comfort one another with these words.*

*But of the times and the seasons, brethren, ye have no need that I write unto you.*

*For yourselves know perfectly that the day of the Lord so cometh as a thief in the night.*

*For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.*

You see, if you read it through like this you can take it as events that *all happen on the same day!* Those who belong to Jesus Christ will be gathered to Him, and the wicked will be dealt with.

In the Gospel of Matthew, Jesus said the wicked will be gathered *before* the righteous!

*Matthew 13:30 Let both grow together until the harvest: and in the time of harvest I will say to the reapers, **Gather ye together first the tares**, and bind them in bundles to burn them: but gather the wheat into my barn.*

This sure indicates to me there is no significant gap of time between the gathering of the saints and the elimination of the wicked.

# Geneva Bible Footnotes Refute Popular Contemporary Evangelical Endtime Doctrines

My wife and I attend a local Baptist church. We like the pastor. He's a humble man who teaches the Word of God directly from the King James Version of the Bible. He preaches the true doctrine of salvation by faith alone, through grace alone, through Christ alone. He teaches us good practical lessons on how to avoid sin in our lives. But we also think Baptist eschatology is wrong because it was influenced by C.I. Scofield and his reference Bible. We are thankful that our pastor doesn't preach these false Endtime doctrines of Scofield. He himself confessed to being weak in eschatological doctrines. That's fine with me and my wife. Better not to teach them at all than to teach false doctrines. And what are these false doctrines that are held as truth by many evangelicals today?

1. Pre-tribulation rapture
2. Secret rapture of the saints
3. The 70th Week of Daniel being an Endtime event of the seven-year reign of the Antichrist
4. Israel is the time-clock of the Endtime.
5. The creation of the modern state of Israel in 1948 was fulfilment of prophecy
6. The Temple of Solomon will be rebuilt in the Endtime so that the Antichrist will sit in it and declare himself to be God.

The most commonly held Southern Baptist eschatology is known as "pretribulational premillennialism." In this view, Jesus will return to earth but not stay. He will rapture believers, removing them from Earth. Southern Baptists believe that a seven-year-long tribulation period will follow the rapture. They believe during the tribulation period that the Antichrist will conquer Earth, and they believe that Jesus will return again after the seven years and judge the living and the dead. Finally, they believe a 1,000-year-long Kingdom of God on Earth will follow. (From [Southern Baptist Eschatology Beliefs](#))

Where do the Baptists get the idea of a seven-year-long tribulation person after the rapture? Not from the Bible! They got it from a false interpretation of Daniel 9:27 promoted by John Nelson Darby and C.I. Scofield.

The Geneva Bible was published in 1560, which is 51 years before the King James Version. It was translated by men of God in Geneva Switzerland who were not under any political / government pressure that influenced their translation. The translators included footnotes to help make difficult passages clearer. Those footnotes are all based on what all Protestants in general held to be true. King James of England did not like some of those footnotes. He wanted a Bible that didn't include them. Hence we have the King James Version which is very similar to the Geneva Bible but without the footnotes. Let's see how the footnotes interpret certain scriptures.

Daniel 9:27 is probably the most misinterpreted prophecy in the entire Bible! Let's see how the Geneva Bible interprets it:

Daniel 9:27 And he {a} shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to {b} cease, {c} and for the overspreading of abominations he shall make [it] desolate, even until the consummation, and that determined shall be poured upon the desolate.

(a) By the preaching of the Gospel he affirmed his promise, first to the Jews, and after to the Gentiles.

(b) Christ accomplished this by his death and resurrection.

(c) Meaning that Jerusalem and the sanctuary would be utterly destroyed because of their rebellion against God, and their idolatry: or as some read, that the plague will be so great, that they will all be astonished at them.

And how does modern evangelical eschatology interpret it? They replace the "he" which is Christ with Antichrist and say the Antichrist will make a 7-year covenant with the Jews in order that they can rebuild a third Temple of Solomon to renew their animal sacrifices to God. Just ask yourself, would a rebuilt Temple Solomon honor God? Absolutely not! And why? Because it would represent a further rejection of the Blood of the Lamb, the Blood of Jesus Christ for our sins, and substitute animal blood instead! Would such a Temple be therefore the "holy place" of Matthew 24:15? Again, absolutely not for the reason stated above. There is no prophecy anywhere in the Bible of a third Temple of a Solomon. And not only does Daniel 9:27 not talk about a rebuilt Temple, it's a prophecy about the *destruction* of the Temple and Jerusalem in 70 AD! It's only *speculation* that the Jews need to rebuild the Temple in the Endtime so that the Antichrist can sit in it to proclaim himself to be God! And why did they speculate that? From a false interpretation of 2 Thessalonians 2:3-4)

2:3 Let no man deceive you by any means: {3} for [that day shall not come], except there come a falling away first, and {e} that man of sin be revealed, the son of perdition;

(3) The apostle foretells that before the coming of the Lord, there will be a

throne set up completely contrary to Christ's glory, in which that wicked man will sit, and transfer all things that appertain to God to himself: and many will fall away from God to him.

(e) By speaking of one, he singles out the person of the tyrannous and persecuting antichrist.

2:4 Who opposeth and {f} exalteth himself above all that is called God, or that is worshipped; {4} so that he as God sitteth in the temple of God, shewing himself that he is God.

(f) All men know who he is that says he can shut up heaven and open it at his pleasure, and takes upon himself to be lord and master above all kings and princes, before whom kings and princes fall down and worship, honouring that antichrist as a god.

(4) He foretells that the antichrist (that is, whoever he is that will occupy that seat that falls away from God) will not reign outside of the Church, but in the very bosom of the Church.

Any Protestant reading the Geneva Bible footnote of verse 4 would know for certain it is talking about the Popes of Rome. Evangelicals today do not interpret it that way. They say 2 Thess 2:4 is talking about the Endtime Antichrist sitting in a rebuilt Temple of Solomon. What does the New Testament call the Temple?

1 Corinthians 3:16 ¶Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you?

The Church, the saints of God, is the Temple of God, not a physical temple made with hands. The early Protestants knew that which is why they believed the identity of the Antichrist is the popes of Rome. It was the Pope who set himself above the kings and princes of Europe. It was the Pope who claimed to be the head of the Church and the vicar of Christ. Does Pope Francis today say the same thing? He does.

Here is the crux of the matter and the reason for false Endtime teaching: They were cooked up by Jesuit priests who lead the Counter-Reformation to get the Protestants to get their eyes off the Popes of Roman as the biblical Antichrist! They sure did a bang-up job, didn't they? But thankfully there are Christians today who know the truth, and they are mostly Christians who still remember what Protestants used to teach up to the 18th century. The Baptists do not identify with Protestantism because they claim to be descended from the Anabaptists who predate the Protestant Reformation. This is true. It's just sad that Baptists and other evangelicals such as Pentecostals were influenced by C.I. Scofield's doctrines while the Presbyterians and other mainstream Protestant churches were not.
