

[The Antichrist: His Portrait and History – Appendix A. “The Image of The Beast” \(Revelation 13:15\)](#)

As “the Beast” is a symbol, and represents a Pagan Power, its “image” must not be taken in its literal sense, i.e., must not be understood of a statue, but rather of some representation of the pagan power signified.

[Appendix – The Last Prophecy: An Abridgment of Elliott’s Horae Apocalypticae](#)

Postscript to “Horae Apocalypticae;” on the Pope’s own Testimony to the Fact of the completed Expiration in 1867 of the 1260 Predicted Years of Papal Dominancy in the Kingdoms of Western Christendom.
