

The Foundations Under Attack The Roots of Apostasy

The apostasy in the twentieth century; the compromise on essentials and the attack on the fundamentals actually have their roots in the nineteenth century.

Bible Verse Comparisons

BIBLE TRANSLATION COMPARISON		
John 3:16 (NASB)	John 3:16 (NLT)	John 3:16 (MSG)
"For God so loved the world, that He gave His only Son, so that everyone who believes in Him will not perish, but have eternal life.	"For this is how God loved the world: He gave his one and only Son, so that everyone who believes in him will not perish but have eternal life.	This is how much God loved the world: He gave his Son, his one and only Son. And this is why: so that no one need be destroyed; by believing in him, anyone can have a whole and lasting life.

Modern Bible translations diminish the divinity of Christ & undermine the Atonement. They are also markedly ecumenical, lending support to Roman Catholic dogma.

My one object has been to defeat the mischievous attempt, which was made in 1881 to thrust upon this Church and Realm a revision of the Sacred Text, which recommended though it be by eminent names, I am thoroughly convinced, and am able to prove, is untrustworthy from beginning to end.

The Modern Versions – Origins and Influences

Modern Versions

I have been persuaded for many years that Mary-worship and Jesus-worship have very much in common in their causes and their results.

I never read of a miracle in scripture, but I seem instinctively to feel its improbability...

Brooke Foss Westcott (1825-1903)

John Anthony Hort (1828-1892)

Westcott and Hort's Greek New Testament is the "source text" for many of today's modern Bible translations. These men were heretics.

The 1881 committee that produced the Revised Version, the mother of the majority of today's modern versions, was unimpressed with the weight of the evidence supporting the Received Text, which had been used for English translations by William Tyndale, John Rogers, and Miles Coverdale, as well as later by the 1611 translators.
