

# Immigration Warfare

This is a talk by Christian J. Pinto of [Noise of Thunder Radio](#) given on September 27, 2023. Mr. Pinto, in my opinion, is one of the few voices in the world today who correctly identifies the main enemy of truth, the Gospel, and constitutional republican based liberty.

Chris Pinto calls the Roman Catholic / Jesuit immigration policy for the USA, *irredentism*.

The Merriam-Webster dictionary defines it:

## **irredentism**

noun

ir·re·den·tism ,ir-i-'den-,ti-zəm

: a political principle or policy directed toward the incorporation of *irredentas* within the boundaries of their historically or ethnically related political unit.

## **irredenta**

noun

ir·re·den·ta ,ir-i-'den-tə

variants or less commonly irridenta

: a territory historically or **ethnically related to one political unit but under the political control of another.**

Chris is basically saying that formerly Protestant Christian America is being taken over by Roman Catholic and Muslim immigrants.

Here are the main points of Chris Pinto's talk and all of them are quotes:

- Since Joe Biden was installed in the White House in place of President Trump, people are estimating that there have been at least five million illegal aliens have been brought into the country.
- Biden is a globalist, obviously, and he knew that his job once he got into the White House was to advance and further the global agenda, which includes immigration warfare.
- The Islamic version is the Hejra immigration jihad. And the Jesuit version is of course, irredentism, which is another word or term for immigration warfare.
- Irredentism in my opinion is what's going on at our southern border.

- It's, not just a main issue for our country (America). It is for the entire Western world immigration warfare or irredentism.
- As Dr. Ronald Cook informed us that was what they used to undermine Northern Ireland. We know they use that in South Africa. We know they used it in Lebanon. We know that they're using it throughout Western Europe right now. When I say "they," I mean the globalists.
- Isaiah 1:7 Your country is desolate, your cities are burned with fire: your land, **strangers** (aliens, foreigners) devour it in your presence, and it is desolate, as **overthrown by strangers**.
- That's what has happened in the Western world, brothers and sisters in America, in England, Scotland, Ireland, all of these Western countries and more that were originally dedicated to the Lord Jesus Christ to the Christian religion.
- The gospel has been steadily compromised, in particular now. Not just cultural issues, not just laws, but the gospel and the belief that Jesus Christ is the only way of salvation and that Christianity is the only true religion. That has been systematically undermined since about the middle of the 20th century. It began in the late 19th century with the Parliament of World Religions, then by the time you get to Vatican Council II, you have a formal declaration that has been systematically adopted throughout the West. And that is this false idea that all religions are somehow or other, one and the same, or they're co-equal, or they're all equally valid ways to get to God. That is a lie. That is a false doctrine. That is a damnable heresy. And I believe that is the chief heresy that is undermining all of Western civilization.
- And it's why we have now all these Muslims flooding in. I mean, there are many, many stories about the Islamic invaders and all of the affliction that is being caused.
- Because of what's happening under the Biden administration, sooner or later, no one is going to be able to escape the problem of this mass, illegal immigration.
- In Scotland, whether it's Canada, Australia and so on, the false gods, Karl Marx and Allah, these false gods must be put down. And the Lord Jesus Christ as King of Kings and the only way of salvation must be lifted up.
- Now, of course, Jesus is always King of Kings. So God does not need our help per se, but it is up to us to acknowledge God and to proclaim that Christ, not man is King and Christ is the only salvation for mankind.
- So they are basically engaging in an ancient form of ecumenism. That's what they're doing. They're blending all the gods together.
- God says, be you holy even as I am holy. The word holy means separate. God is not blended in with Buddha and Krishna and Allah and all these pagan gods. No, they are not all one and the same.
